The curtain is rising on Summerfare!'s fourth season! 1993-94 looks to be our most exciting season of musicals to date.

Our musicals this season will take you from evenings of enchantment to nights of love, from classic composers to classic comedians, from times of political unrest to times of religious struggle...Cinderella, A Little Night Music, Simply Gershwin, Groucho – A Life in Revue, Hair, and Fiddler on the Roof.

Summerfare! has come a long way over these past four years and we thank you for your support and patronage. See you at the show!
