Before you choose a long distance service, take a close look.

You may be thinking about choosing one of the newer carriers over AT&T in order to save money.

Think again.

Since January 1987, AT&T's rates have dropped more than 15% for direct-dialed out-of-state calls. So they're lower than you probably realize. For information on specific rates, you can call us at 1 800 222-0300.

And AT&T offers clear long distance connections, operator assistance, 24-hour customer service, and immediate credit for wrong numbers. Plus, you can use AT&T to call from anywhere to anywhere, all over the United States and to over 250 countries.

You might be surprised at how good a value AT&T really is. So before you choose a long distance company, pick up the phone.

WIN A WINDJAMMER TRIP FOR TWO

Share a cozy cabin for two aboard a tall sailing ship from Monday noon 'til Saturday morning on one of our Windjammer ships in the Caribbean. All meals are included as part of the prize. See Extra Bonus Prize on back of questionnaire to qualify for airfare to and from the islands if your name is drawn.

QUALIFY FOR THE DRAWING

Simply complete this Query and help us better understand the reader's opinion of our publication and return it to our office before May 1, 1988, to qualify for the drawing to be held at that time. Each query received from our publications will be placed in a drum for drawing. The winner will be notified by mail.

RESPONSIBILITY OF THE WINNER

When the winner is notified, a copy of the Windjammer brochure will be included with the notice. The winner is to select a first and second choice of dates and a first and second choice of boats for the prize-winning trip. Boats sailing the week before and after Christmas and Easter are not available for selection. The choices are to be submitted in writing to the publisher's office. Within three to four weeks after receiving the winner's choice, the publisher will advise the winner of the boat and sailing date available. Sailing must occur before the end of 1988.

Publisher is the sole authority regarding selection.

If you would like to be advised as to the name of the winner of the cruise, please provide a post-paid return envelope for the information.

GET UP TO \$5,040 FOR COLLEGE WHILE YOU GO TO COLLEGE.

One of the best things about the Army Reserve, besides a good part-time salary, is the GI Bill. Just a little of your time in the Army Reserve earns you as much as \$5,040 to continue your education.

You serve one weekend a month (usually two 8-hour days) plus two weeks annual training, and earn over \$80 per weekend to start.

So, if a part-time income plus the GI Bill could help you through college, give us a call.
