UNDERGRADUATE catalog

1994-1995

The **Bulletin** of The University of Memphis is composed of the following publications: *Undergraduate Catalog*, *Graduate School Catalog*, *The Cecil C. Humphreys School of Law Issue*, and *The Student Handbook*. *The Schedule of Classes* (Fall, Spring, and Summer) is an official extension of the **Bulletin**. All of these publications have been designed to provide current and prospective students, faculty, and staff with a comprehensive description of the university and its academic programs, regulations, services, and activities. Recommendations concerning these publications should be addressed to the Director of Curriculum Planning in the Office of Academic Affairs. A brief description of each publication follows.

The **UNDERGRADUATE CATALOG** provides The University of Memphis student and prospective students with a detailed description of the curriculum, admission information, the requirements for graduation, and the academic regulations. The inside front cover of this publication includes policy pertaining to degree requirements. Because students may graduate using the degree requirements from any valid catalog beginning with the year in which they were first admitted to undergraduate study, the issue received upon admission should be retained by the student.

The **GRADUATE SCHOOL CATALOG** provides current and prospective graduate students with a description of the university, graduate program requirements, and graduate school regulations. Admission requirements, information pertaining to fees, and an application form are also included.

The **CECIL C. HUMPHREYS SCHOOL OF LAW ISSUE** of the **Bulletin** provides current and prospective law students with a description of the degree requirements, admissions requirements, fees, and activities of the School of Law. An application form is also provided.

The **STUDENT HANDBOOK** provides new students with a brief description of the areas of Student Affairs, student activities, campus services, policies and procedures related to Student Affairs and the Code of Conduct. Each entering student receives a copy of this publication and is responsible for becoming familiar with the Code of Conduct and the policies and procedures.

The **SCHEDULE OF CLASSES** is published a few weeks prior to each academic term (Fall, Spring, and Summer). It contains a detailed outline of the registration procedure, individual course offerings (course, time, days, location, and instructor), and course or program revisions made since the publication of the most recent *Undergraduate Catalog* and the *Graduate School Catalog*. It is an official extension of these catalogs. The Academic Calendar listing all deadlines is included in the catalogs and in the *Schedule of Classes*. The Registration Calendar is found in the *Schedule of Classes*.

Vol. 83, Number 1 — Undergraduate Catalog

April, 1994

Published four times yearly—April, May, June, July—by The University of Memphis.

The validity date for degree requirements is Summer, 2001.

**The university reserves the right to cancel or alter any part of this catalog without notice (subject to the following):**

The course offerings and requirements of the institution are continually under examination and revision. This catalog presents the offerings and requirements in effect at the time of publication, but is no guarantee that they will not be changed or revoked. The specific courses or activities constituting the degree requirements for any program are subject to substitution at any time prior to completion by the student. This catalog is not intended to state contractual terms and does not constitute a contract between the student and The University of Memphis.

The institution reserves the right to make changes as required in course offerings, curricula, academic policies and other rules and regulations affecting students to be effective whenever determined by the institution. These changes will govern current and formerly enrolled students. Enrollment of all students is subject to these conditions. Current information may be obtained from the offices listed above. Any fees, charges or costs, and all academic regulations set forth in

this catalog are subject to change at any time, and all courses, programs and activities described in this catalog are subject to cancellation or termination by The University of Memphis or the Tennessee Board of Regents at any time.

The institution provides the opportunity for students to increase their knowledge by providing programs of instruction in the various disciplines and programs through faculty who, in the opinion of the institution, are trained and qualified for teaching at the college level. However, the acquisition of knowledge by any student is contingent upon the student's desire and ability to learn and the application of appropriate study techniques to any course or program. Thus, the institution must necessarily limit representation of student preparedness in any field of study to that competency demonstrated at that specific point in time at which appropriate academic measurements were taken to certify course or program completion. ## USING THE CATALOG FOR DEGREE PROGRAM PLANNING

Each student is responsible for fulfilling all of the requirements for the degree program being pursued and for following the procedures and regulations as stated in the *Catalog in effect when entering college*. The *Catalog* is valid for seven years. Students should keep a copy of the *Catalog* they enter under until they graduate. Assistance from an advisor is helpful in planning the program of studies and in selecting the specific courses to be taken for each semester.

The *Graduation from the University* section of the *Catalog* outlines the minimum **university level** degree requirements. Some colleges specify the exact manner in which the university level requirements must be met. In addition to these, the student must fulfill the **college level** requirements for the degree and the **major** requirements. If the admission and/or retention standards for a particular college or department differ from the university requirements, they will be listed in the college degree program description. If they do not, the university requirements apply. The guidelines below will be helpful in planning which program to follow.

- (1) Read the *Catalog* to investigate what options are available;
- (2) consult with an academic advisor in the Academic Counseling Unit and/or the colleges which offer majors which are of interest to you;
- (3) talk with the departmental faculty in these areas of interest;
- (4) take advantage of the counseling offerings of the Center for Student Development (Testing, Career Counseling, Academic Counseling, Personal/Psychological Counseling, and the Educational Support Program);
- (5) become familiar with the *Academic Regulations* section

of the *Catalog*; determine the grades which are needed to insure retention and graduation as well as honors classifications in the university and in individual programs;

- (6) if you are undecided about a major area, begin your program of studies with those courses required for all degrees.

After a major has been chosen:

- (1) Consult with your advisor to determine what procedures are necessary to declare a major;
- (2) read the entire section of the *Catalog* which relates to the degree and major selected; note all degree requirements listed for the college such as the number of hours required within the college and outside the college and the number of upper division hours required; list all the general education courses required for the college or obtain a degree sheet from the college advisor; note the major requirements (when choices are allowed, be sure to consult with your major advisor);
- (3) plan your coursework semester by semester; try to complete all of your lower division courses (1000-2000) during your first two years; be sure to check for prerequisites before enrolling in any courses, especially upper division courses; take the courses in the proper sequence.

To complete a 132 semester hour degree program in four years, you need to take 33 hours per year. The maximum allowed per semester (fall/spring) is 18 hours. Special permission must be received in order to carry more than 18 hours. Physical activity courses are not included in the 18-hour maximum.

# 1. DESCRIPTION OF THE UNIVERSITY

## GENERAL DESCRIPTION

### Mission of the University

From the opening of its doors in 1912 as a normal school for training teachers to its present status as one of Tennessee's two comprehensive universities, The University of Memphis has been thrust forward by the growth of Memphis and the Mid-South. A town oriented to a rural economy and culture in 1900 grew into a large urban and commercial center mid-century, and the city's public institution of higher learning experienced comparable growth.

The metropolitan and regional requirements for more highly trained university graduates have, of necessity, caused the university to expand all its offerings in arts and sciences, business, the fine arts, education, engineering and technology, law, and several special professional fields. Degrees range from the baccalaureate through the doctorate. Approximately 75 percent of the full-time faculty have earned the highest possible degree in their fields. The university strives to optimize its resources in its quest for excellence through teaching, research, and service.

With an enrollment of over 20,000, The University of Memphis is committed to developing programs of the highest quality, for only through such a commitment will it be a standard of quality in higher education for the citizens of our service area. As the comprehensive university of the State University and Community College System of Tennessee, The University of Memphis is striving to increase the ratio of doctoral programs it offers, which will also require an increased emphasis on research and scholarship activity. The university is committed to serving a diverse student body of all races, sexes, and nationalities. Our students are expected, upon graduation, to be able to compete effectively with their counterparts from any other respected university in the nation.

The primary mission of The University of Memphis is to be a comprehensive urban university committed to scholarly accomplishments of our students and faculty and to the enhancement of our community, state and nation through principles of academic integrity, sound management and equal opportunity. The university strives to achieve and maintain this mission as part of two major communities: the national and international academic community of scholars and students; and the state of Tennessee and the Mid-South, especially metropolitan Memphis. In both communities, the university strives for excellence and seeks to contribute substantially to the quality of life of its various constituencies.

### History

The roots of The University of Memphis date back to September 12, 1912, with the establishment and beginning of classes at West Tennessee State Normal School, which provided for the training of primary and secondary education teachers. However, the seeds for the normal school's creation were sown three years earlier, in 1909, when the Tennessee General Assembly passed a General Education law calling for establishment and maintenance of three normal schools, one school located in each of the three grand divisions of the state.

The eastern edge of Memphis became the site for the West Tennessee State Normal School, which in 1929 became West Tennessee State Teachers College. In 1941, the college's curriculum in liberal arts was expanded, and the name was changed to Memphis State College, an institution serving three to four thousand students. The undergraduate program was reorganized into three schools and a graduate school added in 1951.

Memphis State achieved its status as a university in 1957, and on July 1, 1994, the name was officially changed to The University of Memphis.

### Governing Body

The governance and control of The University of Memphis is vested in the Tennessee Board of Regents. The Board of Regents consists of 18 members including 13 appointed by the Governor; four *ex officio* members—the Governor, Commissioner of Education, Commissioner of Agriculture, and the Executive Director of the Tennessee Higher Education Commission—and one statutory member. Nine appointed members are from each congressional district, and three are approved at-large from different geographical areas of the state. A student regent is appointed from among the system institutions for a one-year term.

### Organization

The schools and colleges that make up the university are The Graduate School, The Cecil C. Humphreys School of Law, The University College, The Loewenberg School of Nursing, The School of Audiology and Speech-Language Pathology, and five colleges offering graduate and undergraduate programs: The College of Arts and Sciences, The Fogelman College of Business and Economics, The College of Communication and Fine Arts, The College of Education, and The Herff College of Engineering. The university also offers a University Honors Program for highly motivated students seeking exceptional and challenging programs of study in a

variety of disciplines. The colleges, departments, and the undergraduate degree programs they offer are described in more detail in the *Colleges and Degree Programs* section of this catalog.

## THE MEMPHIS COMMUNITY

Memphis, with a metropolitan area population of just over one million, is one of the South's largest and most attractive cities. As a primary medical, educational, communication, distribution, and transportation center, Memphis offers a rich and full range of research opportunities and cultural experiences. The city, known worldwide for its musical heritage, has many fine restaurants, museums, and theaters, as well as one of the nation's largest urban park systems. Annual events include the St. Jude Liberty Bowl Football Classic, the Memphis in May International Festival, the Federal Express St. Jude Classic, the Great River Carnival, and the Mid-South Fair. The medical complex in Memphis is the South's largest and one of the nation's foremost centers of medical research. A public transportation system provides easy travel between the university and other parts of the city.

Built on bluffs overlooking the mighty Mississippi River, Memphis is devoted to preserving its history while vigorously building its future. Clusters of stately old homes dot the city; some are still inhabited, some preserve the past as museums, some have been restored and recast into commercial establishments; all are home to images from a long-ago time.

The university's modern and beautifully landscaped campus is centrally located in an attractive residential area of Memphis, with shopping, recreation, and entertainment centers nearby. In addition to the facilities on the main campus, the university has research and athletic training facilities and married students' housing on the South Campus.

## ACADEMIC PROGRAM ACCREDITATION

The University of Memphis is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award baccalaureate, master's, specialist, and doctoral degrees. The various colleges, schools and departments and/or the individual programs are accredited by the following appropriate accrediting agencies:

Accreditation Board for Engineering and Technology  
Accrediting Council on Education in Journalism and Mass Communication

American Assembly of Collegiate Schools of Business  
 American Bar Association  
 American Chemical Society  
 American Dietetic Association  
 American Home Economics Association  
 American Psychological Association  
 American Speech-Language-Hearing Association  
 Council on Rehabilitation Education  
 Council on Social Work Education  
 National Association of Schools of Art and Design  
 National Association of Schools of Music  
 National Association of Schools of Public Affairs and Administration  
 National Association of Schools of Theatre  
 National Council for Accreditation of Teacher Education  
 National League for Nursing

## FACILITIES, RESEARCH, AND SERVICES

---

### Academic Common Market

Participation in the Academic Common Market allows qualified students from southern states to pay in-state tuition while pursuing certain degree programs at The University of Memphis. This arrangement is available only for students whose home states do not offer the designated program. The state in which the student resides determines which of the programs offered by The University of Memphis it will make available to its students.

The participating states are Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and West Virginia (Florida and Texas grant access for graduate level programs only). Students may request through their home state coordinators that additional programs be made accessible. A list of the state coordinators with their addresses and telephone numbers may be obtained from the Office of Curriculum Planning.

In addition to certification requirements which the student's state of residence may specify, the following pertain: (1) Students must be fully admitted to a degree program that has been approved as an Academic Common Market program (non-degree students are ineligible); (2) students must obtain a letter certifying residency and approval for the particular The University of Memphis program from their state's Academic Common Market coordinator.

### Library Facilities

The University of Memphis Libraries include the main library and five branch libraries—Audiology and Speech Pathology, Chemistry, Mathematics, Music, and Earth Sciences—contiguous to the appropriate department.

The main library offers many services through its reference department, includ-

ing information retrieval via on-line database searching and in-house CD Rom index searching. The government documents department is the U.S. Government Regional Federal Documents Depository for the State of Tennessee, and continues to serve as a depository for all State of Tennessee documents. The special collections department's largest collection—Mississippi Valley Collection—reflects the history and culture of the Mississippi River valley.

The U of M Libraries' on-line catalog of their collections is available through terminals in the main library and the branch libraries. Dial-access to the catalog is also available from compatible personal computers.

The University of Memphis Libraries maintains agreements with other local institutions for shared use of library collections by students, faculty, and staff. These institutions include Rhodes College, Lemoine Owen College, Mid-America Baptist Theological Seminary, Memphis Theological Seminary, Shelby State Community College, State Technical Institute at Memphis, University of Mississippi, and Christian Brothers University.

### Computer Facilities

Computing support for the instructional program of The University of Memphis and for scholarly research is provided by Computer Services. In addition to the two VAX computers and the UNISYS computer serving administrative computing, the central academic computing system is composed of a Digital Equipment Corporation (DEC) VAX 6610 and a DEC VAX 6620. These two computers have 128 million characters of main memory and more than 20 billion characters of user disk storage along with the necessary tape and print peripherals. This system supports interactive, batch, and network processing. The Training Center in Smith Chemistry Building contains 29 terminals and is used for hands-on training for faculty, staff, and students. Computing laboratories with networked IBM compatible and Apple Mac microcomputers and remote laser printers are located in the Herff College of Engineering, the Fogelman College of Business and Economics, and the Winfield Dunn Building. The Winfield Dunn Building lab also contains interactive, high-resolution graphics terminals. Computer laboratories with academic mainframe terminals and remote high-speed line printers are located in the Richardson Towers Building and the Ball Education Building. Consultants are available in Computer Services to assist academic mainframe computer users in use of the computing facilities including installed statistical and non-statistical software and in the use of the various networks including Bitnet; the statewide educational network, TECnet; and the Internet via the mid-level network, SURAnet. Additionally, consultants are available to assist with instruction in microcomputers and with installation and maintenance services for microcomputers. Access to Bitnet,

an international electronic network of scholars, and the Internet, an international network of networks that includes NSFnet (National Science Foundation Network), is available to researchers through the academic mainframe system. Consultants and labs for demonstration and training are also available in the Life Sciences Building for microcomputer users.

More than 800 microcomputers and terminals are directly connected to the campus-wide network. As many as 70 local area networks (LANs), each with many microcomputers and printers, are also connected to the network. The campus-wide computer network is an optical fiber based network utilizing many protocols including TCP/IP, DECnet, and LAT. Special purpose minicomputers are available in several individual departments including Geological Sciences and Mathematical Sciences. A growing number of workstations are available through academic departments on campus, including Chemistry, Mathematical Sciences, and Engineering as well as in the Computer Center. In addition, more than 2,000 microcomputers are available throughout the university to directly support instruction and research.

### Fogelman Executive Center

The Fogelman Executive Center is a state-of-the-art conference and training facility designed to meet the needs of executives, managers, and professionals in all organizational areas. The center has fifty-one hotel rooms, twelve conference and seminar rooms (including two computer labs), and two dining rooms.

The staff of the Fogelman Executive Center provides coordination and planning services for all types of conferences and seminars. These services are available not only to conferences housed within the facility but also to programs at non-university locations.

### Bureau of Business and Economic Research

The Bureau of Business and Economic Research is the organized research and public service unit of the Fogelman College of Business and Economics. The programs of the bureau include public service to government agencies (state and local) and the business community, continuing education, and applied general research.

### Bureau of Educational Service

The Bureau of Educational Service promotes and supports research, development, evaluation, and field services in the College of Education. Bureau personnel are active in the operation of projects for local, state, regional, and national education agencies. Services are provided to faculty members through staff development, funding source identification, proposal preparation assistance, and contract administration support.

### **Center for Earthquake Research and Information**

The Center for Earthquake Research and Information was established in 1977 by the Tennessee State Legislature to provide the citizens of Tennessee, governmental agencies, and the news media such services as the following: (1) accurate, immediate reports and background information on the occurrence of regional earthquakes; (2) scientific research related to the causes and consequences of local earthquakes and to the possibility of earthquake prediction; (3) studies related to the desirability of earthquake resistant construction; (4) advice to the populace, business, government, and insurance groups on the methods, means, and feasibility of reducing earthquake damage. It operates as a research organization of The University of Memphis. It supports some undergraduate student research in seismology and geophysics and civil engineering and cooperates with the Department of Geological Sciences in offering an undergraduate degree concentration in geophysics.

### **Center for Electron Microscopy**

The Center for Electron Microscopy provides facilities and expertise in the field of electron microscopy. Users of the center include researchers and graduate students in the biological and physical sciences.

### **Edward J. Meeman Biological Station**

The Edward J. Meeman Biological Station was established in 1967 to encourage and foster scientific pursuits in natural history, ecology, and environmental biology. Located about 23 miles northeast of the main campus and adjacent to Meeman-Shelby Forest State Park in northwestern Shelby County, the 623-acre station (with laboratory, classroom, and small conference facilities) provides students and faculty from The University of Memphis, as well as visiting investigators, with a unique site for research, teaching, and service activities. The station is an integral part of the Department of Biology.

### **Ecological Research Center**

The Ecological Research Center (ERC) of the Department of Biology is organized to conduct and coordinate research, teaching, and service activities in ecology and related areas. Major areas of research include: fish culture, water quality, wildlife biology, endangered and threatened species, systematics, and physiological responses of organisms to the environment. The teaching program of the ERC provides a training program for students interested in pursuing careers in various professional fields and affords an opportunity for students to participate in activities involving contemporary environmental problems. Public service activities are primarily directed toward promoting

environmental awareness and providing information and consultation services to those concerned with environmental problems.

### **The Marcus W. Orr Center for the Humanities**

The Center for the Humanities was founded in 1987 and renamed in 1991 in memory of Dr. Orr, Professor of History. Its purpose is to support teacher and course development, independent and collaborative research, and public programs that will foster an understanding of the importance of the humanities and establish a sense of intellectual community among humanities faculty at the university. The center sponsors visiting scholars, course development grants, lectures, and a Humanities Fellows Program that supports faculty scholarship.

### **Center for Manpower Studies**

The Center for Manpower Studies, located in the Fogelman College of Business and Economics, conducts research on employment and training-related topics and provides technical assistance to federal, state, and local agencies. It also offers a variety of training programs for human resource development agencies throughout the southeast.

### **Center for Research on Women**

Founded in 1982, the Center for Research on Women, located in the College of Arts and Sciences, has rapidly gained national recognition for its pioneering work on race, class, and gender. Its mission is to promote research in the field of women's studies with a focus on southern women and women of color in the United States. Since its inception, the center has received grants for research and research related activity from both foundation and government sources.

### **Center for the Study of Higher Education**

The Center for the Study of Higher Education, located in the College of Education, conducts research and sponsors workshops and conferences in higher education.

### **Chucalissa Indian Village and Museum (C. H. Nash Museum)**

This partly reconstructed prehistoric Indian village on its original site and the museum are operated by the Department of Anthropology as an educational and research facility. The indoor and outdoor exhibits are designed to reconstruct prehistoric Indian life in the Mid-South. Students are trained in the techniques of excavation, restoration and museum operations. The courses taught are listed in the Department of Anthropology offerings. Chucalissa is located 17 miles from the main campus.

### **The Institute of Egyptian Art and Archaeology**

The institute, founded in 1984 and designated a Tennessee Center of Excellence in 1985, is a component of the Department of Art at The University of Memphis. The institute is dedicated to the study of the art and culture of ancient Egypt through teaching, research, exhibition, and excavation. It is staffed by Egyptologists and art historians associated with the department's art history program. Its research library consists of more than 6000 Egyptological books and periodicals including precious and out-of-print volumes. Supporting the institute's programs is the University Gallery at The University of Memphis, which houses the institute's growing collection of Egyptian antiquities, the largest in the Mid-South. The institute also sponsors an epigraphic project at The Great Hypostyle Hall of the Karnak Temple.

### **Institute for Intelligent Systems**

The institute is designed to bring together research and training in the broad areas of cognitive science, complex dynamical systems, artificial intelligence, and massively parallel computing (neural computing). Current research includes basic research supported by grants from funding agencies and applied research supported by industrial/governmental contracts. Ideas and techniques for research are gathered from the disciplines of cognitive psychology, computer science, philosophy of mind, neuroscience, linguistics, and mathematics. Training should include graduate courses, thesis and dissertation research, and industrial training in the form of workshops, seminars, and employee research participation.

### **Regional Economic Development Center**

The center represents the university in its outreach function in the field of economic development planning. In providing technical and management assistance to the public and private sectors, the center also serves as a laboratory for interdisciplinary research and service by faculty and graduate students in solving problems of urban and regional development. The center's professional planning staff have academic appointments and teach courses in urban and regional planning.

### **Speech and Hearing Center**

Located at 807 Jefferson Avenue in the medical center of Memphis, this facility became affiliated with the university in 1967. An additional site is located on the South Campus in building #44. Both locations serve children and adults with communication disorders. Students at the university are seen at no charge, while faculty and staff are seen for 50% of normal charges. The university administers and operates the center in cooperation with the Board of Directors of the Memphis Speech and Hearing Center, Inc.

## Other Research Units

In addition to the units described above, The University of Memphis also recognizes a wide array of other research-oriented units:

- Anthropological Research Center
- Barbara K. Lipman Early Childhood School and Research Institute
- Center for River Studies
- Center for Health Services Research
- Center for Voluntary Action Research
- Federal Express Center for Cycle Time Research
- Groundwater Institute
- Highwater Recording Company
- Institute for Egyptian Art and Archaeology
- Neuropsychology Research Laboratory
- Oral History Research Office
- Prevention Center (joint with UT Memphis)
- Religious News Association Archives
- Robert Wang Center for International Business
- Southern Music Archive
- Transportation Studies Institute

## Recognized Centers and Chairs of Excellence

The University of Memphis has been designated by the Tennessee Higher Education Commission as a location for centers and chairs of excellence. The units listed below receive special funding by the State in recognition of their status.

### Centers of Excellence

- Center for Applied Psychological Research
- Center for Earthquake Research and Information
- Center for Research Initiatives and Strategies for the Communicatively Impaired
- Center for Research in Educational Policy
- Center of Excellence in Egyptian Art and Archaeology

### Chairs of Excellence

## Center for Instructional Service and Research

The Center for Instructional Service and Research (CISR) provides support and enrichment to the instructional programs

at The University of Memphis and to the teaching, creative endeavors, research, and publication activities of its faculty and staff. Located in the John Willard Brister Library building, CISR provides services through the Learning Media Center, Graphic Design and Production, and Evaluation Service.

Faculty, staff, and graduate teaching assistants who wish to check out programs and equipment or to order graphics service must present a valid University ID card at the LMC desk when equipment and/or material are checked out or to the Graphic Artist when work is requested. Eligible users may check out equipment and media for use in courses they teach, but not for courses in which they are enrolled.

The LEARNING MEDIA CENTER (LMC) maintains the university's collection of instructional audiovisual programs in a variety of formats, including 16mm films, audio tapes, video cassettes, sound-slide and sound-filmstrip sets, and some computer software. Equipment is available for faculty use in the classroom. Services provided by the LMC include instruction on equipment operation, limited audio and video tape duplication within the provisions of the copyright law, assistance in locating information about audiovisual programs and identifying appropriate media for a given course, and arranging previews for purchase consideration. Students, faculty, and staff may view most programs in the LMC; conditions for use of all programs are governed by the provisions of copyright law (Title 17 U.S. Code).

On the balcony above the Learning Media Center, a laboratory with personal computers and printers is available during all hours the LMC is open for individual faculty, staff, and student use. Software may be obtained at the LMC desk. Some assistance is available, but no instruction.

GRAPHIC DESIGN AND PRODUCTION provides a variety of services for faculty and staff. Presentation posters, overhead transparencies, photostatic copies for publication, and specifications for materials to be typeset at Printing Services can be provided. Charts and graphs for university publication and/or representation, along with design and illustration for similar purposes, are also offered. Material and information necessary for the job must be delivered in person a minimum of two weeks before the completed work is required. The cost for materials and labor is charged to the requesting department or grant account.

EVALUATION SERVICE conducts the university program for student evaluation of instruction, collecting, analyzing, and reporting student perceptions of classroom instruction. Each fall and spring semester, faculty are offered the opportunity to participate and to indicate classes to be surveyed. After the semester ends, the completed forms and a computer summary of student reactions are returned to the faculty. These documents, which form an important part of the dossier prepared for promotion and tenure, provide informa-

tion useful to individual faculty in ongoing course development and improvement of instruction.

Individual faculty who wish to develop or improve their teaching, may request that CISR staff video tape a class session. Visiting speakers and faculty programs are recorded with permission and the tapes added to the LMC collection and made available for use by the University community.

## Jackson Center

Located on the campus of Jackson State Community College, the Jackson Center offers a wide variety of undergraduate and graduate courses and degree programs to students living in the Jackson area. In addition, the Jackson Center houses the Office of Extended Programs, which coordinates course and program delivery at various locations in West Tennessee. The Jackson Center is administered through the Office of the Vice Provost for Extended Programs.

## Higher Education Alliance

This alliance provides cooperative service through The University of Memphis, Jackson State Community College, and the State Area Vocational-Technical School at Crump. Reporting through the Office of the Vice Provost for Extended Programs and located at the State Area Vocational-Technical School at Crump, it offers an array of undergraduate and graduate courses to students in its service area.

## Psychological Services Center

The Psychological Services Center, located on the first floor of the Psychology Building, offers both psychological evaluations and therapeutic services to children and adults. For appointments or information, contact the center.

## Alumni

The University of Memphis National Alumni Association has offices located in the Alumni Center on campus. The staff serves The University of Memphis National Alumni Association and provides a communication linkage to the university for graduates and former students. The Alumni Association and staff also offer special services for current students and serve as the sponsors for the university's Student Ambassador Board.

## Development

The Office of Development serves as the catalyst and coordinator for private charitable financial support of The University of Memphis's academic programs. With approximately 50 percent of the university's annual operating budget provided by the state of Tennessee, other income must be generated by student tuition, other fees, and through annual and endowed gifts from private individuals and corporations. Such income is used to initiate new academic programs and enrich existing ones.

### Public Service

In recognition of the university's responsibility to serve the needs of a changing social and economic order, the Office of Public Service serves as a prime contact for individuals and organizations outside the university. Through this office, access may be gained to university facilities and resources.

### Tennessee Small Business Development Center

The Tennessee Small Business Development Center is organized to provide business development services to new and existing small business firms throughout the state of Tennessee. These services are delivered through service centers located at various state universities, community colleges, and technical institutes. These services add to the economic development efforts of the local communities by adding and retaining employment. Special attention is given to women, minority, and veteran-owned businesses.

### Continuing Education Short Course Program

The Continuing Education Short Course Program serves as an important link to the Memphis community, providing comprehensive, non-credit programs ranging from career development to personal enrichment. The program is designed to narrow the education gap left by the degree-awarding academic programs at The University of Memphis, thus complementing the university's mission of service to the community. The program is strongly service-oriented, providing general interest instruction to learners of all ages, regardless of their educational background. The Short Course Continuing Education product is high quality, affordable, and requires no formal admission to the university.

### Clean Tennessee

The Clean Tennessee program, established in 1983, serves as the state Keep America Beautiful agency and state resource center for litter prevention and proper solid waste management education. Functioning as a department under the Vice Provost for Extended Programs, Clean Tennessee is funded by Tennessee Department of Transportation.

Teaching, Master of Education, Master of Business Administration, Master of Music, Master of City and Regional Planning, Master of Health Administration, and Master of Public Administration.

## CECIL C. HUMPHREYS SCHOOL OF LAW

---

**PROGRAM:** The Cecil C. Humphreys School of Law offers a program of instruction leading to the degree of Juris Doctor. A student may enroll only in the fall semester and on a full-time or part-time basis. A student regularly employed more than 20 hours per week may not pursue the full-time program.

The successful completion of 90 semester hours of work, including all required courses, with the prescribed grade average is necessary for graduation. Unless an exception is granted, the last two regular semesters' work must be taken in this school.

**ADMISSION:** Admission to the Cecil C. Humphreys School of Law is on a selective basis. To be eligible for admission, a student must have received a bachelor's degree from an accredited college or university and must have made a satisfactory score on the Law School Admission Test administered by the Law School Admissions Services, Box 2000, Newtown, PA 18940. Questions concerning additional admissions requirements should be directed to the Coordinator of Law Admissions and Recruitment.

The regulations and policies of the School of Law are set out in greater detail in a separate issue of the *Law School Catalog*. Additional information may be obtained from the Coordinator of Law Admissions and Recruitment, Law Building, 3715 Central Avenue, Memphis, TN 38152.

---

## THE GRADUATE SCHOOL

---

The Graduate School of The University of Memphis is the center of advanced study and research within the university. The basic objectives of the Graduate School are as follows:

1. to preserve and disseminate knowledge;
2. to extend knowledge through research; and
3. to prepare men and women to assume responsible and useful roles in a changing society.

The Doctor of Philosophy degree is awarded in audiology and speech pathology, biology, business administration, chemistry, counseling psychology, engineering, geophysics, history, mathematics, music, philosophy, and psychology. The degrees of Doctor of Education and Doctor of Musical Arts are awarded by the College of Education and the College of Communication and Fine Arts, respectively. The College of Education also offers the degree of Education Specialist with a major in education. The Cecil C. Humphreys School of Law offers the Juris Doctor degree.

Master's degrees are offered in forty-three major areas through five colleges and one independent school. The degrees include Master of Science, Master of Arts, Master of Fine Arts, Master of Arts in

## 2. ADMISSION REQUIREMENTS

---

### ADMISSION TO THE UNIVERSITY

The University of Memphis offers equal educational opportunity to all persons without regard to race, religion, sex, creed, color, national origin, or disability. Inquiries about admission to any college of the university should be addressed to the Office of Admissions. This office receives and processes all applications, evaluates credentials, and issues notices of acceptance to qualified students. Undergraduate students may enter at the beginning of either of the fall or spring semesters or at the beginning of any term of the summer session.

The University of Memphis encourages all those who feel they can benefit from the educational opportunities offered by the institution to file an application for admission. Consideration is given to age, educational background, entrance examination scores, high school grades, any college attendance, and any other special talents and/or special circumstances which may affect the applicant's academic performance.

Certain instructional programs of the university are subject to special admission requirements and are subject to change according to the availability of institutional resources. Students wishing to enter one of these programs of study should check with the appropriate department or division offering the program in order to

become familiar with these special requirements. Undergraduate programs with special admission requirements include, but are not limited to, professional degrees in art, music, or theatre (Bachelor of Fine Arts or Bachelor of Music), teacher education, educational services, nursing, and the University College.

Students are encouraged to apply as early as possible. Early admission contributes to better orientation, course planning, class scheduling and financial aid consideration. High school students planning to apply as freshmen should submit applications as soon as possible after completion of the junior year. Applications for admission are available from many secondary school/guidance counseling offices and from the Office of Admissions, The University of Memphis,

Memphis, TN 38152. All credentials become the property of the university and cannot be forwarded or returned.

Credentials will be maintained in active files for a 12-month period. After this period, credentials will be relegated to inactive status and must be submitted again before an admission decision can be made.

Regulations in this section are subject to change without notice.

## ADMISSION AS DEGREE-SEEKING UNDERGRADUATES

The deadlines for submitting applications for admission are: August 1 for the fall semester, December 1 for the spring semester, and May 1 for the summer session. Applications received after these deadlines may be delayed in processing or processed at the non-degree level.

### Freshman Applicants

An applicant who has *no* previous college enrollment may be considered for admission as a regular undergraduate freshman by submitting the following to the Admissions Office:

1. A final transcript of all high school credits: Early decisions can be made by submitting partial transcripts (6th or 7th semester). Transcripts carried by the student are not acceptable for the admissions file. If any courses have been taken for college credit, the institution(s) granting credit must be contacted and asked to send an official transcript to The University of Memphis Admissions Office as a part of their admissions file. Students who have achieved a high school diploma through the General Education Development (GED) Test must also have the GED scores sent. Older than average students may be given special consideration.
2. The score report of the American College Testing program (ACT) or the Scholastic Aptitude Test (SAT). The score report is a necessary part of the application.
3. A non-refundable application fee of \$5.00.
4. Any additional items and information requested in the application materials by the Office of Admissions.

Students will be considered for admission with a minimum high school grade point average of 2.00 on a 4.00 scale or a 19 composite score on the enhanced ACT.

Students will be *guaranteed* admission with a 3.0 cumulative grade point average on a 4.0 scale from an accredited or approved high school or a minimum ACT composite score of 20 on the enhanced ACT or the equivalent on the former ACT and satisfactory completion of the required high school curriculum.

The average high school grade point average for the entering class of 1993 is 2.99, and the average composite is 22.3.

Applicants with *special talents or circumstances* who do not meet requirements for guaranteed admission may be considered. For further information contact the Office of Admissions. Applicants with diagnosed learning disabilities should contact the Director of the Office for Students with Disabilities for further information.

### High School Curriculum Required For Admission

No high school curriculum can assure that a given student will acquire desired learning outcomes; however, the absence of certain components greatly increases the likelihood that the student will not acquire those outcomes and reduces the likelihood that the student will enjoy maximum benefits of a college experience. The

justification for colleges' recommending or requiring specific high school units for admission is to reduce the likelihood that a student will be unprepared for effective work in college and to increase maximum benefits a student may enjoy.

Effective the Fall Semester 1989, among the units required for graduation, the following specific high school units must be included in the minimum admissions requirements at all Tennessee State Board of Regents universities and colleges. **Students who do not take one or more of these required courses, where they are available, may not be eligible for admission to the university.**

**ENGLISH (4 units required):** Units in this category must address reading and literature, writing, speaking and listening, and principles concerning the English language. Extensive experience in reading and writing should characterize all courses.

**VISUAL AND/OR PERFORMING ARTS (1 unit required):** Units in this category should include a survey of the arts (visual arts, theater, music, and dance) or active participation in one or more of the arts.

**MATHEMATICS (3 units required):** Units in this category must include Algebra I, Algebra II, and geometry or an advanced course with geometry as a major component. Students are recommended to take a fourth unit in computing, advanced mathematics, or statistics. All college freshmen will benefit by having studied mathematics as seniors.

**NATURAL AND PHYSICAL SCIENCES (2 units required):** Units in this category must include mathematical skills, fundamental concepts, and some laboratory and field work. At least one unit must address detailed knowledge in the more traditional fields of biology, chemistry, or physics and must include a laboratory.

**SOCIAL STUDIES (2 units required):** For students graduating prior to spring 1993, the units in this category may include: history, government, geography, economics, sociology, psychology, or anthropology. For students graduating in the spring 1993 or thereafter, these units must come from the following: modern history, ancient history, world history, world geography, or European history. One unit in American History is also required.

**FOREIGN LANGUAGE (2 units required):** Two units in a single foreign language are required in this category.

These stipulated high school units are not intended to specify what the total high school curriculum should be. Secondary schools seek to meet the needs of various student clienteles, one of which is the college-bound student. The stipulations are, on the other hand, an attempt to make a strategic application of academic competencies. They reflect the bridge from specific desired learning outcomes to a list of required college admission criteria. That list is composed of high school units presumed most likely to result in the required learning outcomes. For the sake of clarity, one unit constitutes one year of high school study of a given subject.

Applicants with subject deficiencies may, with proper institutional approvals, be admitted to the university; however, the deficiencies must be removed during the first 64 semester hours (30 semester hours for transfer students) of college enrollment. College level courses taken to remove unit deficiencies must be completed with a grade of C or better and will be used for elective credit only. Different requirements may be specified for certain

groups of applicants: adult students (i.e., students separated from high school graduation by five or more years), GED students who are not high school graduates, and international students. Transfer and re-entry students may be required to remove any deficiencies before regular admission.

### OUT-OF-STATE APPLICANTS

Acceptance to the university for out-of-state applicants who meet guaranteed admission standards may be granted on the same basis as for in-state applicants. Acceptance for all other out-of-state applicants is competitive.

### EARLY ADMISSION APPLICANTS

Academically outstanding high school juniors who have completed three academic years of high school, accumulating at least 14 units of course work may be considered for early admission if they have the following:

1. A minimum high school cumulative grade point average (GPA) of 3.5 on a 4.00 scale.
2. A minimum ACT composite score of 26 on the enhanced ACT or the equivalent on the former ACT.
3. Written recommendations from high school principal and guidance counselor.
4. An interview with U of M faculty/staff committee selecting early admission students.

In addition, they must agree to enroll in freshman English, and, unless successfully completed in high school, courses in American history and economics.

**NOTE:** Early admission applicants should also check with their high school for specific graduation requirements.

### Transfer Applicants

The University of Memphis welcomes applications from students who have begun college elsewhere. They may transfer to The University of Memphis with any number of units. If they have fifteen (15) or more semester units transferable from a fully accredited college or university, students are evaluated primarily on college-level work. If they have fewer than fifteen (15) transferable units, students are evaluated on a combination of college-level and high school course work, and college entrance examination results.

To qualify for degree-seeking transfer admission, the applicant must request that a transcript from each institution attended be sent directly to the Office of Admissions. Transfer applicants who graduated from high school in 1989 or later may also be subject to the high school curriculum requirements found above in this section of the catalog. To make this determination, a high school transcript is necessary. Therefore, all transfer applicants whose high school graduation date was in 1989 or later should have a transcript mailed

directly from their high school to the Admissions Office. Concealment of previous college or university attendance may be cause for rejection or cancellation of admission.

Admission may be granted to applicants who have honorable dismissal from the last institution attended and whose cumulative quality point average (QPA) meets the required minimum established by the Tennessee State Board of Regents, as stated below:

Semester Hours Attempted	Minimum QPA
14.99 or less	No minimum*
15.00—29.99	1.40
30.00—50.99	1.70
51.00—67.99	1.90
68.00 and above	2.00

\* Transfer applicants with fewer than 15.00 earned semester hours must meet the admission requirements for freshman applicants.

Transfer applicants who have been academically dismissed from the last institution they attended or do not meet the QPA requirements listed above, will not be considered for admission until at least one regular semester (not to include summer sessions) has elapsed. After this period, these applicants must provide the following:

A. a new application (no additional fee required), and

B. an acceptable ACT or SAT score.  
NOTE: Applicants who meet one of the criteria outlined in the Adult Students section do not have to submit an acceptable ACT or SAT score.

If acceptance to the university is granted, the applicant will be admitted on academic probation. Students on probation at their previous school will continue in that academic status.

Transfer applicants who are denied admission should contact the Applicant Services section of the Office of Admissions to discuss the possibilities of attending the university in the future.

## ▼ Adult Students

The University of Memphis encourages the enrollment of adult students. In order to facilitate this, the university offers additional support services and alternative admission policies to promote the enrollment of the mature student. These services include but are not limited to evening and week-end classes through the MINI College. The Adult Student Development Office offers child care during class attendance, tutoring programs, the Adult Student Association and much more.

In addition, adult students generally are not required to provide an entrance examination for admission. They may, however, be expected to complete a placement instrument depending on individual circumstances.

Adult students are those applicants who meet one of the following criteria:

1. at least 24 years of age
2. at least 21 years of age *and* have been away from school for some time

For further information, please contact the Adult Student Development Office in Room 419 in the University Center.

## International Students

The University of Memphis believes that the presence of a balanced representation of international students on campus will enrich the educational environment of all students. Therefore, the university is authorized under federal law to enroll nonimmigrant, alien students on "F-1" and "J-1" student visas. Applicants must file complete credentials before May 1 for fall admission; September 15 for spring admission; or February 1 for summer admission. Complete credentials include all the documents listed below under "Requirements."

The international application should be completed carefully and returned to the Office of Admissions, The University of Memphis, Memphis, Tennessee, 38152, U.S.A. Applications and fees received after the stated deadlines will be returned.

A non-refundable international application and processing fee of \$30.00 (thirty dollars) is required of every international applicant, unless previously paid. A check or money order, made payable to The University of Memphis, must be sent with the application form. Applications received without the fee will be returned.

International applicants should write to the Office of Admissions for information on application procedures, qualifications, and admission to the university. Since there is considerable variation among educational systems throughout the world, international applicants will be selected on a competitive basis, after meeting the minimum standards of admission using examination scores, grade point average, relevance of academic background to intended major field of study and recommendations from the World Education Series. The university often receives more applications than can be approved; therefore, admission cannot be granted to all applicants who meet only the minimum requirements.

Since the enrollment of international students is based on a global sampling and representation, priority will be given to applicants with exceptional credentials who will be attending a university in the United States for the first time.

All transcripts, test scores, and other credentials must be accompanied by an official English translation of these documents and must be on file in the Office of Admissions by the stated deadlines before the beginning of registration for the intended term of entry.

### REQUIREMENTS

**1. Educational Background:** Applicants must list on the form provided by the university every school attended, beginning with primary school, to the present, including each primary, secondary, and post secondary institution.

**2. Required Transcripts:** Applicants must arrange for the Office of Admissions to receive official copies

of academic records from the applicant's attendance at secondary school, college, university, and professional institutions of learning. These transcripts must be sent directly from the high school or college to The University of Memphis. An exception is made for those who hold the bachelor's degree or its equivalent in that they need not send their secondary school records. Records should list the subjects studied and the grade, mark, or other evidence that each individual subject was completed to the satisfaction of the authorities in charge. If it is impossible for the school to send us an official copy, certified copies by an official at the American Embassy or a world organization may be acceptable. All records must be in English. Since certificates and records filed for examination are not ordinarily returned, applicants should send certified photostatic copies if the documents in question cannot be easily replaced.

**3. Required Test of All Applicants:** All applicants whose native language is not English must supply results of the Test of English as a Foreign Language (TOEFL) or its equivalent. TOEFL information may be obtained by writing: TOEFL, Educational Testing Service, Princeton, New Jersey, 08540, U.S.A. All test scores must be sent directly from the testing agency to The University of Memphis.

**4. Freshman Test Required:** Applicants to the first year undergraduate level must submit scores on the Scholastic Aptitude or Test of American College Testing Program (ACT). These tests are available only in English. For information on the SAT, applicants may write to College Entrance Examination Board, Box 592, Princeton, New Jersey, 08540, U.S.A. For information on the ACT, applicants may write to American College Testing Program, P.O. Box 414, Iowa City, Iowa, 52243, U.S.A. All test scores must be sent directly from the testing agency to The University of Memphis.

**5. Financial Statement:** U.S. visa regulations require that certification of admission be based on both academic acceptance and satisfactory evidence of adequate funds to meet the expenses involved in the student's program of study. Applicants on an "F-1" student visa must supply, on the form provided by the university, sufficient evidence of financial support for themselves and all members of their families who will accompany them to Memphis. This requires that applicants certify that their intent is to attend the university full time and that no employment will be required.

**6. Applicants must send two recent passport size photos of themselves to the Office of Admissions, The University of Memphis, Memphis, Tennessee, 38152, U.S.A.**

**7. Health Certificate Required:** Each international student, within 30 days from the first day of classes, must submit a certificate from a licensed U.S. physician or other qualified U.S. medical authority verifying freedom from tuberculosis. Failure to do so shall result in denial of enrollment. In the event that the student either has tuberculosis or has potential tuberculosis requiring medical treatment, continued enrollment will be conditioned upon the determination by a licensed U.S. physician that such enrollment does not present a risk to others and upon the student's compliance with any prescribed medical treatment program.

**8. All international students must purchase health insurance before they are allowed to enroll.**

**9. English Placement Examination:** All international applicants who are accepted must take an English placement examination, administered by the English Department, before enrollment. Placement in an English class will be determined by the results of this examination. International students should arrange to be on campus approximately one week before the beginning of Regular Registration for the proposed term of entry.

**10. International students will not normally be allowed to re-enroll on a transient status (the student is not enrolled and in good standing at another institution who desire to attend The University of Memphis for only a limited period of time). During summer sessions, exceptions may be granted only in cases where a student has an outstanding academic record and unusual circumstances are present.**

**11. International students who wish to apply for readmission to the university must meet the deadlines stated above.**

**12. International students must become familiar with the regulations of the Immigration and Naturalization Service and assume responsibility for complying with these regulations.**

## Combination Senior

An undergraduate senior student with a total cumulative GPA of at least 3.25 and who is enrolled in the last term of course work at The University of Memphis that will complete the requirements for a bachelor's degree, may request approval to enroll concurrently in undergraduate and selected graduate courses. The Combination Senior student is not considered a graduate student and may take no more than (9) departmentally approved graduate semester hours. After the bachelor's degree has been awarded, the Combination Senior may apply for admission to The Graduate School.

## Former Students (Readmission)

Former students who wish to return to the university at the same level as when they previously attended or at the non-degree level must file an application for readmission. This form should be secured, completed, and returned to the Admissions Office. If the student has enrolled at another institution since last attending The University of Memphis, a transcript must be forwarded to the Admissions Office. An applicant will receive favorable consideration only if eligible for readmission under all university regulations, including the quality point average (QPA) for transfer students. (NOTE: International students who wish to apply for readmission to the university must meet the deadlines for new admission for international students.)

## ADMISSION AS NON-DEGREE UNDERGRADUATES

Applicants who wish to apply at this level are encouraged to apply by the deadlines as stated for degree-seeking students. Applications will be accepted until the first day of regular registration for the term for which the student is applying. Non-degree students who have attended other colleges will not have their previous college work evaluated for transfer until such time as they have been approved for admission as regular undergraduates. An applicant who has applied as a degree-seeking undergraduate and failed to meet admission requirements must generally wait a fall or spring semester or six months before applying for admission at the non-degree level.

Applicants wishing to enter the university, and who are *not presently pursuing a degree*, may do so by applying for admission at this level and meeting one of the three conditions listed below:

## Applicants with No Previous College

Applicants who have not attended another college or university must:

A. provide proof of high school graduation or the equivalent;

OR

B. be at least 21 years of age and not a current year high school graduate.

C. Applicants who are offered admission with the enhanced ACT composite, English or math subscores less than 19, or the equivalent on the former ACT, will be required to take a placement examination prior to enrollment. Based on the results of the assessment, these applicants may be required to successfully complete remedial and/or developmental courses prior to enrolling in degree credit courses. (See Remedial and Developmental Studies program description in the *Independent Programs* section of this catalog.)

NOTE: Those applicants under 21 who complete their high school work during the calendar year in which they seek admission will not be considered at this level. These applicants must apply as degree-seeking freshmen.

## Applicants with Previous College

Students currently/previously enrolled in an accredited college or university must submit evidence of eligibility to re-enroll at that school. Clearance will be for one term only. Subsequent enrollment will require an application for readmission.

NOTE: Transient students (those regularly enrolled and in good standing at another institution who desire to attend The University of Memphis for only a limited period of time) should apply at the non-degree level.

## Applicants with College Degree

Applicants who (1) have earned a baccalaureate degree from an accredited institution; (2) desire to take only a limited number of undergraduate courses; and (3) are not presently working toward a degree at The University of Memphis, may be admitted as non-degree students by providing proof of the degree held and the date it was earned.

Those applicants who are admitted as non-degree students are assigned to the Academic Counseling Unit for advising. Students at this level may not take more than 18 semester hours of work in a single term nor may they earn more than 24 semester hours total. This limit may be extended if there has been enrollment at another institution since last attending The University of Memphis.

Non-degree students may, at any time within the stated deadlines, apply to the Office of Admissions for reclassification as degree-seeking students, effective at the beginning of the next fall or spring semester. Admission procedures and requirements are the same as those for

degree-seeking undergraduate applicants with the following clarifications:

1. An acceptable entrance examination score or the equivalent may be required for students wishing to have their level changed to degree-seeking undergraduate status. Applicants who do not meet one of the criteria outlined in the Adult Students section may choose one of the following to complete this requirement:

a. Submitting an acceptable ACT or SAT score.

OR

b. Earn at The University of Memphis a cumulative GPA of 2.00 or greater that includes 12 hours or more exclusive of physical activity courses.

NOTE: Courses defined as remedial or developmental may not be used in satisfying the 2.00 requirement.

2. The high school graduation requirement may be satisfied by any one of the methods listed in the regular undergraduate freshman section of this catalog.

After students are admitted as regular undergraduates, any credit that they may have earned as non-degree-seeking students may apply toward degree programs in the college from which a degree is sought as outlined in this catalog.

## Concurrent Enrollment

Outstanding high school students who have completed the junior year may be admitted and register for one college course per term of enrollment concurrently during their senior year provided they supply evidence of the following:

1. A minimum high school cumulative grade point average (GPA) of 3.20 on a 4.00 scale.

2. An ACT composite score of 22 or above on the enhanced ACT or the equivalent on the former ACT.

3. A recommendation from the applicant's high school principal or guidance counselor.

4. The course concurrently enrolled students register for must be taken outside of their established school day.

NOTE: Departments may establish additional criteria for their courses.

## Admission as Audit-Only Undergraduate

Persons who are not enrolled for credit courses may register for audit courses with the approval of the Office of Admissions and the appropriate department chair. These students must have the equivalent of high school graduation or be at least 18 years of age. Clearance will be for one term only. Subsequent enrollment will require an application for readmission. Those who are suffering from a permanent disability that totally incapacitates them from working at an occupation that brings in an income, and persons sixty years of age or older, who are domiciled in Tennessee, may audit courses at The University of Memphis without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to audit will be limited on an individual classroom basis according to space availability.

### 3. EXPENSES AND AID

#### FEES AND CHARGES

**GENERAL:** The information is this section concerning tuition, fees, deposits, and the like, is applicable only to students enrolled in the undergraduate colleges and departments of the university. Similar information for students in The Graduate School and The School of Law is available in the catalogs of those schools.

The listing of any fee or incidental charge in this catalog does not constitute a contract between the university and the student. The fee amounts listed below are for the 1993-94 academic year. Fees are expected to increase somewhat for the 1994-95 academic year. **Because of rapidly changing conditions it may become necessary to alter a fee structure before the next edition of the Catalog is published.** As a condition of registration, students will pay the fees in effect the semester for which they register.

All fees and charges will be assessed and calculated consistent with policies and procedures of the university and the Tennessee Board of Regents. Information presented in this catalog is intended to cover the situations most students will encounter. The university may have additional policies and procedures by which fees and charges are implemented or that apply to unusual situations.

**INDEBTEDNESS TO UNIVERSITY:** Policy of the Tennessee Board of Regents prohibits the enrollment of any person who owes the university any amount of money. All outstanding financial obligations to the university must be satisfied before the first day of classes to avoid deletion of the student from the class rolls. Tennessee law prohibits the release of grades, transcripts or diplomas of any person having outstanding financial obligations to the university.

#### APPLICATION AND REGISTRATION FEE INFORMATION

**APPLICATION FEE:** Students submitting an application for admission to the university must pay, at the time of submitting their first application, a one-time, non-refundable fee of \$5.00.

**PAYMENT OF FEES AND DEBTS:** Fees may be paid by cash, check, money order, Visa/Mastercard, Discover, or through use of a Tiger Fund\$ Account. Fees may be paid as soon as the student receives a Class Schedule and Invoice Form. However, all fees must be paid by the deadline as indicated on the student's Class Sched-

ule and Invoice Form. All deadlines are noted in the fee deadline section and term calendar of the *Schedule of Classes*. Registration is not complete and students will not have their names placed on class rolls until after all fees are satisfied. Student aid awards, scholarships, and/or billing authorizations are NOT automatically processed. Students must process them through the registration cashiers to satisfy fees. Former students with outstanding financial obligations to the university cannot be re-enrolled until the obligations are paid.

**MAINTENANCE FEE:** All students, whether in-state or out-of-state, pay a maintenance fee. Undergraduate maintenance fees are \$73.00 per semester hour, not to exceed a maximum of \$866.00. Maintenance fees assessed are based on the course level, and the maximum fees will be the graduate maximum if a student is enrolled for any graduate hours. Graduate maintenance fees are \$103.00 per credit hour, not to exceed a maximum of \$1,061.00.

Fees for auditing courses will be assessed on the same basis as fees for credit courses. Courses offered between terms, for concentrated periods during a term, or at specific locations, may be subject to fees on a per-hour basis only.

The university usually will collect the amount of fees due at the time of registration and during the adding and dropping of classes, in accordance with the residency classification and fee rates in effect. After all enrollments are complete, any over-collection will be refunded, and students will be billed for any undercollection.

**THE SUMMER SESSION:** The summer session consists of two separate terms of approximately six weeks each, plus an extended term for specified courses. Fees for the summer session are determined solely on a semester hour basis. The semester hour charge is \$73.00 for maintenance fees and an additional \$165.00 for out-of-state tuition.

**TUITION:** Students classified as out of state are charged an additional \$1,891.00 per semester for full time or \$165.00 per semester hour for part time. Thus, an out-of-state full-time student is charged \$2,757.00, and an out-of-state part-time student is charged \$238.00 per semester hour.

**RESIDENCY CLASSIFICATION:** All determinations concerning the classification of students as in state or out of state for fee purposes are made in the Office of Admissions by the Admissions Office. The determinations are based on the regulations and guidelines of the Tennessee Board of Regents. If, for any reason, there is a question about a student's residency

classification for fee-paying purposes, it is the student's responsibility to check with the Admissions Office before classes begin to initiate a review.

**ACADEMIC COMMON MARKET:** Participation in the Academic Common Market allows qualified students from southern states to pay in-state tuition while pursuing certain degree programs at The University of Memphis. This arrangement is available only for students whose home states do not offer the designated program. The state in which the student resides determines which of the programs offered by The University of Memphis the home state will make available to its students.

The participating states are Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and West Virginia (Florida and Texas grant access for graduate level programs only). Students may request through their home state coordinators that additional programs be made accessible. A list of the state coordinators with their addresses and telephone numbers may be obtained from the Office of Curriculum Planning.

In addition to certification requirements which the student's state of residence may specify, the following pertain: (1) Students must be fully admitted to a degree program that has been approved as an Academic Common Market program (non-degree students are ineligible); (2) students must obtain a letter certifying residency and approval for the particular University of Memphis program from their state's Academic Common Market coordinator.

**FEES FOR TOTALLY DISABLED PERSONS AND PERSONS OVER 60 YEARS OF AGE:** Persons with a permanent disability that totally incapacitates them from the potential to work at an occupation that brings them an income, and persons who will become 60 years of age or older during the academic semester in which they begin classes, and who are domiciled in Tennessee, may AUDIT courses at The University of Memphis without paying tuition charges, maintenance fees, student activity fees, access fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Those who are totally disabled and those who will become 65 years of age or older during the academic semester in which they begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of \$37.00 per undergraduate semester hour, or \$52.00 per graduate semester hour, not to exceed \$75.00 per semester. University Health Services shall examine certification of permanent disability (not the applicant)

and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Registration and Scheduling Office, Room 167, Administration Building.

**STUDENT ACTIVITY FEE:** All students enrolled for one to five credit hours will pay a student activity fee of \$4.00 per hour. All students enrolled for six or more credit hours will pay a student activity fee of \$48.00.

Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*. Student activity fees for the summer session are determined solely on a semester hour basis.

**TECHNOLOGY ACCESS FEE:** All students enrolled for one to four credit hours will pay a technology access fee of \$3.00 per credit hour. All students enrolled for five or more credit hours will pay a technology access fee of \$15.00. This fee provides computer labs and other computer support to students.

**REFUND OF FEES:** The following refund percentages apply to students who withdraw from the university or who drop to an hourly load below full time:

#### MAINTENANCE FEES, OUT-OF-STATE TUITION, MUSIC FEES:

**A. 100% Refund:** (1) A full (100%) refund of these fees will be provided for courses cancelled by the university. (2) A full (100%) refund of these fees will be provided beginning at the moment of Priority/Continuous Registration and extending until the conclusion of the Regular Registration. (3) A full (100%) refund of these fees will be provided in the case of death.

**B. 75% Refund:** A 75% refund of these fees will be provided beginning with the conclusion of Regular Registration and extending for a period of time as noted in the term calendar for each semester.

**C. 25% Refund:** A 25% refund of these fees will be provided beginning at the expiration of the 75% refund period and extending for a period of time as noted in the term calendar for each semester.

#### STUDENT ACTIVITY FEES, TECHNOLOGY ACCESS FEES:

**A. A full (100%) refund** of these fees will be provided beginning at the moment of Priority/Continuous Registration and extending until the conclusion of Regular Registration.

**B. During the normal 75% refund period, a 90% refund** of these fees will be provided.

**C. During the normal 25% refund period, a 75% refund** of these fees will be provided.

**D. After the end of the normal 25% refund period, there will be no refund** of the Student Activity Fee or Technology Access Fee.

The university's refund policy is based entirely upon the official date of the withdrawal or change of course that would result in a refund. Refunds beyond the specified date or percentage will not be made for reasons such as employment conflicts, health or medical problems, moving out of town, or other reasons that are beyond the university's control or responsibility.

**Note:** The dates for these refund periods are found in the term calendar in the *Schedule of Classes*. The refund period ends earlier than the final deadline for dropping a course or withdrawal.

Refunds will be processed beginning approximately one week after classes begin and usually should be completed five weeks after classes begin. The university will offset against proposed refunds any amount owed by the student to the university.

## STUDENT HOUSING

**RESIDENCE HALLS:** Charges for rooms in university residence halls are indicated below.

**APPLICATION PROCEDURES:** Applications for residence hall space may be obtained from the Office of Residence Life, U of M, Memphis, Tn. 38152. Because spaces are allocated by date of receipt and home address, completed applications accompanied by the required \$100 application/reservation deposit should be returned to the Office of Residence Life as soon as possible. Checks or money orders should be made payable to The University of Memphis; please do not send cash.

Receipt by the Office of Residence Life of the housing application and \$100.00 check or money order, however, does not guarantee admission to the university or to a residence hall. THE DIRECTOR OF RESIDENCE LIFE RESERVES THE RIGHT TO REFUSE ANY HOUSING APPLICATION, TO CHANGE OR CANCEL ANY ASSIGNMENT, OR TO TERMINATE A RESIDENT'S OCCUPANCY, FOR JUSTIFIABLE CAUSE.

**CONTRACT PERIOD AND CONDITIONS:** Fall assignments/contracts are for the full academic year (fall and spring semesters). Fall residents wishing to petition for release from their contract for the spring semester must do so in writing by November 1. Residents who cancel after this date, but before claiming their key for the spring semester, will forfeit 50% of their application/reservation deposit. Residents who fail to cancel by 4:00 P.M. on the first day of check-in will forfeit the

entire deposit. The application/reservation deposit, once submitted with the application, covers the student's initial term of occupancy and all subsequent terms of occupancy and continues until such time as it is cancelled in writing. There will be no penalty if written cancellation is received before the published deadline for any specific contract period.

Residents claim and vacate their rooms according to directions issued by the Department of Residence Life. Returning and new residents will have claimed their spaces if any or all of the following procedures have occurred: (1) receiving the room key during the check-in period, (2) paying residence hall rent in full or in part by the last day of regular check-in, (3) returning the signed contract with the rent payment.

**CANCELLATION POLICY:** Full application/reservation deposit and pre-payment of rent will be refunded if: (1) the institution is notified in writing by the following cancellation deadlines for the first semester in which the contract is in force: July 1—fall residents; December 1—new spring residents; May 1—summer residents; (2) the student is prevented from entering the university because of personal medical reasons confirmed in writing by a licensed physician, (3) residence hall space is not available, (4) the applicant has not been assigned to a room at the time the applicant's written cancellation is received by Residence Life, or (5) the student is denied admittance or readmittance to the university. Full refund will be made in the case of death. Fall residents wishing to petition for release from their contract for the spring semester must do so in writing by November 1. NO REFUNDS WILL BE MADE FOR OTHER THAN THE ABOVE CONDITIONS.

Assigned residents who fail to cancel by the deadline referred to in (1) above but cancel before 4:00 P.M. on the first day of check-in will forfeit 50% of their deposit. Assigned residents who fail to cancel by 4:00 P.M. on the first day of check-in will forfeit their entire deposit. (This is applicable to both the fall and spring semesters.)

**REFUND OF RESIDENCE HALL RENT:** Refunds of residence hall rent after registration will be pro-rated on a weekly calendar basis when the student is forced to withdraw from the residence halls (1) because of personal medical reasons confirmed in writing by a licensed physician; or (2) at the request of the institution for other than disciplinary reasons. Full refund will be made in the case of death.

For reasons other than the above stated, the following procedure shall apply: 75% of rent will be refunded for withdrawal from the residence halls for a period of approximately 14 calendar days beginning with and inclusive of the first official day of classes or within an equivalent period for a short-term course; 25% of rent will be refunded following expiration of the 75% period, for a period of time extending approximately 25% of the time covered by the term. The periods during which re-

funds of 75% or 25% will be made are exactly the same as the periods during which the same refund percentages are made for maintenance fees. NO REFUNDS WILL BE MADE FOR OTHER THAN THE ABOVE CONDITIONS.

**STUDENT FAMILY HOUSING:** Student Family Housing is located on the South Campus approximately one mile from the main campus. Phase One consists of 56 one-bedroom townhouse apartments, 62 two-bedroom townhouse apartments, and 8 two-bedroom flats. All apartments are equipped with stove, refrigerator, garbage disposal, living room carpet, and venetian blinds. Electric central heat and air are also provided. An enclosed private patio is located to the rear of each apartment. The new Phase Two consists of 24 two-bedroom flats. These apartments are equipped with stove, frost-free refrigerator, garbage disposal, dishwasher, venetian blinds, thermal pane windows, hook-ups for stackable washers and dryers, and carpet in the living room and bedrooms. Gas central heat and air are also provided. Each apartment has a patio/balcony with a locking storage area. Four apartments are specifically designed for physically disabled students.

Application forms may be obtained from the Office of Residence Life. A \$100.00 deposit is required when the application is submitted.

## MISCELLANEOUS FEES

**ADDING AND DROPPING COURSES:** A fee of \$5.00 will be charged, beginning with the first day of the Late Registration period, for each change of course form processed, regardless of the number of course or section changes included on the form.

**AUTOMOBILE REGISTRATION:** Each person who expects to operate and park any motor vehicle on the campus must purchase an official permit, which is valid for the semester, and register the vehicle in the Parking Office, 3918 Central Avenue. Proof of ownership must be presented when registering the vehicle, and the student's registration receipt must be presented to receive the parking permit. Parking permit fees range from \$19.00 to \$129.00, based on the level of parking desired.

**CREDIT BY EXAMINATION OR PLACEMENT EXAMINATION:** The fee for taking an examination for credit or a placement examination is \$60.00 minimum and an additional \$15.00 for each hour in excess of three (3). These fees are non-refundable and must be paid before the examination.

**GRADUATION FEE:** Each candidate for a baccalaureate degree from The University of Memphis pays a \$30.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

**EXPERIENTIAL LEARNING CREDIT FEES:** Students who apply for credit for experiential learning will pay a fee of \$30.00 per credit hour for which credit is awarded. For students enrolled under a *group contract*, a maximum fee of \$180.00 will be assessed for credits assigned under the terms of the contract.

Currently the University College and the College of Communication and Fine Arts award credit for experiential learning. See "University College Fees" and "Commercial Music Fees" for related fee information.

**IDENTIFICATION CARDS:** The university issues to each student an identification card that bears the student's photograph and social security number. The card remains the property of the university and will be surrendered upon the request of a university official.

Inquiries about student identification cards should be made in the I.D. Office, room 176, Administration Building. The card is required for the borrowing of library books, admission to or approval to pick up or purchase student tickets to athletic and social events, the sale of used textbooks, and other official purposes.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time I.D. card privileges.

The student I.D. card is automatically validated each semester the student enrolls and satisfies registration fees.

If an I.D. card is lost or stolen, the student has twenty-four hours to file the proper report with the I.D. Office and/or the Public Safety Office. In all cases, a student will be required to have a replacement card made. The replacement fee is \$10.00 for a card that has been damaged, stolen, or lost. A student will be charged a \$2.00 fee to make any change in data on the card.

Fraudulent use of the I.D. card will result in disciplinary action. The card is issued to the individual student and must not be loaned to another person for any reason. Each student must have no more than one (1) student identification card at a time.

**LABORATORY DEPOSITS:** Certain courses in chemistry require breakage deposits of from \$10.00 to \$20.00 per semester, depending upon the course. Any unused portion of these deposits will be refunded.

**LATE REGISTRATION:** Students who do not complete registration (including the satisfaction of fees) by the conclusion of Regular Registration will be charged \$10.00 for any late registration.

**MEALS:** The university cafeterias, student centers and vending areas, open to all students, provide wholesome food at reasonable prices. Cost of meals per student is estimated to be \$1,650 per academic year.

**COMMERCIAL MUSIC FEES:** Students who wish to apply for credit for experiential learning in Commercial Music may obtain guidelines for this procedure from the Dean of the College of Communication and Fine Arts. A non-refundable \$25.00 contract advising fee will be charged for the assessment of the portfolio. See "Experiential Learning Credit Fees" for related fee information.

**COURSES IN APPLIED MUSIC:** Applied music lesson fees are based on one-half hour of instruction per week per semester. The fee per semester for each one-half hour per week of instruction is \$35.00. The semester fee is increased by \$35.00 for each additional weekly half-hour of instruction.

**MUSIC LOCKER DEPOSIT:** Music students are required to have a locker for storage of university-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of \$3.00 for one semester or \$4.00 for two semesters is required on each locker issued. This deposit, less a service charge of \$1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

**PHYSICAL EDUCATION LOCKER AND TOWEL FEE:** Students enrolled in physical education courses must pay a fee of \$4.00 for the locker and towel issued them. Students must provide their own lock.

**RETURNED CHECKS/CHARGE CARD DRAFTS:** It is expected that a check or draft given to the university, for any reason, will be honored by the bank on which it is drawn. A check or draft dishonored by the bank on

which it is drawn may be presented a second time at the discretion of the university. A \$15.00 returned check/draft charge will be assessed for all checks/drafts returned. Returned checks/drafts, used in payment of registration fees which are not promptly redeemed, will result in the deletion of the student from the class rolls.

**NO-MORE-CHECKS STATUS:** The privilege of making payments for fees and charges by personal check and check cashing privileges will be revoked for any student who has had more than one returned check/draft within a twelve-month period for a period of one (1) year from the date the last check/draft is redeemed. A student will not be permitted to pay registration fees by check if any previous check in payment of registration fees has been returned.

**TIGER FUNDS:** A debit card account program, Tiger Fund\$, is available to all The University of Memphis students. A Tiger Fund\$ account is a declining-balance account using the U of M ID Card to provide students with a safe and convenient money management system. Contact the Identification Card Office, Room 176 of the Administration Building, for complete details.

**TRANSCRIPTS:** There is no fee for transcripts. Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligations to the university.

**UNIVERSITY COLLEGE FEES:** In addition to their \$5.00 application fee, students who apply to the University College must pay a screening fee of \$15.00, which is non-refundable. If accepted into the University College, the student must pay a non-refundable contract-advising fee of \$25.00.

**VARIOUS COURSE FEES:** Certain course offerings will require fees to obtain the necessary course-related supplies. Any student already possessing such items as required for completion of the course will be exempt from these fees. (Examples of such may be found in art, engineering technology, biology, etc.)

## APPEAL PROCEDURES

**APPEAL PROCEDURES FOR FEES AND REFUNDS:** A student may appeal the assessment, application, calculation or interpretation of any university fee, charge, deposit, or refund, or any university action connected with fees and charges. Questions generally should be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Assistant to the Director of Finance; this determination may be appealed to the Fee/Refund Appeals Committee. All appeals must be made in writing within ten (10) days of the previous decision. Traffic fines are subject to a separate appeal procedure.

## STUDENT AID

The university Student Financial Aid Office provides financial assistance for students in the form of scholarships, grants loans and student employment. This office counsels with students about college expenses and financial aid opportunities.

All applicants for financial assistance must submit the Free Application for Federal Student Aid (FAFSA) plus any other supporting documents requested by the Student Aid Office. All undergraduate students applying for financial aid must apply for the Federal PELL Grant Program. All required forms may be obtained through the Student Aid Office upon request. The FAFSA is also available in most high school guidance offices.

The preferred application deadline for fall semester is April 1. For the spring semester the preferred application date is November 1. Applications are acknowledged as they are received, and award notices are mailed when all documents are received, usually in early spring for the fall semester. All awards are made on an academic award year basis. All students must reapply for financial aid each year.

## SCHOLARSHIPS

The university awards several hundred academic scholarships each year in varying amounts up to \$6,300.00. However, most scholarships awarded are awarded to cover the amount of in-state registration

fees. In some cases, awards are available on a part-time basis. Scholastic achievement, leadership qualities, and need are factors utilized in evaluating applicants.

Scholarships are awarded for the academic year and are not available for summer school. Freshmen applying for scholarships must rank in the top twenty-five percent of their high school graduating classes. Currently enrolled students must have at least a 2.5 overall grade point average, and must be enrolled full-time. Each student wishing scholarship consideration must submit an application each academic year. The General University Scholarship deadline date is March 1. However, some scholarships have an earlier deadline. Information may be obtained from the Scholarship Office, Room 204, Scates Hall.

**THE FEDERAL TAX REFORM ACT OF 1986** significantly changed the tax status of scholarships, fellowships, and grants received from the university. Prior to the Act, they generally were not subject to income tax. Since then, scholarship, fellowship, and grant amounts exceeding tuition, fees, course-related books, supplies, and equipment have become taxable.

## DISTINGUISHED SCHOLARSHIP PROGRAMS

Distinguished scholarships are awarded annually to entering freshmen with outstanding scholastic records without regard to financial need. The deadline to apply for distinguished scholarships is January 15.

All National Merit Semi-Finalists will receive \$1,000 per year in addition to any academic scholarship they are awarded.

The University of Memphis offers the following distinguished scholarships:

### The Cecil C. Humphreys Presidential Scholars Program

The Presidential Scholars Program offers a four-year renewable scholarship on a competitive basis for those students who score 30 or better on the ACT with a minimum 3.25 high school grade point average. The award covers in-state registration fees, a campus housing allowance, and book stipend. Eligible candidates are interviewed for evidence of sound character, good work habits, and demonstrated leadership in co-curricular activities. Recipients must maintain a 3.00 QPA the first year and a 3.25 QPA thereafter and complete a 10-hour-per-year service requirement.

### The Cecil C. Humphreys Merit Scholarship

The merit scholarship program offers a four-year, renewable scholarship on a competitive basis to those national merit finalist students who have a minimum ACT of 30 or 1200 SAT and indicate The University of Memphis as their first choice college with the National Merit Scholarship Corporation. The award provides in-state

registration fees, a campus housing allowance, a \$400 book stipend, and a meal allowance. The recipient must live on campus to receive a campus housing allowance.

### The Cecil C. Humphreys Herff Engineering Scholarship

The scholarship is awarded to a freshman engineering major who has a minimum ACT of 30 or a 1200 SAT. Eligible candidates are interviewed between mid-January and mid-February. This award pays in-state registration fees, a book stipend, and a campus housing allowance.

### Academic Excellence Scholarship

The Academic Excellence Scholarship is a four-year renewable scholarship awarded on a competitive basis to academically talented students with outstanding leadership and achievement records. The award amount varies from \$2,500 to \$2,800. Applicants must score at least 30 on the ACT or a 1200 on the SAT and have a 3.25 high school GPA. All Academic Excellence Scholarship recipients must satisfy the academic program service requirement of 20 hours annually. In addition to the annual service requirements, Academic Excellence Scholars have to maintain a 3.0 QPA the first year, and a 3.25 QPA each year thereafter.

### The Early Scholars Scholarship Program

The Early Scholars Scholarship Program is a non-competitive guaranteed scholarship open only to beginning freshmen who will enroll for the fall term. The student must apply and be accepted for admission by January 15. Students who have an ACT score of 27 or above and a high school GPA of 3.50 will automatically qualify for the yearly cost of in-state registration fees and a \$300 book stipend. Continued eligibility will be based on maintaining a 3.0 cumulative QPA each year and completing a 30-hour service requirement each academic year. The scholarship is renewable for four years for undergraduate study.

### Non-Resident Academic Scholarship Program

This competitive scholarship is awarded to incoming freshmen with a non-resident admission status who have a minimum ACT score of 30 or a SAT of 1200 (ACT of 27 or a SAT of 1060 for African-Americans) and a high school GPA of at least 3.25. All recipients of the program will be awarded the yearly cost of in-state registration fees, out-of-state tuition, and a \$300 book stipend. Continued eligibility will be based on maintaining a cumulative 3.00 QPA each year and completing a 30-hour service requirement each academic year.

### TRANSFER SCHOLARSHIPS

**COMMUNITY COLLEGE TRANSFER SCHOLARSHIPS** are awarded on a competitive basis to students transferring to The University of Memphis from a community college who

have earned an Associate's Degree with a minimum cumulative QPA of 3.5. The award covers yearly cost of in-state registration fees and provides a yearly book stipend of \$300. Recipients are required to maintain a minimum cumulative QPA of 2.8 and complete a service requirement of thirty (30) hours per year.

**COMMUNITY COLLEGE MINORITY TRANSFER SCHOLARSHIPS** are awarded on a competitive basis to African-American students transferring to The University of Memphis from a community college who have earned an Associate's Degree with a minimum cumulative QPA of 3.5. ### THE TENNESSEE STUDENT ASSISTANCE AWARD PROGRAM

Students who are residents of the State of Tennessee may apply for a Tennessee Student Assistance Award. To apply, a student must submit a FAFSA to the central processing agency. The Tennessee Student Assistance Corporation will then forward correspondence to the applicant. Determination as to grant recipients is made by the state agency in Nashville.

## LOANS

### FEDERAL PERKINS LOAN PROGRAM

The National Defense Education Act of 1958 provided funds to institutions of higher education for the purpose of making low-interest, long-term educational loans available to students who demonstrate academic promise and who have a need for financial assistance. These loans bear no interest until six or nine months (depending on when the borrower's first loan debt was incurred) after students graduate or interrupt their course of study. The interest rate is currently five percent per year on the unpaid balance with a maximum repayment period of ten years. For a listing of repayment deferrals and cancellations, contact the Student Aid Office.

### FEDERAL SUBSIDIZED STAFFORD STUDENT LOAN

The Subsidized Federal Stafford Student Loan is a low interest loan usually made through a bank or lending institution. Depending on financial need, first year undergraduates may borrow up to \$2,625 a year; a second year undergraduate, up to \$3,500 a year, and third, fourth, and fifth year undergraduate students, up to \$5,500 a year. Graduate and law students may borrow up to \$8,500.00 a year. The total debt an undergraduate student can incur under the program is \$23,000. A graduate or law student can incur a total debt of \$65,500, including loans made at the undergraduate level. Payment is deferred until six months after the student ceases to carry at least a half-time load. In 1994-95, The University of Memphis will participate in the Federal Direct Student Loan Program. Under this program all federal student loans (i.e. subsidized, unsubsidized Stafford, and Parent Loan - PLUS) will be processed directly through the federal government. No banks, lending institutions or guarantee agencies will be involved in processing these loans.

### FEDERAL UNSUBSIDIZED STAFFORD LOAN

The unsubsidized Federal Stafford Student Loan is a low interest loan usually made through a bank or lending institution. This program is not based on need; however, *a student's eligibility for the subsidized Stafford Loan must be determined before an unsubsidized Stafford Loan can be considered.* Interest payments are the responsibility of the borrower, even while the student is in school. Only the principal payments are automatically deferred while the student is in school at least half-time. Repayment of both principal and interest begins six months after the student ceases to be enrolled at least half-time.

At The University of Memphis, all unsubsidized Federal Stafford Loans will be processed directly through the federal government in 1994-95. No banks or lending institutions will be involved in this process.

### ENTRANCE AND EXIT INTERVIEWS

Entrance and exit interviews are required for the Federal Stafford and SLS Programs and are designed to provide students an opportunity to learn more about the loan programs under which they are borrowing (borrowers rights and responsibilities).

### FEDERAL SLS LOAN

The Federal SLS Loan will be discontinued effective July 1, 1994. Unsubsidized Stafford loan limits will be increased so that potential SLS borrowers can obtain unsubsidized Federal Stafford loans instead.

### FEDERAL PLUS LOAN

The Federal PLUS Loan is a low interest loan program available to parents of dependent undergraduate students. Although this loan program is not based on financial need, a student's Subsidized and/or Unsubsidized Federal Stafford Loan eligibility must be determined or accounted for first before processing any Federal PLUS Loan.

In 1994-95 all Federal PLUS Loans at The University of Memphis will be processed under the Federal Direct Loan program. No banks or lending institutions will be involved under this process.

### FREEMAN LOAN PROGRAM

The Freeman Loan Program was established for the sole purpose of providing worthy/need students loans to help pay a part of their educational costs when other financial assistance is not available. Eligibility for this low interest, long-term loan program is based upon satisfactory academic progress and financial need. Applicants for this program must submit the FAFSA and other documents evidencing financial need.

### THE TEACHER LOAN SCHOLARSHIP PROGRAM

The Teacher Loan Scholarship Program provides that students who have been admitted to or enrolled in any accredited university in Tennessee and who are committed to teaching in the Tennessee public schools may be eligible for up to \$1500 per academic year for up to four years. The program is designed to be awarded as a loan, but as trained teachers fulfill their commitment to teach in Tennessee, the loan will be forgiven or turned into a scholarship on a year-for-year basis. In other words, for each year of creditable full-time teaching in math or science under the Tennessee public school system, the recipients shall receive cancellation credit of 25% of the total amount borrowed plus interest accrued. Applications for information about the program or similar programs may be obtained from the Tennessee Student Assistance Corporation, the U of M College of Education, or the Scholarship Office.

### OTHER LOAN FUNDS

The university maintains a number of small loan funds for assisting students with emergency type situations. Some of these loans are listed below:

The General Everett R. Cook Arnold Air Society Loan Fund was established to provide financial assistance in the form of short-term loans for students enrolled in the Professional Officer Course of the Air Force Reserve Officers Training Corps.

The General University Loan Fund provides short-term, low interest loans up to \$200 for those students in emergency situations.

The General Ralph H. Wooten Loan Fund was established for the purpose of providing low interest educational loans to students enrolled in the Air Force Reserve Officers Training Corps.

Herbert Herff Registration Loan Program was established to provide short-term loan assistance to students who have no means of paying their registration fees. The loan is a 15% interest-bearing loan and the maximum loan amount is the in-state cost of registration fees assessed for the number of credit hours for which the student is enrolling.

**NOTE:** this loan will *not* cover out-of-state tuition. To qualify for the loan, students must meet the following conditions: (1) be classified as a degree-seeking student (Regular Undergraduate, Regular Graduate, or Regular Law Student); (2) maintain a cumulative QPA of 2.0 for undergraduate students, 3.0 for graduate students, and 2.0 for law students; (3) be enrolled in not less than six credit hours for the semester; (4) have no debts to the university; (5) have not previously received a loan at student's present degree level.

The University Book Loan Program was established to assist students who have been approved for Financial Aid payment

but who are experiencing delays in receiving their awards. The loan is a 15% interest-bearing loan, with a minimum loan amount of \$100 and a maximum loan amount of \$250. Any amount approved will be credited to the student's Tiger Fund\$ Account and must be used for textbooks and other educationally related materials. This loan (interest plus principal) must be repaid by November 1 of the Fall semester and by April 1 of the Spring semester.

## STUDENT EMPLOYMENT

The University of Memphis offers two types of on-campus student employment: Federal Work-Study (FWS) and Regular Student Employment (RSE). Students cannot be employed under both programs at the same time.

## FEDERAL WORK-STUDY

Federal Work Study (FWS) is a need based financial aid program. It is federally funded, university administered, and designed to help students defray the cost of post-secondary education. The amount of the award is based on need and the availability of funds. The pay will be at least the current federal minimum wage, but it may also be related to the type of work to be performed and its difficulty. Students must be enrolled for and maintain at least six (6) semester hours (Fall/Spring) and six (6) semester hours (Summer) to qualify for Federal Work Study. To apply, students must file the FAFSA and other required documents each year.

## REGULAR STUDENT EMPLOYMENT

The Regular Student Employment (RSE) program offers on-campus, part-time jobs to students who do not qualify for Federal Work-Study. This program is monitored by the university. Application for RSE may be filed at any time during the year; however, employment is contingent upon the availability of jobs. Regular Student Employees must be enrolled at The University of Memphis for at least six semester hours. Students seeking on-campus employment should contact the University Student Employment Office.

## INTERNATIONAL STUDENTS

International Students on permanent visas are eligible to apply for Federal Work Study. Pursuant to regulations of the Immigration and Naturalization Service, there is a restriction on the number of hours students on certain visas may work. Those students who have questions regarding employment should contact the International Student Advisor.

## STUDENT AID REFUND REPAYMENT POLICY

The formula prescribing the amount of Title IV funds to be refunded to Title IV

accounts has been established by federal regulations. The policy is: Title IV funds disbursed for the payment period (excluding FWSP)/Total aid disbursed including Title IV funds (excluding FWSP) X U of M refund amount. Effective with the passage of the Higher Education Amendments of 1992 (the 1992-93 Academic Year), federal regulations specify the order in which Title IV programs will receive any refund amount. The order is: Federal Family Loan Programs (Stafford, SLS, PLUS), the Federal Direct Loan Program, Federal Perkins Loan Program, Federal Pell Grant Program, Federal SEOG, Federal Work Study Program, and any other Title IV Program.

### REFUND:

1. When a refund is due a student and Title IV funds are involved and the financial aid awarded is equal to or in excess of the amount of the student's full tuition/maintenance fees, the Student Aid Office will determine according to federal formula the portion of federal aid funds to be returned to the federal aid account. The refund amount will be placed in the respective aid account in order mandated by federal regulations.
2. Refund applicable to non-Title IV funds will be distributed to the respective aid account in the same proportion as the aid awarded.
3. A 100% refund will be given in the event of death.

### REPAYMENT:

1. When a student receives financial aid and one of the following situations occur: (a) the student is issued a contingency fee card that is not honored by the fund agency involved; (b) the student receives an overpayment due to non-eligibility or administrative error; (c) the student withdraws before the start of classes or fails to pay tuition/maintenance fees, the student must repay the total amount of aid received or overpaid.
2. If a student receives funds in excess of university charges for cost-of-living expenses from Pell, Perkins Loan, Supplemental Educational Opportunity Grant (SEOG), and/or State Student Incentive Grant programs (Federal Title IV programs), and subsequently withdraws or drops out of school: (a) the student's cost-of-living expense, as determined by the Student Aid Office, incurred up to the date of withdrawal will be compared to the amount the student received for that term for such expenses; (b) if the amount received exceeds the expense incurred, the excess amount will be considered an overpayment and must be repaid by the student.
3. The repayment amount will be placed in the respective aid account(s) in the order mandated by federal regulations.

## SATISFACTORY ACADEMIC PROGRESS POLICY FOR FINANCIAL AID RECIPIENTS UNDER FEDERAL AND INSTITUTIONAL PROGRAMS

All students who receive financial aid must be in a degree seeking program. Students receiving athletic or other university administered awards must also meet the satisfactory academic progress standards established by the respective agency or awarding entity. In order to assure that student aid recipients make progress toward a degree, both in terms of number of hours completed and the cumulative Grade Point Average (GPA), The University of Memphis will utilize the following satisfactory academic progress policy.

**NOTE:** This policy applies only to students financial aid eligibility, not their university academic standing.

## RECOMMENDED MINIMUM PROGRESS TOWARD DEGREE COMPLETION

### Maximum Time Frame for Completion of Degree

- ✓ 1. Undergraduate students' maximum time frame for their first degree will coincide with the completion requirements of their particular degree program or a maximum of seven years, whichever is less.

**NOTE:** The maximum hours completion rate may vary for particular degree programs. The maximum time frame may therefore be extended to reflect these additional required hours. Most undergraduate degree programs require no more than 140 hours to complete a first degree. Progress will therefore be measured against the reasonable attainment of this goal.

2. Undergraduate students' maximum time frame for a second degree will coincide with the completion requirements of the second degree program not to exceed seven years or their maximum loan indebtedness.
3. **Definition of Enrollment:** The credit hours specified below are listed for each degree level. The minimum credit hours taken and earned must coincide with the particular degree level.

	Full-Time	Three-Quarter Time	Half-Time
Undergraduate	12+ sem. hrs.	9-11 sem. hrs.	6-8 sem. hrs.
Graduate	9+ sem. hrs.	—	5 sem. hrs.
Law	12+ sem. hrs.	—	6 sem. hrs.

- ✓ **NOTE:** In the Summer, law students are considered half-time with only 3 semester hours and full-time with 6 semester hours. Effective Fall 1994, graduate assistants are required to take 12 credit hours each semester to be considered full-time.
4. Undergraduate students who are required to take remedial/development classes are limited to 30 semester hours in the area which will not be included in the Maximum Time Frame (see 1 above).
5. For information regarding graduate and law students maximum time frames, please see the *Graduate School Catalog* and the *Cecil C. Humphreys School of Law Issue of the Bulletin* respectively.

### Cumulative GPA Progress

In addition to the above, students must meet academic retention standards of The University of Memphis and must meet the following cumulative GPA requirements.

1. **Federal Grant and Work Study Programs**
  - a. Undergraduate students must have a minimum ✓ 1.65 cumulative GPA at the end of their first year of attendance based on their enrollment status and total hours completed.
  - b. Students who received federal aid will be suspended from further financial aid if they do not have a minimum 2.00 cumulative GPA at the end of their second year based on their enrollment status and total hours completed.

**NOTE:** Effective July 1, 1993, federal and institutional guidelines limit students' financial aid to seven years (excluding remedial/developmental hours) not to exceed the maximum time frame for completion of the first degree plus a 2.00 cumulative GPA at the end of the second year of attendance.
2. **Undergraduate students who transfer credit hours and grades from another institution will be evaluated on the number of hours transferred plus their grade point average (GPA) according to the guidelines specified in a. and b. above.**

**NOTE:** Hours transferred will be considered as total hours earned or completed. The transfer GPA will also be considered in evaluating a student's current academic status.

### 2. Loan Programs (Freeman/Federal Perkins/Subsidized and Unsubsidized Stafford, SLS/PLUS)

- a. Undergraduate students must maintain a 2.00 cumulative GPA at the end of each semester to be eligible for a loan for the next semester of enrollment.
- b. Students seeking a second bachelor's degree must maintain a 2.00 cumulative GPA at the end of each semester to be eligible for a loan for the next semester of enrollment.
- c. Transfer students must meet the terms as specified in 2.a., 2.b., and have the required minimum

GPA upon entering The University of Memphis to receive a loan. If the transfer GPA is not available upon entering The University of Memphis, the student's progress will be evaluated at the end of that semester according to the terms specified in 2. a. and b.

### FINANCIAL AID PROBATION

Students will be placed on financial aid probation for the next semester of enrollment if they fail to meet any applicable standard as outlined. Students receiving financial aid who withdraw from all classes for the first time will be placed on financial aid probation. Financial aid payment may be continued during probation depending upon the program of assistance.

### FINANCIAL AID SUSPENSION

Students will be placed on financial aid suspension for the next semester of enrollment if they do not meet the required cumulative GPA or other standards already outlined at the end of their probation period. Students may not receive financial aid payments during a period of financial aid suspension. Recipients of federal aid will be placed on financial aid suspension after their second year of attendance, according to their maximum time frame for degree completion, if their cumulative GPA is less than 2.00 (undergraduate and law) or 3.00 (graduate). Students receiving

financial aid who withdraw from all classes for the second time will be placed on financial aid suspension.

### ✓ REMOVAL FROM SUSPENSION

Students placed on suspension will be removed from suspension when they meet the specific cumulative GPA and/or required credit hours as outlined above. At that time, they will again be able to receive financial aid. Students receiving financial aid who have been placed on suspension due to withdrawal from all classes for the second time will need to follow the appeal process as stated below.

### PERMANENT REMOVAL FROM FINANCIAL AID

Students suspended for the second time will be removed permanently from financial aid.

### APPEAL OF FINANCIAL AID PROBATION/SUSPENSION

Students placed on financial aid probation or suspension may appeal that decision to the Director of Student Aid within 45 days of the date of the notification. The appeal must be prepared in writing and accompanied by appropriate supporting

documents. Reasons that may be acceptable for an appeal are:

1. Serious illness or accident to the student: A medical statement from a physician will be required.
2. Death, serious illness, or injury in the immediate family (parent, children, spouse). A physician's statement or appropriate death certificate will be required.
3. Administrative error by The University of Memphis.

The appeal will receive an approval or denial from the director or a student aid designee. If not satisfied with the decision of the director or designee, students may appeal to the Assistant Vice Provost for Enrollment Services. Subsequent appeals may be made to the Vice Provost for Student Affairs, and if deemed necessary by the student, to the President of The University of Memphis.

### FINANCIAL AID FRESH START

Students who are enrolled in this program, if they have been away from all academic institutions for at least seven years, will have their academic progress monitored on a term by term basis, as outlined in the policies above. Students would also be expected to maintain a GPA of at least a 2.50 by the end of each semester.

## 4. STUDENT SERVICES, ACTIVITIES, HONORS AND AWARDS

### STUDENT DEVELOPMENT

The quality of The University of Memphis is reflected not only in the content of its academic programs but also in the array of services and activities provided for its students. At U of M, satisfying the individual needs of students has become an ever-increasing commitment, regardless of whether those needs are personal, academic, psychological or social.

The university strives to make student life fulfilling in an environment conducive to academic growth. The range of support services provided includes counseling, skills training, tutoring, health care, and job placement, to name only a few.

### THE CENTER FOR STUDENT DEVELOPMENT

The Center for Student Development is a comprehensive counseling and assistance facility providing academic, personal/psychological, and career resources for students to draw upon as they confront the developmental tasks concomitant with their educational experience. The Center for Student Development encompasses a variety of free counseling and helping activities through its various components. As part of its educational mission the center offers an APA approved Pre-Doctoral Internship Training Program for graduate students in clinical and counseling psychology.

### Academic Counseling

All freshman, transfer, and readmitted students who have not decided upon an academic major are assigned to an academic counselor. The purpose is to provide academic counseling that will prepare students for enrollment in one of the degree-granting units once they have chosen a major. The counselors are available to discuss the many academic programs offered and to help the students explore these possibilities as they relate to their personal and educational goals.

### Personal/Psychological Counseling

The personal/psychological counseling component provides students with the opportunity to discuss and explore any concerns and feelings that are of importance to them. Problems in interpersonal relationships, feelings of loneliness or inadequacy, family or marriage difficulties, depression, the inability to concentrate or study, or simply "feeling the need to talk things out" are all examples of concerns that are dealt with through personal counseling. The staff is professionally trained and experienced in working with a wide variety of student concerns through individual and group counseling, testing, programs and workshops, and referral to additional service centers on and off campus. The counselors subscribe to the confidentiality policy in the ethics and guidelines established by the American Psychological Association.

### Career Counseling

Career Counseling affords students an opportunity to explore career options, obtain information relating academic majors to career choices, evaluate employment outlook information, and develop realistic career goals. Through testing, counseling, and group discussion, each person is given the opportunity to make a well-considered career choice.

### The Testing Center

The Testing Center provides testing services for university and professional school admissions purposes as well as for licensure and certification in a variety of professional areas. The center also offers a variety of personality and psychological tests.

### Educational Support Program

The Educational Support Program provides free tutorial programs in reading, English composition, mathematics, foreign language, and learning skills. Private tutors for specific courses are also available. Individual and group consultation, as well as audio-visual and programmed instruction, are available.

### ATHLETIC ACADEMIC SERVICES

The Center for Athletic Academic Services is located in the Elma Roane Field House and provides counseling, tutoring, scheduling assistance, career planning and special services for all The University of

Memphis student athletes. The center also handles NCAA interpretations and the academic eligibility requirements of student athletes.

## OFFICE OF STUDENT DISABILITY SERVICES

The Office of Student Disability Services provides information and support services that enable students with disabilities to take full advantage of the educational opportunities at The University of Memphis. Services include pre-enrollment planning; early registration; coordination of adapted campus housing; attendant referral; arranging readers, notetakers, tutors and interpreters; test accommodations; assistance in securing special materials such as recorded texts, large print and braille; coordination of adaptive equipment and computer aids; assistance arranging classroom accommodations; campus shuttle service; supportive guidance and counseling; and liaison with state rehabilitation agencies. Some of these services require two to three months advance notice to arrange. Applicants should provide sufficient notification to the Office of Student Disability Services of their needs and expected date of enrollment. Given adequate time, experienced staff can provide assistance in evaluating individual needs and in developing a plan for appropriate disability services.

All persons who have a permanent disability are encouraged to register with the Office of Student Disability Services at the time they are admitted to the university. This registration entitles qualified students with disabilities to the legal rights provided under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. For more information, please contact the Director of the Office of Student Disability Services.

Persons with documented learning disabilities should contact the office for additional information and assistance with the admissions application process before applying to the university.

## UNIVERSITY PLACEMENT

Placement services are provided to assist graduating students and alumni in locating career employment in business, education, government, industry, and service organizations. Services provided include: campus interviews with employer representatives; job listings of employment opportunities; a career information library; placement counseling; computerized job matching/referral; placement credentials; and interviewing skill and resume writing development programs.

Registration for services is required prior to use and should be completed by graduating seniors and graduate students at least two semesters before graduation.

Part-time and temporary employment opportunities for current students are coordinated by a branch office of Tennessee Employment Security.

## UNIVERSITY HEALTH CENTER

**Location and Hours:** The University Health Center, located at the corner of DeSoto and University, is open Monday through Friday, 8:00 A.M. to 4:30 P.M. A physician is present from 8:00 A.M. to 2:30 P.M. daily. Major emphasis is on the diagnosis and treatment of short-term acute, episodic medical illness on an outpatient basis.

**Eligibility for Care:** Students will be given priority for services; however, medical services are available to faculty and staff members. Although services are free of charge, each visit requires that the individual present a validated identification card before treatment, except in cases of emergency.

**Services:** The center is staffed by physicians, nurse practitioners, registered nurses, medical and x-ray technologists, and various administrative support personnel. A family planning clinic is available by appointment. In addition, the center will loan crutches and wheelchairs, verify disabilities, and authorize Handicapped Parking decals. Prescriptions may be filled at the pharmaceutical dispensary for students only.

**Charges:** There is no charge for routine diagnosis and treatment. However, there is a nominal charge for certain tests such as throat cultures, mono tests, complete blood tests, pregnancy tests, chlamydia, and certain specialized tests. When more in-depth treatment is needed, the patient is referred off-campus, and the patient is responsible for all charges incurred for these services. The patient will be asked to pay the Health Center in advance of testing. The Shelby County Health Department, Family Clinic, will see patients on a sliding scale fee by appointment.

**Health Insurance:** The university has authorized and approved a private insurance company to provide coverage, which the student pays for directly. Details pertaining to this insurance are available from the center at the time of registration.

## MINORITY AFFAIRS

The Office of Minority Affairs advises African American students. The office deals with the social, academic, personal, and financial concerns of minority students.

Besides advising individual students, the office advises 16 different organizations for African American students. The Black Student Association is a multipurpose organization that focuses on enlightening individuals about the black culture. It provides a support system that addresses the students' academic needs and also provides an U of M black alumni network that aids the students' employment needs. The BSA produces a monthly paper, *The BSA Torch*, which keeps the students informed of issues relating to African Americans at U of M and in the Memphis community.

The BSA and fourteen (14) other African American student organizations sponsor approximately 160 cultural, social, and academic programs during the academic year.

## OFFICE OF INTERNATIONAL STUDENTS

The Office of International Students advises international students regarding immigration, health, housing, social, personal, and financial concerns. Besides advising individual students, the office advises the Vietnamese Students Association and the International Students Council. The council represents five national student associations: the Chinese Student Association, the Indian Student Association, the Korean Student Association, the Malaysian Student Association, and the Muslim Student Association. The office also organizes a four-day orientation for new students each semester as well as social and cultural events that encourage international students' involvement in the campus community and help ease their transition into the American way of life. International Night, the biggest event of the year, provides an opportunity for the international students to share their traditional food and entertainment with the campus and the Memphis community.

## ENROLLMENT SERVICES

### STUDENT RELATIONS

As a branch of the department of Enrollment Management, Student Relations serves to assist prospective students wishing to gain admittance to all undergraduate degree programs within the university. All initial inquiries regarding admission, financial aid, and scholarships should be addressed to this office.

### ORIENTATION

New student orientation serves to acquaint entering freshmen and their parents with registration procedures, university regulations, degree programs and student services. Orientation sessions are offered throughout the summer preceding fall registration.

### VETERANS SERVICES

**Location:** Veterans Services reports to the Office of the Registrar, Administration Building, Room 119.

**Mission:** The Office of Veterans Services provides assistance for eligible National Guard/Reserves, veterans and/or dependents who enroll at The University of Memphis and who make application for: (1) Programs of Education or Training, (2) VA Tutorial Services, or (3) VA Educational Loans. Other assistance includes:

liaison with Veterans Administration Regional Office, counseling, and counseling referral for personal, family, career, financial, and educational problems.

**Applications for VA Benefits:** Those who will be using VA educational assistance while enrolled at The University of Memphis should contact the Office of Veterans Services. They should also be prepared to furnish the following items as applicable:

1. The number 4 copy of the DD214 or other armed forces separation papers. NOTE: Original or certified copies only. Copies can be made and certified in Memphis at the VA Hospital, Suite 3, Veterans Benefits Counselor's Office.
2. Copy of Delayed Enlistment Contract.
3. Copies of marriage licenses and children's birth certificates.
4. Copy of final divorce decree if either veteran or spouse has been previously married.
5. VA file number if benefits have been used previously.

**Advance Pay:** Advance payment is available for eligible veterans and dependents who plan to enroll on at least a half-time basis. Applications will be accepted in the Veterans Services Office as early as 90 days before the term begins but no later than 45 days before the beginning entry. Generally, the advance pay deadline for the fall semester is around July 15, while spring semester deadline is around November 15. Advance pay checks include an allowance for the month or fraction thereof in which the course begins and the allowance for the following month. Advance pay checks are mailed to the school for delivery to the student at registration. Initial applicants who do not apply for advance pay may expect their check to be mailed to their home within six to eight weeks after registration.

**Enrollment Status:** For VA benefits during the regular terms (Fall and Spring) 12 semester hours constitute a full-time load for undergraduate students; 9 hours is full-time for graduate students. However, training time for summer at the undergraduate and graduate rate is based on the number of semester hours attempted per term and the number of standard class sessions attended per week. The Veterans Administration places restrictions on those who receive veterans educational benefits. Some of these restrictions are: (1) regular class attendance, (2) satisfactory academic progress, and (3) adherence to a specific degree plan.

**Degree Plan:** Only courses that are required for the degree and major may be certified for VA pay. VA will not pay for repeat courses if the grade already earned is accepted by U of M and will fulfill graduation requirements toward the declared degree and major (even if the course was taken at another institution with or without use of the G.I. Bill). VA will not pay for elective courses in excess of those needed to meet graduation requirements.

**Certification:** Enrollment certifications are mailed to the appropriate VA Regional Office upon receipt of the Veterans Data Sheet. Students are required to submit this form to the Veteran Services Office at U of M each semester. Students will be certified on a term-by-term basis. Pre-certification will be done only when a request for advance pay is made.

## STUDENT LIFE

---

Student Life is one of the many components of the university community that offer students a wide variety of learning experiences outside the formal classroom setting. Included in the area of Student Life are activities including: Student Government, Greek Affairs, Student Organizations, Religious Affairs, and Student Activities Council. Information may be obtained from the Office of the Associate Dean for Student Life.

### Student Government

The Student Government Association represents student opinion in working with other university components. Students may serve in the executive, legislative, or judicial branch or on committee.

### Religious Affairs

Several religious organizations maintain meeting facilities close to campus or meet in university facilities. These organizations provide activities adapted to the needs of university students and are designed to aid in the continuing religious growth and development of members of the university community. The organized religious groups include: Baptist Student Union, Barth House (Episcopal Student Center), Bellevue Christian Fellowship, Campus Crusade for Christ, Catholic Student Center, Chi Alpha Christian Fellowship, Christian Student Center (Church of Christ), Fellowship of Christian Athletes, Gospel Choir, Inter-Faith Council, Islamic-Quranic Association, Jewish Student Union, Latter Day Saint Student Association (Mormon), Muslim Student Association, Navigators, Power of Pentecost, 20th Century Christians, United Students for Christ, Wesley Foundation (United Methodist), and Westminster House (Presbyterian).

### General Fraternities and Sororities

Sixteen national fraternities and twelve national sororities are active on The University of Memphis campus. The university strives to maintain a strong Greek system through coordination of Greek activities provided by the Office of Student Organizations and Greek Affairs in areas of social service, scholarship, spiritual life, social development, and sense of leadership.

**Fraternities:** Alpha Tau Omega, Alpha Phi Alpha, Delta Chi, Kappa Alpha, Kappa

Alpha Psi, Kappa Sigma, Lambda Chi Alpha, Omega Psi Phi, Phi Beta Sigma, Phi Gamma Delta, Phi Sigma Kappa, Pi Kappa Alpha, Pi Kappa Phi, Sigma Alpha Epsilon, Sigma Chi, and Sigma Phi Epsilon.

**Sororities:** Alpha Chi Omega, Alpha Gamma Delta, Alpha Delta Pi, Alpha Kappa Alpha, Delta Gamma, Delta Sigma Theta, Delta Zeta, Phi Mu, Pi Beta Phi, Sigma Gamma Rho, Sigma Kappa, and Zeta Phi Beta.

### Student Organizations

Approximately 150 student groups representing a broad range of interests are registered with the university. For information, inquire at the Student Organizations Office in the University Center.

### Student Activities Council

The Student Activities Council is the principal programming body for the university community. It is composed of student volunteers for the purpose of providing social, cultural, recreational and educational activities, and events that appeal to all tastes. Concerts, fashion shows, coffee house entertainment, movies, speakers, and the Madrigal Dinner are just a few of the many activities planned and facilitated by Student Activities Council.

### University Center

The University Center is the focal point for activities and events in the university community. Along with its many programs and activities, the center provides conveniences such as food service, automatic banking, bookstore, ticket office, gameroom, rental lockers, television room, vending, copy machine, public phones, and central scheduling and information area. The center is an organization with programs designed to encourage students and other members of the community to meet and share interests and talents in an action-learning setting.

### Adult and Commuter Student Services

Adult and Commuter Student Services serves adult students who are beginning or returning to school after some time in the work place or home, and traditional and non-traditional age commuter students.

Located in the University Center, Adult and Commuter Student Services maintains the Adult information Center, a resource area where services and special programming for this student population is posted regularly. Information on the Adult Scholarship program is also available.

The Adult Student Association, a student organization geared toward the social needs of the returning student is maintained through Adult and Commuter Student Services. This organization provides an informal way for students to receive support during their educational

experience and to express concern about any particular issues that may arise. "Life-long Learning with Friends" is the motto of the Adult Student Association, which serves as a network for the returning student.

### Evening Services

A full range of services is available to students who attend classes during evening or weekend hours. As part of the Registrar's Office, Evening Services/Academic Status is open noon to 8:00 p.m., Monday through Thursday and from 8:30 a.m. to noon on Saturday. The Evening Services office serves as an information source as well as providing registration assistance; change of major counseling; transcript request and evaluations; undergraduate and graduate drops and withdrawals; referrals to other offices such as Financial Aid, Personal Counseling, and Career Counseling; traffic and parking fees; fees for tests, laboratories, library fines; Tiger Fund\$ deposits.

Other offices providing evening hours are Admissions, Financial Aid, MINI college, academic counseling, personal and career counseling.

### MINI College

MINI College is a special entry and re-entry program for adults who are entering college for the first time, and for those who are returning after being out of school for any number of years. It is designed to familiarize the non-traditional student with the academic programs and services available and to provide individual assistance in the admissions and registration procedure. Admission requirements are the same as those for the undergraduate application categories described earlier in this section.

Each fall and spring semester, MINI College offers a schedule of basic, entry level credit courses. Most classes meet just once a week and are scheduled at convenient times, both day and evening, for the part-time student.

A student electing to take MINI College courses will receive regular credit and attend classes with other returning adult students. For further information, contact the MINI College Office.

### Child Care Center

Child care services are available for The University of Memphis students. Space is available on a first come/first serve basis. The center accepts children between the ages of 15 months and 12 years. The cost is \$1.50 per hour/per child with a \$20 refundable registration fee.

During the fall and spring semesters, the center's hours are Monday through Thursday, 7:30 a.m. to 9:00 p.m., Friday, 7:30 a.m. to 4:30 p.m. and Saturday 8:30 a.m. to 12:30 p.m. The summer semester operating hours are Monday through Thursday from 6:30 a.m. to 9:00 p.m. and Friday from 6:30 a.m. to 4:30 p.m. *Hours of*

*operation may vary due to enrollment.* For additional information, come to the Child Care Center located at 3875 Tiger Paw South (Northeast of the Central Avenue Parking Lot – adjacent to the university townhome community).

## OTHER ACTIVITIES AND SERVICES

---

### Intramurals and Recreation Services

As a division within the Department of Human Movement Sciences and Education, the intramural and recreation program is designed to fulfill a vital educational function and provide students, faculty and other members of the university community the opportunity to participate in a variety of activities for personal enjoyment and satisfaction.

The Physical Education Complex provides excellent facilities for instructional, intramural and sports programs. The sports activities, including individual and group, range over approximately 30 different sports. The division supervises recreational use of the Physical Education Complex; provides for the reservation of tennis courts, racquetball-handball courts and other play areas; organizes intramural tournaments; sponsors leisure course series, clinics and events; and coordinates a sports club/activity program. The student oriented intramural and Recreation staff gives personal attention to the needs of individual students, faculty and staff.

### Intensive English for Internationals (ESL)

The intensive English language program has been developed to meet the needs of internationals in Memphis and the surrounding area, and from abroad. English language instruction for non-native speakers of English is offered at five levels of instruction. For students coming from abroad, the program follows the university calendar for the fall and spring semesters. An eight-week session is offered during the summer. Internationals residing locally can enroll for shorter periods of time. Classes designed to meet special needs can also be arranged outside of those regularly scheduled.

### International Studies and Study Abroad

The Office of International Studies administers semester and year-long exchange programs and facilitates study abroad programs for shorter periods of time. Exchanges are currently available at more than 100 colleges and universities in some 35 countries through the International Student Exchange Program. Some of the ISEP programs are taught totally in English and others totally in the native language, but many provide the opportu-

nity to increase language skills while taking other courses in English.

Direct or one-on-one exchanges are also administered by International Studies. The University of Memphis currently has agreements for such exchanges with universities in Belgium, China, Czech Republic, France, Japan, and the United Kingdom. Negotiations to add to the number of exchange partners are underway, both direct and through ISEP.

Short term study programs in the summer are offered by faculty members of The University of Memphis and through consortia and affiliated programs. Spanish study in Costa Rica and the British Studies Program in London are among the more popular offerings. The Office of International Studies also maintains a library of information on other American and international programs for semester or summer study around the world. International Student Identification Cards which provide insurance and discounts for students traveling abroad may be purchased at the Office of International Studies.

Competitive Study Abroad Scholarships are available to academically able students. These awards provide funds for travel to the place of study and a small stipend. Generally, financial aid which is available for on-campus study, is available for study abroad as well.

The Office of International Studies welcomes the opportunity to advise students on the possibilities of study abroad.

### Pre-Law

Law schools do not prescribe a definite pre-law curriculum for prospective applicants. Therefore, there is no single major required for pre-law students. Instead, law schools seek to attract applicants possessing a broad educational background. The University of Memphis offers a minor in Legal Thought and Liberal Arts, designed for students who intend to enter the legal profession. Coursework in the minor introduces students to the major intellectual traditions of the West and assists in the development of the skills necessary for future success in law school.

The Pre-Law Society provides students the opportunity to meet practicing attorneys, judges, law school faculty and admissions officers as well as other students with similar interests. The society, in cooperation with the Cecil C. Humphreys School of Law, sponsors an annual orientation afternoon at the law school during which members have the opportunity to attend classes and meet law faculty and students.

Students interested in law school, the minor in Legal Thought and Liberal Arts or the Pre-Law Society should contact the Pre-Law advisor in Mitchell Hall, Room 207.

### The University Store

The University Store is managed by Barnes and Noble Bookstores, Inc. for the convenience of students, faculty and staff.

In addition to textbooks and required school supplies, the store handles a large selection of general books, complete line of insignia clothing and gift merchandise, microcomputers, art supplies, and a variety of items for the convenience of the resident students.

### Post Office

The University Post Office has post office boxes available for rent by students and faculty. Students living in university housing have post office boxes located in these facilities, charges for which are included in the residence hall rent. Student mail should be addressed as follows:

Student Name  
The University of Memphis  
Campus Box 52XXXX  
Memphis, TN 38152

### Automobiles on Campus

Each student who expects to operate and park any motor vehicle on the campus of The University of Memphis must register it in the Parking Office and receive an official permit. Permits are valid for one semester only and must be purchased at the beginning of each semester. Limited parking space necessitates close regulation of traffic. Each student is responsible for being familiar with the campus traffic and parking regulations, copies of which are available in the Parking Office.

### Art and Music

The Art Department sponsors visiting artists and lecturers, workshops and symposia. The University Gallery provides students and the community with a full exhibition schedule of contemporary and historical art, as well as permanent collections of African Art, Egyptian Art, contemporary prints, and other varied pieces.

The Department of Music offers activities and programs in which students may participate as individuals or as groups. Qualified students, regardless of major, may participate in the numerous musical groups including the University Symphony Orchestra, the university bands, and a variety of choral groups and small instrumental ensembles. Additionally the university's state-of-the-art recording studios are open for student use after proper instruction.

### Theatre

Students are invited by the Theatre and Communication Arts Department to participate backstage or audition for roles in plays produced in the main season, in the daytime Lunchbox Theatre, or in the original script program.

### Communication

Programs in radio, television, and film are offered by the area of Communication Arts. WSMS-FM 92 is student operated. Two state-of-the-art television/film studios also offer students the opportunity to

participate in broadcasting quality productions.

### Publications

Students write and edit *The Helmsman*, the university newspaper (4 issues per week). *The DeSoto*, the university yearbook, is published under the auspices of Student Affairs.

### Goodwyn Institute Lectures

The lectures and addresses offered by the Goodwyn Institute cover a variety of subjects. The purpose of these lectures is to provide a system of continued education for adults and youths along general and special interests, concentrating on illustrated lectures covering all areas of the world, and to afford authoritative and accurate information upon practical and cultural subjects.

# 5. ACADEMIC REGULATIONS

## ORIENTATION, ADVISING AND REGISTRATION

The academic year consists of two semesters: the fall semester beginning in late August or early September and ending in December; and the spring semester beginning in January and ending in May. A summer session is held between the end of the spring semester and the beginning of the fall semester of the next academic year.

An orientation and academic advising program for all new freshmen is held during the summer preceding regular fall registration. The sessions are conducted to acquaint entering students with various programs of study, general university regulations, and registration procedures. Students are assigned advisors who aid them in selecting appropriate courses.

**Assistance from the advisor, however, does not relieve students of the responsibility of studying the catalog and fulfilling all of the requirements therein for the specific degree program being pursued.** Before students attain senior standing, they should consult with the college level advisor or degree analyst of the college regarding fulfillment of requirements for their chosen degree.

A first-time freshman—full-time or part-time—whose ACT composite score, mathematics subscore, or English subscore *used for admission to the university* is less than 19 must undergo course placement testing prior to enrollment in the university. If placement is at the Developmental Studies level, students must enroll in any required R&DS course(s) during their first term at U of M.

The *Schedule of Classes*, published before the beginning of each semester, contains a detailed outline of the registra-

tion procedure and course changes and additions made since the publication of the *Catalog*. Students are urged to study these schedules carefully and keep them available for immediate reference during the registration period and throughout the semester. All students are encouraged to participate in the advanced registration period (Priority Registration). A late registration fee is charged beginning the first day of classes, and there is no reduction in other fees.

In no case is credit allowed in any course for which students are not duly registered and which is not entered properly on the official registration material. Registration is not complete until all fees for the semester have been paid.

*NOTE: Please refer to the Schedule of Classes for further information and registration procedures.*

## APPEALS

Students have the right to appeal decisions made by university officials in the implementation of university policy. If a student feels that individual circumstances warrant an appeal, the request for appeal must be filed in the university office responsible for the implementation of that policy or the office specified in the policy statement.

## CLASS ATTENDANCE

Class attendance may be used in computing grades at the discretion of the instructor. If attendance is to be used, a complete written statement of the instructor's policy detailing the weight of

attendance in determining the final grade must be presented to all students present at the first and second meetings of the class.

A student who is absent from the final examination without the permission of the teacher incurs a grade of F on the examination and may, depending on the weight of the examination in determining the final grade, incur a grade of F for the course.

## Adding and Dropping Courses

After the official registration period is over, students may make adjustments in their schedules through the process of adding and/or dropping courses. (For dates and times, see the *Schedule of Classes*.) Courses dropped through the last day of the Late Registration period will not be shown on the student's permanent record. Courses dropped after the Late Registration period will be indicated on the record as withdrawal grades for those courses. A student may drop any course or courses up through the date specified in the University Calendar for that term. (The University Calendar is located in the front of this *Catalog*.) Exceptions are made only by the dean in the college in which the student is earning a degree, or by the dean's designee, and only on the basis of such unusual circumstances as serious personal illness and relocation because of employment. A fee is charged for courses added or dropped. See *Fees and Charges*. To stop attending a class without officially dropping the course incurs the grade of F.

## Withdrawal From University

Any student who wishes to officially withdraw from the university must do so in person through the Office of the Registrar.

Students must complete an application for withdrawal. *Failure to officially withdraw will result in grades of F for the courses in which the student is enrolled.* Students enrolled in evening classes withdraw in the Evening Academic Services Office. **NOTE:** From the beginning of registration for any term through the last date for late registration for that term, students withdraw in the Registration Center. See the *Schedule of Classes* for specific dates.

Withdrawal is not permitted except on the dates specified in the University Calendar for that term. Exceptions are made to this policy only in cases of such extreme circumstances as serious personal illness and relocation because of employment. Withdrawal requests after the deadline should be filed in the Center for Student Development.

## Enrollment Transactions

Enrollment transactions include registration, adding and dropping courses, and withdrawing from the university. The official date shall be the date that the request is submitted to the Office of the Registrar, subject to the final review and approval of the Assistant Vice Provost for Enrollment Services. If the final review reveals any apparent violation of the university's academic regulations and/or contractual relationships between the university and the student, the Assistant Vice Provost for Enrollment Services has the authority to suspend the transaction pending joint review with the college dean, the department chair, and the student's academic advisor. If the joint review verifies the legitimacy of the transaction, the official date will be that originally established. If the joint review culminates in a finding that academic regulations and/or contractual relationships have been violated, the entire transaction may be permanently invalidated.

## CLASSIFICATION OF STUDENTS

Classification of students is based on the number of college level credit hours earned as shown in the following table.

Classification	Semester Hours
Freshman	0-24
Sophomore	25-54
Junior	55-84
Senior	85 or more
Special	Students not working on a degree

In order to avoid a possible delay in graduation, students who have completed the required number of hours to be classified as juniors but who have not completed their basic requirements in the Lower Division should schedule these uncompleted requirements during the first semester following in which such courses are available.

## Credit Hours and Maximum Load

The unit of credit at The University of Memphis is the semester hour; a semester hour is defined as the credit earned for the successful completion of one hour per week in class for one semester; or two hours per week of laboratory for one semester. (A course which gives three semester hours credit will normally meet for three lecture or recitation hours per week, or for two lecture or recitation hours and two laboratory hours per week; or for some other combination of these.) Each lecture hour presupposes a minimum of two hours preparation on the part of the student.

The minimum credit hour load for classification as a full-time student and the maximum loads are found in the table below. The maximum credit hour load includes all course enrollments for any term, both at The University of Memphis and any concurrent enrollment at other institutions. It does not include credit by examination. No student is permitted to enroll for correspondence or extension courses while carrying a maximum credit hour load.

## ACADEMIC FULL-TIME CLASSIFICATION AND MAXIMUM LOAD

Term	Minimum Hours	Maximum Hours
Fall or Spring	12	**18
First or Second Summer	•	8
Extended Summer only	•	16
Extended and First or Second	•	11
Extended and First and Second	•	16

\*Any enrollment of less than 12 hours for all summer terms combined is defined as being less than full-time. The minimum hours of enrollment required for full-time classifications is 12 hours for any combination of Extended, First and Second Summer Terms.

\*\*This maximum hour total includes neither the Applied Music Workshop (MUAP 1000) nor the courses approved by the university to meet the physical activity course degree requirement. (See *Graduation from the University* for listing of approved courses.) A student who has a B (3.0) average or better for a semester may schedule, with the permission of the dean of the college from which the student is seeking a degree, a maximum of twenty-one hours for the following semester. Any or all of the above requirements may be waived at the discretion of the college dean or the dean's designee.

**NOTE:** ID card validation of full-time for student activity purposes is based on a minimum of six credit hours per semester and does not necessarily constitute a full-time academic load.

The maximum course load for any combination of concurrent summer terms is eleven semester hours. The student's course load for the entire summer session may not exceed 16 semester hours. (This may differ from requirements for the Veterans Administration. Questions should be directed to the Office of the Registrar.)

## SCHOLASTIC STANDARDS

### Grades and Quality Points

#### GRADES

At the end of each semester or summer term, instructors report to the Office of the Registrar the standing of all students in their classes. The grade of a student in any course is determined by class standing and examination, combined in such proportion as the instructor in charge of the course may decide. Class standing in any course is determined by the quality of the student's work and the thoroughness of preparation.

The instructor's evaluation of the student's work is expressed by the following grades which are converted to quality points for the purpose of averaging grades.

Grade	Quality Points	Grade	Quality Points
A, Excellent	4	T (See below)	0
B, Good	3	CR, Credit	0
C, Satisfactory	2	W, Withdraw	0
D, Poor	1	AD, Audit	0
F, Failure	0	*S, Satisfactory	0
I, Incomplete	0	*U, Unsatisfactory	0

\*The S/U grade is limited to certain types of courses such as practicums, practice teaching, etc. The IP (In Progress) notation may also be used in certain research courses to allow students time to complete research projects. These grades are only awarded for those undergraduate courses for which it is indicated in the course descriptions.

All courses for which the student is registered are recorded as passed (with a letter grade), "I," failed, dropped, withdrew, audit, credit, satisfactory, unsatisfactory, or incomplete. In no case is credit allowed in any course for which the student is not duly registered and which is not properly entered on the official registration materials.

#### Grade of Incomplete

The grade of I (incomplete) indicates that the student has not completed the course for some unavoidable reason that is acceptable to the instructor. Unless the student completes the requirements for removal of "I" within forty-five days from the end of the semester or summer session in which it was received, the grade of "I" will be changed to an F, regardless of whether the student is enrolled or not. Extensions may be granted if the instructor's temporary absence from the campus makes it impossible for the student to remove the incomplete or in other circumstances acceptable to the instructor. *Grades of incomplete earned during the student's semester of proposed graduation will delay the student's graduation until the end of the semester during which the incomplete is removed.*

All grades, with the exception of "I," when reported, can be changed only by the instructor who reported them and then only after approval by the Admissions and Records Committee. A grade other than "I" or "IP" may not be changed as a result of additional work performed by the student after a grade has been submitted to the Office of the Registrar. There is a Grade Appeals procedure described below.

### "T" Grade

The "T" grade allows students to complete independent studies courses in variable time periods that might exceed a regular enrollment period. The following procedure governs the use of the "T" grade:

1. Prior to the registration period, the professor obtains approval of the chair and dean to use the "T" grade in a course(s).
2. The dean notifies the Office of the Registrar of courses for which the "T" grade may be awarded.
3. At the end of the regular term, the faculty member has the following options:
  - a. Award grades A-F.
  - b. Award an "T" grade if the faculty member feels that the work can be completed in 45 days. (If an "I" grade is awarded, a runner with the student's name on it will be sent to the faculty member during the 45-day period. The faculty member must record either an A-F or the "T" grade to prevent an automatic assignment of "F.")
  - c. Award a "T" grade. If the "T" grade is awarded, the student must re-register for the course in order to earn credit. The "T" grade is not used in the computation of GPA.

### Repetition of Courses

A student may repeat most courses in an attempt to improve the grade previously earned. There are some courses that may not be repeated for this purpose. Information concerning these courses may be obtained from the office of the chair of the department in which the course is offered.

The university is not obligated to allow substitutes for repetition of courses which have been deleted from the curriculum. Credit by examination may not be used for the purpose of improving a grade previously earned in a course taken for credit.

A student may not attempt the same course more than three times for the purpose of obtaining a passing grade or higher grade. Exceptions to this limitation may be made by the dean of the college from which the student intends to graduate, or by the dean's designee. These exceptions must be approved prior to the student's registration for the fourth and any subsequent attempts of the same course.

The student's quality point average will be computed as follows:

Attempt	Grade(s) Included In Computation
1st	Original grade earned
2nd	Only grade in 2nd attempt
3rd and subsequent	Grades earned in 2nd and all subsequent attempts calculated in quality point average.

The record will continue to reflect all grades earned in the same course.

### Audit Courses

Students who are registered for one or more classes at The University of Memphis may also register to audit a course with the approval of the chair of the department in which the course will be offered.

Auditors are not required to prepare lessons or papers, or take examinations. They are not to take part in class discussions or laboratory or field work. Students auditing a course will receive "audit" on the transcript only if in the judgment of the instructor they have attended a sufficient number of classes to deserve the notation on the transcript. Faculty will base their decisions for awarding "audit" only on attendance, since the student is not allowed by policy to participate in any other way. Persons who are not enrolled for credit courses may register for audit courses with the approval of the Director of Admissions and the department chair. These persons must have graduated from high school or be 18 years of age or older. A student may not change from a grade point basis to audit or from audit to a grade point basis after the last day to add classes for that term. Fees for audits will be assessed on the same basis as fees for credit courses.

### Credit/No-Credit Courses

The university, wishing to encourage mature students to broaden their range of interest without jeopardizing their grades, allows students who have earned at least 60 semester hours with a minimum grade point average of 3.0 to enroll in credit/no-credit courses as determined by their college. Students are limited to one course per term and may not accumulate more than 12 semester hours on a credit/no-credit basis. (In most cases, Physical Activity courses are exempted from these requirements. See *Graduation from the University*.) Students who transfer from one college to another should be aware that credit/no-credit hours may be acceptable in one and not in another. Students may apply to take, on a credit/no-credit basis, a course that has been taken previously for a grade. In every instance, approval to register for a course on a credit/no-credit basis must be obtained from the advisor and the dean of the student's degree granting college. Credit hours earned on a credit/no-credit basis will be accepted toward degrees within the following limitations:

**The College of Arts and Sciences** accepts hours earned on a credit/no-credit basis in any course that is not required for the student's degree.

**The Fogelman College of Business and Economics** accepts hours earned on a credit/no-credit basis only in courses designated as electives in the student's degree program.

**The College of Communication and Fine Arts** accepts hours earned on a credit/no-credit basis in any course that is not required for the student's major.

**The College of Education** accepts hours earned on a credit/no-credit basis in any course that is not required for the student's major, professional educational requirements and endorsement requirements.

**The College of Engineering** accepts hours earned on a credit/no-credit basis in any course that is not specifically required for the student's degree.

**The University College** accepts hours earned on a credit/no-credit basis in any course that is not required for a student's Coordinated Study Program.

A student who registers for a course on a credit/no-credit basis may change the registration to a letter grade-quality point basis only during the add period, and a student who registers for a course on a letter grade-quality point basis may change the registration to a credit/no-credit basis only during the add period. The student who successfully completes a credit/no-credit course will receive the appropriate number of hours as credit toward graduation. These hours will not be used in the computation of the quality point average.

### Student Grade Appeal Procedure

This appeal procedure is designed to provide any undergraduate at The University of Memphis with a clearly defined avenue for appealing the assignment of a course grade which the student believes was based on prejudice, discrimination, arbitrary or capricious action, or other reasons not related to academic performance. **In all cases the complaining student shall have the burden of proof with respect to the allegations in the complaint and in the request for a hearing.** If any party fails to pursue any step of this procedure within the time limits, the disposition of the student's complaint made in the last previous step shall be final. The procedure is terminated if the student and instructor agree on the grade or if the student fails to appeal a decision within the appropriate time limit. All correspondence and records will be retained in the office in which the complaint is terminated.

**Step 1** The student shall first consult with the instructor in an effort to provide a satisfactory resolution of the complaint. In the event the student cannot schedule a meeting with the instructor, the student may contact the department chair who will schedule the meeting between the student and the instructor. The only exception to this procedure is the case where the instructor has been terminated by the university or is unavailable so that it is impossible to complete Step 1 within the allotted forty-five days. In this case the student may proceed directly to Step 2.

**Step 2** If the complaint is not resolved in Step 1, the student may present the complaint in writing to the chair of the department in which the course was offered within *forty-five days* from the end of the term during which the appeal is made. For the purposes of the grade appeal procedure, all summer sessions collectively will constitute a single term. (Students enrolled in courses during any summer term shall have forty-five days following the end of the last summer term in which to file a grade appeal.) The department chair will attempt to resolve the complaint in consultation with the instructor and the student within a *fifteen-day* period dating from the formal presentation of the written complaint. The department chair may, at his/her discretion, counsel with the faculty of the department.

If the department chair was the instructor of the course involved in the complaint or if for any reason the chair disqualifies him/herself, the student may proceed to Step 3.

The student's grade may be changed in Step 2 of the appeal procedure by the written consent of the instructor and the student.

**Step 3** If the complaint cannot be resolved at the level of Step 2 within the prescribed fifteen-day time period, the student within *five days* following the end of said period, may appeal further by presenting to the dean of the college a written statement which clearly explains the basis of the appeal (prejudice, discrimination, arbitrary or capricious action, or other reasons not related to academic performance), the evidence for the appeal, and any supporting data. The chair must also forward a copy of all correspondence and records to the dean.

The dean may utilize any resources available to the dean's office to resolve the grade conflict within a *fifteen-day* period. If the dean finds that the request

does not have merit, the dean shall so notify the student, the instructor, and chair. If the dean and chair are in agreement that the grade should be changed, either raised or lowered, the dean shall be empowered to change the grade without the instructor's consent. Otherwise the grade shall remain as recorded.

Either the student or the instructor may appeal the dean's decision made under Step 3 within *fifteen* days by filing a written request for a hearing before the University Grade Appeals Committee. In the event of such an appeal the decision shall be stayed pending the completion of the procedure in Step 4. The dean must be provided a copy of the hearing request.

**Step 4** The written request for a hearing before the University Grade Appeals Committee should state the factual basis for the appeal of the dean's decision. If the committee finds the student's or the instructor's request merits a hearing, the committee shall notify the student, the instructor, the chair and the dean of the time and location of the hearing. If the committee finds that the request does not merit a hearing, the student and the instructor shall be so notified.

The University Grade Appeals Committee shall function as a review board. The committee shall have the power to allow the assigned grade to stand or to raise or lower the assigned grade. Its decision must be formally announced to all parties. The time schedule allotted for completion of action by the committee shall be *fifteen* days.

The decision of the University Grade Appeals Committee will be final.

The University Grade Appeals Committee shall be composed of seven members and seven alternates constituted as follows:

A chair designated by the Vice Provost for Academic Affairs, a faculty member and alternate designated by the dean of the college involved, two faculty members and two alternates elected by the Academic Senate, three students and three alternates selected through the Student Government Association.

Although the primary responsibility of the committee is to review appeals, the committee will report any obvious discriminatory or capricious conduct on the part of either the student or the instructor to the appropriate Vice Provost for consideration and action.

## QUALITY POINTS

In computing a student's scholarship ratio, or quality point average, all courses attempted are included except credit/no-credit, audit, incomplete, remedial and developmental, and satisfactory/unsatisfactory courses and "T" grades. As an example: a student carrying five three-semester-hour courses for a total of 15 semester hours makes the following grades: A, B, C, T, F, thus accumulating quality points in the amount of 12, 9, 6, 0, 0, for a total of 27. In computing the quality point average, the number of hours attempted (except "T" grade) (12) is divided into the quality points earned (27) for an average of 2.25.

**Graduation:** A minimum 2.0 quality point average on all work attempted is required for graduation.

### Academic Fresh Start

An ACADEMIC FRESH START, allowing calculation of quality point average and credit hours toward graduation to be based only on work done after returning to college, is provided for undergraduate students who have gained maturity through extended experience outside higher education institutions and have demonstrated better than average academic performance following their return to The University of Memphis. Preliminary information and application forms may be obtained from

the Associate Registrar. Requirements to be satisfied by a student requesting an Academic Fresh Start toward a baccalaureate degree are as follow:

1. Separation from all academic institutions for at least seven years.
2. After returning to college and prior to application for ACADEMIC FRESH START, completion of at least 24 semester hours of earned graded course work, at least six semester hours of which must have been successfully completed at The University of Memphis within one semester.
3. At the time of application, QPA of at least 2.5 for all work attempted after returning to college.
4. Formal application to the dean of the student's college, requesting that an ACADEMIC FRESH START be granted and describing an academic plan which must include the declaration of a major.

Upon approval of the college dean, the student will be granted an Academic Fresh Start. It may be granted once. The student's permanent record will remain a record of all work; however, the student will forfeit the use for degree purposes at The University of Memphis any college or university credit earned prior to the seven-year separation indicated above. The date of the fresh start will coincide with the date of re-entry following prolonged separation, and the permanent record will note that a fresh start was made and the date of the fresh start. The record will also carry the notation, "QPA and credit totals are based only on work beginning with that date." That date will be treated as the date of entry in determining which catalogs may be used for graduation.

The University of Memphis honors academic fresh start completed at other accredited institutions of higher education.

## ACADEMIC STATUS AND RETENTION

At The University of Memphis, students' academic status is denoted by one of three conditions:

- (1) GOOD STANDING
- (2) ACADEMIC PROBATION
- (3) ACADEMIC SUSPENSION

Official notification of academic status is by means of the grade report processed to each student at the end of the regular semester or summer session. The academic status of probation or suspension will be stated at the end of the report of grades. Policies and procedures related to each of these conditions are outlined in the following comments.

### Good Standing

Students are in good standing so long as their quality point average is equal to the minimum cumulative QPA required on the sliding retention scale as defined in this policy statement. The term *good standing* indicates only that students are meeting the minimum standard for retention in the university. However, in order to meet graduation requirements, students must have a cumulative QPA of 2.0.

### Academic Probation

A student will be placed on academic probation at the completion of any regular semester or summer session when the student's cumulative QPA falls below the following:

HOURS ATTEMPTED	MINIMUM QPA
14.99 or less	No minimum
15.00–29.99	1.40
30.00–50.99	1.70
51.00–67.99	1.90
68 and above	2.00

A student on academic probation who withdraws from the university during the first probationary semester will be "continued on academic probation." Withdrawal by such a student from any subsequent probationary semester will be treated as an academic suspension requiring clearance from the Academic Status and Retention Office for any future registration. Students who are enrolled on academic probation are not allowed to register for the following semester until their grades are presented for the semester in which they are currently enrolled. For the purpose of participation in extracurricular and organizational activities sponsored by the university, students are considered in good standing and eligible to participate while on probation unless other requirements are specified by a particular group, organization, or activity.

### Academic Suspension

Students on academic probation who, at the end of the following term of enrollment, fail to raise their QPAs to at least the required minimum on the Sliding Scale Retention Policy above will be suspended. There is one exception to this policy: students on academic probation will not be suspended at the end of any semester or summer session during which a term average of 2.00 has been earned.

(1) A student who incurs a first suspension must remain out of the university a **minimum** of one regular semester (fall or spring).

(2) A student who incurs a second suspension must remain out of the university a **minimum** of one calendar year.

(3) A student who incurs a third suspension must remain out of the university a **minimum** of three calendar years.

(4) A student who has been readmitted following a third suspension and who then fails to meet the retention standards is ineligible for further enrollment at The University of Memphis.

(5) Former The University of Memphis undergraduate students on academic suspension will be readmitted under the retention policy in effect their last semester at The University of Memphis. A counseling interview will be required prior to re-enrollment. Academic status will be determined by the Academic Retention Policy in effect in the current *University Bulletin*. Any course work completed at

another accredited college or university will be used in determining eligibility for readmission to The University of Memphis.

The university office responsible for the administration of this policy is the Academic Status and Retention Office (Room 117, Administration Building).

## Recognition for Academic Performance

There are several means available by which students may obtain recognition for outstanding academic performance. In addition to those listed below, there are other honors and awards listed in the descriptions of the various honors programs.

### THE DEAN'S LIST

The Dean's List is composed of those students who meet *one* of the following criteria:

1. Completion of 6-8 graded hours in a semester with a semester quality point average of 4.00.
2. Completion of 9-11 graded hours in a semester with a semester quality point average of 3.66 or above.
3. Completion of 12 or more graded hours in a semester with a semester quality point average of 3.50 or above.

When a course is being repeated for the purpose of improving a grade previously earned, the student must meet one of the criteria for the Dean's List eligibility as described above for *each* of two separate sets of courses and quality point averages:

- (a) The number of graded hours and quality point average for *unrepeated* courses taken during the semester *and*
- (b) The total number of hours and overall term quality point average for *all* graded courses taken during the semester.

Remedial/developmental courses are not considered in calculating eligibility for the Dean's List. College level courses used to satisfy high school deficiencies will be considered in the computations to determine eligibility for the Dean's List.

### GRADUATION WITH DISTINCTION

Students who meet the requirements described below are eligible to graduate cum laude, magna cum laude, or summa cum laude:

1. Fulfillment of graduation requirements
  - \*2. Completion of a minimum of fifty (50) graded semester hours at The University of Memphis prior to graduation
  3. Final cumulative quality point averages as follow:
- |                 |               |
|-----------------|---------------|
| Cum Laude       | 3.2500—3.4999 |
| Magna Cum Laude | 3.5000—3.7999 |
| Summa Cum Laude | 3.8000—4.0000 |

\*Recognition of graduation with distinction at commencement ceremonies will be based on the completion of a minimum of forty-five (45) graded semester hours at The University of Memphis prior to the final semester. (During the final semester, the student must also be enrolled for a sufficient number of hours to complete the required minimum of fifty.) This recognition is *not* an actual conferral of distinction.

In order to be eligible, a student who transfers course work from another institution must have made the required average

on all work taken at The University of Memphis and must, in addition, have an overall average that meets the honors requirements above. In no instance may the QPA used for determining graduation with distinction be higher than that earned on courses taken at The University of Memphis.

A student who already holds a baccalaureate degree is eligible for these distinctions if the requirements above are met and if, within the hours presented to fulfill the requirements for the second degree, at least forty-five additional graded hours have been taken at The University of Memphis subsequent to the award of the first degree. (These hours would be for *new* courses, *not* courses repeated for a higher grade.) The QPA used for determination of distinction for the second degree will be calculated from *all* undergraduate courses taken. College level courses used to satisfy high school deficiencies will be considered in the computations to determine eligibility for graduation with distinction.

Either the complete set of requirements governing graduation with distinction in the current catalog or the complete set in the catalog governing the degree requirements for the student's graduation may be used to determine honors.

### PRIVACY RIGHTS OF PARENTS AND STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the university intends to comply fully, is designed to protect the privacy of educational records, to establish the right of students to inspect and review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

The provisions for the release of information about students and the rights of students and others to have access to The University of Memphis education records are published in their entirety each semester in the *Schedule of Classes*.

### ADDITIONAL MEANS OF EARNING CREDIT

#### Advanced Standing Credit

Credit toward a degree will be accepted only from college-level institutions for courses that are substantially equivalent to those offered at The University of Memphis. After the student has been approved for admission as a regular undergraduate, the Office of Admissions will evaluate credits for university-wide use. The Office of the Dean in each college has the authority

for determining the use of acceptable credit toward specific degree programs in that college. (Also see Transfer Credit section below.)

In computing the scholarship ratio or quality point average of a student who has earned an associate degree from an institution with a grading practice that does not reflect failing grades, only those courses for which credit was granted will be used. A student who does not earn the associate degree prior to transfer or one who attends merely to take courses will have the quality point average computed using all courses attempted at that institution.

Transfer credit from colleges not accredited by the Tennessee State Board of Education and/or the Southern Association of Colleges and Secondary Schools (or corresponding agencies for other states and regions of the United States) will not be accepted toward a degree or toward teacher licensure.

### Credit for Service in the Armed Forces

Veterans who have completed one year or more of continuous full-time active military service will be excused from taking the required physical activity course(s) but must take HPER 1100, *Concepts of Fitness and Wellness*. In addition, six semester hours of health and physical education credit will be allowed upon presentation of a copy of the veteran's report of separation (DD Form 214) to the Admissions Office. Total physical activity course credit applicable to the baccalaureate degree cannot exceed 8 semester hours, regardless of the source.

The Admissions Office should be consulted to determine whether additional credit may be allowed for training completed through formal service schools (DD Form 295). Certain subject standardized tests offered by the Defense Activity for Non-Traditional Education Support (D.A.N.T.E.S.) may be submitted for consideration. Official D.A.N.T.E.S. transcripts are required. The maximum amount of credit accepted for applicable D.A.N.T.E.S. courses and/or correspondence and extension courses is 33 semester hours, and 20 semester hours of lower division credit for selected service schools. (This restriction does not apply to credit accepted by the University College.) An official evaluation of service credit is not made until a student enrolls as a regular undergraduate student. Credit awarded for completion of selected service schools will be governed by the recommendations at the baccalaureate level as outlined in the current *Guide to the Evaluation of Educational Experience in the Armed Services*.

### Noncollegiate Sponsored Instruction

Credit may be obtained for applicable courses completed through certain non-collegiate sponsored instruction as recommended in the current *A Guide to*

*Educational Programs in Noncollegiate Organizations.* No more than 20 semester hours credit for service schools and/or noncollegiate sponsored programs will be allowed. The Admissions Office should be contacted for further information.

## Advanced Placement Credit

The University of Memphis participates in the Advanced Placement Program of the College Entrance Examination Board. To be eligible for credit, students must score a three, four, or five on the CEEB Advanced Placement Tests. Information pertaining to approved scores and credit to be awarded may be obtained from the Admissions Office.

## Transfer Credit

After enrollment as regular undergraduates at The University of Memphis, students should obtain prior approval from the dean of the college from which they are to graduate before taking a course at another institution for the purpose of meeting degree requirements at The University of Memphis. The student who intends to take a course at another institution should consult with the Admissions Office and obtain forms for use in securing the dean's approval. Courses taken without prior approval are subject to possible disapproval when they are presented for evaluation at The University of Memphis.

Before credit earned at another institution can be transferred and recorded on a permanent academic record, the student must have an official transcript mailed to the Admissions Office and must contact the college dean's office to make arrangements for the posting of transfer credit by having the original copy of the form returned to the Admissions Office.

The maximum credit hour load allowed for any term includes all course enrollments both at The University of Memphis and any concurrent enrollment at other institutions. (See "Credit Hours and Maximum Load.")

## Correspondence or Extension Credit

The University of Memphis accepts a limited number of credits earned by correspondence and/or extension, provided that such credits are taken from an institution that is a member of the University Extension Association, or the appropriate regional accrediting association. The University of Memphis offers some work by extension but none by correspondence.

Prior to a student's initial registration at The University of Memphis as a regular undergraduate, the Admissions Office will, at the time the student applies for admission, determine the acceptability of extension and/or correspondence credits earned at other institutions. After the student has been admitted as a regular undergraduate, whether a beginning freshman or a transfer student, credit applicable

to any The University of Memphis degree will not be given for subsequent correspondence or extension courses unless written permission from the dean of the degree granting college is obtained prior to enrollment in such courses.

No student is permitted to enroll for correspondence or extension courses while carrying a maximum load at The University of Memphis. Not more than one-fourth of the semester hours applied on the bachelor's degrees may be earned by correspondence or extension or a combination of the two. (This restriction does not apply to degree programs of the University College.)

A student who has completed thirty-three of the last sixty-six hours required for residence and who lacks *no more* than four semester hours toward completion of degree requirements may earn these final credits by acceptable correspondence or extension work, or by residence at another approved institution. In those instances in which the dean's office has granted such approval, thirty-three of the last *seventy* hours will have been completed at The University of Memphis. (For details of residence requirements, see *Graduation from the University*.)

## Credit by Course Placement

In some departments, students who have obtained prior approval from the department chair may enroll in a University of Memphis course at the level for which they feel previous training or experience qualifies them and receive credit for certain sequential courses numbered lower than the one in which they enroll. Recording of credit for the lower numbered course(s) is contingent upon completion of the course with a grade of C or higher. Upon completion of the course *written application to the chair of the department and payment of appropriate fees is required for such credits to be recorded*. There is a fee for all placement credits that are recorded. It is the same as that for credit earned through credit by examination. For information on the fees, see *Expenses and Aid*.

**FOREIGN LANGUAGE:** In the Department of Foreign Languages and Literatures, all of the requirements and fees listed above are applicable and *credit by course placement is limited to the following courses:* Students whose first college-level course in a language is 2201 may apply to the department chair for credit for 1102 in that language, those whose first college-level course is 2202 or 2203 may apply for credit for 1102 and 2201 in that language, and those whose first college-level course in a language is a 3xxx course in composition and/or conversation may apply for credit for 1102, 2201 and 2202 in that language.

## University Credit by Examination

Credit by examination refers to all of the types of credit described following this para-

graph. Students may not take any examination for credit in a course previously taken for credit except to validate transfer courses for upper division credit. Students may, however, take an examination for credit in courses that were audited or in courses at a lower level than one that was taken for credit. Credit by examination may not be used to satisfy the Computation Intensive, Writing Intensive and Integration General Education requirements.

## CLEP EXAMINATIONS

CLEP is a national program of credit-by-examination, sponsored by the College Entrance Examination Board. It offers students the opportunity to obtain recognition for college-level achievement. Some departments accept CLEP subject area examination credits as equivalent to departmental courses. No credit will be awarded for CLEP general examinations. Information on courses for which CLEP credit is available, along with information of fees charged, is available in the Testing Center.

## DEPARTMENTAL EXAMINATIONS

Almost all courses in the undergraduate curricula, except for those of laboratory, research, and performance variety, are available for credit by examination. Students who believe they have already mastered the material of a particular course offered at The University of Memphis may take a departmentally administered examination for credit in that course. Students should consult the department chair to make application and to obtain information concerning the courses offered.

The following regulations govern the granting of credit by examination:

1. Any student who has been admitted to The University of Memphis—full-time or part-time—may make application to take an examination for credit. A student who has been admitted but who has not yet registered for courses at The University of Memphis will have any credit earned by examination posted to the permanent record after enrollment. Any student (other than first-time freshmen) must have a 2.0 GPA to apply for credit by examination.
2. Permission to take a credit examination must be obtained from the chair of the department in which credit is sought and from the dean of the college in which the student is seeking a degree. When permission is granted and after payment of the cost of the examination, the Admissions Office will issue an official permit for the examination. (See *Fees and Charges*.)
3. The form of the examination, the method of administering it, and the time of examination are left to the discretion of departments.
4. To receive credit, the student's examination grade should be a grade equivalent of at least a C. There are no university restrictions governing the number of credit hours which may be earned through credit by examination; however, the individual colleges may have some limitations. Students should check with the specific college concerning its degree requirements. Credit is indicated on the student's record as CR.

## CREDIT BY PLACEMENT EXAMINATION

In some departments in which placement examinations are given, a student may elect to receive credit for certain sequential courses numbered lower than the course in which the student was placed if

prior approval was obtained from the chair. (The Department of Foreign Languages and Literatures will not grant credit on the basis of placement examinations. See *Credit by Course Placement* above.)

A student may take the placement test, which is given at the beginning of each semester, to best determine the initial course in which to be placed. A student completing the placement test may apply immediately for the hours of credit warranted by the test score. The student must make written application to the chair of the department and make payment of appropriate fees for such credit to be recorded.

There is no fee charged for taking placement examinations; however, there is a fee for all placement credits that are recorded. For information on the fees, see *Expenses and Aid*.

## University Credit for Experiential Learning

Students seeking degrees in the College of Communication and Fine Arts, the College of Education, and the University College may be granted credit for college-level knowledge and understanding gained

from work experience, life experience, or for certain non-traditional instruction. The student who wishes an assessment of such learning prepares a detailed and documented portfolio of those learning experiences that are to be evaluated.

Assessment by portfolio is reserved for knowledge and competencies which do not readily fit into the credit by examination procedures described above. More detailed information about procedures may be obtained from the individual colleges. For fee information, see *Expenses and Aid*.

# 6. GRADUATION FROM THE UNIVERSITY

## GENERAL REQUIREMENTS

Courses required for all baccalaureate degrees are outlined in the following section; specific requirements for the individual degrees are in the *Colleges and Degree Programs* section. Requirements for the Juris Doctor degree are in the *Catalog of The School of Law*; requirements for graduate degrees are in the *Catalog of The Graduate School*.

The following have been established as minimum requirements by the university for all undergraduate degrees offered. In addition, the student must meet the requirements for the specific degree as established by the college or department in which it is offered. A minimum of 132 semester hours is required for all degrees except the accountancy major in the B.B.A. degree. In some degrees and majors, the courses that may be used to meet the university requirements below are specified. The assistance of an advisor for the particular degree and major must be sought to determine which courses will meet degree requirements.

## 1. GENERAL EDUCATION

The general education program is that part of the undergraduate curriculum that promotes a common background for all baccalaureate candidates. The purpose of the general education program is threefold: to help students develop the skills necessary for completing a college career and assuming an active role in contemporary society; to assist students in gaining an awareness of the diversity of human endeavors in intellectual, creative, social and technological spheres; and to help students develop analytical and critical faculties that can be applied across the range of issues confronting them in the modern world. The general education program extends beyond particular disciplines and majors to make available to students

the tools and awareness necessary for active, lifelong learning and for active, literate participation in society.

### A. English Composition: 6 hours

ENGL 1101	English Composition
ENGL 1102	English Composition and Analysis

All candidates for graduation at The University of Memphis are required to complete English 1101 and 1102, or their equivalents, with a grade of C or better. Before enrolling in English 1101, a student must have either (1) an ACT English score of 19 or above, or (2) an SAT verbal score of 360 or above, or (3) a satisfactory completion of a placement essay administered by The University of Memphis Testing Center. Those who do not meet successfully complete R&DS 0610 with a grade of C or better before proceeding to English 1101. English 1101 and 1102 must be taken in sequence; no credit will be allowed for English 1102 until 1101 has been completed successfully.

### G. \*American Heritage: 6 hours

HIST 2601	The United States to 1877
HIST 2602	The United States Since 1877

Thematic Courses: One of the following may be taken in lieu of either HIST 2601 or 2602:

ANTH 3282	Cultural History of American Communities
GEOG 3401	Historical Geography of the United States
HIST 3863	Social and Intellectual History of the United States
HIST 3900	History of Tennessee
HIST 4851	History of Women in America
HIST 4881	Black American History
POLS 4212	Constitutional Law: The Origins and Evolution of Civil Liberties in the United States
POLS 4405	Origin and Development of American Political Thought
SOCI 3422	Racial and Ethnic Minorities: A Socio-Historical Approach

\*This requirement is waived for engineering students and students enrolled in University College except for those who did not earn one unit in American History in high school. The state requires that students who did not earn one unit in American History in high school fulfill the American Heritage requirement during their first or second year at the university. Those students who use the G.E.D. rather than high school graduation for admission to the university will be considered as having the equivalent of a Tennessee high school diploma and thus, to have had the equivalent of American History in high school. This does not mean that a student admitted to The University of Memphis may take the G.E.D. as an exam for credit in American History.

### H. Social Science: 6 hours (One course from list 1 and one from list 1 or list 2)

#### 1. Global Perspective: (One must be selected from this group)

#### **J. Fitness and Wellness: (4 hours)**

HPER 1100 plus two semester hours of physical activity from the following: any 1000 level PHEC course; DANC 1821, 1825, 1827, 2821, 2825, 2827; MUAP 2002, THEA 2501; AERO 1111, 1112, 2211, 2212; ARMY 2115, 2120, 2190, 3110, 3120, 3190, 4110, 4120; NAVY 1100, 1104, 2204, 2206, 3000.

Any student except those with a major or minor in Physical Education or those seeking a B.B.A. degree has the option of taking the activity courses for a letter grade or on a credit/no credit basis. A student unable, for medical or other reasons, to take regular physical activity courses is required to register for an adaptive class, or otherwise follow recommendations of the Chair of the Department of Human Movement Sciences and Education.

Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

Only students in the following programs may apply more than 8 semester hours of physical activity credit to the minimum degree requirement of 132 semester hours (see specific college limitations): Physical Education major or minor, Recreation major, B.F.A. Theatre major with a concentration in Performance or Dance, B.A. Theatre major, Theatre or Dance minor.

#### **K. Computation Intensive [C]: (3 hours)**

At least one upper division course designated as computation intensive and approved by advisor.  
**Prerequisite:** Satisfactory completion of the General Education mathematics requirement.

#### **L. Writing Intensive [W]: (3 hours)**

At least one upper division course designated as writing intensive and approved by advisor.  
**Prerequisite:** Satisfactory completion of the General Education English composition requirement.

#### **M. Integrative [I]: (3 hours)**

At least one upper division course designated as integrative and approved by advisor.  
**Prerequisite:** Satisfactory completion of General Education English composition, oral communication, and mathematics requirements.

**NOTE:** Under most circumstances, transfer courses may NOT be used to satisfy the Computation Intensive, Writing Intensive, and Integrative requirements.

## **2. COMPUTER LITERACY**

Students who entered The University of Memphis or any other institution as beginning freshmen in fall 1984 or later, are required to possess competency in computer literacy before graduating. Competency may be gained by either passing grades in designated coursework or passing a specially designed test. Courses that fulfill this requirement are specified by the college in which the student is enrolled for a degree. Students interested in taking the test should consult their college dean.

## **3. QUALITY POINT AVERAGE**

To receive a bachelor's degree from any of the colleges in the university, students must have a quality point average of at least 2.00 (i.e., two quality points for every semester hour attempted). If for any reason

a student offers more than 132 semester hours credit for graduation, the ratio of two quality points to one semester hour of credit must be maintained. To attain this standard the candidate must have a C average on all courses attempted in the university. Students with transfer credit are required to maintain an average of C on all courses taken at The University of Memphis.

## **4. RESIDENCE REQUIREMENTS**

A student will satisfy residence requirements for graduation by completing, at The University of Memphis, 33 of the final 66 semester hours required for a degree. A student transferring credits from a two-year college institution must complete, as a requirement for the baccalaureate degree, a minimum of sixty semester hours in an accredited senior institution.

In addition, the student must meet the residence requirements for the specific degree as established by the college in which it is offered. Exceptions to residence requirements can be authorized by the appropriate dean. Residence requirements for specific degrees within each college may be found in the *Colleges, Degree Programs and Courses* section. For more details, the student should inquire in the office of the dean of the appropriate college.

A student who has completed thirty-three of the last sixty-six hours required for residence and who lacks no more than four semester hours toward completion of degree requirements may earn these final credits by acceptable correspondence or extension work, or by residence at another approved institution. In those instances in which the dean's office has granted such approval, thirty-three of the last seventy hours will have been completed at The University of Memphis.

## **5. TESTING AS A PREREQUISITE FOR GRADUATION**

Any or all students may be required to take one or more tests designed to measure general education achievement and achievement in their major as a prerequisite to graduation, for the purpose of evaluation of academic programs. Unless otherwise provided for in any individual program, no minimum score or level of achievement is required for graduation. Participation in testing may be required for all students, for students in selected programs, and for students selected on a sample basis. Details concerning these regulations and the dates of the examinations will appear in the *Schedule of Classes* each semester.

## **6. FILING FOR GRADUATION**

All students are required to file an intention to graduate during the semester preceding the semester of graduation. The deadlines for this filing are included in the academic calendars of the catalogs and the schedules of classes. It is the respon-

sibility of the student to insure that this deadline is met.

## **REQUIREMENTS FOR TEACHER LICENSURE**

An undergraduate student can be recommended for licensure to teach in Elementary Education (Grades 1-6), Early Childhood Education (Grades PreK-3), or Special Education (Grades K-12), or Physical Education (Grades K-12) in the State of Tennessee by completing all degree requirements for that endorsement as outlined for the Bachelor of Science in Education in the COLLEGE OF EDUCATION DEGREE PROGRAMS section of this catalog.

A student in any of these programs must (1) file an application for admission to the Teacher Education Program in The College of Education; (2) fulfill the requirements and application procedures for the Internship/Student Teaching Program; (3) file an intent to graduate application before the university deadline; (4) have an overall QPA of no less than 2.50 and a grade of C or above in each required professional education course; (5) take the Core Battery and the Specialty area (if required) of the National Teacher Examinations (NTE); and (6) fulfill all other graduation requirements listed under the TEACHER EDUCATION PROGRAMS: REQUIREMENTS section.

Students entering the university for the first time as freshmen who wish to prepare for teaching careers in fields other than Elementary Education, Early Childhood Education, Special Education, or Physical Education should see the academic advisor in the College of Education, Room 204.

Graduate, special, and transfer students who wish to obtain a teacher's license should confer with the academic advisor in the College of Education, Room 204, concerning their individual requirements.

## **CATALOG APPLICABILITY**

A student may complete the requirements for the initial degree under the provisions of any *valid* U of M catalog provided the effective date of that catalog is not earlier than the student's initial admission to U of M or some other accredited institution of higher learning. The degree requirements published in the *Undergraduate Catalog* issue of The University of Memphis *Bulletin* are valid for seven years from the beginning of the academic year to which the catalog applies. This issue of the catalog is valid *through* summer 2001. (The validity date for the 1988-89 undergraduate catalog has been extended from summer 1995 to summer 1996.)

With the approval of the dean of the college through which the student's degree is offered, any student who had

completed at least fifteen semester hours of course work and whose progress was interrupted by a call to active military duty may extend the validity date for graduation for any catalog valid at the time of the call to active duty. Though the student should attempt to complete requirements within the normal seven-year validity period, the dean may grant an extension commensurate with actual time served on active military duty and time required for directly related medical treatment that prevents the student's re-enrollment. Qualification for this extension is contingent upon re-enrollment within a period of time deemed reasonable by the dean. The extension is not allowed for a full military career.

Selection of a minor may be made from a valid catalog other than the one used for degree requirements unless the minor is restricted to a particular degree. Unrestricted minors may be selected from the same catalog as that used for degree requirements or from any *subsequent* cata-

log. Unrestricted minors approved too late for inclusion in the current bulletin may also be selected. In the case of both restricted and unrestricted minors, the QPA required for the minor is that of the degree-granting college in the catalog under which the student is graduating. Currently available minors are listed in the catalog index under *Minor*.

---

## SECOND BACHELOR'S DEGREE

---

A student who completes the requirements for one bachelor's degree from The University of Memphis may receive a second bachelor's degree upon the completion of the curriculum prescribed in the current catalog or any other valid catalog approved by the appropriate degree-grant-

ing college. The two degrees may be conferred simultaneously or subsequently. General Education requirements used for the initial The University of Memphis degree will satisfy *university* General Education requirements for subsequent degrees; however, the student must meet *college* degree and major requirements from the catalog being used for the second degree.

The student is limited to one degree with the same title. Students who are seeking a second bachelor's degree and who have earned the initial bachelor's degree from another institution are subject to all catalog regulations applicable to transfer students.

If a student completes the requirements from a valid catalog for an additional major for a degree previously earned at The University of Memphis, that major may be posted on the student's record *if the student applies for the additional major through the appropriate dean's office*.

## 7. COLLEGES, DEGREE PROGRAMS AND COURSES

The following section contains the specific requirements for completing each degree, major, minor, and certificate offered by the university. It is organized by college and department. The courses offered by each college follow the degree program requirements of that college. There is a statement concerning how to use the catalog for degree program planning located with the Academic Calendar at the beginning of the catalog. *Students are urged to consult with an advisor for assistance in planning their degree programs and selecting appropriate courses.*

**Explanation of course description format:** The official course title appears in boldface type following the course number. The figures in parentheses after the course title denote the number of semester hours of credit for that course. If the credit is variable, to be determined by the department, that fact is indicated by the minimum and maximum credit, as BIOL 4000 (2-4).

If the phrase "Same as . . ." and another course number appear in parentheses following the credit hours, the course is cross listed with a course in another department, and when offered by both departments, may be taken through either. If another

course number in parenthesis follows the credit hours, it is the former number for the same course. Credit may not be received for both the former number and the current number of the same course.

For those courses including regular laboratory hours, the lecture/laboratory hour distribution is written in italics near the end of the course description. At the end of many course descriptions, prerequisites and/or corequisites are listed. Students are responsible for meeting the stated prerequisites prior to enrolling for the course.

A [G] at the end of the course description indicates that the course may be used to fulfill university general education requirements. *These requirements vary somewhat according to the particular degree program or major.* Similarly, a [W] indicates a course approved as writing intensive for some programs, a [C] indicates a computation intensive course, and an [I] indicates an integrative course.

Courses are numbered according to the following system:

0001-0999 *Courses for which the credit does not apply toward minimum degree requirements or for which credit is restricted. (For some of these courses, there is a corresponding 5000 graduate level non-degree credit course.)*

1000-1999  
2000-2999  
3000-3999  
4000-4999

*Courses primarily for freshmen  
Courses primarily for sophomores  
Courses primarily for juniors  
Courses primarily for seniors and for which graduate credit is not offered.  
(There is sometimes a corresponding 6000 number for which graduate credit is offered to graduate students who fulfill the additional requirements for such credit.)*

1000-2000 level courses are lower division courses, 3000-4000 level courses are upper division courses. Course numbers have no reference to the semester in which the courses are taught.

*The Schedule of Classes* is published a few weeks before priority registration for each semester and the Summer Session. It contains a listing of the specific courses to be offered, with the time, place and instructor in charge of each section. It also contains special announcements concerning registration procedures and courses which may have been added since the publication of the catalog. Copies are available outside the Registration Services Office, room 167 in the Administration Building.

## PURPOSES

The College of Arts and Sciences has three distinct functions within the framework of the university.

1) Its primary function is to offer a strong liberal arts program designed to help the students prepare themselves for life in their own cultural setting by acquiring the means and desire to continue the processes of intellectual development and character formation throughout their lives. "The purpose of education," wrote John Stuart Mill, "is to make capable and cultivated human beings." "Education has for its object the formation of character," wrote Herbert Spencer. We believe that people are people, no matter what their careers, and that if we can help people to become more capable and sensible, they will have better careers and lives. It is our belief that the best preparation for any profession or vocation is a thorough foundation in those major fields of human interest, which are included in the humanities, the natural sciences, and the social sciences. A program of liberal studies at The University of Memphis aims to provide the students with a store of factual knowledge, to introduce them to varying sets of principles, to stimulate them to think about and evaluate facts and principles, and to encourage them to order their own affairs and those of their society with the talent, insight, and discrimination they develop.

2) The College of Arts and Sciences offers this kind of education to the candidates for its own degrees, and to the students of other colleges of the university, all of whose degree plans call for courses in the arts and sciences.

3) The college offers preparatory courses for students interested in careers in medicine, dentistry, nursing, teaching, law and other professions; specific preprofessional programs, designed to prepare students to qualify for admission to professional schools, are available.

---

## ORGANIZATION OF THE COLLEGE

### Departments

The College of Arts and Sciences comprises eighteen departments: Anthropology, Biology, Chemistry, Criminology and Criminal Justice, English, Foreign Languages and Literatures, Geography and Planning, Geological Sciences, History, Mathematical Sciences, Philosophy, Physics, Political Science, Psychology, Sociology and Social Work, Aerospace Studies, Military Science, and Naval Science. Requirements for the majors and minors offered by these departments are listed in this section under *Departmental Requirements for Majors and Minors*.

---

## CONCENTRATION GROUPS

The various offerings of the eighteen departments of The College of Arts and Sciences are organized into four concentration groups:

**HUMANITIES:** English, French, German, Greek, history, Italian, Latin, mathematics, philosophy, psychology, Russian, Spanish.

**NATURAL SCIENCES:** biology, chemistry, geology, physical geography, mathematics, physics.

**SOCIAL SCIENCES:** anthropology, criminal justice, economics, geography (other than physical), history, philosophy, political science, psychology, sociology.

**ROTC PROGRAMS:** Aerospace Studies, Military Science, Naval Science.

---

## RESIDENCE REQUIREMENTS

University residence requirements are explained in detail in the *Graduation from the University* section. A transfer student in The College of Arts and Sciences must earn at least 6 semester hours in residence in the major subject and at least 3 semester hours in the minor. These credits may be earned only through regular class enrollment for a letter grade.

---

## PRE-PROFESSIONAL TRAINING

Standing committees of the faculty are available to advise students interested in preparing for careers in various professional areas. Committee members representing departments of the university in which pre-professional training is given advise students concerning specific programs required by the various professional schools.

**Pre-Medical**—The Health Science Professions Advisory Office, located in the Dean's Office, offers advising and career information to students planning on applying to the following health-professional schools: medicine, dentistry, pharmacy, optometry, veterinary medicine, nursing and allied health fields including cytotechnology, dental hygiene, medical record administration, medical technology, occupational therapy and physical therapy.

**Pre-Law**—In general, accredited law schools have not adopted specific requirements for pre-law education; they do, however, emphasize certain courses as being conducive to the development of the broad cultural background necessary for the successful study of law. Students enrolling in The College of Arts and Sciences and interested in applying to law school should see the Pre-Law Advisor for further information.

**Teacher Preparation**—Students who wish to prepare for teaching careers in the secondary schools of Tennessee will be

expected to complete a baccalaureate degree with a major in the intended teaching area, followed by a fifth-year Master of Arts in Teaching degree program through the College of Education. Additional information on licensure requirements may be obtained from the Associate Dean for Undergraduate Activities in Arts and Sciences or the Office of Teacher Education in the College of Education.

---

## DEGREE REQUIREMENTS

### Degrees Offered

The College of Arts and Sciences offers three degrees: the Bachelor of Arts, the Bachelor of Science, and the Bachelor of Science in Chemistry.

### Foreign Language Requirements

The foreign language requirement for all degrees offered through the College of Arts and Sciences is as follows:

Two courses in a single foreign language at or above the 2000 level. Beginning in the Fall of 1990, all students who have not successfully completed first year language courses at an accredited institution of higher education and who wish to enroll in 2201 (Arabic, Chinese, French, German, Hebrew, Italian, Japanese, Latin, Russian, Spanish) will be required to take the placement test given by the Department of Foreign Languages and Literatures. Students presenting a language to meet university admission requirements cannot receive credit for 1101 in that language.

For information about the dates and place of placement tests, contact the Department of Foreign Languages and Literatures.

A student already having proficiency in a foreign language taught at The University of Memphis should enroll in a course at the level for which the student is qualified. This course can best be determined by taking the placement test given at the beginning of each semester. (Detailed information is available from the chair of the Department of Foreign Languages and Literatures.) No credit is granted on the basis of the placement test. However, students whose first college-level language course is 2201 or higher and who pass this course with a grade of C or better may apply for Credit by Course Placement. The applicable fees are listed in the *Miscellaneous Fees* of the catalog. Students wishing such credit must make written application to the chair of the Department of Foreign Languages and Literatures (application forms are available from the department). This regulation shall apply only to the lower division, and credit gained in this manner shall not exceed 12 semester hours in any one language. For additional information, see *Credit by Course Placement* in Section 5 of this catalog.

Once a student begins with a lower-division course, credit in all remaining higher-numbered courses in the lower division must be earned *in sequence*, without skipping. For example, students who begin with LATN 1101 cannot skip LATN 1102 and enroll in LATN 2201.

This regulation will also apply to a student whose mother tongue is not English, with the following modifications: lower-division credit in the native language will be given when the student has successfully completed the English composition requirement for graduation (see *Graduation from the University*, for details) and has proven proficiency in the native language to the satisfaction of the Department of Foreign Languages and Literatures. The student must make *written application to the chair of the Department of Foreign Languages and Literatures*.

## Bachelor of Arts

To qualify for the Bachelor of Arts degree the student must complete a minimum of 132 semester hours with a quality point average of 2.0. Of the 132 semester hours required, no more than 42 semester hours in any one subject will be counted toward a degree. At least 42 semester hours must be in courses from the upper division. Detailed requirements are as follows:

### GENERAL EDUCATION AND B.A. DEGREE

**English Composition** (6 hours): ENGL 1101, 1102, with a minimum grade of C.

**Oral Communication** (3 hours): COMM 2381.

**Foreign Language** (6 hours): Two courses in a single foreign language at or above the 2000 level.

**Mathematics** (6-10 hours): MATH 1181 and 1182, or MATH 2000, or 1312, or 1321; plus one additional course chosen from any MATH course numbered 1211 or higher, or PHIL 1611.

**Literary Heritage** (6 hours): ENGL 2201 or 2202 plus one course chosen from: CLAS 3412, 3413, 3414; ENGL 3100-09, 3210, 3211, 3212, 3213, 3214, 3220, 3221, 3222, 3224, 3321, 3322, 3323, 4231, 4232, 4233, 4234, 4241, 4242, 4251, 4252, 4231, 4322, 4323, 4341, 4342, 4371, 4411, 4412, 4423, 4424, 4441, 4445, 4461; FREN 3411, 4412, GERM 3411, 3412, 4443, 4451, 4465; GREK 3111, 3511, 3911, 4441; LAL 4010, 4493; LATN 3111, 3211, 3912, 4411, 4711; RUSS 3441, 3442, 3443; SPAN 4410, 4431, 4432, 4510, 4561, 4562; THEA 4582.

**Fine Arts Heritage** (6 hours)—must select two different disciplines): One course from: ART 1101, COMM 1851, DANC 1151, MUHL 1101, THEA 1551; plus one course from the previous list or from: ART 2101, THEA 4551, 4552; DANC 3101, MUHL 4800.

**Historical/Philosophical Heritage** (6 hours): One course from pre-1500: CLAS 2481, HIST 1301, PHIL 1101, POLS 1101, UNIV 2850, UNIV 3580; plus one course from post-1500: HIST 1302, PHIL 1102, POLS 1102, UNIV 2860, 3581.

**American Heritage** (6 hours): HIST 2601 or 2602; plus one other course from the following: ANTH 3282, GEOG 3401, HIST 2601, HIST 2602, HIST 3863, HIST 3900, HIST 4851, HIST 4881, POLS 4412, POLS 4405; SOCI 3422.

**Social Science** (12 hours): One course from list A, one course from list A or list B, and two courses from lists A, B, or C (no more than 6 hours from any one discipline):

A: ANTH 1200, CJUS 2110, ECON 2110, GEOG 1301, GEOG 1401, POLS 2301, POLS 2501, PSYC 2301, SOCI 2100, SOCI 2101/CSO 2101, UNIV 2304.

**English Composition** (6 hours): ENGL 1101, 1102 with a minimum grade of C.

**Oral Communication and Rhetoric** (3 hours): COMM 2391.

**Foreign Language** (6 hours): Two courses in a single foreign language at or above the 2000 level.

**Mathematics** (12 hours): MATH 1321, 2321, 2322.

**Literary Heritage** (3 hours): ENGL 2201 or 2202.

**Fine Arts Heritage** (3 hours): ART 1101, COMM 2951, DANC 1150, ENGL 1101, THEA 1551.

**Historical-Philosophical Heritage** (6 hours): One course from pre-1500: CLAS 2841, HIST 1301, PHIL 1101, POLS 1101, UNIV 2850, UNIV 3580; plus one course from post-1500: HIST 1302, PHIL 1102, POLS 1102, UNIV 2860, 3581.

**American Heritage** (6 hours): HIST 2601 or 2602; plus one other course from the following: ANTH 3282, GEOG 3401, HIST 2601, 2602, 3663, 3900, 4851, 4881; POLS 3422, 4405, SOCI 3422.

**Social Science** (6 hours): Select one course from list A and one from list A or B:

A: (Global Perspective): ANTH 1200, CJUS 2110, ECON 2110, GEOG 1301, 1401, POLS 2301, 2501, PSYC 2201, SOCI 2100, SOCI 2101/CSED 2101, UNIV 2304.

B: ANTH 1100, CJUS 1100, ECON 2120, POLS 1100, PSYC 1101, SOCI 1111.

**Natural Science** (Included in the Chemistry and Physics requirements)

**Chemistry** (43 hours): CHEM 1131, 1121, 1132, 1222, 3201, 3211, 3301, 3302, 3311, 3312, 3402, 3411, 3412, 4101, 4111, 4604, 4911; three semester hours in 4991, 4992, or 4993, and four additional hours in senior chemistry courses. No more than three hours of research (CHEM 4991, 4992, 4993) may be counted toward the chemistry requirements.

**Physics** (8 hours): PHYS 2003, 2510, 2004, 2520; or 2001, 2110, 2002, 2120 (by permission).

**Fitness and Wellness** (4 hours): HPER 1100 plus two semester hours of physical activity from the following: any 1000 level PHED course; DANC 1821, 1825, 1827, 2821, 2825, 2827; MUAP 2002; THEA 2501; AERO 1111, 1112, 2211, 2212; ARMY 2115, 2120, 2110, 3110, 3120, 3130, 4110, 4120; NAVY 1100, 1104, 2204, 2206, 2000. Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120). NOTE: The College of Arts and Sciences accepts a maximum of two semester hours in physical activity courses toward the fulfillment of its degree requirements.

**Computation Intensive** (3 hours): At least one upper division course designated as computation intensive and approved by advisor. **Prerequisite:** Satisfactory completion of the General Education mathematics requirement. CHEM 3201-3211 may be counted.

**Writing Intensive** (3 hours): At least one upper division course designated as writing intensive and approved by advisor. **Prerequisite:** Satisfactory completion of the General Education English composition requirement. CHEM 4993 may be counted.

**Integrative** (3 hours): At least one upper division course designated as integrative and approved by advisor. **Prerequisite:** Satisfactory completion of General Education English composition, oral communication, and mathematics requirements.

**Computer Literacy:** This requirement may be satisfied by taking COMP 1200, by a course of study approved by the dean, or by passing the university-approved computer literacy examination.

## COURSES NOT APPLICABLE TOWARD B.A., B.S., AND B.S.Ch. DEGREES

CHEM 1100 and MATH 0990 may not be used to fulfill the 132-hour minimum required for degrees offered through The College of Arts and Sciences. However, credit hours in these courses are included in the total hours earned and in the quality point average.

## DEPARTMENTAL REQUIREMENTS FOR MAJORS AND MINORS

Listed below are the specific course requirements for all majors and minors offered in The College of Arts and Sciences. A minimum grade of C is required in every course applicable toward a major or minor (including corequisites), except in beginning courses and in sophomore English.

Every student should be aware that the mere completion of courses outlined below with a grade of C or better does not guarantee classification as a major or minor in the discipline concerned; the student must be recommended by the chair of the department in which the major or minor is sought. If, in the opinion of the chair, the quality of the student's work is not high enough, additional work, the repetition of courses, or other evidences of acceptable scholarship may be required.

### ANTHROPOLOGY

**The Major:** 30 semester hours in anthropology courses including ANTH 1100 or 1300, 1200, 3200, 4065; and 18 additional semester hours, at least 6 of which must be at the 4000 level.

**The Minor:** 18 semester hours in anthropology courses including ANTH 1100 or 1300, 1200, 3200, and 4065.

#### Honors Program:

The Department of Anthropology offers an honors program in anthropology to the superior anthropology student who desires a more intensive approach to and knowledge of the discipline, a deeper understanding of research skills, and an opportunity for original criticism and analysis. To be eligible a student must (a) have the approval of the Departmental Honors Committee, (b) be an anthropology major, (c) have attained at least junior standing, (d) have completed successfully ANTH 1100 or 1300, 1200, and one upper-division anthropology course, (e) maintained a cumulative grade point average of at least 3.00 in overall studies, (f) maintained a cumulative grade point average of at least 3.25 in anthropology, (g) completion of four honors courses in anthropology (at least one of which must be an independent

study culminating in a research paper/thesis or research report) and a minimum of six hours in honors courses outside anthropology. Those students who complete the program and the regular college requirements will be recognized at the commencement ceremony by having their degree conferred, "With Honors in Anthropology." Moreover the student's diploma and the record at The University of Memphis will reflect this accomplishment. Details of the program are available at the Department of Anthropology office.

### BIOLOGY

Students must earn a grade of at least C in all biology courses applied toward the major or the minor and in all required chemistry courses. Students must complete BIOL 1151, 1152, 1161 and 1162, before enrolling in any upper division courses.

**The Major:** (52 hours) 36 hours in biology courses and 16 hours in chemistry courses as outlined: BIOL 1151, 1152, 1161, 1162, 3050, 3072, 3073; one of BIOL 3030 or 3230 or 3720; one of BIOL 3130 or 3551; and 3555; 11 additional upper division hours in biology courses approved by the department; and CHEM 1121, 1122, 1311, 1132, 3301, 3302, 3311, and 3312.

**The Minor:** 18 semester hours in biology courses including BIOL 1151, 1152, 1161, 1162 and 10 upper division hours.

### CHEMISTRY

(The requirements listed below are for majors and minors for the Bachelor of Arts or Bachelor of Science degrees; for detailed requirements for the Bachelor of Science in Chemistry, a professional degree, see degree requirements described earlier in this section.)

#### CHEMISTRY

**NOTE:** Students must complete CHEM 1121, 1122, 1131, 1132 before enrolling in any upper division course applied toward the major or the minor.

**The Major** (50-52 hours): 32 hours in chemistry courses, 10-12 hours in mathematics courses, and 8 hours in physics courses as outlined below: CHEM 1121, 1122, 1131, 1132, 3201 [C], 3211, 3301, 3302, 3311, 3312, and sufficient additional upper division semester hours. No more than three credit hours of research (CHEM 4991, 4992, 4993 [W]) may be counted toward the chemistry requirements.

**MATH** 3321, and two of the following courses: MATH 2321, 2322, 4611, COMP 4001.

**PHYS** 2003/2510, 2004/2520 (or 2001/2110, 2002/2120 if approved by the chair of the Department of Chemistry).

**The Minor:** 20 semester hours in chemistry courses, including CHEM 1121, 1122, 1131, 1132, 3301, 3302, 3311, 3312, and four upper division semester hours.

**Honors Program:** The department collaborates with the University Honors Program, where majors may earn *Interdisciplinary Liberal Arts Honors with an Emphasis in Chemistry*. Work in the major consists of a special project and a discipline based Honors thesis. For additional requirements and more information on Interdisciplinary Liberal Arts Honors, see the description under the University Honors Program entry in the *Independent Programs* section of this catalog.

### COMPUTER SCIENCE

**The Major:** 58 to 60 semester hours consisting of MATH 1321, 2321, 2701, 3242 [C], 4614; COMP 1100, 2150, 3160, 3230, 3420, 4030, 4040 [W], 4270 and an elective sequence that is a coherent package of 17-19 hours of computer-oriented courses designed by the student and the faculty advisor and approved by the Computer Science faculty. PHYS 2003/2510, 2004/2520 are required for the natural science requirement sequence, and ECON 2120 is strongly recommended as part of the social science requirement for the B.S. degree. This major is offered through the Department of Mathematical Sciences.

**The Minor:** 21 semester hours in computer science courses, including COMP 1900, 2150, 3230, 3420 and 9 additional upper division semester hours.

### CRIMINOLOGY AND CRIMINAL JUSTICE

**The Major:** 36 semester hours of criminology and criminal justice including CJUS 1100, 3126, 3129

[C], 3510, 3521, 3541 and 4110 [J, W], plus either (1) 15 additional upper division hours in criminology and criminal justice, or (2) 12 additional upper division hours in criminology and criminal justice and 2110 as approved by the departmental advisor.

*The Minor:* 18 hours in criminal justice courses including CJUS 1100, 3521, 3541, and 3510.

#### Honors Program:

The department collaborates with the University Honors Program, in which majors may earn *Interdisciplinary Liberal Arts Honors with an Emphasis in Criminology and Criminal Justice*. Work in the major consists of a special project and a discipline-based Honors thesis. For additional requirements, consult information on *Interdisciplinary Liberal Arts Honors*, see the description under the University Honors Program entry in the *Independent Programs* section of this catalog.

## ECONOMICS

*The Major:* 30 semester hours, including ECON 2110, 2120, 3310, 3320, 4920, and 15 additional upper division semester hours in economics courses as approved by the department advisor.

*The Minor:* 18 semester hours in economics courses, including ECON 2110, 2120, and twelve additional upper division hours as approved by the department advisor.

#### Honors Program:

All students who receive a grade of B or better in ECON 2110 or 2120 honors sections are eligible for the honors program. Entry to the program can also be obtained through the recommendation of a member of the faculty to the Economics Department Honors Committee. A student must maintain an average grade of at least 3.25 in economics to continue in the program and must have an average grade of 3.5 or better in economics to graduate with honors in economics.

Honor students take special courses during the junior and senior years, particularly the honors sections of ECON 3310 and 3320, and write a senior research paper. Those students who complete the program and the regular college requirements will be recognized at the commencement ceremony by having their degree conferred "With Honors in Economics." Moreover, the student's diploma and the record at The University of Memphis will reflect this accomplishment. Details of the program are available in the Economics Department office.

## ENGLISH

*The Major:* 36 semester hours in English courses (chosen with approval of departmental advisor) including ENGL 1101, 1102, 2201 or 2202; 3210, 3220, 3321; one course from ENGL 3501, 3511, 3701, 4501, 4604, 4605; and completion of the requirements in one of the following concentrations:

**Literature:** 12 semester hours in courses chosen from ENGL 3100-3323, 3701, 4001-4461, 4511 or 4711-4901 (only in literature); and 3 upper division elective hours in English courses.

**Creative Writing:** 12 semester hours in courses chosen from ENGL 3605, 4601, 4603, 4604, 4605, 4900 (only in writing); and 3 upper division elective hours in English courses.

**Professional Writing:** 12 semester hours in courses chosen from ENGL 3601, 3602, 3603, 3604, 4100-09 (only in professional writing), 4602, 4603, 4616, 4900 (only in writing); and 3 upper division elective hours in English courses.

**Language and Linguistics:** 12 semester hours in courses chosen from ENGL 3501, 3511, 3521, 4501-4521, 4540-4550, 4900 (only in language); and 3 upper division elective hours in English courses.

**English as A Second Language:** 12 semester hours in courses chosen from ENGL 4530, 4531, 4532, 4900 (only in ESL) and a maximum of 6 semester hours in courses listed under the Language and Linguistics concentration above; and 3 upper division elective hours in English courses.

**NOTE:** No more than a total of six (6) hours in ENGL 3100-09, ENGL 4100-09, and ENGL 4900 may be applied to the English major.

Students should see English advisors, who will explain the advantages of the various concentrations and assist students in developing an appropriate program.

*The Minor:* 12 upper division semester hours in English.

**NOTE:** Students who wish to satisfy the requirements for both the English major and the endorsement to teach English in high school should consult the College of Education for licensure requirements.

Students who intend to pursue graduate studies in English are strongly advised to elect courses that will ensure a comprehensive overview of the major figures and movements in British and American literature and of modern language theory.

#### Honors Program:

Freshman students with high ACT scores are issued invitations to participate in the honors program, which is open to all qualified students during the freshman and sophomore years. During the junior and senior years, it is restricted to English majors; students are eligible to apply for admission to the program if they have a grade point average of 3.25 in their overall studies and in English. Honor students take special courses during the junior and senior years and write a senior research paper. Those students who complete the program and the regular college requirements will be recognized at the commencement ceremony by having their degree conferred "With Honors in English." Moreover, the student's diploma and the record at The University of Memphis will reflect this distinction. Details of the program are available at the English Department office.

The department cooperates with the University Honors Program, where majors may earn *Interdisciplinary Liberal Arts Honors* as described in the *Independent Programs* section of this catalog, in addition to Honors in English.

## ENVIRONMENTAL STUDIES

### INTERDISCIPLINARY ENVIRONMENTAL STUDIES MINOR

The Interdisciplinary Environmental Studies Minor Program is intended to provide all students with the opportunity to obtain a broad-based knowledge of the environmental issues facing our planet, knowledge that spans both the biological-physical threats and solutions as well as the behavioral-social-economic implications. One core course (INTD 2100—*Living in the Environment*) is required of all students.

*The Minor:* The student must pass INTD 2100 with a grade of "C" or better and complete 5 additional environmentally related courses (15-20 semester hours) from the two groups of courses listed below as approved by the university's Environmental Research, Issues, and Program Committee (ERICP). At least 2 courses must be selected from each group and 5 courses from 4 different departments.

**GROUP 1: BIOLOGICAL-PHYSICAL EMPHASIS:** BIOL 3050, 4002, 4050, 4055, 4100, 4450, 4604; CHEM 4001; CIVL 4143, 4144; GEOG 3221, 4201, 4231, 4251; GEOL 4342, INTD 4100-4110.

**GROUP 2: SOCIO-BEHAVIORAL EMPHASIS:** ANTH 4111, 4255, 4381; ICL 4601; ECON 4260; JOUR 4830, PSYC 3501; RECR 3203; INTD 4120-4130.

**NOTE:** If a faculty member wishes for a course such as a Special Topics course to be included in the Interdisciplinary Environmental Minor in a given semester, then, with the approval of the ERICP, the course may be offered within the instructor's department or as either INTD 4100-4110 or INTD 4120, whichever is appropriate. Students taking ERICP-approved courses that do not appear in the catalog will be given a letter to present to their graduation analyst indicating that those courses have been approved. Information pertaining to the minor and other environmental initiatives may be obtained in 213 Mitchell Hall (901-678-2253).

## FOREIGN LANGUAGES

*The Major:* Successful completion of one of the following concentrations: (1) A single-language concentration in French, German, Latin, Russian or Spanish; 24 upper division semester hours.

(2) A two-language concentration chosen from French, German, Latin, Russian, and Spanish; 27 upper division semester hours with a minimum of 9 semester hours in each language.

(3) A three-language concentration: All three language concentrations require prior consultation with the approval of the department chair. Plans will normally include at least 33 upper division semester hours to include at least 12 semester hours in each of two languages plus approved course work in a third language.

**NOTE:** Majors are encouraged to take *Literary Criticism*, LALI 4890, as an Integrative course.

**NOTE:** With the approval of the Head of the Classics Section, up to 6 credit hours in upper division Classics courses may be applied toward a concentration in Greek or Latin.

Any major in Foreign Languages may earn a collateral minor in International Business. These Foreign Language majors should take the following sequences of upper division courses: Advanced Conversation and Composition (6 hours) and the two courses for Commerce given by the individual languages. Students will have a minimum of six more credits to be taken from other upper division courses.

The minor in International Business will have at least 18 semester hours within the Fogelman College of Business and Economics. Notice that the courses listed in the Business and Economics section are all upper division and require corresponding lower division courses. Therefore, a minor will include, normally, 9 hours from this list and another 9 hours of lower division courses taken as prerequisites. Please consult your advisor and the advisor of the International Business program regarding any matter concerning the curriculum program or graduation requirements.

*The Minor:* 18 semester hours from A and B, below:

**A.** Courses numbered 1102, 2201, and either 2202 or 2203 (or their equivalents) in the foreign language in which upper division hours are to be taken.

**B.** 9 upper division semester hours in one of the following languages: French, German, Latin, Greek, Russian, or Spanish.

\*A concentration in Russian requires a collateral foreign language concentration or a collateral major outside the Department of Foreign Languages and Literatures.

\*\*Students with a single-language concentration in Spanish must take SPAN 4410 and 4510.

## GEOGRAPHY

*The Major:* 35 semester hours in geography courses including one course from each of the core subject areas for a total of 20 hours and completion of the requirements in one of the following areas of concentration:

#### Core Requirements:

- a. Environmental and Earth Science: GEOG 1101 and 1102 (8)
- b. Human: GEOG 1401 or 340 (3)
- c. Regional: GEOG 1301 or any 43—numbered course (3)
- d. Cartography: GEOG 4503 (3)
- e. GEOG 4801(3) [J, W].

#### Concentrations:

**GEOGRAPHY:** 15 semester hours of geography with a minimum of 12 upper division hours.

**ENVIRONMENTAL AND EARTH SCIENCE:** 15 semester hours of geography with a minimum of 12 upper division hours selected from GEOG 3221, 4111, 4121, 4122, 4131, 4201, 4211, 4231, 4251.

**CARTOGRAPHY:** 15 semester hours of geography with a minimum of 12 upper division hours selected from GEOG 3501, 4502, 4503, 4510, 4511, 4514, 4524, 4531.

**METEOROLOGY:** a. *Required core* (20 semester hours): GEOG 4111, 4112, 4115[C], 4116, 4211, 4215, b. *Guided electives* (13-34 semester hours) one of the following: MATH 3931, 4611, PHYS 3011, 3111, 3112, 3510; c. *General electives:* 13-15 semester hours. In order to meet General Education requirements and to satisfy prerequisite course requirements, students must take MATH 1321, 3321, PHYS 2003, 2510.

**URBAN PLANNING:** a. *Required core* (9 semester hours): GEOG 3451, 4431, 4551; b. *Guided electives* (6 semester hours): two of the following: GEOG 3430, 4201, 4231, 4442, 4443, 4531, 4700.

*The Minor:* 20 semester hours in geography courses, at least 9 of which must be upper division hours.

## GEOLOGICAL SCIENCES

*The Major:* Students must complete GEOL 1101, 3311, 3312, 3512 [C], and 4622 [JL] and select either of the following concentrations:

**GEOLOGY:** GEOL 1102, 3211 [W], 3313, 3712, and additional upper division semester hours as approved by the advisor to a total of 36 semester hours; CHEM 1121/1311, 1122/1132; MATH 1321;

PHYS 2001/2110, 2002/2120 or PHYS 2003/2510, 2004/2520.

**GEOPHYSICS:** GEOP 4101, 4201, 4401 and additional upper division semester hours to total 36 semester hours. MATH 1321, 2321, 2322, 3391; PHYS 2003/2510, 2004/2520.

**The Minor:** A minimum of 18 semester hours in geology courses, including GEOL 1102. Six of these hours must be selected from upper division courses.

## HISTORY

**The Major:** 30 semester hours in history courses, including HIST 1301, 1302, 2601, 2602, and 18 additional upper division semester hours. Of the 18 upper division hours required for the major, a maximum of 12 may be taken in any one field (United States, Latin America, Ancient Byzantine, European, Russian, Far Eastern, African).

**The Minor:** 21 semester hours in history courses, including HIST 1301, 1302, 2601, 2602, and 9 additional upper division semester hours.

### Honors Program:

History majors who have attained junior standing, successfully completed six semester hours of lower division history, and maintained a grade point average of at least 3.25 in overall studies and in history courses taken, are eligible for admission to the honors program in history. Students admitted to the program must take 18 hours of honors work, at least 12 of which must be taken in upper division history courses after admission to the departmental program. These 12 hours must include HIST 4003 and 4996. Those who successfully complete the program and the regular B.A. requirements will have their degree conferred "With Honors in History." The student's diploma and the record at The University of Memphis will be similarly endorsed. A detailed description of the program, together with application forms for admission, may be obtained in the History Department office.

The department also collaborates with the University Honors Program, where history majors may earn *Interdisciplinary Liberal Arts Honors with an Emphasis in History*. For more information on Interdisciplinary Liberal Arts Honors, see the description under the University Honors Program entry in the *Independent Programs* section of this catalog.

## INTERNATIONAL RELATIONS

The International Relations program provides the opportunity to bring the knowledge of several traditional disciplines to bear upon a focal point of human relationships and problems that cross national and cultural boundaries. The program is designed to serve the student who seeks knowledge of the range of contemporary and possible future problems which confront international society and an understanding of alternative national and cultural perspectives on solutions to those problems. The program also serves the needs of students planning a career in the Foreign Service or related agencies of the federal government and students preparing for employment abroad in the private sector, or in international organizations, private or public.

International Relations is offered as a major only. The program emphasis is on the course work in history, political science, economics, and geography, with contributions from other social science disciplines and art. Within the program, the student is required to concentrate a part of the work in the field of American foreign policy or in one of five areas of the world. Students are encouraged to pursue the study of a foreign language and to seek opportunities for travel and study abroad. The student's program should be planned in consultation with the Coordinator of International Relations. Course requirements are listed below.

**The Major:** 33 semester hours, including ECON 4350; POLS 2501 and 4508; HIST 4260; INTL 4601; at least one course in International Political Processes (POLS 3505, 4501, or 4504); at least one course in International Economic Processes (ECON 3580 or 4340; GEOG 3430, or POLS 4510); at least one course in International Development Processes (HIST 3721, ECON 3580, or SOCI 2100); and three courses, in at least two disciplines, from one of the following areas of concentration:

(a) *American Foreign Policy:* HIST 3803, 3811; POLS 2301, 3506, 3508, 4506.

(b) *Western Europe:* GEOG 4304; HIST 3302, 3506, 4145, 4441; POLS 3302.

(c) *Latin America:* ANTH 2332; ART 4162; GEOG 4324, 4325; HIST 3212; POLS 3306.

(d) *Asia:* GEOG 4306; HIST 3291, 4292, 4294, 4295; PHIL 3721; POLS 4307.

(e) *Soviet Union:* GEOG 4305; HIST 4162; POLS 4305, 4502.

(f) *Africa and the Middle East:* ANTH 3242; HIST 3271, 4281, 4282, 4283; POLS 3304, 3309.

**NOTE:** The student electing the major in International Relations is advised to take the following courses to insure that he has an adequate background for the required courses in the major: ECON 2110, HIST 1301, 1302; INTL 1101, 1102.

## LEGAL THOUGHT AND LIBERAL ARTS

### INTERDISCIPLINARY MINOR

The minor, Legal Thought and Liberal Arts, is designed to provide an interdisciplinary liberal arts program for students who intend to enter the legal profession. The minor will be of particular benefit to pre-law students whose majors are more professional in nature and who are not exposed to the broader liberal arts curriculum. Students will be introduced to major intellectual traditions of the West and to ethical, social, and economic issues of significance to our time. The courses in the minor require that students read critically, think logically, and write clearly. A prerequisite of persons in the legal profession. Students wishing to minor in Legal Thought and Liberal Arts should contact the pre-law advisor in room 207 of Mitchell Hall.

**The Minor:** 18 semester hours of required courses and electives:

**A. Required Core Course:** PHIL 1611 and one of the following:

ENGL 3604, 4231, 4233, 4234.

**B. Electives:** Select one course from each of the following groups:

(1) Historical Context of the Law: HIST 3121, 3506, 3840.

(2) Economic Context of the Law: ECON 2110, 1121, 1122, 1130.

(3) Theoretical Foundations of Jurisprudence: PHIL 3511, 4511; POLS 3401, 3402, 3405.

(4) Practical Foundations of Jurisprudence: CJUS 3510; POLS 4212, 4405.

## MATHEMATICAL SCIENCES

**The Major:** 41-42 semester hours, including 36 semester hours in MATH courses, including MATH 1321, 2321, 2322, 2701, and 3242 [C] (majors are encouraged to consider the departmental honors program described below); plus the following courses applicable to degree requirements: CHEM 1121, 1122, 1131, and 1132 or PHYS 2510, 2520 and 2003, 2004; and completion of one of the following two concentrations:

**MATHEMATICS (21-22 hours):** COMP 1900 or COMP 4001 and 18 semester hours of upper division courses (excluding MATH 4999) with departmental approval. The following are examples of approved course selections:

*For students interested in applied mathematics:* MATH 3391, 4391, 4635, 4721, and six upper division hours from the following: MATH 3221, 4242, 4261, 4271, 4350 [W], 4351, 4361, 4381, 4392, 4640, 4741.

*For students interested in general mathematics:* MATH 3391, 4350 [W], 4261, 4635, and six upper division hours from the following: MATH 3221, 4242, 4271, 4351, 4361, 4381, 4391, 4411, 4636 [W], 4711, 4741.

*For students interested in graduate study in mathematics:* MATH 4261, 4350 [W], three courses from the list: MATH 4242, 4351, 4401, 4402, and one additional course from the following: MATH 3221, 4242, 4271, 4351, 4361, 4381, 4390, 4391, 4411, 4635, 4711, 4741.

*For students seeking teacher licensure in secondary mathematics:* MATH 3221, 3581, 4151, 4261, 4635, and either MATH 4636 [W] or 4637.

**NOTE:** All approved programs must differ from the statistics concentration by at least nine semester hours. Students are encouraged to work with their advisors to plan their programs.

**STATISTICS (21 semester hours):** COMP 4001, MATH 4635, 4636 [W], 4637, 4640, and six upper division hours from the following: MATH 3391, 4242, 4261, 4271, 4350 [W], 4351, 4361, 4381, 4390, 4391, 4721, 4741.

**The Minor:** A minimum of 18 semester hours, including MATH 1321 (4), 2321 (4), 2322 (or MATH 1401, 2242, 2401/4), plus six additional upper division semester hours in MATH courses.

**Honors Program:** The Department of Mathematical Sciences offers an honors program in Mathematics and Statistics for the talented student. The student must satisfy the following course requirements with a minimum GPA of 3.50 in all MATH courses: The major with honors in Mathematical Sciences, 37 semester hours in MATH courses, including MATH 1401, 1402, 2401, 3402, 4402; plus the following courses applicable to the degree: CHEM 1121, 1122, 1131, 1132, or PHYS 2510, 2520, and 2003, 2004; and completion of one of the two areas of concentration described above.

Those students who complete the program and the regular college requirements will be recognized at the commencement ceremony by having their degrees conferred *With Honors in Mathematical Sciences*. Moreover, the student's diploma and record at The University of Memphis will reflect this distinction.

## PHILOSOPHY

**The Major:** 30 semester hours in philosophy courses, including PHIL 1101 or 1102, 1611, 3001, 3002, 3411 or 3511 [W] and 15 additional upper division semester hours.

**The Minor:** 18 semester hours in philosophy courses, including PHIL 1101 or 1102, 1611, and 12 upper division semester hours. In consultation with the coordinator of undergraduate studies in philosophy, a student may design a minor (18 hours) that applies to the student's major area of study.

### Honors Program:

This program is open to philosophy majors with a 3.0 overall average and a 3.5 average in philosophy. The student will complete, with a grade of C or better, a thesis submitted for review in PHIL 4891. The thesis topic must be approved by the thesis director before the student registers for PHIL 4891.

Those students who complete the program and the regular college requirements will be recognized at the commencement ceremony by having their degrees conferred *With Honors in Philosophy*. Moreover, the student's diploma and record at The University of Memphis will reflect this distinction.

## PHYSICS

**The Major (60 hours):** 37 hours in physics courses, 8 hours in chemistry courses, and 15 hours in mathematics courses as outlined below: PHYS 2004, 2510, 2520 (PHYS 2001, 2002, 2110, 2120 are acceptable but not recommended); PHYS 3010, 3011, 3111, 3211, 3610, 3611, 4510, 4211, 4410, and six additional upper division hours of electives: CHEM 1121, 1122, 1131, 1132. MATH 1321, 2321, 2322, 3391, or equivalent courses.

**The Minor:** 20 semester hours in physics courses, including PHYS 2003, 2004, 2510, 2520 (PHYS 2001, 2002, 2110, 2120 are acceptable but not recommended), and twelve additional upper division hours.

## POLITICAL SCIENCE

**The Major:** 33 semester hours in political science courses, including POLS 1100, 1101, 2301, 2501, and a minimum of 21 semester hours in upper division courses distributed across at least three of the following areas: American Government, Public Law, Political Theory, International Relations, Comparative Politics, and Research Methods. Only 9 semester hours of internship courses may be counted toward the 33 semester hour requirement.

**NOTE:** Any major in Political Science may earn a second major in International Studies. Political Science courses in international relations and comparative government fulfill requirements for both

the political science major and the major in international relations within the international studies program.

#### The Minors:

**POLITICAL SCIENCE:** 18 semester hours in political science courses, including POLS 1100; 1101 or 2301 or 2501; and 12 additional semester hours, 9 of which must be in upper division courses. Only 8 semester hours of internship courses may be counted toward the 18 semester hour requirement.

**PUBLIC ADMINISTRATION:** 18 semester hours in political science courses including POLS 1100, 3601 [W], and 12 additional semester hours to be selected from the following: POLS 3211, 3213, 4221, 4224, 4231, 4604, and 4702. Only 6 semester hours of internship courses may be counted toward the 18 semester hour requirement.

#### Honors Program:

The department offers an honors program to qualified majors who choose to pursue a more sophisticated knowledge of the discipline, a more rigorous level of analysis, and a deeper understanding of politics. Students who have completed 55 hours of course work (with at least 9 hours in Political Science) and have a minimum over-all grade point average of 3.0 (with a minimum in Political Science of 3.25), or who can present equivalent qualifications, are invited to apply for admission to the program. The program requires 18 hours of honors course work, 12 or more of which must be upper-division Political Science

courses, and minimum final grade point averages of 3.00 overall, 3.25 in Political Science, and 3.25 in honors coursework. Those students who complete the program and the regular college requirements will be recognized at the commencement ceremony by having their degrees conferred "With Honors in Political Science." Moreover, the student's diploma and the record at The University of Memphis will reflect this distinction. Details of the program are available in the Political Science Office.

The department also collaborates with the University Honors Program, where majors may earn *Interdisciplinary Liberal Arts Honors with an Emphasis in Political Science*. Students may pursue this program instead of departmental honors or in addition to departmental honors. For more information on *Interdisciplinary Liberal Arts Honors*, see the description under the University Honors Program in the *Independent Programs* section of this catalog.

## PSYCHOLOGY

**The Major:** 35 semester hours in psychology courses, including PSYC 1101, 1102, 3001 (4) [C], 3002 (4) [W], 4101 [I]; at least two courses from each of the 3100 and 3300 series, and one from the 3500 series; and 3 additional hours at the 3000 level or above.

**The Minor:** 20 semester hours in psychology, including PSYC 1101, 1102, 3001 (or equivalent), 3002, and 6 additional hours at or above the 3000 level.

## SOCIOLOGY AND SOCIAL WORK

### SOCIOLOGY

**The Major:** 30 semester hours in sociology, including SOCI 1111, 3311 [C], 3322, 4210 or 4211.

#### The Minor:

**SOCIOLOGY:** 18 semester hours in sociology, including SOCI 1111.

### SOCIAL WORK

**The Major:** 34 semester hours including SWRK 2911, 3901, 3902, 3903, 3904, 3905, 3930, 4830, 4831, 4840 [I], 4841 [I], 4932, and one upper division course in social research. BIOL 1051/1052 and SOCI 3311 [C] are required.

**The Minor:** 18 semester hours in sociology and social work courses, including SWRK 2911, 3901, 3902, and 9 additional upper division semester hours in social work courses.

**NOTE:** The B.A. degree in Social Work program is accredited by the Council on Social Work Education and is designed to prepare students for beginning professional practice. This curriculum also provides a strong foundation for students wishing to pursue study at the graduate level. Social service experience may not be substituted for any social work course. All social work majors are required to have a social work faculty advisor. The Social Work degree is granted only to students who have successfully completed the program in its entirety.

## Arts and Sciences Course Descriptions

### ANTHROPOLOGY

ASSOCIATE PROFESSOR

STANLEY HYLAND, *Chair*

Room 129, Clement Hall

### EO10 ANTHROPOLOGY (ANTH)

**1100. Human Origins and Variation.** (3). Biological basis for understanding of humans; fossil record and origins of humans, human society and culture; primate models and human behavior today; race and other human variation today. [G].

**1200. Cultural Anthropology.** (3). Origin and development of human culture. Social relations, language, government, religion and ritual, and problems of developing nations or minority groups in modern world. [G].

**1300. Heritage of World Civilizations: pre-A.D. 1500.** (3). Introduction to methods and principles of archaeology and cultural anthropology. Origin and early development of the major civilizations of the world, with emphasis on the evolution and interrelationships of basic institutions of civil society.

**3035. Indians of the Mid-South.** (3). Archaeology and ethnology of Southeast; intensive study of various Indian cultures of Tennessee and bordering states.

**3111. Human Paleontology.** (3). Hominid fossil record starting with primate developments; human evolution; human osteology.

**3200. Peoples and Cultures of the World.** (3). (Same as GEOG 3200). Major ethnographic areas and selected cultures of the world.

**3225. Qualitative Methods of Field Research.** (3). Various qualitative methods of anthropological research. Application in collecting life histories and writing ethnographic descriptions of contemporary societies. [W].

**3231. Indians of North America.** (3). Description and distribution of aboriginal culture types of North America north of Mexico; comparisons and interrelationships during pre- and post-contact periods.

**3232. Peoples of Latin America.** (3). Description and distribution of peoples and cultures of South

America and Mesoamerica; comparisons and interrelationships during pre- and post-contact periods.

**3242. Peoples of Africa.** (3). Description and distribution of peoples and cultures of Africa; comparisons and interrelationships during pre- and post-contact periods.

**3272. Peoples of the South Pacific.** (3). Description of peoples and cultures of Oceania (including Australia); comparisons and interrelationships during pre- and post-contact periods.

**3282. Cultural History of American Communities.** (3). Cultural historic interpretation of formation, development and transformation of diverse community life-patterns in America; emphasis on analysis of community as it reflects change in settlement patterns, kinship networks, political, religious, economic and value systems in American society. [G].

**3300. The Ascent to Civilization.** (3). (Same as HIST 3300). Interdisciplinary integrative examination of nature of civilization through investigation of origins of civilization and comparative study of world's earliest civilizations. **PREREQUISITE:** hours of anthropology and/or history including either ANTH 1100 or HIST 1301. [I]

**3332. Archaeology of Latin America.** (3). Description and distribution of prehistoric cultural remains in South America and Mesoamerica, with emphasis on Mexico and Peru.

**3342. Archaeology of Africa.** (3). Description and distribution of archaeological remains in Africa; major regional sequences, extending from earliest evidences of human occupation until historic times. Emphasis on cultural achievements of pre-colonial Africa.

**3351. Archaeology of Europe and Asia.** (3). European and Asian cultures from first humans to early civilizations.

**3511. Culture, Kin and Family.** (3). Changing structure of family in Western and non-Western societies; cross-cultural approaches to mate selection, courtship rituals, kinship, organizations, institution of marriage, division of labor and authority in household, and childbearing; variation and flexibility in family structures as adaptive strategies for environmental, social and cultural change.

**3711. Culture and Technology.** (3). Anthropological survey of development of technology and its impact on organization of industry and work from

prehistoric through post-industrial societies. Consideration of such current issues as public control of technology, labor market segmentation, and quality of working life, in context of comparative analysis of both pre-industrial and industrial societies.

**3721. Peasants in the World Economy.** (3). Cross-cultural survey of state and global societies as they influence peasants in different regions; technological, environmental, economic, political and interpersonal factors shaping peasant livelihood, social organization, culture and worldview; national and international forces of change in relation to role of anthropology in development.

**4051-6051. Anthropology and Education.** (3). Advanced study of cultural transmission process with emphasis on identifying differing behavioral, cognitive and learning styles of various ethnic groups within American society and selected third world countries. Encounters of U.S. subcultural groups with public education system. **PREREQUISITE:** permission of instructor.

**4065-6065. Contemporary Anthropological Theory.** (3). Contemporary growth of theories and methods in anthropology.

**4111-6111 . Human Adaptations.** (3). Human populations and their variability, examination of human adaptations in locomotion and manipulation, facial structure, brain and language, and reproduction; comparisons to anatomy, physiology, and behavior of other primates.

**4251-6251. Psychological Anthropology.** (3). (4751). Comparison of factors involved in analysis of personality as contrasted to culture; interaction of these factors; problems of studying personality cross-culturally.

**4252-6252. Economic Anthropology.** (3). Comparative analysis of economic systems and their functional relationships to other cultural institutions; production, distribution, and consumption; concepts of wealth, value, property, and ownership.

**4253-6253. Anthropology of Religion.** (3). Comparative analysis of religious systems and their functional relationships to other cultural institutions; interrelations of myth, magic, and ritual; types of religious institutions and religious practitioners.

**4255-6255. Applied Anthropology and Development.** (3). Cross-cultural review of processes of change, grassroots development and planning in the

industrialized world, models of change, specializations in applied anthropology, and development of public policy on international issues of housing, education, health and economic development.

**4260. Field Problems in Research.** (3). Application of social science knowledge and methods to research projects in local community or region; development of individual projects according to student's concentration, or work in cooperation with social and human services agencies and other community organizations.

**4301-6301. Archaeology of North America.** (3). (3331). Description and distribution of prehistoric cultural remains in North America north of Mexico. Major regional sequences, extending from the earliest evidences of human occupation until historic times.

**4325-6325. Archaeological Field Techniques.** (3). Instruction in field excavation, specimen preparation, use of survey instruments and photography, map making, archaeological record keeping. May be repeated for a maximum of 6 hours credit. **PREREQUISITE:** permission of instructor.

**4326-6326. Archaeological Laboratory Analysis.** (3). Methods and techniques of archaeology laboratory; emphasis on preparation of artifacts and records for interpretation and curation. May be repeated for a maximum of 6 hours credit. **PREREQUISITE:** permission of instructor.

**4330-39-6330-39. Special Topics in Archaeology.** (3). Analysis of selected topics in archaeology. May be repeated for maximum of six hours credit.

**4351-6351. Evolution of Civilization.** (3). Comparative investigation of origins of civilization in Old and New Worlds. Development and study of models to explain cultural, social, political, and other changes that lead to and define civilization.

**4360-6360. Environmental Reconstruction.** (3). Advanced study of cultural ecology in past environmental regimes. Emphasis on interdisciplinary approach to extinct social systems and their relationship with environment.

**4370-6370. Historic Archaeology.** (3). Review of contributions of archaeologists to historical research. Methods and techniques of archaeologists as required and modified by excavation and interpretation of historic materials. Allied specialties unique to Historic Archaeology including documentary investigations and conservation and restoration of existing structures.

**4380-6380. Museums in Society.** (3). (Same as ART 4380). History of museums and how they function in society. Development of major collections and role of museums as centers of research and education and as interpreters of social values.

**4382-6382. Professional Practices In Museums.** (3). (Same as ART 4382). Basic aspects of museum organization. Roles of director and trustees; responsibilities of professional staff including registrars and curators; and scope of museum education programs. Features presentations by museum professionals. [W].

**4411-6411. Urban Anthropology.** (3). Anthropological studies of pre-industrial and industrial cities. Urbanization, movements of social transformation and other processes of adjustment to urban milieu. Urban slums, ethnic enclaves and housing developments in cross-cultural perspective. Urban kinship and social organization. Urban community development. Urban research techniques.

**4420-6420. American Folklore.** (3). Selected genres of American folklore, including folk religion and belief, folk medicine, folksong and music, narrative and humor (jokes and riddles). Comparisons to other cultures. Emphasis on role of folklore in maintenance of tradition, in social change, and in concept of culture.

**4511-6511. Medical Anthropology.** (3). Cross-cultural analysis of bio-behavioral components of infectious, nutritional, genetic, chronic and psychiatric diseases. Individual and cultural reactions to medical care, professionals and health care delivery systems.

**4521-6521. Folk Medicine In the U.S.** (3). Medical alternatives to standard health care system. Con-

cepts of illness associated with such practices as use of medicinal plants, faith healing, chiropractic. Clinical effectiveness of folk herbal medicine and psychotherapy. Health professional's role in caring for persons with different perceptions of health and disease emphasized.

**4531-6531. Alcohol, Culture, and Biology.** (3). Cross-cultural comparison of beliefs, rituals, meaning of alcohol consumption and alcoholism. Examination of biological and cultural evidence for development of alcohol related problems. Implications for prevention, early intervention, and treatment.

**4541-6541. Nutritional Anthropology.** (3). Human nutrition in cross-cultural perspective. Basic nutritional requirements. Interrelations of dietary behavior with resource availability and with cultural attitudes regarding nutritive and health values for foods. Dietary aspects of acculturation and culture change. Methodology in assessment of nutritional status and nutritional insufficiencies. Exemplary case studies.

**4551-6551. Culture and Childbirth.** (3). Review of biological, environmental, social and cultural factors influencing human reproduction; individual, community and clinical approaches to fertility, birth control, pregnancy, birth and post-partum care; alternative delivery systems.

**4561-6561. Cultural Context of Deviant Behavior.** (3). Reviews perceptions of normality in different societies, cultural definitions of and responses to deviance, promotion and discouragement of inappropriate behavior; evaluates mental illness, violence, drug abuse, cannibalism, suicide, sexual practices and everyday behavior in relation to cultural definitions of normality.

**4975. Directed Individual Readings.** (1-4). Intensive guided survey of anthropological and related literature dealing with topics selected by advanced students and accepted by staff. Compilation, synthesis, and evaluation of published data; preparation for students considering anthropology as a profession. **PREREQUISITE:** permission of chair and designated staff.

**4985. Directed Individual Research.** (1-3). Intensive guided survey of original data, in areas selected by advanced students and accepted by staff. Collection and/or processing of data in physical anthropology, ethnology, applied and urban anthropology, archaeology, and linguistics; description, classification, analysis, and synthesis. Preparation for publication. **PREREQUISITE:** permission of chair and designated staff.

**4990-99. Special Topics in Anthropology.** (3). May be repeated for credit when topic varies.

## BIOLOGY

ASSOCIATE PROFESSOR

## ADVANCED PLACEMENT

Beginning freshmen who have completed an advanced biology course in high school may apply to the chair of the Department of Biology during the semester preceding enrollment for advanced placement.

### E060 BIOLOGY (BIOL)

**1051. A Human Perspective I.** (3). (1101). A study of the biosphere and structure and function of its plants and animals. **NOTE:** Credit will not apply toward a major or minor in the sciences, nor will it satisfy any part of science requirements in pre-professional curricula. *Three lecture hours per week.* [G].

**1052. A Human Perspective Laboratory I.** (1). (1101 lab). Laboratory observations, demonstrations and experiments designed to apply scientific methods to lecture subjects. *Two laboratory hours per week.* **PREREQUISITE OR COREQUISITE:** BIOL 1051. [G].

**1061. A Human Perspective II.** (3). (1102). Continuation of study of our biosphere with emphasis on

organisms and continuity and diversity of species. **NOTE:** Credit will not apply toward a major or minor in the sciences, nor will it satisfy any part of science requirements in pre-professional curricula. *Three lecture hours per week.* **PREREQUISITE:** BIOL 1051. [G].

**1062. A Human Perspective Laboratory II.** (1). (1102 lab). Laboratory observations, demonstrations and experiments designed to apply scientific methods to lecture subjects. *Two laboratory hours per week.* **PREREQUISITE OR COREQUISITE:** BIOL 1061. [G].

**1110. Introduction to Toxicology.** (2). Survey of field of toxicology; interdisciplinary aspects.

**1151. General Biology I.** (3). (1111). Unifying principles of biology with emphasis on cell structure, cell function, heredity, development and evolution. *Three lecture hours per week.* [G].

**1152. General Biology Laboratory I.** (1). (1111 lab). Laboratory observations, demonstrations and experiments designed to apply scientific methods to lecture subjects. *Two laboratory hours per week.* **PREREQUISITE OR COREQUISITE:** BIOL 1151. [G].

**1161. General Biology II.** (3). (1112). Continuation of BIOL 1151 with emphasis on origin and diversity of life; structure, functions, and ecology of organisms. *Three lecture hours per week.* [G].

**1162. General Biology Laboratory II.** (1). (1112 lab). Laboratory observations, demonstrations and experiments designed to apply scientific methods to lecture subjects. *Two laboratory hours per week.* **PREREQUISITE OR COREQUISITE:** BIOL 1161. [G].

**1451. Microbiology.** (3). (1400). Microorganisms and their basic characteristics with emphasis on relationship to pathogenesis and disease prevention. Credit not acceptable for Biology major or minor. *Three lecture hours per week.*

**1452. Microbiology Laboratory.** (1). (1400 lab). Laboratory observations, demonstrations and experiments designed to apply scientific methods to lecture subjects. *Two laboratory hours per week.* **PREREQUISITE OR COREQUISITE:** BIOL 1451.

**1751. Anatomy and Physiology I.** (3). (1731). Detailed study of structure and functions of human organism. Credit not acceptable for Biology major or minor. *Three lecture hours per week.*

**1752. Anatomy and Physiology Laboratory I.** (1). (1731 lab). Laboratory observations, demonstrations and experiments designed to apply scientific methods to lecture subjects. *Two laboratory hours per week.* **PREREQUISITE OR COREQUISITE:** BIOL 1751.

**1761. Anatomy and Physiology II.** (3). (1732). Continuation of BIOL 1751. Credit not acceptable for Biology major or minor. *Three lecture hours per week.*

**1762. Anatomy and Physiology Laboratory II.** (1). (1732 lab). Laboratory observations, demonstrations and experiments designed to apply scientific methods to lecture subjects. *Two laboratory hours per week.* **PREREQUISITE OR COREQUISITE:** BIOL 1761.

**3030. Principles of Animal Physiology.** (4). Basic concepts of animal function, including study of many invertebrate phyla and most classes of vertebrate organisms. *Two lecture, four laboratory hours per week.* **PREREQUISITE:** 8 hours of animal biology or equivalent and **COREQUISITE:** CHEM 3311.

**3050. General Ecology.** (4). Relationships between organisms and their environment, emphasis on fundamental principles. Topics include: nutrient cycles limiting factors, population dynamics, community succession and structure, species interactions, and human ecology. *Two lecture, four laboratory hours per week.* [G].

**3071. Human Genetics.** (3). Genetic principles as they apply to humans, including pedigree analysis, genetic counseling, genetic engineering, and eugenics. *Three lecture hours per week.* **PREREQUISITE:** BIOL 1161, 1162 or permission of the instructor.

**3072. Genetics.** (3). (3070). Principles of heredity, including classical, microbial, molecular, and popula-

tion genetics. *Three lecture hours per week. Credit for both 3072 and 3073 must be earned to improve grade in 3070. [C].*

**3073. Genetics Laboratory. (1). (3070 lab).** Laboratory experiments in classical, microbial, molecular, and population genetics designed to illustrate principles of heredity. *Three laboratory hours per week. Credit for both 3072 and 3073 must be earned to improve grade in 3070. PREREQUISITE OR COREQUISITE: BIOL 3072 or equivalent.*

**3130. Cell Biology. (3).** Introduction to principles of cell and molecular biology as they relate to eukaryotic cells with emphasis on functions common to all or most cell types. *Three lecture hours per week. PREREQUISITE: CHEM 1132.*

**3170. Heredity. (3).** Principles of heredity with applications to human problems, for non-science majors and recommended for students who desire a better understanding of heredity and eugenics. *Not acceptable as credit toward biology major or minor.*

**3200. General Botany. (4).** Structure, function and diversity of plants. *Two lecture, four laboratory hours per week.*

**3220. General Plant Anatomy. (4).** Comparative development and structure of roots, stems, and leaves in flowering plants. *Two lecture, four laboratory hours per week. PREREQUISITE: BIOL 3200 or consent of instructor.*

**3230. Plant Physiology. (4). (4232).** Principles of physiology and application to living organisms; emphasis on higher plants. *Three lecture, three laboratory hours per week.*

**3440. Pathophysiology. (3).** Effects of pathogenic organism upon human body and abnormalities in physiological processes occurring during disease. (Primarily for nursing students.)

**3551. General Microbiology. (3). (3500).** Fundamentals of bacteriology. *Three lecture hours per week.*

**3555. Cell and Microbiology Laboratory. (2). (3500 lab).** Laboratory observations, demonstrations, and experiments designed to apply scientific methods to lecture subjects. *Four laboratory hours per week. PREREQUISITE OR COREQUISITE: BIOL 3551 or BIOL 3130.*

**3560. Applied Microbiology. (4).** Introduction to microbiology of water, soil, air, food, sewage, industrial processes, and pathogens. *Two lecture, four laboratory hours per week. PREREQUISITE: BIOL 3551/3555 or equivalent.*

**3610. Vertebrate Embryology. (4).** Development of selected vertebrate embryos from fertilized egg cell. *Two lecture, four laboratory hours per week.*

**3620. Comparative Anatomy of Vertebrates. (5).** Origin, development, structure, and functions of organs and systems of selected forms of vertebrates. *Two lecture, six laboratory hours per week.*

**3730. Human Physiology. (4).** Normal functions of human body. *Three lecture, two laboratory hours per week.*

**3751. Vertebrate Zoology. (2). (3700).** Life histories, adaptations, ecology, distribution, behavior, and classification of vertebrates. *Two lecture hours per week.*

**3752. Vertebrate Zoology Laboratory. (2). (3700 lab).** Laboratory observations, demonstrations, and experiments designed to apply scientific methods to lecture subjects. *Four laboratory hours per week. PREREQUISITE OR COREQUISITE: BIOL 3751.*

**3800. Parasitology. (4).** Distribution, morphology, life history, economic importance, and control of some of parasites of man and domestic animals. Protozoa through helminths. *Two lecture, four laboratory hours per week.*

**3900. General Entomology. (4).** Introduction to insects with emphasis on morphology, physiology, development, behavior, and ecology. *Three lecture, two laboratory hours per week.*

**3960. Medical Entomology. (4).** Distribution, morphology, life history, medical importance, and control of insects and other arthropods that serve as vectors for disease-producing organisms. *Two lecture, four laboratory hours per week.*

**4000. Research. (1-4).** Consultation, reading, and laboratory or field work to investigate selected area of biology under supervision of faculty member; formal paper is required. May be repeated for maximum credit of 4 hours. (S/U). [W].

**4002-6002. Toxicology. (3).** Effects of foreign substances on biological mechanisms. Absorption, excretion, metabolism, and biotransformation of potentially harmful substances. *PREREQUISITE OR COREQUISITE: CHEM 3312.*

**4003-6003. Experimental Toxicology. (4).** Advanced aspects of toxicology; instrumentation, organism culturing, and procedures involved in the assessment of relative toxicity. *Two lecture, four laboratory hours per week. PREREQUISITE: BIOL 4002. COREQUISITE: CHEM 4511 or consent of instructor.*

**4050-6050. Field Technique In Ecology. (4).** Field techniques of applied ecology covering practical training in forest, field, aquatic, and atmospheric sampling and analysis. Extended field trips. *Two lecture, four laboratory hours per week. PREREQUISITE: consent of instructor.*

**4055-6055. Ecological and Environmental Issues. (3).** Ecological perspective on current environmental issues such as conservation and biodiversity, global climatic change, regulation of chemicals in environment. *Three lecture hours per week. PREREQUISITE: BIOL 3050 or consent of instructor.*

**4060-6060. Limnology. (4).** Physical and chemical attributes of lakes, ponds, and streams; organisms of fresh water, problems of production, practical training in limnological methods and identification of organisms. *Two lecture, four laboratory hours per week. PREREQUISITE: BIOL 1161, 1162 and one year of chemistry.*

**4090-99. Special Topics in Biology. (1-3).** Topics are varied and announced in *Schedule of Classes*. May be repeated with different topics for maximum of 4 hours. *PREREQUISITE: junior standing and permission of instructor.*

**4100-6100. Evolution. (3).** Synthesis of principles and concepts of modern evolutionary theory. Topics include geologic evolution, biological evaluation, and evolution of societies. Emphasis on recent development and current controversies. *Three lecture hours per week.*

**4151-6151. Developmental Biology. (5).** Introduction to study of developing biological systems at cellular and molecular level. *Three lecture, four laboratory hours per week. PREREQUISITES: BIOL 3072, 3073, CHEM 3312.*

**4403. Microbial Physiology and Genetics. (4).** Introduction to Prokaryotic Physiology and Genetics. Topics include transformation, transduction, conjugation, plasmids, transposons, metabolic regulation and their relationships to bacterial growth. *Three lecture, two laboratory hours per week. PREREQUISITE: BIOL 3551/3555 or equivalent.*

**4640-6440. Pathogenic Microbiology. (4).** Survey primarily of pathogenic bacteria, diseases they cause and methods of diagnosis; introduction to immunological principles and immunity. Considerable attention to laboratory methods used for identification of pathogenic bacteria. *Two lecture, four laboratory hours per week. PREREQUISITE: BIOL 3551/3555, with organic chemistry.*

**4445-6445. Immunology. (3). (4444).** Antigens, immunoglobulin classes, cells and cytokines of immune response, complement system, hypersensitivities, blood groups, vaccines and immunity. *Three lecture hours per week. Credit for both 4445 and 4446 must be earned to improve grade for 4444. PREREQUISITES: BIOL 3551/3555 and CHEM 3311.*

**4446-6446. Immunology Laboratory. (2). (4444 lab).** Methods and exercises that emphasize reactions of antigens and antibodies, immunochemical techniques, cellular immunology and the immune system. *Four laboratory hours per week. PREREQUISITE OR COREQUISITE: BIOL 4445.*

**4450-6450. Microbial Ecology. (3).** Roles of microorganisms in the environment. Microbial processes, interactions with the environment and biota, population ecology, community ecology, and biodegradation. *Three lecture hours per week. PREREQUISITE: BIOL 3551/3555, 4511 and 4512, or consent of instructor.*

**4470-6470. Molecular Genetics. (4).** Structure, functions and replication of DNA, recombination, colinearity of DNA with genetic map, mutagenesis, gene transfer, plasmids, code, protein synthesis, suppression, regulation of gene expression, and genetic engineering. For students without formal training in molecular genetics. *Four lecture hours per week. PREREQUISITE: BIOL 3500.*

**4475-6475. Recombinant DNA Techniques. (4).** Laboratory with both theory and application of recombinant DNA techniques. *Eight laboratory hours per week. PREREQUISITE: Consent of instructor and BIOL 4470-6470 or equivalent.*

**4501. Virology. (3).** Introductory study of viruses and methods of their cultivation, isolation and characterization. *Three lecture hours per week. PREREQUISITE: BIOL 3551/3555.*

**4503-6503. Biochemistry Laboratory I. (1). (Same as CHEM 4501-6501).** Investigation of physical and chemical properties of compounds of biological interest by common laboratory techniques. Assay of enzymes and enzyme kinetics stressed. *Three laboratory hours per week. PREREQUISITES: CHEM 3302 OR 3303 AND 3312. PREREQUISITE OR COREQUISITE: BIOL 4511.*

**4504-6504. Biochemistry Laboratory II. (1). (Same as CHEM 4502-6502).** Biochemical laboratory techniques; emphasis of fractionating biological samples and measuring metabolic activity. *Three laboratory hours per week. PREREQUISITE: BIOL 4511.*

**4511-6511. Biochemistry I. (3). (Same as CHEM 4511-6511).** Chemistry of amino acids and proteins related to their properties in biochemical systems. Enzymology, including kinetics and conformation studies. Coenzymes and their functions. Chemistry of carbohydrates, lipids, and nucleotides. *Three lecture hours per week. PREREQUISITE: CHEM 3312. COREQUISITE: BIOL 4503 recommended.*

**4512-6512. Biochemistry II. (3). (Same as CHEM 4512-6512).** Metabolism of carbohydrates, amino acids and nucleotides. Biochemistry of DNA and RNA, including their relationship to biosynthesis of proteins. Metabolic control. *Three lecture hours per week. PREREQUISITE: BIOL 4511.*

**4560-6560. Microbiology of Foods. (4).** Microorganisms in natural and processed foods; origins, nature, and effects on foods; enumeration, and relation to health. *Two lecture, four laboratory hours per week. PREREQUISITE: BIOL 3551/3555 or consent of instructor.*

**4570. Practicum In Biology. (1-4).** Directed extradepartmental studies in special areas of biology. A maximum of four hours credit may be applied toward degree requirements. *PREREQUISITES: major in biology and permission of advisor. (S/U).*

**4604-6604. Ethology and Behavioral Ecology. (4).** Animal behavior, primarily from ecological and evolutionary perspective. *Two lecture, four laboratory hours per week. PREREQUISITE: BIOL 1161, 1162, or equivalent.*

**4620-6620. Vertebrate Histology. (4).** Microscopic study of normal tissues and organs of vertebrate body. *Two lecture, four laboratory hours per week. PREREQUISITE: BIOL 3610 or 3620 or permission of instructor.*

**4630-6630. General Endocrinology. (3).** Anatomy and physiology of the organs of internal secretion; role of hormones in metabolism and development. *PREREQUISITE: BIOL 3730.*

**4640-6640. Ornithology. (4).** Biology of birds, with emphasis on avian anatomy, physiology, behavior, and reproductive biology. Field trips emphasize identification of local species and techniques of field study. *Two lecture, four field/laboratory hours per week. PREREQUISITE: BIOL 1161, 1162.*

**4644-6644. Ichthyology. (4).** Collection, preservation, identification, life histories, management, and economic importance of fishes. *Two lecture, four laboratory hours per week. PREREQUISITE: BIOL 1161, 1162.*

**4651-6651. Field Techniques of Vertebrate Zoology. (4-6).** Techniques in field study of vertebrates. Extended field studies outside local area.

**4740-6740. Mammalogy. (4).** Classification, distribution, life histories, economic importance, techniques

of field study, methods of collection and preservation of mammals. *Two lecture, four laboratory hours per week.* PREREQUISITE: BIOL 3700.

**4744-6744. Herpetology.** (4). Classification, distribution, life histories, techniques of collection and preservation, and natural habitats of North American reptiles and amphibians. *Two lecture, four laboratory hours per week.* PREREQUISITE: BIOL 3620 or 3700 or permission of instructor.

**4820-6820. Protozoology.** (4). Free living and parasitic protozoa; consideration to structure, function, taxonomy, habitat, and life history. *Two lecture, four laboratory hours per week.*

**4840-6840. Invertebrate Zoology.** (4). Invertebrate phyla with emphasis on phylogeny, embryology, and ecology of selected groups. Extended field trip. *Two lecture, four laboratory hours per week.* PREREQUISITE: Permission of instructor.

**4930-6930. Insect Physiology.** (4). Physiology as applied to life processes of insects. *Two lecture, four laboratory hours per week.*

The following courses are taught only at the Gulf Coast Research Lab, Ocean Springs, Mississippi. The University of Memphis residence credit is given through affiliation with the laboratory.

**4010-6010. Aquaculture.** (6). Review of technology, principles, and problems relating to the science of aquaculture with emphasis on culture of marine species. PREREQUISITES: 16 hours of zoology including invertebrate and vertebrate zoology or ichthyology.

**4020-6020. Comparative Histology of Marine Organisms.** (1-6). Histological organization of representative marine organisms. Fixation, processing, and study of tissues using light microscopy, transmission and scanning electron microscopy. Structural changes and physiological changes during life cycle of organism including histopathology. PREREQUISITE: consent of instructor.

**4051-6051. Marine Ecology.** (5). Relationship of marine organisms to environment includes effects of temperature, salinity, light, nutrient concentration, currents, food, predation and competition on the abundance and distribution of marine organisms. PREREQUISITES: 16 hours of biology including general zoology, general botany, and invertebrate zoology.

**4052-6052. Salt Marsh Plant Ecology.** (4). Emphasis on botanical aspects of local marshes; includes plant identification, composition, structure, distribution and development of coastal marshes. Biological and physical interrelationships. Primary productivity and relation of marshes to estuaries and associated fauna. PREREQUISITES: general botany, plant taxonomy, plant physiology, and general ecology or consent of instructor.

**4200-6200. Marine Botany.** (4). Local examples of principal groups of marine algae and maritime flowering plants, treating structure, reproduction, distribution, identification and ecology. PREREQUISITES: ten hours of biology, including introductory botany.

**4300-6300. Coastal Vegetation.** (3). General and specific aspects of coastal vegetation; emphasis on local examples. PREREQUISITES: 10 hours of biology including general botany.

**4500-6500. Marine Microbiology.** (5). Role of microorganisms in overall ecology of oceans and estuaries. PREREQUISITES: general microbiology and environmental microbiology or consent of instructor.

**4600-6600. Marine Vertebrate Zoology and Ichthyology.** (6). Marine Chordata, including lower groups of mammals and birds; emphasis on fishes. PREREQUISITES: sixteen semester hours of zoology including comparative anatomy or consent of instructor.

**4610-6610. Early Life History of Marine Fishes.** (4). Reproductive strategies and developmental processes of marine fishes. Temporal and spatial distribution patterns, population dynamics, and ecological interactions of fish eggs and larvae. Methods of sampling and identifying eggs and larvae. PREREQUISITES: ichthyology, fisheries biology, ecology, and/or consent of instructor.

**4646-6646. Marine Fisheries Management.** (4). Overview of practical marine fishery management problems. PREREQUISITE: consent of instructor.

**4700-6700. Behavior and Neurobiology of Marine Animals.** (4). Behavior, neuroanatomy, and neurophysiology of marine animals with emphasis on neural mechanisms underlying behavior of selected invertebrates, fishes, birds and mammals. PREREQUISITES: 16 hours of zoology and/or psychology or consent of instructor.

**4800-6800. Marine Invertebrate Zoology.** (6). Important free-living, marine estuarine invertebrates of the Mississippi Sound and adjacent continental shelf of the northeastern Gulf of Mexico, emphasis on structure, classification, phylogenetic relationships, larval development and functional processes. PREREQUISITES: 16 hours of zoology including introductory invertebrate zoology.

**4844-6844. Parasites of Marine Animals.** (6). Parasites of marine animals; emphasis on morphology, taxonomy, life histories and host-parasite relationships. Lecture, laboratory and field work included. PREREQUISITES: general parasitology or consent of instructor.

**4850-6850. Fauna and Faunistic Ecology of Tidal Marshes.** (4). Survey and discussion of taxonomy, distribution, trophic relationships, reproductive strategies and adaptation of tidal marsh animals; emphasis on those occurring in northern Gulf marshes. PREREQUISITES: 16 hours of biology and junior standing or consent of instructor.

## CHEMISTRY

### ASSOCIATE PROFESSOR

HENRY KURTZ, *Chair*  
Room 210, J. M. Smith Hall

---

The Department of Chemistry offers courses leading to the B.S. degree with a major in chemistry. The department also offers a program culminating in the professional degree of Bachelor of Science in Chemistry (B.S.Ch.). This program is designed to meet the requirements of the Committee on Professional Training of the American Chemical Society, and is undertaken primarily by students who desire to go directly to positions in the chemical industry, or to enroll for postgraduate study in chemistry.

## SEQUENCE OF COURSES

Students who present credit for at least two years of high school mathematics (including algebra), or who have an ACT mathematics score of 22 or better, must enroll in CHEM 1121, 1131 if they plan to take more than one year of college chemistry, or plan to major in either a natural science or in civil, mechanical, or electrical engineering. CHEM 1100 is a one-semester course for students of limited preparation in mathematics whose curriculum calls for the CHEM 1121/1131-1122/1132 sequence. CHEM 1101-1102 is a two-semester sequence for students interested in the science of chemistry, but is not credited toward a major in chemistry or physics. It does fulfill the university science requirements of other majors. Credit may not be received for both CHEM 1100 and CHEM 1131 simultaneously. These courses emphasize fundamental principles and concepts and are designed for nonscience majors interested in a study of several areas of physical science.

## GENERAL EDUCATION NATURAL SCIENCE REQUIREMENTS

Completion of the following 8-credit hour sequences will satisfy one of the options for the General Education Natural Science requirement: CHEM 1101 (4)/1102(4) OR CHEM 1121(1)/1131(3)/1122(1)/1132(3).

## ADVANCED PLACEMENT

Beginning students who have had previous high school training in chemistry are invited to apply for advanced placement.

## LABORATORY SAFETY AND COURSE REQUIREMENTS

Laboratory safety is strictly practiced in the Department of Chemistry. Approved eye protection must be worn as required in all chemical laboratories. In addition, to ensure that students enrolled in laboratory courses learn the necessary safety information to safely participate in the laboratory course, all prerequisites and/or corequisites for all laboratory courses are strictly enforced. As a result, when a student enrolls in a laboratory course without prior completion of the necessary prerequisite or corequisite, the student will be dropped from the laboratory course. In addition, when a student simultaneously enrolls in a laboratory course and corequisite course, but subsequently drops or discontinues the corequisite course, the student will be dropped from the laboratory course. In the event any student fails to comply with any safety requirements of the Department of Chemistry, the department has the right to not allow the student to perform laboratory work, or to withdraw the student from the laboratory course, as appropriate.

## E070 CHEMISTRY (CHEM)

**1100. Introduction to Chemistry.** (3). For students whose curriculum requires CHEM 1131, but who feel their background is inadequate. Emphasis on scientific calculations and properties of matter. *Three lecture hours per week. Not credited toward major in chemistry, physics, physical science, or engineering, nor does it satisfy any part of science requirement for any degree. Not applicable toward fulfilling 132-hour minimum for degrees in The College of Arts and Sciences.* COREQUISITE: MATH 1211 or 1212 recommended.

**1101. College Chemistry I.** (4). (1051). Fundamental laws of chemistry and impact of chemistry on modern society. *Prior knowledge of algebra needed. Three lecture, two laboratory hours per week. Not credited toward major in chemistry or physics.* [G].

**1102. College Chemistry II.** (4). (1052). Emphasis on elementary organic and biochemistry. *Three lecture, two laboratory hours per week. Not credited toward major in chemistry or physics.* PREREQUISITE: CHEM 1101. [G].

**1121. Principles of Chemistry Laboratory.** (1). (1111 lab). Experiments and experimental techniques in general chemistry. *Three laboratory hours per week. PREREQUISITE or COREQUISITE: CHEM 1131.* [G].

**1122. Principles of Chemistry Laboratory.** (1). (1112 lab). Continuation of CHEM 1121. *Three laboratory hours per week. PREREQUISITE or COREQUISITE: CHEM 1132.* [G].

**1131. Principles of Chemistry.** (3). (1111). For students who are majoring in one of the physical sciences, biology, mathematics or engineering, or who are following a pre-professional program requiring additional chemistry. *Three lecture hours per week. COREQUISITES: MATH 1211, 1212 or 1321; CHEM 1112 recommended.* [G].

**1132. Principles of Chemistry.** (3). (1112). Continuation of CHEM 1131. *Three lecture hours per week. PREREQUISITE: CHEM 1131. COREQUISITE: 1122 recommended.* [G].

**3201. Quantitative Chemical Analysis Laboratory.** (2). Application of the techniques of quantitative analysis in areas described in CHEM 3211. *Six laboratory hours per week. PREREQUISITE or COREQUISITE: CHEM 3211.* [C].

**3211. Quantitative Chemical Analysis.** (2). Theory and practice of modern chemical analysis. Includes: acid-base, redox, and complex ion equilibria, separation methods, absorptometry, flame spectroscopy, and electroanalytical methods. *Two lecture hours per week. PREREQUISITE: CHEM 1122, 1132. COREQUISITE: CHEM 3201 recommended.* [C].

**3301. General Organic Chemistry Laboratory. (1).** Emphasis on laboratory techniques as applied to synthesis and class reactions. *Three laboratory hours per week.* PREREQUISITE: CHEM 1122, 1132. PREREQUISITE or COREQUISITE: CHEM 3311.

**3302. General Organic Chemistry Laboratory. (1).** Continuation of CHEM 3301; emphasis on correlation of chemical behavior with structure. *Three laboratory hours per week.* PREREQUISITES: CHEM 3311 and 3301. COREQUISITE or PREREQUISITE: CHEM 3312.

**3311. General Organic Chemistry. (3).** Systematic study of preparations and properties of organic compounds, including interpretations based on modern theories of organic chemistry. Emphasis on aliphatic and aromatic hydrocarbons, their halogen derivatives, and alcohols. *Three lecture hours per week.* PREREQUISITE: CHEM 1132.

**3312. General Organic Chemistry. (3).** Continuation of CHEM 3311; emphasis on more important functional derivatives of aliphatic and aromatic hydrocarbons. PREREQUISITE: CHEM 3311.

**3401. Elementary Physical Chemistry. (3).** Abbreviated course in physical chemistry. Includes elementary thermodynamics, phase transitions, solution chemistry, electrochemistry, kinetics, colloidal and surface chemistry, and molecular polarity. Credit may be obtained either in this course or in 3411, but not both. *Three lecture hours per week.* PREREQUISITES: CHEM 3211 or 3311, PHYS 2002/2120 or 2004/2520.

**3402. Physical Chemistry Laboratory. (2).** Measurements of physical properties, reaction rates, and equilibria. Application of electrochemistry and calorimetry. *Six laboratory hours per week.* PREREQUISITE: CHEM 3411. COREQUISITE or PREREQUISITE: CHEM 3412.

**3411. Physical Chemistry. (3).** Thermochemical foundations of physical chemistry applied to open and closed systems, kinetic theory of gases, and surface chemistry. *Three lecture hours per week.* PREREQUISITES: PHYS 2002/2120 or 2004/2520; MATH 2321.

**3412. Physical Chemistry. (3).** Continuation of CHEM 3411 emphasizing kinetics of chemical reactions, quantum chemistry, chemical bonding, statistical mechanics, spectroscopy, and other methods of structure determination. *Three lecture hours per week.* PREREQUISITE: CHEM 3411.

**4001-6001. Environmental Chemistry. (3).** Chemical phenomena occurring in soil, atmospheric and aquatic environments; consideration of natural resources and energy. *Three lecture hours per week.* PREREQUISITE: CHEM 3311.

**4101-6101. Inorganic Chemistry Laboratory. (1).** Experimental techniques of inorganic synthesis and physical methods for characterization of inorganic and organometallic compounds. *Three laboratory hours per week.* PREREQUISITE or COREQUISITE: CHEM 4111-6111.

**4111-6111. Inorganic Chemistry. (3).** Theoretical and applied inorganic chemistry. Stress on relationship of structure and bonding to properties of elements and compounds. Includes introductory molecular or orbital theory, coordination compounds and organometallics, ligand field theory, nonaqueous solvent systems, and reaction mechanisms. *Three lecture hours per week.* PREREQUISITE: CHEM 3412 or permission of the instructor. COREQUISITE: CHEM 4101 recommended.

**4180-99-6180-99. Special Topics In Inorganic Chemistry. (1-3).** Topics of current interest in chemistry that are of current interest. Topics are varied and announced in *Schedule of Classes*. PREREQUISITE: CHEM 3312 and permission of instructor.

**4220-6220. Advanced Instrumental Analysis. (4).** Advanced topics in electrochemical, spectroscopic, and chromatographic methods, and an introduction to electronic and optical principles of chemical instrumentation. *Two lecture, six laboratory hours per week.* PREREQUISITE: CHEM 3412.

**4280-99-6280-99. Special Topics In Analytical Chemistry. (1-3).** Topics of current interest in analytical chemistry. Topics are varied and announced in

*Schedule of Classes*. PREREQUISITE: CHEM 3412 and permission of instructor.

**4315-6315. Organic Medicinal Chemistry. (3).** Introduction to principles of medicinal chemistry. Structure, synthesis, and biochemical mechanism of action of major drug classes. *Three lecture hours per week.* PREREQUISITE: CHEM 3312.

**4380-99-6380-99. Special Topics In Organic Chemistry. (1-3).** Topics of current interest in organic chemistry. Topics are varied and announced in *Schedule of Classes*. PREREQUISITE: CHEM 3312 and permission of instructor.

**4480-99-6480-99. Special Topics In Physical Chemistry. (1-3).** Topics of current interest in physical chemistry. Topics are varied and announced in *Schedule of Classes*. PREREQUISITE: CHEM 3412 and permission of instructor.

**4501-6501. Biochemistry Laboratory I. (1).** (Same as BIOL 4503-6503). Investigation of physical and chemical properties of compounds of biological interest by common laboratory techniques. Assay of enzymes and enzyme kinetics stressed. *Three laboratory hours per week.* PREREQUISITES: CHEM 3302 or 3303 and 3312. PREREQUISITE or COREQUISITE: CHEM 4511.

**4502-6502. Biochemistry Laboratory II. (1).** (Same as BIOL 4504-6504). Biochemical laboratory techniques; emphasis on fractionating biological samples and measuring metabolic activity. *Three laboratory hours per week.* PREREQUISITE: CHEM 4511.

**4511-6511. Biochemistry I. (3).** (Same as BIOL 4511-6511). Chemistry of amino acids and proteins related to their properties in biochemical systems. Enzymology, including kinetics and conformation studies. Coenzymes and their functions. Chemistry of carbohydrates, lipids, and nucleotides. *Three lecture hours per week.* PREREQUISITE: CHEM 3312. COREQUISITE: CHEM 4501 recommended.

**4512-6512. Biochemistry II. (3).** (Same as BIOL 4512-6512). Continuation of CHEM 4511. Metabolism of carbohydrates, amino acids and nucleotides. Biochemistry of DNA and RNA, including their relationship to biosynthesis of proteins. Metabolic control. *Three lecture hours per week.* PREREQUISITE: CHEM 4511.

**4580-99-6580-99. Special Topics In Biochemistry. (1-3).** Topics of current interest in biochemistry. Topics are varied and announced in *Schedule of Classes*. PREREQUISITE: CHEM 4512 and permission of instructor.

**4601-6601. Chemical Demonstrations. (3).** Preparation and presenting chemical demonstrations and activities to illustrate chemical principles, processes, and properties for secondary and post-secondary classes. *One lecture/four laboratory hours per week.* PREREQUISITE: CHEM 3302, CHEM 3312 or permission of instructor.

**4602-6602. Teaching High School Chemistry Laboratory. (3).** Instruction in selection, modification, evaluation, and teaching instructional chemistry experiments in high schools; includes planning pedagogical goals, laboratory organization and safety, purchasing supplies, and student evaluation. *Two lecture/two laboratory hours per week.* PREREQUISITE: CHEM 3302, CHEM 3312 or permission of instructor.

**4604. Instrumental Methods. (3).** (3604). Analytical instrumental techniques including molecular spectroscopy, chromatography, atomic spectroscopy, and electrochemical analysis. *One lecture, six laboratory hours per week.* PREREQUISITES: CHEM 3201, 3211, 3312, or permission of instructor. [J].

**4911-6911. Chemical Literature and Seminar. (1).** Use of chemical literature, writing of technical reports, and oral presentation of investigative reports. *One lecture hour per week.* PREREQUISITE: permission of instructor.

**4991. Chemical Research. (1).** (See description under CHEM 4993.)

**4992. Chemical Research. (2).** (See description under CHEM 4993.)

**4993. Chemical Research. (3).** Introduction to basic research. Student collaborates with a faculty sponsor on problem of mutual interest selected from fields of

analytical, inorganic, organic, and physical chemistry, and biochemistry. Experience in effective laboratory techniques, critical experiment design, and preparing a formal scientific paper. To receive credit toward a major in chemistry, student must complete three semester hours in these research courses. *Three to nine laboratory hours per week.* PREREQUISITE: CHEM 3312 and permission of instructor. Students expected to complete prospectus in consultation with a faculty sponsor before registering for this course. [W].

## CRIMINOLOGY AND CRIMINAL JUSTICE

PROFESSOR

JERRY R. SPARGER, *Chair*  
Room 405, Mitchell Hall

A prerequisite for enrolling in all 3000 and 4000 level courses is U of M junior standing (55 semester hours).

## E075 CRIMINOLOGY AND CRIMINAL JUSTICE (CJUS)

**1100. Introduction to Criminal Justice. (3).** Introduction to American criminal justice system in its three dimensions: police, courts, and corrections, tracing its development from ancient and early English beginnings to present time. [G].

**2110. Comparative Justice Systems. (3).** Overview of justice systems of various countries, focusing primarily on substantive and philosophical relationships between the subsystems and the society they serve. [G].

**2520. Street Law: A Course in Practical Law. (3).** Practical application of law to everyday problems. Legal processes and resources available to every citizen; case materials in criminal, consumer, environmental, and family law with reference to their relationship in criminal justice context. *Credit earned does not apply toward major or minor in Criminology and Criminal Justice.*

**3128. Research Methods In Criminal Justice. (3).** Techniques commonly utilized in criminal justice research, emphasis on research design, methods of data collection, measurement of variables, and threats to validity and reliability; introduction to microcomputers. PREREQUISITE: COMP 1200 or equivalent.

**3129. Statistical Methods In Criminal Justice. (3).** Statistical methods commonly utilized in criminal justice research; emphasis on descriptive and inferential statistics, measures of significance, and interpretation of results; use of micro-computers and statistical programs for data collection and analysis. *Two lecture, two laboratory hours per week.* PREREQUISITE: 3128 or permission of instructor. [C].

**3152. Drug Addiction and Alcoholism. (3).** Cultural and medical aspects of use of alcohol and various other drugs; consideration of roles of law enforcement and corrections in these areas.

**3226. Police In America. (3).** Comparative analysis of policies, procedures, organization, and functions of effective police organization.

**3326. Courts In America. (3).** Court operations including assignments and specialization of judges, document preparation and calendaring of cases, consideration of problems involving court personnel, funds and other property in court's custody and maintaining record of prisoners awaiting trial in criminal cases.

**3426. Corrections In America. (3).** Concepts of organizational behavior applied to probation, parole, community-based corrections, prisons, and other detention facilities, with emphasis on their history and practice.

**3510. Law and Society. (3).** Law as system of control and as mechanism for resolution of conflict. Relationship of law to political, economic and social systems critically analyzed and development of legal profession studied.

**3521. Constitutional Criminal Procedure.** (3). General application of U.S. constitution principles to investigative and prosecutorial process of the criminal justice system; emphasis on requirements of the 4th, 5th, 6th, 8th, and 14th Amendments as they relate to arrest, search, and seizure, interrogation and identification procedures, trial and appellate proceedings.

**3541. Criminology.** (3). (Same as SOCI 3541). Nature and significance of criminality; etiology of illegal behavior; trends in social reactions to crime and criminals. Evolution of biological, psychological, and sociological theories of criminal behavior.

**3542. Crime and Criminal Typologies.** (3). (4120). Classification of crime and typical elements involved in each type of crime, classification of criminal offenders and salient career variables associated with each type of offender relative to background, crime, and career prognosis.

**4010-19-6010-19. Special Topics In Criminal Justice.** (1-3). Topics are varied and announced in *Schedule of Classes*.

**4100. Individual Directed Study In Criminal Justice.** (1-4). Individual directed reading and research in special areas of interest in field of criminal justice. **PREREQUISITE:** permission of department chair. **NOTE:** Course may be repeated for a maximum of 4 hours total credit.

**4110. Senior Seminar in Criminal Justice.** (3). Analysis of criminal justice issues from a systems perspective; emphasis on active learning, gaining familiarity with criminal justice resources, and development of analytical and writing skills. **PREREQUISITE:** senior standing in Criminology and Criminal Justice and permission of department chair. [W,I].

**4126. Criminal Justice Administration and Management.** (3). Management philosophies for administration of criminal justice agencies; focus on organizational behavior, theories of management, planning and budgeting, administrative legal issues, and administrative problems unique to the criminal justice system.

**4130. Ethical Dilemmas In Criminal Justice.** (3). Legal, moral, and social implications of ethical dilemmas in criminal justice, including police use of deadly force, police discretion, victimless crimes, surveillance, enforcement of unpopular laws, use of informers, plea bargaining, judicial discretion, and capital punishment. Subcultural norms and dilemmas they present to criminal justice practitioner.

**4150. Internship In Criminal Justice.** (1-3). **4465. German Narrative Prose.** (3). Reading of major prose writings from Romanticism to present. Emphasis on the *Novelle*. PREREQUISITES: one course from the group GERM 3301, 3302, 3410, 3411, 3412; or permission of instructor.

**4501. Applied German Linguistics.** (3). Application of modern linguistic theories to learning German. PREREQUISITES: Two courses from the group GERM 3301, 3411, 3412; or permission of instructor.

**4511. The German Language: Development and Structure.** (3). German language in its various stages of development. PREREQUISITE: GERM 3301 or 3302; or permission of instructor.

**4780. Individual Studies in German.** (1-3). Directed individual study in selected areas of German chosen in consultation with instructor. *Repeatable for a maximum of six semester hours credit by permission of chair.* PREREQUISITE: permission of instructor.

**4791-99. Special Topics in German Language or Literature.** (3). May be repeated for maximum of 6 hours credit. PREREQUISITE: permission of chair and instructor.

## E150 HEBREW (HEBR)

**1101. Elementary Hebrew.** (3). (LALI 1701004). Principles of pronunciation; everyday expressions; basic sentence patterns through oral practice, writing and reading.

**1102. Elementary Hebrew.** (3). (LALI 1702004). Continued study of sentence patterns through oral and written practice. PREREQUISITE: HEBR 1101 or equivalent.

**2201. Intermediate Hebrew.** (3). (LALI 2701004). Continued study of sentence patterns through oral and written practice. PREREQUISITE: HEBR 1102 or equivalent.

**2202. Intermediate Hebrew.** (3). (LALI 2702004). Continued study of sentence patterns through oral and written practice. PREREQUISITE: HEBR 2201 or equivalent.

## E160 ITALIAN (ITAL)

**1101. Elementary Italian I.** (3). Basic skills fundamental to language proficiency and culture.

**1102. Elementary Italian II.** (3). Further development of basic skills fundamental to language proficiency and culture. PREREQUISITE: ITAL 1101 or equivalent.

**2201. Intermediate Italian I.** (3). Comprehensive review of basic grammar, exercises in conversation, writing, and cultural readings. PREREQUISITE: ITAL 1102 or equivalent.

**2202. Intermediate Italian II.** (3). Continued development of basic language skills through oral and written practice. PREREQUISITE: ITAL 2201 or equivalent.

## E165 JAPANESE (JAPN)

**1101. Elementary Japanese I.** (3). (LALI 1702005). Principles of pronunciation; everyday expressions; basic sentence patterns through oral practice, writing and reading using the Roman alphabet.

**1102. Elementary Japanese II.** (3). (LALI 1702005). Continued study of sentence patterns through oral and (Romanized) written practice; the *katakana* and *hiragana* syllabaries.

**2201. Intermediate Japanese I.** (3). Continued study of sentence patterns through oral and written practice; introduction to the Japanese writing system, with approximately 250 *kanji* and their compounds in readings and written practice.

**2202. Intermediate Japanese II.** (3). Continued study of sentence patterns; conversation; additional *kanji* to a total of approximately 500; readings.

## E190 RUSSIAN (RUSS)

**1101. Elementary Russian I.** (3). Introductory survey of Russian grammar and phonetics.

**1102. Elementary Russian II.** (3). Continuation of RUSS 1101. PREREQUISITE: RUSS 1101 or permission of instructor.

**2201. Intermediate Russian I.** (3). Comprehensive review of Russian grammar, exercises in spoken and written Russian. PREREQUISITE: RUSS 1102 or permission of instructor.

**2202. Intermediate Russian II.** (3). Continuation of RUSS 2201. PREREQUISITE: RUSS 2201 or permission of instructor.

**3301. Russian Conversation and Composition.** (3). Development of advanced oral and written communication skills. PREREQUISITE: RUSS 2202 or permission of instructor.

**3302. Russian Conversation and Composition.** (3). Continuation of RUSS 3301. PREREQUISITE: RUSS 3301 or permission of instructor.

**3441. Early Nineteenth-Century Russian Literature.** (3). Survey of major writers and works of the first half of the 19th century, including Pushkin and Gogol.

**3442. Nineteenth-Century Russian Realism.** (3). Survey of major writers and works of the last half of the 19th century, including Dostoevskii and Tolstoi.

**3443. Twentieth-Century Russian Prose.** (3). Survey of Russian literature since 1900, including selected writers and works of the pre-revolutionary and Soviet periods and Russian emigre literature.

**3611. Survey of Russian Civilization.** (3). Russia and its people; highlights of Russian civilization as revealed in the fields of literature, music, painting, and architecture. *May not be used for Russian language credit.*

**4309. The Art of Translating Russian.** (3). PREREQUISITE: RUSS 2202 or permission of instructor.

**4780. Individual Studies in Russian.** (1-3). Directed individual study in selected areas of Russian chosen in consultation with instructor. *Repeatable for a maximum of six semester hours credit by permission of chair.* PREREQUISITE: permission of instructor.

## E200 SPANISH (SPAN)

**1101. Elementary Spanish.** (3). Basic skills fundamental to language proficiency and culture.

**1102. Elementary Spanish.** (3). Further development of basic skills fundamental to language

proficiency and culture. PREREQUISITE: SPAN 1101 or equivalent.

**1112. Intensive Elementary Spanish.** (6). First-year college Spanish. Skills fundamental to language proficiency and culture. Covers material of SPAN 1101 and 1102. Classroom sessions daily. A maximum of six hours credit may be received for any combination of SPAN 1101, 1102, and 1112.

**2201. Intermediate Spanish.** (3). Comprehensive review of Spanish grammar, exercises in writing conversation, and readings in Hispanic literature and culture. PREREQUISITE: SPAN 1102 or equivalent.

**2202. Intermediate Spanish.** (3). More advanced readings. PREREQUISITE: SPAN 2201 or equivalent.

**2212. Intensive Intermediate Spanish.** (6). Comprehensive review of Spanish grammar. Exercises in writing, conversation. Readings in Hispanic literature and culture. Covers material of SPAN 2201 and 2202. Meets every day. *A maximum of six hours credit may be received for any combination of SPAN 2201, 2202, and 2212.*

**3301. Conversation.** (3). (3300). Designed to help students develop oral proficiency. Diverse opportunities for self-expression. Not intended for students with native or near-native proficiency in Spanish. PREREQUISITE: SPAN 2202 or equivalent.

**3303. Composition.** (3). (3300). Designed to develop adequate writing skills. Compositions analyzed to identify and avoid frequent grammatical errors and to avoid interference from English. Not intended for students with native or near-native proficiency. PREREQUISITE: SPAN 2202 or equivalent.

**3311. Intermediate Conversation.** (3). (3302). Designed to develop strong conversational and listening skills. Includes wide variety of activities, exposure to different pronunciations and native conversational speed. Selected readings to help expand vocabulary. Not intended for students with native or near-native proficiency. PREREQUISITE: SPAN 3301 or permission of instructor.

**3312. Advanced Conversation.** (3). Further vocabulary expansion, precision in diction, and ability to express and understand non-technical subjects. Required of majors and minors. PREREQUISITE: SPAN 3311 or permission of instructor.

**3313. Advanced Composition.** (3). (3300). Designed to develop strong command of written language. Emphasis on style, organization and exposition of content as opposed to grammatical analysis. PREREQUISITE: SPAN 3303 or permission of instructor.

**4302-6302. Advanced Grammar.** (3). Special problems in grammar; recommended for majors and minors. PREREQUISITE: 3000-level Spanish course or equivalent.

**4306-6306. Applied Spanish Linguistics.** (3). Current research in linguistics, psycholinguistics and sociolinguistics and their contribution to second language teaching and second-language learning.

**4410-6410. Spanish Literature and Civilization.** (3). (3410). Survey of literary movements and major figures with readings in literature and civilization. Required of majors. PREREQUISITE: 3312 or equivalent.

**4431-6431. Contemporary Spanish Prose.** (3). Spanish prose from Generation of 1898 to present. PREREQUISITES: SPAN 4410 or permission of instructor.

**4432-6432. Contemporary Spanish Poetry and Drama.** (3). Spanish poetry and drama from Generation of 1898 to present. PREREQUISITES: 4410 or permission of instructor.

**4510-6510. Spanish American Literature and Civilization.** (3). (3510). Survey of literary movements and major figures with readings in literature and civilization. Required of majors. PREREQUISITE: SPAN 3312 or equivalent.

**4561-6561. Pre-Contemporary Spanish American Prose Fiction.** (3). Development of Spanish American novel and short story from beginnings through 20th century. PREREQUISITE: SPAN 4510.

**4562-6562. Contemporary Spanish American Prose Fiction.** (3). Spanish American novel and short story of 20th century. PREREQUISITE: SPAN 4510.

**4701. Spanish for Commerce I.** (3). (3791). Spanish business terminology and correspondence. **PREREQUISITE:** any 3000-level Spanish course or permission of instructor.

**4702. Spanish for Commerce II.** (3). (3792). Business concepts and documents. **PREREQUISITE:** any 3000-level Spanish course or permission of instructor.

**4780. Individual Studies in Spanish.** (1-3). Directed individual study in selected areas of Spanish chosen in consultation with instructor. Repeatable for a maximum of six semester hours credit by permission of chairman. **PREREQUISITE:** permission of instructor.

**4790-99. Special Topics in Literature and Linguistics.** (3). Literary topics include medieval literature, Golden Age, 19th century literature, and Spanish American drama. May be repeated for maximum of 6 hours credit. **PREREQUISITE:** permission of instructor.

## GEOGRAPHY AND PLANNING

### PROFESSOR

HSIANG-TE KUNG, Chair  
Room 107, Johnson Hall

The prerequisite for all 3000 and 4000 level courses is either U or M junior standing (a minimum of 55 semester hours credit) or the permission of the instructor.

**NOTE:** Students eligible to repeat a course to improve a grade in GEOG 2301 or GEOG 2311 may use the grade earned in GEOG 1301 to improve a grade in either GEOG 2301 or GEOG 2311, but not both.

### E220 GEOGRAPHY (GEOG)

**1101. Introduction to Earth Science: Weather and Climate.** (4). Atmospheric processes and geographic distribution of radiation, moisture, pressure, and circulation interacting to create weather systems and storms; oceanic influences, earth-sun relationships, global climate patterns; human interaction with atmosphere. *Three lecture, two laboratory hours per week.* [G].

**1102. Introduction to Earth Science: Landforms.** (4). Agents and processes of landform development and geographic relationships of landscapes including volcanic, fluvial, glacial, and coastal environments; soil development and vegetation associations; environmental hazards to humans; maps and aerial photo interpretation as sources of environmental information. *Three lecture, two laboratory hours per week.* [G].

**1301. Survey of World Regions.** (3). Survey of economic, cultural and physical traits characteristic of developing and industrialized nations. [G].

**1401. Introduction to Cultural Geography.** (3). Geographical aspects of human behavior. Focuses on distributional patterns and interactions of such cultural characteristics as language, religion, politics, and economics. [G].

**3200. Peoples and Cultures of the World (Same as ANTH 3200).** (3). Major ethnographic areas and selected cultures of world.

**3221. Principles of Conservation.** (3). Development of conservation ethic and wilderness concepts; survey of environmental problems, land use, and energy and resource utilization; soil erosion and crop productivity relationships.

**3401. Historical Geography of the U.S.** (3). Evolution of the cultural landscapes of the United States with emphasis on the interaction of environment and people in the development of this nation. [G].

**3430. Economic Geography.** (3). Spatial characteristics and distribution of economic activities.

**3451. Introduction to Urban Planning.** (3). Introduction to regional and urban planning emphasizing spatial relationships of physical, economic, and cultural phenomena necessary in planning process.

**3501. Map Reading.** (3). Comprehensive study of maps as geographic tools that enable user to gain knowledge of earth through map reading and map interpretation and to make intelligent use of such map information.

**4111-6111. Synoptic Meteorology I.** (4). Basic weather parameters and atmospheric processes in weather analysis and forecasting. *Three lecture, two laboratory hours per week.* **PREREQUISITE:** GEOG 1101 or consent of instructor.

**4112-6112. Synoptic Meteorology II.** (4). Advanced forecasting skills and techniques and detailed specifics of weather forecasting, including severe weather and aviation forecasting. *Three lecture, two laboratory hours per week.* **PREREQUISITE:** GEOG 4111.

**4115-6115. Dynamic Meteorology I.** (3). General principles of thermodynamics, the equation of state, thermodynamic diagrams, hydrostatic equilibrium, stability, and convection, and application of these principles to weather analysis and forecasting. **PREREQUISITES:** MATH 1321, 2321; PHYS 2511. [C].

**4116-6116. Dynamic Meteorology II.** (3). Applications of general principles of mechanics and fluid motions to study of atmosphere. Topics include equations of motion, circulation, divergence, numerical weather prediction, kinematics of fluid flow, vorticity, and surfaces of discontinuity. **PREREQUISITE:** GEOG 4115.

**4121-6121. Earth Science. The Earth.** (3). Analytical study of landforms, their changes, and their uses to humankind.

**4122-6122. Earth Science. The Soil.** (3). Processes and dynamics of soil profile development. Major models of soil development examined and applied to soil genesis in Tennessee. Application of soil techniques to archaeology, planning, earth sciences, and soil conservation and erosion problems. Emphasis on field and laboratory techniques with field work in soil mapping and soil taxonomy. *Two lecture, two laboratory hours per week.*

**4131-6131. Earth Science. The Oceans.** (3). Analytical study of the oceans to include their physical, chemical, and biological qualities; their movements, resources, climatic influences, and importance for transportation.

**4201-6201. Urbanization and Environment.** (3). Ways man has changed natural environment by urbanization and how physical features and processes influence development and function of cities.

**4211-6211. Climatology.** (3). Climatic elements and methods of data analysis; applications of climatology in agriculture, health, economics, and architecture. **PREREQUISITES:** GEOG 1101 and PHYS 2111 or equivalent.

**4215-6215. Physical Climatology.** (3). Components of earth's energy balance, emphasis on solar radiation, heat transfer, and evapotranspiration. **PREREQUISITES:** GEOG 1101 and PHYS 2111.

**4231-6231. Water Resources.** (3). Hydrologic processes and their application to needs of cities, industry, agriculture, and recreation.

**4241-6241. Biogeography.** (3). Principles underlying spatial distribution of plants, including physical, biotic, and historical controls; vegetation dynamics; survey of patterns and processes of North American vegetation.

**4251-6251. Environmental Threats to Human Survival.** (3). Survey of environmental threats, some of which may threaten survival of human species. Spectrum of threats ranges from planet-wide climatic changes and potential changes in earth-sun relationships to more immediate threats such as inadequate food production, local disasters, and nuclear contamination.

**4304-6304. Geography of Europe.** (3). Geographic analysis of physical, cultural and economic characteristics of Europe.

**4305-6305. Geography of Russia and Its Neighbors.** (3). Geographic analysis of physical, cultural, and economic characteristics of Russia and former Soviet Republics.

**4306-6306. Geography of Asia.** (3). Significance of regional differences in Japan, China, and India, and brief survey of remaining areas.

**4313-6313. Geography of the United States and Canada.** (3). Physical, cultural, and economic characteristics of United States and Canada.

**4316-6316. Geography of the South.** (3). Selected regions in South; emphasis on changes and trends in cultural-physical complex.

**4324-6324. Geography of Middle America.** (3). Peoples and places of Mexico, Central America, and the Caribbean. Topics will include history of Maya and Aztec culture, cultural ecology and traditional land use, contemporary development issues, and the region's global situation.

**4325-6325. Geography of South America.** (3). Lands and peoples of the diverse regions of South America, folk populations, Amazonia, Andean issues; contemporary economics and resources in a developing world region.

**4431-6431. Urban Geography.** (3). Allocation of land for urban uses; adjustments and adaptations to existing physical phenomena; patterns, functions, and forms of specific urban land areas; and some continuous problems of urban development and growth.

**4442-6442. Commercial Land Use.** (3). (Same as FIR 4360). Factors influencing the location pattern of commercial land uses; emphasis on location analysis of commercial real estate.

**4443-6443. Transportation Planning.** (3). Planning for various transportation modes and networks and impact they have on land use and contemporary development problems.

**4502-6502. Computer Mapping.** (3). Use of computer mapping programs as effective techniques for visual presentation of wide variety of data. *Two lecture, two laboratory hours per week.*

**4503-6503. Map Design and Production.** (3). Cartographic theory and application to thematic mapping; use of computer for creation, editing, proofing, and reproduction of maps. *Two lecture, two laboratory hours per week.*

**4510-6510. Aerial Photo Interpretation.** (3). (Same as GEOL 4510). Elements and steps involved in interpreting, measuring, and mapping of images appearing on aerial photographs. *Two lecture, two laboratory hours per week.*

**4511-6511. Remote Sensing of the Environment.** (3). (Same as GEOL 4512). Survey of theory and application; use of color, infrared, thermal, and radar images generated from satellites for geographic, environmental, and planning purposes. *Two lecture, two laboratory hours per week.* **PREREQUISITE:** GEOG 4510 or consent of instructor.

**4514-6514. Geographic Information Systems.** (3). Role and nature of using interactive computer mapping for decision support in resource management. Structure and use of spatial databases in the decision process. *Two lecture, two laboratory hours per week.*

**4521-6521. Quantitative Methods.** (3). Introduction to quantitative methods in spatial analysis. [C].

**4524-6524. Advanced Geographic Information Systems.** (3). Advanced study of database manipulation, data interface, and cartographic modeling techniques with emphasis on customizing GIS applications and automated modeling procedures. Also includes use and manipulation of commercially available data as sources for GIS applications. *Two lecture, two laboratory hours per week.* **PREREQUISITE:** GEOG 4514 or consent of instructor.

**4531-6531. Field Methods.** (3). Basic methods of geographic analysis used in classifying, analyzing and reporting field-generated data including field mapping, sampling procedures, questionnaires and archival and public document research. *One and one-half lecture, three laboratory hours per week.*

**4541. Field Studies.** (1-6). Faculty-conducted field trip emphasizing study of geographic phenomena. Location will vary. Topics may include physical landscapes, land-use patterns, cross-cultural analysis, micro and regional economics, or other geographical processes. Credit hours based on length of time in field. Requires field journal and report to receive credit. May be repeated with change in content for maximum of 6 hours credit. **PREREQUISITES:** permission of instructor and completion of special registration.

**4551. Urban Planning Studio. (3).** Application of planning process to urban problems and preparation of plans for the urban area. **PREREQUISITE:** GEOG 3451 or consent of instructor.

**4610-19-6610-19. Special Topics in Geography. (1-3).** Topics are varied and announced in *Schedule of Classes*.

**4621. Independent Study. (1-3).** Student, under faculty supervision, studies in-depth particular geographic topic. *Repeatable with change in content to maximum of 3 semester hours.* **PREREQUISITE:** approval of instructor.

**4700-6700. Geography Internship. (1-9).** Experience working with agency in which geographic knowledge can be utilized. *Repeatable to maximum of 9 semester hours.* Credit allowed only after acceptance of report. **PREREQUISITE:** approval of instructor and chair. (S/U).

**4801. Geographical Thought and Application. (3).** Major concepts in environmental/earth sciences, human/cultural, and economic/urban geography. Proseminar format requires review of readings with oral and written presentations. Focus on synthesis and application of geographic concepts to contemporary research themes. **PREREQUISITE:** 15 semester hours in Geography with at least one course from each of the following areas: Environmental and Earth Sciences, Human Geography, and Regional Geography. [I, W].

## GEOLOGICAL SCIENCES

PROFESSOR

PHILI DEBOO, Chair  
Room 402 J. M. Smith Hall

### E235 GEOLOGY (GEOL)

**1101. Physical Geology. (4).** Introduction to processes that operate within and on surface of earth; forces that make mountains and valleys, and those that move continents; special emphasis on topics important to Mid-South, such as earthquakes, rivers, and groundwater. *Three lecture, two laboratory hours per week.* [G].

**1102. Historical Geology. (4).** (1201). Overview of history of earth and its life as interpreted from rock and fossil record; origins of continents, mountain ranges, ocean basins and natural regions of U.S. *Three lecture, two laboratory hours per week.* **PREREQUISITE:** GEOL 1101. [G].

**3211. Introduction to Paleontology. (4).** Fossil invertebrate animals and their importance in interpretation of ancient environments, evolution, and geologic time. *Three lecture, two laboratory hours per week.* **PREREQUISITES:** GEOL 1101, 1102. [W].

**3311. Earth Materials I. (3).** Structural and chemical crystallography of minerals; classification and identification of nonsilicate minerals. *One lecture, four laboratory hours per week.* **PREREQUISITE:** GEOL 1101. **COREQUISITES:** CHEM 1121, 1131.

**3312. Earth Materials II. (3).** Classification and identification of silicate minerals; classification, identification and genesis of igneous and metamorphic rocks in hand specimens. *One lecture and four laboratory hours per week.* **PREREQUISITE:** GEOL 3311.

**3313. Optical Mineralogy. (3).** Optical theory of light transmission through minerals, identification of translucent minerals in oil immersion with the petrographic microscope. *One lecture, four laboratory hours per week.* **PREREQUISITE:** GEOL 3312 or consent of instructor.

**3512. Structural Geology. (3).** Structures of the crust; geometry of folds and faults, rock deformation, criteria for recognizing structures, solution of geometrical problems. *Two lecture, two laboratory hours per week.* **PREREQUISITE:** GEOL 1101, MATH 1321, or consent of instructor. [C].

**3712. Sedimentology and Stratigraphy. (4).** Origin and classification of sedimentary rocks and mutual

relationship of sedimentary rock bodies both geographically and through geologic time. Lecture emphasizes comparison of modern depositional systems with their ancient counterparts. Laboratory emphasizes hand specimen analysis and preparation of geologic maps. *Three lecture, two laboratory hours per week.* **PREREQUISITE:** GEOL 1102.

**3802. Introduction to Oceanography. (3).** Origin, chemistry, water circulation, shoreline and deep water characteristics of oceans; its role in evolution and history of earth; marine life and its ecology.

**4010-19-6010-19. Special Topics in Geological Sciences. (3).** Topics vary and are announced in the *Schedule of Classes*.

**4100-6100. Petroleum Geology and Basin Analysis. (3).** Application of geologic principles to search for economic accumulations of oil and gas; lab emphasis on prospect selection using subsurface techniques, lecture emphasis on depomodels and depositional systems. *Two lecture, two laboratory hours per week.*

**4202-6202. Geomorphology. (4).** Description, origin and interpretation of landforms and their relationships to underlying structure and geologic history. Processes acting on earth's surface, including active tectonics; weather, mass-wasting, climate change, and fluvial, shoreline, and glacial processes. *Three lecture, two laboratory hours per week.* **PREREQUISITE:** GEOL 1102.

**4211-6211. Physical Hydrogeology. (3).** Movement, storage and development of groundwater. Groundwater in the hydrologic cycle. Aquifer characteristics and tests. *Two lecture, two laboratory hours per week.* **PREREQUISITE:** GEOL 1101.

**4322-6322. Petrology. (4).** Description and interpretation of igneous and metamorphic rocks through study of thin sections. *Two lecture, four laboratory hours per week.* **PREREQUISITE:** GEOL 3312; CHEM 1122, 1132.

**4332-6332. Introduction to Geochemistry. (3).** Geological and chemical processes that govern or control migration and distribution of elements and atomic species of earth in space and time. *Three lecture hours per week.* **PREREQUISITE:** GEOL 3312.

**4341-6341. Aqueous Geochemistry. (3).** Physical chemistry of aqueous solutions as applied to geochemical processes on earth's surface. **PREREQUISITE:** CHEM 1112.

**4342-6342. Environmental Geochemistry. (3).** Detailed discussion of geochemical reactions and processes as related to specific environmental problems. **PREREQUISITE:** GEOL 4341 or consent of instructor.

**4351-6351. Advanced Structural Geology. (3).** (4642). Analysis of crustal structure; stress and strain in rocks; mechanical interpretation of crustal structures. **PREREQUISITES:** GEOL 3512, MATH 1321.

**4510-6510. Aerial Photo Interpretation. (3).** (Same as GEOG 4510). Elements and steps involved in interpreting, measuring and mapping images appearing on aerial photographs. *Two lecture, two laboratory hours per week.*

**4511-6511. Economic Mineral Deposits. (3).** Origin, occurrence, and composition of metallic and nonmetallic mineral deposits. *Three lecture hours per week.* **PREREQUISITES:** GEOL 3311, 3312, and 3512.

**4512-6512. Remote Sensing of the Environment. (3).** (Same as GEOG 4511). Survey of theory and application; use of color, infrared, thermal and radar images generated from satellites for geographic, geologic, environmental and planning purposes. **PREREQUISITE:** GEOL 4510.

**4622. Geology Field Camp. (6).** Preparation of structural and geologic maps in prescribed geologic areas using topographic maps and aerial photographs. Instruments used are the alidade and the Brunton compass. Offered in summer school only. **PREREQUISITES:** GEOL 3302, 3512. [I].

**4701-6701. Spring Field Trip. (1-2).** Conducted field trips during spring vacation. About 30 hours of field work follow 2-4 hours of lectures. Open to non-majors. Among areas which may be included are Ouachita-Arbuckle-Wichita Mountains of Oklahoma;

Ouachita, Ozark dome and adjacent mineral districts; central and southern Appalachians; and Gulf Coastal Plain. Check *Schedule of Classes* for specific location. **NOTE:** May be repeated three times when location varies. A total of no more than 8 hours credit may be earned. *Dates, hours and credits to be arranged.* **PREREQUISITE:** consent of instructor.

**4721. Investigations in Geology. (1-3).** Individual or group work on topics of current interest. *May be repeated for maximum of 6 hours.* **PREREQUISITE:** consent of instructor.

**4731. Senior Thesis. (1-3).** Original study on subject of geological significance to be carried on independently by student with faculty supervision. **PREREQUISITE:** senior standing in Geology.

### E237 GEOPHYSICS (GEOP)

**4101-6101. Introduction to Geophysics. (3).** (GEOL 4652). Fundamental topics: earth's ages and their thermal state, main gravity and magnetic fields; dynamic models of earth's interior, comparison of terrestrial planets. **PREREQUISITES:** PHYS 2111, MATH 1321.

**4111-6111. Advanced Physical Geology. (3).** Geology for geophysicists from advanced quantitative viewpoint; the earth as a planet; its structure; its physical and chemical environment; its materials and processes on its surface and interior; its evolution from a physical and geological viewpoint. **PREREQUISITE:** consent of instructor.

**4201-6201. Applied Geophysics. (4).** (GEOL 4632). Geophysical prospecting methods; seismic reflection and seismic refraction techniques, and electrical, magnetic, and gravity field measurements with emphasis on fundamental principles governing acquisition and interpretation of geophysical data. *Three lecture, two laboratory hours per week.* **PREREQUISITE:** consent of instructor.

**4401-6401. Introduction to Seismology. (3).** (GEOL 4440). Wave propagation in the earth. Topics include elasticity, elastic wave equation, vibrations and waves, body and surface elastic waves, seismic rays, reflection and refraction of seismic waves, and the earthquake source. *Two lecture, two laboratory hours per week.* **PREREQUISITE:** MATH 4391 or consent of instructor.

**4721. Seismogram Reading. (1).** Introduction to seismogram interpretation of recent earthquakes recorded by the instruments of CERl and the Global Digital Seismic Network. **PREREQUISITE:** consent of instructor. (S/U).

**4722. Investigations In Geophysics. (1-3).** (GEOL 4722). Individual or group work on topics of current interest in the broad field of geophysics. *May be repeated for maximum of 6 hours.* **PREREQUISITE:** consent of instructor.

**4931. Senior Thesis. (1-3).** Original study on subject of geophysical significance, to be carried on independently by student with faculty supervision. **PREREQUISITE:** senior standing.

## HISTORY

PROFESSOR

F. JACK HURLEY, Chair  
Room 100, Mitchell Hall

All candidates for graduation at The University of Memphis are required to complete History 2601 or 2602.

### E240 HISTORY (HIST)

**1301. The Development of World Civilization I. (3).** Especially recommended for freshmen. Traces forms of civilization from beginnings to 1500. [G].

**1302. The Development of World Civilization II. (3).** Especially recommended for freshmen. Traces forms of civilization from 1500 to present. [G].

**2601. The United States to 1877. (3).** United States from discovery to end of political reconstruction. [G].

**2602. The United States Since 1877. (3).** United States from 1877 to present. [G].

- 3010. Special Issues in History.** (3). May be repeated for a maximum of nine hours when topic varies.
- 3035. Technology and Culture in American History.** (3). Interrelationship between technology and culture; emphasis on 19th and early 20th centuries.
- 3040. Research Tools for the Humanities.** (3). Introduction to history of computing; familiarization with computers, operating systems, word processing, database management, spreadsheets, statistical analysis, and bibliographical search; consideration of social, ethical, and legal implications of computers, emphasis on applications to humanities. NOTE: Beginning knowledge of basic statistics recommended.
- 3045. Quantification and History.** (3). Concepts of quantification in history; survey of literature of quantitative history; practical work in quantitative methods in history. PREREQUISITE: COMP 1200 or its equivalent or successful completion of university's computer literacy examination. [C].
- 3121. England Before 1714.** (3). Political, constitutional, cultural, social, and economic development of England from coming of Anglo-Saxons until Hanoverian accession in 1714.
- 3122. England Since 1714.** (3). Development of England's democratic government, considering economic, social, intellectual, diplomatic, and imperial affairs.
- 3211. Colonial Latin America.** (3). Political, economic, social and cultural development in Latin America from pre-conquest era to 1808.
- 3212. The Latin American Nations.** (3). Major political, economic, and social trends in Latin America since 1800. Emphasis on Argentina, Brazil, Chile, and Mexico.
- 3271. The Middle East.** (3). Political, diplomatic, social and religious developments in Middle East from 1800 to present.
- 3275. History of the Jewish People.** (3). History of Jewish people from antiquity to present; emphasis on their changing relationships to larger cultures in which they participated.
- 3290. Traditional Asia.** (3). Comparative survey of civilizations in India, China, Japan, and Southeast Asia, from their beginnings through the 18th century.
- 3291. Modern Asia.** (3). Asia from 1800 to present, focusing on Asian reactions to colonialism, and rise of modern nation states in India, Japan, China, and Southeast Asia.
- 3300. The Ascent to Civilization.** (3). (Same as ANTH 3300). Interdisciplinary integrative examination of nature of civilization through investigation of origins of civilization and comparative study of world's earliest civilizations. PREREQUISITE: 9 hours of history or anthropology, including either HIST 1301 or ANTH 1100. [I].
- 3301. Early Modern Europe, 1500-1800.** (3).
- 3302. Modern Europe, 1800 to Present.** (3).
- 3320. The Ancient World.** (3). Survey of civilizations of ancient Egypt and the Near East, Greece, and Rome.
- 3506. Cultural and Intellectual History of Europe.** (3). Topics in history of European culture and thought from late Middle Ages to twentieth century. [W].
- 3803. American Diplomatic History.** (3). Though including the 18th and 19th centuries, course concentrates on 20th. Emphasizes relationship between foreign policy and domestic forces. NOTE: *Students who have received credit for HIST 3801 or 3802 will not be allowed credit for HIST 3803.*
- 3811. United States Military and Naval History.** (3). (4811). Developments since colonial period; emphasis on background and growth of national military and naval establishments, military and naval thought, difficulties accompanying modernization and assumption of global responsibilities, and problem of relationship between civilian and military-naval sectors in democracy.
- 3817. Vietnam War in Global Perspective.** (3). Traditional Vietnamese culture, its response to contact with the West and, more extensively, involvement of United States in the Indochina War.

- 3823. Economic History of the United States.** (3). NOTE: *Students who have received credit for HIST 3821 or 3822 will not be allowed credit for HIST 3823.*
- 3840. United States Constitutional History.** (3). Constitutional developments from colonial period to present, emphasis on English heritage, constitutional antecedents of revolutionary era, origins and growth of federal system under Constitution of 1787, and evolution of modern constitutional government in United States.
- 3863. Social and Intellectual History of the United States.** (3). Survey of way Americans have thought about essential features of social and political order. Focus on development of and debate over central ideas of equality, freedom, and individualism that have defined the order of the common life. NOTE: *Students who have received credit for HIST 3861 or 3862 will not be allowed credit for HIST 3863.* [G].
- 3865. History of Immigration to United States.** (3). Nature and effects of immigration to United States from 1776 to present.
- 3900. History of Tennessee.** (3). Political, economic, and social development of Tennessee from earliest times. [G].
- 3905. History of Memphis.** (3). Political, social and economic aspects of development of Memphis from foundation to present.
- 3920. The Old South.** (3). Southern institutions prior to outbreak of Civil War.
- 3930. The New South.** (3). South from Civil War to present.
- 3940. The West.** (3). Significance of frontier in development of United States from Revolutionary period to 1890.
- 4003. The Philosophy of History.** (3). History as a distinct discipline. Thought of leading Western philosophers of history about nature of history in its two senses—history as actuality and history as thought about actuality. [W].
- 4012. Directed Readings, Honors.** (3). Under the direction of faculty member, student reads about particular topic or topics. PREREQUISITE: admission to Honors Program.
- 4014. Directed Readings.** (1-3). Readings on particular topic in history under supervision of member of faculty.
- 4200-6020. Internship in History.** (3-12). Supervised internships working with various governmental agencies, private foundations or businesses of interest to historians. May be repeated for up to 12 hours credit. PREREQUISITE: permission of department.
- 4022-6022. Oral History.** (3). Applied history, covering oral history theory, research, and interviewing procedures.
- 4050-69-6050-69. Special Topics in History.** (1-3). Intensive study of selected topics; topic announced in *Schedule of Classes*.
- 4126-6126. Victorian and Edwardian England.** (3). Social, political, and cultural adjustments of England to experience of industrialization in 19th and early 20th centuries.
- 4145-6145. History of Modern Germany.** (3). Germany from origins of unification movement in Napoleonic Era through Second World War.
- 4160-6160. Russia to 1917.** (3). Russia from earliest times to 1917; emphasis on the rise of serfdom and autocracy and evolution of revolutionary movement.
- 4162-6162. History of the Soviet Union.** (3). Detailed study of 1917 Revolution and major developments in government, economy, cultural and social life, and international affairs that followed. [W].
- 4200-6200. History of Spain.** (3). Spanish institutions, culture and politics from ancient times to present.
- 4240-6240. History of Mexico.** (3). Political, economic, social, and cultural development of Mexico from ancient times to present.
- 4250-6250. History of Brazil.** (3). Political, economic, social, and cultural development of Brazil from early times to the present.
- 4260-6260. The World Since 1945.** (3). Global ideological, economic and political developments since World War II. Emphasizes rising affluence of indus-

- trial free market, movement of former colonies to independence, and growth in diversity among Soviet bloc nations.
- 4281-6281. Africa South of the Sahara.** (3). Emphasis on black Africa in nineteenth and twentieth centuries. Age of imperialism and impact of West on Africa, colonial policies of European powers; rise of nationalist movements; problems of newly independent nations; role of African countries in world affairs.
- 4282-6282. The History of North Africa.** (3). Emphasis on nineteenth and twentieth centuries. Extension of European influence and control; rise of nationalist movements; role of these areas in world affairs.
- 4283-6283. The History of Southern Africa.** (3). European colonization and impact on African people from 1652 to date in Republic of South Africa, Rhodesia, and former High Commission Territories.
- 4292-6292. History of Modern China, 1800 to the Present.** (3).
- 4294-6294. History of Modern Japan, 1800 to the Present.** (3).
- 4295-6295. Intellectual History of East Asia Since 1800.** (3). Evolution of modern Chinese and Japanese thought.
- 4320-6320. Ancient Near East.** (3). From beginnings in Egypt and Mesopotamia to great empires of Assyria, Babylon, Persia.
- 4321-6321. The Greek Experience.** (3). Politics, society and culture in ancient Greece to Alexander the Great.
- 4322-6322. The Roman World.** (3). Hellenistic kingdoms and Roman Empire.
- 4361-6361. History of the Byzantine Empire.** (3). Byzantine or East Roman Empire from 330 to 1453 and its influence on Slavic, Turkic, and Islamic peoples.
- 4371-6371. Early Middle Ages.** (3). Late Roman Empire, migration period, emergence of Islamic, Byzantine, and West European cultures through period of Investiture Controversy.
- 4372-6372. The High Middle Ages.** (3). Urban emergence, growth of feudal monarchy, foundations of modern political institutions, medieval universities, and intellectual fabric of scholasticism.
- 4380-6380. Renaissance Europe, 1300-1520.** (3). Transition from medieval to early modern institutions in Europe; emphasis on urban growth, capitalism, emergent nationalism, international diplomacy, and humanism.
- 4390-6390. Europe in the Age of the Reformation.** (3). Characteristic political, social, economic, intellectual, and cultural developments and religious conflicts of late fifteenth and sixteenth centuries.
- 4401-6401. Europe in the Age of the Baroque.** (3). Political crises, development of monarchical absolutism, rise of modern science, and cultural synthesis in seventeenth century.
- 4440-6440. The Era of the French Revolution.** (3). The Old Regime, origins and development of Enlightenment thought, and revolutionary and counter-revolutionary movements in 18th century Europe.
- 4453-6453. Europe, 1815-1914.** (3). NOTE: *Students who have received credit for HIST 4451 or 4452 will not be allowed credit for HIST 4453.*
- 4461-6461. Europe, 1914-1945.** (3).
- 4503-6503. Disease and Medicine in History.** (3). How various diseases and the medical attempts to conquer them influenced economic, political, and social action throughout history. Emphasis on significant work in history of public health and speculation about importance of environmental factors in man's future.
- 4620-6620. Colonial America, to 1783.** (3). Political development and economic, social and cultural institutions of English Colonies in America, including origins and conduct of American Revolution.
- 4630-6630. The New Nation, 1783-1815.** (3).
- 4640-6640. Jacksonian America, 1815-1850.** (3).
- 4670-6670. Civil War and Reconstruction, 1850-1877.** (3).

**4690-6680. Emergence of Modern America, 1877-1914.** (3). United States from end of Reconstruction to outbreak of World War I.

**4701-6701. The United States, 1914 to the Second World War.** (3). United States from outbreak of World War I to World War II.

**4702-6702. United States from the Second World War.** (3). The United States from World War II to present.

**4823-6823. American Labor History.** (3). Historical development of labor movement in United States; emphasis on social, economic, and political trends related to labor movement.

**4824-6824. Business History.** (3). Historical development of business in the United States; attention to social, economic, and political trends related to American business communities.

**4831-6831. History of American Family.** (3). Analysis of changes in family size and structure and relationships between family and society from colonial times to present.

**4851-6851. History of Women in America.** (3). History of women from discovery of America to present. [G].

**4861-6861. Parks/People/Public Policy.** (3). Comparative study of history and administration of public land areas in the United States, and of American conservation.

**4863-6863. History of Childhood in America.** (3). Historical consideration of children and childhood in American society from early 17th century to present. [W].

**4871-6871. United States Urban History.** (3). Development of American cities, including formation of local social, economic, and political institutions, and impact of urbanization on United States.

**4881-6881. Black American History.** (3). History and culture of Afro-Americans in light of their experiences; aspects of Black American life and attitudes of dominant society within which Blacks lived; ways Black men and women shaped and nurtured their own lives, culture and history in U.S. [G].

**4882-6882. Civil Rights Movement in the United States Since 1930.** (3). Struggle for black equality, with emphasis on key civil rights issues, events, leaders, and strategies, as well as on racial violence.

**4941-6941. History of the American Indian.** (3). Role of Indian in American history.

**4996. Honors Thesis.** (3). Under direction of faculty member, and with approval of Honors Committee, student writes thesis based on research in primary and/or secondary sources. PREREQUISITE: admission to Honors Program.

## INTERNATIONAL RELATIONS

ASSOCIATE PROFESSOR

J. REX ENOCH, *Coordinator*

*Room 225, Clement Humanities Building*

### EN245 INTERNATIONAL STUDIES (INTL)

**101. Analysis of Developing Nations.** (3). Interdisciplinary survey of developing nations, other societies and problems of technologically developing nations. Basic concepts and methods of social sciences employed to study processes of social change in cross-cultural comparison. NOTE: A student may not receive credit for both INTL 1101-1102 and UNIV 1410.

**1102. The Third World: A Regional View.** (3). Interdisciplinary survey of contemporary developing nations within a major world region. Regional focus on Africa, Latin America, Southeast Asia, or Indian Subcontinent.

**4601. Seminar in International Relations.** (3). Investigation of selected topics in international relations from interdisciplinary perspective. Individual research and presentation of major paper that integrates tools,

data or concepts of two or more disciplines. PREREQUISITE: permission of International Relations advisor.

**4911. Internship in International Relations.** (1-6). Practical experience in international organization. Students placed for some period of time with governmental or private organization to obtain practical experience in foreign policy making, problems of development, and/or cross-cultural communication. Academic credit granted upon certification of cooperating agency and acceptance by faculty of written report by student. May be repeated for up to 6 hours credit. PREREQUISITE: permission of Coordinator of International Relations.

**4912. Directed Individual Study.** (1-6). Individually directed advanced reading and/or research in special areas of interest. NOTE: Course may be repeated for a maximum of 6 hours credit. PREREQUISITE: permission of Coordinator of International Relations.

## MATHEMATICAL SCIENCES

PROFESSOR

RALPH J. FAUDREE, *Chair*  
*Room 373, Dunn Mathematics & Foreign Languages Building*

The Department of Mathematical Sciences offers general courses in mathematics, statistics and computer science for students in all departments of the university, with specially designed programs for the principal divisions of the university. Courses satisfying specific graduation requirements of the several colleges are listed in the description of the degree requirements for the specific college.

The courses MATH 1211 and 1212 provide preparatory instruction, as needed, for required courses. MATH 1211 provides preparation for MATH 1212, and MATH 1212 provides preparation for MATH 1321. For students who do not possess the level of preparation or competency to achieve success in college level courses, Academic Services and Developmental Studies provides a testing and placement program and offers special courses in arithmetic and elementary algebra (R&DS 0720, 0820, and 0821). Students must display a level of competency as found in R&DS 0821 to enter the college level courses in mathematics.

### E280 MATHEMATICS (MATH)

**0990. Foundations of Geometry.** (3). Axiomatic development of plane geometry; emphasis on concepts of symmetry, congruence and similarity, Pythagorean Theorem and special right triangle properties; area and volumes of special right triangle properties; area and volumes of special two- and three-dimensional figures. NOTE: will not count toward the 132-semester hour degree requirement for any degree. PREREQUISITE: two units of high school algebra or R&DS 0821.

**1181. Concepts of Number.** (3). Introduction to logic; set theory; development and applications of numeration systems, mathematical systems and algorithms. PREREQUISITE: two units of high school algebra or R&DS 0821. [G].

**1182. Concepts of Algebra.** (3). Algebraic structures, combinatorics, statistics, mathematical proof, problem solving. PREREQUISITE: MATH 1181. [G].

**1211. College Algebra.** (3). Systems of equations and inequalities, mathematical induction, matrix methods, partial fractions, synthetic division, theory of equations, sequences and series. NOTE: MATH 1211 and 1213 will not satisfy a six semester hour Mathematics requirement. PREREQUISITE: placement test recommended but not required; two units of high school algebra or R&DS 0821.

**1212. Trigonometry.** (3). Circular functions; inverse circular functions, graphs of circular and inverse functions, identities, equations, angles, trigonometric functions, solution of triangles, elementary application of vectors; trigonometric form of complex numbers. NOTE: MATH 1212 and MATH 1213 will not satisfy a six semester hour Mathematics require-

ment. PREREQUISITE: placement test recommended but not required; MATH 1211.

**1213. College Algebra and Trigonometry.** (4). Exponents, radicals, quadratic functions, inequalities, relations and functions; inverse, exponential and logarithmic functions; solution of algebraic systems; trigonometric functions, identities, equations and graphs; angle measurements; sum, difference, half-angle and double-angle formulas; solution of triangles; laws of sines and cosines. NOTE: MATH 1211 and 1213, or 1212 and 1213 will not satisfy a six semester hour Mathematics requirement. PREREQUISITE: two units of high school algebra or R&DS 0821.

**1312. Elementary Calculus.** (3). Introduction to concepts and methods of elementary calculus of one real variable as related to rational, exponential, and logarithmic functions; nature of derivatives; differentiation; application of derivative; nature of integration; definite integral; applications of definite integral. NOTE: Only one of the courses MATH 1312 or 1321 may be used to satisfy degree requirements. PREREQUISITE: MATH 1211. [G].

**1321. Analytic Geometry and Calculus.** (4). Essentials of analytic geometry of the plane; nature of derivatives; differentiation of algebraic and trigonometric functions; applications of derivatives and antiderivatives. (Placement test recommended but not required.) NOTE: Only one of the courses MATH 1312 or 1321 may be used to satisfy degree requirements. Students may not receive credit for both MATH 1321 and 1401. PREREQUISITE: MATH 1211 or 1213. [G].

**1401. Honors Calculus I.** (4). Concepts of differential calculus with emphasis on theory; limits, continuous functions, applications of the derivative. NOTE: Students may not receive credit for both MATH 1401 and 1321. PREREQUISITE: permission of instructor.

**1402. Honors Calculus II.** (4). Differential and integral calculus with emphasis on theory; anti-derivatives, definite integrals, techniques of integration, sequences, and series. NOTE: Students may not receive credit for both MATH 1402 and 2321. PREREQUISITES: MATH 1401 or 1321 and permission of instructor.

**2000. Experiences in Mathematics.** (3). Introduction to selected areas of mathematical sciences through application to modeling and solution of problems involving networks, circuits, trees, linear programming, random samples, regression, probability, inference, voting systems, game theory, symmetry and tilings, geometric growth, conics, comparison of algorithms, codes and data management. PREREQUISITE: three years of high school mathematics, including two years of algebra and one year of geometry. [G].

**2321. Analytic Geometry and Calculus.** (4). Differentiation, integration and analytical aspects of elementary transcendental functions; techniques of integration, limits and continuity, applications of definite integral; polar coordinates. NOTE: Students may not receive credit for both MATH 2321 and 1402. PREREQUISITE: MATH 1212 or 1213, and 1321.

**2322. Analytic Geometry and Calculus.** (4). Indeterminate forms; improper integrals; vectors and analytic geometry in 3-space; partial differentiation; multiple integrals; infinite series. PREREQUISITE: MATH 2321.

**2401. Honors Calculus III.** (4). Multivariable calculus; vectors and matrices, partial derivative and applications, multiple integrals, line and surface integrals, Green's and Stoke's theorem. NOTE: Students may not receive credit for both MATH 2401 and 2322. PREREQUISITE: MATH 1402.

**2581. Concepts of Geometry.** (3). Introduction to idea of proof in postulational system; development of geometric relationships independent of number, including congruent triangles, similar triangles, parallelograms, and circles; applications of number in geometry including coordinate geometry, lengths areas, and volumes. PREREQUISITE: MATH 1182.

**2701. Discrete Structures.** (3). Elementary logic; sets, relations, functions, orderings, equivalence relations, partitions; finite sets, modular arithmetic; natural numbers, mathematical induction, strings,

string programs, connectedness, traversals, graph algorithms. PREREQUISITE: MATH 1321.

**3221. Elementary Number Theory. (3).** Divisibility properties of integers; prime numbers; congruences; Diophantine equations; quadratic residues; number theoretic functions: Fermat's theorem and Euler's generalization; applications to cryptography; quadratic reciprocity law. PREREQUISITE: MATH 3242 (formerly MATH 4241 ); or MATH 2701; or permission of instructor.

**3242. Introduction to Linear Algebra. (3). (4241).** Systems of linear equations, matrices, elementary row and column operations, determinants; vector spaces and subspaces; linear transformations. PREREQUISITE: MATH 2322; or MATH 2321 and MATH 2701; or permission of instructor. [C].

**3391. Differential Equations. (3).** Ordinary differential equations including series solutions. PREREQUISITE: MATH 2322.

**3402. Honors Mathematics IV. (4). (2402).** Linear algebra and differential equations; vector spaces, bases, linear transformations, matrices, first and second order ordinary differential equations, systems, phase plane methods. NOTE: *Students with credit for this course cannot receive credit for MATH 3242 or 3391.* PREREQUISITE: MATH 2401.

**3581. College Geometry. (3).** Axiomatic systems; methods of proof, major results from plane geometry; affine, projective, elliptic, and hyperbolic geometry; applications of differential calculus. PREREQUISITE: MATH 2321.

**4010-19-6010-19. Special Topics in Mathematics and Statistics. (1-3).** Topics are varied and announced in *Schedule of Classes*. PREREQUISITE: permission of instructor.

**4151-6151. History of Mathematics. (3).** Development of mathematics from earliest times to present; problem studies; parallel reading and class reports. PREREQUISITE: MATH 2321 or equivalent.

**4171-6171. Special Problems in Mathematics. (1-3).** Directed individual study in selected areas of mathematics chosen in consultation with instructor. Repeatable by permission of chair. PREREQUISITE: permission of instructor.

**4240-6240. Matrix Algebra. (3). (3241).** Elementary operations, special classes of matrices, determinants, eigenvalues and eigenvectors, canonical forms, and elementary computer implementation. PREREQUISITE: knowledge of Fortran and MATH 1321 or 1312. Credit may not be obtained for both 4240 and 4241.

**4242-6242. Linear Algebra. (3).** Linear transformation, polynomials, determinants, direct-sum decompositions, diagonalizable operators, rational and Jordan forms, inner product spaces, the spectral theorem. PREREQUISITE: MATH 3242.

**4261-6261. Abstract Algebra. (3).** Groups; homomorphisms; rings; integral domains; polynomials; fields. PREREQUISITE: MATH 3242 or permission of instructor.

**4350-6350. Introduction to Real Analysis I. (3).** Real number system, functions and sequences, limits, continuity, differentiation; Riemann-Stieltjes integration, series of functions. PREREQUISITES: MATH 2322 and 3242. [W].

**4351-6351. Introduction to Real Analysis II. (3).** Integration theory; Riemann and Lebesgue integrals; partial differentiation, implicit function theorem. PREREQUISITE: MATH 4350 or permission of instructor.

**4361-6361. Complex Variables. (3).** Complex numbers; analytic functions; Cauchy-Riemann conditions; Taylor and Laurent series; integration. PREREQUISITE: MATH 2322.

**4390-6390. Ordinary Differential Equations. (3).** Existence and uniqueness, linear autonomous and linear non-autonomous systems, stability, classification of linear flows, boundary value problems, and numerical applications. PREREQUISITES: MATH 3391, 3242.

**4391-6391. Partial Differential Equations I. (3).** Laplace transforms; Fourier series; introduction to partial differential equations. PREREQUISITE: MATH 3391.

**4392-6392. Partial Differential Equations II. (3).** Methods of characteristics, Green's functions, exist-

ence and regularity of solutions of boundary value and Cauchy problems. PREREQUISITE: MATH 4391.

**4402. Senior Honors Seminar. (3).** In-depth study of one or more topics in mathematical sciences; emphasis on individual research and problem solving techniques; student writes and presents an Honors Thesis. PREREQUISITE: open only to senior Honors Students in mathematical sciences with permission of instructor.

**4411-6411. Topology. (3).** Introductory set theory; metric spaces; topological spaces; continuous functions; separation axioms; separability and countability axioms; connectedness and compactness. PREREQUISITE: MATH 4350 or 3242.

**4701-6701. Mathematics for Computer Scientists. (4).** Basic mathematical concepts applied to problem solving in computer science: (di)graphs, trees; enumeration; recurrence relations; induction; basic probability and distributions; integer and modular arithmetic; random number generators; state sets and transition functions, finite-state machines; boolean algebra, and elementary logic. NOTE: *Credit may not be obtained for both 2701 and 4701.* COREQUISITE: MATH 1321.

**4711. Introduction to Mathematical Logic. (3). (Same as COMP 4711).** Propositional logic and truth table algorithms, first order calculus: terms, formulas, sentences, models, satisfaction, truth and logical validity; proof procedures and natural deduction; completeness and incompleteness theorems; applications to artificial intelligence, computer theorem proving, and verification of computer programs. PREREQUISITES: MATH 2701 or MATH 4701 or PHIL 3621 or permission of instructor.

**4721-6721. Numerical Analysis. (3).** Derivation and application of computer-oriented, numerical methods for functional approximation, differentiation, quadrature, and solution of ordinary differential equations. PREREQUISITE: MATH 2321 and knowledge of Fortran.

**4741-6741. Linear Programming Methods. (3).** Theory of linear programming methods, problem formulation; convex sets; simplex and revised simplex methods; matrix games and linear programming. PREREQUISITES: MATH 4240 or 3242 and knowledge of Fortran.

**4999. Investigations in Mathematics. (3).** Series of seminars that studies interrelationships among diverse areas of mathematical sciences covered in undergraduate program and how they developed. Emphasis on independent work, class discussions, and student projects. PREREQUISITE: senior standing in mathematical sciences. [I].

## STATISTICS (MATH)

**4611-6611. Basic Concepts of Statistical Methods. (3).** Binomial, hypergeometric, Poisson, multinomial and normal distributions, test of hypotheses, chi-square test, t-test, F-test, etc., non-parametric tests; correlation analysis. NOTE: *Credit earned for this course may not be applied toward requirements for the Mathematical Sciences major. Students who have a calculus background are encouraged to take MATH 4635 instead of this course.* PREREQUISITE: 6 hours in mathematics at level of MATH 1211 or above.

**4614-6614. Applied Probability and Queueing Theory. (3).** Probability and random variables, discrete and continuous probability distributions, stochastic processes, queueing theory, applications of probability and queueing theory to computer systems. NOTE: *Students may not receive credit for both MATH 4614 and MATH 4635.* PREREQUISITES: MATH 2321, 2701, and COMP 1900 or its equivalent.

**4631-6631. Probability. (3).** Basic concepts in probability, probability models, applications. NOTE: *Students majoring in Mathematical Sciences may not take MATH 4631 for credit.* PREREQUISITES: 6 hours in mathematics at level of MATH 1211 or above.

**4635-6635. Introduction to Probability Theory. (3).** Basic probability theory, random variables, discrete and continuous probability distributions, functions of one or more random variables, multivariate distributions. NOTE: *Students may not receive*

*credit for both MATH 4635 and MATH 4614.* PREREQUISITE: MATH 2322.

**4636-6636. Introduction to Statistical Theory. (3). (4613).** Sample distributions, transformations of random variables, central limit theorem, law of large numbers, unbiasedness, least squares estimations, maximum likelihood estimations, confidence intervals, most powerful tests, Neyman-Person lemma, likelihood ratio tests. PREREQUISITE: MATH 4635 [W].

**4637-6637. Statistical Methods. (3).** Basic concepts of hypothesis testing; comparisons of two population means, proportions, and variances; analysis of variance; completely randomized designs, randomized block designs, Latin square designs, multiple comparisons; simple linear model and multiple regression; analysis of covariance. PREREQUISITE: MATH 4611 or 4635.

**4640-6640. Introduction to Probability Models. (3).** Basic concepts of discrete Markov chains; branching processes; Poisson processes; applications to modelling of population growth; applications to modelling of spread of infectious disease. PREREQUISITE: MATH 4635.

## E285 COMPUTER SCIENCE (COMP)

**1200. Computer Literacy. (4).** Computer and its role in modern world; history of computing and social, ethical, and legal implications of computer use; introduction to computer programming and use of programs for educational and career tasks. *Three lecture, three laboratory hours per week.* Satisfies computer literacy requirement for graduation. Credit may not be applied for degree or concentration in Computer Science. PREREQUISITES: R&DS 0821, or two units of high school algebra, or one unit of algebra and one unit of geometry.

**1900. Computer Programming. (4). (1000).** Principles of computer programming style, expression, and documentation: design specifications, algorithmic problem solving, stepwise refinement, storage variables and structures, assignments, primitive operations, and branching; coding in high-level programming language: data typing, standard procedures and functions, subprograms and parameters, control structures, and I/O. NOTE: *For Computer Science majors.* Non-majors should elect COMP 4001. *Three lecture hours, two laboratory hours per week.* PREREQUISITE: MATH 1211.

**2150. Data Structure. (3).** Recursive procedures. Representation, programming and applications of basic data structures including linked lists, stacks, queues, trees, and sets. Basic sort and search algorithms. Hashing. PREREQUISITE: COMP 1900 and MATH 1321; COREQUISITE: MATH 2701.

**3160. File Processing. (3). (4160).** Concepts of record, file, paging blocking, compaction, database, sequential bulk storage devices, external sortmerge algorithms, algorithms for updating sequential file linked lists, file-oriented tree structures, traversing and balancing trees, network concepts; random access bulk storage devices, algorithms and storage of inverted files, multilists, indexed sequential and hierarchical structures, file I/O. PREREQUISITE: COMP 2150.

**3230. Assembly Language Programming. (3).** Computer machine language: opcodes, addressing modes, arithmetic and logic, program control, interrupts; symbolic coding and assembly systems: labels, mnemonics, expressions, assembler directives, assembly process; program design, coding, testing, tracing, and debugging; advanced assembler features; partial assembly, program segmentation, loading and linking, macro instructions. PREREQUISITE: COMP 1900.

**3420. Computer Organization. (3).** Binary signals, combinational and sequential logic networks, computer structure, memory, control, processing, and I/O units, bus-structured systems, fetch-execute cycle, timing, principal instruction types and execution, addressing and accessing techniques, interrupts; standard communication codes, parity, encoders, decoders, and code conversion. PREREQUISITE: COMP 1900. COREQUISITE: COMP 3230.

**3720. Intelligent Systems—Human And Machine. (3). (Same as PHYS 3720).** Intelligence and artificial

intelligence, the brain, the computer, limits of computation, knowledge representation, deductive and inductive reasoning, problem solving and theorem proving, learning, language and communications, expert systems, vision, machine vision, connectionist models. PREREQUISITES: MATH 1321 or 2701, and programming experience in some high level language.

**4001-6001. Computer Programming.** (3). Algorithmic problem solving, formalization of algorithms, stepwise refinement, the BASIC and FORTRAN programming languages; constants, variables, data types, arithmetic expressions, assignment statements, logical expressions, branching, iteration, subprograms and parameters, I/O, string manipulation, programming style. NOTE: *Computer Science majors may not use COMP 4001 to fulfill degree requirements.* PREREQUISITE: MATH 1211.

**4002-6002. Accelerated Computer Programming.** (3). Computers and computer programming. Principles of style and documentation: specification, algorithms, coding, and step-wise refinement. A Structured Language. Modularity. Recursive procedures. Programming of basic data structures including linked lists, stacks, queues, trees, and sets. Basic sort and search algorithms. Hashing. NOTE: *Computer Science majors may not use COMP 4002 to fulfill degree requirements. Credit for either COMP 1900 or COMP 2150 precludes credit for COMP 4002.* PREREQUISITE: MATH 1321. COREQUISITE: MATH 4701 or 6701.

**4003-6003. Computer Organization and Assembly Language Programming.** (3). Binary signals, combinatorial and sequential logic networks, computer structure, memory, control, processing, and I/O units; instruction types and execution. Computer machine language: symbolic coding and assembly systems; design, coding, testing, tracing, and debugging. NOTE: *Computer Science majors may not use COMP 4003 to fulfill degree requirements. Credit for either COMP 3230 or COMP 3420 precludes credit for COMP 4003.* PREREQUISITE: COMP 4002.

**4030-6030. Introduction to Algorithms.** (3). Abstract data types. Asymptotic behavior of programs. Basic paradigms in algorithm design: greedy, divide-and-conquer, dynamic programming, and graph traversal. String matching "Garbage collection" and compaction. PREREQUISITE: COMP 2150.

**4040-6040. Programming Languages.** (3). Comparative features, syntax, and applicability of high-level programming languages such as FORTRAN, COBOL, PASCAL, SNOBOL, LISP, ADA, C, and FORTH, data types, and data structures, control structures and dataflow, procedures, recursion, runtime environment, string manipulation, list processing, array processing, documentation, programming style. PREREQUISITE: COMP 2150. [W].

**4041-6041. Introduction to Compilers.** (3). Finite state recognizers, lexical scanners, symbol tables, context-free languages and pushdown automata, context-free parsing methods such as recursive descent, LL(K), precedence, LR(K), SLR(K); language translation, generation and improvement of machine independent codes, inherited and synthesized attributes, syntax-directed translation schema. PREREQUISITES: COMP 3230, 4040, 4030.

**4081-6081. Software Development.** (3-6). Program design methodologies: formal methods, dataflow diagrams, strength and coupling measures; programmer teams, organization, and management, scheduling and estimating, walk-throughs, program libraries and documentation; organization, management and development of a large-scale software project. May be repeated for a maximum of 6 hours. PREREQUISITES: COMP 4040, 4030.

**4242-6242. Introduction to Computer Graphics.** (3). Characteristics of graphics I/O devices; 2D pictures, scaling, translation, rotation, and windowing; drawing histograms, simple maps, block diagrams, and flowcharts; curved lines, precision, quantization, and interpolation, plotting equations; 3D pictures, scaling, translation, rotation, and projections hidden line problem, non-Euclidean geometry, animation. PREREQUISITES: COMP 3420.

**4270-6270. Introduction to Operating Systems.** (3). Hierarchy of storage devices, I/O buffering, interrupts, channels; multiprocessing, processor and job scheduling, memory management; paging, segmentation, and virtual memory; management of asynchronous processes; interrupt procedure calls, process stateword and automatic switch instructions, semaphores, concurrency; security and recovery procedures. PREREQUISITES: COMP 3230, 3420, 4040, 4030.

**4601-6601. Introduction to Computability.** (3). Basic models of computers as basis of understanding and analysis of programming, computation, and complexity: machine models (finite-state machines, Turing machines; PRAMS, interconnect networks, neural networks, automata networks); data models (list, graph, and relational data models); logic models ( $\lambda$ -calculus, grammars, recursive functions, and predicates). PREREQUISITE: MATH 2701, 4701, or permission of instructor.

**4711-6711. Introduction to Mathematical Logic.** (3). (Same as MATH 4711). Propositional logic and truth table algorithms; first order calculus, terms, formulas, sentences, models, satisfaction, truth and logical validity; proof procedures and natural deduction; completeness and incompleteness theorems; applications to artificial intelligence; computer theorem proving, and verification of computer programs. PREREQUISITES: MATH 2701 or MATH 4701 or PHIL 3621 or permission of instructor.

**4720-6720. Introduction to Artificial Intelligence Programming.** (3). Fundamentals of programming in LISP. Central ideas of artificial intelligence, including matching, goal reduction, constraint exploitation search, and problem solving. PREREQUISITE: COMP 4040 or permission of instructor.

**4730-6730. Expert Systems Programming.** (3). Fundamentals of programming PROLOG, including data structures, backtracking, the cut, I/O, predicates and debugging, central ideas of expert system development including knowledge representation (rules, semantic nets, frames) control structures, tools, and knowledge acquisition. PREREQUISITES: MATH 2701 and COMP 4030 or permission of instructor.

**4901-6901. Individual Studies in Computer Science.** (1-3). Directed individual study of selected areas of computer science. May be repeated by permission for a maximum of 6 hours. PREREQUISITE: permission of instructor.

**4911-6911. Internship in Computer Science.** (1-6). Practical experience in computer science. Students placed for some time with governmental or private organizations. Project must be approved and supervised by department faculty. Academic credit granted upon certification of the cooperating agency and acceptance by supervising faculty of student's written report. May be repeated for up to a total of six semester hours credit. PREREQUISITE: permission of supervising faculty member. (S/U).

**4990-99-6990-99. Topics in Computer Science.** (1-3). Topics are varied and announced in *Schedule of Classes*. PREREQUISITE: permission of instructor.

## PHILOSOPHY

### PROFESSOR

NANCY D. SIMCO, *Chair*

*Room 327, Clement Humanities Building*

### CLASSICAL PHILOSOPHY (PHIL)

**1101. Classical Issues in Philosophy.** (3). (1111). Introduction to philosophical thought focused on emergence of philosophical inquiry in Classical period; examines influence of classical philosophical issues on science, religion and society, and their relevance to modern culture. [G].

**1102. Values and the Modern World.** (3). Discussion of nature of value, development of traditional values in East and West, criticisms of traditional values and comparative assessment of most widely accepted value philosophies of modern world. [G].

**1611. Elementary Logic.** (3). Introduction to formal and informal reasoning that emphasizes logic as practical method for problem solving. PREREQUISITE: two units of high school algebra or one unit algebra and one unit geometry.

**3001. Foundations of Western Philosophy: Classical Period.** (3). Introduction to history of philosophy from 7th century B. C. through early Middle Ages structured around major themes that shaped classical period, attention to cultural and historical settings in which they arose and to which they contributed. Readings from philosophical and nonphilosophical sources. PREREQUISITES: PHIL 1101 or 1102, or permission of instructor.

**3002. Foundations of Western Philosophy: Modern Period.** (3). Introduction to history of philosophy from late Middle Ages through 19th century structured around major themes that shaped the modern period; attention to cultural and historical setting in which they arose and to which they contributed. Readings from philosophical and nonphilosophical sources. NOTE: While this is a continuation of PHIL 3001, it may be taken separately. PREREQUISITES: PHIL 1101 or 1102, or permission of instructor.

**3411. Contemporary Moral Problems.** (3). Such important contemporary moral issues as pornography and obscenity, capital punishment, abortion, human rights, "reverse discrimination," and civil disobedience. Underlying philosophical ideas for each issue considered and discussed.

**3451. Existentialism.** (3). Historical and comparative study of different existentialist writers and their relation to literature, religion, and psychology. Readings from such writers as Kierkegaard, Nietzsche, Jaspers, Heidegger, Sartre, and Camus.

**3511. Ethics.** (3). Critical analysis of classical ethical theories and their application to problems of individual and society. PREREQUISITES: PHIL 1101, 1102, or permission of instructor. [W].

**3512. Science, Technology and Human Values.** (3). Ethical problems growing out of development of modern science and technology; of such issues as relation of science to society, dehumanization of individual, impact of technology on environment, and modern warfare. Specific content of course varies each semester.

**3514. Biomedical Ethics.** (3). Discussion of ethical problems raised by contemporary medical practices and biological innovations from standpoint of contemporary ethical theories including abortion, euthanasia, behavior modification, human experimentation and genetic engineering.

**3621. Intermediate Logic.** (3). Symbolic logic, including propositional calculus, lower functional calculus, and related topics. PREREQUISITE: PHIL 1611 or permission of instructor. [C].

**3662. Philosophy of Science.** (3). Basic features of science. Detailed analysis of problems of scientific procedure, theory construction, and verification both in physical and social sciences. PREREQUISITES: PHIL 1611 or permission of instructor.

**3671. Aesthetics.** (3). Introduction to philosophical theories and assumptions concerning nature and role of art and possibility of aesthetic evaluation.

**3701. The Human and the Divine.** (3). Examination of one or more major religious movements with regard to their origins, doctrines, and philosophical significance. Attention to such topics as contrasting conceptions of deity, worship, and role of religion in how we think about ourselves and our roles in society.

**3721. Oriental Philosophy.** (3). Philosophies of India, China, and Japan, with readings from primary sources of Hinduism, Jainism, Buddhism, Confucianism, Taoism, and Shintoism.

**3771. Philosophy in Literature.** (3). Expression of philosophical ideas in literature. Readings from philosophers, playwrights, novelists and poets.

**3880. Problems in Philosophy.** (3). An intensive study of selected philosophical problems. May be repeated for up to 6 hours credit. PREREQUISITE: PHIL 1101 or 1102, or permission of instructor.

**4211-6211. Studies in Ancient Philosophy.** (3). Readings from primary sources, supplemented by

commentary from antiquity and modern scholarship, including Pre-Socratics, Plato, Aristotle, and Hellenistic period. *May be repeated for a maximum of 9 hours credit with permission of the Departmental Undergraduate Advisor.* PREREQUISITE: PHIL 3001 or permission of instructor.

**4311-6311. Studies in Modern Philosophy. (3).** Readings from major philosophers of 17th to early 19th centuries, supplemented by commentaries from modern and contemporary sources. *May be repeated for a maximum of 9 hours credit with permission of the Departmental Undergraduate Advisor.* PREREQUISITE: PHIL 3002 or permission of instructor.

**4422-6422. Recent Anglo American Philosophy. (3).** Major developments in philosophy in England and United States from 1900 to present, reading from such philosophers as Russell, Moore, Ayer, Wittgenstein, James, Dewey, Lewis, Quine and other contemporary authors. PREREQUISITE: PHIL 3002 or 4311 or permission of instructor.

**4441-6441. Recent Continental Philosophy. (3).** Major figures in 20th Century European thought, such movements as phenomenology, existentialism, structuralism, critical theory, and hermeneutics. *May be repeated for a maximum of 9 hours credit with permission of the Departmental Undergraduate Advisor.*

**4551-6551. Social and Political Philosophy. (3).** Major philosophical theories of man and the state; emphasis on concepts of society, culture, institutions, government, law, power, authority, rights, and obligation. Selected readings. PREREQUISITE: PHIL 1101 or 1102, or permission of instructor.

**4632-6632. Advanced Logic. (3).** Nature of axiomatic systems, techniques of formalization, and logical foundations of mathematics. PREREQUISITE: PHIL 3621 or permission of instructor.

**4662-6662. Philosophy of the Social Sciences. (3).** Consideration of the scientific character peculiar to social (rather than natural) sciences by virtue of their special subject matter, human beings and society. Topics such as meaning, understanding vs. explanation, rationality and the nature of social institutions. Selected readings. PREREQUISITE: PHIL 1101 or 1102, or permission of instructor.

**4711-6711. Philosophy of Religion. (3).** (3711). Philosophical issues raised by religious experience including classical and contemporary arguments for and against existence of God, meaningfulness of religious language, and concepts of faith, evil and immortality. PREREQUISITE: PHIL 1101 or 1102, or permission of instructor.

**4801-20-6801-20. Special Topics in Philosophy. (3).** Epistemology, metaphysics, philosophy of language, philosophy of mind, logical theory, and axiology. Area to be covered appears in *Schedule of Classes* semester it is taught. *May be repeated for maximum of 15 hours credit without changing an earlier grade if different areas are treated.* PREREQUISITE: two courses in philosophy or permission of instructor.

**4891. Senior Honors Thesis. (3).** Directed reading and research culminating in a Senior Thesis. Thesis topic to be selected by student with approval of thesis director before honors students in philosophy. *May be repeated in successive semesters for up to 6 hours credit.*

**4994. Reading and Research. (3).** Individual directed study in area of special interest. *May be repeated in successive semesters for up to 6 hours credit.*

Physics 2510 and 2520 are required of all students in engineering curricula, strongly recommended for all majors in Physics, Chemistry, or Mathematics, and recommended for majors in Biology or Geology. Students preparing for medical, dental, or pharmacy school, and students preparing to teach science in secondary school must complete either PHYS 2510 and 2520 or PHYS 2110 and 2120 to meet professional school or state teacher licensure requirements. PHYS 2110 and 2120 are required for majors in Engineering Technology.

## E350 PHYSICS (PHYS)

**1001. Introductory Laboratory. (1).** (1101 lab). Laboratory experiments and techniques to accompany PHYS 1010. *Two laboratory hours per week.* PREREQUISITE or COREQUISITE: PHYS 1010. [G].

**1002. Astronomy Laboratory. (1).** (1102 lab). Laboratory experiments and techniques to accompany PHYS 1020. *Two laboratory hours per week.* PREREQUISITE or COREQUISITE: PHYS 1020. [G].

**1010. Introductory Physics. (3).** (1101). Phenomenological introduction to physics for non-technical students, providing an understanding of natural laws of motion, structure of matter, heat, sound, electromagnetism, light, atomic and nuclear physics. **NOTES:** Credit will not apply toward major or minor in the sciences, nor will it satisfy any part of science requirements in pre-professional curricula. *PHYS 1001 must be taken concurrently to satisfy the General Education requirement. Three lecture hours per week.* [G].

**1020. Survey of Astronomy. (3).** (1102). Motions of earth and moon; apparent motion of stars and planets; orbits and properties of bodies in the solar system; stellar distances, properties, and evolution; our galaxy and others. **NOTE:** *PHYS 1002 must be taken concurrently to satisfy the General Education requirement. Three lecture hours per week.* PREREQUISITE: PHYS 1010. [G].

**2001. General Physics Laboratory I. (1).** (2111 lab). Laboratory experiments and techniques to accompany PHYS 2110. *Two laboratory hours per week.* PREREQUISITE or COREQUISITE: PHYS 2110.

**2002. General Physics Laboratory II. (1).** (2112 lab). Laboratory experiments and techniques to accompany 2120. *Two laboratory hours per week.* PREREQUISITE or COREQUISITE: PHYS 2120.

**2003. Physics for Science and Engineering Laboratory I. (1).** (2511 lab). Laboratory experiments and techniques to accompany PHYS 2510. *Two laboratory hours per week.* PREREQUISITE or COREQUISITE: PHYS 2510. [G].

**2004. Physics for Science and Engineering Laboratory II. (1).** (2512 lab). Laboratory experiments and techniques to accompany 2520. *Two laboratory hours per week.* PREREQUISITE or COREQUISITE: PHYS 2520. [G].

**2110. General Physics. (3).** (2111). Mechanics, heat, and sound. This course is recommended for students in pre-medical programs. **NOTE:** For first-time enrollees, *PHYS 2001 must be taken concurrently. Three lecture hours per week.* PREREQUISITE: MATH 1212 or equivalent.

**2120. General Physics. (3).** (2112). Continuation of PHYS 2110. Includes magnetism, electricity, light, and modern physics. Recommended for students in pre-medical programs. **NOTE:** For first-time enrollees, *PHYS 2002 must be taken concurrently. Three lecture hours per week.* PREREQUISITE: PHYS 2110.

**2510. Physics for Science and Engineering. (3).** (2511). Treatment of mechanics, heat, and sound, using methods of calculus. **NOTE:** For first-time enrollees, *PHYS 2003 must be taken concurrently. Three lecture hours per week.* PREREQUISITE: MATH 1321. [G].

**2520. Physics for Science and Engineering. (3).** (2512). Continuation of PHYS 2510. Treatment of electromagnetism, optics, atomic and nuclear physics, using methods of calculus. **NOTE:** For first-time enrollees, *PHYS 2004 must be taken concurrently. Three lecture hours per week.* PREREQUISITE: PHYS 2510. [G].

**3010. Introduction to Modern Physics. (3).** Principles of relativity, quantum mechanics and atomic physics; selected topics in solid state, nuclear, and molecular physics. *Three lecture hours per week.* PREREQUISITE: PHYS 2004/2520. [C].

**3011. Theoretical Physics. (3).** Special mathematical techniques in solution of physical problems. Emphasis on vector calculus, boundary value problems, eigen-value problems, and Fourier series. *Three lecture hours per week.* PREREQUISITE: PHYS 2004/2520. [C].

**3012. Theoretical Physics. (3).** Continuation of PHYS 3011 covering complex variables, partial differential equations and special functions of physics. *Three lecture hours per week.* PREREQUISITE: PHYS 3011.

**3111. Mechanics. (3).** Advanced classical mechanics; includes statistics, dynamics of particles, rigid bodies, fluid flow, work, energy, momentum, force fields, and harmonic motion. *Three lecture hours per week.* PREREQUISITE: PHYS 2004/2520, MATH 3391.

**3112. Mechanics. (3).** Continuation of PHYS 3111. *Three lecture hours per week.* PREREQUISITE: PHYS 3111.

**3211. Electricity and Magnetism. (3).** Electromagnetic fields and waves, including such topics as dielectrics, induced electromotive force, magnetic energy, magnetic materials, Maxwell's equations, and reflection and refraction. *Three lecture hours per week.* PREREQUISITE: PHYS 2004/2520, MATH 3391.

**3212. Electricity and Magnetism. (3).** Continuation of PHYS 3211. *Three lecture hours per week.* PREREQUISITE: PHYS 3211.

**3510. Electronics. (4).** Theory and application of electronic devices; emphasis on scientific instrumentation. Laboratory oriented course including basic semiconductors, integrated circuits, and microprocessors. *Three lecture, three laboratory hours per week.* PREREQUISITE: PHYS 2004/2520 or 2002/2120 or equivalent.

**3610. Experimental Techniques. (1).** Introduction to independent experimentation including shop practices, glass blowing, and preparation of experimental data for computers. Some experiments of traditional nature related to physics courses. *Three laboratory hours per week.* PREREQUISITE: PHYS 2004/2520.

**3611. Experimental Techniques. (1).** Continuation of PHYS 3610. *Three laboratory hours per week.*

**3720. Intelligent Systems—Human and Machine. (3).** (Same as COMP 3720). Intelligence and artificial intelligence, the brain, the computer, limits of computation, knowledge representation, deductive and inductive reasoning, problem solving and theorem proving, learning, language and communications, expert systems, vision, machine vision, connectionist models. PREREQUISITES: MATH 1321 or 2701, and programming experience in some high level computer language.

**4000-49-6000-09. Special Topics in Physics. (3).** Selected topics of current interest in physics not otherwise included in the curriculum. *Three lecture hours or equivalent laboratory hours per week.* PREREQUISITE: permission of instructor.

**4021. Applied Radiation Physics. (3).** Applied radiation and radioactivity. Includes types of radiation, radiation measurement interaction with matter, and biological effects. Radiation safety aspects emphasized. *Three lecture hours per week.* PREREQUISITE: PHYS 2002/2120 or 2004/2520 and MATH 1321.

**4040. Medical Physics. (3).** Physics of sensory, respiratory, and circulatory systems; physical basis of radiology and nuclear medicine. *Three lecture hours per week.* PREREQUISITE: PHYS 2002/2120 or 2004/2520, and college level course in physiology.

**4051-6051. Astrophysics. (3).** Application of radiation laws to interpretation of stellar structure. Introduction to radiative transfer in atmospheres. Spectral and luminosity classification of stars. Stellar populations and evolution. *Three lecture hours per week.* PREREQUISITE: PHYS 2004, 2520, PHYS 3010 is recommended.

## PHYSICS

### PROFESSOR

MICHAEL M. GARLAND, *Chair*  
Room 216, Manning Hall

The PHYS 1010-1020 sequence is recommended for students with no previous background in physics. Physics 2110 and 2120 require knowledge of trigonometry (MATH 1212 or equivalent). Physics 2510 and 2520 require knowledge of calculus (MATH 1321 or equivalent).

**4110-6110. Nuclear Physics.** (3). Properties of atomic nuclei, radioactive transitions, alpha, beta, and gamma decay. Binding energy, nuclear forces and nuclear models. *Three lecture hours per week.* PREREQUISITE: PHYS 2044, 2520, PHYS 3010 is recommended.

**4211-6211. Optics.** (3). Brief review of geometrical optics; concentration on wave optics. Includes polarization phenomena, interference, diffraction, coherence, holography, and scattering. *Three lecture hours per week.* PREREQUISITE: PHYS 3211 or equivalent.

**4410-6410. Introduction to Quantum Theory.** (3). Experimental basis of quantum theory; development of Schrodinger equation and its solution of simple systems; selected applications in atomic and molecular structure. *Three lecture hours per week.* PREREQUISITE: PHYS 3111, 3211 or equivalent.

**4510-6510. Thermodynamics.** (3). Mathematical treatment of thermodynamics, including such topics as work, energy, enthalpy, entropy, reversible and irreversible processes, equilibria, specific heats, and phase transitions. *Three lecture hours per week.* PREREQUISITE: PHYS 2004/2520, MATH 3391. [W].

**4610-6610. Solid State Physics.** (3). Such topics as lattice vibrations, specific heats, electrical and thermal conductors in solids, magnetism. *Three lecture hours per week.* PREREQUISITE: PHYS 3010 or equivalent. [I].

**4910. Seminar.** (1). Special projects, reports and investigation of current literature and research. *May be repeated for maximum of 2 semester hours credit.* PREREQUISITE: permission of instructor. (S/U).

**4990. Research in Physics.** (1-4). Collaboration with faculty member on problem of mutual interest. *Two to eight laboratory or equivalent hours per week. May be repeated for maximum of four hours credit.* PREREQUISITE: PHYS 3010 and permission of instructor. Students expected to complete prospectus in collaboration with faculty member before registering.

## POLITICAL SCIENCE

PROFESSOR

KENNETH HOLLAND, *Chair*

*Room 427, Clement Humanities Building*

The political science areas of study are indicated by the second digit of the course number: General 1, American Government and Public Law 2, Comparative Government 3, Political Theory 4, International Relations 5, Public Administration 6, and Special 7 and 8.

**The prerequisite for all 3000 and 4000 level courses is either junior standing or the permission of the instructor.**

The use of a computer for instruction may be a component of courses offered in political science. However, no computer competence will be assumed unless specified in the course description.

### E370 POLITICAL SCIENCE (POLS)

**1100. American Government.** (3). Development, structure, and processes of American system of government, including framing principles of U.S. Constitution and Bill of Rights; structure and roles of President, Congress, and Supreme Court, and citizen participation in governing. [G].

**1101. Introduction to Ancient Political Thought.** (3). Inquiry into fundamental questions of ancient political thought, such as: Who should rule? What is justice? What is a good political order? What are the duties of citizens? What is the foundation of morality? [G].

**1102. Introduction to Modern Political Thought.** (3). Inquiry into fundamental questions of modern political thought, such as origin of political society,

proper rights of citizens, legitimate purposes of government, meaning of justice and good society. [G].

**2301. Comparative Politics.** (3). Comparison of institutions, issues, processes and policies in a variety of political systems ranging from European to Asian or African countries. [G].

**2501. International Relations.** (3). Consideration of all major forms of political interaction (conflict competition, and cooperation) between and among global actors in world arena. [G].

**3100. Political Inquiry.** (3). Research process in political science; emphasizes skills common to all subfields of political science—familiarity with sources of data and documents, research design and general analytic skills.

**3102. Religion and Politics.** (3). Survey of role of religion and religious belief in politics. Emphasizes role of religious institutions in international arena and national politics and effects of religion on behavior and political beliefs.

**3211. State and Local Governments.** (3). Role of state governments in Federal System, political institutions, elections; organization, functions, and problems of state government; emphasis on Tennessee government.

**3213. Introduction to the Study of Public Policy.** (3). Public policy formulation process and some of the major substantive areas of policy concern in America. Emphasis on framework for identifying and analyzing substance of public problems, policy making, and policy administration.

**3216. Political Parties and Elections.** (3). Political parties and elections in the American political system; emphasis on party organization and activities, campaign strategies and techniques, voting behavior, and two-party system.

**3302. Western European Government and Politics.** (3). Comparative study of selected political systems of Western European States.

**3304. African Politics.** (3). Comparative study of politics in Africa. Emphasis on current problems, with attention to historical, political, and socioeconomic dimensions.

**3306. Latin American Government and Politics.** (3). Forms of organization, functions and operations of government in Latin America. Emphasis on development of political institutions and present day trends.

**3309. Government and Politics of Middle East.** (3). Analysis of organization and functions of governments in area dominated by tenets of Islam, including examination of origin and development of Arab-Israeli conflict.

**3401. Legal/Political Thought: Classical.** (3). Question of justice and its relation to law and politics. Emphasizes confrontation between classical and modern views.

**3402. Legal/Political Thought: Modern.** (3). Question of justice and its relation to law and politics. Emphasizes confrontation between early and recent modernity.

**3405. Introduction to Law and Jurisprudence.** (3). Sources, functions, and processes of law.

**3505. International Organizations.** (3). Role of international organizations in international relations. Special attention to League of Nations and United Nations.

**3506. American Foreign Policy.** (3). Domestic sources, implementation, and content of U.S. foreign policy.

**3508. American National Security Policies.** (3). Institutions, organizations, and policies charged with maintenance of peace and security; issues, problems, and paradoxes underlying current national security policies; arms-control proposals and objectives; political and ethical dilemmas caused by nuclear strategies and desire to avoid nuclear war.

**3601. Public Administration.** (3). Concepts and practices of organization and management in executive departments, national, state, and local; analysis

of bureaucracy, administrative theory, budgeting, personnel, and administrative leadership. [W].

**3700-09. Special Topics in Contemporary Politics.** (3). Topics of contemporary significance in politics.

**4101-6101. Political Statistics.** (3). Introduction to analysis of quantitative data used to test hypotheses in fields of political science and public administration, including both parametric and nonparametric techniques. Particular attention to alternative measures of association and significance, regression, factor analysis, path analysis, and causal meeting. [C].

## ROTC Programs

### AEROSPACE STUDIES

LIEUTENANT COLONEL JOSEPH C. BRYANT,  
*Professor of Aerospace Studies*  
Room 404, Jones Hall

The Department of Aerospace Studies provides a four-year program of instruction for all qualified U.S. citizens, male and female, divided into two phases, each of two years duration. The first, termed the General Military Course, offers instruction in the foundation of leadership and Aerospace-age citizenship. The second, termed the Professional Officer Course, builds upon these foundations in developing upperclassmen who are to become Air Force officers and serve on active duty upon graduation and commissioning. Students may apply for the two-year or four-year program, or they may enroll one year before applying for the two-year program.

Instruction in Aerospace Studies has been an important phase of the curriculum at The University of Memphis since 1951. Active duty Air Force personnel, approved by the university president, are detailed by the Department of the Air Force to administer the instructional program. Air Force officers serve under appointment by the university as Professor or Assistant Professor of Aerospace Studies.

### THE GENERAL MILITARY COURSE (GMC)

The two-year (4 semesters) General Military Course consists of one hour a week of classroom instruction and one and one-half hours a week in Leadership Laboratory. Textbooks are furnished by the Air Force without charge. Air Force uniforms are furnished and must be properly worn and kept in good condition. Cadets who successfully complete the GMC may apply for admission to the Professional Officer Course.

### THE PROFESSIONAL OFFICER COURSE (POC)

The Professional Officer Course provides instruction and systematic training to selected eligible students who desire to qualify as officers in the United States Air Force while pursuing their academic studies at the university. Successful completion of the requirements for the POC and for a baccalaureate degree leads to a commission in the United States Air Force as a Second Lieutenant. To be eligible for selection to the POC, a student must have at least two years remaining at the university (undergraduate, graduate, or a combination). Final selection is based on academic standing, leadership potential, percentile score on the Air Force Officer Qualifying Test, and physical qualifications. All eligible POC members receive an incentive payment of up to \$1,000 per semester which is applied toward university tuition and textbook costs. In addition, members are furnished ROTC course textbooks without charge, receive a subsistence allowance of \$100.00 per month and are issued uniforms provided by the Air Force.

### THE TWO-YEAR PROGRAM

All students who meet qualifying criteria may apply for selection to the Professional Officer Course under the Two-Year Program if they are not in the Four-Year Program. Processing of applications for the POC begins in the fall of each year. Application may be submitted through March 15. If selected, the student will attend a six-week field training program during the summer preceding entry into the POC. Graduates of the six-week field training are enrolled in the POC with the same status as cadets in the four-year program.

### LEADERSHIP LABORATORY

This lab is designed around a microcosm of the U.S. Air Force. It gives the cadets the opportunity to develop their leadership potential while allowing the staff

to make evaluations based on actual managerial and leadership situations.

### AIR FORCE ROTC COLLEGE SCHOLARSHIP PROGRAM

Scholarships paying full tuition and fees, book allowance, and transportation to Memphis, and a tax free subsistence allowance of \$100.00 per month are available to entering freshmen and university students who are competitive academically and will enroll in the Air Force ROTC program. Details concerning qualifications and applications can be obtained from the Department of Aerospace Studies. **NOTE:** Several loan funds are also available to students enrolled in AFROTC. For more information, contact the department staff.

### FIELD TRAINING

Field Training is offered during the summer months at selected Air Force bases throughout the United States. Students in the four-year program participate in four weeks of Field Training (AERO 3211), usually between their sophomore and junior years. Students applying for entry into the two-year program must successfully complete six weeks of Field Training (AERO 3212) prior to enrollment in the Professional Officer Course.

### MINOR IN AEROSPACE STUDIES

Upon successful completion of 18 semester hours in Aerospace Studies with a minimum grade of C, a cadet may apply for a minor in Aerospace Studies.

### SUPPLEMENTAL COURSES PROGRAM

The AFROTC Supplemental Courses Program (SCP) exists to enhance the career utility and officer performance of persons commissioned through AFROTC. The program consists of required and recommended college/university-taught courses. Cadets must successfully complete the required supplemental courses in addition to all Aerospace Studies courses.

**General Military Course (GMC):** Scholarship cadets must successfully complete a course in English composition. Additionally, they are encouraged to take a course in speech. Four-year scholarship cadets must satisfactorily complete the English composition course by the end of the GMC. GMC cadets receiving scholarships of less than four years duration will have two academic years to complete the English composition course. Failure to satisfactorily complete the required supplemental course in the specified period of time will result in termination of scholarship entitlements.

Non-scholarship four-year GMC cadets, two-year program applicants, and persons not required to complete the GMC need not take the GMC supplemental courses before POC entry. However, successful completion of GMC supplemental courses may enhance their chances for POC selection.

**AFROTC** students who accept a scholarship must agree to successfully complete at least one semester of college instruction in a major Indo-European or Asian language before commissioning. A major Indo-European or Asian language is one defined as such by the academic institution's foreign language department. Cadets may meet the foreign language requirement by completing a course or by demonstrating proficiency.

**Professional Officer Course:** cadets must successfully complete a course in mathematical reasoning before commissioning. Ideally, this course should include the acquisition of a specific skill, for example, statistics, computer science, or calculus.

## MILITARY SCIENCE

### MAJOR

CHARLES S. BRENNAMAN, *Director*  
Professor of Military Science,  
Room 107, Annex IV, Bldg 505

---

The Department of Military Science provides a four-year program of instruction designed to provide qualified college men and women with practical experience in the art of organizing, motivating and leading others. The program is divided into two courses each of two years duration. The first, called the Basic Course, offers instruction in leadership skills, soldiering skills, and the role and use of armed forces. The second, called the Advanced Course, builds on the Basic Course, offers practical leadership experience, and prepares the student for commissioning as an Army officer. Students may apply for the four-year program, which can be completed in three years with department permission, or for the two-year program.

Department faculty and staff are active duty Army personnel detailed by Department of the Army and approved by the university president. The Army officers are appointed by the university as Professor or Assistant Professor of Military Science. Students interested in enrolling in any Military Science course should contact the Department of Military Science.

## THE BASIC COURSE

The Basic Course, two years in duration, consists of two semesters of one hour per week of classroom instruction and two semesters of two hours per week of classroom instruction. Courses are designed to be taken in the following order: 1110, 1120, 2105, 2120. All textbooks are furnished, without charge, by the department.

All offered courses count as elective credit toward the total university required hours for a degree. ARMY 2120 meets the physical activity portion of the General Education Fitness and Wellness requirement.

The Basic Course is designed for incoming freshmen. All other students are eligible to enter and may compress the Basic Course requirements into one year, with department permission. There is NO MILITARY OBLIGATION for enrolling in the Basic Course. Unless specified in the course description, students in the Basic Course are not required to wear uniforms or attend leadership laboratory.

Students who successfully complete the Basic Course may apply for entry into the Advanced Course.

## THE ADVANCED COURSE

The Advanced Course prepares qualified, selected male and female students for commissioning as Army officers while they continue to pursue academic degrees. Upon graduation, students may then serve in the Regular Army, Army Reserve, or Army National Guard in a variety of career fields.

To be eligible for the Advanced Course, the student must have completed the Basic Course or equivalent, (see 2-year program), be enrolled in the university fulltime, have at least two years remaining at the university (undergraduate or graduate), and be a U.S. citizen. Final selection is based on demonstrated academic performance, leadership potential, a qualifying score on the Officer Selection Battery of Tests, and physical qualifications.

The Advanced Course is two years in duration. During each of four semesters, the student attends three hours per week of classroom instruction and two hours per week of leadership laboratory. It is composed of Army 3110, 3120, 4110, and 4120, in sequence. All students receive a monthly subsistence allowance of \$100.00, tax-free, while enrolled in classes. All textbooks, uniforms, and equipment are furnished, without charge, by the department.

Students are given the opportunity to develop their leadership skills through the leadership laboratory, field training, and the Advanced Camp. The leadership laboratory is designed around a cadet structure that parallels a U.S. Army unit. Field training exercises are conducted over a weekend and are an extension of the laboratory. Students are also required to attend a six-week Advanced Camp during the summer between their two years in the Advanced Course. Advanced Camp is held

at a U.S. Army post. Students are paid for the six weeks at the rate of one-half the pay of a Second Lieutenant and are furnished quarters and rations as well as transportation to and from the post.

All required courses count as elective credit toward the total university required hours for a degree. Completion of the Advanced Course meets the Fitness and Wellness General Education requirement.

### THE TWO-YEAR PROGRAM

The Two-Year Program provides the opportunity to those students who did not enroll in the Four-Year Program to enroll in the Advanced Course. There are three methods for students to receive placement credit for the Basic Course and enter directly into the Advanced Course.

Students who meet qualifying criteria may receive credit for the Basic Course by attending the six-week Basic Camp at Fort Knox, Kentucky, during the summer. NO MILITARY OBLIGATION is incurred by the student by attending the Basic Camp. Students are paid for the six weeks at the rate of one-half the pay of a Second Lieutenant and are furnished quarters and rations as well as transportation to and from, or a mileage allowance for use of their own automobile. Successful completion of the Basic Camp will make the student eligible to enter the Advanced Course. Interested students should contact the Department of Military Science anytime during the academic year preceding the summer they desire to attend the camp.

Students who have completed Army Basic Combat Training and Advanced Individual Training or who have completed a minimum of three years of Army Junior ROTC in high school may be granted credit for the Basic Course by the Professor of Military Science and would then be eligible for entry into the Advanced Course, provided all other requirements are met. These students, as well as Basic Camp graduates, selected for enrollment in the Advanced Course are enrolled with the same status as cadets in the Four-Year Program.

### THE MINOR

A minor in Military Science can be obtained through meeting the following requirements: 19 semester hours consisting of ARMY 3110, 3120, 4110, 4120, and either ARMY 2105 or HIST 3811.

### SCHOLARSHIP PROGRAM

Scholarships paying tuition, maintenance fee and other fees, a book allowance, and a tax-free subsistence allowance of \$100.00 per month are available to university freshmen and sophomores who are competitive academically and who will enroll in the Army ROTC program. Applications are taken from December to February each academic year. Details concerning qualifications can be obtained from the Department of Military Science.

## SIMULTANEOUS MEMBERSHIP PROGRAM

The Simultaneous Membership Program is a voluntary program under which qualified cadets in the Advanced Course may concurrently join an Army National Guard unit. The program is designed to provide cadets with additional opportunities for leadership development and, at the same time, provide them with practical unit experience as Second Lieutenant. Cadets serve in an officer-trainee capacity and participate in regular unit drills held one weekend per month and two weeks per summer. Cadets are paid for all drills at the rate of a sergeant. This pay is in addition to the regular monthly subsistence for Army ROTC cadets. Details concerning qualifications and information on availability of allocations can be obtained from the Department of Military Science.

## PROFESSIONAL MILITARY EDUCATION

Professional Military Education is a component of the academic preparation for students desiring to pursue a commission as an Army officer. It consists of two essential parts, a baccalaureate degree and completion of university-taught, undergraduate courses from each of five designated fields of study. The fields of study are written communications, human behavior, military history, computer literacy, and math reasoning. Military Science students enrolled in the Advanced Course are also encouraged to take management and national security studies. Students may substitute approved alternative courses for any of these requirements. This is a requirement for students enrolled in the Advanced Course only, though applicable courses taken during enrollment in the Basic Course or before enrollment may still meet the requirement. Related required and elective courses taken for university degree requirements may also satisfy the requirement. Some of the Professional Military Education required courses may be waived by the Professor of Military Science if they would interfere with a student's required curriculum for award of a particular university degree.

### SPONSORED ACTIVITIES

The Department of Military Science sponsors the following voluntary extracurricular activities to provide students in both the Basic Course and Advanced Course with additional opportunities to develop leadership in conjunction with extending the student's knowledge of military skills:

1. The Army ROTC Tiger Color Guard—Members develop skill in standard drill and military ceremonies. The team provides color guards at The University of Memphis athletic events and drills competitively against ROTC teams of other colleges and universities. The team is open to individuals enrolled in any Military Science course.

2. U of M Ranger Company—Members develop skills associated with patrolling, mountaineering, survival training, and other similar activities. The Ranger Company is an adventure-type unit under the direction of Army ROTC Advanced Course cadets. Membership is open to all interested full-time students.

### V955 MILITARY SCIENCE (ARMY)

**NOTE:** Leadership laboratory provides the forum for the reinforcement of formal classroom instruction. Lab revolves around the practical application of the theories of leadership with a "hands-on" approach to learning. Provides opportunities for cadets to exercise leadership, planning, and management skills as well as covering independent topics including: rappelling, drill and ceremonies, basic rifle marksmanship, first aid, and orienteering.

**1100. Leadership Laboratory. (1).** Two laboratory hours per week. **COREQUISITE:** ARMY 1110.

**1110. Basic Military Science I—Introduction to Military Skills. (1).** Introduction to Army ROTC with hands-on approach through several basic military skills. Lectures and practical exercises in following areas: rappelling, communications, weapons, first aid, and land navigation. There is no military obligation. **COREQUISITE:** ARMY 1100.

**1115. Leadership Laboratory. (1).** Two laboratory hours per week. **COREQUISITE:** ARMY 1120.

**1120. Basic Military Science II—Individual Military Skills. (2).** Basic military first aid skills; lectures and practical exercises in basic emergency treatment for fractures, lacerations, heat and cold injuries; cardiopulmonary resuscitation. **THIS COURSE DOES NOT PROVIDE RED CROSS OR ANY OTHER CERTIFICATION. COREQUISITE:** ARMY 1115.

**2100. Leadership Laboratory. (1).** Two laboratory hours per week. **COREQUISITE:** ARMY 2105.

**2105. Historical Analysis of the American Military 1750 to Present. (3).** Developments since colonial period; emphasis on background and growth of national military and naval establishments, military and naval thought, difficulties accompanying modernization and assumption of global responsibilities, and problem of relationship between civilian and military-naval sectors in democracy. **COREQUISITE:** ARMY 2100.

**2115. Leadership Laboratory. (1).** (2110 lab). Two laboratory hours per week. **COREQUISITE:** ARMY 2120. [G].

**2120 Basic Military Science, IV—Field Leadership Skills. (1).** (2110). Basic Military Skills including map reading, military first aid skills and small unit leadership. One hour weekly classroom instruction. **COREQUISITE:** ARMY 2115. [G].

**2140. Combat Training of the Individual Soldier and Patrolling. (2).** Emphasis on preparation of the individual for combat. Preparation of potential leaders in combat through study of the knowledge and skills needed by an individual soldier. Skill developed in planning and organizing by combat patrols. Course includes a series of field practicums.

**2145. Intermediate Combat Training and Patrolling. (2).** Advanced concepts in reconnaissance, raid, and ambush patrolling techniques, extended patrolling operations, and application techniques for specialized equipment. Leadership skills through student-led patrols. Includes series of field practicums. Expands material taught in ARMY 2140 but may be taken independently of 2140.

**2170. Tactics Strategy and War Games. (2).**

**2190. Camp Training. (1-6).** Six-week training normally taken during the summer between the second and third years by those students who have not taken previous ROTC training, or who have not completed the required basic military science courses for

advanced course enrollment. Training conducted at designated U.S. Army installation and includes practical experience in leadership, small unit tactics, weapons drill, and communications under field conditions. After completion of camp, student required to complete satisfactorily an examination administered by Military Science Department. Student must register for this course following successful camp completion to receive appropriate credit. Students receive approximately \$670.00 pay, room and board, and travel expenses. No military obligation is incurred. **PREREQUISITE:** Permission of Professor of Military Science. [G].

**3100. Advanced Military Science I. Preparation for Advanced Camp. (4).** (3190). Presentation, discussion, practical exercise, and field training on fundamentals of map reading and land navigation; development of skills in individual and small unit tactical planning and operations; and professional subjects in leadership, leadership assessment, and principles of war. *Three lecture hours per week, two laboratory hours every week, three hours physical training each week, and field training exercises on two weekends during semester.* **PREREQUISITE:** permission of Professor of Military Science. [G].

**3120. Advanced Military Science II. (4).** Continuation of first year advanced course. **PREREQUISITE:** permission of Professor of Military Science. [G].

**3190. Advanced Camp Training. (6).** Six weeks of training at an Army post, normally taken between the 1st and 2nd years of Advanced Course; practical experience in leadership, small unit tactics, U.S. Army weapon systems and equipment, and patrolling operation; examination administered by the Department of Military Science required to receive academic credit. Students must register for course following successful camp completion to receive credit. **PREREQUISITE:** permission of Professor of Military Science. [G].

**4110. Advanced Military Science III. (4).** Leadership and management skill development in specific areas of oral and written communications, training management, personnel evaluation and counseling, personnel management systems of Army, U.S. Army logistic systems, military justice, and familiarization with ethics of military professional. This course, in conjunction with 4120, completes the cadet's preparation for commissioning as a Second Lieutenant in the Army Reserve or National Guard. *Three lecture hours per week, two laboratory hours every week, three hours physical training each week, and field training exercises on two weekends during semester.* **PREREQUISITE:** permission of Professor of Military Science. [G].

**4120. Advanced Military Science IV. (4).** Continuation of second year advanced course. **PREREQUISITE:** permission of Professor of Military Science. [G].

## NAVAL SCIENCE

COLONEL JERRY W. KAHLER,

*Professor of Naval Science*

*Room 101A, Art Annex*

The Department of Naval Science provides a four-year program of instruction leading to a commission as an officer in the regular U.S. Navy or Marine Corps as well as Naval Reserve or Marine Corps Reserve. The program is known as the Naval Reserve Officer Training Corps (NROTC) and is voluntary in that students may withdraw from the program at any time during the freshman year. At the start of the sophomore year, scholarship NROTC students enter into an agreement with the Department of the Navy that specifies active duty service after college work is completed.

## REQUIREMENTS

The general requirements for enrollment in the NROTC College Program are to:

1. be a citizen of the United States
2. be physically qualified
3. possess personal characteristics and potential relevant for naval officer
4. not be a conscientious objector
5. meet other requirements as specified by the U.S. Navy.

## THE FOUR-YEAR PROGRAM

The four-year program is geared to students who enter the NROTC program as freshmen. Students will be introduced to the field of naval science, which encompasses a broad variety of subjects ranging from basic seamanship to fleet operations. Topics covered during the first half of the four-year program include principles of naval ships systems, naval weaponry, seapower, and maritime affairs. The second half (junior and senior years) is devoted to navigation and naval operations, naval leadership and management, and, for Marine Option Students, Amphibious Warfare and a study of warfare through the ages. In addition to specified courses, students will also meet with their NROTC unit for orientation experiences to service life. Six-week summer training cruises are also part of the naval science program.

## THE TWO-YEAR PROGRAM

The two-year program is for interested students who want to participate in NROTC in their junior and senior years. Students should apply for enrollment through the Professor of Naval Science before the spring semester of the sophomore year. If accepted into the two-year program, students will attend the six-week Naval Science Institute at Newport, Rhode Island, during the summer between the sophomore and junior years. Upon return to campus, students will be enrolled in the NROTC program and participate as regular students.

## FINANCIAL BENEFITS AND NROTC SCHOLARSHIPS

All NROTC students receive required uniforms and naval science textbooks when they begin the program as freshmen. In their junior year as college program or two-year program students, they will also receive a tax-free subsistence allowance of \$100 a month. NROTC scholarship students will also receive tuition, cost of textbooks, instructional fees and \$100 a month. Students will receive pay while participating in summer training experiences and be reimbursed for associated travel. Students interested in the Naval ROTC programs should contact the Professor of Naval Science.

## Course Descriptions

### V958 NAVAL SCIENCE (NAVY)

**1100. Navy Laboratory. (1).** *Two laboratory hours per week.* [G].

**1101. Introduction to Naval Science. (2).** Orientation and concepts of seapower. Mission, organization, and warfare components of the Navy and Marine Corps. **COREQUISITE:** NAVY 1100.

**1104. Navy Laboratory. (1).** (2203). *Two laboratory hours per week.* [G].

**1105. Seapower and Maritime Affairs. (3).** (2202). U.S. naval history from the Revolution to the present with emphasis on major developments. Present day concerns in seapower and maritime affairs. **COREQUISITE:** NAVY 1104.

**2204. Navy Laboratory. (1).** (1103). *Two laboratory hours per week.* [G].

**2205. Naval Ships Systems I—Engineering. (3).** (1102). Ship characteristics and types including ship design, hydrodynamic forces, stability, compartmentation, propulsion, electrical and auxiliary systems, interior communications, ship control, and damage control. **COREQUISITE:** NAVY 2204.

**2206. Navy Laboratory. (1).** (2200). *Two laboratory hours per week.* [G].

**2207. Naval Ships Systems II—Weapons. (3).** (2201). Theory and employment of weapons systems. Processes of detection, evaluation, threat analysis, delivery, guidance, and explosives. **COREQUISITE:** NAVY 2206.

**3000. Naval Science Institute (NSI). (8).** Intensive six-week professional academic and training program conducted each summer at a naval installation by the Chief of Naval Education and Training for students entering the two-year NROTC Programs. The Naval Science Institute is the equivalent of the *NROTC Basic Course*. [G].

**3301. Navigation and Naval Operations I. (3).** Piloting and celestial navigation including theory, principles, and procedures. Use of charts, visual and electronic aids, and the theory and operation of magnetic and gyro compasses. *Three class hours and two hours of Navy Laboratory\* per week.*

**3302. Navigation and Naval Operations II. (3).** International and inland rules of the nautical road, relative-motion vector-analysis theory, relative motion problems, formation tactics, and ship employment. *Three class hours and two hours of Navy Laboratory\* per week.*

**3310. Evolution of Warfare. (3).** Historical development of warfare from the beginning of recorded history to the present focusing on the impact of major military theorists, strategists, tacticians, and technological developments. *Three class hours and two hours of Navy Laboratory\* per week.*

**4000. Marine Corps Leadership Training. (6).** Summer instruction ("Buildog") conducted at the Marine Corps Officer Candidate School, Quantico, Virginia. Intensive six-week professional training program for Marine Option Junior Midshipmen. Focuses on Marine Corps history and tradition, leadership under high stress situations, and effective management of men and materials in simulated combat conditions.

**4401. Naval Leadership and Management I. (2).** Advanced study of organizational behavior and management in the context of the naval organization. Practical applications are explored by the use of experiential exercises, case studies, and laboratory discussions. *Two class hours and two hours of Navy Laboratory\* per week.*

### PURPOSE

The function of The Fogelman College of Business and Economics is to provide the basic education necessary to prepare a person to enter the profession of business. A significant characteristic of the college is that it provides for concentration in the basic areas of economics and business, not as a substitute for, but as a part of, a broad liberal education. From forty to sixty percent of the course work taken for the Bachelor of Business Administration degree (a required minimum of 40 percent) is taken in such areas as the humanities, the natural and physical sciences, and the social sciences.

The undergraduate and graduate programs of the college are fully accredited by the American Assembly of Collegiate Schools of Business.

### Honors Program

#### ADMISSION

**Lower Division:** Incoming freshmen who score at least 26 on the ACT or its equivalent on other tests are invited to participate

and are eligible to enroll in the designated honors sections of this college's lower division courses.

*Transfer or students presently enrolled* in The University of Memphis are eligible to enroll in the designated honors sections of this college's lower division courses if they have a minimum 3.00 quality point average or the recommendation of a faculty member.

**Upper Division:** To be eligible to enroll in the designated honors sections of this college's upper division courses, students must have a minimum 3.25 quality point average in course work taken in the Fogelman College of Business and Economics and a 3.00 overall quality point average.

#### RETENTION

The participating honors student must maintain a minimum 3.00 quality point average in lower division and upper division honors courses, have a minimum 3.25 quality point average in all courses taken in the Fogelman College of Business and Economics, and a minimum overall quality point average of 3.00 to continue in the college's Honors Program.

### REQUIREMENTS

To qualify for "Honors in Business," in addition to an Honors Thesis, a student must complete successfully a minimum of 18 semester hours from the following:

1. No more than 6 hours from Honors Sections in: ACCT 2010, 2020; ECON 3310, 3320; ISDS 2710, 2711, 2750; or ECON 2110, 2120; MATH 1401, 1402.
2. At least 12 hours from Honors Sections in: ECON 4111; FIR 3011, 3130, 3410; MGMT 3110, MGMT 4710; MKTG 3010; MGMT 3510.

In some circumstances, additional contract work and enrollment in a non-honors section of a required upper division course may be accepted as upper division honors credit. A maximum of 6 hours of upper division honors credit may be contracted.

3. Honors course work in at least 3 disciplines (e.g., Accounting; Economics; Finance, Insurance, and Real Estate; Management; Management Information Systems and Decision Sciences; or Marketing).

No more than nine (9) hours in any one discipline may count toward the 18 hours of honors course work.

A minimum grade of B is required in each honors course for it to count toward fulfilling the honors course requirement, but regular credit for the course will be earned if the grade is lower than a B.

### THESIS

During their senior year, prospective honors graduates must complete successfully an honors thesis, which, in addition to the 18 hours of honors course work, will qualify them to graduate "With Honors in Business." Students will select a major advisor and submit a thesis proposal. This proposal must be approved by the advisor and the Director of the College Honors Program. Upon completing the thesis, the student must submit it for approval to the advisor and the College Director.

### CERTIFICATE OF ACHIEVEMENT

Students who complete a minimum of 12 hours in Honors course work with a minimum of 3.25 quality point average and a minimum of B in each of the Honors courses will receive a Certificate of Achievement.

### DESIGNATION OF "WITH HONORS IN BUSINESS"

Students who complete 18 hours (meeting the restrictions listed) with an acceptable Honors Thesis and a minimum 3.25 quality point average in all courses taken in The Fogelman College of Business and Economics, and in all Honors courses taken in this college, with a minimum overall quality point average of 3.00 will have earned the designation of "With Honors in Business" which will appear on the transcript and diploma.

## ORGANIZATION OF THE COLLEGE

The Fogelman College of Business and Economics comprises The School of Accountancy and five academic departments: Economics; Finance, Insurance, and Real Estate; Management; Management Information Systems and Decision Sciences; and Marketing. These academic units offer a variety of majors and minors, the detailed requirements for which are listed later in this section. The interdisciplinary International Business Program centered in this college offers an undergraduate major in International Business; requirements are listed in the section pertaining to departmental requirements. In addition there are two research units: Bureau of Business and Economic Research and Center for Manpower Studies.

### Academic Advising

Every student entering The Fogelman College of Business and Economics will receive advice in the college's Advising Office. The advisor will assist the student in the selection of appropriate courses and provide the opportunity for meaningful discussion regarding career goals, past academic experience and future academic growth and progress as it relates to the

student's development. This assistance, however, does not in any way relieve the student of the primary responsibility of studying the *Catalog* and fulfilling all the requirements for the degree.

## Intent to Graduate

Intent to graduate forms are filed with the Graduation Analyst in The Fogelman College of Business and Economics. Students must schedule an appointment before the established application deadline published in each current *Catalog* or *Schedule of Classes*. Deadlines are strictly enforced. At this time, an audit of the prospective graduate's academic record is conducted, and the applicant will be provided with an official graduation agreement indicating the remaining degree requirements.

## RESIDENCE REQUIREMENTS

Residence requirements for a degree in business administration are as follows: (1) the senior year must be completed at The University of Memphis, (2) at least 33 hours of upper division business courses must be taken at The University of Memphis, and (3) 12 of the 33 upper division business administration hours must be in the major field.

A student transferring credits from a two-year (lower division) college must complete a minimum of 60 semester hours in an accredited senior institution.

Students with transfer credit are required to maintain a 2.0 QPA on all courses taken at The University of Memphis.

**MINOR.** To earn a minor in this college, a transfer student majoring in one of the other colleges of the university or in this college must earn at The University of Memphis at least 6 upper division business administration hours of the total number of hours required for that minor.

See University Residence Requirements in the *Graduation from the University* section.

## TRANSFER CREDIT

The official evaluation and acceptance of transfer credit is the responsibility of the Office of Admissions. The Undergraduate Advising Office of The Fogelman College of Business and Economics, however, will be happy to answer inquiries regarding the applicability of transfer course work for the completion of the B.B.A. degree.

If a student transfers credit in required business courses that are classified as upper division in this college, but were taken as lower division credit or taken at a two-year (lower division) institution, these courses must be *repeated* or *validated* by examination. Validated courses are not considered U or M credit and will not count toward hours of residency.

Each transfer student must: (1) have completed all required lower division business administration courses with a minimum grade of C in each; (2) have a minimum quality point average of 2.25 in all required lower division business administration core courses and in MATH 1312; (3) have accumulated 55 hours of course work including the required 9 semester hours of English, MATH 1312 and the lower division business administration core.

## B.B.A. DEGREE REQUIREMENTS

1. To qualify for the Bachelor of Business Administration (B.B.A.) degree, the student must complete a minimum of 132 semester hours (128 hours for Accountancy majors) with a minimum overall quality point average of 2.00 and meet additional quality point average requirements described below.

2. A minimum quality point average of 2.25 is necessary for all required lower division and upper division business administration core courses and in the required mathematics course. The required lower division courses are: ACCT 2010, 2020; ECON 2110, 2120; MGMT 1010 (if taken); ISDS 2710, 2711, 2750 (ACCT 2410 for School of Accountancy students); and MATH 1312.

3. A minimum of 40% (53 hours) of the 132 hours required for the degree must be from outside the college (except for ECON 2110 and 2120), and 40% (53 hours) of the 132 semester hours required must be from within the college.

4. B.B.A. students may apply no more than two semester hours of physical activity courses to the minimum degree requirements of 132 semester hours.

5. All courses used to satisfy specific degree requirements of this college must be taken on a "letter grade" OR "credit by examination" basis. Hours earned on a "credit/no credit" basis are accepted only in courses designated as electives in the student's degree program. Courses taken on an "audit" basis cannot be used to satisfy college requirements.

6. The computer literacy requirement will be met by successfully passing ISDS 2750 (Introduction to Management Information Systems with Computer Applications) and other required Business Administration core courses. Students in The School of Accountancy will meet the computer literacy requirement by passing ACCT 2410.

7. In the B.B.A. degree, the following courses are used to meet General Education computation and writing intensive and integrative requirements. Credit by exam is not available for these courses:

**Computation Intensive:** ECON 4111.

**Writing Intensive:** MGMT 3510.

**Integrative:** MGMT 4710.

## General Requirements

The college curriculum is organized into a lower division and an upper division:

**THE LOWER DIVISION (LD)** comprises the freshman and sophomore years, the first four semesters of university work. Courses offered in the lower division are numbered from 1000 through 2999, and the student must register consistently for all lower division requirements until they are completed.

**THE UPPER DIVISION (UD)** comprises the junior and senior years of undergraduate work; courses offered in the upper division are numbered 3000 through 4999.

Any student seeking a degree in The Fogelman College of Business and Economics must: (1) have completed all required lower division business administration courses with a minimum grade of C in each; (2) have a minimum quality point average of 2.25 (Accounting majors 2.5) in all required lower division business administration core courses and in MATH 1312; (3) have accumulated 55 hours of course work including the required 9 semester hours of English, MATH 1312 and the lower division business administration core.

## Enrollment Priority

Neither admission by The University of Memphis and The Fogelman College of Business and Economics nor completion of the minimum requirements guarantees admission to any specific course offered by the college. Limited resources may require that enrollment in business classes be based on ranking by *Quality Point Average* with exceptions being made for graduating seniors.

## I. NON-BUSINESS CURRICULUM (GENERAL EDUCATION) (53 hours minimum)

**English Composition (6 hours):** ENGL 1101, 1102, with a minimum grade of C.  
**Oral Communication and Rhetoric (3 hours):** COMM 2381.

## IV. THE MAJOR

Each student, with the assistance of an advisor in the college, not later than the beginning of the junior year, will select a major and, if available, an area of concentration within the major. The specific courses required by each department for the satisfaction of its major are listed in the section following.

## V. GENERAL ELECTIVES

Student will take lower division or upper division business or non-business courses sufficient to bring the total to 132 semester

hours for the degree (128 hours for Accountancy majors).

## VI. COURSES NOT APPLICABLE TOWARD B.B.A. DEGREE

Remedial and Developmental Studies (R&DS) courses may not be used to fulfill the minimum number of hours required for the B.B.A. degree.

## VII. THE MINOR

A student whose major is within The Fogelman College of Business and Economics is not required to have a minor; however, such an option is available. A minimum grade of C must be earned for each required course in the lower division and upper division business administration core curriculum and in each course required for the minor.

A student whose major is within one of the other colleges of the university may take a *minor* in one of the departmental areas. (See Residence Requirements for The Fogelman College of Business and Economics.)

## SCHOOL OF ACCOUNTANCY

The objectives of the School of Accountancy are: (1) to provide a comprehensive, state-of-the-art educational background, balanced as to conceptual vs. pragmatic knowledge, that will prepare students to commence and continue the development of their careers as professional accountants, financially-oriented managers/advisors, and professors of accounting; (2) to promote both applied and theoretical research of high quality and of significance to both the accounting profession and the academic accounting discipline; and (3) to provide leadership and support in its areas of expertise to other academic units, the profession, the business community, and the general public.

## REQUIREMENTS FOR MAJOR AND MINOR

**Admission Standards:** To be eligible for admission to The School of Accountancy an applicant must: (1) have completed all required lower division business administration courses with a minimum grade of C in each; (2) have a minimum quality point average of 2.5 in all required lower division business administration core courses and in MATH 1312; (3) have accumulated 55 hours of course work including the required 9 semester hours in English, MATH 1312 and the lower division business administration core; and (4) make application for admission to upper division business administration coursework and admission to the Accountancy Program. In exceptional circumstances the school director may admit students who do not meet the QPA requirement on the basis of superior ACT scores, performance in introductory accounting courses, and other such special criteria. Prospective accountancy students who meet these requirements should apply to The School of Accountancy at the beginning of the semester in which they plan to enroll in ACCT 2410.

**Degree:** The B.B.A. degree with a major in accountancy requires a minimum of 128 semester hours.

*The Major:* ACCT 2410 and 19 upper division semester hours in accounting courses as follows:

ACCT 3110 and 3120, 3310, 3510, 4020, 4240, 4721, (1). Students may present for graduation no more than 19 semester hours of course work in accounting courses other than ACCT 2010, 2020, and 2410. In addition, all accounting majors will be required to take the AICPA Level II Examination following ACCT 2010, 2410 and 3723.

*The Minor:*

For students whose major is in another college of the university: ACCT 2010, 2020, 3010, 3110, plus one of the following: 3120, 3310, 3510.

For students whose major is in a department in The Fogelman College of Business and Economics: ACCT 2410, 3110, 3120, 3310, 3510.

## DEPARTMENTAL REQUIREMENTS FOR MAJORS AND MINORS

### Department of Economics

The Department of Economics has two major objectives: to function as a service department for other departments in The Fogelman College of Business and Economics, as well as the other colleges of the university, and to prepare students majoring in economics by providing a solid foundation in the principal areas of economics.

In general, the department attempts to give economics majors a solid background in economic theory, quantitative economics and applied economics.

#### ECONOMICS

*The Major (B.A.):* A minimum of 21 upper division semester hours in courses as follows:

ECON 3310, 3320, 4920 and four additional upper division courses selected with the approval of the department advisor.

*The Major (B.A., College of Arts and Sciences):* The student is required to meet the requirements for the Bachelor of Arts degree plus these specific major requirements:

ECON 2110, 2120, 3310, 3320, 4920, and five additional upper division courses, for a total of 30 semester hours, selected with the approval of the department advisor.

*The Minor:*

For students whose major is in another college of the university: 18 semester hours in economics courses, including ECON 2110, 2120, and 12 additional upper division hours in courses as approved by the department advisor.

For students whose major is in another department in The Fogelman College of Business and Economics: Nine additional upper division hours in economics approved by the department advisor.

*Honors Program:*

All students who receive a grade of B or better in ECON 2110 or 2120 honors sections are eligible for the program. Entry to the program can also be obtained through the recommendation of a member of the faculty to the Economics Departmental Honors Committee. A student must maintain an average grade of at least 3.25 in economics to continue in the program and must have an average grade of 3.5 or better in economics to graduate with honors in economics. Honor students take special courses during the junior and senior years, particularly the honors sections of ECON 3310 and 3320, and write a senior research paper. At commencement they are awarded the special distinction "with honors in Economics." Details of the program are available at the Economics Department office.

### Department of Finance, Insurance, and Real Estate

The primary objective of the department is to provide the basic concepts, principles and analytical tools essential for business decisions in the fields of finance, insurance and real estate. The department curriculum is designed to provide a broad background for effective functioning within each discipline or in related business and governmental fields. More specifically:

(1) Finance majors study the environment, theory and techniques of decisions on the acquisition and allocation of funds by business firms, including the applied areas of investment and financial institutions.

(2) Risk management and insurance majors study risk theory, risk management; life, health, and property-liability insurance and their relationships to other disciplines in business administration.

(3) Real Estate majors will be provided the basic theories and practices of urban land use and economics. Exposure will be to real estate principles, valuation, investment analysis and finance, legal environment, and development.

#### FINANCE

*The Major:* A minimum of 21 upper division semester hours in courses as follows:

FIR 3710, 3720, 4440, 4610, and nine additional upper division hours in courses selected with the approval of the advisor.

*The Minor:*

For students whose major is in another area in The Fogelman College of Business and Economics: Nine upper division hours in finance approved by the department chair.

For students whose major is within another college of the university: ACCT 2010 and 2020; ECON 2110, 2120, 3310, FIR 3410, 3710. Three additional upper division hours approved by the department chair.

#### FINANCIAL SERVICES

**NOTE:** Degree requirements catalog: Fall 1988 or any subsequent valid catalog for students with accredited college credit prior to Fall 1989.

*The Major:* A minimum of 24 upper division semester hours in courses as follows:

(15)

**Core:** FIR 3310, 3710, 3810, 4011, 4912, plus completion of one of the following concentrations:

INSURANCE: FIR 4820, 4860, ACCT 3510 (9)

INVESTMENTS: FIR 3720, 4770, ACT 3510 (9)

REAL ESTATE: FIR 4320, 4350, ACCT 3510 (9)

#### RISK MANAGEMENT AND INSURANCE

*The Major:* A minimum of 21 upper division semester hours in courses, as follows:

FIR 3810, 4810, 4820, 4870, and a minimum of nine additional upper division hours in courses selected with the approval of the advisor.

*The Minor:*

For students whose major is in another area in The Fogelman College of Business and Economics: FIR 3810, 4870 and three additional upper division hours in insurance approved by the department chair.

#### REAL ESTATE

*The Major:* A minimum of 21 upper division semester hours in courses, as follows:

FIR 3310, 4310, 4320, 4340, 4350, and a minimum of 6 additional upper division hours in courses selected with the approval of the advisor.

*The Minor:*

For students whose major is in another area in The Fogelman College of Business and Economics: FIR 3310 and six additional upper division hours in real estate approved by the department chair.

For students whose major is within another college of the university: ACCT 2010; ECON 2110; FIR 3011, 3130, 3310, and six additional upper division hours in real estate approved by the department chair.

### Department of Management

The effective manager of today must have competence in many disciplines, an understanding of a wide variety of relationships, and the ability to analyze evolving management requirements. Regardless of the functional specialty, the professional manager must also be a leader of people who knows how to organize and motivate groups of people serving the goals of the organization.

Effective adaptation of management to such emergent conditions as the continued growth of science and technology, populations, and large scale organization demands a thorough grasp of management process theory including planning, organizing, directing, and controlling of operations.

The management curricula include the following concentrations: (1) general management, (2) human resources management, and (3) office management.

Students selecting the area of general management will focus on integration of operations and environments. This option is designed for those students who desire a program allowing for flexibility in the choice of careers in management.

The human resources management concentration covers the traditional areas of personnel, collective bargaining, labor legislation, wage and salary administration. Developments in the behavioral sciences also are included in this area.

The office management option provides a broad background for students pursuing careers in office management or administrative assistant positions.

## MANAGEMENT

*The Major:* a minimum of 21 upper division semester hours, including MGMT 3215, 4420, and courses as listed in one of the concentration areas below. (Where MGMT 4810 is used to fulfill a requirement in the major, students must select one course from MGMT 4510, MKTG 4530, ECON 4350, or FIR 4550 to satisfy the international component of the Business Core Curriculum.)

**GENERAL MANAGEMENT:** MGMT 4810, ACCT 3010, ISDS 4790. The remaining 6 hours of the 21 hour minimum for the major may be selected from 4000-level courses in Management and one of the following courses: ECON 3610, FIR 4440, MKTG 3610.

**HUMAN RESOURCES MANAGEMENT:** MGMT 4210, 4220, 4230, 4240. The remaining 3 hours of the 21 hour minimum for the major may be selected from the following: MGMT 4810; TECH 3386; ECON 3210; PSYC 3508; FIR 4860.

**OFFICE MANAGEMENT:** MGMT 4330, 4410, 4440. The remaining 6 hours of the 21 hour minimum for the major may be selected from the following: MGMT 4320; ISDS 4430; ACCT 3010.

### *The Minor:*

**For students whose major is in another area in The Fogelman College of Business and Economics:** MGMT 3215, 4420, and 6 upper division semester hours in management.

**For students whose major is within another college of the university:** MGMT 3110, 3215, 4420; ISDS 3510; and 6 upper division semester hours in Management.

## Department of Management Information Systems and Decision Sciences

Managers and nonmanagers alike depend upon information for decision making. To be useful that information must be understandable, timely, thorough, focused on the decision at hand, and in the hands of the appropriate individual. Accomplishing all this is the challenge of Management Information Systems and the Decision Sciences. It requires a knowledge of individual and/or group behavior, the process of perception (how people select and interpret information), the decision tools they need, computers and communication technology, systems design, managing data, and the impact individual decisions have on the organization.

Management Information Systems and the Decision Sciences include several specialized areas including Artificial Intelligence, Expert Systems, Telecommunications, Cognitive Processing, Production/Operations Management, Management

Science, Decision Support Systems, Management Information Systems Planning, Decision Theory, Statistics, Data Base Management, Office Automation, and general applications of computers and microcomputers to business.

Many Management Information Systems and Decision Science courses require substantial hands-on experience in computer labs. Therefore, the department does not allow credit by examination for upper division courses.

## MANAGEMENT INFORMATION SYSTEMS

*The Major:* ISDS 2760, 3750, 3760, 3770, 3775, 4785, and two of the following: ISDS 3790, 4765, 4780, 4795.

### *The Minor:*

**For students whose major is in another area in The Fogelman College of Business and Economics:** ISDS 3770, 3775, 4795.

**For students whose major is within another college of the university:** ISDS 2750, 2760, 3770, 3775, 4795, and either 4780 or 4785.

## PRODUCTION OPERATIONS MANAGEMENT

*The Major:* ISDS 4510, 4511, 4512; MKTG 3610 and three of the following: TECH 4462, 4464, 4466; ISDS 3760; MKTG 3620, 4220; MGMT 4420.

## Department of Marketing

The objective of the Department of Marketing is to provide a broad view of the marketing process and to develop an understanding of all the factors involved in the marketing of goods and services. Students may select from three majors:

(1) Marketing Management majors study the practical application of marketing concepts, including procedures for developing promotion, pricing, distribution, and sales management strategies. Additionally, instruction is provided in market research, buyer behavior issues, and a variety of market programming topics.

(2) Sales majors are taught practical and theoretical sales and sales management skills. Particular emphasis is placed on interpersonal communication techniques and on the practical application of the marketing concepts as they apply to sales and sales management.

(3) Logistics/Marketing majors study the details of logistics management as well as an analysis of the political and competitive environment in which logistics practitioners must function. Additionally, numerous distribution functions such as warehousing, inventory management, order processing, and distribution planning are covered.

## MARKETING MANAGEMENT

*The Major:* a minimum of 21 upper division semester hours in marketing courses as follows:

MKTG 3012, 3140, 3610, 4080, 4901, and six semester hours chosen by the student from the following: MKTG 3170, 3320, 3620, 4220, 4230, 4240, 4410, 4470, 4530, 4570, 4790, 4920-29.

### *The Minor:*

**For students whose major is in another college of the university:** ACCT 2010; ECON 2120; and MKTG 3010, 3012, 3140, 3610, and six semester hours chosen by the student from the following: MKTG 3170, 3320, 3410, 3620, 4220, 4230, 4240, 4410, 4470, 4530, 4570, 4790, 4920-29.

**For students whose major is in another area in The Fogelman College of Business and Economics:** MKTG 3012, 3140, 3610, and three semester hours chosen by the student from the following: MKTG 3170, 3320, 3620, 4220, 4230, 4240, 4410, 4470, 4530, 4570, 4790, 4920-29.

## SALES

*The Major:* a minimum of 21 upper division semester hours in marketing courses as follows: MKTG 3410, 4080, 4410, 4490, 4901, and six semester hours chosen by the student from the following: MKTG 3012, 3140, 3320, 3610, 4220, 4240, 4470, 4790.

### *The Minor:*

**For students whose major is in another college of the university:** ACCT 2010; ECON 2120; MKTG 3010, 3410, 4410, 4490, and six semester hours chosen by the student from the following courses: MKTG 3012, 3140, 3320, 3610, 4220, 4240, 4470, 4790.

**For students whose major is in another area in The Fogelman College of Business and Economics:** MKTG 3410, 4410, 4470, and 4490.

## LOGISTICS/MARKETING

*The Major:* a minimum of 21 upper division semester hours in marketing courses as follows: MKTG 3610, 3620, 3630, 4080, 4901, and six semester hours chosen by the student from the following courses: MKTG 3012, 3320, 4220, 4470, 4570, 4620, 4790.

### *The Minor:*

**For students whose major is in another college of the university:** ACCT 2010, ECON 2120, MKTG 3010, 3610, 3620, 3630, and six semester hours chosen by the student from the following: MKTG 3012, 3320, 4220, 4470, 4570, 4620, 4790.

**For students whose major is in another area in The Fogelman College of Business and Economics:** MKTG 3610, 3620, 3630, and three semester hours chosen by the student from the following: MKTG 3012, 3320, 4220, 4470, 4570, 4620, 4790.

## Program in International Business

The primary objective of the International Business Program is to provide a broad interdisciplinary background for a career in international business. Through the study of theoretical and practical aspects of the operations of international and multinational business and through work in several liberal arts disciplines, the graduate of this program should be prepared, after receiving a minimum orientation training in a particular international firm, to apply the knowledge acquired to the solution of problems faced by the company.

For further information concerning this program, contact the Advising Office, The Fogelman College of Business and Economics.

## INTERNATIONAL BUSINESS

### *The Major:*

The student majoring in International Business must complete the same courses required of all students working toward the B.B.A. degree. For additional requirements during the sophomore and junior years, see the International Business advisor. Students majoring in International Business are required to take six credit hours in foreign language. It is also strongly suggested that the students take more than six hours.

In the senior year, the student will take 21 semester hours in courses offered by The Fogelman College of Business and Economics, distributed as follows:

15 semester hours (5 courses) from the following group: ECON 4340, 4350; FIR 4550; MGMT 4810; MKTG 4530.

6 semester hours (2 courses) from the following group: ECON 4120; FIR 4440; ISDS 3760, MKTG 4080.

Two courses from the College of Arts and Sciences are also required in the senior year. See the advisor.

#### *The Minor:*

**For students whose major is in another area in The Fogelman College of Business and Economics:** Nine hours from the following courses with the approval of the International Business advisor: ECON 4340, 4350; FIR 4550; MGMT 4810; MKTG 4530.

**For students whose major is in another college of the university:** The student will take a minimum of 18 hours in The Fogelman College of Business and Economics, at least 9 hours of which must be chosen from the following: ECON 4340, 4350; FIR 4550; MGMT 4810; MKTG 4530.

The necessary prerequisites for the above courses are in parentheses below:

ECON 4340 (ECON 2110); ECON 4350 (ECON 2120); FIR 4550 (FIR 3410 or consent of instructor); MGMT 4810 (MGMT 3110); MKTG 4530 (MKTG 3010).

Introduction to a statistical software package. COREQUISITE: MATH 1312.

**2711. Business Statistics II. (3).** Emphasis on statistical analysis and decision making. Topics include nonparametric models, index numbers, analysis of variance, simple and multiple correlation and regression, and time series analysis. Extensive computer applications are used for decision support. PREREQUISITE: ISDS 2710; MATH 1312.

**2750. Introduction to Management Information Systems with Computer Applications. (3).** Introduction to major concepts in business information systems. Students will be required to solve business problems utilizing computer in an on-line interactive environment. Two lecture, two laboratory hours per week.

**2760. Applications Program Development I. (3).** Introduction to computer programming in a business environment. Emphasis on structured design, development, testing, implementation, and documentation using COBOL. PREREQUISITE: COMP 1900 or ISDS 1240 or approval by department chairman.

**2770. Computer Hardware/Software. (3).** Provides experience working with common operating systems including UNIX, DOS/Windows, and Mainframe. Includes file manipulation, editing functions, communication, and shell programming. PREREQUISITE: ISDS 2750.

**3510. Production and Operations Management I. (3).** Operations as a key element of organizational strategy from a competitive viewpoint. Integration of various techniques to facilitate solution to productivity and quality issues in both manufacturing and service industries using multifunctional approaches in the creation of goods and services. PREREQUISITE: ISDS 2711.

**3730. Introduction to C Programming. (3).** Basic computer architecture knowledge necessary to master programming in C and to provide fundamental knowledge of control structures, modular form and addressing schemes in the C language. PREREQUISITES: ISDS 2760, 2770.

**3740. Intermediate C Programming. (3).** Skills necessary to read and understand C programming literature, design new C programs, and perform maintenance on existing C programs in mainstream software engineering environment. PREREQUISITE: ISDS 3730.

**3750. Applications Program Development II. (3).** Development of programs and systems of programs utilizing sequential and random access file structures and processing techniques. Emphasis on structured design, development, testing, implementation and documentation. PREREQUISITE: ISDS 2760.

**3760. Operations Research. (3).** Introduction to decision making, concentrating on problem solving technique. Emphasis on problem definition, model construction, and various solution techniques including linear programming, project analysis and control, queueing methods, and simulation. PREREQUISITES: ISDS 2711 and 2750, or equivalent.

**3770. Systems Analysis Methods. (3).** (MGMT 2780). Overview of systems development life cycle. Emphasis on current systems documentation through use of classical and structured tools and techniques for describing process flows and data flows, data structures, file and input/output design and program specifications, data gathering and information reporting activities, transition from analysis to design. PREREQUISITE: ISDS 2750.

**3775. Business Data Management. (3).** (MGMT 4755). Focus on (1) designing, writing, and debugging programs written in a high-level language for common business applications involving direct access files; (2) selecting appropriate file organization; (3) designing data models; and (4) evaluating Commercial Data Base Management Systems. PREREQUISITE: ISDS 1240 or COMP 1900 or 3 hours in a programming language.

**3780. Programming with C++. (3).** Programming elements including object oriented programming extensions among traditional high level programming language. Editing files, compiling and debugging programs. PREREQUISITE: ISDS 3730.

**3790. Business Telecommunications. (3).** Introduction to business telecommunications concepts and terminology. Topics include decentralization of computer processing, communication links, communications-oriented hardware and software, network design, and network management. PREREQUISITE: ISDS 2750.

**4110-19. Special Topics in Management Information Systems and Decision Sciences. (3).** Topics varied and announced in *Schedule of Classes*. PREREQUISITE: consent of instructor.

**4430. Word Processing Applications. (3).** (ADOS 4430). Emphasis on operation of magnetic media automatic typewriters and visual display word processing equipment. Training in equipment operations and applications design; simulated office and word processing projects. PREREQUISITE: ISDS 1230 or equivalent.

**4510. Production and Operations Management II. (3).** Emphasis on entire production system including interface with engineering, role of materials management, relationship to data base management, and problems of systems coordination. Master planning, value analysis, and organizational aspects of production environment critically examined. PREREQUISITES: MGMT 3110, ISDS 3510.

**4511. Materials Management. (3).** In-depth course in planning and control of materials requirements. Order point models and systems and requirements planning techniques studied. Aggregate inventory management, distribution, inter-plant inventories, and design of materials management systems emphasized. **PREREQUISITES:** MGMT 3110, ISDS 3510.

**4512. Productivity Management. (3).** Total systems perspective toward analyzing productivity issues that affect organizational performance. Importance of correctly defining and measuring productivity and supporting activities to maintain it. **PREREQUISITE:** ISDS 3510 or consent of instructor.

**4765. Decision Support Systems. (3).** Computer systems designed to support managers in decision-making process, development of interactive management science models and role of these models in decision support systems. **PREREQUISITES:** ISDS 3760, 3775.

**4770. Structured Systems Analysis and Design. (3).** (MGMT 3780). Advanced study of structured systems development. Emphasis on strategies and techniques of structural analysis and structured design for producing logical methodologies aiding in dealing with complexities in development of information systems. **PREREQUISITES:** ISDS 3750, 3775.

**4780-6780. Applied Software Development Project. (3).** Application of programming and systems development concepts, principles and practices to a comprehensive system development project. Team approach used to analyze, design and document realistic systems of moderate complexity. Use of project control techniques, formal presentations and group dynamics in development of information system. Development of database to support system. **PREREQUISITES:** ISDS 3770, 3775.

**4785. Information Systems Resource Management and Planning. (3).** Broad overview of information systems management function with particular attention to planning, organizing and controlling user services and to managing computer information systems development process. **PREREQUISITE:** ISDS 3770.

**4790-6790. Management Information Systems. (3).** Problems and techniques concerning design and installation of responsive systems brought together; special attention to executive use of system's product. System approaches utilizing current planning and control models studied through current literature and texts in computer field. **PREREQUISITES:** ISDS 2750 and one college level mathematics course; junior standing, or permission of instructor.

**4795. End User Computing: Managerial Concepts and Applications. (3).** Theory, methodology, and application tools necessary to management of end user computing environment; emphasis on management aspects of the unique environment; advanced techniques of pertinent application tools commonly found in end user environment as crucial to management of end user computing. **PREREQUISITE:** ISDS 3775.

**4910. Management Information Systems and Decision Sciences Problems. (1-3).** Approved research projects in student's major area under supervision of staff members. **PREREQUISITES:** senior standing and permission of department chair.

**4911. Internship in Management Information Systems and Decision Sciences. (1-6).** Internship in business organization to gain on-the-job experience. Project approved and supervised by department faculty. Credit allowed only after acceptance of report. **PREREQUISITES:** senior standing and a minimum QPA of 2.75.

**4996. Senior Honors Thesis in Management Information Systems. (3).** Independent research open only to those students enrolled in the honors program. Thesis supervised by departmental faculty member. **PREREQUISITES:** senior standing and permission of the Director of the College Honors Program.

## MARKETING

### ASSOCIATE PROFESSOR

EMIN BABAKUS, *Interim Chair*

Students must have junior standing and have met specific course prerequisites with a grade of C or better to be eligible for all 3000- and 4000-level courses. In addition to these requirements, students seeking a degree in the Fogelman College of Business and Economics must have (1) completed all required lower division business courses with a minimum grade of C in each; (2) minimum of 2.25 QPA in all required lower division business courses and MATH 1312, and (3) 55 hours of coursework including MATH 1312 and 9 hours of English (See *B.B.A. Degree Requirements—General Requirements*).

All course prerequisites listed below must be completed with grade of C or better. Any exception to prerequisites requires written permission of department chair.

**NOTE:** Non-business majors who have completed MKTG 3011 prior to the 1993 catalog may substitute MKTG 3011 for MKTG 3010 as the prerequisite.

### HSE0 MARKETING (MKTG)

**3010. Principles of Marketing (3).** Comprehensive study of structure and functions of marketing system in the firm, economy, and society. Includes analysis of target markets, environments, and managerial aspects of marketing practices.

**3012. Consumer Behavior. (3).** Why consumers behave as they do. Psychological and sociological theories and principles applied to current marketing problems. **PREREQUISITE:** MKTG 3010.

**3140. Advertising and Sales Promotion. (3).** Introduction to field of advertising including agencies, media, layout, copy, typography; emphasis on various media associated with sales promotion and need to coordinate entire promotional mix. **PREREQUISITE:** MKTG 3010.

**3170. Advertising Management. (3).** Case study of advertising functions, emphasizing determination of advertising strategy, planning of creative strategy, planning of media strategy, evaluation of advertising results and introduction to organization and management of advertising function. **PREREQUISITE:** MKTG 3140.

**3320. Retailing Fundamentals. (3).** Changing concepts of retailing from management viewpoint. Principles that underlie successful operation of enterprises distributing products and services to ultimate consumers. **PREREQUISITES:** MKTG 3010.

**3410. Sales Fundamentals. (3).** Basics of personal selling; preparation, personality development, communications, sales interview techniques, ethics, and career opportunities. Selling skills developed via sales presentations, role playing, audio-visual self-observation, and use of sales aids. **PREREQUISITE:** MKTG 3010.

**3610. Physical Distribution. (3).** Physical distribution system within an organization. Emphasis on transportation, customer service, inventory, warehousing and packaging functions. **PREREQUISITE:** MKTG 3010.

**3620. Logistics Management. (3).** Economic, social and political aspects of transportation system of the United States. Interrelationships among transportation, physical distribution, logistics, marketing, production, and financial management as they affect flow of raw materials and finished goods through the firm. **PREREQUISITE:** MKTG 3610.

**3630. Transportation Management. (3).** Detailed analysis of freight traffic function within firm's logistics system. Includes rate and classification systems, claim liability, shipping document procedures, carrier selection, and other aspects associated with organizing and operating traffic department. **PREREQUISITE:** MKTG 3610.

**4080. Marketing Research. (3).** Research methods and procedures used in field of marketing to help solve business problems. **PREREQUISITES:** ISDS 2711, 2750, and MKTG 3010.

**4220. Purchasing. (3).** Policies for effective and efficient procurement of goods and services for today's

industry. Close attention to measurement and evaluation of purchasing performance. **PREREQUISITE:** MKTG 3010.

**4230. Services Marketing. (3).** Broadens and applies marketing concepts and techniques in services industries and compares to tangible goods marketing—all within the framework of total quality management.

**4240. Direct Marketing. (3).** Topics dealing with implementation of a direct marketing program, including telemarketing, cataloging, direct mail, electronic media, and direct response advertising, and how it fits into overall marketing strategies. **PREREQUISITE:** MKTG 3010.

**4410. Sales Management. (3).** Sales management functions of recruiting and hiring, training and assimilating, planning, controlling and motivating, and sales analysis. Role of personal selling in promotional mix and sales objectives of management. **PREREQUISITE:** MKTG 3010.

**4470. Negotiation Skills. (3).** Emphasis on fundamental skills in negotiation across a variety of settings, including business, law, health care, and public administration. Basics of both collaborative and competitive approaches, including planning tools and techniques; will address international focus.

**4490. Sales Technology Applications. (3).** In-depth course in various technologies and systems used in sales planning and control. Computer-based applications in sales call planning, territory and time management, prospect planning, and account management. Emphasis on use of interactive video technologies in training and account management. **PREREQUISITE:** MKTG 3410.

**4530. International Marketing. (3).** Bases and promotion of foreign trade; international marketing organizations and methods; technical and financial features of international marketing. **PREREQUISITE:** MKTG 3010.

**4570. Import/Export Marketing. (3).** In-depth course in international data sources, market analysis, and export mechanics. Emphasis on current international business practices and market conditions. **PREREQUISITE:** MKTG 3010.

**4620. Carrier Management. (3).** Problems confronting managers of transportation companies. Includes carrier organization, operations, marketing strategies, finance, control, sales, labor relations, and shipper-carrier interaction. **PREREQUISITE:** MKTG 3610.

**4790. Ethics in Marketing. (3).** Survey of concepts, issues, and decisions fundamental to ethical decision making in marketing. Issues and decisions related to strategy planning and implementation in marketing organizations.

**4901. Management of Marketing Strategies. (3).** Comprehensive study of marketing strategies and how they are implemented. Computer games and cases as well as "real-world" problems to illustrate application of marketing concepts in practical manner. **PREREQUISITES:** MKTG 4080. Student must be in last semester before graduation.

**4910. Problems in Marketing. (1-3).** Students carry on approved research projects in their major area under supervision of staff members. **PREREQUISITES:** senior standing and permission of department chair.

**4911. Marketing Internship. (1-6).** Internship in business organization to gain on-the-job experience. Project to be approved by department chair and supervised by departmental faculty member. Credit allowed only after acceptance of student's written report by department chair and supervising faculty member. **PREREQUISITES:** senior standing and minimum QPA of 2.75.

**4920-29. Special Topics in Marketing. (3).** Topics are varied and announced in *Schedule of Classes*. May be repeated once with change in topic. **PREREQUISITE:** consent of department chair.

**4996. Senior Honors Thesis in Marketing. (3).** Independent research open only to those students enrolled in the honors program. Thesis supervised by departmental faculty member. **PREREQUISITES:** senior standing and permission of the Director of the College Honors Program.

# The College of Communication and Fine Arts

Theatre and Communication Arts	Theatre and Communication Arts	(1) Broadcast and Electronic Media (2) Communication (3) Film and Video Production (4) Theatre	Bachelor of Arts (B.A.)
	Theatre	(1) Performance (2) Design and Technical Production (3) Dance	Bachelor of Fine Arts (B.F.A.)

## PHILOSOPHY

The College of Communication and Fine Arts is focused ultimately upon visual and audible symbols, whose rational and emotional values it is the mission of the college to create and explore. In the belief that perception is largely shaped by experience, The College of Communication and Fine Arts offers a range of symbolically rendered experiences, both individual and collective, in the hope of broadening and sensitizing the perceptions of its students.

The kind of symbolic experience that communicates emerges when, in Ruskin's phrase, "the hand, the head and the heart of man go together." Students in The College of Communication and Fine Arts receive individual and small group instruction toward this end. In the hope of furthering the capacity to impose a pattern on experience and to recognize the patterns offered by others, students of the college are exposed additionally to courses drawn from a broad base of the liberal arts.

The faculty of the college represents a diversity of academic and artistic backgrounds and interests, reflected not only in its teaching, but also in research and creative activities. It is a faculty united in the

attempt to maintain the highest standards in both classroom and studio work, standards that find their limits at last only in the mystery and wonder of the human experience from which they rise.

## PURPOSES

The College of Communication and Fine Arts has four primary functions. First, it offers courses of study aimed at preparing its students to work toward careers in the fine or applied arts, communications, or the performing arts, whether as practitioners, teachers, artists, or consultants. Second, the college affords broad exposure and instruction in fine arts and communication to students of other colleges in the university whose degree programs may be enhanced by such exposure. Third, with a view toward individual professional growth as well as general cultural enhancement, the college vigorously promotes both scholarly research and artistic production on the part of its faculty. Finally, the college seeks to enrich the cultural atmosphere of both the university and the community at large through a continuing variety of public programs, to include art exhibitions, media presenta-

tions, dramatic productions, concerts, recitals, lectures, seminars, debates, workshops, festivals, and the like.

Through the diversity of these constituent elements, the college reflects the unity and challenge facing the communicative artist and scholar. Ultimately it is our goal to foster a more intense and profound awareness of the broad range of human experience from which the college derives its pertinence and vitality.

## ORGANIZATION

The College of Communication and Fine Arts comprises four academic departments: Art, Journalism, Music, and Theatre and Communication Arts. The requirements for the majors and minors offered by these departments are listed later in this section.

## RESIDENCE REQUIREMENTS

University residence requirements are explained in detail in the *Graduation from the University* section. A transfer student in The College of Communication and Fine

Arts must earn at least 6 semester hours in residence in the major subject and at least 3 semester hours in the minor. These credits may be earned only through regular class enrollment for a letter grade.

## TEACHER PREPARATION

Students enrolled in a degree program of The College of Communication and Fine Arts who wish to prepare themselves for teaching careers in the secondary schools of Tennessee may meet the state licensure requirements while pursuing their chosen majors. Detailed licensure requirements are outlined under Requirements for Teacher Licensure in the *Graduation from the University* section. An application to enter the Teacher Education Program must be filed with the College of Education General Advisor.

Students entering the university as first time freshmen who wish to prepare for teaching careers in the fields of music or art, will be required to complete a five-year program. This program will result in the student first receiving a baccalaureate degree in the College of Communication and Fine Arts and then a Master of Arts in Teaching degree through the College of Education. Recommendation for licensure is contingent upon completion of the Master of Arts in Teaching degree program.

This program replaces previous Bulletin options for majors in music or art education. Students should consult with their major advisors in the Departments of Music or Art for information about this program and to insure that all requirements for the teaching endorsement, general education and professional studies are completed.

## DEGREE REQUIREMENTS

### Degrees Offered

A student may earn a Bachelor of Fine Arts, Bachelor of Music, or Bachelor of Arts degree, by majoring in one of the four departments that constitute The College of Communication and Fine Arts. The following is an outline by department of all majors and concentration areas offered by the departments in the College of Communication and Fine Arts.

A minimum grade of C is required in every course applicable toward a major or minor.

Every student should be aware that the mere completion of courses outlined below with a grade of C or better does not guarantee classification as a major or minor in the discipline concerned; *the student must be recommended by the chair of the department in which the major or minor is sought.* If, in the opinion of the chair, the quality of the student's work is not high enough, additional work, the repetition of courses, or other evidences of superior scholarship may be required.

Credit in the College of Communication and Fine Arts may be granted for validated

learning from experience or non-traditional instruction. Guidelines for this procedure may be obtained in the office of the Dean of the College of Communication and Fine Arts.

The college requires a one semester physical activity course. A student may elect to take the course on a credit/no credit basis. Only students in the following programs may apply more than 8 semester hours of physical activity courses toward the specified minimum degree requirement: B.F.A. Theatre major with a concentration in Performance or Dance, B.A. Theatre/Communication Arts major concentrating in Theatre, or a Theatre or Dance minor. In addition to PHED 1000 level courses, MUAP 2002, DANC 1821, 1825, 1827, 2821, 2825, 2827; or THEA 2501 may be selected to fulfill the physical activity requirement.

## BACHELOR OF FINE ARTS (IN ART)

The Bachelor of Fine Arts in Art is a professional degree. The requirements provide the student a greater opportunity for specialization in art than the other baccalaureate programs.

The specific degree requirements are divided into five groups: (1) general education, (2) basic art courses, (3) courses in one of the five concentration areas, (4) elective courses in art and (5) elective courses other than art to bring the total to 139 semester hours.

**Advanced Placement Credit:** A score of three (3), four (4) or five (5) points on the Advanced Placement General Portfolio or the Drawing Portfolio will entitle students to have their portfolios reviewed for the possible award of up to three credit hours. If a student submits art for two separate Advanced Placement portfolios (junior and senior years), a maximum of six credit hours may be awarded. For a grade of three (3) points in the Drawing Portfolio or three (3), four (4) or five (5) points in the General Portfolio, three hours of unsigned studio elective credit may be awarded. For a grade of four (4) or five (5) points in the Drawing Portfolio, three hours of basic art credit in ART 1311 (Beginning Drawing) will be considered. To determine how Advanced Placement credit will be awarded, all Advanced Placement portfolios must be reviewed within the department for consistency with standards appropriate to the performance level and range of enrolled students.

**Admission and Retention:** A Candidacy Review is required of all students intending to major in art. Admission to The University of Memphis and completion of basic art courses do not guarantee placement in Department of Art concentration areas. Admission is selective and is based on a portfolio evaluation reflecting professional standards and expectations of the particular concentration. Space availability may also affect admission decisions. Concentration admission applications are

to be made upon the completion of the basic art courses – ART 1210, 1215, 1311, 1314, 2101, 2102, – and any additional courses (listed below) required for a specific concentration. A portfolio that includes but is not limited to works from these courses is required as part of the application. Guidelines and application forms for admission to a concentration are available from the Department of Art office and from faculty advisors. Transfer students at the sophomore level or higher must meet concentration requirements. Required courses may be satisfied either through transfer credit or by courses taken at The University of Memphis. Upon completion of the Candidacy Review, the student is notified of one of the following: 1) acceptance to the concentration; 2) one semester acceptance on a probationary status; 3) recommendation to pursue studies in another area of art; 4) recommendation to correct deficiencies and reapply; or 5) denial of concentration admission.

**Concentration Entrance Requirements:** ART EDUCATION; OR CERAMICS, PAINTING, PRINTMAKING, AND SCULPTURE; OR PHOTOGRAPHY: ART 2213, 2314, (Photography applicants take 2702 instead of 2314), plus two or more from: 2331, 2351, 2511, 2523, or 2701. Portfolios are to be presented for review in the second semester of the sophomore year or during the semester when the student completes these requirements. Permission to enroll in 3000 or 4000 level studio courses depends upon acceptance into a concentration.

**GRAPHIC DESIGN:** ART 2213, 2221, and 2313. Students are to apply for portfolio review during the semester they complete the basic art courses and these three courses. Permission to enroll in any 3000 or 4000 level graphic design course is based upon the review.

**INTERIOR DESIGN:** ART 2233 and 2234. Students are to include work from the basic art courses plus these two courses. Portfolios are reviewed when the applicant completes these courses. Permission to enroll in any 3000 or 4000 level interior design course is based upon this review.

**Graduation:** For the B.F.A. degree, a total of 139 semester hours is required for graduation, 90 of which must be in professional course work. A minimum of 42 upper division semester hours is required for this degree. A minimum grade of C is required in all art courses.

### 1. General Education Courses

**English Composition** (6 hours): ENGL 1101, 1102, with a minimum grade of C.

**Oral Communication and Rhetoric** (3 hours): COMM 2381.

**Mathematics** (3-6 hours) MATH 1181 and 1182; or one of the following: MATH 1312, 1321 (4), 2000.

**Literary Heritage** (3 hours): ENGL 1201 or ENGL 2202.

**Fine Arts Heritage:** Not required for students who meet all B.F.A. in Art requirements for graduation.

**Historical/Philosophical Heritage** (6 hours): One course from pre-1500: CLAS 2481, HIST 1301, PHIL 1101, POLS 1101, UNIV 2850, UNIV 3580; plus one course from post-1500: HIST 1302, PHIL 1102, POLS 1102, UNIV 2860, 3581.

**American Heritage** (6 hours): HIST 2601 or 2602; plus one of the following: ANTH 3282, GEOG 3401, HIST 2601, HIST 2602, HIST 3863, HIST 3900, HIST 4851, HIST 4881, POLS 4212, POLS 4405, SOCI 3422

**Social Science** (6 hours): One course from list A and one course from list A or B:

A: (Global Perspective): ANTH 1200, CJUS 2110, ECON 2110, GEOG 1301, GEOG 1401, POLS 2301, POLS 2501, PSYC 2201, SOCI 2100, SOCI 2101/CSED 2101, UNIV 2304.

B: ANTH 1100, CJUS 1100, ECON 2120, POLS 1100, PSYC 1101, SOCI 1111.

**Natural Science** (8 hours—Sequence required): BIOL 1051, 1052, 1061, 1062; BIOL 1151, 1152, 1161, 1162; CHEM 1101, 1102; CHEM 1131, 1121, 1132, 1122; GEOG 1101, 1102; GEOL 1101, 1102; GEOG 1101, GEOL 1101; PHYS 1001, 1010, 1002, 1020; PHYS 2003, 2510, 2004, 2520; or UNIV 1610, 1611.

**Fitness and Wellness** (4 hours): HPER 1100 plus two semester hours of physical activity from the following: any 100 level course in PEAD, DANC, 1821, 1825, 1827, 2821, 2825, 2827, MUAP 2002, THEA 2501, AERO 1111, 1112, 2211, 2212; ARMY 2115, 2120, 2190, 3110, 3120, 3190, 4110, 4120; NAVY 1100, 1104, 2204, 2206, 3000. Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire one-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

**Computation Intensive** (3 hours): At least one upper division course designated as computation intensive and approved by advisor. **PREREQUISITE:** Satisfactory completion of the General Education mathematics requirement.

**Writing Intensive** (3 hours): At least one upper division course designated as writing intensive and approved by advisor. **PREREQUISITE:** Satisfactory completion of the General Education English composition requirement.

**Integrative** (3 hours): At least one upper division course designated as integrative and approved by advisor. **PREREQUISITE:** Satisfactory completion of General Education English composition, oral communication, and mathematics requirements.

**Computer Literacy** (3 semester hours): COMP 1200, a course of study approved by the dean, or passing an approved computer literacy examination. *Art Education students may take ICL 3600 instead.*

## 2. Basic Art Courses (18 hours)

ART 1210, 1215, 1311, 1314, 2101, 2102.

## 3. Art History (12 hours)

Upper division semester hours in art history courses; no more than 3 hours of museum study may be used to satisfy this requirement. Interior Design students must take ART 3103, 3104; Graphic Design students must take ART 4224; Art Education students must take ART 4721 and 4156. Ceramics, Painting, Printmaking, Sculpture students and Art Education students must take ART 4156.

## 4. Concentration Areas:

a. **Ceramics, Painting, Printmaking, and Sculpture** (54 hours):

ART 2313, 2314, 2331, 2351, 2511, 2523, 2701, 4611 plus ten (10) additional courses from those listed below.

Ceramics: ART 3524, 4521, 4522

Painting: ART 3332, 4321, 4322, 4331, 4332

Printmaking: ART 3351, 3352, 4351, 4352

Sculpture: ART 3511, 3512, 4511, 4512

ART 4610, 4621, 4622

All required 2000 level art courses must be completed before enrollment in 4000 level studio class.

b. **Graphic Design** (48 hours):

ART 2213, 2221, 2351, 2701, 3211, 3213, 3221, 3222, 3227, 4221, 4222, 4223, 4232 or 4233, 4235, 4341, and one of the following: ART 3312, 3225, 4223, 4231, 4232 or 4233.

c. **Interior Design** (48 hours):

# BACHELOR OF FINE ARTS (IN THEATRE)

The Bachelor of Fine Arts degree is a program specifically designed for students whose *certain* interests and abilities *strongly* suggest the potential for pursuing careers as artists in the resident, professional, community, or academic theatre. To expand the student's creative powers and deepen the commitment to a vocation in the theatre, the B.F.A. program offers the student (1) a basic probing of all the arts and crafts of the theatre; (2) an exploration in depth of one area of special interest; (3) the opportunity to participate creatively as a theatre artist through extensive production experience. Three areas of specialization are offered: I. Performance, II. Design and Technical Production, and III. Dance. Students entering the B.F.A. program will elect one of these three areas for concentrated study. The student normally will begin specialized training and the audition/portfolio review process at the end of the sophomore year.

**Admission and Retention Criteria:** Admission and retention in the B.F.A. program in Theatre are based on selective procedures in the form of portfolio reviews held yearly and/or auditions held twice yearly. Following their audition/interview or portfolio review/interview, applicants will be notified as to whether they have been accepted into the program, accepted for one more semester on a probationary basis, or advised to pursue another degree.

(1) **Performance:** Admission and retention in the Performance concentration are based on an audition and interview. In addition to the interview, the student is expected to present an audition consisting of a song, a group dance audition, and presentation of two monologues from plays of distinctly different styles and/or periods. The total time of the monologues may not exceed five minutes.

(2) **Design and Technical Production:** Admission and retention in the Design and Technical Production concentration are based on portfolio review and interview. In addition to the interview, the student is expected to present a portfolio of artistic and production work. This may consist of items including photographs, sketches, costume plates, elevations, lighting plots, and ground plans.

(3) **Dance:** Admission and retention in the Dance concentration are based on an audition and interview. In addition to the

interview, the student is expected to participate in a group audition designed to demonstrate dance technique and performance skills.

**Retention:** The fact must be emphasized that admission to the B.F.A. curriculum does *not* imply a student's permanent tenure in the program. Beyond the audition interview or portfolio review, the student's active participation in the co-curricular activities of the department will be assessed by the theatre faculty. Artistic growth, development of technical facility, and continuing commitment to creative excellence on the part of the student will be evaluated. Permission to continue in the program will be based on this evaluation.

**Transfer of Credit:** In certain cases students may be admitted to an advanced level of the B.F.A. program. Such admission will be based upon: (1) an audition and interview; (2) the student's previous course work in theatre, particularly in the area of special interest; (3) the student's previous involvements in production experience, (4) letters of recommendation from former Theatre Arts instructors and/or directors. Even if admitted to an advanced standing, the student will be required to remedy previous course deficiencies.

**Advising:** Upon admission to the B.F.A. program, each student will be assigned a faculty advisor. For this degree, 136 semester hours are required for graduation. A minimum grade of C is required in all theatre courses applicable to the major. The student must maintain an overall quality point average of 2.0.

## 1. General Education Courses

**English Composition** (6 hours): ENGL 1101, 1102, with a minimum grade of C.

**Oral Communication and Rhetoric** (3 hours): COMM 2381.

**Literary Heritage** (3 hours): ENGL 2201 or 2202.

**Fine Arts Heritage** (3 hours): THEA 1551.

**Historical/Philosophical Heritage** (6 hours): One course from **post-1500:** CLAS 2481, HIST 1301, PHIL 1101, POLS 1101, UNIV 2850, UNIV 3580; plus one course from **post-1500:** HIST 1302, PHIL 1102, POLS 1102, UNIV 2860, 3581.

**American Heritage** (6 hours): HIST 2601 or 2602; plus one of the following: ANTH 3282, GEOG 3401, HIST 2601, HIST 2602, HIST 3863, HIST 3900, HIST 4851, HIST 4881, POLS 4212, POLS 4405, SOCI 3422.

**Social Science** (6 hours): Select one course from list A and one course from list A or B:

A: (Global Perspective): ANTH 1200, CJUS 2110, ECON 2110, GEOG 1301, GEOG 1401, POLS 2301, POLS 2501, PSYC 2201, SOCI 2100, SOCI 2101/CSED 2101, UNIV 2304.

B: ANTH 1100, CJUS 1100, ECON 2120, POLS 1100, PSYC 1101, SOCI 1111.

**Natural Science** (8 hours—Sequence required): BIOL 1051, 1052, 1061, 1062; BIOL 1151, 1152, 1161, 1162; CHEM 1101, 1102; CHEM 1131, 1121, 1132, 1122; GEOG 1101, 1102; GEOL 1101, 1102; GEOG 1101, GEOL 1101; PHYS 1001, 1010, 1002, 1020; PHYS 2003, 2510, 2004, 2520; or UNIV 1610, 1611.

**Fitness and Wellness** (5 hours): HPER 1100 plus The A250.

**Computation Intensive** (3 hours): At least one upper division course designated as computation intensive and approved by advisor. **PREREQUISITE:** Satisfactory completion of the General Education mathematics requirement.

**Writing Intensive** (3 hours): At least one upper division course designated as writing intensive and approved by advisor. **PREREQUISITE:** Satisfactory completion of the General Education English composition requirement.

**Integrative** (3 hours): At least one upper division course designated as integrative and approved by advisor. **PREREQUISITE:** Satisfactory completion of General Education English composition, oral communication, and mathematics requirements.

**Computer Literacy:** COMM 1200, a course of study approved by the dean, or passing an approved computer literacy examination.

## 2. Basic Theatre Core Courses (26 hours):

THEA 1411, 1561, 2511, 2531, 3412, 4 of 3601-3607 (4), 4551 or 4552, 4582.

### 3. Concentration Areas

Performance, Design and Technical Production, and Dance. Individual concentration course sequence to be determined in conference with student's advisor. Emphasis in specific areas will determine sequence structure. **FOR EXAMPLE:**

#### a. Performance

THEA 2532, 3212, 3213, 3411, 3505, 3506, 3531, 3532, 3551 (1), 1 of 3601-3607 (1), 4455, 4457, 4521, 4541 (6), 4551 or 4552 (to complement theatre history core requirement), elective courses chosen in conference with the student's advisor.

#### b. Design and Technical Production

THEA 2512, 3511, 3561, 3562, 2 of 3601-3607 (2), 4541 (6), 4555, 4556, 4557, 4551 or 4552 (to complement theatre history core requirement), 4561, 4562, 4563, 4564, 4591[C], 4592; elective courses chosen in conference with the student's advisor.

#### c. Dance

DANC 1151, 2101, 2821, 2825, 3101, 3201, 3629 (16), 4101, 4201, 4301 (1-3); plus select two from among THEA 3505, 3506, 4501, 4541 (3); elective courses chosen in conference with the student's advisor.

**\*NOTE:** THEA 4541 Internship (see course description section.). The intent of this requirement and course is to provide the student experience in full-time theatre production situation. Off-campus participation (usually following the junior year) is an essential element of the B.F.A. degree program. Details are to be planned in advance in conference with the student's advisor.

## BACHELOR OF MUSIC (IN COMMERCIAL MUSIC)

The Bachelor of Music degree in Commercial Music is designed for students whose interests and abilities indicate a strong potential for significant achievement in music industry. Four concentrations available are: Jazz and Studio Performance; Jazz and Studio Composition/Arranging; Music Business; and Recording Technology.

**Admission:** Admission is based on selective procedures, and admission to the university does not guarantee placement in the Commercial Music Program. Stringent quality control is essential; therefore, an assessment is required of all students desiring to enter the program. Entrance requirements vary by concentration. Specific admissions criteria may be obtained through the office of the Chairman, Department of Music. Through the admissions procedure, preliminary estimates of student commitment and potential success can be made. Upon admission, the student will be assigned a CMUS advisor.

**Retention:** The student's progress and continued potential will be reviewed twice yearly by the appropriate Commercial Music faculty. Permission to continue in

the program will be based upon this evaluation. Retention criteria may be obtained through the office of the Chairman, Department of Music.

**Piano Proficiency:** All students concentrating in Studio/Live Performance and Composition/Arranging with the exception of keyboard majors, must pass the Commercial Music piano proficiency examination before their last semester in the program.

**Experiential Learning:** Credit may be awarded for validated learning from experience or non-traditional instruction. Students who wish to apply for credit for experiential learning may obtain guidelines for this procedure from the Dean of the College of Communication and Fine Arts. (See *Fees and Charges*, for related fee information.)

**Graduation from the Program:** Graduation requirements vary by concentration. For students in the Music Business and Recording Technology concentrations, a minimum of 139 hours is required for graduation; a minimum grade of C and a quality point average of 2.5 are required in all courses in the core and concentration. For students in the Composition/Arranging and Studio/Live Performance concentrations, a minimum of 139 hours is required for graduation; a minimum grade of C and a quality point average of 3.0 are required in all courses in the core and concentration.

## 1. General Education Courses (40-42 hours)

**Full-time Composition** (6 hours): ENGL 1101, 1102, with a minimum grade of C.

**Oral Communication and Rhetoric** (3 hours): COMM 2381.

## BACHELOR OF MUSIC (IN MUSIC)

The Bachelor of Music with a major in Music is a professional degree, the requirements of which provide the student

with an opportunity for specialization in the traditional disciplines of music and music education. A minimum grade of C is required in every graded course applicable toward the major. The student must maintain an overall quality point average of 2.0. **Exception:** School Music concentration: (1) overall quality point average of 2.25; (2) quality point average no less than 2.25 in all courses taken at The University of Memphis excluding all credit transferred from other institutions; (3) quality point average no less than 2.5 in all music courses; (4) quality point average no less than 2.5 in all required professional education courses; (5) grade of C or above in each professional education and music course. The specific degree requirements are divided into five groups: (1) general education, (2) basic music courses, (3) courses required for the specific emphasis chosen by the student, (4) music electives and (5) elective courses other than music and music education to bring the total of semester hours taken to 132 (134 for school music concentration). All students must complete a minimum of 42 hours at the upper division level. Transfer students must complete at least 30 semester hours of music and/or music education courses at the upper division level at The University of Memphis.

**Admission:** All applicants seeking admission as freshman music majors or as transfer students must complete and submit to the Admissions Office of The University of Memphis an appropriate formal application form. In addition to academic considerations, admission to the music degree program requires a personal interview and an audition. The audition consists of (1) performance in the student's major applied area, (2) a music theory examination and (3) a piano placement exam. Candidates are accepted on the basis of accomplishment, potential and suitability for the concentration they wish to pursue. Students seeking admittance as music majors in the fall term should apply no later than *August 1*, and those seeking admittance in the spring term should apply no later than *December 1*. Additional information on specific audition requirements and on interview/audition appointments may be obtained through the office of the Department of Music.

**Fitness and Wellness** (4 hours): HPER 1100 plus two semester hours of physical activity from the following: any 1000 level PHED course; DANC 1821, 1825, 1827, 2821, 2825, 2827; MUAP 2002, THEA 2501; AERO 1111, 1112, 2211, 2212; ARMY 2115, 2120, 2190, 3100, 3120, 3190, 4110, 4120; NAVY 1100, 1104, 2204, 2206, 3000. Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

**Computation Intensive** (3 hours): At least one upper division course designated as computation intensive and approved by advisor. **PREREQUISITE:** Satisfactory completion of the General Education mathematics requirement.

**Writing Intensive** (3 hours): At least one upper division course designated as writing intensive and approved by advisor. **PREREQUISITE:** Satisfactory completion of the General Education English composition requirement.

**Integrative** (3 hours): At least one upper division course designated as integrative and approved by advisor. **PREREQUISITE:** Satisfactory completion of General Education English composition, oral communication, and mathematics requirements.

**Computer Literacy:** COMP 1200, a course of study approved by the dean, or by passing an approved computer literacy examination.

### 2. Basic Music Courses (37.5-42 hours)

MUTC 1008 1010 1009, 1011, 2008, 2010, 3008, 3009, 3010, 3101, 3102 (MUTC 3102 not required in School Music concentration) (22)

MUHL 3301, 3302, History of Music (6)

MUSE 3700 Basic Conducting (2)

**Large Musical Organizations:** A minimum of eight semesters of large ensemble is required of music majors. (Exceptions to this policy are pianists with concentration in Performance and guitarists who are required to have a minimum of 6 semesters of large ensemble.) Generally, wind and percussion performers are to participate in an instrumental ensemble; string performers are to participate in orchestra; and vocal, keyboard, and guitar performers are to participate in a choral organization unless assigned to a large instrumental ensemble. Transfer students lacking sufficient large ensemble credits may partially fulfill their large ensemble requirements by simultaneously enrolling in a small ensemble with a maximum of 2 credit hours of small ensemble applicable to the total large ensemble requirement. Ensemble assignments are based on audition and may be repeated. Any exception to this general ensemble assignment policy will be made after a review of petitions by the departmental chair, the appropriate ensemble director, and the applied teacher.

**Piano Proficiency:** All undergraduate music majors must take a piano placement examination before enrolling in applied music courses. This evaluation will place students in the appropriate piano class

(MUSE 1105, 1106, 2107, 2108) to develop the skills necessary to pass the Piano Proficiency Examination. All students in the Bachelor of Music (in Music) degree program must pass the Piano Proficiency Examination before the beginning of the senior year. This may be done in either of two ways: (1) by completing MUSE 2108 or (2) by passing without credit the piano proficiency exam given once each semester. Piano proficiency requirements vary according to the area of concentration. A verification will be mailed to the student and to appropriate officials upon completion of the examination. After successful completion of this examination, music students whose major instrument is not piano may audition for major group or private instruction in piano.

**Applied Music Workshop:** MUAP 1000 is required of all music majors for eight semesters.

### 3. Major: Music

Students completing

NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

**Computation Intensive** (3 hours): At least one upper division course designated as computation intensive and approved by advisor. **PREREQUISITE:** Satisfactory completion of the General Education mathematics requirement.

**Writing Intensive** (3 hours): At least one upper division course designated as writing intensive and approved by advisor. **PREREQUISITE:** Satisfactory completion of the General Education English composition requirement.

**Integrative** (3 hours): At least one upper division course designated as integrative and approved by advisor. **PREREQUISITE:** Satisfactory completion of the General Education English composition, oral communication, and mathematics requirements.

**Computer Literacy:** This requirement may be satisfied by taking COMP 1200, by course of study approved by the dean, or by passing a university-approved computer literacy examination.

**Major:** Completion of requirements for one of the majors listed below.

**Electives:** to bring the total to 132 semester hours.

### MAJORS (Choose one)

#### ART HISTORY

**The Major:** 36 semester hours in art history courses, including ART 2101, 2102, 4195, and one upper division course each from five of the following art history categories: Ancient, Medieval, Renaissance, Baroque, Modern European, American, and non-European art. A minimum of 6 hours in studio art is also required.

#### ART The Major: (See B.F.A. degree.)

**The Minor:** 24 semester hours in art courses, 9 of which must be from the upper division. Courses selected for the minor are to be approved by the advisor who will be assigned by the department chair.

#### PHOTOGRAPHY

**The Major:** See B.F.A. degree.

**The Minor:** 18 semester hours as follows: ART 2701, 2702, 3701, 4701, 4702, and 4721.

#### JOURNALISM

**NOTE:** Sophomore standing or permission of instructor required for courses at the 2000 level and above. JOUR 2121, which requires typing proficiency, is a prerequisite for journalism majors taking more advanced writing courses in the program. Students must pass the Journalism Department's Writing Proficiency Exam before enrolling for JOUR 2121. This test is offered several times during the year. Prerequisite journalism courses, including JOUR 2121, must be completed with a minimum grade of C before moving on to any course in the program to which the prerequisites are applied.

Students majoring in journalism may select only one concentration and may not simultaneously complete within the 132 hours required for the Bachelor of Arts degree, the concentration in film and videotape production within the theatre and communication arts major. Of the 132 hours required for graduation, 90 hours must be in the theatre or journalism skills related courses. Of these 90 hours, at least 65 hours must be in liberal arts. Twelve semester hours in a secondary area of emphasis, outside the Department of Journalism, approved by the student's advisor, is recommended.

In order to be in compliance with the Accrediting Council on Education in Journalism and Mass Communication accreditation standards, U of M will accept no more than 12 semester hours or the equivalent in journalism courses for transfer from community colleges to be applied toward the degree.

**The Major:**

**Journalism Core** (required of all students majoring in journalism—12 to 15 hours): JOUR 1700, 2121, and 4700. Advertising, Broadcast News and Public Relations students will take one of the following: 4702, 4708, 4710, or 4712. News Editorial students will take two of the following: 3700, 4702, 4708, 4710, or 4712.

Completion of one of the following concentrations:

ADVERTISING (30 hours): JOUR 3300, 3322, 3324, 3335, 3345, 3900, 4327, 4328; JOUR 3400 or 4330; MKTG 3010.

BROADCAST NEWS (26 hours): JOUR 3625, 4120, 4629, 4639, 4655; COMM 3801, 3821, 3824.

NEWS EDITORIAL (18 hours): JOUR 2123, 3123, 3124, 3900, and one of the following combinations: JOUR 4120 and 4125; JOUR 3205 and 4214; or JOUR 2520 and 3525.

PUBLIC RELATIONS (42 hours): JOUR 3400, 3410, 3421, 3422, 3900, 4420, and 4440; COMM 2381, 3322; MKTG 3110, 4420; MKTG 3010, and any two of the following: JOUR 3123, 3124, 3205, 3625, 4430, COMM 3802.

*The Minor:* Students may qualify for a minor in general journalism by completing 18 semester hours in journalism courses, including JOUR 1700, 2121, 4700, and 9 additional semester hours selected from the upper division.

Practical experience is available to all journalism students on *The Helmsman*; *The DeSoto*, University yearbook; or in one of the following activities: University Public Information Office, Athletic Publicity Office, Alumni Publicity Office, Photo Service Department. Qualified majors will be chosen for senior-year internships with Memphis newspapers, magazines, advertising-public relations agencies, and broadcasting stations.

## MUSIC

*The Major:* (See B.M. degree.)

*The Minor:* (25 hours)

MUTC 1008, 1010, 1009, 1011, 2008, 2010 (12 hours)

MUHL 3301, 3302 (6 hours)

Individual instruction in voice or an instrument, four semesters (4 hours)

Large ensemble: two semesters (2 hours)

MUAI (1000 Applied Music Workshop: two semesters (1 hour)

## THEATRE AND COMMUNICATION ARTS

*The Major*

All students must take THEA 1551 and COMM 2381 and fulfill the requirements for one of the following concentrations:

Select one of the following concentration areas:  
BROADCAST AND ELECTRONIC MEDIA: 37 semester hours, including COMM 1780, 3800;

4857, three of: 4810, 4811, 4812, 4831, 4871, three of: 3322, 3330, 3371, 3861, 4011, 4013, 4704, 4853, 4854, one of: 3820, 3821, 3823.

COMMUNICATION: 36 semester hours, including COMM 1780; 3321; 4381: one of: 3322, 4704; two of: 4011, 4013, 4341, 4342, 4375; and 12 additional hours in Communication.

FILM AND VIDEO PRODUCTION: 33 semester hours, including COMM 3321 or 3322; 3822; 3823; 3824, 3842, 4824; 4825, two of: 4220-29, 4850, 4851, 4853, 4854, 4856, 4858; and three additional hours in Communication.

THEATRE: 32 semester hours including: THEA 1411, 1561, 2501, 2511, 2513, 3412, 4 of 3601-3607 (4), 4551 or 4552, 4582, and three required elective hours in Theatre. Active participation in the theatre program is expected and will be evaluated. NOTE: No more than 42 semester hours of Theatre and Communication Arts course work may be applied toward a B.A. degree.

*The Minor:* Any student wishing to minor in any area (Communication Arts, Theatre, Dance, Theatre and Communication Arts) in the Department of Theatre and Communication Arts should see the department chair who will assign an appropriate advisor. The minor must consist of at least 18 hours of approved coursework, 9 of which must be upper division. Coursework for all minors will be determined by the student in conference with the advisor with the approval of the department chair.

## HONORS PROGRAM

The Honors Program offers superior students the opportunity to engage in an intensive and individualized course of study leading to a Bachelor of Arts or Bachelor of Fine Arts degree with Departmental Honors. The program enables honors students to develop their particular talents, interests, and abilities within a curriculum designed to encourage academic independence and creativity.

*Admission:* To be eligible for admission into the Honors program, a student must meet the following requirements: (a) the completion of 55 semester hours of college course work (or Junior standing), (b) an overall quality point average of 3.25 or better, (c) a departmental quality point average of 3.25 or better, and (d) the completion of the 6 hours of core requirements in the department (COMM 2381 and THEA 1551). Students who have not met all of these requirements may apply for admission into the program, and their applications will be considered on a "provisional admittance" basis. Applications may be obtained from the Director of the Honors Program or from the main office of the department. Completed

applications should be submitted to the Director of the Honors Program at least two weeks before the end of each semester. Students may be admitted to the program at the end of any semester (including summer semesters).

*Requirements:* To graduate with departmental honors, an honors student must fulfill the following requirements:

(a) The completion of at least 18 hours of honors work. Twelve of these hours must be in upper division departmental honors work, and a maximum of 6 hours may be in lower division or extra-departmental honor work.

(b) The completion of an honors project or thesis in the senior year.

(c) The maintenance of an overall quality point average of 3.0 and a departmental quality point average of 3.25.

An honors student may earn departmental undergraduate honors credit in three ways: (1) by taking 6000 or 7000-level courses in the department under the THCA 4980 designation, "Honors Studies" (for a maximum of 15 hours credit); (2) by taking THCA 4999, "Senior Honors Thesis" (for a maximum of 6 hours); and by taking THCA 4982, "Honors Seminar" (for a maximum of 9 hours) for a combined total of no more than 18 hours. This will allow honors students to enroll in those departmental seminars that most specifically reflect their particular interests in theatre and communication. An honors student majoring in any field of concentration in the department will be able to substitute honors credit for certain track requirements for graduation. Contracting for honors credit in other courses or enrolling in Independent Study or Special Problems courses will not fulfill Honors Program requirements.

After completing 6 hours of Honors Studies, honors students may begin work on their projects or theses. These projects will be under the direct supervision of the Director of the Honors Program although students may ask any member of the departmental faculty to sit on their committees (three faculty members will sit on each student's committee). Typically, an honors student earns 6 hours of credit for the project, 3 of which reflect a semester of research or preparation while the final 3 hours reflect a semester of writing or assembling the project. The honors project does not have to be a thesis; the nature of the project will depend on the student's interests, talents, and course work and will be decided on an individual basis by the Director of the Honors Program.

For further information about the Honors Program, contact the chair, Department of Theatre and Communication Arts.

## MUSIC

Room 123B, Music Building

**APPLICATION AND AUDITION PROCEDURES:** Special application and audition procedures are required. See the description of the music programs in *Colleges and Degree Programs*.

**PIANO PROFICIENCY:** All undergraduate music majors must take a piano placement evaluation before enrolling in applied music courses. This evaluation will place students in the appropriate piano class (MUSE 1105, 1106, 2107, 2108) to develop skills necessary to pass the Piano Proficiency Examination. All students in the Bachelor of Music (in Music) degree program must pass the Piano Proficiency Examination before the beginning of the senior year. This may be done in either of two ways: (1) by completing MUSE 2108, or (2) by passing, without credit, the Piano Proficiency Examination given once each semester. Piano proficiency requirements vary according to the area of concentration. A verification will be mailed to the student and appropriate officials upon completion of the examination. After successful completion of this examination, music students whose major instrument is not piano may audition for major group or private piano instruction.

**COMMERCIAL MUSIC PIANO PROFICIENCY:** In lieu of the above piano proficiency, all Bachelor of Music commercial music majors, with the exception of keyboard students and students with a concentration in Music Business, or Recording Technology must pass the commercial music piano proficiency examination before their final semester in the program.

**PATTERNS OF COURSE OFFERINGS:** Patterns of course offerings are indicated in some course descriptions. (F) indicates the course is offered during the Fall Semester; (SP) indicates Spring. Courses with no indications of offering are offered either every semester or as needed. There is no guarantee that courses will always be offered as indicated. Always check the *Schedule of Classes* for availability.

### K318 APPLIED MUSIC (MUAP)

Applied music courses are divided into two broad categories: (1) small group or individual lessons in vocal or instrumental performance and (2) musical ensembles.

Small group lessons in vocal or instrumental performance are provided through MAJOR GROUP INSTRUCTION (see the explanation below under MAJOR GROUP INSTRUCTION). Individual lessons in vocal or instrumental performance are offered at LOWER DIVISION and UPPER DIVISION levels (see the explanation below under LOWER DIVISION COURSES and UPPER DIVISION COURSES). Major

group or individual lessons in vocal or instrumental performance are given by university faculty who are members of the relevant Applied Music Division.

All students who wish to enroll in small group or individual lessons in vocal or instrumental performance must perform an audition for the members of the appropriate Applied Music Division or for a designate of the appropriate division. Because the number of students who can be accepted is limited, it is advisable that the student audition as early as possible to be assured a place with the requested teacher. Practice facilities are provided without charge, but there are additional fees for the individual lessons (see the explanation below under FEES), and a deposit is required for practice room keys.

Examinations for courses in which the student is to receive credit for small group or individual lessons in vocal or instrumental performance are called Board Exams. For Board Exams, each student performs musical selections and/or technical exercises of a grade of difficulty appropriate to the level of instruction in which the student is enrolled. The board hearing the exam is made up of the members of the appropriate Applied Music Division (for further information, see the explanation below under EXAMINATIONS).

All music majors must enroll in an ensemble each semester. Non-music majors are encouraged to enroll. The University of Memphis as degree seeking students may enroll and be accepted for applied instruction where staff time is available. If accepted for applied instruction, non-music majors must simultaneously enroll and actively participate in a large ensemble sponsored by the Department of Music. For additional details, see LARGE MUSICAL ORGANIZATIONS in this section of the *Catalog*.

Any student enrolled at The University of Memphis may audition for applied jazz lessons as space permits. Any student accepted for applied jazz lessons must concurrently participate in an appropriate jazz ensemble or combo. Jazz ensemble assignments are made following the jazz auditions during registration week at the beginning of the semester.

All jazz and studio bass majors must simultaneously be enrolled in classical bass, MUAP 1541 until a level of proficiency equal to entrance into upper division is attained.

All jazz and studio guitar majors must take six semester hours of classical guitar which is the maximum allowable for credit toward the degree. If a student can meet the requirements in less time, and wishes to discontinue classical study, the student may do so with permission of the instructor and consultation with the jazz and studio faculty. In the event a student cannot meet the requirements after six semester hours of study, it is the student's responsibility to pursue classical guitar as an elective or until such time as requirements are met to the satisfaction of the guitar and jazz and studio faculty.

**FEES:** In addition to the regular student fees, all persons taking applied music will be assessed \$35.00 per semester for the half-hour lessons. Students registering for one (1) semester hour credit will receive one half-hour lesson per week. All others will receive one hour lesson per week regardless of credit hours. The integration courses—Artist Recital, Senior Composition Recital, Senior Project in Music History, and Senior Performance Project—are taught as applied music, and a fee of \$105.00 is assessed for registration in each course.

**REGISTRATION:** Students will register for lessons in the same manner and at the same time as they register for other courses; however, students may not be assigned to a course number until they have auditioned. Auditions are held in the Music Building during the pre-college counseling, advising and registration periods before each semester. Auditions may be scheduled in the Music Office, Room 123, Music Building. Any inquiries concerning credits or course numbers should be directed to the chair of the Department of Music.

**CREDITS AND GRADES:** Students may register for one or two hours credit per semester and will be assigned to individual lessons, a master class, or a combination of the two, commensurate with their level of performance. Additional credit may be earned at the lower division and upper division level. Students earning more than two credits per semester will be assigned additional practice and will be expected to perform at a higher level than those students registered for fewer credits. Grades are awarded on the same basis and have the same significance as in other subjects.

**REPETITION OF COURSES:** MUAP courses in individual lessons and major group instruction, small ensembles, and large ensembles may be repeated for credit but not for the purpose of improving the grade originally earned.

**EXAMINATIONS:** For an examination in applied music, students will prepare and perform for members

of the faculty of the Department of Music suitable musical selections and technical exercises of a grade of difficulty appropriate to their standing. Examinations are held in designated rooms on days set aside for this purpose near the end of each semester. Credit for the course will not be awarded to any student who fails to take the examination.

**1000. Applied Music Workshop. (.5).** This course is required of all music majors for eight semesters. (S/ U only).

**3999. Junior Recital. (1).**

**4260-69-6260-69. Special Topics in Applied Music. (1-3).** Topics are varied and announced in *Schedule of Classes*.

**4799. Conducting Recital. (1).**

**4801-6801. Individual Studies in Applied Music. (1-3).** Directed individual instruction in applied area not listed under MUAP. May be repeated, not to exceed 6 semester hours credit. **PREREQUISITE:** permission of department chair.

**4998. Senior Performance Project. (3).** Integration course in which knowledge and skills developed in music history, music theory, applied music, and music education courses are utilized systematically in the preparation and presentation of a public musical performance and of an accompanying descriptive paper; one of the compositions presented in the

format of a lecture-demonstration. *Taught as applied music, individual instruction. PREREQUISITE:* minimum of 2 hours in upper division applied lessons; permission of the instructor. [I].

**4999. Artist Recital. (3).** Integration course in which knowledge and skills developed in music history, music theory, and applied music courses are utilized systematically in the preparation and presentation of a public musical performance and of an accompanying descriptive paper. *Taught as applied music, individual instruction. PREREQUISITE:* a minimum of 4 hours upper division lessons; permission of the instructor. [I].

**MAJOR GROUP INSTRUCTION:** Any student of the university may audition for lessons at the major group level except in organ; organ students must have the ability to play the piano before beginning organ instruction. A student may not receive more than four hours credit in any one area of major group instruction. The fee for major group instruction will be the same as for one half-hour lesson per week: \$35.00 per semester.

**LOWER DIVISION COURSES:** Applied music courses in the lower division include the study normally carried out during the freshman and sophomore years. Piano or instrumental students at this level should have had several years of intensive study prior to university entrance so that they have a secure, reliable, and well-grounded technique on the instrument. Organ students may begin at this level provided that they play the piano well and have reasonable ability in sight-reading. Those who do not meet this requirement will register for MUAP 1310. To be admitted to lower division study a student must first pass a qualifying examination.

Students who fall short of the requirements for admission to the lower-division courses will be advised to register for major group instruction until deficiencies are eliminated. Course numbers will be repeated for each semester of study.

**UPPER DIVISION COURSES:** Promotion to the upper division does not follow automatically after the completion of four semesters of courses in the lower division but is made only on the recommendation of the upper division examining committee, such a recommendation will be made only if the student's proficiency as a performer bears promise of future artistic and professional qualities as a soloist. It is at this level that the student normally begins preparation for a recital.

**JUNIOR RECITAL, ARTIST RECITAL, and SENIOR PERFORMANCE PROJECT:** The Junior Recital is required for the Performance Concentration under the Bachelor of Music in Music degree. The Artist Recital is required for the Performance Concentration and the Sacred Music Concentration. The Senior Performance Project is required under the School of Music Concentration. The Artist Recital and the Senior Performance Project are integration courses for which the student must prepare both a public recital and a paper. To register for the Junior Recital and the Senior Performance Project, students must have successfully completed at least two years of credit in upper division lessons in their applied area. To register for the Artist Recital, students must have successfully completed at least four hours of credit in upper division lessons in their applied area. The Junior Recital must be approved by the appropriate applied music faculty through a hearing. Both the musical and the written portions of the Artist Recital and the Senior Performance Project must be approved by the appointed faculty committee through a reading and a hearing. Upon approval, the student may schedule a date for the public performance and make arrangements for the printing of the program. The public performance must be presented no later than two weeks after the date of the hearing.

**SMALL ENSEMBLES AND CHAMBER MUSIC:** Advanced students are encouraged (and for certain degree plans are required) to participate in the following groups. Selection for membership is based on audition; courses may be repeated with the approval of the student's advisor. Three one-hour meetings per week.

**3101. Brass Ensemble. (1).** Practical applications of brass performance techniques for a small chamber ensemble, one performer to a part; survey of brass chamber music. **PREREQUISITE:** permission of instructor.

**3103. Jazz Combo. (1).** Practical application of basic jazz improvisatory skills; combo experiences in all jazz styles: traditional, bop, contemporary. Audition required.

**3104. Collegium Musicum.** (1). Use of early musical instruments and voice in performance of early music; primary sources used in preparation of performances. **PREREQUISITE:** permission of instructor.

**3301. Chamber Music for Pianists.** (1). Applied work in piano ensembles, chamber music, and accompanying for woodwinds, brasses, strings, and vocalists.

**3401. Percussion Ensemble.** (1). Study and performance of selected traditional, contemporary, avant garde and pops percussion literature. Open to students in percussion concentration and others through audition.

**3402. Contemporary Chamber Players.** (1). Ensemble of mixed and variable instrumentation. Performance of repertoire written since 1900 and little known works of other periods. Primary goal of ensemble: to provide experiences in solving unique performance problems of contemporary music. **PREREQUISITE:** permission of instructor.

**3403. Orff Ensemble.** (1). Study and performance of literature written for Orff instruments, including barred percussion, unpitched percussion, and recorder.

## LARGE MUSICAL ORGANIZATIONS

A minimum of eight semesters of large ensemble is required of music majors. (Exceptions to this policy are pianists concentrating in Performance and guitarist who are required to have a minimum of 6 semesters of large ensemble; Commercial Music majors in Performance who are required to have 8 semesters of the appropriate level jazz ensemble; and Commercial Music majors in Composition/Arranging who are required to have 4 semesters of the appropriate level jazz ensemble. Commercial Music majors concentrating in Music Business or Recording Technology are exempt from this requirement.) Generally, wind and percussion performers are to participate in an instrumental ensemble; string performers are to participate in orchestra; and vocal, keyboard, and guitar performers are to participate in a choral organization unless assigned to a large instrumental ensemble. Transfer students lacking sufficient large ensemble credits may partially fulfill their large ensemble requirement by simultaneously enrolling in a small ensemble with a maximum of 2 credit hours of small ensemble applicable to the total large ensemble requirement. Ensemble assignments are based on audition and may be repeated. Any exception to this general ensemble assignment policy may be made after a review by the institutions by the department chair, the appropriate ensemble director, and the applied studio teacher.

## PURPOSES

The College of Education is dedicated to preparing students for careers in a variety of professional and related occupational areas. In helping the university pursue its three broad objectives of teaching, public service, and research, the College of Education is committed to the following missions: The first mission of the College of Education is to prepare teachers, other licensed school personnel, and educationally-related professionals who are qualified and competent in both practice and theory. The second mission is to conduct educational and educationally-related research and to engage in the dissemination of the outcomes of that research. The third mission of the college is tightly interwoven with the two preceding missions, that is, to provide teaching, research and service that extends beyond the confines of the campus, to make educational delivery available in its urban setting and at other outreach locations.

The departments in the college value the pursuit and practice of quality teaching and research in a multicultural setting. Specifically, the college actively seeks to foster the advancement of knowledge and pedagogy involved in educational training in school and non-school settings. With a priority on urban-related studies, both faculty and students are engaged in timely, diverse experiences of a scholarly nature.

This mission and vision for the College of Education is embodied in the theme of *Educational Leaders*. The college seeks to prepare such leaders who demonstrate a thorough knowledge of the learning process, skill in instructional planning and delivery, and a disposition to create dynamic learning environments that incorporate multicultural knowledge into instructional design and delivery.

## AREAS OF PROFESSIONAL TRAINING

The College of Education offers a wide selection of general and specialized programs that are designed to prepare students for a variety of careers.

### Careers in Teaching

One of the most important professions in a society is teaching its children and young people. Preparing students to become excellent teachers is a primary goal of the College of Education. A career in teaching offers a wide range of specialization choices and opportunities in prekindergarten, kindergarten, elementary, junior high, and senior high schools.

Through the College of Education, there are programs at the undergraduate level for licensure in early childhood (PreK-3), elementary (1-8), special education (K-12), and physical education (K-12).

Students who wish to prepare for other endorsements in Secondary Education and K-12 teaching fields will be expected to complete a baccalaureate degree in the appropriate teaching area followed by a fifth-year Master of Arts in Teaching or licensure program through the College of Education. Recommendation for teacher licensure in these areas is contingent upon successful completion of the Master of Arts in Teaching degree or licensure program.

Preparation for the various teaching areas includes a significant professional education component that emphasizes both a comprehensive knowledge base and an extensive skills requirement to ensure pedagogical competency. To meet these objectives, there is provision for significant laboratory and field experiences culminating in enhanced student teaching in the student's senior year.

### Careers in Related Occupational and Professional Areas

Career options are available in related occupational and professional areas of Dietetics, Food Systems Management, Fashion Merchandising, and Home Furnishings Merchandising through the Department of Consumer Science and Education. Students have the opportunity to prepare for careers in Therapeutic Recreation, Outdoor Recreation, Recreation Program Administration, Community

Health, Emergency Medical Services, Health Education, Physical Education Instruction, Fitness Management, and Sports Leadership through the Department of Human Movement Sciences and Education. For additional information consult the College of Education General Advisor or the department chair.

## ORGANIZATION OF THE COLLEGE

Five academic departments make up the College of Education: Consumer Science and Education; Counseling, Educational Psychology and Research; Instruction and Curriculum Leadership; Human Movement Sciences and Education; and Leadership. Three departments offer undergraduate degrees, and all departments offer a variety of graduate degree programs.

In addition, there are several research and service units in the college: The Office of Teacher Education, The Bureau of Educational Research and Services, The Center for Higher Education, The Reading Center, The Center for Environmental and Energy Education, The Center for Research in Educational Policy, The Barbara K. Lipman Early Childhood School and Research Institute, and the University Campus School.

### College Honors Program

The College of Education Honors Program provides opportunities for students of junior standing to demonstrate excellence in academic achievement. It offers a series of specially designed honors sections and courses from which 18 semester hours must be taken. A 3.25 quality point average must be maintained. Specific information about the College Honors Program may be obtained in the Teacher Education Office.

### Academic Advising

Student advising in The College of Education is an essential support service provided to assist students in the process of clarifying academic goals consistent with their interests, abilities, values, and resources. Advisors provide academic, career, and professional information to assist students in developing realistic personal and career goals. Advisors also provide information about university support services and resources available to students.

All undergraduate students entering the college are advised initially by the College of Education general advisor. The general advisor assists students in becoming familiar with programs offered in the college and guides them through the beginning phases of their programs. Later faculty advisors or program coordinators in specific majors assist the students until graduation. **This assistance does not relieve the student of the primary re-**

**sponsibility of studying the catalog and fulfilling all degree requirements.**

## B.S.ED. REQUIREMENTS (TEACHER LICENSURE)

### Professional Studies for Educators

Professional studies in the College of Education consist of both generic courses taken by all persons planning careers as educators and specialized studies related to specific professional practice settings. All teacher education students will study knowledge and skills in human development, basic instruction, technology, foundations, cultural diversity, and children with special needs. Required courses for knowledge and skills include EDPK 2111, LEAD 2010, ICL 3000, ICL 4800, SPED 2000, and student teaching. Necessary skills in assessment, behavior management and specialized instructional methods are incorporated in courses delivered by their respective specialty areas. Specific requirements are listed in the section of the catalog addressing each major.

### Accreditation

The College of Education holds membership in the American Association of Colleges for Teacher Education. Its undergraduate programs, as well as all graduate degree programs through the doctor's degree, for the preparation of teachers and related school personnel, are fully accredited by the National Council for Accreditation of Teacher Education (NCATE).

### Licensure Areas

Areas of licensure that are available at the completion of undergraduate education programs include:

- 403 Early Childhood (PreK-3)
- 402 Elementary (Grades 1-8)
- 420 Physical Education (K-12)
- 461 Special Education (Comprehensive, K-12)
- 460 Special Education (Modified, K-12)

Recommendation for teacher licensure in any of the following teaching areas is contingent on the completion of a baccalaureate degree in the appropriate academic area followed by completion of the Master of Arts in Teaching degree or licensure program:

- 403 Early Childhood (PreK-3)
- 402 Elementary (Grades 1-8)
- 461 Special Education (Comprehensive, K-12)
- 460 Special Education (Modified, K-12)
- 465 Special Education (Preschool/Early Childhood, PreK-1)

### Secondary:

- 407 English
- 411 French
- 412 German

- 410 Latin
- 406 Russian
- 409 Spanish
- 413 Mathematics

### General Science/Physical Science

- 415 Biology
- 416 Chemistry
- 417 Physics
- 418 Earth Science

### General Social Studies

- 421 History
- 422 Geography
- 423 Government
- 424 Economics
- 425 Sociology
- 426 Psychology
- 430 Basic Business/Accounting
- 428 Vocal/General Music K-12
- 420 Physical Education K-12
- 427 Visual Arts K-12
- 450 Consumer and Homemaking Education
- 451 Care and Guidance of Children

Students who intend to enter the Master of Arts in Teaching program should consult their major advisor or the College of Education General Advisor for information about this program to ensure that the general education curriculum, preprofessional studies, and teacher licensure requirements are completed.

### Admission to Teacher Education Program

Students who plan to pursue an undergraduate program of studies leading to teacher licensure must submit a formal application to the College of Education Teacher Education Program (TEP). Students are encouraged to apply for admission as soon as they enroll in courses in the college.

Prerequisites for formal admission to the Teacher Education Program are as follows:

1. Admission application completed and returned.
2. Grade of C or above in ENGL 1101, 1102, COMM 2381, EDPK 2111, and LEAD 2010.
3. Satisfactory scores on the Pre-Professional Skills Tests (PPST) according to the criteria established by the Tennessee State Board of Education and the College of Education, The University of Memphis.
4. Minimum of 25 semester hours completed.
5. Overall GPA of no less than 2.5.
6. Satisfactory completion of a personal interview.

### Appeals

1. Students who do not meet the admissions criteria will be allowed to obtain Conditional Admission **only** if their deficiencies can be remediated within one semester. Conditional Admission status can be secured for one semester only.
2. During their next enrollment period, conditionally approved students will be allowed to enroll in professional education courses with the exception of student teaching. If at the end of that semester they are not able to meet the criteria for admission, they will be disapproved. Alternative admissions procedures are under revision. See the Coordinator of Field Experiences for information.

### Retention

In order to remain in the Teacher Education Program, students must maintain a

2.50 QPA. If all requirements for retention have not been met, a faculty committee will review the student's academic record and other pertinent information and set up an interview with the student. Academic, social, and ethical issues can be reviewed in retention decisions. This review may result in a recommendation to the dean of the college for (1) continuation for a specific provisional period with specified conditions for continuation in the program; or (2) dismissal from the program.

## Pre-Student Teaching Clinical Experiences

Students pursuing teacher licensure will complete as a part of their program of studies a variety of clinical experiences that will be completed as a requirement built into professional education courses. Students will be expected to have experiences in a variety of settings and with pupils who reflect differences in age, socioeconomic backgrounds, and cultural heritage.

Clinical experiences include both laboratory experiences (typically fulfilled on campus) and field experiences (typically fulfilled in K-12 school settings). The amount of time to be spent in a clinical experience will vary according to the specific requirement being met. Fulfillment of these experiences requires that students make available out-of-class time between 7:00 a.m. and 4:00 p.m. All students are required to complete up to 99 clock hours of approved in-school clinical experiences prior to student teaching.

Completion of field experiences will occur in sites arranged and approved by The University of Memphis College of Education Office of Teacher Education.

## Student Teaching

Students who are pursuing degree programs at The University of Memphis which lead to teacher licensure must complete their student teaching requirements in placements arranged, coordinated, and approved by the Coordinator of Field Experiences of the College of Education. Normally, student teaching assignments are full day in length for a designated number of weeks.

Student teaching is offered only during the fall and spring semesters in area schools. No student teaching assignments for initial licensure are made during the summer semester. Under the direction of cooperating teachers and university supervisors, opportunities are provided for observation of sound teaching practices and for realistic experiences culminating in assumption of full-time teaching responsibilities.

All students are required to complete a professional semester of a minimum of 15 weeks of student teaching and an associated seminar. **NO OTHER COURSES MAY BE TAKEN DURING THE PROFESSIONAL SEMESTER.**

Students who have completed all or part of their student teaching experiences before enrolling at The University of Memphis, and who desire to receive this institution's

recommendation for licensure, should expect to complete a minimum of six semester hours of credit in student teaching at The University of Memphis.

Grades in student teaching are reported as S (satisfactory) or U (unsatisfactory).

Requirements for enrollment in student teaching are:

1. Application filed during the semester before student teaching.
2. Full admittance to and good standing in the Teacher Education Program one semester before student teaching.
3. Classification as a senior to graduate student.
4. Completion of all prerequisite professional education courses.
5. Grade of C or above in each required professional education and each major course.
6. Recommendation by a faculty committee.

## Graduation

To be recommended for graduation and licensure, students must complete the requirements listed below:

1. Minimum of 132 semester hours, including at least 45 hours of upper division courses.
2. Overall QPA of no less than 2.50.
3. QPA of no less than 2.50 in all courses taken at The University of Memphis, excluding all credit transferred from other institutions.
4. Grade of C or above in each required professional education course and each course in the major.

For Tennessee Teacher Licensure, students must obtain satisfactory scores in the Core Battery and Specialty Area Examinations of the National Teacher Examination (NTE), according to the criteria established by the Tennessee State Board of Education.

Any courses taken in excess of those needed to fulfill the requirements of professional education courses and major and minor endorsement areas, are considered to be general electives and are included only in the calculation of the overall QPA. In those areas where students are required to take elective courses, the student, in consultation with and approval of the major advisor, designates where the elective courses are to be applied.

## B.S.ED. DEGREE (132-137 Hours)

### B.S.ED. GENERAL EDUCATION (48-62 hours)

**English Composition** (6 hours): ENGL 1101, 1102, with a minimum grade of C.

**Oral Communication and Rhetoric** (3 hours): COMM 2381, with a minimum grade of C.

**Historical/Philosophical Heritage** (6 hours): One course from **pre-1500**: CLAS 2481, HLT 1301; **PHIL** 1101; **1501-1700**: UNIV 2810, 3580; plus one course from **post-1500**: HIST 1302; **PHIL** 1102; **POLS** 1102; **UNIV** 2860, 3581.

**NOTE: Early Childhood (PreK-3 Licensure) and Elementary Education (Grades 1-8 Licensure) must select PHIL 1102 and HIST 1301 or CLAS 2481.**

**American Heritage** (6 hours): HIST 2601 or 2602; plus one other course from the following: ANTH 3282; GEOG 3401; HIST 2601, 2802, 3663, 3900, 4851, 4881; **POLS** 4212, 4405; **SOCI** 3422.

**Social Science** (6-9 hours): One course from list A and one course from list A or list B:

**A. (Global Perspective):** ANTH 2200; CJUS 2110; ECON 2110; GEOG 1301, 1401; **POLS** 2301, 2501; **PSYC** 2201; **SOCI** 2100, **SOCI** 2101/CSED 2101; **UNIV** 2304.

**B. ANTH** 1100, **CJUS** 1100, **ECON** 2120, **POLS** 1100, **PSYC** 1101, **SOCI** 1111.

**NOTE: Early Childhood Education (PreK-3 Licensure) and Elementary Education (Grades 1-8 Licensure) must select the following 9 hours:** GEOG 1301 or 1401, and **POLS** 1100, and **SOCI**

1111. *Special Education Majors must take PSYC 1101 and CSED/SOC 2101 as prerequisites for one of the other courses. PSYC 1101 is required of Physical Education majors.*

**Natural Science** (8-16 hours—sequence required): BIOL 1051/1052-1061/1062; BIOL 1151/1152-1161/1162; CHEM 1101-1102; CHEM 1131/1132-1132/1132; GEOG 1101-1102; GEOL 1101-1102; GEOG 1101-GEOL 1101; **PHYS** 1001 or 1010; 1002/1020; **PHYS** 2003/2510-2004/2520; **UNIV** 1610-1611.

**NOTE: Early Childhood Education (PreK-3 Licensure) and Elementary Education (Grades 1-8 Licensure) must take one 2-part sequence with lab selected from:**

**Biology:** BIOL 1151/1152-1161/1162; BIOL 1051/1052-1061/1062

**Physical Science:** CHEM 1101-1102, 1121/1121-1132/1132; **PHYS** 1001/1102-1002/1020, 2003/2510-2004/2520

**Earth Science:** GEOG 1101-1102, GEOL 1101-1102; GEOG 1101-GEOL 1101 (Counts as 2 part sequence)

Plus two courses—one course from each area not covered in the above sequence: **Biology**, **Earth Science** (GEOG or GEOL), **Physical Science** (CHEM or PHYS).

**Fitness and Wellness** (4 hours): HPER 1100 plus two semester hours of physical activity from the following: any 1000 level PHEP course; DANC 1821, 1825, 1827, 2821, 2825, 2827; MUAP 2002; THEA 2501; AERO 1111, 1112, 2221, 2212; ARMY 2115, 2120, 3110, 3120, 3130, 4110, 4120; NAVY 1100, 1104, 2206 and either 2204 or 3000. Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

**NOTE: Early Childhood Education (PreK-3 Licensure) must take PHED 1811. PHED 1811 is recommended for Elementary Education (Grades 1-8 Licensure). Physical Education (Licensure) majors must choose either PHED 1713 or a more advanced 1000 level swimming course.**

**Computation Intensive** (3 hours): At least one upper division course designated as computation intensive [C] and approved by advisor. **Prerequisite:** Satisfactory completion of the General Education mathematics requirement.

**Writing Intensive** (3 hours): At least one upper division course designated as writing intensive [W] and approved by advisor. **Prerequisite:** Satisfactory completion of the General Education English composition requirement.

**Integrative** (3 hours): At least one upper division course designated as integrative [I] and approved by advisor. **Prerequisite:** Satisfactory completion of General Education English composition, oral communication and rhetoric, and mathematics requirements.

**Computer Literacy** (3-4 hours): Included in major requirements (Most may be satisfied by taking ICL 3600 or its equivalent). Consult advisor.

## MAJORS

In addition to completing the degree requirements listed above for the teacher licensure, B.S.ED. students must complete requirements for the Human Development and Learning, Physical Education (Physical Education Instruction concentration), or Special Education major. Following the requirements for these majors, students must complete the natural science degree and majors offered through other departments in the college.

## HUMAN DEVELOPMENT AND LEARNING

**The Major** (75 hours): Core requirements (33 hours): EDPH 2111; LEAD 2010; HLTH 3306; ICL 3511, 3600, 4800; SPED 2000; COFA 3001, and one course from each of the following areas:  
Race and Ethnicity: SOCI 3401, 3422, 4410, or 4442.  
Family and Culture: ANTH 3511, 4411; HIST 4831, 4863; or SOCI 3831.

Gender: SOCI 3432 or 4460.

Plus one of the following concentrations and electives to bring the total for the degree to at least 132 semester hours.

**EARLY CHILDHOOD EDUCATION (PREK-3 LICENSURE)** (42 hours): EDPH 3300, 3301; ELED 4242 (6); ECED 3555, 3565, 4510, 4520, 4530, 4540, ICL 3000; a 15-week enhanced student

teaching experience in primary and kindergarten or prekindergarten settings (9 hours): ICL 4902 and either ICL 4901 or 4903.

**ELEMENTARY EDUCATION (GRADES 1-8 LICENSURE)** (42 hours): EDPR 3121, 3302; PHED 3604 (2); ELED 3251, 3261, 3271, 4242 (6), 4344; ICL 2601 (1), 3000, 3501; a 15-week enhanced student teaching experience in appropriate settings (9 hours): ICL 4904.

**SCHOOLS AND SOCIETY (NON-LICENSURE)** (42 hours): EDPR 3121, 3302; PHED 3604 (2); ICL 2601 (1), ANTH 4051; SOCI 3820; and 9 hours selected from each of the following groups:

- ECED 3555, 3565; EDPR 3100 [C], 3300, 3301; PSYC 3103; CSED 3401.
- EDPR 4530, 4541; SWRK 2911; SOCI 3801, 4842; CSED 4101; COUN 4621; ICL 4111.

## PHYSICAL EDUCATION

**The Major:** (76 hours): Successful completion of B.S.Ed. requirements with a major in Physical Education and a concentration in Physical Education Instruction will qualify a graduate to apply for licensure in Physical Education (K-12). Non-licensure majors should refer to the non-licensure requirements in the next section.

- Major Core (31 hours): PHED 2001, 3703 (4), 3803, 3903, 4204, 4403; BIOL 1751/1752 (4), 1761/1762 (4); one 4-hour natural science elective, and First Aid/CPR certification at graduation.
- Physical Education Instruction Concentration (21 hours): PHED 2002, 2003, 2009, 3307, 3308 (2), 3309 (1), 3604 (2), 3605 (1), 4808 (2), 4809 (1).
- Professional Education (24 hours): SPED 2000; EDPR 2111; LEAD 2010; ICL 3000, 4800, 4909 (9). Professional Seminar required during student teaching semester.
- Electives to bring the total for the degree to at least 132 semester hours.

## SPECIAL EDUCATION

**The Major:** (82 hours): Successful completion of B.S.Ed. requirements with a major in Special Education will qualify a person to apply for licensure in Special Education, both Modified (K-12) and Comprehensive (K-12). This major is also available to students who are not seeking licensure in which case guided electives will be chosen with advisor approval in lieu of the Professional Semester. \*NOTE: SPED 3800, 3801, 3802, and 3803 must be taken simultaneously.

- Major Core (36 hours): SPED 2000, 3201, 3401, 3501, 3601, 3802, 3803, 4900; ELED 3251, 4242 (6); and one of the following: PHED 3308 (2) and PHED 3309 (1); COUN 4621, 4781; REHB 3911; or ELED 4344.
- Professional Education (28 hours): ICL 3000, 4800; SPED 3800, 3801, 4000, 4001; fifteen weeks of student teaching in at least three settings: resource/consultative, comprehensive, and regular classrooms: ICL 4905 (4), 4906 (4), 4904 or 4907 (2).
- Related Liberal Studies (18 hours): SAFE 2102, ICL 3600, EDPR 2111, 3302; LEAD 2010; and one of the following: PSYC 3102, SOCI 3501, or EDPR 3121.
- Electives to bring the total for the degree to at least 132 semester hours.

## B.S.ED. REQUIREMENTS (NON-LICENSURE)

Non-licensure B.S.Ed. programs include the major in Consumer Science and Education which is offered through the Department of Consumer Science and Education and the following majors offered through the Department of Human Movement Sciences and Education: Health and Safety, Physical Education, and Recreation and Park Administration. Students may also complete the non-licensure major in the Department of Instruction and Curriculum Leadership: Human Development and Learning with a concentration in

Society and Learning. Degree requirements for these majors include the following:

## Graduation

In addition to specific course requirements listed below, students must complete the following:

- Minimum of 132 semester hours of which at least 45 hours must be upper division and at least 45-51 hours in liberal content courses.
- Overall OPA of no less than 2.0.
- OPA of no less than 2.0 in all credits earned at The University of Memphis excluding all credit transferred from other institutions.
- OPA of no less than 2.25 in all courses required for fulfilling the completion of the major.

**NOTE:** Any courses taken in excess of those needed to fulfill the requirements of the major are considered to be general electives and are included only in the calculation of the overall OPA. In those areas where students are required to take elective courses, the student in consultation with and approval of the major advisor, designates where the elective courses are to be applied.

## B.S.ED. DEGREE (132-137 Hours)

### B.S.ED. GENERAL EDUCATION (48-55 hours)

Students with a Dietetics concentration or a major in Physical Education with a concentration in Physical Education Instruction take PSYC 1101.

**Natural Science** (8 hours—sequence required): BIOL 1051/1052-1061/1062; BIOL 1151/1152-1161/1162; CHEM 1101-1102; CHEM 1313/1102; 1122; GEOG 1101-1102; GEOL 1101-1102; GEOG 1101-GEOL 1101; PHYS 1001/1010-1002/1020; PHYS 2003/2510-2004/2520; UNIV 1610-1611. **NOTE:** Consumer Science and Education majors with a Food Systems Management concentration take CHEM 1101-1102; with a Dietetics concentration, take CHEM 1131/1121-1132/1122.

**Fitness and Wellness** (4 hours): HPER 1100 plus two semester hours of physical activity from the following: any 1000 level PHED course; DANC 1821, 1825, 1827, 2821, 2825, 2827, MUAP 2002; THEA 2501; AERO 1111, 1112, 2111, 2212; ARMY 2115, 2120, 2190, 3110, 3120, 3190, 4110, 4120, 4130, 4140, 1104, 2206 and either 2204 or 3000. Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120)

**NOTE:** Physical Education Instruction concentration students must choose either PHED 1713 or more advanced 1000 level swimming course.

**Computation Intensive** (3 hours): At least one upper division course designated as computation intensive [C] and approved by advisor. **Prerequisite:** Satisfactory completion of the General Education mathematics requirement.

**Writing Intensive** (3 hours): At least one upper division course designated as writing intensive [W] and approved by advisor. **Prerequisite:** Satisfactory completion of the General Education English composition requirement.

**Integrative** (3 hours): At least one upper division course designated as integrative [I] and approved by advisor. **Prerequisite:** Satisfactory completion of General Education English composition, oral communication and rhetoric, and mathematics requirements.

**Computer Literacy** (3-4 hours): Included in major requirements. Consult advisor.

**MAJOR:** Completion of one of the majors described below.

**ELECTIVES:** To bring the total to at least 132 semester hours.

## MAJORS

The following majors are offered through the Department of Consumer Science and Education. In instances where a major requirement duplicates a course selected to fulfill General Education requirements, the number of elective hours will be increased.

## CONSUMER SCIENCE AND EDUCATION

**The Major** (65-84 hours): Core (17 hours): CSED 1101, 2104, 2202, 3302 (3); SocSci as EDPR 3302, 4106 [W], I, 4300, and one of the following concentrations. Students in all concentrations must complete the application for practicum or internships by mid-term of the semester before enrollment for the internships. Students may obtain the form from the major advisor.

**DIETETICS** (67 hours): CSED 2302, 3602, 4002, 4102, 4302, 4502, 4602, 4612, 4712, 4802; CHEM 3301 (1), 3302 (1), 3311, 3312, 4511, 4512; BIOL 1751/1752 (4), 1761/1762 (4), 3500 (5); ACCT 2010; MATH 1213 (4); EDPR 4541 [C].

**FOOD SYSTEMS MANAGEMENT** (48 hours): CSED 2302, 3602, 4302, 4312, 4412, 4502, 4702, 4722; ACCT 2010; ISDS 2710, 2750; MGMT 3110, 4420; MKTG 3010, 3410; FIR 3130.

**HOME ECONOMICS INSTRUCTION** (48-56 hours): CSED 1105, 2302, 3204, 3401, 4405; 15 hours chosen in consultation with advisor from the following courses: CSED 2004, 2005, 3602, 4204, 4213, 4217, 4304, 4405, 4412, 4602; in consultation with advisor, 18 hours chosen in the fields of marketing, merchandising, journalism, or in occupational concentration area. *Students seeking admission to graduate teacher preparation program take these additional 8 hours:* EDPR 2111, ICL 3000, 4715 (2).

**MERCHANDISING** (54-57 hours): Core (21 hours): CSED 2101, 3206 [C], 4600 (6); ICL 3600; and select a or b below.

**a. Fashion** (39 hours): CSED 1105, 2005, 4405, 4705 (6); Business Administration Core (24 hours): ACCT 2010; ECON 2120; MKTG 3010; 6 hours from MKTG 3012, 3610, 4080; and any 9 hours of marketing courses approved by the department chair.

**b. Home Furnishings** (42 hours): CSED 2004, 3204, 4204, 4304, 4314, 4405, 4804 (6); Business Administration Core (18 hours): ACCT 2010; ECON 2120; MKTG 3010, and 9 hours in MKTG selected in consultation with advisor.

<sup>1</sup>Also a General Education option.

<sup>2</sup>If the student wishes a minor in marketing, it is the student's responsibility to contact the chairman of the Marketing Department in the Fogelman College of Business and Economics before selecting the courses.

**NOTE:** All merchandising students must complete major subject area courses before the professional seminar required in the merchandising concentrations. A cooperative relationship exists with the Fashion Institute of Technology in New York City, whereby Consumer Science and Education—Merchandising majors may enroll for one semester of study in New York with the

semester hours earned being transferred toward graduation at The University of Memphis.

The following majors are offered through the Department of Human Movement Sciences and Education. In instances where a major requirement duplicates a course selected to fulfill General Education requirements, the number of elective hours will be increased.

## HEALTH AND SAFETY

#### M791 SPECIAL EDUCATION (SPED)

**2000. Introduction to Exceptional Learners.** (3). (SPER). Overview of special education including historical and legal perspectives of the field, characteristics of each exceptionality, and educational and community services utilized by exceptional persons and their families. *Field experience included.*

**3002. Independent Study In Special Education.** (1-6). (SPER). Opportunity for self-directed study and/or research under supervision. PREREQUISITE: consent of department.

**3201. Students with Emotional Problems.** (3). (SPER). Study of identification and education of students considered emotionally disturbed. Mild to severe behavioral and psychological characteristics and appropriate educational placement alternatives and practices emphasized. *Practicum with students with emotional disturbance included.* PREREQUISITE: SPED 2000.

**3401. Students with Learning Disabilities.** (3). (SPER). Historical developments and current practices in identification, assessment and instruction of students with learning disabilities. Emphasis on diagnosis, characteristics, and major approaches to instructional methodology. *Practicum with students with learning disabilities included.* PREREQUISITE: SPED 2000.

**3501. Nature of Students with Mental Retardation.** (3). (SPER). Definitions, etiology, and characteristics associated with mental retardation. Examination of evaluation, placement and programming used in educational, prevocational, and transitional settings. *Practicum with students with mental retardation included.* PREREQUISITE: SPED 2000.

**3516. Programming for Trainable Mentally Retarded Children.** (3). (SPER). Diagnosis, classification, development of teaching materials and techniques, and interaction with trainable mentally retarded learners. PREREQUISITE: SPED 2000.

**3601. Students with Physical/Health Impairments.** (3). Etiology and characteristics of students having mild to severe physical health impairments. Emphasis on physical and educational modification used to facilitate learning and developing vocational skills. Accessibility, movement pattern, prosthetic and augmentative communication devices and supportive medical procedures examined. *Practicum with students with physical/health impairments included.* PREREQUISITE: SPED 2000.

**NOTE:** SPED 3800, 3801, 3802, and 3803 must be taken as corequisites. The prerequisites for this sequence are SPED 2000, 3201, 3401, 3501, 3601; ELED 3251, 4242; and admission to TEP.

**3800. Methods, Materials and Curriculum for Learners with Mild Disabilities.** (3). (3012). Curriculum, methods, and materials applicable to special educational needs of learners with mild disabilities in primary, intermediate and secondary levels. Emphasis on programming techniques and implementation of appropriate interventions in special education or regular settings. CO/PREREQUISITES: See NOTE above.

**3801. Practicum with Learners Having Mild Disabilities.** (3). (3013). Planning and implementation of special education methods and materials with learners having mild disabilities. CO/PREREQUISITES: See NOTE above. (S/U).

**3802. Assessment of Learners with Disabilities.** (3). (3014). Tests and measurements used with learners having disabilities. Focus on diagnostic achievement testing as related to instructional planning. Includes other major assessment instruments and procedures used in evaluation of mild to severe exceptionalities. CO/PREREQUISITES: See NOTE above.

**3803. Behavior Management for Learners with Disabilities.** (3). (3015). Advanced strategies for managing social behaviors of learners with mild to severe disabilities. Techniques for eliminating maladaptive behaviors, managing aggressive and antisocial students, and teaching appropriate social skills. CO/PREREQUISITES: See NOTE above.

**4000. Methods, Materials and Curriculum for Learners with Moderate/Severe Disabilities.** (3). Curriculum, methods, and materials applicable to special educational needs of learners with moderate to severe disabilities. Emphasis on educational and vocational skills that facilitate normalization and independent living. PREREQUISITES: SPED 3800, 3801. COREQUISITE: SPED 4001.

**4001. Practicum with Learners Having Moderate/Severe Disabilities.** (3). (4013). Planning and implementation of special education methods and materials with learners having moderate to severe disabilities. PREREQUISITES: SPED 3800, 3801. COREQUISITE: SPED 4000. (S/U).

**4002. Professional Seminar In Special Education.** (3). (SPER). Professional development issues including development of communication skills affecting educator interaction with students, parents, and other professionals. Emphasis on addressing concerns and questions arising in student teaching settings. PREREQUISITES: SPED 3800, 3801. COREQUISITE: 4901.

**4012. Methods and Curricular Adaptations for Physically Impaired and Gifted Learners. (3). (SPER).** Two-module course; respective methods and curricular adaptations needed by physically impaired and gifted learners in school settings. **PREREQUISITE:** SPED 3800, 3801. **COREQUISITE:** SPED 4001.

**4101-10. Special Topics in Special Education. (1-3).** Investigation in selected areas of special education. Topics are varied and announced in the *Schedule of Classes*.

**4801-10-6801-10. Workshop in Special Education. (1-9).** For professionals in field of special education. Intensive examination of current methodologies, research, issues and trends in various areas of exceptionalities. See *Schedule of Classes* for specific workshop title.

**4900. Consultation with School/Family/Community. (3).** Professional development issues which impact on educator interaction with students, parents and other professionals, including the development of communication and consultation skills. Practicum included.

#### M550 EDUCATIONAL SERVICES (EDSV)

**3350. The Adult Learner. (3). (EDUC).** Variety of learning patterns and developmental characteristics of adults; emphasis on applications in programs or other activities for adult learners.

**4350-6350. Instructional Development for Training. (3). (EDUC).** Instructional development techniques and applications in training settings; principles of curriculum development, instructional delivery, and evaluation.

**4450-6450. Media Development for Training. (2). (EDUC).** Practical preparation of audiovisual material for training, applying instructional design techniques, development of media presentation skills. **PREREQUISITE:** EDSV 4350 or permission of instructor.

**4550-6550. Organization and Management of Training Programs. (3). (EDUC).** Development and management of instructional programs in non-school settings; focus on goals, personnel, operational, and budgetary considerations. **PREREQUISITE:** MGMT 3110.

**4750. Special Problems: Educational Services. (1-3). (EDUC).** Independent study and field projects on selected problems, interests, and needs related to educational programs in training settings.

**4800. Professional Seminar. (1). (EDUC).** Extension of student's professional preparation through a series of required and elective activities; exploration of issues and topics related to professional development. Serves as a capstone experience for synthesizing the student's professional preparation program. **COREQUISITE:** EDSV 4950. (S/U).

**4850. Practicum in Training Settings. (1-3). (EDUC).** Opportunities to gain experience in a variety of settings; tailored to interests, needs and career pathways of student. **PREREQUISITE:** approval by program coordinator. (S/U).

**4950. Internship in Training Settings. (3-12).** Planned and supervised full-time experience in a training setting appropriate to the student's specialization area; opportunities to synthesize knowledge and skills and demonstrate professional competencies in an appropriate setting. **PREREQUISITE:**

approval in advance by program director. **COREQUISITE:** EDSV 4800. (S/U).

## LEADERSHIP

The Department of Leadership offers only graduate level degree programs but does provide courses as part of undergraduate degree programs offered by other departments in the college and university.

### M779 LEADERSHIP (LEAD)

**2010. Schooling in Multicultural Settings. (3). (EDUC 4601).** Introduction to roles and responsibilities of teachers in multicultural school settings; evolution of educational policies and practices with special focus on multicultural issues, organization and structure of schools; examination of schools as cultural systems. **PREREQUISITE:** sophomore standing.

**4000-6000. Foundational Studies: Education, Schooling and American Society. (3).** Interdisciplinary study of educational policies and practices in American society; role and function of school and teachers; analysis of major problems and issues facing contemporary public education. **PREREQUISITE:** upper division standing or bachelor's degree.

**4400-6400. Leadership and Reform in American Schools. (3).** Concepts of leadership in reform context of contemporary social and educational policy; examination of major legal, political, economic, organizational, and philosophical issues; role of teacher-leader explored. **PREREQUISITES:** senior standing and LEAD 2010.

## PURPOSES

The college's function is to serve the educational and research needs of the industrial community, the metropolitan area, the state, and the nation. It accomplishes this function by providing:

- (1) undergraduate professional education in the principal fields of engineering, (2) undergraduate education in both technical and educational technology, (3) graduate education in all areas, (4) a program of continuing education for the engineering and technological practitioners of the area, (5) assistance in the solution of industrial problems through utilization of physical facilities and the professional talents of faculty and students, (6) a forum for the interchange of ideas and experiences among members of the industrial community through conferences, institutes and short courses and (7) an increase in the accumulation of knowledge in special fields of interest by a continuing program of study and research.

## ORGANIZATION

The Herff College of Engineering is organized into the Departments of Biomedical, Civil, Electrical, Mechanical Engineering and Engineering Technology. Except for biomedical engineering, each offers a choice of specialized four-year programs leading to baccalaureate degrees. Graduate master's or doctoral programs are offered in all of the engineering disciplines above. Students may also pursue the master's degree in Industrial and Systems Engineering and in Technical Education.

## Advising

High school students, in planning for careers in one of the fields of engineering, should take advantage of preparatory courses. Since engineering is the application of mathematics and physical sciences to imaginative and useful systems, those courses should be emphasized in high school preparation. Courses are available at the university for those not fully prepared. Early enrollment in the summer terms offers excellent opportunity to remove any deficiencies that may exist.

Freshman students who choose to study in The Herff College of Engineering will be advised by an Engineering College counselor until a major has been selected; then they will be advised by a member of their major department. Internal changes of a student's major may be made efficiently without loss of academic credit.

Many students have found that the study of engineering is an excellent preparation for medical school. Those students electing this option should consult the advisor for the College of Engineering. Those courses in biology and chemistry which are necessary for the pre-med option may be used as electives in the engineering

curricula. However, the student is advised to secure permission to do so before enrolling for the courses. The student should also see the university pre-professional advisor in the dean's office in the college of Arts and Sciences.

## DEGREE REQUIREMENTS

### Degrees Offered

The Herff College of Engineering offers work leading to the following degrees: Bachelor of Science in Civil Engineering, Bachelor of Science in Electrical Engineering, Bachelor of Science in Mechanical Engineering, and Bachelor of Science in Engineering Technology.

The college also offers masters' degrees in these areas as well as a Ph.D. degree in Engineering. For more information about graduate programs, refer to the Graduate School Catalog.

The required curriculum, including elective specialties in each of the various undergraduate programs, is described in detail in the following pages. A minimum quality point average of 2.0 is required for graduation. A maximum of 2 semester hours of physical activity course credit may be applied to the degree.

Students who desire to take courses offered by other institutions and receive transfer credit at The University of Memphis, must secure the permission of the dean's office before enrolling in the courses.

University residence requirements are explained in detail in the *Graduation from the University* section. A student in the Herff College of Engineering must earn the 33 hours required by the university for residency as upper division hours in courses in the Herff College of Engineering.

The university computer literacy requirement is met by a combination of introductory and specialized courses, complemented by advanced classroom assignments, in each major program of the College of Engineering. Specific requirements may be found in the following degree descriptions.

### Bachelor of Science in Civil Engineering

The civil engineering program is built upon a foundation of mathematics, physical sciences, and mechanics with supporting courses in the humanities and social studies. The curriculum affords a detailed study of the fundamental principles that constitute the professional practice of civil engineering. Areas of specialization include environmental, structural, foundation, transportation, water resources, and construction engineering. Career opportunities include technical or administrative positions in the areas of planning, design, construction,

and maintenance of all types of public and private civil engineering projects.

**GRADUATION:** To qualify for the degree of Bachelor of Science in Civil Engineering, a student must satisfy general university and college requirements, have a grade of "C" or higher in all civil engineering courses, and complete the course sequence outlined below. For credits transferred from another institution, only those civil engineering course grades of "C" or higher may be applied toward the degree.

**COURSE ENROLLMENT:** The degree program in civil engineering includes a series of engineering science and professional courses taught at the upper division level. These courses are based on a background of communications, physical science, mathematics, and engineering science courses required during the freshman and sophomore years. All of the courses required during the freshman and sophomore years are prerequisites to junior standing in the Civil Engineering Department. Students shall not enroll in any upper division courses in civil engineering before the semester in which they complete all of the lower division requirements. Exceptions to this policy can be made only by the department chair acting upon the recommendation of the student's advisor.

### GENERAL EDUCATION AND B.S.C.E. REQUIREMENTS:

**English Composition** (6 hours): ENGL 1101-1102, with a minimum grade of C.  
**Oral Communication and Rhetoric** (3 hours): ENGL 3603.

**Mathematics** (15-19 hours) including 15 hours in the following courses: MATH 1321, 2321, 2322, and 3391. **NOTE:** Students who have not had MATH 1213 or its equivalent must take it before enrolling in MATH 1321.

**Literary Heritage** (3 hours): ENGL 2201 or 2202.  
**Fine Arts Heritage** (3 hours): ART 1101, COMM 1851, DANC 1151, MUHL 1101, or THEA 1551.

**Historical/Philosophical Heritage** (6 hours): One course from pre-1500: CLAS 2481, HIST 1301, PHIL 1101, POLS 1101, UNIV 2850, UNIV 3580; plus one course from post-1500: HIST 4260, PHIL 3411, PHIL 3512, POLS 3402, UNIV 2860, 3581. **NOTE:** Courses need to be selected that provide both breadth and depth. Do not select a selection of unrelated introductory courses. In order to meet this requirement, the selection of these courses must be approved by the department chair or the chair's designee.

**American Heritage** (6 hours): HIST 2601 or 2602; plus one other course from the following: ANTH 3222, GEOG 3401, HIST 2601, HIST 2602, HIST 3863, HIST 3900, HIST 4851, HIST 4881, POLS 4212, POLS 4405, SOCI 3422. **NOTE:** Students who completed one unit of American History in high school and who complete the B.S.C.E. degree requirements are exempt from this requirement.

**Social Science** (6 hours): ECON 2120 and one of the following: (Global Perspective) ANTH 1200, CJUS 2110, ECON 2110, GEOG 3301, GEOG 1401, POLS 2301, POLS 2501, PSYC 2301, SOCI 2100, SOCI 2101 /CSED 2101, UNIV 2304.

**Natural Science** (16 hours): CHEM 1121, 1122, 1131, 1132; PHYS 2003, 2004, 2510, 2520.

**Fitness and Wellness:** (4 hours): HPER 1100 plus two semester hours of physical activity from the following: any 100 or less mile swim, DANC 1821, 1825, 1827, 2821, 2825, 2827; MUAP 2002; THEA 2501; AERO 1111, 1112, 2211, 2212; ARMY 2115, 2120, 2190, 3110, 3120, 3190, 4110, 4120; NAVY 1100, 1104, 2204, 2206, 3000. Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

**Collateral Courses:** ELEC 2201; MECH 2308, 2332, 3311. (12)

The following courses and hours are included in the description of the major found below:

**Computation Intensive [C]:** CIVL 3121.

**Writing Intensive [W]:** CIVL 4199.

**Integrative [I]:** CIVL 4199.

**Computer Literacy:** CIVL 2107 and 3101.

**The Major:** See description below. (67)

**TOTAL HOURS** (141-151)

## CIVIL ENGINEERING

The Major: 67 semester hours including CIVL 1101, 1112, 2107, 2131, 3101, 3121 [C], 3131, 3135, 3161, 3180, 3181, 3182 (1), 3322, 3325 (1), 4111, 4135, 4141 (4), 4151 (4), 4199 [W], plus 12 hours of civil engineering electives approved by an advisor and including a minimum of 6 hours from the following design electives: CIVL 4131, 4136, 4152, 4163, 4164, 4180, 4190. A student may select courses from the following concentrations to satisfy civil engineering elective requirements. If the student declares a concentration, a minimum of 9 hours from that concentration area is required.

- a. **Environmental Engineering:** CIVL 4143, 4144, 4180, 4191
- b. **Foundation Engineering:** CIVL 3136, 4152, 4171, 4191
- c. **Structural Engineering:** CIVL 4131, 4136, 4152, 4191, 4122
- d. **Transportation Engineering:** CIVL 4162, 4163, 4164, 4191
- e. **Construction Engineering:** CIVIL 4164, 4171, 4172, 4173, 4191

<sup>1</sup>In addition to meeting the university General Education requirements, this course must be used to fulfill part of the engineering humanities and social sciences requirement. The combination must include a sequence of courses that reflects both breadth and depth in a particular area. Chair's approval required.

<sup>2</sup>Upper division course in civil engineering; advisor's approval required.

## Bachelor of Science in Electrical Engineering

Students enrolled in electrical engineering are offered a curriculum designed to provide a thorough background and understanding of the theoretical and physical principles of electric and magnetic phenomena. The concepts and techniques of mathematics and physics are applied to a wide variety of applications in electrical engineering.

Laboratory facilities are available for a wide variety of instructional and research activities. Significant laboratory activity is required in the curriculum.

Career opportunities include positions in development and design, research, sales, management, manufacturing, and construction. Some of the technical areas of opportunity are related to computer applications, communications systems, power generation and distribution systems, microwave and antenna systems, automatic control systems, and general instrumentation. An undergraduate student, with the approval of the department chairman, may select some electives that satisfy the course entrance requirements for medical school.

The Department of Electrical Engineering offers a Master of Science degree for electrical engineers who desire advanced study in electro-optical systems, automatic control systems, engineering computer systems, and communications and propagation systems. The department also offers a concentration in Electrical Engineering for students pursuing the interdepartmental Doctor of Philosophy degree.

**GRADUATION:** The minimum requirements for the degree of Bachelor of Science in Electrical Engineering are given below. The student must satisfy general university and college requirements. The student must obtain a grade of C or better in ELEC 1202, 1207, 2201, 2203, 2222; MATH 1321, 2321, 2322, 3391; CIVL 2131; MECH 2322; CHEM 1121, 1131; PHYS 2003, 2004, 2510, 2520 or any equivalents to these courses used to satisfy degree requirements. In addition, an average grade of C must be maintained in all undergraduate electrical engineering course work. No transfer credit with a grade less than C may be used to satisfy a requirement for the Bachelor of Science in Electrical Engineering.

**COURSE ENROLLMENT:** Neither admission by The University of Memphis nor completion of the minimum requirements guarantees admission to any specific electrical engineering course. Resource limitations may dictate class enrollment selection based on ranking by academic proficiency with possible allowances for graduating seniors. Transfer students should seek advice from the Electrical Engineering Department prior to seeking university admission.

**MINORS:** Students satisfying the requirements for the Bachelor of Science in Electrical Engineering may also satisfy requirements for a minor offered by a department in one of the other colleges.

Requirements for minors are specified by the appropriate college and department. Students should submit application for the minor to the appropriate department chair. Candidates for graduation who satisfy requirements for a minor should file the approved application with the intent-to-graduate cards.

## GENERAL EDUCATION AND B.S.E.E. REQUIREMENTS:

(65-75 hours)

**English Composition** (6 hours): ENGL 1101-1102, with a minimum grade of C.

**Oral Communication and Rhetoric** (3 hours): ENGL 3503.

**Mathematics** (18-22 hours) including 18 hours in the following courses: MATH 1321, 2321, 2322, 3391, and one upper division MATH course selected with advisor's approval. **NOTE:** Students who have not had MATH 1213 or its equivalent must take it before enrolling in MATH 1321.

**Literary Heritage** (3 hours): ENGL 2101 or 2022.

**Fine Arts Heritage** (3 hours): ART 1101, COMM 1851, DANC 1151, MUHL 1101, or THEA 1551.

**Historical/Philosophical Heritage** (6 hours): One course from pre-1500: CLAS 2481, HIST 1301, PHIL 1101, POLS 1101, UNIV 2850, UNIV 3580, plus one course from post-1500: HIST 4260, PHIL 3411, PHIL 3512, POLS 3402, UNIV 2860, 3581. **NOTE:** Courses need to be selected that provide both breadth and depth and not be limited to a selection of unrelated introductory courses. In order to meet this requirement, the selection of these courses must be approved by the department chair or the chair's designee.

**American Heritage** (6 hours): HIST 2601 or 2602; plus one other course from the following: ANTH 3282, GEOG 3401, HIST 4601, HIST 2602, HIST 3863, HIST 3900, HIST 4851, HIST 4881, POLS 4212, POLS 4401, SOCI 2301. **NOTE:** Students who completed one unit of American History in high school and who complete the B.S.E.E. degree requirements are exempt from this requirement.

**Social Science** (6 hours): ECON 2110 and one of the following: ANTH 1100, ANTH 1200, CJUS 1100, CJUS 2110, ECON 2120, GEOG 1301, GEOG 1401, POLS 1100, POLS 2301, POLS 2505, PSYC 1101, PSYC 2101, SOCI 1111, SOCI 2100, SOCI 2101/CSOED 2101, UNIV 2304.

**Natural Science** (16 hours): CHEM 1121, CHEM 1131; PHYS 2003/2510 and PHYS 2004/2520, and one of the following: BIOL 1151/1152, 1161/1162, 1751/1752, CHEM 1122/1132, or GEOL 1101.

**Fitness and Wellness:** (4 hours): HPER 1100 plus two semester hours of physical activity from the following: any 1000 level PHED course; DANC 1821, 1825, 1827, 2821, 2825, 2827; MUAP 2002; THEA 2501; AERO 1111, 1112, 2211, 2212; ARMY 2155, 2120, 2190, 3110, 3110, 3120, 4110, 4120; NAVY 1100, 1110, 2204, 2206, 3000. Students completing NAVY 1100, 3104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

**Collateral Courses:** CIVL 2131; MECH 2332, 3310. (9)

The following courses and hours are included in the description of the major found below:

**Computation Intensive:** ELEC 3240 or 4201.

**Writing Intensive:** ELEC 4280 or 4993.

**Integrative:** ELEC 4280 or 4993.

**Computer Literacy:** ELEC 1202 and 1207.

**TOTAL HOURS** (137-147)

## ELECTRICAL ENGINEERING

The Major: 63 hours including ELEC 1202, 1207, 2201, 2203 (1), 2222 (4), 3201 (4), 3202, 3221, 3212 (4), 3213 (1), 3213, 3240 [C], 4201 [C], 4203 (1), 4231, 4280 [I, W]; 12 hours of ELEC electives approved by advisor; 6 hours of technical electives approved by advisor. Students may use elective hours to broaden their base of knowledge or for one of the concentrations below. A minimum of 9 semester hours is required for a concentration. The concentrations are the following:

- a. **Computer Science:** ELEC 4270 (4), 4271, 4272, and 4274.  
 b. **Electrophysics:** ELEC 4212 (4), 4240, 4241, 4242, and 4243.  
 c. **Systems and Signals:** ELEC 4202, 4204, 4221 (4), 4223, 4230, 4232, 4236, 4251, 4252, 4253 (1), and 4254.

**NOTE:** Projects I or II, ELEC 4991 or 4992 can be taken for up to 6 semester hours credit in any of the areas of concentration.

<sup>1</sup>In addition to meeting the university General Education requirements, this course must be used to fulfill part of the engineering humanities and social sciences requirement. The combination must include a sequence of courses that reflects both breadth and depth in a particular area. Chair's or designee's approval required.

<sup>2</sup>Upper division courses in engineering, mathematics, physics. Approval of chair required.

<sup>3</sup>Upper division courses in electrical engineering. Courses selected must include sufficient design content. Advisor's approval required.

<sup>4</sup>Substitution of ELEC 4230 or 4232 may be made with advisor's approval.

<sup>5</sup>Upper division courses in mathematics. Approval of chair required.

## Bachelor of Science in Mechanical Engineering

Mechanical engineering is a broad field, and consequently students are offered a balanced curriculum designed to provide a strong foundation in mathematics, physical sciences and the engineering sciences. Moreover, they study humanities and social sciences to understand more fully the engineer's relationship and responsibilities to society. Finally, mechanical engineers cultivate, through advanced

courses in engineering design and synthesis, the ability to apply this knowledge to the analysis and solution of significant engineering problems.

Because of the diverse nature of this work, the mechanical engineer must have a basic knowledge of chemistry, physics, mathematics and the classical disciplines of mechanical engineering, thermal sciences, mechanical sciences, materials sciences and modern techniques of engineering analysis, design and optimization. This diverse background uniquely equips the mechanical engineer to work on a variety of challenging problems, including land and marine vehicles, aircraft and spacecraft, air conditioning systems, power plants, machines and a host of other devices.

**GRADUATION:** To qualify for the degree of Bachelor of Science in Mechanical Engineering, the student must satisfy the following general university and college requirements, and obtain a C or better in all engineering, mathematics, physics, and chemistry courses used toward graduation.

### GENERAL EDUCATION AND B.S.M.E. REQUIREMENTS: (62-72 hours)

**English Composition (6 hours):** ENGL 1101-1102, with a minimum grade of C.

**Oral Communication and Rhetoric (3 hours):** ENGL 3603.

**Mathematics (15-19 hours)** including 15 hours in the following courses: MATH 1321, 2321, 2322, and 3391. **NOTE:** Students who have not had MATH 1213 or its equivalent must take it before enrolling in MATH 1321.

**Literary Heritage (3 hours):** ENGL 2201 or 2202.

**Fine Arts Heritage (3 hours):** ART 1101, COMM 1851, DANC 1151, MUHL 1101, or THEA 1551.

**Historical/Philosophical Heritage (6 hours):** One course from pre-1500: CLAS 2481, HIST 1301, PHIL 1101, POLS 1101, UNIV 2650, UNIV 3580; plus one course from post-1500: HIST 4260, PHIL 3411, PHIL 3512, POLS 3402, UNIV 2860, 3581. **NOTE:** Courses need to be selected that provide both breadth and depth and not be limited to a selection of unrelated introductory courses. To meet this requirement, the selection of these courses must be approved by the department chair or the chair's designee.

**American Heritage (6 hours):** HIST 2601 or 2602; plus one other course from the following: ANTH 3282, GEOG 3401, HIST 2601, HIST 2602, HIST 3863, HIST 3900, HIST 4851, HIST 4881, POLS 4212, POLS 4405, SOCI 3422. **NOTE:** Students who completed one unit of American History in high school and who complete the B.S.M.E. degree requirements are exempt from this requirement.

**Social Science (6 hours):** ECON 2110 and one of the following: ANTH 1100, ANTH 1200, CJUS 1100, CJUS 2110, ECON 2110, GEOG 1301, GEOG 1401, POLS 1100, POLS 2301, POLS 2501, PSYC 1101, PSYC 2201, SOCI 1111, SOCI 2100, SOCI 2101, CSDE 2101, UNIV 2304.

**Natural Science (16 hours):** CHEM 1121, 1131, 1122, 1132, and PHYS 2003, 2510, 2004, 2520.

**Fitness and Wellness: (4 hours):** HPER 1100 plus two semester hours of physical activity from the following: any 1000 level PHEd course: DANC 1821, 1825, 1827, 2821, 2825, 2827, MUAP 2002, THEA 2501, AERG 1111, 1112, 2211, 2212, ARMY 2115, 2120, 2190, 3110, 3120, 3190, 4110, 4120; NAVY 1100, 1104, 2204, 2206, 3000. Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

**Collateral Courses:** CIVL 2131, 4111; ELEC 2281 (1), 2283. (10)

The following courses and hours are included in the description of the major found below:

**Computer Intensive:** MECH 3341.

**Writing Intensive:** MECH 4312.

**Integrative:** MECH 4314 (4).

**Computer Literacy:** MECH 1307 and 3341.

**The Major:** See description below. (66-67)

**TOTAL HOURS (138-148)**

### MECHANICAL ENGINEERING

**The Major:** 66-67 hours including MECH 1307, 3312, 3320, 3321, 3322, 3323, 3325 (1), 3331, 3335 (1), 3341 [C], 4300 (1), 4311, 4312 [W], 4314 [I] (4), 4322, 4323 (4), 4331 (1), 4344; 9-10 hours of electives approved by the advisor. If the student declares a concentration, a minimum of ten semester hours is required in the designated concentration (including the relevant four-hour design course).

a. **Mechanical Systems and Design:** MECH 4323 (4) and at least two courses approved by an advisor from the following: MECH 4320, 4324, 4325, 4330, 4345, 4346, 4360, 4371, 4391.

b. **Energy Systems:** MECH 4314 (4) and at least two courses approved by an advisor from the following: MECH 4309, 4313, 4315, 4331, 4333, 4337, 4369, 4391.

c. **Biomedical Systems:** MECH 4350 (4), 4326 and 4391.

## Bachelor of Science in Engineering Technology

Engineering Technology is that part of the technological field requiring the application of scientific and engineering knowledge and methods combined with technical skills in support of engineering activities. The Department of Engineering Technology offers four majors leading to the degree Bachelor of Science in Engineering Technology. These majors are Architectural Technology, Computer Engineering Technology, Electronics Engineering Technology, and Manufacturing Engineering Technology.

In addition to meeting general university requirements, students must attain a grade of C or better in designated engineering technology courses within each major.

### GENERAL EDUCATION AND B.S.E.T. REQUIREMENTS:

(60 hours)

**English Composition** (9 hours): ENGL 1101-1102, with a minimum grade of C, and ENGL 3601.

**Oral Communication and Rhetoric** (3 hours): COMM 2381.

**Mathematics** (8 hours): MATH 1213 and 1321.

**Literary Heritage** (3 hours): ENGL 2201 or 2202.

**Fine Arts Heritage** (3 hours): ART 1101, COMM 1851, DANC 1151, MUHL 1101, or THEA 1551.  
**NOTE:** Architectural Technology majors must take ART 1101.

**Historical/Philosophical Heritage** (6 hours): One course from pre-1500: CLAS 2481, HIST 1301, PHIL 1101, POLS 1101, UNIV 2850, UNIV 3580; plus one course from post-1500: HIST 1302, PHIL 1102, POLS 1102, UNIV 2860, 3581. **NOTE:** Architectural Technology majors must take HIST 1301, PHIL 1102.

**American Heritage** (6 hours): HIST 2601 or 2602; plus one course from the following: HIST 3282, GEOG 3401, HIST 2601, HIST 2602, HIST 3863, HIST 3900, HIST 4851, HIST 4881, POLS 4212, POLS 4405, SOCI 3422. **NOTE:** Architectural, Computer Engineering, and Manufacturing Engineering Technology majors must take HIST 2601, 2602.

**Social Science** (6 hours): One course from list A and one from list B. **NOTE:** Architectural Technology majors must take ANTH 1200, SOCI 1111.

**A. (Global Perspective):** ANTH 1200, CJUS 2110, ECON2110, GEOG 1301, GEOG 1401, POLS 2301, POLS 2501, PSYC 2201, SOCI 2100, SOCI 2101/CSED 2101, UNIV 2304.

**B. ANTH 1100, CJUS 1100, ECON 2120, POLS 1100, PSYC 1101, SOCI 1111.**

**Natural Science** (12 hours)—Sequence required: PHYS 2001, 2110, 2002, 2120, and CHEM 1101.

**Fitness and Wellness** (4 hours): HPER 1100 plus two semester hours of physical activity from the following: any 1000 level PHED course; DANC 1821, 1825, 1827, 2821, 2825, 2827; MUAP 2002; THEA 2501; AERO 1111, 1112, 2211, 2212; ARMY 2115, 2120, 2190, 3110, 3120, 3190, 4110, 4120; NAVY 1100, 1104, 2204, 2206, 3000. Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as will students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

**Engineering Technology Core:** TECH 1411 (1), 1521, 3044 (4), 4944. (11)

The following courses and hours are included in the description of the major found below:

**Computation Intensive [C]:** TECH 3044 (4) or 4462.

**Writing Intensive [W]:** TECH 4944.

**Integrative [I]:** TECH 4235 (4) or 4944.

**Computer Literacy:** TECH 1010 or 1210, and TECH 2561 or 3233 (4) or 3261 (4) or 3562 or 4472.

**The Major:** Select one of the following majors: Architectural Technology (63), Computer Engineering Technology (67), Electronics Engineering Technology (68-70), Manufacturing Engineering Technology (64). See descriptions below. (63-70)

**TOTAL HOURS** (134-141)

### ARCHITECTURAL TECHNOLOGY

Architectural Technology is that branch of Engineering Technology that concerns itself with those phases of architectural and engineering design as related to buildings. The purpose of the program is to teach design principles and drafting techniques in preparation for tasks that are now required of the architect and the engineer. The course offerings are engineering oriented with emphasis on architectural practices and principles.

**NOTE:** Substitutions must be approved by the program coordinator.

*The Major:* 63 hours including TECH 1100, 1555, 1561, 2451, 2555 (4), 2556, 2561, 3401, 3408, 3409 (1), 3471, 3472, 3520 (4), 3531, 3562, 3691, 4515 (4), 4535, 4600 (4), 4615 (4).

## MANUFACTURING ENGINEERING TECHNOLOGY

This program is designed for those individuals interested in careers in the manufacturing or service industries. Students will study a combination of technological and mechanical concepts

coupled with quantitative management techniques that will enable them to design, control, and manage both traditional and automated industrial systems that utilize complex machinery and production systems.

Graduates of this program are employed in the areas of quality assurance, supervision, plant management, manufacturing engineering technology, materials handling, industrial safety, systems planning, process planning, computer integrated manufacturing, technical sales, customer service, and warehouse management.

*The Major:* 64 hours including TECH 1010, 1611, 1711, 1811, 3386, 3451, 3408, 3409 (1), 3421, 3440, 3462, 3470, 3573, 4381, 4460, 4462 [C], 4464, 4466, 4472, 4474, 4476, 4571.

## THE MINORS

In the minors listed below, some prerequisites may not be listed. Check course listings and observe all prerequisites before enrolling in the courses required for the minor.

**ARCHITECTURAL TECHNOLOGY:**

TECH 1555, 1561, 2555, 3520, 4535, 4600.

**COMPUTER ENGINEERING TECHNOLOGY:**

TECH 1210, 1811, 2261 (4), 2821, 3232, 3233, 3251, 4261 (4).

**ELECTRONICS ENGINEERING TECHNOLOGY:**

TECH 1811, 2820, 2821, 2831, 3811, 3821, 3841.

**MANUFACTURING ENGINEERING TECHNOLOGY:**

TECH 1521, 1711, 3421, and observe prerequisites when enrolling for 9 additional hours from TECH 4460, 4462, 4464, 4466, 4472, 4474, 4476, 4571, 4950, 4991.

**SAFETY:**

TECH 1711, 3386, 4381, 4950; HLTH 4802; SAFE 2102.

**SURVEYING:**

TECH 1521, 2451, 3451; GEOG 4510, 4511; PHYS 1002, 1020, 1102.

**TECHNOLOGY:**

TECH 1411, 1521, 1711, and 15 additional semester hours in technology courses, 9 semester hours of that must be from the upper division in one of the specific technology areas.

## ENGINEERING

PROFESSOR JOHN D. RAY, *Dean*  
Room 201A, Engineering Building

### Q840 ENGINEERING (ENGR)

**4001. Engineering Work Experience. (3).** Off-campus work experience working on selected projects in coordination with chair or chair's designee in student's major department under direction of practicing engineer. Oral and written presentations may be required. May be repeated as many times as student chooses. PREREQUISITE: chair's and CO-OP director's approvals.

**NOTE:** Students participating in ENGR 4001 are considered to be full-time students for enrollment certification purposes.

### Q800 CIVIL ENGINEERING (CIVL)

**1101. Elementary Surveying. (3), (2111).** Theory of measurements, linear measurement, angles, bearings, use of transit, traversing, topographic surveys and mapping. Two lecture, three laboratory hours per week. PREREQUISITE or COREQUISITE: MATH 1321.

**1112. Civil Engineering Microcomputer Applications. (3), (2112).** Microcomputer applications for data analysis, presentation, and report writing. Topics include microcomputer operation, spreadsheets, computer graphics, and word processing as related to civil engineering. Two lecture, three laboratory hours per week.

**2107. Civil Engineering Computation. (3), (1107).** Fortran programming with applications to solution of Civil Engineering problems. PREREQUISITE: CIVL 1112; COREQUISITE: MATH 2322.

**2131. Statics. (3).** Analysis of two and three dimensional force systems; centroids and moments of inertia; Friction. Three lecture hours per week. PREREQUISITES: MATH 2321, PHYS 2510, 2003.

**3101. Computer Methods In Civil Engineering. (3).** Civil engineering applications of fundamental methods of numerical analysis; advanced programming techniques. Three lecture hours per week. PREREQUISITE: CIVL 2107. PREREQUISITE or COREQUISITE: MATH 3391.

**3121. Structural Analysis I. (3).** Analysis of statically determinate structures: reactions, shear, and moment; truss analysis; deflections; influence lines and moving loads. Three lecture hours per week. PREREQUISITE: CIVL 2131, [C].

**3131. Design of Steel Structures. (3).** Current design concepts for structural steel members and their connections. Three lecture hours per week. PREREQUISITES: CIVL 3121, 3322.

**3135. Properties of Concrete.** (3). Properties of aggregates and portland cement; mix design; testing of plain concrete; properties of hardened concrete; quality control parameters. *Two lecture, three laboratory hours per week.* COREQUISITE: CIVL 3322.

**3161. Transportation Systems Engineering.** (3). Development and function of transportation systems; operational control and characteristics; system coordination, traffic flow and patterns. *Three lecture hours per week.* PREREQUISITES: CIVL 2107, MECH 2332, MATH 2322.

**3180. Civil Engineering Hydraulics.** (3). Basic principles of incompressible fluid mechanics with emphasis on hydrostatics, conservation of energy and momentum with application on engineering analysis of pipe networks, pumps, and open channel systems. *Three lecture hours per week.* PREREQUISITE: MECH 2332.

**3181. Hydrology and Hydraulics.** (3), (4148). Quantification of precipitation and runoff, reservoir and channel routing, groundwater, and design of drainage systems and open channels. *Three lecture hours per week.* PREREQUISITE: CIVL 3180.

**3182. Hydrology and Hydraulics Laboratory.** (1). Principles of fluid mechanics, open channel hydraulics, and collection of hydrologic data; fluid instrumentation, measurement techniques, data collection methods, and organization of written reports of experimental investigations. *Two laboratory hours per week.* COREQUISITE: CIVL 3181.

**3322. Mechanics of Materials.** (3), (Same as MECH 3322). Analysis of components subjected to tension, compression, bending moment, torque; combined loading; Mohr's stress circle; deflection of beams; simple treatment of column buckling. PREREQUISITE: CIVL 2131.

**3325. Mechanics of Materials Laboratory.** (1). Materials testing and evaluation. *Three laboratory hours per week.* COREQUISITE or PREREQUISITE: CIVL 3322.

**4111. Engineering Economics.** (3). Application of economics and decision theory to engineering alternatives in planning, developing, constructing, and managing engineering projects. *Three lecture hours per week.*

**4112-6112. Deterministic Systems Engineering.** (3). Employment of optimization techniques to well-defined civil engineering problems. Emphasis on development and applications of mathematical models. Topics include transportation and resource allocation problems. *Three lecture hours per week.* PREREQUISITE: CIVL 3101.

**4113-6113. Stochastic Systems Engineering.** (3). Development and use of probabilistic techniques in civil engineering. Emphasis on applications. Topics include simulation, decision making under uncertainty, and queueing problems. *Three lecture hours per week.* PREREQUISITE: MATH 2322.

**4122. Structural Analysis II.** (3), (3122). Analytical and numerical solutions for statically indeterminate structures. *Three lecture hours per week.* PREREQUISITES: CIVL 3121, 3322.

**4131-6131. Intermediate Steel Design.** (3). Design of plate girders and composite beams; moment connections; current code provisions. *Three lecture hours per week.* PREREQUISITES: CIVL 3131.

**4135. Reinforced Concrete Design.** (3). Strength analysis and design of reinforced concrete members; floor systems; current code provisions. *Three lecture hours per week.* PREREQUISITES: CIVL 3121, 3322.

**4136-6136. Intermediate Reinforced Concrete Design.** (3). Design of two-way slab systems; column design including length effects; current code provisions. *Three lecture hours per week.* PREREQUISITES: CIVL 4122, 4135.

**4141. Water and Wastewater Engineering.** (4). Water and waste water treatment fundamentals; water quality and treatment; physical, chemical, and biological treatment of wastewaters; design of water and wastewater treatment units; computer application in design. *Three lecture, three laboratory hours per week.* PREREQUISITE: CIVL 3180.

**4143-6143. Environmental Engineering I.** (3). Basic physical chemical treatment concepts for water

and wastewater with laboratory demonstration of laboratory studies. *Two lecture, three laboratory hours per week.* COREQUISITE: CIVL 4141.

**4144-6144. Environmental Engineering II.** (3). Basic biological treatment concepts for wastewater with laboratory demonstration of unit operations as well as derivation of design data through laboratory studies. *Two lecture/three laboratory hours per week.* PREREQUISITE: CIVL 4141.

**4151. Soil Mechanics.** (4). Properties of soil and rock, including identification and classification, hydraulic properties, consolidation characteristics, and stress deformation-strength relationships. *Three lecture, three laboratory hours per week.* PREREQUISITE: CIVL 3322.

**4152. Applied Soil Mechanics.** (3). Subsurface exploration, foundation types, foundation construction, selection of foundation type and basis of design, earth retaining structures, and slope stability. *Three lecture hours per week.* PREREQUISITE: CIVL 4151.

**4162-6162. Traffic Engineering.** (4). Traits and behavior patterns of road users and their vehicles. Includes traffic signs and signals, pavement markings, hazard delineation, capacity, accidents and parking analysis. *Three lecture, three laboratory hours per week.* PREREQUISITE: CIVL 3161.

**4163-6163. Airport Planning and Design.** (3). Aeronautical demand and air traffic control, airport and runway configuration; capacity and delay analysis, geometric design of runways and taxiways; airport access and parking; ground movements and baggage movements. *Three lecture hours per week.* PREREQUISITE: CIVL 3161.

**4164-6164. Route Location and Design.** (3). Elements of route location and design; emphasis on horizontal and vertical alignment, curvature, gradient and sight distance. *Two lecture, three laboratory hours per week.* PREREQUISITES: CIVL 1101, 3161.

**4171. Construction Engineering I.** (3). Construction process and project management system; planning, cost estimating, bidding and scheduling construction projects; use of optimization techniques to control schedules and costs; computer applications. *Three lecture hours per week.* COREQUISITE: CIVL 4111.

**4172. Construction Engineering II.** (3). Application of construction engineering and management methods to estimate, bid, plan, and manage actual engineering construction project in safe, efficient manner. *Three lecture hours per week.* PREREQUISITE: CIVL 4171.

**4173. Engineering Law.** (3). Sources of law; forms of engineering organizations such as corporations, partnerships, and agencies; principles of contract law; application of construction law to the owner-engineer-contractor relationship, bidding, contracting, construction process, risk, disputes, and dispute resolution. *Three lecture hours per week.*

**4180-6180. Intermediate Hydrology.** (3). Current methods and techniques used in hydrologic analysis and design of water resources projects; streamflow hydrograph analysis, groundwater hydrology, design flood determination and project feasibility. *Three lecture hours per week.* PREREQUISITE: CIVL 3181 or consent of instructor.

**4190-6190. Water Resources Planning and Design.** (3). Application of engineering principles to planning and design of multipurpose water resources projects, various physical components and appurtenances of water resources projects and economic, financial, and social feasibility of various purposes. *Three lecture hours per week.* PREREQUISITES: CIVL 3181, 4111 or consent of instructor.

**4191. Civil Engineering Projects.** (1-3). Independent investigation of a Civil Engineering problem in consultation with instructor. *May be taken for a maximum of three hours credit toward graduation.* PREREQUISITE: consent of instructor.

**4199. Civil Engineering Design.** (3). Design of a civil engineering system. Establishment of design objectives and criteria; synthesis and computer assisted analysis of alternatives; selection of optimum system design; preparation of detailed system descriptions including design sketches and engineering drawings and reports. *Must be taken in student's final*

*semester. Two lecture, two laboratory hours per week.* PREREQUISITE: ENGL 3603, [W, I].

**4900-10. Special Topics in Civil Engineering.** (1-3). Topics are varied and announced in the *Schedule of Classes*.

## ELECTRICAL ENGINEERING

PROFESSOR CARL E. HALFORD,  
Chair  
Room 206B, Engineering Building

### Q820 ELECTRICAL ENGINEERING (ELEC)

**1202. Electrical Engineering Concepts.** (3). Introduction to basic electrical engineering concepts and models. DC circuits. Introduction to computers and computer ethics; use of text processors and spreadsheets. COREQUISITE: MATH 1321.

**1207. Electrical Engineering Computation.** (3). Continuation of ELEC 1206 emphasizing structured solutions to electrical engineering problems through use of computers. PREREQUISITE: ELEC 1202.

**2201. Circuit Analysis I.** (3). Fundamental properties of electrical circuits; basic concepts and circuit elements; analysis methods and network theorems; sinusoidal steady-state response of single and three-phase circuits. COREQUISITE: ELEC 2203. PREREQUISITE: MATH 2322.

**2203. Circuit Analysis Laboratory.** (1). Introduction to utilization of meters, oscilloscopes, oscillators, power supplies and related test equipment in experimental verification of basic electric circuit theory. *Three laboratory hours per week.* COREQUISITE: ELEC 2201.

**2222. Digital Circuit Design.** (4). Review of number systems and base conversions. Analysis and design of digital circuits. Logic and sequential design. Introduction to microprocessors. *Three lecture, three laboratory hours per week.* PREREQUISITE: ELEC 1207.

**2281. Electrical Engineering and Instrumentation Laboratory.** (1). Introduction to basic meters, power supplies, and test equipment. Transient responses and AC power measurements. Operational amplifier circuits, bridge circuits, and transducers. Electrical Engineering majors may not use ELEC 2281 to fulfill degree requirements. *Three laboratory hours per week.* COREQUISITE: ELEC 2283.

**2283. Electrical Engineering and Instrumentation.** (3). Analysis of electric circuits; sinusoidal steady state analysis, instrumentation circuits, op amps, and transducers. Electrical Engineering majors may not use ELEC 2283 to fulfill degree requirements. PREREQUISITES: MATH 2322, PHYS 2004, 2520.

**3201. Circuit Analysis II.** (4). Transient analysis of RLC networks. Complex frequency concepts. Ideal transformers and magnetic coupling. Two port networks and network synthesis. *Three lecture, three laboratory hours per week.* PREREQUISITE: ELEC 2201, MATH 3391.

**3202. Transform Methods in Network Analysis.** (3). Introduction to transform theory: Fourier Series; application of Fourier, Laplace and Z-transforms to solution of network problems. PREREQUISITE: ELEC 2201, MATH 3391.

**3203. Electrical Engineering Computation.** (3). Applications of differential equations to modeling physical systems. Solution and interpretation of systems of equations. Computer modeling and interpretation. PREREQUISITES: PHYS 2004, 2520; MATH 2322.

**3211. Electronics I.** (3). Solid state devices as elements of electronic circuits; linear models and linear operation of these devices emphasized. PREREQUISITES: ELEC 2201, 2203.

**3212. Electronics II.** (4). Utilization of devices in linear, non-linear, and switching modes of operation. Modeling and simulation of electronic circuits. *Three lecture, three laboratory hours per week.* PREREQUISITES: ELEC 2222, 3201, 3211, 3213.

**3213. Electronics I Laboratory. (1).** Emphasis on laboratory techniques in performance of basic electronic experiments. COREQUISITE: ELEC 3211.

**3220. Engineering Computer Systems. (3).** Structure and organization of digital computers and associated peripheral devices. Digital representation of data, basic instruction sets, instruction execution and addressing techniques. Subroutines and utility programs, systems programs, and other software oriented toward computer-controlled systems. PREREQUISITE: ELEC 2222.

**3221. Matrix Computer Methods in Electrical Engineering. (3).** Fundamentals of matrix theory, application of matrix theory and digital computer techniques to the solution of circuit problems. State equations and their application to the solution of systems of differential equations. PREREQUISITE: 2201.

**3240. Electromagnetic Field Theory I. (3).** Maxwell's equations, electrostatics, magnetostatics and time varying electromagnetic fields and waves. PREREQUISITE: MATH 3391. [C]

**4201. Energy Conversion. (3).** Energy conversion by electromechanical processes, energy relations in magnetic systems, mathematical modeling of magnetic systems, transformers and electrical machines. PREREQUISITE: ELEC 2201. [C]

**4202-6202. Electrical Power Systems. (3).** Investigation of problems associated with transmission of electrical energy. Load-flow studies, and fault analysis by use of symmetrical components. PREREQUISITE: ELEC 3221.

**4203. Energy Conversion Laboratory. (1).** Fundamental properties associated with testing and utilization of direct current and of alternating current equipment such as motors, generators, alternators and transformers. COREQUISITE: ELEC 4201.

**4204-6204. Power Distribution Systems. (3).** Distribution of power from transmission systems to users; primary and secondary feeders, voltage regulation; distribution transformers; overhead, underground and network distribution system design; lightning phenomena and protective device coordination. PREREQUISITES: ELEC 4201, 4203.

**4212-6212. Electromagnetic Field Theory II. (4).** Plane waves. Steady state and transient solutions of transmission line equations. Steady state solutions to waveguide equations. *Three lecture, three laboratory hours per week* PREREQUISITE: ELEC 3240.

**4213-6213. Antenna Theory and Design. (4).** Theory of operation and design of antennas. Determination of antenna radiation characteristics. Introduction to antenna array theory. *Three lecture, three laboratory hours per week* PREREQUISITE: ELEC 3240.

**4221-6221. Electronics III. (4).** Applications of analog and digital electronic circuits. Special purpose circuits and devices. *Three lecture, three laboratory hours per week* PREREQUISITE: ELEC 3212.

**4222-6222. Digital Logic and Computer Design. (3).** Applications of digital system design using MSI, LSI, and VLSI circuits. Design of arithmetic logic units, multiple-input controllers, and practical interfacing techniques. PREREQUISITE: ELEC 2222.

**4223-6223. Electrical Engineering Instrumentation. (4).** Transducers for physical systems. Mechanical, temperature, acoustic, and biomedical transducers. Methods of processing and analyzing data. *Three lecture, three laboratory hours per week* PREREQUISITE: ELEC 3212.

**4230-6230. Data Communication Systems. (3).** Data communications in information and computing systems. Analog and digital means of transmitting and controlling information. Organization and requirements of data communication systems including modulation and demodulation, multiplexing, switching, error detection and correction. PREREQUISITE: ELEC 3202.

**4231-6231. Communication Theory. (3).** Frequency and time domain. Modulation, random signal theory, autocorrelation, noise, communication systems. PREREQUISITE: ELEC 3202.

**4232-6232. Discrete Signal Processing. (3).** Introduction to deterministic and random discrete time signal analysis. Includes signal time averaging, digi-

tal filtering, spectral analysis, and detection and estimation of signals. Applications to computer processing biomedical, seismic, and radar signals. PREREQUISITE: ELEC 3202.

**4233-6233. Satellite Communications. (3).** Earth-satellite link model; signal processing and interfacing; modulation techniques for satellite systems; coding and synchronization techniques. PREREQUISITE: ELEC 4230 or 4231.

**4236-6236. Advanced Studies in Communication Systems. (3).** Brief review of signal/system theory, probability and random processes. Noise in modulation systems, M-ary data, spread-spectrum systems, and satellite communications systems, optimum receiver and signal-space concepts, estimation theory and its applications to communications. PREREQUISITE: ELEC 4230 or 4231.

**4240-6240. Lasers. (3).** Laser theory, analysis, and design. Quantum description of light generation, ray optics, cavity design, Gaussian beams, and optical resonators. Laser survey.

**4241-6241. Solid State Physical Electronics. (3).** Quantum concepts; statistics; crystal structure; conduction processes in solids; p-n junctions and devices; field-effect devices; charge transfer devices. PREREQUISITES: ELEC 3211, 3240.

**4242-6242. Electro-Optics. (3).** Classical optics including Gaussian optics, Newtonian optics, and vergence theory. Optical design with aberration concepts, F-numbers, pupils, and stops. Radiometry with respect to flux transfer calculations. Light sources and detectors.

**4243-6243. Linear Optical Systems. (3).** Review of Fourier techniques for analysis and design of linear systems, extension to 2-dimensional techniques, 2-dimensional transform applied to linear optical systems and optical data processing. PREREQUISITE: ELEC 3202.

**4251-6251. Control System Engineering. (3).** General equations of physical linear systems and their transfer functions. Transient analysis and stability of servo systems. The Bode plot, Nichols chart, Nyquist plot, Routh criterion, root locus methods, introduction to compensation techniques and systems in state space. PREREQUISITES: ELEC 3202, 3221.

**4252-6252. Digital Control Systems. (3).** Problems and analysis techniques applicable to digital control systems. Prior knowledge of Laplace transforms required; basic knowledge of feedback control theory desirable. PREREQUISITES: ELEC 3202, 3221.

**4253-6253. Control Systems Laboratory. (1).** Investigations of fundamental properties associated with control systems engineering. Laboratory procedures in analysis of control systems, compensating networks, analog and digital computer simulations. COREQUISITE: ELEC 4251 or 4252.

**4261-6261. Introduction to Network Synthesis. (3).** Design, simulation, and realization of active filter networks with emphasis on sensitivities, tolerances, and implementation. PREREQUISITE: ELEC 3202.

**4270-6270. Introduction to Microprocessors. (4).** LSI circuitry, microprocessor architecture, hardware and software, application and system design. *Three lecture, three laboratory hours per week* PREREQUISITE: ELEC 2222.

**4271-6271. Computer Interfacing. (3).** Hardware and software aspects of connecting computers to peripherals, including tradeoffs between hardware and software. Connecting CPUs to ROM, RAM, parallel ports and serial ports. Applications of serial and parallel ports. Backplane buses, displays, keyboards, A/D and D/A converters. Linking interface routines to application software. PREREQUISITE: ELEC 2222 or permission of instructor.

**4272-6272. Engineering Software. (3).** Introduction to hierarchical operating systems; C programming language. PREREQUISITE: ELEC 3221 or permission of instructor.

**4274-6274. Software Design with Ada. (3).** Introduction to Ada. Detailed software design methodology using structured and object oriented techniques for large systems. Reusable components, Ada Programming Support Environment. PREREQUISITE: knowledge of a structured high level language.

**4280. Electrical Engineering Design. (3).** Individual and/or team design projects that require creative application of electrical engineering concepts. Oral and written presentations required. PREREQUISITES: ENGL 3603, ELEC 3202, 3212. [W, I].

**4900-09-6900-09. Special Topics in Electrical Engineering. (1-3).** Topics are varied and announced in *Schedule of Classes*.

**4991. Electrical Engineering Projects I. (1-3).** Independent investigation of problem selected in consultation with instructor; report required. PREREQUISITE: senior standing with a minimum GPA of 2.0 in ELEC courses completed at The University of Memphis.

**4992. Electrical Engineering Projects II. (1-3).** Design, construction and testing of project investigated in ELEC 4991; report required. PREREQUISITE: ELEC 4991 with a minimum GPA of 2.0 in ELEC courses completed at The University of Memphis.

**4993. Research Studies. (3).** Consultation, reading, laboratory and design work to investigate selected areas of electrical engineering under supervision of faculty member. Formal paper required. Emphasis on laboratory work, design, and scientific writing. [I, W].

## ENGINEERING TECHNOLOGY

### PROFESSOR

WESTON TERRELL BROOKS, *Chair*  
Room 203, Engineering Technology Building

### Q890 TECHNOLOGY (TECH)

**1010. Computer Applications in Technology. (3).** Instruction on computer operations using BASIC. Application programs including MS-DOS, word processing, and spreadsheets. Hands-on experience with variety of equipment. *Two lecture, three laboratory hours per week*.

**1210. Pascal Programming. (3).** Computer usage in engineering technology; emphasis on use of Pascal programming in solving technical problems. *Two lecture, three laboratory hours per week* PREREQUISITE: TECH 1010 or BASIC programming and MATH 1213.

**1411. Introduction to Technology. (1).** Emphasis on engineering technology programs as to content and opportunities upon graduation; technical applications, calculations and activities related to various technological disciplines; approaches to basic research techniques and problem solving.

**1521. Graphics and Descriptive Geometry. (3).** Orthographic projections, sections, pictorials. Drafting with instruments, sketching, and introduction to computer aided drafting. Auxiliary views and revolutions, profiles, vector graphics and developments. *Two lecture, three laboratory hours per week*.

**1555. History of Architecture. (3).** Major trends in architecture from prehistoric times to present. Emphasis on impact of technological and social changes on prevailing architectural styles.

**1561. Building Assembly. (3).** Comprehensive study of building types and building systems, emphasis on the effect of scale, materials, assembly systems and detail methods upon architectural design; manual drafting of details included. *Two lecture, two laboratory hours per week* PREREQUISITE: TECH 1521.

**1611. Forest Products Technology. (3).** Lecture and related laboratory activities employed to study fundamental concepts of manufacturing, wood technology, wood products, and related wood processes. *Two lecture, three laboratory hours per week*.

**1711. Manufacturing Processes I. (3).** Metal manufacturing processes, including traditional machining, computer numerical control, and thermal metal cutting/joining. Measurement, layout, and inspection techniques as applied to integrated manufacturing systems. Coverage of threads, fasteners, and geometric dimensioning and tolerancing. *Two lecture, three laboratory hours per week*.

**1811. Electronic Circuit Technology.** (3). Fundamental electronic theory and circuit analysis methods. Laboratory emphasis on safety, measurement and confirmation of mathematical solutions. *Two lecture, three laboratory hours per week.* PREREQUISITE: MATH 1213, TECH 1010.

**2230. Pulse and Digital Circuits.** (4). Analysis and design of pulse and digital electronic circuits using discrete transistors. *Three lecture, three laboratory hours per week.* PREREQUISITE: TECH 2821.

**2251. Advanced Programming Techniques.** (4). Principles of computer programming applicable to engineering technology using C. Algorithmic problem solving, coding in a structured high level language, subprograms and parameters, control structures, I/O, complex arithmetic, and double precision operations emphasized. *Three lecture, three laboratory hours per week.* PREREQUISITE: TECH 1210. COREQUISITE: TECH 3044.

**2261. Data Structures.** (4). Application of high speed digital computer to problems associated with storage and retrieval of numeric and non-numeric data in engineering systems. Includes representation and organization for storing of data, searching and sorting techniques, decision tables, and file maintenance techniques. *Three lecture, three laboratory hours per week.* PREREQUISITE: TECH 2251.

**2451. Introduction to Surveying.** (3). (1451). Surveying practices, calculations, and use of topographical conventions. *Two lecture, three laboratory hours per week.* PREREQUISITE: MATH 1213.

**2555. Architectural Design I.** (4). Architectural schematics and design presentation. Studio course emphasizing manual drafting techniques. Introduction to wide range of basic techniques, conventions and means used in design fields as well as organization of graphic materials to achieve effective presentation. Principles of graphic communication, including sketching, lettering, perspective, 3-dimensional forms employing light, shade and shadow. *Three lecture, three laboratory hours per week.* PREREQUISITE: TECH 1521.

**2556. Site and Environmental Planning.** (3). Building sites, selection and utilization, including environmental influences. Technical aspects such as zoning, contour lines, parking, ingress/egress, site drainage, building location and landscaping. *Two lecture, two laboratory hours per week.* COREQUISITE: TECH 2451.

**2561. Computer Applications in Architecture.** (3). (3561). Computer aided drafting and design applications to produce computer generated architectural design and working drawings. *Two lecture, three laboratory hours per week.* PREREQUISITES: TECH 1010, 1521, 1561.

**2821. Solid-State Technology.** (3). Theory of solid-state devices with application in power supplies, amplifiers, and other basic electronic circuits. Solid-state diodes and bipolar junction transistors emphasized. *Two lecture, three laboratory hours per week.* PREREQUISITE: TECH 1811.

**2831. Advanced Solid-State Technology.** (3). Theory of field effect transistors and operational amplifiers. Emphasis on practical applications, including amplifiers, filters, and oscillators. *Two lecture, three laboratory hours per week.* PREREQUISITE: TECH 2821.

**3044. Analysis for Engineering Technology.** (4). (2944). Application of mathematical, scientific, and engineering principles to solution of technology problems, using a variety of examples from various major areas in Technology. Students analyze and provide acceptable solutions to ascending order of well designed problems using language and techniques or related technological disciplines and selected areas of mathematics, such as algebra, trigonometry, calculus and differential equations. *Three lecture, three laboratory hours per week.* PREREQUISITE: MATH 1321, [C].

**3232. Digital Technology.** (3). Numbering systems and codes, logic gates, Boolean algebra, Combinational logic, TTL circuits, and memory devices. *Two lecture, three laboratory hours per week.* PREREQUISITE: TECH 2230.

**3233. Microprocessor Technology.** (4). Industrial and commercial applications of microcomputers and microprocessors; theory of operation of MSI and LSI logical devices, memory and input/output devices; techniques of microprogramming, testing and maintenance. *Three lecture, three laboratory hours per week.* PREREQUISITE: TECH 3232.

**3251. Assembly Language Programming.** (4). (4251). Investigation of a particular mini-computer from programmer's viewpoint. Includes machine representation of data, instruction formats, machine operation and addressing techniques, input/output and interrupts. Applications include use of minicomputers for numerical control and in sensor based systems. *Three lecture, three laboratory hours per week.* PREREQUISITE: TECH 3233.

**3281. Computer Aided Circuit Design.** (4). Utilization of commercially available software for electronic circuit documentation, analysis and design. Emphasis on schematic capture, printed-circuit board design, and circuit simulation. *Three lecture, three laboratory hours per week.* PREREQUISITE: TECH 2831.

**3386. Occupational Safety.** (3). Hazards and safety procedures for general industry and construction.

**3401. Strength of Materials.** (3). Force systems and their solution; that branch of mechanics dealing with forces and effects of forces acting upon rigid and deformable bodies at rest. Analysis of structural materials. COREQUISITES: TECH 3044, PHYS 2001, 2110.

**3408. Industrial Materials.** (3). Properties of structural materials and methods used to test for these properties.

**3409. Materials Testing Practicum.** (1). Qualitative material properties with emphasis on standards, specifications, and methods of testing along with significance of data collected as well as practice of interpreting and preparing reports of results of investigation.

**3414. Construction Administration.** (3). Ethical practice, social responsibility, licensing, codes, and public regulation of contracting, specification writing and interpretation, functions of architect-engineer and owner, construction contracts, bonding, insurance, indemnification, labor agreements and jurisdictional procedures, joint venture and subcontract relationship.

**3421. Manufacturing Processes II.** (3). Processes and techniques used to fabricate industrial materials into useful products. Techniques covered include casting and molding, forming, separating, conditioning, assembling, finishing, and process design and control. *Two lecture, three laboratory hours per week.* PREREQUISITE: TECH 1711.

**3440. Project Cost Evaluation.** (3). Industrial as well as personal financial situations and how they are affected by interest rates and "Time Value" of money. Investigation of economic alternatives including applications of existing formulas, techniques, and methods.

**3451. Construction Surveying Methods.** (3). Methods, techniques and formulas necessary to establish controlling points at any construction site. Both office and field procedures required to locate centerlines and bounds of structures. *Two lecture, three laboratory hours per week.* PREREQUISITE: TECH 2451.

**3462. Industrial Statistics.** (3). Procedures for collecting, describing, presenting and statistically analyzing industrial data. Basic probability theory. Hypothesis testing and basic concepts of analysis of variance. Introduction to Taguchi methods. PREREQUISITE: MATH 1211 or higher.

**3470. Strategic Planning for Technology.** (3). Strategic planning methods for examination, implementation, and integration of technological developments to facilitate solutions to productivity and quality issues in both manufacturing and service industries.

**3471. Structural Design I.** (3). Fundamentals of structural design and analysis of steel and timber buildings and building components. PREREQUISITES: MATH 1321, TECH 3401.

**3472. Structural Design II.** (3). Fundamentals of structural design and analysis of concrete buildings

and building components. PREREQUISITES: MATH 1321, TECH 3401.

**3520. Architectural Design II.** (4). Basic design concepts and methods as applied to building types, design, construction, and systems for units of contemporary architecture. *Three lecture, three laboratory hours per week.* PREREQUISITES: TECH 1561, 2555.

**3531. Environmental Control Systems.** (3). Studies in environmental technologies in architecture; mechanical systems, plumbing, electrical and energy conservation. PREREQUISITE: PHYS 2001, 2110.

**3562. Advanced Computer Applications in Design.** (3). Advanced concepts of computer generated drawings including USP programming, screen menu and keyboard macro modification, utilization of third party software for special applications, icon creation, 3-dimensional wire mesh, shading, slide presentation, and data exchange to other software. *Two lecture, three laboratory hours per week.* PREREQUISITE: TECH 2561 or equivalent.

**3573. Dynamics and Design for Automation.** (3). Analysis of rectilinear and curvilinear motion; kinematic analysis of mechanisms; mechanical, hydraulic, and pneumatic systems; product design techniques as applied to integrated manufacturing systems. Laboratory exercises include applications of programmable logic controllers and fluid power circuits. *Two lecture, three laboratory hours per week.* PREREQUISITES: TECH 3044, 3401.

**3691. Construction Estimating.** (3). Fundamentals of commercial and light frame estimating. Emphasis given to conducting a quantity survey, including unit and overhead costs. PREREQUISITE: TECH 3520.

**3811. Electronics Communications.** (3). Principles of noise, oscillators, modulation and vacuum tube power amplifiers with associated circuitry. Transmission line and antenna theory. Emphasis on operating frequencies up to UHF. *Two lecture, three laboratory hours per week.* PREREQUISITE: TECH 2831.

**3812. Advanced Electronic Communications Technology.** (3). (4811). Concepts, systems and practical applications in generation, transmission and detection of aural, data and visual information in analog and digital form. PREREQUISITE: TECH 3811.

**3821. Industrial Electronics.** (3). Electronic circuits and systems in modern industry. Principles of open and closed loop control systems. Theory and application of devices and thyristors such as unijunction transistors, silicon controlled rectifiers, diacs and triacs. *Two lecture, three laboratory hours per week.* PREREQUISITES: TECH 2831, 3044.

**3822. Programmable Logic Controllers.** (4). Theory and operation of programmable logic controllers. Emphasis on practical industrial applications and programming techniques. *Three lecture, three laboratory hours per week.* PREREQUISITE: TECH 3821. COREQUISITE: TECH 3841.

**3841. Electrical Power and Motor Control.** (3). Generation and utilization of AC and DC electrical power. Applications and operating characteristics of motors, generators and transformers with emphasis on control of motors. *Two lecture, three laboratory hours per week.* PREREQUISITE: TECH 3821. COREQUISITE: TECH 3822.

**3940. Analytic Approaches to Public Fire Protection.** (3). Systems analysis and its use and limitations in fire protection and other problem areas. Illustrated with case studies and models using the systems approach to fire suppression and prevention. PREREQUISITE: admission restricted to students seeking B.P.S. degree in Fire Administration or Fire Prevention Technology, [C].

**3942. Fire Related Human Factors.** (3). Dynamics of human behavior in fire incidents related to building design, codes and ordinances, and other fire prevention practices. PREREQUISITE: admission restricted to students seeking B.P.S. degree in Fire Administration or Fire Prevention Technology.

**3944. Fire Protection Structure and Systems Design.** (3). Design principles involved in protection of structure from fire involvement. Empirical tests and prediction procedures. Control detection, and suppression system design practices. Fundamentals of

hydraulic design of sprinkler and water spray systems with recent innovations. **PREREQUISITE:** admission restricted to students seeking B.S. degree in Fire Administration or Fire Prevention Technology.

**3945. Incendary Fire Analysis and Investigation.** (3). Procedures and techniques for collection, comparison, and analysis of physical evidence related to fire origin; principles of evidence of ignition phenomenon and propagation variables; legislative, economic, psychological, and sociological variables of incendiary fire, role of insurance and government programs. **PREREQUISITE:** students of B.S. degree in Fire Administration or Fire Prevention Technology program.

**3946. Fire Dynamics.** (3). Fire propagation phenomenon in both fuel and air regulated phases; variables in pre- and post-flashover fire development; geometric, material, gaseous, fluid flow, and thermodynamic parameters; compartment and building fire models. **PREREQUISITE:** student of B.S. degree in Fire Administration or Fire Prevention Technology program.

**3947. Applications of Fire Research.** (3). Fire research and its application; transfer and implications of available research results for fire prevention and protection programs; national and international studies and research developments. **PREREQUISITE:** student of B.S. degree in Fire Administration or Fire Prevention Technology program.

**3948. Managerial Issues in Hazardous Materials.** (3). Examination of federal regulatory issues, hazard identification and vulnerability analysis, multi-agency contingency planning, response personnel, multi-agency response resources and systems. Discussion of agency policies, public education and emergency information systems, health and safety issues, command post dynamics, strategic and tactical considerations, recovery and termination procedures. **PREREQUISITE:** enrollment in B.S. degree in Fire Administration or Fire Prevention Technology program.

**4234. Microprocessor Interfacing Techniques.** (4). Application of microprocessors to equipment; emphasis on interface problems. Techniques employing conventional Logic devices as well as LSI components. Testing and maintenance techniques of equipment using microprocessor based design. *Three lecture, three laboratory hours per week.* **PREREQUISITE:** TECH 3233.

**4235. Microcomputer Systems.** (4). Design and construction of complete microcomputer system including microprocessor, RAM, EPROM, input-output devices, and assembly language operating system. *Three lecture, three laboratory hours per week.* **PREREQUISITE:** TECH 4234. [I].

**4261-6261. C++ Programming.** (4). Applications of the C++ programming language to problems from selected areas of engineering technology. Includes data collecting, modeling techniques, constraints, program development and validation, and interfacing with peripherals and machine language. *Three lecture, three laboratory hours per week.* **PREREQUISITE:** TECH 2261. **COREQUISITE:** TECH 3251.

**4272. Operating Systems and Data Communications.** (4). Introduction to operating system principles and data communications; includes networking of computers. Emphasis on hardware and software interaction in overall system. *Three lecture, three laboratory hours per week.* **PREREQUISITES:** TECH 3233, 3251.

**4381. Principles of Supervision.** (3). Functions of supervisory personnel.

**4460. Work Design, Improvement and Measurement.** (3). Elimination of waste in production or service environment. Continuous improvement and Single-Minute Exchange of Die (SMED) systems. Fundamentals of human factors and ergonomics. Work measurement by stop-watch, standard data, basic motion times and work sampling.

**4462. Statistical Quality Control.** (3). Statistical methods for analyzing quality problems including control charts for variables and attributes and industrial sampling. Defect prevention using the Poka-Yoke

System. Computer applications to quality assurance. [C].

**4464. Production Control Systems.** (3). Functions of controlling production using Manufacturing Resource Planning (MRP II) and Just-in-Time (JIT) techniques. **PREREQUISITE:** TECH 4460.

**4466. Facility Design.** (3). Integrated approach to design and layout of industrial facility with respect to workstation location and material handling. Design considerations include project planning, costs, automation, CAD/CAM, quality, work measurement, safety, materials and processes, production control and tool design. Use of simulation software. **PREREQUISITE:** TECH 4464.

**4472-6472. Computer Aided Drafting and Design.** (3). Overview of CADD technology, hardware and software options, two and three dimensional principles, and applications to produce computer generated design and working drawings. *Two lecture, three laboratory hours per week.* **PREREQUISITE:** TECH 1521 or equivalent.

**4474-6474. Automation and Robotics.** (3). (4476). Concepts of factory automation and industrial robotics. *Two lecture, three laboratory hours per week.* **PREREQUISITE:** TECH 1010 or 1210.

**4476-6476. Computer Aided Manufacturing.** (3). (4474). Computer numerical control programming by manual data input and distributed numerical control by computer assistance. System assessment of CNC machines and components for integrated manufacturing environment. *Two lecture, three laboratory hours per week.* **PREREQUISITE:** TECH 3281 or 4472.

**4510. Construction Planning and Scheduling.** (3). Principles of planning, scheduling, organizing, and controlling construction projects. Studies in critical path method (CPM) and PERT, with resource leveling and financial scheduling. Computer applications in CPM and PERT emphasized.

**4512. Soil Technology in Construction.** (3). Soil technology as applied to construction field. Fundamental properties of soils with application to foundations, highways, retaining walls and slope stability. Relationship between soil characteristics and geologic formations. *Two lecture, three laboratory hours per week.* **PREREQUISITE:** PHYS 2001, 2110.

**4515. Architectural Design III.** (4). Design concepts and methods as related to mass horizontal and vertical architectural development. *Three lecture, three laboratory hours per week.* **PREREQUISITES:** TECH 3471, 3520.

**4520. Construction Methods and Equipment.** (3). Theory and practice of construction operations, equipment utilization, construction methods, analysis of costs, crew and equipment.

**4535. Project Manual and Codes.** (3). Bidding and contractual documents, including technical specifications and their effect on design and practice of architecture; examination of general and local codes and regulations that influence design and construction of buildings. **PREREQUISITE:** senior status.

**4571. Tool Design.** (3). Design of tooling systems for the integrated manufacturing environment; emphasis on geometric dimensioning and tolerancing, fast change-over techniques, and achieving world class quality through tooling design. *Two lecture, three laboratory hours per week.* **PREREQUISITES:** TECH 3421, 4472.

**4600. Contract and Construction Drawings.** (4). Techniques and methods of portraying information needed to conform to document design decisions. Development of building systems, structural and construction details required to communicate clearly and graphically a project's bidding, contracting, and construction requirements. *Three lecture, three laboratory hours per week.* **PREREQUISITES:** TECH 3691, 4515.

**4615. Architectural Design IV.** (4). Design concepts and methods relating to horizontal and vertical development. *Three lecture, three laboratory hours per week.* **PREREQUISITE:** TECH 4515. **COREQUISITES:** TECH 4535, 4600.

**4821. Microwave Technology.** (4). Generation and transmission of energy at frequencies above 300

megahertz, emphasizing techniques and equipment which contrast sharply with those at lower frequencies. *Three lecture, three laboratory hours per week.* **PREREQUISITE:** TECH 3811.

**4823. Advanced Programmable Logic Controllers.** (3). Advanced applications of programmable logic controllers, including analog I/O techniques and computer interfacing. *Two lecture, three laboratory hours per week.* **PREREQUISITES:** TECH 3822, 3841.

**4841. Video Communications.** (3). Theory and application of technical equipment for generation, transmission, and reception of video signals, both closed circuit and broadcast. *Two lecture, three laboratory hours per week.* **PREREQUISITE:** TECH 3811.

**4944. Problems in Technology.** (3). Study and research in specific area culminating in an integrating experience through individual and/or group projects and technical reports. **PREREQUISITE:** seniors within two semesters of graduation [W, I].

**4950-6950. Product Safety Management.** (3). Study of modern concepts of accident prevention by means of safety analysis. Analyses of responsibilities and requirements of management in producing safe consumer products. Emphasis on electrical and mechanical hazards.

**4990-4998. Engineering Technology Topics.** (1-3). Varied topics announced in the *Schedule of Classes*. May be repeated by permission for a maximum of 6 hours. **PREREQUISITE:** permission of instructor.

## MECHANICAL ENGINEERING

PROFESSOR EDWARD H. PERRY,  
Chair

Room 312A, Engineering Building

---

### Q870 MECHANICAL ENGINEERING (MECH)

**1307. Mechanical Engineering Computing.** (3). Emphasis on computer solutions of mechanical engineering problems.

**2308. Engineering Graphics.** (3). (1308). Sketching and drafting techniques as used in engineering practice, elements of descriptive geometry, introduction to CAD. *Two lecture/three laboratory hours per week.*

**2332. Dynamics.** (3). Kinematics and kinetics of particles and rigid bodies. **PREREQUISITE:** CIVL 2131.

**3301. Engineering Analysis.** (3). Mechanical Engineering applications of first and second order ordinary differential equations, Laplace transforms, and Fourier series to problems in the areas of heat transfer, vibrations, and fluid mechanics. **PREREQUISITE:** MATH 3391.

**3305. Mechanical Instrumentation and Measurement.** (3). Accuracy, precision and statistical consideration of measurement data; dynamics of measurement; displacement, velocity acceleration, force, torque, pressure and temperature measurement; mechanical impedance; measurement of fluids and instrumentation systems. **PREREQUISITES:** MECH 2332, ELEC 2201, 2203.

**3306. Mechanical Instrumentation Laboratory.** (1). Introduction to sensors and basic instrumentation systems used in mechanical engineering; emphasis on experimental techniques and reporting of results. *Three laboratory hours per week.* **COREQUISITE:** MECH 3305.

**3310. Introduction to Thermal Systems.** (3). Introduction to First and Second Laws of Thermodynamics and to conduction, convection, and radiation heat transfer with particular emphasis on engineering applications. Mechanical Engineering majors may not use MECH 3310 to fulfill B.S.M.E. degree requirements. **PREREQUISITES:** MATH 2322, PHYS 2004, 2520.

**3311. Engineering Thermodynamics I.** (3). Laws of thermodynamics and their applications to engineering problems. **PREREQUISITES:** MATH 2322; PHYS 2004, 2520.

**3312. Engineering Thermodynamics II. (3).** Applications of thermodynamics laws; emphasis on real gases, real gas mixtures, combustion, gas cycles and vapor cycles. PREREQUISITES: MECH 3311, CHEM 1122, 1132.

**3320. Engineering Materials. (3), (3361).** Nature of six main classes of materials: metals, polymers and elastomers, ceramics and glasses, semiconductors, superconductors and composites. Mechanical, thermal, electrical and electronic, magnetic and optical properties of materials. Environmental effects on performance of materials: creep, corrosion, oxidation. Methodology for selection of materials for named applications. PREREQUISITES: CHEM 1122, 1132. COREQUISITE: PHYS 2004, 2520.

**3321. Kinematics and Dynamics of Machines. (3).** Velocity and acceleration analysis of linkages and mechanisms. Force analysis of linkages and mechanisms and machinery such as IC engines. Gyroscopic forces and moment-of-inertia determination. Dynamic balance of rotors and reciprocating masses. PREREQUISITES: MECH 2332, 3341; MATH 3391.

**3322. Mechanics of Materials. (3), (Same as CIVL 3322).** Analysis of components subjected to tension, compression, bending moment, torque; combined loading; Mohr's stress circle; deflection of beams; simple treatment of column buckling. PREREQUISITE: CIVL 2131.

**3323. Mechanical Design and Analysis. (3).** Methodology and practice in designing machine components by integrating principles from mechanics of materials, failure theory, fatigue, economics and other principles. PREREQUISITE: MECH 3322.

**3325. Materials Laboratory. (1).** Materials testing and evaluation. *Three laboratory hours per week.* PREREQUISITE: MECH 3320; PREREQUISITE or COREQUISITE: MECH 3322.

**3331. Mechanics of Fluids. (3).** Statics and dynamics of fluids; applications to measurement of properties of water and air flows. PREREQUISITE: MECH 3324, 3311.

**3335. Fluids Laboratory. (1).** Principles of fluid mechanics are demonstrated and verified. Familiarization with instrumentation and techniques in organizing and reporting results of experimental investigations. *Three laboratory hours per week.* COREQUISITE: MECH 3331.

**3341. Mechanical Engineering Analysis. (3).** Engineering methods, classical analysis, computer techniques, and their interactions with mechanical engineering problems. COREQUISITE: MATH 3391. [C].

**4300. Senior Seminar. (1).** Ethics and professionalism, literature searching, proposal writing, technical paper presentations and other selected topics. Oral and written reports required. Taking the EIT exam is recommended. PREREQUISITE: senior status or consent of instructor.

**4309-6309. Gas Dynamics. (3).** Concepts in compressible flow, emphasis on real and ideal gas dynamic effects and non-equilibrium flow; application of numerical methods. PREREQUISITE: MECH 3312, 3331.

**4311. Heat Transfer I. (3).** Fundamentals of conduction, convection, and radiation heat transfer with emphasis on conduction and convection. Introduction to heat exchanger design. PREREQUISITES: MECH 3312, 3331, 3341.

**4312. Power Generation. (3).** Application of principles of thermodynamics, fluid mechanics and heat transfer to conversion of useful energy. Includes

terrestrial and thermodynamic limitations, power plants, nuclear energy, solar energy, and direct energy conversion. Technical report writing. PREREQUISITE: MECH 3312, [W].

**4313-6313. Heat Transfer II. (3).** Principles of boiling, condensing, and radiation heat transfer. Fundamentals of heat exchanger design. PREREQUISITE: MECH 4311.

**4314. Fluid/Thermal Systems Design. (4).** Design of piping systems; pipe size selection using economic; fluid meter selection; prime movers and piping systems; heat exchanger analysis, selection and design; economics of heat exchanger selection; analysis of fluid/thermal components as a system. Group project required. PREREQUISITES: MECH 3331, 4311. [I].

**4315-6315. Heating, Ventilation and Air Conditioning. (3).** Psychrometric analyses, heating and cooling loads of buildings and analyses of air conditioning systems. PREREQUISITE: MECH 4311.

**4320. Mechanics of Materials II. (3).** Stress-strain analyses of thin-walled cylinders and spheres, springs, laterally-loaded struts, struts with initial curvature, rotating disks and cylinders; plastic yielding of beams and shafts; introduction to energy methods. PREREQUISITES: MECH 3320, 3322.

**4322. Mechanical Design. (3).** Analytical treatment of methods used in design process including creativity, probability, and optimization as applied to design process, from concept through preliminary design to final design. PREREQUISITE: MECH 3323.

**4323. Machine Design. (4).** System design concepts applied to machine components; integration of these components into an overall system. Design project assignments. PREREQUISITE: MECH 4322.

**4324-6324. Computer Methods in Design. (3).** Application of computer aided drafting packages to design of mechanical components and systems. Introduction to fundamental concepts and principles of finite element methods and design optimization. Design project assignments using computer-aided engineering software for analysis and design solution. PREREQUISITES: MECH 3323, 3341.

**4325-6325. Advanced Mechanics of Materials. (3).** Beams on elastic foundations, experimental stress analysis, torsion of non-circular sections, curved beam theory, unsymmetrical bending. PREREQUISITE: MECH 3322.

**4326-6326. Biomedical Systems Analysis-Mechanical. (3).** Introduction to concepts used in analyzing living systems. Simulation of body functions with mechanical and computer models. Familiarization with design of mechanical bioengineering devices such as heart valves, heart-lung machines, renal dialysis machines. PREREQUISITES: MECH 2332, 3322.

**4330-6330. Introduction to Composite Materials. (3).** Introduction to fiber reinforced composite materials. Includes mechanical behavior, strength, design methodology, and implementation of computer aided design. PREREQUISITES: MECH 3320, 3322, 3341.

**4331. Turbomachinery. (3).** Basic principles of fluid mechanics and thermodynamics with application to rotating devices. Ideal and actual operating characteristics of pumps, fans, turbines and compressors. Constraints on design of real systems. PREREQUISITE: MECH 3331.

**4333-6333. Aerospace Propulsion Systems. (3).** Fundamentals of airbreathing and rocket propulsion devices. Principles of combustion thermodynamics, gas turbine operation, solid and liquid propellants,

performance evaluation, and atmospheric and space mission propulsion requirements. PREREQUISITE: MECH 3331.

**4335. Thermodynamics and Heat Transfer Laboratory. (1).** Instrumentation and measurement techniques used in thermodynamics and heat transfer studies. Experimental verification of basic principles with emphasis on organizing and reporting of results. *Three laboratory hours per week.* COREQUISITE: MECH 4311.

**4337-6337. Internal Combustion Engines. (3).** Principles of Otto and Diesel cycle engines. Effects of various fuels and fuel delivery systems, air induction systems, ignition systems, and pollution control techniques on engine performance. PREREQUISITES: MECH 3312, 3331.

**4340-6340. Manufacturing Processes. (3).** Introduction to manufacturing processes: fundamentals of mechanical behavior of materials, manufacturing properties of materials; casting, bulk deformation, sheetmetal forming, material removal processes; processing of polymers, ceramics and glasses, composite materials; powder metallurgy; fastening and joining processes; nontraditional manufacturing processes; economics of integrated design and manufacturing; recent developments in manufacturing. PREREQUISITES: MECH 3320, 3322.

**4344. Mechanical Controls. (3).** Fundamental classical control concepts. Modeling of linear mechanical control systems. Transient, accuracy and performance analyses and design of control systems using root locus sketch, Nyquist diagrams and Bode plots. PREREQUISITE: MECH 3331.

**4345-6345. Design of Mechanisms. (3).** Graphical and analytical mechanism synthesis techniques for path generation, function generation, rigid body guidance and optimization of force transmission characteristics. PREREQUISITES: MECH 3321, 4322.

**4346-6346. Advanced Mechanical Controls. (3).** Advanced design and modeling of mechanical control systems; review of digital and optimal control systems and simulation of control systems. PREREQUISITE: MECH 4344.

**4350-6350. Mechanics for Biomedical Engineers. (4).** Analyses of the bone and joint structure of the body related to the basic mechanical equations and properties. Mathematical modeling of bone structure, mechanical properties, static loading, dynamic loading, fatigue, wear, corrosion. PREREQUISITES: MECH 3320, 3322.

**4360. Selection of Engineering Materials. (3).** Detailed study of main classes of materials and their properties and uses; design criteria for various failure modes and selected environment case studies, technical tutorials and design exercises. PREREQUISITES: MECH 3320, 3322.

**4369. Process Heat Transfer. (3).** Engineering concepts and fundamental principles dealing with single and two phase fluid dynamic and heat transfer to design and analysis of process heat transfer equipment. PREREQUISITE: MECH 4311.

**4371-6371. Mechanical Vibrations. (3).** Kinematics of harmonic and non-harmonic vibrations; system of one and several degrees of freedom, free and forced vibrations; self-excited vibrations. PREREQUISITES: MATH 3391; MECH 3321, 3341.

**4391. Mechanical Engineering Projects. (1-3).** Independent investigation of mechanical engineering problems in consultation with instructor. PREREQUISITE: senior standing.

# The Loewenberg School of Nursing

TONI BARGAGLIOTTI, D.N.Sc., R.N., *Dean and Professor*  
Newport Hall

## ACADEMIC PROGRAMS

Department	Major	Concentration Within Major	Degree Offered
*	Nursing		Bachelor of Science in Nursing (B.S.N.)

\*The school is not composed of departments.

## PURPOSES

The primary function of The Loewenberg School of Nursing is to offer a program of study designed to prepare students for careers in professional nursing. As a part of a comprehensive university, the school is dedicated to developing scholarship in nursing and providing services that support the institutional mission. The program is designed to accommodate the needs of high school graduates, transfer students, college graduates, licensed practical nurses, and registered nurses who are graduates of diploma or associate degree nursing programs. The school is committed to: (1) providing a curriculum leading to the degree of Bachelor of Science in Nursing basic to beginning professional practice and graduate study in nursing; (2) promoting the intellectual, personal and professional development of students by offering a curriculum that combines a strong liberal education with the professional major; (3) providing a plan of study with flexible options that are responsive to the individual learner's needs; (4) encouraging the use of opportunities available in a comprehensive university setting to foster values, attitudes and personal qualities essential to living a fulfilling life and contributing to a diverse society; (5) producing politically and socially conscious graduates who are competent practitioners in a variety of settings; and (6) preparing graduates who assume leadership roles to effect change for a healthy society.

The faculty of the Loewenberg School of Nursing are clinician scholars who are dedicated to creating a community where each person is valued, supported, mentored, and recognized for contributions to past, present, and future health care and nursing education. We value our cultural and disciplinary diversity because the bridges of understanding we build to each other provide the foundation for excellence in clinical practice and in scholarly inquiry. We create a community of scholarliness, collegiality, and caring because it is the greatest legacy we give to those who seek to learn with and from us. Because our students are the future of health care for our global community, we freely share with them our passion for creativity, learning, excellence, empathic

understanding, and caring for others. Our quest for excellence in nursing education will know no boundaries as we continually seek innovative approaches through the creative and scholarly work of our faculty and students. As a school within an urban university, our educational programs are inextricably linked in a responsive way to the community we serve. Our efforts are dedicated to our students, who are our greatest resource, and our hope for a future of health for all.

## PROGRAM OBJECTIVES

Baccalaureate graduates of the Loewenberg School of Nursing:

1. Use nursing knowledge, theory, and research to provide culturally sensitive, cost effective nursing care to individuals, families, and communities.
2. Use the nursing process to promote adaptive health behaviors in individuals, families, and communities.
3. Use critical thinking skills derived from a synthesis of theoretical, empirical, and intuitive knowledge from other scientific disciplines and the humanities to formulate nursing judgment.
4. Collaborate with other health care providers and consumers to provide access to health care and promote the health and well-being of diverse people.
5. Incorporate professional values with ethical, moral, spiritual, and legal aspects of nursing practice.
6. Incorporate leadership and management skills with knowledge of political systems to enhance the quality of nursing and health practices.
7. Communicate effectively to implement the diverse roles of nursing with individuals, families, groups, communities and society.
8. Evaluate research and incorporate selected components and findings appropriately into nursing practice.
9. Assume responsibility and accountability for the continuing effectiveness of one's own nursing practice and professional development.
10. Participate in the implementation of nursing roles designed to meet the emerging health needs of the general public in a changing society.

## ORGANIZATION

The Loewenberg School of Nursing is organized as one unit under the leadership of a dean. The curriculum leading to the degree of Bachelor of Science in Nursing includes general education and support courses offered through other units of the university as well as the major requirements offered by the school. A comprehensive approach to health care is emphasized through utilization of a wide variety of health care settings available in Memphis and the surrounding community.

The faculty of the Loewenberg School of Nursing represents all clinical areas of nursing practice and a variety of experiences and interests. They reflect this diversity in their teaching, practice and research and are qualified by practical experience as well as by academic credentials, to function as facilitators of learning.

The Loewenberg School of Nursing holds membership in the American Association of Colleges of Nursing, Southern Council for Collegiate Education in Nursing, and the National League for Nursing Council for Baccalaureate and Higher Degree Programs. The program is accredited by the National League for Nursing and approved by the Tennessee Board of Nursing.

## ADMISSION AND ADVISING

Core performance standards for admission and progression:

- A. Critical thinking ability sufficient for clinical judgement.
- B. Interpersonal abilities sufficient to interact with individuals, families, and groups from a variety of social, emotional, cultural, and intellectual backgrounds.
- C. Communication abilities sufficient for interaction with others in verbal and written form.
- D. Physical abilities sufficient to move from room to room and maneuver in small spaces.
- E. Gross and fine motor abilities sufficient to provide safe and effective nursing care.

- F. Auditory ability sufficient to monitor and assess health needs.
- G. Visual ability sufficient for observation and assessment necessary in nursing care.
- H. Tactile ability sufficient for physical assessment.

## ADMISSION— BASIC STUDENTS

All basic students who wish to earn the Bachelor of Science in Nursing must be admitted to the Loewenberg School of Nursing. To be admitted to the school, a student must:

1. Be admitted to The University of Memphis as a degree-seeking undergraduate student.
2. Have a minimum college cumulative grade point average of 2.0, a cumulative of 2.4 in prerequisite sciences, and \*a grade of C or better in ENGL 1101 and 1102 and all prerequisite sciences.
3. Have completed specified pre-nursing courses: \*ENGL 1101, 1102 (6); \*BIOL 1751/1752, 1761/1762 (8); \*BIOL 1451/1452 (4); \*CHEM 1101, 1102 (8); SOCI 1111 or PSYC 1101; CSED 2202 Nutrition; EDPN 2111 Development Across the Lifespan; Mathematics (3) selected from approved courses in the School of Nursing's General Education Section below.
4. Have a minimum score of 600 on the TOEFL (for students for whom English is a second language).
5. Have cleared all high school deficiencies.
6. Students who are transferring from another nursing program must submit a letter of good standing from the dean/director of the previous nursing program.
7. Complete and submit School of Nursing application for admission with The University of Memphis transcript and copy of The University of Memphis transfer credit evaluation (if applicable) to:

Loewenberg School of Nursing  
The University of Memphis  
Newport Hall, Room 101  
Memphis, TN 38152

If there are more applicants than places available, acceptance will be based on the student's GPA and criteria specified in the written policies of the program.

### CRITERIA:

1. Students must have *complete* files by the deadline (February 15 for Fall; October 1 for Spring) to be considered.
2. Acceptance into the school will be based on rank-order cumulative GPA.
3. If individuals have the same GPA, the order will be determined by the amount of prerequisite and support course work completed.
4. A new list will be created each semester. *Students who are not accepted must reapply for consideration the next semester.*
5. An alternate list will be established each semester to fill vacancies that might occur before the beginning of class. The criteria for the alternate list will be the same as for the acceptance list.

## ADVANCED PLACEMENT ADMISSION—RN STUDENTS

To be admitted with advanced placement, the Registered Nurse must:

1. Be admitted to The University of Memphis as an undergraduate student.
2. Have current licensure as a Registered Nurse in Tennessee.
3. Submit evidence of recent clinical practice.
4. Have a minimum college cumulative grade point average of 2.0.

Prior to entering NURS 3250, the Registered Nurse must have completed specified pre-nursing courses: \*ENGL 1101, 1102 (6); \*BIOL 1751/1752, 1761/1762 (8); \*BIOL 1451/1452 (4); \*CHEM 1101, 1102 (8); SOCI 1101 or PSYC 1101; CSED 2202 Nutrition; EDPN 2111 Development Across Lifespan; Mathematics (3) selected from approved courses in the School of Nursing's General Education selection below.

\* a grade of C or better

## ACADEMIC ADVISING— BASIC STUDENTS

Basic students who are completing courses required for admission to The Loewenberg School of Nursing receive advising through the Academic Counseling Unit located in Scates Hall. The assistant to the dean of the school, however, will be happy to answer inquiries from students regarding admission requirements. Following admission to the School of Nursing, each student is assigned an advisor from the school. The advisor will assist the student in planning for completion of the BSN program and will provide the opportunity for meaningful discussion regarding academic progress and career goals. This assistance, however, does not in any way relieve the student of the primary responsibility for studying the *Catalog* and fulfilling all the requirements for the degree.

## ACADEMIC ADVISING— RN STUDENTS

Each Registered Nurse student who is admitted to The University of Memphis and who declares Nursing as a major is assigned a Loewenberg School of Nursing advisor. The advisor will assist the student with academic planning including formal application for admission to the school. Following admission, the advisor will assist the student with planning for completion of the BSN program and will provide the opportunity for meaningful discussion regarding academic progress and career goals. This assistance, however, does not in any way relieve the student of the primary responsibility for studying the *Catalog* and fulfilling all the requirements for the degree.

## LOANS AND SCHOLARSHIPS

Students are encouraged to complete applications and forms for financial aid. These are available in the Student Financial Aid Office. Some scholarships are also available through The Loewenberg School of Nursing. See Section 3 of this bulletin for a list. Applications for scholarships are available in the school office.

## RESIDENCY

University residence requirements are explained in detail in the *Graduation from the University* section of this catalog. Note that students transferring from a community or junior college must complete a minimum of sixty semester hours in an accredited senior institution. In addition, 33 of the last 66 semester hours for the degree must be completed at The University of Memphis.

## DEGREE REQUIREMENTS

1. To qualify for the degree of Bachelor of Science in Nursing, the student must complete a minimum of 132 semester hours with the minimum overall quality point average of 2.0 and must meet specific grade requirements described below.
2. A minimum grade of C must be earned for English 1101 and 1102, each required science course, each required upper division course, and each required nursing course.
3. Detailed course requirements are described below under General Education Requirements, Other Support Course Requirements, and Nursing Course Requirements.

### General Education Requirements

**English Composition (6 hours):** ENGL 1101, 1102 with a minimum grade of C.

**Oral Communication and Rhetoric (3 hours):** COMM 2381.

**Mathematics (3-6 hours):** MATH 1181 and 1182; or one of the following: MATH 1312, 1321 (4); or 2000.

**Literary Heritage (3 hours):** ENGL 2201 or 2202.

**Fine Arts Heritage (3 hours):** ART 1101, COMM 1851, DANC 1151, MUHL 1101, or THEA 1551.

**Historical/Philosophical Heritage (6 hours):** One course from pre-1500: CLAS 2481, HIST 1301, PHIL 1101, POLS 1101, UNIV 2850, UNIV 3580; plus one course from post-1500: HIST 1302, PHIL 1102, POLS 1102, UNIV 2860, 3581.

**American Heritage (6 hours):** ENGL 2601 or 2602; plus one of the following: ANTH 3282, GEOG 3401, HIST 2601, HIST 2602, HIST 3863, HIST 3900, HIST 4851, HIST 4881, POLS 4212, POLS 4405, SOCI 3422.

**Social Science (6 hours):** One course from list A and one from B:

**A. (Global Perspective):** ANTH 1200, CJUS 2110, ECON 2110, GEOG 1301, GEOG 1401, POLS 2301, POLS 2501, PSYC 2201, SOCI 2100, SOCI 2101/CSED 2101, UNIV 2304.

**B. PSYC 1101, SOCI 1111.**

**Natural Science (8 hours)—Sequence required:**  
CHEM 1101, 1102 or CHEM 1121, 1131, 1132, 1133, with a minimum grade of C. (Completed in the past 7 years. Refer to Science Course Validation Section.)

**Fitness and Wellness: (4 hours):** HPER 1100 plus two semester hours of physical activity from the following: any 1000 level PHED course; DANC 1921, 1825, 1827, 2821, 2825, 2827; MUAP 2002; THEA 2501; AERO 1111, 1112, 2211, 2212; ARMY 2115, 2120, 2190, 3100, 3120, 3190, 4110, 4120; NAVY 1100, 1104, 2204, 2206, 3000. Students completing NAVY 1100, 1104, 2206 and 2204 or 3000 will satisfy the entire 4-hour Fitness and Wellness requirement as well as students completing the Advanced Course in Military Science (ARMY 3110, 3120, 4110, and 4120).

**Computation Intensive (3 hours):** EDPR 4541, PSYC 3001, or SOCI 3311.

**Writing Intensive (3 hours):** NURS 4110 or any approved writing intensive course.

**Integrative (3 hours):** See Nursing Advisor.

**Computer Literacy:** COMP 1200, NURS 3003, a course approved by the dean, or satisfactory score on university-approved computer literacy examination.

\*Under most circumstances, transfer courses may not be used to satisfy the requirements for a computation intensive, writing intensive, or integrative general education requirement. Credit by examination may not be used to fulfill these requirements.

## Support Course Requirements

**Biology (12 hours):** BIOL 1751/1752, 1761/1762, 1451/1452, with a minimum grade of C and a minimum cumulative grade point average of 2.40. (Completed in the past 7 years. Refer to Science Course Validation Section.)

**Growth and Development: (3 hours):** EDPR 2111. Nutrition (3 hours): CSED 2202.

**Statistics (3 hours):** EDPR 4541 [C], PSYC 3001 [C], or SOCI 3311 [C], with a minimum grade of C.

**Chemistry:** See the natural science requirement above.

## Nursing Course Requirements—Basic Students

**Nursing (60 hours):** NURS 2217, 2218 (1), 2219 (2), 2220 (1), 3000, 3101, 3117 (2), 3118 (1), 3119 (2), 3127 (2), 3129, 3217 (2), 3219, 3227 (2), 3229, 3400, 4110 [W], 4117 (2), 4119, 4120, 4127, 4129, 4227, 4229 (5).

**Nursing Elective (3 hours):** NURS 3003, 4300-09, 4800.

## Nursing Course Requirements—RN Students

**Nursing (32 hours):** NURS 3000, 3101, 3250, 3400, 4110, [W], 4120, 4127, 4129, 4227, 4229 (5).

**Nursing Elective (3 hours):** NURS 3003, 4300-09, 4800.

The remaining hours for the major requirements are fulfilled by validation of transfer credit hours in nursing for RN students.

The following represent typical schedule plans for basic and RN students.

<sup>1</sup>Take one of the following: EDPR 4541 [C], PSYC 3001 [C], or SOCI 3311 [C].

**Science Course Validation:** If seven years have lapsed since credit was earned in BIOL 1751/1752 and 1761/1762 (Anatomy and Physiology), BIOL 1451/1452 (Microbiology), or CHEM 1101 and 1102, or CHEM 1121/1131 and 1122/1132, the content is considered outdated, and students are required to either repeat the course(s) or validate currency of knowledge. Validation of current knowledge may be accomplished by taking a higher level course in the same field or by examination. The NLN tests in Anatomy and Physiology, Chemistry and Microbiology are used for this purpose. A score at the fiftieth

percentile or above is required. Registered nurses are required to submit evidence of recent clinical practice to validate currency of knowledge.

### Progression and Retention Criteria:

A student who fails to earn a grade of C or better in a nursing theory course or pass in a practicum course may repeat the course one time. In repeating the course to achieve a satisfactory grade, both the theory and the practicum must be taken. They may not be repeated separately. Failure to earn a grade of C or better on the repeated course will result in dismissal from The Loewenberg School of Nursing. A maximum of two nursing courses may be repeated. A student who fails a third nursing course will not be allowed to progress in the school. A student who drops or withdraws from a nursing course may re-enter that course only once.

### Clinical Nursing Course Requirements:

Before enrolling in a clinical nursing course, students must present evidence of current CPR certification, professional liability insurance (\$1,000,000 per occurrence/\$3,000,000 aggregate minimum coverage), appropriate immunizations and Titters, and a statement of good health, including a negative PPD skin test or chest x-ray. Immunizations and titters include DT, measles, mumps, polio, Hepatitis B; Rubella vaccine or titer showing immunity; varicella titer. The basic nursing student will pay for malpractice insurance at fee payment. RN students must purchase their own insurance and present evidence prior to enrolling in clinical nursing courses. RN students are also required to present evidence of current licensure in Tennessee.

Students are encouraged to complete these requirements during the semester prior to anticipated enrollment. No student will be allowed to participate in clinical learning experiences until these requirements are satisfied.

**Credit By Exam:** Credit for some of the upper division nursing courses may be earned through credit by examination. Other methods of earning credit are explained in detail in the *Academic Regulations* section of this catalog.

**RN Licensure:** Upon graduation from the program, graduates are eligible to take the NCLEX examination for licensure at testing sites determined by the Tennessee Board of Nursing.

**Student Organizations:** Students are encouraged to join their professional organization, Student Nurses' Association. This is the local chapter of the National Student Nurses' Association.

Senior students who have achieved a 3.0 cumulative grade point average and who are recommended by faculty are eligible to apply for induction into Sigma Theta Tau, Beta Theta Chapter at Large of the international nursing honor society.

# Nursing Course Descriptions

## U970 NURSING (NURS)

**\*NOTE:** In the repetition of NURS courses for the purpose of achieving a satisfactory grade, the theory and corequisite practicum courses are treated as one course. *Both* must be taken to improve the grade in either or both of the two courses. A maximum of two nursing courses may be repeated. A student who drops or withdraws from a nursing course may re-enter that course only once.

**2217. Foundations of Nursing. (3).** (2010). Introduction to nursing process and concepts basic to practice of professional nursing. Theory focus on development of nursing knowledge necessary for promotion of health and prevention of illness in individual. *Three lecture hours per week.* PREREQUISITE: admission to the Loewenberg School of Nursing. COREQUISITES: NURS 2218, \*2219, 2220, 3000, 3101, 3400; HPER 1100.

**2218. Integrative Skills I. (1).** (2010). Laboratory experiences focus on development of competency in performing basic clinical nursing procedures. *Three laboratory hours per week.* PREREQUISITE: admission to the Loewenberg School of Nursing. COREQUISITES: NURS 2217, 2219, 2220, 3000, 3101, 3400; HPER 1100. (S/U).

**2219. Foundations of Nursing Practicum. (2).** (2010 lab). Clinical experiences include provision of direct care of adult clients in secondary care and/or extended care settings. *Six clinical laboratory hours per week.* PREREQUISITE: admission to the Loewenberg School of Nursing. COREQUISITES: NURS \*2217, 2218, 2220, 3000, 3101, 3400; HPER 1100. (S/U).

**2220. Dosage Calculation. (1).** Introduction to systems of measurement used in medication administration. Focus on ability to determine safe dosages for all types of medications and intravenous fluids. *One lecture hour per week.* PREREQUISITES: Math Requirement; CHEM 1101, 1102.

**3000. Pharmacology in Nursing. (3).** Basic pharmacology of drugs in the major classifications; emphasis on action of a prototype on organ systems, its mechanisms of action, pharmacokinetics, toxicology and clinically important interactions with other drugs. PREREQUISITES: CHEM 1101, 1102.

**3001. Individualized Study. (1-3).** Directed individualized approach to increase nursing knowledge, understanding, and skills according to student's needs and level objectives. Assessment of student determines content areas and clinical experience needed. *May be repeated for a maximum of 6 credit hours. Credit not applied toward B.S.N. degree.*

**3003. Computers and Nursing. (3).** Introduction to history of computers and information systems; emphasis on nursing practice and patient care applications; social, ethical, and legal issues; use and evaluation of software relevant to nursing; beginning programming.

**3101. Health Assessment. (3).** Comprehensive health assessment of clients across life span. Expands interviewing and history taking. Health assessment skills emphasized. *Two lecture, three laboratory hours per week.* COREQUISITES: NURS 2217, 2218, 2219.

**3117. Adult Health Nursing. (2).** (3010). Application of nursing process to adults experiencing problems of adaptation requiring nursing intervention in acute and/or chronic illness. Role of nurse in health promotion, restoration, and rehabilitation is emphasized. *Two lecture hours per week.* PREREQUISITES: NURS 2217, 2218, 2219, 2220, 3000, 3101, 3400. COREQUISITES: NURS 3118, \*3119.

**3118. Integrative Skills II. (1).** (3010). Laboratory experiences focus on development of competency in

performing complex clinical nursing procedures. *Three laboratory hours per week.* PREREQUISITES: NURS 2217, 2218, 2219, 2220, 3000, 3101, 3400. COREQUISITES: NURS 3117, 3119. (S/U).

**3119. Adult Health Nursing Practicum. (2).** (3010 lab). Clinical experiences include provision of direct care of adult clients and their families in secondary and rehabilitative care settings. *Six clinical hours per week.* PREREQUISITES: NURS 2217, 2218, 2219, 2220, 3000, 3101, 3400. COREQUISITES: NURS \*3117, 3118. (S/U).

**3127. Psychiatric Mental Health Nursing. (2).** (3040). Theory and principles of nursing practice with clients experiencing psychosocial problems of adaptation. *Two lecture hours per week.* PREREQUISITES: NURS 2117, 2118, 2119, 2220, 3000, 3101, 3400. COREQUISITE: \*NURS 3129.

**3129. Psychiatric Mental Health Nursing Practicum. (3).** (3040 lab). Use of nursing process for clinical application of theories and principles of psychiatric mental health nursing to acutely ill clients. *Nine clinical laboratory hours per week in health care setting.* PREREQUISITES: NURS 2117, 2118, 2119, 2220, 3000, 3101, 3400. COREQUISITE: \*NURS 3127. (S/U).

**3217. Nursing Care of the Expanding Family. (2).** (3030). Theory and principles of nursing practice with childbearing individuals and families to assist perinatal clients and families with problems of adaptation. *Two lecture hours per week.* PREREQUISITES: NURS 2117, 2118, 2119, 2220, 3000, 3101, 3400. COREQUISITE: \*NURS 3219.

**3219. Nursing Care of Expanding Family Practicum. (3).** (3030 lab). Use of nursing process for clinical application of theories and principles of nursing and family theory to childbearing families. Focus on health promotion, prevention and adaptation. *Nine clinical laboratory hours per week in health care setting.* PREREQUISITES: NURS 2117, 2118, 2119, 2220, 3000, 3101, 3400. COREQUISITE: \*NURS 3217. (S/U).

**3227. Child Health Nursing. (2).** (3020). Theory and principles of nursing practice with children experiencing health problems requiring short-term and/or long-term intervention. Expansion of nursing role to include health maintenance and restoration of health. *Two lecture hours per week.* PREREQUISITES: NURS 2117, 2118, 2119, 2220, 3000, 3101, 3400. COREQUISITE: \*NURS 3229.

**3229. Child Health Nursing Practicum. (3).** (3020 lab). Use of nursing process for clinical application of theories and principles of nursing of children and their families. Focus on health promotion, prevention, and adaptation. *Nine clinical laboratory hours per week in health care setting.* PREREQUISITES: NURS 2117, 2118, 2119, 2220, 3000, 3101, 3400. COREQUISITE: \*NURS 3227. (S/U).

**3250. Professional Nursing Perspectives. (3).** (3050). Emphasizes contemporary nursing practice. Learning experiences structured to validate previous learning and provide means of progression in the curriculum. *Three lecture hours per week.* PREREQUISITE: admission to the Loewenberg School of Nursing as a Registered Nurse student.

**3400. Clinical Pathophysiology. (3).** Overview of specific interruptions in normal function of selected human physiological systems, including disease processes, their manifestations, and therapeutic principles underlying treatment. *Three lecture hours per week.* PREREQUISITES: BIOL 1751/1752, 1761/1762.

**4110. Nursing Research. (3).** Overview of nursing research. Components of research studied. Focus on

critiques of existing studies. Emphasis on interpretation and application of research findings. PREREQUISITES: NURS 3117, 3118, 3119, 3127, 3129, 3217, 3219, 3227, 3229. For RN students: NURS 3250. EDPH 4541 or PSYC 3110 or SOCI 3311. [W]

**4117. Advanced Adult Health Nursing. (2).** (4010). Application of nursing process with adult clients, families, and groups experiencing complex problems of adaptation. Role of nurse expanded to include health maintenance, restoration, and rehabilitation of clients experiencing problems of adaptation requiring higher acuity levels of care. *Two lecture hours per week.* PREREQUISITES: NURS 3117, 3118, 3119, 3127, 3129, 3217, 3219, 3227, 3229. COREQUISITE: \*NURS 4119.

**4119. Advanced Adult Health Nursing Practicum. (3).** (4010 lab). Clinical experiences include direct care to adult clients, families, and groups in high acuity care settings. *Nine laboratory hours per week.* PREREQUISITES: NURS 3117, 3118, 3119, 3127, 3129, 3217, 3219, 3227, 3229. COREQUISITE: \*NURS 4117. (S/U).

**4120. Contemporary Issues and Trends in Nursing and Health Care. (3).** Emphasis on factors which influence nursing and health care. Promotes integration and synthesis of knowledge from previous nursing and general education courses to explore societal and political components that affect delivery of health care. *Three lecture hours per week.* PREREQUISITES: NURS 3117, 3118, 3119, 3127, 3129, 3217, 3219, 3227, 3229. For RN students: NURS 3250.

**4127. Community Health Nursing. (3).** (4020). Overview of community based health care delivery system at local, state, and national levels. Focuses on theories and principles of nursing care of communities and aggregates in public health and home health care settings. Expands nursing role to coordinator of care. *Three lecture hours per week.* PREREQUISITES: NURS 3117, 3118, 3119, 3127, 3129, 3217, 3219, 3227, 3229. COREQUISITE: \*NURS 4129.

**4129. Community Health Nursing Practicum. (3).** (4020). Use of nursing and public health theories and principles to provide nursing care to families and communities. *Nine laboratory hours per week.* PREREQUISITES: NURS 3117, 3118, 3119, 3127, 3129, 3217, 3219, 3227, 3229. COREQUISITE: \*NURS 4127. (S/U).

**4227. Nursing Leadership and Management. (3).** (4100). Theories of leadership, management, and change basic to functioning within economic, social and political realities of health care settings/systems. ## ACADEMIC PROGRAMS

Department	Major	Concentration Within Major	Degree Offered
*	Individual Studies	**	Bachelor of Liberal Studies (B.L.S.) Bachelor of Professional Studies (B.P.S.)
	Legal Assistant		Certificate

\* The college is not composed of departments. Its programs are interdisciplinary and may make use of all departments in the university.

\*\* The student and an advisory committee design contract degrees. Group guidelines are available for the following concentrations: African-American Studies, Women's Studies, Alcohol and Drug Abuse Services, Human Services, Health Care Fields, Services for the Aging, Orthotics/Prosthetics and Related Fields, Commercial Aviation, Printing Management, Biomedical Illustration, Aviation Administration, Fire Administration/Fire Prevention Technology, Paralegal Services, Organizational Leadership.

## PURPOSE

University College serves special academic needs of adult and other nontraditional students at The University of Memphis. It does this by offering students a wide variety of individualized degree opportunities, by its administration of interdisciplinary degree programs, and by its oversight of tele-instruction. For faculty across the university, the University College provides the structure to explore and develop interdisciplinary ventures that may later be subsumed into other degree-granting units, in addition to encouraging the development of interdisciplinary courses and promoting the uses of such alternative instructional methods as team teaching and directed study. Finally, University College seeks to create and maintain a spirit of academic community through careful and concerned advising and interaction outside the classroom among students, faculty, staff, and community professionals. With broad responsibility for nontraditional, interdisciplinary and credit continuing education, University College is The University of Memphis's college of lifelong learning.

## ORGANIZATION OF THE COLLEGE

The University College offers interdisciplinary courses and interdisciplinary and individualized degree opportunities. In addition, it administers units that enhance higher education access for adults and provide them with support services.

The college is administered by a dean, the dean's staff, and the University College Faculty Council, which is made up of faculty from the other degree granting colleges.

**BACCALAUREATE PROGRAMS:** Through Baccalaureate Programs, students are offered the opportunity to work on the development and completion of individualized and interdisciplinary programs leading to the Bachelor of Liberal

Studies or the Bachelor of Professional Studies degree. Such programs range from Biomedical Illustration to Services for the Aging and from Commercial Aviation to Medieval Tradition in the Culture of the American South. In some areas group contract guidelines exist to assist students in the development of their programs.

**INTERDISCIPLINARY MINORS:** Students majoring in any department in the university may enhance their academic program through an interdisciplinary minor. Minors in African-American Studies, Judaic Studies, Religion in Society, and Women's Studies are offered.

**BORNBLUM JUDAIC STUDIES:** Bornblum Judaic Studies presents the rich intellectual and cultural traditions of the Jewish people within the context of world cultures. An individualized major and a minor in Judaic Studies are available.

**PARALEGAL STUDIES:** In addition to the Bachelor of Professional Studies in Paralegal Studies, the two-year Legal Assistant Certificate is offered to individuals pursuing career opportunities in a law office, government agency, or other organization.

## ADMISSION

Students are admitted to The University of Memphis through the Office of Admissions and Records. Application forms may be obtained from that office and also from Extended Programs centers. After admission to the university, if students choose to pursue an interdisciplinary or individualized B.L.S. or B.P.S. degree, they must submit a separate application for admission to University College.

Inquiries from persons considering a degree through University College are welcome; persons who believe that their interests will be best served by a baccalaureate program emphasizing personally designed education through contract degrees should attend an inquiry session. Information about dates and times for these sessions, which are held several times a month, may be obtained by calling the

University College office. In addition to the University College application, two letters of recommendation and a non-refundable \$15.00 screening fee must be submitted. Applications are reviewed by University College staff and, if appropriate, by selected faculty. After acceptance, students are advised in the development of their programs and instructed in a final special project by a faculty chairperson or a contract/advising committee chaired by a faculty member. A non-refundable \$25.00 contract/advising fee must be paid when students are accepted.

Students may apply more than the ordinary limit of transfer credit for extension, correspondence or armed services courses, provided the courses are an integral part of the coordinated study.

## BACCALAUREATE PROGRAMS

### The Contract Degree

Students enrolling in the University College pursue either of two degrees: the Bachelor of Liberal Studies (B.L.S.) or the Bachelor of Professional Studies (B.P.S.). Both of these degrees must be awarded for programs that are systematic, interdisciplinary, and individualized. Students and advisors will use learning contracts to design individual studies.

All contracts will be reviewed and approved by the administration of the University College, but individual contracts will be designed by a Contract/Advising Committee whose responsibility is to assist the student in the development and execution of a degree program that serves the student's needs and meets the academic requirements of the University College and of The University of Memphis. The chairperson and one other committee member must be regular or adjunct members of The University of Memphis Faculty. A third committee member is optional; this person may be a faculty member, an appropriate student, or an off-campus resource person. The committee may

direct the student in the preparation of a portfolio to obtain credit for knowledge gained through experience or nontraditional instruction; see *Expenses and Aid* for a description of credit evaluation fees. The Baccalaureate Contract will include work in these major areas: General Education, Coordinated Study, Thematic Studies, Special Project, and Electives.

## General Education

The general education program is that part of the undergraduate curriculum that promotes a common background for all baccalaureate candidates. The purpose of the general education program is threefold: to help students develop the skills necessary for completing a college career and assuming an active role in contemporary society, to give students an awareness of the diversity of human endeavors in intellectual, creative, social, and technological spheres, and to help students develop analytical and critical faculties that can be applied across the issues confronting them in the modern world. Above all, the general education program should make available to the student the tools and awareness necessary for active, lifelong learning and for active, literate participation in society.

## Thematic Studies

Thematic Studies cross departmental and disciplinary lines to examine a theme, problem, issue, or epoch from several points of view. As upper-division courses, they are designed to provide ways for undergraduates to integrate the full scope of their studies more effectively than they are able to do within the traditional departmental structure. Thematic Studies do, however, require the special knowledge and expertise learned from and fostered by the traditional disciplines. All students will complete a minimum of six semester hours of thematic studies courses.

## Coordinated Study

The Individualized Study component of the program includes a Coordinated Study Program of at least 30 upper-division hours in at least two academic disciplines followed by the Special Project described below. Credit may be earned through courses offered by departments in the other degree-granting colleges, credit by examination, credit for experiential learning, transfer credit, internships or apprenticeships, independent studies, and additional Thematic Studies courses. Students may apply more than the ordinary limit of transfer credit for extension, correspondence, or armed services courses, provided the courses are an integral part of the Coordinated Study. For a University College student, the Coordinated Study Program corresponds to a departmental major. Students must earn a C or above in each graded course. All Coordinated Study programs must include a minimum of nine

graded upper division hours taken at The University of Memphis. These hours must be earned in courses from two or more departments. A maximum of 33 hours for portfolio-based credit for experiential learning may be applied toward a degree.

## The Special Project

The Special Project will be designed as a synthesizing activity, interdisciplinary in nature, by which the student demonstrates in a sustained manner comprehension and command of the complex skills and understanding encompassed by the Coordinated Study program. A faculty advisor/chairperson supervises the student's work on the project. The Special Project carries 9 semester hours credit. Students must earn at least a grade of C on their Special Projects. Projects must also receive administrative approval before students are certified for graduation.

## Electives

Students are not required to take electives. They may include courses in any subject area as electives in their degree program.

## Computer Literacy

This requirement can be satisfied by taking one of the following courses or course combinations or another course of study approved by the dean: COMP 1200; ISDS 2750; ACCT 2410; ART 3225; ART 4222; JOUR 2121; JOUR 3900; ICL 3600; CIVL 2107 and CIVL 3101; ELEC 1206 and ELEC 1207; MECH 1307 and MECH 3341; TECH 1010 or 1210 and 3233, NURS 3003.

## Evaluation

The following methods are used to evaluate a student's performance: the traditional grading systems, Satisfactory/Unsatisfactory and Credit/No Credit options supplemented by written narrative evaluations, credit or placement by examination, Advanced Placement examinations for degree credit where these are available, and credit for validated learning from experience or non-traditional instruction. Of the 132 semester hours required for graduation, at least 33 of the last 66 hours must be earned through instruction from The University of Memphis.

### AFRICAN-AMERICAN STUDIES

African-American Studies re-examines history, society and the arts from a different perspective, giving recognition to the achievements of African-Americans and directing scholarship toward the totality of the African-American experience. In addition, it offers all students an intellectual framework for discerning and dealing with racism; informs and awakens all students to the cultural heritage of African-Americans to promote improved self-understanding regardless of race; and provides African-American students with positive models of leadership, personal development and social commitment.

#### Advising Clusters

As a service to students interested in African-American Studies, the following groups of courses have been identified for students who wish to select a cohesive group of electives to support major programs of study or other academic goals.

Though these are not formal programs of study, students are advised to complete at least three courses in any single group in order to experience depth of knowledge and understanding in a given area.

**Race Relations and Interracial Communication:** This group of courses has been identified as supportive of the programs of those students who may wish to teach in the schools; work as counselors, therapists or social workers; participate in community and/or social service agencies; undertake business ventures in minority areas or with minority clients; or prepare for careers as attorneys.

COMM 3361	African-American Rhetoric
COMM 4373	Interracial Communication
SOCI 3401	Social Inequality
SOCI 3420	Sociology of the South
SOCI 3422	Racial and Ethnic Minorities: A Socio-Historical Approach
SOCI 4420	Racial Inequality

**Backgrounds and Historical Development:** Students completing this group may wish to pursue anthropological and/or historical study; examine relationships between art forms and cultural development; understand their own history in relation to African cultures; gain backgrounds to the humanistic study of economic development, or pursue careers in such areas as international studies.

ANTH 3242	Peoples of Africa
ANTH 3342	Archaeology of Africa
HIST 4881	Black American History
SOCI 4460	Black and White Women in the South

**Cultural Forms and Expressions:** This group of courses is designed for students interested in literary, art and/or musical history; those interested in

becoming writers, artists, or musicians; and students of cultural history.

ANTH 3342	Archaeology of Africa
COMM 3361	African American Rhetoric
ENGL 4371	African American Literature
MJHL 4801	American Folk and Popular Music

**Social and Political Problems:** This group of courses is designed for students of modern American history; those wishing to study and/or address contemporary social and political problems; those planning administrative, legal, or political careers; and those working with minorities and majority/minority issues.

HIST 4881	Black American History
POLS 4212	Constitutional Law: Civil Liberties
SOCI 3401	Social Inequality
SOCI 4420	Racial Inequality
SOCI 4460	Black and White Women of the South

### Women's Studies

Women's Studies at The University of Memphis is an interdisciplinary academic field encompassing women's history, work, literature, roles, and status in diverse classes, cultures, and societies. Focusing on the study of gender across the curriculum, Women's Studies reexamines and provides a critical context for the basic assumptions and theories on which traditional academic disciplines rest.

### Bachelor of Professional Studies

#### Alcohol and Drug Abuse Services

Students in Alcohol and Drug Abuse Services will develop contracts in either Social and Public Services or Administrative Services. All will take a core of courses in alcohol and drug abuse, social, and administrative services, and will complete their contracts by taking courses relevant to their concentrations. All students must have on-the-job experience, evaluated through internships or portfolio assessment, or both.

#### Aviation Administration

Students in Aviation Administration study in one of these three areas: General Administration and Management, Computer Systems, or Electronic Systems. In addition, thirty-four semester hours of academic credit are available for completion of three categories of FAA journeyman level instruction: Airport Traffic Control Tower, Air Route Control Center, and Flight Service Station. Credit by individual course is granted for Airways Facilities Journeyman and for instruction in all four categories beyond the journeyman level.

#### Biomedical Illustration

Students in Biomedical Illustration will take a common core of courses in art, photography, chemistry, and the life sciences. In addition to courses in biomedical illustration and biomedical photography, students will take appropriate courses in cinema, video, computer applications, and graphics. Students in Biomedical Illustration will complete internships in at least one setting in the Memphis area.

## Commercial Aviation

Students in Commercial Aviation will study General Administration or Training Management, or develop contracts in areas of interest such as aviation and climatology and technological or computer systems. A student must hold private pilot license or other FFA ratings to be considered for admission. Academic credit is awarded for FAA ratings for Commercial Pilot, Instrument Rating, Multi-Engine Rating, and other ratings. Students are required to earn a minimum number of FAA ratings.

## Fire Administration and Fire Prevention Technology

University College is the regional center for the Open Learning Fire Service Program (OLFSP), serving fire service personnel in Alabama, Arkansas, Kentucky, Louisiana, Mississippi, South Carolina, and Tennessee. OLFSP is a degree completion program, offering upper division courses in Fire Administration and Fire Prevention Technology. These courses are designed for independent study. Freshman and sophomore courses, electives, and other courses related to the fire service are taken at a college near the student's residence.

### CORE COURSES

POLS 3613	Advanced Fire Administration
TECH 3940	Analytic Approaches to Public Fire Protection [C]
POLS 3612	Fire Prevention Organization and Management
TECH 3944	Fire Protection Structure and Systems Design
POLS 3615	The Community and the Fire Threat
POLS 3614	Political and Legal Foundations of Fire Protection

POLS 3611	Disaster and Fire Defense Planning
TECH 3947	Applications of Fire Research

### FIRE PREVENTION TECHNOLOGY CONCENTRATION

TECH 3942	Fire Related Human Factors
TECH 3945	Incendinary Fire Analysis and Investigation
TECH 3946	Fire Dynamics

## Health Care Administration

Students following guidelines for Health Care Administration will be experienced health care professionals who have completed non-baccalaureate programs in health care specialties such as medical laboratory technology, respiratory therapy, radiological technology, and nursing, and who want to become administrators in health care settings. They will build upon their training and experience by taking courses in such areas as business practice, administration, interpersonal skills, policy, risk management, social context of health care, and financial management. Transfer credits for their health care specialty will be considered a part of their Coordinated Study.

## Human Services

Students in Human Services are expected to develop a philosophical orientation to the human condition; to en-

large their understanding of social structures, values and norms; to study human growth and development; and to become informed about social change and social and bureaucratic organization. Students in Human Services will take courses from such departments as Counseling and Personnel Services, Sociology and Social Work, Psychology, Management, and Special Education.

## Organizational Leadership

Organizational Leadership is designed to (1) promote understanding of the nature of bureaucratic organizations and the fundamentals of administrative leadership; (2) allow students to reflect upon national and international organizational contexts and upon significant social and cultural issues raised in those contexts; and (3) promote skills in formal and interpersonal communication, including sensitivity to personal issues having an impact upon the quality of accomplishment in the work place. *In addition to meeting all entrance requirements for The University of Memphis, applicants must provide documentation of a minimum of five years of organizational leadership experience and present a transcript showing at least 45 semester hours of earned academic credit or an earned associate's degree.*

## Orthotics/Prosthetics and Related Fields

This degree is offered in cooperation with Shelby State Community College. Entering students normally will have completed an Associate of Applied Science Degree in Orthotics and/or Prosthetics before being admitted to this baccalaureate program. Once in it, however, students will develop contracts in one of these areas: Patient Rehabilitation, Business Management, or Engineering Technology.

## Printing Management

This program is designed for printers who wish to become more effective managers and supervisors, to enable them to interact at a professional level with others who have received systematic managerial and supervisory training. They may wish to manage their own businesses, become managers in printing firms, or serve as in-plant printing managers for corporations, organizations, or institutions.

## Services for the Aging

Students in Services for the Aging will take a core of courses in gerontology, adult development, and social policy for the aging. In addition, they will enroll in courses appropriate for those seeking employment as counselors, managers, teachers, activity directors, family life workers, personnel supervisors, and the like.

## Women's Studies

Focusing on the study of gender across the curriculum, Women's Studies reexamines and provides a critical context for various professional fields. (See

"Women's Studies" under "Bachelor of Liberal Studies.")

## PARALEGAL STUDIES

Paralegal Studies courses are designed for students seeking professional knowledge and skills necessary to perform substantive legal work under the direction and supervision of an attorney. Only licensed attorneys are permitted to practice law; however, qualified paralegals and legal assistants working under attorney supervision can contribute significantly to efficient delivery of legal services in an expanding variety of private law office, corporate, and government agency settings.

Paralegal Studies offers the B.P.S. in Paralegal Services and an academic certificate option. The paralegal professional core courses emphasize (1) theoretical and practical applications of legal and ethical principles; (2) collection, organization, and critical analysis of legal materials; (3) effective communications and computer skills; (4) initiative, flexibility, and cooperation in the workplace; and (5) preparation to meet the challenges of a still-evolving profession while avoiding the unauthorized practice of law by lay persons. *Paralegal Studies is not designed as a pre-law program. Before taking paralegal courses, students should confer with the Paralegal Studies director to clarify their academic goals and select the appropriate course of study.*

## Paralegal Services Advising Guidelines

Students selecting the B.P.S. in Paralegal Services complete all University College degree and graduation requirements including the Coordinated Study degree component according to the following guidelines (66 hours):

#### R950 EXPERIENTIAL LEARNING (UNIV)

A portfolio describing and documenting knowledge gained through experience or non-traditional instruction may be prepared by a University College student for assessment by a faculty member. (See *Expenses and Aid and Academic Regulations* sections for more details.) That faculty assessor recommends the descriptive title, level, and amount of credit to be assigned by the dean of University College.

**1900-1999. Introductory Level Experiential Learning In** (descriptive title).

**2900-2999. Intermediate Level Experiential Learning In** (descriptive title).

**3900-3999. Advanced Level Experiential Learning In** (descriptive title).

## Independent Departments and Programs

Independent departments and programs are those that are not affiliated with a particular college in the university. The independent departments or programs included here are University Honors Program, Audiology and Speech Pathology, Interdisciplinary Studies, The University of Memphis Libraries, the Orientation Program, and Remedial and Developmental Studies.

### UNIVERSITY HONORS PROGRAM

PHYLLIS G. BETTS, *Director*  
Room 115, Old Brister Library

The Honors Program provides exceptional educational opportunities for highly motivated and able students, including special curricular options and the opportunity to earn Honors distinction; an extensive co-curricular program emphasizing out-of-classroom experiences such as field trips, cultural events, or discussions with visiting scholars; and a social environment in which to meet other Honors students. The Honors Program also works individually with students planning for study abroad and other student exchange experiences, in pursuing career oriented or community service oriented internships, and in preparing applications for scholarships and career and graduate study opportunities. The Honors Program works closely with the Undergraduate Research Scholar Program, enabling students to develop research proposals with faculty mentors. Successful proposals and projects provide students invaluable hands-on experience with research in their academic field, including the possibility of presenting a paper based on the project at the National Conference on Undergraduate Research, held each year on a different university campus.

Students may earn Honors distinction by meeting requirements for the Honors Certificate, based on completion of 12 hours of Honors course work, plus the *Honors Forum*, usually earned in the freshman and sophomore years; and/or fulfilling requirements for one of several Honors options offered in conjunction with the student's major or Interdisciplinary Liberal Arts Honors program, which is open to students in most majors. Appropriate Honors distinction is indicated on the student's transcript and is recognized at graduation.

See *Curriculum and Requirements* below for detailed descriptions of these program options.

The University Honors Program is governed by the Honors Council, a committee composed of the Director of the Honors Program, the Assistant Director of the Honors Program, six faculty members chosen by the Academic Senate, and two honors students elected by the Honors Student Association. The program is housed in Old Brister Library, Room 115, where the office of the director is located. A seminar-conference room and an honors lounge, both open to all students who are active in the Honors Program, are also located there.

### Admission and Program Standards

Incoming freshmen who score at least 27 on the ACT, or its equivalent on other tests, are invited to participate. Transfer students or students previously enrolled at The University of Memphis are eligible for the program if they have an overall quality point average of 3.00 for freshmen and sophomores and 3.25 for upper-division students. Those who do not qualify in one of these ways will be considered for provisional acceptance upon direct application or receipt by the director of a recommendation from high school or college faculty. Students whose overall quality point average is below the requirement, but who would qualify based on quality point performance from the most recently completed full-time semester are especially encouraged to apply for provisional admittance.

During the freshman and sophomore years the honors participant must maintain an overall quality point average of at least 3.0 to remain in good standing in the program; the minimum quality point average for continuing at the junior and senior levels is 3.25. There is provision for a one-semester probationary period before a participant is discontinued. Provisionally admitted students must maintain the 3.00 or 3.25 in each semester of Honors enrollment as long as their overall quality point average continues to be below the requirement for regular admittance to the program. A minimum grade of B is required in each honors course for it to count toward fulfilling the honors course requirement, but regular credit for the course will be earned if the grade is lower than a B.

### Curriculum and Requirements

The Honors curriculum includes Honors sections of general education courses and other courses that fulfill special BA/BS requirements (for students pursuing the Bachelor of Arts or Bachelor of Science degrees). Honors programs offered by some major departments also offer special Honors sections of courses required for the major. Honors sections have the advantage of small class size, specially selected faculty, teaching that emphasizes student participation, and assignments that encourage students to think independently. Students should consult the *Schedule of Classes* each semester for the roster of UNHP courses and departmental Honors sections and for the University Honors Program discussion in the descriptive section of the schedule, which follows the alphabetical listing of courses by department. Complete information, including course descriptions, is available directly from the Honors office.

In addition to Honors sections of regularly offered courses, the Honors Program also offers courses designed specifically for Honors students. Courses carrying the UNHP prefix are designed for students pursuing the Interdisciplinary Liberal Arts Honors curriculum or the Honors Certificate. Department and college Honors programs may also design special Honors courses; these courses usually are offered to majors only, but in some cases are open to other Honors students as well.

Students also may earn Honors credit through participation in co-curricular programs; by designing their own special projects based on independent study, field work, or an internship experience (see UNHP 2900 and 4900 course descriptions); or by contracting for special projects within the context of a regularly scheduled course not officially offered as an Honors course. Within limits defined below, credit earned in these ways counts toward the Honors Certificate and may count toward other Honors options. Detailed information about earning Honors credit through these approaches is available in the Honors office.

**THE HONORS CERTIFICATE:** The Honors Certificate typically is based on credit for Honors sections of general education courses, but some credit toward the certi-

cate may be earned in other ways. Requirements include the completion of 12 hours of Honors course work and the *Honors Forum*. (See UNHP 1100 for course description of *Honors Forum*.) Students are encouraged to pursue the Certificate during the freshman and sophomore years, but requirements may be completed at any point in the student's career. Students must have a 3.25 cumulative quality point average and a 3.25 average for Honors hours upon fulfillment of requirements to qualify for the certificate. "C" grades do not earn Honors credit, nor do they count toward the Honors Certificate.

The following stipulations apply to the Honors Certificate:

1. Students may earn Honors credit for courses that count toward their majors, but unless these courses also earn general education or BA/BS credit, no more than three hours credit toward the certificate will be awarded for Honors work within the major.
2. No more than three hours credit may be earned on a contract basis.
3. No more than three hours credit may be earned through UNHP 2900 or UNHP 4900.

## DEPARTMENT AND COLLEGE HONORS PROGRAMS: Some academic

departments offer honors programs based on work in the major. Departments in the College of Business offer a college-wide program for students pursuing the Bachelor of Business Administration, and the College of Education offers students the opportunity to earn Honors distinction through special projects and independent study. Generally speaking, students must have a 3.25 cumulative quality point average to pursue and receive department or college Honors. Consult the specific department or college listing in this catalog for detailed requirements, or contact the Honors Program office for a listing of departments offering Honors work in the major.

The Interdisciplinary Liberal Arts Honors Program, which features interdisciplinary work outside the major department, also includes work within the major as a special emphasis for completion of program requirements.

**THE INTERDISCIPLINARY LIBERAL ARTS HONORS PROGRAM:** Open to students in most majors (including students also pursuing department or college Honors), the Interdisciplinary Liberal Arts Honors Program enriches the liberal education component of the Bachelor's degree. Since Honors students have a special potential to contribute to the discussion of public issues, regardless of their major, Liberal Arts Honors places strong emphasis on preparing students for citizenship and engagement in public discourse. This theme is the organizing principle for Interdisciplinary Liberal Arts Honors. An additional emphasis within the major, including participation in an individually designed Honors project and writing an Honors thesis, complements the interdisciplinary theme.

Students may pursue and earn Liberal Arts Honors if they have a 3.25 cumulative quality point average. It is not necessary to have earned the Honors Certificate to pur-

sue Liberal Arts Honors. This program requires 18 hours of course work, some of which may count toward Bachelor of Arts, Bachelor of Science, or general education requirements; some of which may count toward major requirements; and some of which will be part of the student's elective hours. Applicability of UNHP courses designed for Interdisciplinary Liberal Arts to general education and to B.A. and B.S. requirements is periodically evaluated. Information on current applicability for specific courses is available through the Honors Office. The distribution of course requirements is described below.

1. UNHP 3000: *Human Communities* (3 hours)
2. Interdisciplinary Seminars (9 hours)  
Three additional three-credit-hour interdisciplinary seminars, at least one from each of three different categories. Categories are based on the shell course concept. Shell courses specify goals and identify common concepts for the course, but specific topics vary from semester to semester.  
a. UNHP 4101-4199: *Contemporary Issues*  
b. UNHP 4201-4299: *Cross-Cultural Perspectives*  
c. UNHP 4301-4399: *Science and Technology*  
d. UNHP 4401-4499: *Interdisciplinary Special Topics*
3. Honors Experience in Major (3 hours)  
A specially designed Honors experience in the context of the major. May include special methodological experiences, internships, tutorials and readings, creative projects, applied projects such as evaluation research or investigative case studies, or enrollment in selected graduate courses. These courses typically will be offered with a departmental prefix and number, but UNHP 4900: *Advanced Honors Projects*, may be used in the absence of an appropriate departmental listing.
4. UNHP 4999: *Honors Thesis* (3 hours)  
In conjunction with a faculty member and the student's major department. Guidelines for students and faculty are available from the Honors Program Office. The Honors Program also conducts workshops for students undertaking the thesis. Students will register for the thesis in UNHP 4999 or the appropriate departmental course.

## Course Descriptions

Descriptions of the college and departmental programs are found with the appropriate major and degree descriptions.

### V960 UNIVERSITY HONORS PROGRAM (UNHP)

**1100. The Honors Forum.** (1). Features series of weekly presentations by faculty, community leaders, and guest performers. Designed to expose students to wide range of scholarly, cultural, and political issues and pursuits that are part of university life. Required for the Honors Certificate. ## ORIENTATION PROGRAM

SUSAN M. SIMONS, *Director*  
Room 210, Engineering Technology Building

### V905 ORIENTATION PROGRAM (ACAD)

The Orientation Program offers a 3-hour credit course for entering freshmen only. The course has been specially designed to assist freshmen in making the transition to higher education by introducing them to the expectations and opportunities provided by the university.

**1100. Introduction to the University. (3).** History, philosophy, and principles of higher education, with emphasis on The University of Memphis. Special attention to developing student skills necessary to meet the intellectual expectations of the university. **OPEN TO FRESHMEN ONLY.**

## REMEDIAL AND DEVELOPMENTAL STUDIES

REBECCA S. ARGALL, *Interim Director*  
Room 171, Administration Building

The Remedial and Developmental Studies Program at The University of Memphis permits students to enroll in special remedial/developmental level courses to achieve the academic competencies necessary for success in college level courses. Major components of the program include testing and placement in appropriate level courses, personalized classroom instruction, tutoring, and counseling assistance.

## ADMISSION TO THE PROGRAM (PLACEMENT)

Students admitted to The University of Memphis as beginning freshmen may be required to take various placement tests to determine if they have the appropriate academic skills to successfully complete college level courses. Depending on the results of these tests, students may be required to take one or more Remedial/Developmental Studies courses. The following regulations regarding placement tests and course enrollment will apply:

First-time Freshmen admitted with an ACT composite score less than 19 (SAT total score less than 720), an ACT mathematics subscore less than 19 (SAT quantitative score less than 390), an ACT English subscore less than 19 (SAT verbal score less than 360), or no ACT (SAT)

score, are required to take appropriate components of the AAPP course placement test as a condition of enrollment, and enroll in the courses indicated by the test results.\*

\*NOTE: An advisor in the Academic Counseling Unit or the Developmental Studies Office should be consulted regarding the test scores and placement.

Students placing in the R&DS courses must enroll in and begin each subject area sequence at the level indicated by the test results, complete that particular sequence, and take the subject-area exit test before enrolling in the subsequent Level I (college level) course.

Enrollment in any Remedial/Developmental Studies (R&DS prefix) course is restricted to students who have taken the appropriate AAPP test. Self-placement without testing is not permitted.

## RETESTING

The placement test may not be repeated until at least 90 days have lapsed since the first testing.

Approval for retesting will be made only in extenuating circumstances and at the discretion of the Developmental Studies Program Director.

## CREDIT

Each Remedial/Developmental Studies course carries 3 semester hours of non-degree level credit. The credit may not be included in determining the number of degree credit hours earned or toward meeting any degree credit requirement.

## ENROLLMENT RESTRICTIONS

As a result of the placement test, students may be placed in all remedial level courses, a combination of remedial and developmental courses, all developmental courses, or a combination of developmental and college level courses. Only students who have been assessed as needing remedial/developmental level courses will be permitted to enroll in those courses. Self-placement without testing is not permitted. The maximum class load allowed is 15 semester hours.

## FEES

Enrollment in Remedial/Developmental Studies courses will not affect student financial aid, scholarship or housing regulations. Fees are the same as those for college level courses.

## COUNSELING AND TUTORING

All Developmental Studies students will be advised in the Academic Counseling Unit, Room 107, Scates Hall. Participation in tutoring and counseling sessions will be required.

## COURSE GRADES AND CLASS ATTENDANCE

A minimum grade of C is required for successful completion of any Remedial/Developmental Studies course. Failure to take the AAPP post-test in R&DS 0810, 0821, or 0840 will result in a final course

grade of F. Grades will be given in all courses, and these grades will become a part of the student's official transcript. The grading scale is A, B, C, F. No D grades may be earned. No audit students will be permitted. Regular class attendance is mandatory and will be used in determining semester grades.

## ADD/DROP AND WITHDRAWAL

All students in Remedial/Developmental Studies courses wishing to add/drop a course or withdraw from the university must make an application to the Program Director within the normal university deadlines as stated in the "Semester Calendar." Approval for course add/drops or withdrawals will be made at the discretion of the Developmental Studies Program Director.

## Course Descriptions

### V986 REMEDIAL AND DEVELOPMENTAL STUDIES (R&DS)

**0710. Basic Composition.** (3). (ASDS). Brief reading and writing assignments; emphasis on basic

competencies in spelling, punctuation, grammar, and stating and developing a thesis. **PREREQUISITE:** Placement by AAPP writing sample. *Three lecture hours per week. Credit earned will not apply toward degree credit.*

**0720. Basic Mathematics.** (3). (ASDS). Numbers and number operations, ratio and proportion, percent, statistics, measurement, geometry, variables and equations. Preparation for R&DS 0820. *Three lecture hours per week. Credit earned will not apply toward degree credit.*

**0740. Basic Reading Skills.** (3). (ASDS). Essential reading skills needed as foundation for critical reading skills; emphasizes word attack skills, general vocabulary development, comprehension, and increased reading rate. *Three lecture hours per week. Credit earned will not apply toward degree credit.*

**0810. Developmental Composition.** (3). (ENGL 1100, ASDS 0810). Expository writing; emphasis on focus, development, and revision of short essays; review of problem areas of grammar, sentence style, punctuation, and use of sources. For those who need instruction in composition at developmental level. **PREREQUISITE:** Placement by writing sample or successful completion of R&DS 0710 with a grade of C or better. *Three lecture hours per week. Credit earned will not apply toward degree credit.*

**0820. Developmental Algebra I.** (3). (MATH 1000, ASDS 0820). Real numbers, variables, solving equations, polynomials, factoring, algebraic fractions, linear equations, systems of linear equations, inequalities,

radicals, quadratic equations. Preparation for R&DS 0821; intended for those who have not had algebra or who do not have a working knowledge of first year algebra course. *Three lecture hours per week. Credit earned will not apply toward degree credit.*

**0821. Developmental Algebra II.** (3). (MATH 1100, ASDS 0821). First degree equations, linear equations in two variables, polynomials, rational expressions, exponents and radicals, conic sections, systems of equations, inequalities, logarithms, sequences and series. Intended for those who have completed R&DS 0820 or who have working knowledge limited to first year course in high school algebra. *Three lecture hours per week. Credit earned will not apply toward degree credit.*

**0830. Developmental Study Skills.** (3). (ASDS). Necessary reasoning and study skills for college level work; emphasizes critical thinking skills and efficient study techniques. *Three lecture hours per week. Credit earned will not apply toward degree credit.*

**0840. Developmental Reading Skills.** (3). (ELED 1201, CIED 1201, ASDS 0840). Critical reading skills prerequisite for comprehension of college texts; emphasizes increased development of general vocabulary as well as technical and specialized vocabularies. Comprehension with special attention directed toward critical reading skills and improvement of reading flexibility and reading rate. *Three lecture hours per week. Credit earned will not apply toward degree credit.*

## INSTRUCTIONS FOR COMPLETING THE APPLICATION AND PROCEDURES FOR UNDERGRADUATE ADMISSION

### ALL APPLICANTS

This application form should be completed carefully by all applicants (except International Applicants who must use a different application) seeking admission to any undergraduate program. Applications for admission to the degree-seeking level must be submitted prior to August 1 for fall admission; December 1 for spring admission; or May 1 for summer admission. Consideration of applications received after these deadlines will be in the non-degree or audit-only level explained below.

A five dollar (\$5.00) non-refundable application fee is required for all applicants who have not previously applied to the University. Checks or Money Orders should be made payable to The University of Memphis. For detailed information regarding admission policies and requirements, refer to the appropriate pages of the current The University of Memphis *Bulletin*. Applications should be returned to this address:

**Admissions Office  
The University of Memphis  
Memphis, Tennessee 38152**

Transcripts, test scores and other academic credentials must be requested by the applicant from the issuing school, college, and/or agency and forwarded directly to the Admissions Office. Copies of such credentials accepted from the applicant will be considered **unofficial**.

### CLASSIFICATIONS

Admission requirements are printed in the current issue of the Undergraduate Catalog:

#### DEGREE-SEEKING APPLICANTS

Designed for those persons who wish to earn an Undergraduate Degree from The University of Memphis.

**Freshman (no previous college).** Request a copy of your high school record. If your high school graduation is through the General Educational Development (GED) program, have these scores forwarded to the office. You must submit scores earned on the ACT or SAT examination for consideration. If you have not been in school within the last six (6) months, you may request information on an entrance examination administered by the University.

**Transfer.** Request an official copy of your academic record from **each** college or university in which you have enrolled. Concealment of previous college attendance may be cause for rejection or cancellation of admission.

#### NON-DEGREE APPLICANTS

Designed for those persons who wish to take only a limited number of undergraduate courses and who are not presently seeking a degree at the University.

**With No Previous College.** Evidence of high school graduation from an approved high school is required for applicants not yet 18 years of age.

**With Previous College.** Request a statement of academic standing from the Registrar at the last college or university attended.

**With College Degree.** Request a statement indicating the degree earned and date awarded from the Registrar at that college or university.

#### AUDIT-ONLY APPLICANTS

Designed for those persons who do not wish to earn credit for course work. Permission to audit courses must be obtained from the appropriate department chairman prior to submitting the application.

#### INTERNATIONAL STUDENTS

The University is authorized under Federal law to enroll non-immigrant, alien students on "F-1" student visas. The established deadlines for applying are: May 1 for fall admission; September 15 for spring admission; or February 1 for summer admission. For additional information, and to obtain an International Application, contact the International Student Office. International applicants should **not** use this application.

**THE ADMISSIONS OFFICE** is located in the west wing of the 2nd floor of the Administration Building. Office hours are 8:00 A.M. - 7:00 P.M. Monday through Thursday and until 4:30 PM Friday. The telephone number for general admissions information is (901) 678-2101. Monday through Thursday after 7:00 PM and on Saturday mornings, the telephone number is (901) 678-2398.

# GUIDELINES FOR THE CLASSIFICATION OF STUDENTS FOR FEE PAYING PURPOSES

PARAGRAPH 1. INTENT. It is the intent that the public institutions of higher education in the State of Tennessee shall apply uniform rules, as described in these regulations and not otherwise, in determining whether students shall be classified "in-state" or "out-of-state" for fees and tuition purposes and for admission purposes.

PARAGRAPH 2. DEFINITIONS. Wherever used in these regulations:

- (1) "Public higher educational institution" shall mean a university or community college supported by appropriations made by the Legislature of this State.
- (2) "Residence" shall mean continuous physical presence and maintenance of a dwelling place within this State, provided that absence from the State for short periods of time shall not affect the establishment of a residence.
- (3) "Domicile" shall mean a person's true, fixed, and permanent home and place of habitation; it is the place where he or she intends to remain, and to which he or she expects to return when he or she leaves without intending to establish a new domicile elsewhere.
- (4) "Emancipated person" shall mean a person who has attained the age of eighteen years, and whose parents have entirely surrendered the right to the care, custody, and earnings of such person and who no longer are under any legal obligation to support or maintain such deemed "emancipated person".
- (5) "Parent" shall mean a person's father or mother. If there is a non-parental guardian or legal custodian of an unemancipated person, then "parent" shall mean such guardian or legal custodian; provided, that there are not circumstances indicating that such guardianship or custodianship was created primarily for the purpose of conferring the status of an in-state student on such unemancipated person.
- (6) "Continuous enrollment" shall mean enrollment at a public higher educational institution or institution of this State as a full-time student, as such term is defined by the governing body of said public higher educational institution or institutions, for a normal academic year or years or the appropriate portion or portions thereof since the beginning of the period for which continuous enrollment is claimed. Such person need not enroll in summer sessions or other such inter-sessions beyond the normal academic year in order that his or her enrollment be deemed "continuous". Enrollment shall be deemed continuous notwithstanding lapses in enrollment occasioned solely by the scheduling of the commencement and/or termination of the academic years, or appropriate portion thereof, of the public higher educational institutions in which such person enrolls.

## PARAGRAPH 3. RULES FOR DETERMINATION OF STATUS

- (1) Every person having his or her domicile in this State shall be classified "in-state" for fee and tuition purposes and for admission purposes.
- (2) Every person not having his or her domicile in this State shall be classified "out-of-state" for said purposes.
- (3) The domicile of an unemancipated person is that of his or her parent.
- (4) The domicile of a married person shall be determined independent of the domicile of the spouse.

## PARAGRAPH 4. OUT-OF-STATE STUDENTS WHO ARE NOT REQUIRED TO PAY OUT-OF-STATE TUITION

- (1) An unemancipated, currently enrolled student shall be reclassified out-of-state should his or her parent, having theretofore been domiciled in the State, remove from the State. However, such student shall not be required to pay out-of-state tuition nor be treated as an out-of-state student for admission purposes so long as his or her enrollment at a public higher educational institution or institutions shall be continuous.
- (2) An unemancipated person whose parent is not domiciled in this State but is a member of the armed forces and stationed in this State or at Fort Campbell pursuant to military orders shall be classified out-of-state but shall not be required to pay out-of-state tuition. Such a person, while in continuous attendance toward the degree for which he or she is currently enrolled, shall not be required to pay out-of-state tuition if his or her parent thereafter is transferred on military orders.
- (3) A person whose domicile is in a county of another state lying immediately adjacent to Montgomery County, or whose place of residence is within thirty (30) miles of Austin Peay State University shall be classified out-of-state but shall not be required to pay out-of-state tuition at Austin Peay State University. Provided, however, that there be no teacher college or normal school within the non-resident's own state, of equal distance to said non-resident's bona fide place of residence.
- (4) A person whose domicile is in Mississippi County, Arkansas, or either Dunklin County or Pemiscot County, Missouri and who is admitted to Dyersburg State Community College shall not be required to pay out-of-state tuition.
- (5) A person, who is not domiciled in Tennessee, but has a bona fide place of residence in a county which is adjacent to the Tennessee state line and which is also within a 30 mile radius (as determined by THEOC) of a county containing a two year TBR institution, shall be classified out-of-state, but admitted without tuition. The two year institution may admit only up to three percent (3%) of the full-time equivalent attendance of the institution without tuition. [THEC may adjust the number of the non-residents admitted pursuant to this section every three (3) years.] (See T.C.A. 49-8-102)
- (6) Part-time students who are not domiciled in this State but who are employed full-time in the State, or who are stationed at Fort Campbell pursuant to military orders, shall be classified out-of-state but shall not be required to pay out-of-state tuition.
- (7) Military personnel and their spouses stationed in the State of Tennessee who would be classified out-of-state in accordance with other provision of these regulations will be classified out-of-state but shall not be required to pay out-of-state tuition. This provision shall not apply to military personnel and their spouses who are stationed in this State primarily for educational purposes.
- (8) Dependent children who qualify and are selected to receive a scholarship under the Dependent Children Scholarship Act (TCA 49-4-704) because their parent is a law enforcement officer, fireman, or emergency medical service technician who was killed or totally and permanently disabled while performing duties within the scope of their employment shall not be required to pay out-of-state tuition.

PARAGRAPH 5. PRESUMPTION. Unless the contrary appears from clear and convincing evidence, it shall be presumed that an emancipated person does not acquire domicile in this State while enrolled as a full-time student at any public or private higher educational institution in this State, as such status is defined by such institution.

PARAGRAPH 6. EVIDENCE TO BE CONSIDERED FOR ESTABLISHMENT OF DOMICILE. If a person asserts that he or she has established domicile in this State he or she has the burden or proving that he or she has done so. Such a person is entitled to provide to the public higher educational institution by which he or she seeks to be classified or reclassified in-state, any and all evidence which he or she believes will sustain his or her burden of proof. Said institution will consider any and all evidence provided to it concerning such claim of domicile but will not treat any particular type or item of such evidence as conclusive evidence that domicile has or has not been established.

PARAGRAPH 7. APPEAL. The classification officer of each public higher educational institution shall be responsible for initially classifying students "in-state" or "out-of-state". Appropriate procedures shall be established by each such institution by which a student may appeal his or her initial classification.

PARAGRAPH 8. EFFECTIVE DATE FOR RECLASSIFICATION. If a student classified out-of-state applies for in-state classification and is subsequently so classified, his or her in-state classification shall be effective as of the date on which reclassification was sought. However, out-of-state tuition will be charged for any quarter or semester during which reclassification is sought and obtained unless application for reclassification is made to the admissions officer on or before the last day of registration of that quarter or semester.

PARAGRAPH 9. EFFECTIVE DATE. These regulations supersede all regulations concerning classification of persons for fees and tuition and admission purposes previously adopted by the State Board of Regents, and having been approved by the Governor, become effective July 1, 1983, or upon their becoming effective pursuant to the provisions of T.C.A. Section 4-5-1-1 et seq. as amended.

All male citizens of the United States of America between the ages of eighteen (18) and twenty-six (26) must be registered with the Selective Service prior to registering for classes at The University of Memphis. This requirement does not apply to veterans and others exempt by federal law. Indicate whether or not you have registered for the draft. (Circle one)

Yes No Exempt

Pursuant to the requirements of the College and University Security Information Act, Tenn. Code Ann. section 49-7-2200, an annual report of security information and statistics is available upon request. Contact the Assistant Dean of Students, Office of Judicial Affairs, Scates Hall, room 203, The University of Memphis, Memphis, Tennessee 38152, (901)678-2298 to obtain any or all of the information. All other Student-Right-To-Know information is available in the *Schedule of Classes* each term.

## CERTIFICATION OF APPLICATION

I understand that if I am accepted as a student at this institution, there are certain performance tests I will be required to take during my academic career. I further understand that it is a requirement of admission that I agree to take any tests deemed necessary by the institution. In those instances where tests are administered by external entity, I hereby agree for the results of such tests to be released to the institution. The purpose of this requirement is to comply with the legislature's expressed intent that institutions regularly evaluate and improve instruction at all levels. I also understand that if I am under twenty-one years of age and required by institution policy to complete the Academic Assessment and Placement Program (AAPP) tests, my scores on these tests and course placement may be reported to my high school for research purposes. Any test scores will be treated confidentially as required by law.

I certify that none of the information on this form is false or has been withheld. I further certify that I understand that giving false information or withholding information may make me ineligible for admission or to continue my enrollment at The University of Memphis.
