SPRING '86 / Schedule of Classes

Memphis State University

CAVALIER RS

Let's get it together.
buckle up.

***Just because it holds four
doesn't mean you have to take them.***

Cavalier was designed on the premise that no automobile should ever sacrifice performance to comfort. A philosophy that has made Cavalier the best-selling car in America. That same logic has resulted in the new Cavalier RS Sedan. Firmly cushioned bucket seats up front and ample room in back make the new RS a natural choice when your co-workers are looking for someone to drive to lunch.

At which point, you'll develop an even greater appreciation for the RS's *other* comforts. Electronic Fuel Injection, sport suspension and available five-speed manual transmission. All of which give you the opportunity to do to your co-workers at lunchtime what you do to them during the rest of the day. Leave them behind.

Cavalier. For people who know where they're going.

“Only Bic makes a shaver for both kinds of skin.”

Our new Bic for sensitive skin, or our regular Bic for normal skin.

It used to be a tough world for sensitive skin. But now Bic creates the first shaver to give sensitive skin the gentle, close shave it demands. And, of course, for normal skin there's the same great shave as ever. Let every man choose for himself. Or in the words of John McEnroe, "Gentlemen, pick your Bic."

Feel the Bic difference.

A LOT OF THE TRAINING THAT HELPED HIM BECOME A CHAMPION HAD NOTHING TO DO WITH DIVING.

Russ Rebmann is an Army ROTC cadet at the University of Southern California. He's also a Pacific 10 Conference diving champion.

"What made me enroll in Army ROTC? I started thinking about my future. I can't dive the rest of my life. And to be a champ-

in business, you've got to be a leader and a manager.

"ROTC has given me a real taste of what it's like to be a leader, to be the man in charge. Handling that kind of responsibility is preparing me to be a leader in life.

"At first, I thought that ROTC training would get in the way of my other activities on campus. But it's helped me excel in all areas of school. The concen-

tration, self-confidence and discipline I've developed have helped me with my athletic and other extracurricular activities, as well as my studies.

"I can use my ROTC training wherever I go, whatever I do.

If you're thinking about your future, think about enrolling in Army ROTC. The training you'll receive can give you the edge you need... no matter what the competition.

About The Graduating Senior Test

The Graduating Senior Test is designed to evaluate the skills that students acquire in their general education program — those lower division courses that are required for all students. It is not meant to test knowledge from a specific major or discipline, but rather to evaluate the student's ability to receive information in a variety of formats, analyze the information, and respond to situations related to adult roles in society. During the test, you will view portions of newscasts and television productions, listen to music and radio broadcasts, look at art prints, and review advertisements, graphs, and blueprints.

Scores on the test will be returned to you, along with information on the rankings of the scores in comparison to a national group and the local MSU group with which you took the test. The report will include not only an overall total score, but also subscores in the following areas:

- Functioning Within Social Institutions
- Using Science and Technology
- Using the Arts
- Communicating
- Solving Problems
- Clarifying Values

A description of each subscore area is included with the score report.

Due to the special format of the test — television, tapes, and slides and the time requirements of the test, students with significant visual, hearing or manual impairments may be eligible for exemption. Handicapped students must request and be approved for exemption through the Director of Handicapped Services, 215 Scates Hall, prior to the last test date for any given semester.

DEVELOPMENTAL STUDIES
R. Wilson Walker, Dean
Administration Building, Room 171
Telephone 454-2028

The Developmental Studies Program has been established at Memphis State University to permit students to enroll in special Remedial/Development level courses to achieve the academic competencies necessary for success in college level courses. Major components of the program include testing and placement in appropriate level courses, classroom instruction and group/individual tutoring and counseling assistance.

Admission to the Program (Placement)

Students entering Memphis State University as beginning freshmen in the 1985 Fall and subsequent semesters may be required to take various placement tests to determine if they have the appropriate academic skills to successfully complete college level courses. Depending on the results of these tests, students may be required to take one or more Developmental Studies courses. The following regulations regarding placement tests and course enrollment will apply:

Regular Admitted First Time Freshmen admitted to the 1986 Spring semester with less than 16 ACT admissions score must take the required placement test as a condition of enrollment and enroll in the courses indicated by the test results. Check with an adviser in the Academic Counseling Unit, Scates Hall, 454-2062, or the Developmental Studies Office, Room 171, Administration Building, 454-2028.

Beginning with the 1986 Spring semester, ALL students enrolling in:

- ASDS 0710 Remedial Composition
- ASDS 0720 Basic Mathematics
- ASDS 0730 Study Skills
- ASDS 0740 Remedial Reading Skills
- ASDS 0810 Developmental Composition
- ASDS 0820 Elementary Algebra
- ASDS 0821 Intermediate Algebra
- ASDS 0830 Reasoning/Study Skills
- ASDS 0840 Developmental Reading Skills

must take the mandated State Board of Regents AAPP Placement test. **Only** those students taking the test will be allowed to enroll in the courses. All students listed in the above categories may be tested in the appropriate academic areas — English, mathematics, reading and study skills upon the recommendation of the student's adviser. Students taking the test must enroll and begin the subject area sequence at the level indicated by the test results.

Re-testing

The placement test may not be repeated until at least 90 days have lapsed since the first testing.

Enrollment Restrictions

As a result of the placement test, students may be placed in all remedial level courses, a combination of remedial and developmental courses, all developmental courses, or a combination of developmental and college level courses. Only students who have been assessed as needing developmental level courses will be permitted to enroll in those courses. Self-placement will not be permitted. Maximum class load: 15 semester hours.

Fees

Enrollment in Developmental Studies courses will not affect financial aid, scholarship or housing regulations. Fees are the same as for college level courses. Regular ID cards will be issued.

Counseling and Tutoring

All Developmental Studies students will be advised in the Academic Counseling Unit, Room 107, Scates Hall. Participation in tutoring and individual/group counseling sessions will be required.

Course Grades and Class Attendance

A minimum grade of "C" will be required to successfully complete all Developmental Studies courses. Grades will be given in all courses and these grades will become a part of the student's official transcript. Incomplete ("I") grades and "Audits" will not be permitted. Regular class attendance is mandatory and will be used in determining semester grades. All courses carry three semester hours of credit and will not count towards degree credit hours.

Add/Drop and Withdrawal

Developmental Studies students wishing to add/drop a course or withdraw from the University must make an application to the Program Director within the normal University deadlines as stated in the "Semester Calendar". Approval for course add/drops or withdrawals will be made at the discretion of the Program Director.

Academic Retention

A Developmental Studies student will be placed on Academic Probation at the completion of any regular semester or summer session when a grade of less than "C" is earned on any Developmental Studies course. At the next term of enrollment, this student will be required to repeat the Developmental Studies course in which he/she earned a grade of less than "C". If he/she fails to earn a grade of "C" or higher in the second attempt in that Developmental Studies course, he/she will be suspended and ineligible for further enrollment in the university.

ADMISSIONS PROCEDURES

New students planning to enroll for any credit course or on an audit basis must be formally admitted to the University. Admission to the University must be fully cleared before any registration is authorized. Any student who meets admission or readmission requirements after December 2 will not be assured of registration before the first day of classes. Any non-Tennessean who resides more than 150 miles from the University must file an application for admission or readmission prior to that date. Anyone failing to do so will not be assured of being considered for admission.

New Applicants

Applications for admission, detailed instructions concerning admission procedures, and regulations for all student levels may be obtained in the Admissions Office, Room 215, Administration Building. After 4:30 p.m. and on Saturday mornings, these may be obtained in Evening Academic Services Office, Room 167, Administration Building, 454-2398.

Former Students

A former student is defined as a student who (1) has previously been enrolled at Memphis State but (2) was not enrolled during the previous semester. Most former graduate and undergraduate students seeking readmission must obtain an application for readmission from Room 167, Administration Building. Former undergraduate students entering Graduate School are not "former students" for readmission purposes. They are new graduate students who must be properly admitted to graduate school as new students by the Graduate Admissions Office, Room 216, Administration Building. All inquiries concerning appropriate readmissions procedures should be directed to the Readmissions Office.

Transferring Credit to MSU

In order for completed additional undergraduate course work to be transferred from another university and recorded on the student's permanent record, the student must request that an evaluation of the additional course work be completed by the Transfer Affairs section of the Admissions Office. After the student has been admitted as a regular undergraduate, whether he is a beginning freshman or a transfer student, it is recommended that he consult with his adviser or the Transfer Affairs section of the Admissions Office if he anticipates enrolling at another college or university for the purpose of transferring credit to Memphis State University. Information about the transfer of graduate credit may be obtained in the Graduate School Office, Room 315, Administration Building.

Residency Classification

All determinations concerning classification of in-state and out-of-state students for fee-paying and other purposes are made in the Office of Admissions. The determinations are based on the regulations and guidelines of the State Board of Regents. Copies of the guidelines and regulations used in the classification of students for fee-paying purposes are available in the Admissions Office, Room 205, Administration Building, 454-2344.

Persons 60 Years of Age and Totally Disabled Persons

Persons suffering from a permanent disability which totally incapacitates such person from working at an occupation which brings him an income, and persons who will become sixty (60) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may AUDIT courses at Memphis State without paying tuition charges, maintenance fees, student activity fees, or registration fees. Admission to AUDIT will be limited on an individual classroom basis according to space availability.

Any person who is totally disabled, and persons who will become sixty-five (65) years of age or older during the academic semester in which such persons begin classes, and who are domiciled in Tennessee, may enroll for courses for credit at the cost of one half the normal per credit hour fee, not to exceed \$75 per semester. The University Health Services shall examine certification of permanent disability (not the applicant) and determine the eligibility of the applicant under this legislation.

Inquiries concerning these programs may be addressed to the Records Office, Room 115, Administration Building, 454-2671.

REGISTRATION PROCEDURES

(1) CONSULTING WITH ACADEMIC ADVISER

Current Students

Current Memphis State University students are encouraged to see their academic advisers well in advance of registration, preferably during the preceding term when ample time can be given for general academic advising including assistance in selection of courses for the ensuing term. This is not always possible for new and returning students and for some current students. However, all students are required to have a class schedule with an adviser's signature prior to entering the registration center.

To find where an adviser will be located for assistance in class scheduling, go to the Packet Center located in Mitchell Hall, when it is open, and in the Late Registration Center, during the late registration period. Please consult the registration calendar for dates and times these Centers will be open.

During late registration academic advising occurs in the academic department, where faculty advisers are generally available except when they are teaching. Assistance in locating an adviser can be obtained in the Department Offices. Current graduate non-degree students should secure their approved class schedules from one or more of the designated advising office locations. (See "New and Readmitted Students [Graduate]" section.)

Handicapped Students

Preferential scheduling is offered to students whose academic planning must take into account mobility, medical or educational factors directly related to a disability. Generally, this includes students with handicaps of mobility, vision, hearing and those with specific learning disabilities such as dyslexia. In addition to simplifying the registration process, preferential scheduling allows students to get a particular class schedule so that disability-related needs can be planned in advance. Personal attendants and academic aids who are employed by handicapped students are also eligible for preferential scheduling so that their work and class schedule can be coordinated to accommodate the disabled students for whom they work. Students requesting this service must be approved by the Handicapped Student Service Office.

Preferential scheduling is begun prior to regular registration. Students using this procedure should see their adviser, fully complete the "Student Schedule" form and take it to the Handicapped Student Service Office well in advance of the beginning of registration. (Please check with the Handicapped Student Service Office regarding deadlines for turning in class schedules.) The desired class cards will be pulled before registration and will be held in the Handicapped Student Service Office where students are to pick them up just prior to going through registration. No cards will be released earlier than one half hour before the student's registration appointment time assigned in the registration packet. Handicapped students may go through registration at any convenient time after the assigned appointment time, however, they should not pick up their cards until a half hour before they plan to register.

Some disabled students find Late Registration easier to manage because of smaller crowds and the close proximity of all registration functions. Students who can manage regular registration are encouraged to do so, however, those who need to go through Late Registration because of physical considerations may request a waiver of the late fee on the basis of handicap if their cards were pulled in advance. Any student who requires assistance with the process of registration should direct their request to the Handicapped Student Service Office two days in advance of their registration appointment.

If a student for whom cards are pulled in advance should for some reason decide not to complete registration, notification must be given to the Handicapped Student Service Office so the reserved cards may be returned to the departments for use by others.

For further information, please contact the Director of Handicapped Student Services, Room 215, Scates Hall, or call 454-2880 (Voice and TDD).

New and Readmitted Students (Undergraduate)

All new freshmen students and transfer students without an academic major will be assigned to the Academic Counseling Unit, located in Scates Hall, and should go to the unit immediately after admission to the University to request the assignment of an adviser. Students who have not seen an adviser will be assigned one.

Students who have been readmitted and have selected a major should contact the department of their major for the assignment of an adviser. Readmitted students without a declared major should go to the Academic Counseling Unit. This should be done in advance of the first day of registration.

Evening (Undergraduate)

New and readmitted undergraduate students enrolling in evening and/or Saturday courses only may obtain the required registration and advising information in the Evening Academic Services Office, Room 167, Administration Building. The office hours are 12 noon-8:00 p.m., Monday through Thursday and 8:30 a.m.-12 noon on Saturday. (Packet Center hours during registration.)

Unclassified, Special Undergraduate, and Audit Students

Undergraduate students who are unclassified, special undergraduate, or audit go to the Academic Counseling Unit, Scates Hall. Evening students in these categories go to the Evening Academic Services Office, Room 167, Administration Building for advising assistance.

New and Readmitted Students (Graduate) — Day & Evening

New graduate students are directed to an adviser following their admission. Readmitted graduate students having a major should contact the department of their major for the assignment of an adviser.

Students classified as Graduate Non-degree are required to obtain enrollment restriction information from each of the advising office locations representing the college in which the student plans to enroll in undergraduate or graduate coursework. Graduate Non-degree advising office locations are as follows:

College	Office	Location	Telephone
Arts & Sciences	Dir Graduate Studies	MI 213	454-2253
Business & Economics	Dir Graduate Studies	BB 426	454-2431
Communication & Fine Arts	Dean	CFA 232	454-2350
Education	Dir Graduate Studies	ED 215	454-2352
Engineering	Dir Graduate Studies	EN 201	454-2171
Dept of Audiology	Speech Pathology	807 Jefferson	
MSU Jackson		Memphis, TN	525-2682
Graduate Center		Jackson, TN	(901) 427-4725

Graduate non-degree students may enroll in selected courses on a space available, departmental approval basis only.

Graduate students should not attempt to secure an adviser's slip from the Academic Counseling Unit, Scates Hall.

IMPORTANT NOTE: THE GRADUATE SPECIAL AND GRADUATE PROVISIONAL CLASSIFICATIONS WERE DISCONTINUED EFFECTIVE WITH THE 1985 FALL SEMESTER.

(2) OBTAINING REGISTRATION MATERIALS

The registration packet consists of four basic materials: (1) "Student Information Form," (2) "Registration Appointment Card," (3) "Registration Receipt," and (4) a permanent ID card.

Current Students

Registration materials are mailed to the permanent address of all regular students currently enrolled, with the exception of those suspended for academic reasons, those who are on academic probation, and those who have holds placed on their packets by a University office. When a hold is released, the student is given a release card which tells where and when to secure his packet.

New and Readmitted Students

New and readmitted students who have cleared all admission requirements at the time registration materials are prepared, receive their materials by mail. Students not clearing in time to receive their materials by mail are given a chance to obtain materials before the actual day of registration and receive instructions on how to accomplish this.

(3) SECURING CLASS CARDS

Students having their "Student Schedule," permanent ID card, and registration materials, are prepared to enter the Registration Center to obtain class cards and to pay fees.

Registration appointment times — Enter the Registration Center on the date and time printed in the upper right hand corner of the "Registration Appointment Card." Registration priority is based on cumulative hours earned. The student may enter at any later day time after his day appointment time or at any later night time after his night appointment time.

REGISTRATION PRIORITY

Since it is not feasible for all students to register at the same time, it is necessary to establish priorities in the assignment of registration times. Registration priority and the registration appointment times appearing on registration materials are based on the number of cumulative hours earned.

Registration materials must be prepared before the end of the term that immediately precedes registration. **Appointment times do not reflect hours earned during the current term.** For example, registration times for the spring semester are not affected by hours earned during the fall semester.

Registration priority and associated registration appointment times will not be based on the need to work because such a large number of students do work. No practical or equitable way exists to administer a priority system on the criterion of a student having to work.

Unclassified students will be awarded registration appointment times on the basis of hours earned at Memphis State University only.

Seniors not holding an undergraduate degree who are taking degree credit courses have priority over special undergraduate students (those who hold degrees) when enrolling for undergraduate credit courses.

Special Courses

Credit/No-Credit Courses — Certain undergraduate students, with permission from the dean of their college, may elect to take some courses on a credit/no-credit basis. Details are found in the undergraduate *Catalog*.

Procedures for registering are as follows: (1) Obtain permit form from academic adviser, complete information on the form, and secure adviser's signature; (2) Get permission of the dean of their college; (3) Go to the office of the chairman of the department in which the course is taught and secure his approval; (4) Obtain "Class Card Request" form; (5) Take completed permit form and "Class Card Request" to the Registration Center at the appointed registration time.

Audit Courses — The student must: (1) Obtain academic adviser's approval; (2) Go to the department in which course is taught and pick up "Class Card Request" form; (3) Take the "Class Card Request" to the Registration Center at the appointed registration time. Fees for audit courses are the same as for credit courses. Students may not change from a grade point basis to audit or from audit to a grade point basis after the last day to add classes. Further details on audit courses are found in the undergraduate and graduate *Catalog*.

ID CARD

ALL STUDENTS MUST OBTAIN A PERMANENT MEMPHIS STATE UNIVERSITY ID CARD BEFORE THEY WILL BE ALLOWED TO REGISTER. THIS INCLUDES PART-TIME STUDENTS, EVENING STUDENTS, UNCLASSIFIED STUDENTS, ETC.

The University issues to each student an identification card which bears his photograph, social security number, and certification that he is enrolled as a student in the University. The card is required for registration, the borrowing of library books, and other purposes. The card remains the property of the University and will be surrendered upon the request of a University official.

A current student who has lost his or her card may obtain a replacement from the Dean of Students Office, Room 204 Scates Hall. A student will be charged \$10.00 to replace a card that has been damaged, stolen, or lost. A charge of \$2.00 will be made to make any change in data on a card. Students unable to obtain an ID card at an off-campus or special registration must go to the Records Office to have one made.

Part-time students who are enrolled for at least six semester hours of credit courses will be given full-time ID card validation. ID card validation of full-time is for student activity purposes and does not necessarily constitute a full-time academic load.

For information concerning the number of hours required for a full-time academic load, consult the Memphis State University Bulletin.

A credit hour load equal to one-half of that for the minimum full-time credit hour load qualifies as half-time academic load.

(4) PAYING FEES

Students should not enter the Registration Center unless they are prepared to pay fees. Registration is not completed until fees are paid. Students receiving VA assistance are expected to pay fees in full. Students holding scholarships, student aid, or billing authorizations for this term should stop at the "Scholarship" or "Authorized Billing" stations in the Fee Payment Center. Students will not have their names placed on the class rolls until after all fees are paid.

Students may not register until all outstanding financial obligations have been cleared.

"No More Checks" Status

Students who have had more than one returned check in the past twelve months and students who have tendered a returned check for payment of registration fees will be on a NO-MORE-CHECKS status and payment by personal check will not be accepted. Students on a "NO-MORE-CHECKS" status should be prepared to pay registration fees in cash, cashiers check or certified check.

Returned Checks

It is expected that a check given to the University, for any reason, will be honored by the bank on which it is drawn. A check dishonored by the bank on which it is drawn may be presented a second time at the discretion of the University. A \$10.00 returned check charge will be assessed for all checks returned. Returned checks, used as payment of registration fees, which are not promptly redeemed, will result in the deletion of the student from the class rolls. The privilege of making payments for fees and charges by personal check and check cashing privileges will be revoked for any student who has had more than one returned check within a twelve month period of one (1) year from the date the last check is redeemed.

FEES AND DEPOSITS

The listing of these fees in this publication does not constitute a contract between the University and the student. As a condition of registration, each student will pay the fees in effect at the time he or she registers. Fees are subject to change without notice. Persons 60 years of age and totally disabled persons should refer to the sections of this publication covering their registrations.

Application Fee

Each student submitting an application for admission to the University must pay, at the time he submits his first application, a one-time non-refundable fee of \$5.00.

Maintenance Fee

All students, whether resident or non-resident, pay a maintenance fee. Maintenance fees are assessed on course level. Students paying the fee for six or more hours are entitled to admission to home athletic events and certain health services, concerts, plays, social and other student-sponsored activities, and a subscription to the student newspaper, *The Helmsman*.

Music students are required to have a locker for storage of University-owned musical instruments or equipment. Personal instruments may also be stored in lockers. A deposit of \$3.00 for one semester or \$4.00 for two semesters is required on each locker issued. This deposit, less a service charge of \$1.50 per semester, will be refunded upon return of the lock. Students will be expected to pay for any damages.

Automobile Registration

Each person who expects to operate and park any motor vehicle on the campus must pay \$5.00 for an official permit, valid from September through August, and register the vehicle in the Security Office, Room 151, Administration Building. A reduced fee of \$4.00 is charged for vehicle registrations after January 1, and \$2.00 after May 1. Proof of ownership must be presented when registering the vehicle. You must show registration receipt form to receive parking decal. Residence hall occupants should ask for a special resident decal when registering their automobiles.

ROTC Deposit

A uniform deposit of \$10.00 is required of each student who enrolls in the Army and Air Force ROTC program. The uniform deposit, less charges for uniform loss or damage, will be refunded at the end of the academic year or at the beginning of a semester in which the student is not enrolled in the ROTC program.

Transcripts are issued only at the request of the student in person or by letter. No transcript will be provided for a student who has any unfulfilled obligation to the University.

Graduation Fee

Each candidate for a degree from Memphis State University pays a \$25.00 fee to cover cost of the diploma, rental of cap and gown, and incidentals connected with the commencement exercises. This fee must be paid thirty days before graduation.

STUDENT FEE REFUND PROCEDURES

Maintenance Fees, Out-of-State Tuition, Music Fees, Student Activity Fees

The following refund percentages apply to students who withdraw from the University or who drop to an hourly load below full-time.

1. 100% Refund: A full (100%) refund of fees will be made for courses cancelled by the University.
2. 75% Refund: The University provides a 75% refund of enrollment fees beginning at the moment of registration and extending for a period of time as noted in the term calendar for the semester.
3. 25% Refund: A 25% refund of enrollment fees is provided after the expiration of the 75% refund and concludes as noted in the calendar for each semester.
4. 100% refund in case of death.

The University refund policy is based entirely upon the official date of the withdrawal or change of course which would result in a refund. Refunds beyond the specified date or percentage will not be made for reasons such as employment conflicts, health or medical problems, moving out of town, or other reasons which are beyond the University's control or responsibility.

Note on the semester calendar in the *Schedule of Classes* that the refund period ends earlier than the final deadline for dropping a course or withdrawal.

Refunds will be processed beginning approximately three weeks after classes begin.

Appeal Procedures for Fees and Refunds

A student may appeal the assessment, application, calculation or interpretation of any University fee, charge, deposit, or refund, or any University action connected with fees and charges. Questions should generally be discussed with personnel in the Bursar's Office. If a student is not satisfied with the resolution made by the Bursar's Office, a written appeal, on forms available in the Bursar's Office, can be made to the Director of Finance; his determination may be appealed to the Vice President of Business and Finance; and his determination may be appealed to the President of the University. Traffic fines are subject to a separate appeal procedure.

Credit by Examination or Placement Examination

The fee for taking credit by examination is a non-refundable fee of \$45.00, which must be paid prior to the examination. An additional \$15.00 will be charged for each hour in excess of three for which credit is awarded. A fee of \$15.00 per credit hour will be charged when an application for credit is made under the credit by Placement Examination policy.

CHANGING ENROLLMENT STATUS

CHANGE-OF-COURSE APPLICATIONS "ADD-DROPS" WILL BE PROCESSED ONLY AFTER THE REGULAR DATES OF REGISTRATION. COMMENCING ON THE FIRST DAY OF LATE REGISTRATION.

Change of Course

After a student's registration is complete, the class schedule may be changed by adding and/or dropping courses within a specified

period only (see University semester calendar). APPLICATION TO ADD OR DROP COURSES BEGINS WITH THE ACADEMIC ADVISER. After late registration, the Evening Academic Services office hours are 12 noon-8:00 p.m. Monday through Thursday, and 8:30 a.m.-12 noon on Saturday. Time limits for add/drop are outlined in the semester calendar. A fee will be charged for each change-of-course transaction before it is processed. *There is no charge for a change made as a result of the University cancelling a course.*

Permission to add or drop a course after the deadlines shown in the calendar must be approved by the appropriate college dean for undergraduates and the graduate dean for graduate students.

Students enrolled in one course who wish to drop must withdraw from the University.

Schedule conflicts — Each student is responsible for preventing conflicts in the scheduling of his classes. *Students should check each class card which they are issued to insure that the course and section numbers, time and credit agree with what they requested.* Students will be assessed a "change-of-course" fee if it is necessary to make changes because of a scheduling conflict or because of having the wrong class card. Students should be careful to check the schedule for course offerings that might have been changed. Up-to-date information may be obtained during registration.

The University does not guarantee that the instructor listed in the Schedule of Classes will be the one to teach the course, and no fees will be waived accordingly. Change of course fees will not be waived to accommodate changes in student's outside work schedules or changes of health conditions.

University policy prohibits the waiving of the change fee when a course section has been closed and later reopened. *The University reserves the right to cancel courses or sections or to combine sections.*

Withdrawal Procedures

Students may withdraw from the University by contacting the appropriate University official. ID's must be turned in to be invalidated.

- (1) Undergraduate Students—the Center for Student Development, Room 120, Scates Hall

In order to change social security number or name, the student must come to Records Office, Room 119, Administration Building. Students who move should leave a forwarding address with the post office so that all University mail will reach them at their new address.

IMPORTANT: All changes should be made early in the term to insure their processing before the next semester.

Withholding of Grade Reports

The University is required by State law to withhold grade reports, transcripts, and diplomas from students who have outstanding financial obligations to the University. Previous semester grades which were withheld may be obtained (with the proper release card and identification) in the Records Office, Room 119, Administration Building.

THE RECORDS OFFICE WILL NOT RELEASE ANY GRADE EXCEPT BY THE OFFICIAL COPY SENT BY MAIL. TO PROTECT THE CONFIDENTIAL NATURE OF THE STUDENT'S RECORD, NO GRADES WILL BE RELEASED BY TELEPHONE.

PRIVACY RIGHTS OF PARENTS & STUDENTS NOTICE TO STUDENTS

The Family Educational Rights and Privacy Act of 1974, with which the University intends to comply fully, is designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.

Provisions for the release of information about students and the rights of students and others to have access to Memphis State University education records are as follows:

- A. **Release of Personally Identifiable Student Education Records.** Memphis State University shall not permit access to or release of any information in the **Education Records** which is specifically identifiable as referring to any student, other than Directory Information, without the written consent of the student to any party other than the following:
1. MSU officials and staff who have legitimate educational interests, including academic excellence, honor societies, and fraternities and sororities. Written requests from such officials or organizations shall be sent to the Records Office, and proper identification will be required.
 2. Officials of other schools in which the student seeks admission, if the student has executed a release form to that institution. (At a later date a request for academic information from another institution of learning indicating the reason will be honored as a matter of inter-institutional courtesy.)
 3. Appropriate persons in connection with a student's application for or receipt of financial aid.
 4. Federal or State officials as defined in the regulations concerning this law.
 5. State and local officials authorized by State statute adopted prior to November 19, 1974.
 6. Organizations conducting studies for, or on behalf of, Memphis State University for the purpose of assisting in accomplishing the University's stated goals, and when such information will be used only by such organizations and subsequently destroyed when no longer needed for the intended purpose. The Dean of Admissions and Records or his designate must approve requests of this nature.
 7. Accrediting organizations to carry out their functions.
 8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1954. (Note: Husband or wife cannot get records of his/her spouse regardless of dependency.)
 9. In compliance with judicial order or subpoena after the University has made a reasonable effort to notify the student.
 10. Appropriate persons in connection with an emergency if such knowledge is necessary to protect the health or safety of a student or other persons. Verification of the conditions involved will be fully documented.

Note: All individuals and agencies who have requested or obtained access to a student's record (except as stated in A 1-7) will be noted in a record which is kept with each student's closed file. A request must be in writing stating the purpose of the request. This record will also indicate specifically the legitimate interest that the person or agency had in obtaining the information, and the information made available will be limited to that necessary to satisfy such demonstrable needs.

- B. **Definitions:**
- **Educational Records.** "Educational Records" is defined as those records, files, documents, and other material which (1) contain information directly related to a student; and (2) are maintained by Memphis State University or by a person acting for the University. They do not include: (1) personal notes; (2) records available only to law enforcement personnel; (3) employment records; (4) medical, psychological, and psychiatric records (these are accessible to the student's physician); (5) and records containing only information relating to a person after that person is no longer a student at the University. An example would be a record of accomplishments of an alumnus of the University.
 - **Student.** A student is any person who is or has been enrolled at Memphis State University. Wherever "student" is used in reference to personal rights, an eligible parent of a dependent student has similar rights. This "eligible" parent is one who has satisfied Section 152 of the Internal Revenue Code of 1954, and who presents proof of such to the custodian. Normally, this will be notarized affirmation by the parent declaring that the student is a dependent for Federal Income Tax purposes.
 - **Directory Information.** "Directory Information" is defined as: The student's name, address, telephone listing, date and

place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous education agency or institution attended by the student, the student's full- or part-time status, and the student level. At the time a student registers for courses, the student may personally deliver to the Records Office a written request that directory information for that student may not be released. This notification is effective only for the one semester for which the student is then registering. Such information will then be withheld if the request is received within 14 days after the beginning of classes.

— **Access.** To have access to an "Educational Record" is to be allowed to see the original record. It implies the right to obtain copies of that record.

— **School Officials.** School officials are those University employees with general or specific responsibility for promoting the educational objectives of the University.

Employees whose responsibilities place them within this category include: teachers; faculty advisers; admissions counselors; academic advisers; therapeutic counselors and vocational counselors; degree analysts; employment placement personnel; deans, department chairmen, directors, and other administrative officials responsible for some part of the academic enterprise or one of the supporting activities; administrative and faculty sponsors of officially recognized clubs, organizations, etc.; members, including student members, of committees appointed by the President; and clerical personnel employed to assist University officials in discharging professional responsibilities. Access by these officials is restricted where practical only to students for whom they have professional responsibility and only to that portion of the student record necessary for the discharge of assigned duties.

— **Legitimate Educational Interests.** Legitimate educational interests are defined as those interests which are essential to the general process of higher education prescribed by various legislative acts and the body of policy adopted by the governing board. Legitimate educational interests would include teaching, research, public service, and such directly supportive activities as academic advising, general counseling, therapeutic counseling, discipline, vocational counseling and job placement, financial assistance and advisement, medical services, and academic assistance activities.

In addition, the University officially recognizes appropriate co-curricular activities which are generally supportive of overall goals of the institution and contribute generally to the well-being of the entire student body and specifically to many individuals who participate in these activities. These activities include varsity and intramural sports, social fraternities and sororities, honorary and academic fraternities and sororities, departmental clubs, professional fraternities, special interest clubs, and student government.

C. Procedure for Gaining Access to Educational Records.

— To gain access, the student must request the custodian to allow him to peruse the "Educational Record," which request will be granted within a reasonable period of time. The student

may ask for an explanation and/or copy of his "Educational Record." Examination will be permitted under conditions which will prevent alteration or mutilation of the record. A student must present proper identification upon request. Documents submitted by or for the student in support of his application for admission or for transfer credit will not be returned to the student nor sent elsewhere.

- If the student believes the "Record" content to be inaccurate, he may submit a request for amendment of his record. Normally such matters will be satisfactorily settled in the course of informal discussion with the student. When this is not the case, the request and the challenge must be presented in writing to the record custodian who will inform the student of his decision within 45 days and of his right to a hearing. The student may then submit a written request for a hearing to the Dean of Admissions and Records who will (1) appoint an Appeals Committee consisting of four "Record" custodians (none of whom is custodian of the "Record" in question), with one of the four designated as chairman, and (2) designate a time and place for the first meeting and inform the student of the same.
- The Appeals Committee will convene with the student within 45 days from the date of the request, allowing the student, or his parents if the student is a dependent, to present relevant evidence. The student may be assisted or represented by counsel of his choice and at his own expense. A written decision based solely upon evidence presented at the hearing will be given the student within 45 days after the conclusion of the hearing, including a summary of the evidence and reasons for the decision and notification of his right to place a statement in the "Educational Record." Thereupon, the student may submit to the Committee a written explanation to be inserted into the "Record."

Note: This procedure does not provide for a hearing to contest an academic grade.

D. Right of Access Does Not Include:

1. Financial records of parents or any information therein.
 2. Confidential letters and statements of recommendation which were placed in the "Educational Records" prior to January 1, 1975.
 3. "Records" to which access has been waived by a student.
- E. No University office receiving student information shall, and all agencies receiving student information will be advised not to, release the information to another party without the written consent of the student.
- F. The University retains all rights to the student's academic record and may withhold transcripts of the record because of unfulfilled obligations to the University.
- G. Eligible students and parents have the right to file a complaint with the Department of Education concerning an alleged failure by the University to comply with the "Privacy Rights of Parents and Students" Act. Students may also file a complaint against the University in the office of the Dean of Admissions and Records. A copy of the Act may be read in the offices of the Associate Dean of Admissions and Records (Records), the Dean of Admissions and Records, or the University Council.

Bible 319 7:00-9:00 PM Monday 2 Credits

A thorough examination of the Biblical Apocalyptic literature including the original setting, the symbolic pattern, and the content and message. Prophetic claims about the Old Testament will be evaluated.

DEAR MSU STUDENT,

The response to these Biblical course offerings has broken all recent records and we expect growth in the Spring of 1986. We are pleased with the privilege of serving so many and are honored by the challenge of guiding students, from such a variety of backgrounds, in a deeper knowledge of the Bible.

The 'New Testament Survey' and 'Daniel and Revelation' selections for Spring are provided because of the large demand for them. Many want to have a practical grasp of the New Testament Literature and others are eager to examine the apocalyptic interpretations. You too are invited to join these exciting adventures in study and receive 2 credits for each course.

You are also invited to participate in other wholesome activities and meals. Our weekly schedule includes: Monday Supper, 5:45; Tuesday Night Volleyball, 8:00; Wednesday Night Prayer Meeting, 7:00; Thursday Lunch, 12:00; Friday Night Alternative, 7:30; and Bible Talks at various times.

Meet the challenge! Choose not to neglect your spiritual needs. Be equipped to live and serve.

SEMESTER IN SPAIN

Not just for Spanish majors only, but for everyone: beginners, "in between" students, and advanced. Put some excitement into your college career!!

BEGINNER OR ADVANCED — Cost is about the same as a semester in a U.S. college: \$3,480. Price includes jet round trip to Seville from New York, room, board, and tuition complete. Government grants and loans may be applied towards our programs.

Live with a Spanish family, attend classes four hours a day, four days a week, four months. Earn 16 hrs. of credit (equivalent to 4 semesters

taught in U.S. colleges over a two year time span). Your Spanish studies will be enhanced by opportunities not available in a U.S. classroom. Standardized tests show our students' language skills superior to students completing two year programs in U.S. Advanced courses also.

Hurry, it takes a lot of time to make all arrangements.

SPRING SEMESTER — Feb. 1 – June 1

FALL SEMESTER — Sept. 1 – Dec. 22
each year.

FULLY ACCREDITED — A Program of Trinity Christian College.

Get a calculator that has no equal.

Get a calculator from Hewlett-Packard.

So advanced, they don't need an "equals" key. So extremely simple to use, you'll be easily solving the most difficult course-related problems.

There are five HP calculators to choose from.

The HP-12C offers more financial calculating power than any other hand-held. Press just one key and quickly solve time value of money calculations like net present value, internal rate of return, or amortization.

Into science, mathematics or engineering?

With the HP-11C, you'll save time and effort. Scientists and engineers depend on the HP-11C for fast and accurate logarithms, gamma functions, conversions between degrees and radians, plus much more.

The HP-15C offers more built-in advanced math and statistical calculating power than any other hand-held. Beyond trigonometric and logarithmic functions, the HP-15C features complex arithmetic, matrix operations, root-finding and integration.

The HP-16C makes short work of tedious computer science applications. Use the HP-16C to perform number base conversions, bit manipulation, Boolean operations and multi-base arithmetic. You can make bit juggling and testing easy.

Need to simplify problems that are more complex? Choose between two HP-41 models—the HP-41CV gives you 128 built-in functions—and the HP-41CX over 200—to simplify your long homework assignments.

And now we've made the HP-41 even more desirable by introducing a brand new software module—the HP-41 Advantage. It's large enough to hold the most popular engineering, mathematical and financial programs ever written for the HP-41. And it's menu-driven. That eliminates overlays and reduces the number of prompts.

In summary, HP calculators are a class act. Their quality has no equal. That's something you can see. Even feel. Right down to the touch of the keys. They're designed to prevent double entry. So you won't enter more than one number at a time.

So go to your campus bookstore and check out HP calculators.

Or call (800) FOR-HPPC toll-free. Ask for Dept. 734B. We'll instantly give you the name of a calculator dealer who has no equal.

TELEVISION-ASSISTED DIRECTED STUDY COURSES

Memphis State University, in conjunction with WKNO-TV, offers television-assisted courses for adults working toward bachelor's degrees and learning for personal enrichment. These courses, designed by specialists in a variety of fields, are rigorous and challenging. They have been developed to serve the special needs of adults who, because of work and family obligations, distance, or handicap choose not to attend on-campus classes. Persons in Memphis and the surrounding areas of Arkansas, Mississippi, and west Tennessee within the broadcast area of WKNO-TV may enroll.

Independent study is a major component of each course. Students are guided in their studies by a detailed week-by-week syllabus written by their MSU instructor, a study guide, textbooks, and written assignments. Television programs supplement the reading and are broadcast on WKNO-TV and repeated on cable television. Video tapes of the television programs are available for viewing in the learning media center of the MSU library. Written assignments are evaluated by the course instructor with whom the student may confer by phone or in person. Students may also attend optional discussion sessions led by the instructor. These courses are applicable to degree programs at MSU as courses in the major, courses required by a college, or as electives. Students should check requirements for their degree programs before choosing courses.

Registration for these courses may be completed by mail or in person prior to on-campus registration and during on-campus registration. Persons who have never attended MSU or need to seek readmission should apply in advance of registration. Books may be ordered by mail. The fee for both in-state and out-of-state students is \$43.00 per credit hour. Contact the University College at 454-2716 for further information.

The New Vision of Photography

Touch The Future.

Canon puts the power of the computer at your fingertips with the next major step forward in 35mm photography. The Canon T70,

combining optical, mechanical and computer engineering that set it apart from any camera you have ever seen or handled.

For focus-and-shoot convenience, there are three programmed modes: STANDARD for normal subjects; TELE for action and telephoto lenses; WIDE for increased depth-of-field with wide-angle lenses.

There's also Shutter-priority automation, stopped-down automation and full manual control. The optional Canon Speedlite 277T also provides two separate automatic flash modes.

There's dual metering: center-weighted average *and* selective area, measuring only 11% of the viewfinder area. The built-in Power Winder provides auto loading, film advance and power rewind, too.

What's missing? Traditional knobs and levers—replaced by

touch-buttons that set and control all functions. A Liquid Crystal Display with non-volatile memory provides full information readout. The optional Canon Command Back 70 provides even more incredible capabilities. And the entire line of over fifty Canon FD lenses can be used.
