

## Save time and energy – let us help you

### Finding literature:

- Browse the collection – find inspiration
- Library Catalogue (OPAC)
- Gloria Search Machine
- Access to Online journals (EZB)
- E-Books (Springer et al)
- OceanRep Repository
- Web of Science (WOS); Scopus

**=> And if we don't have it we will get it for you:  
Interlibrary loan**

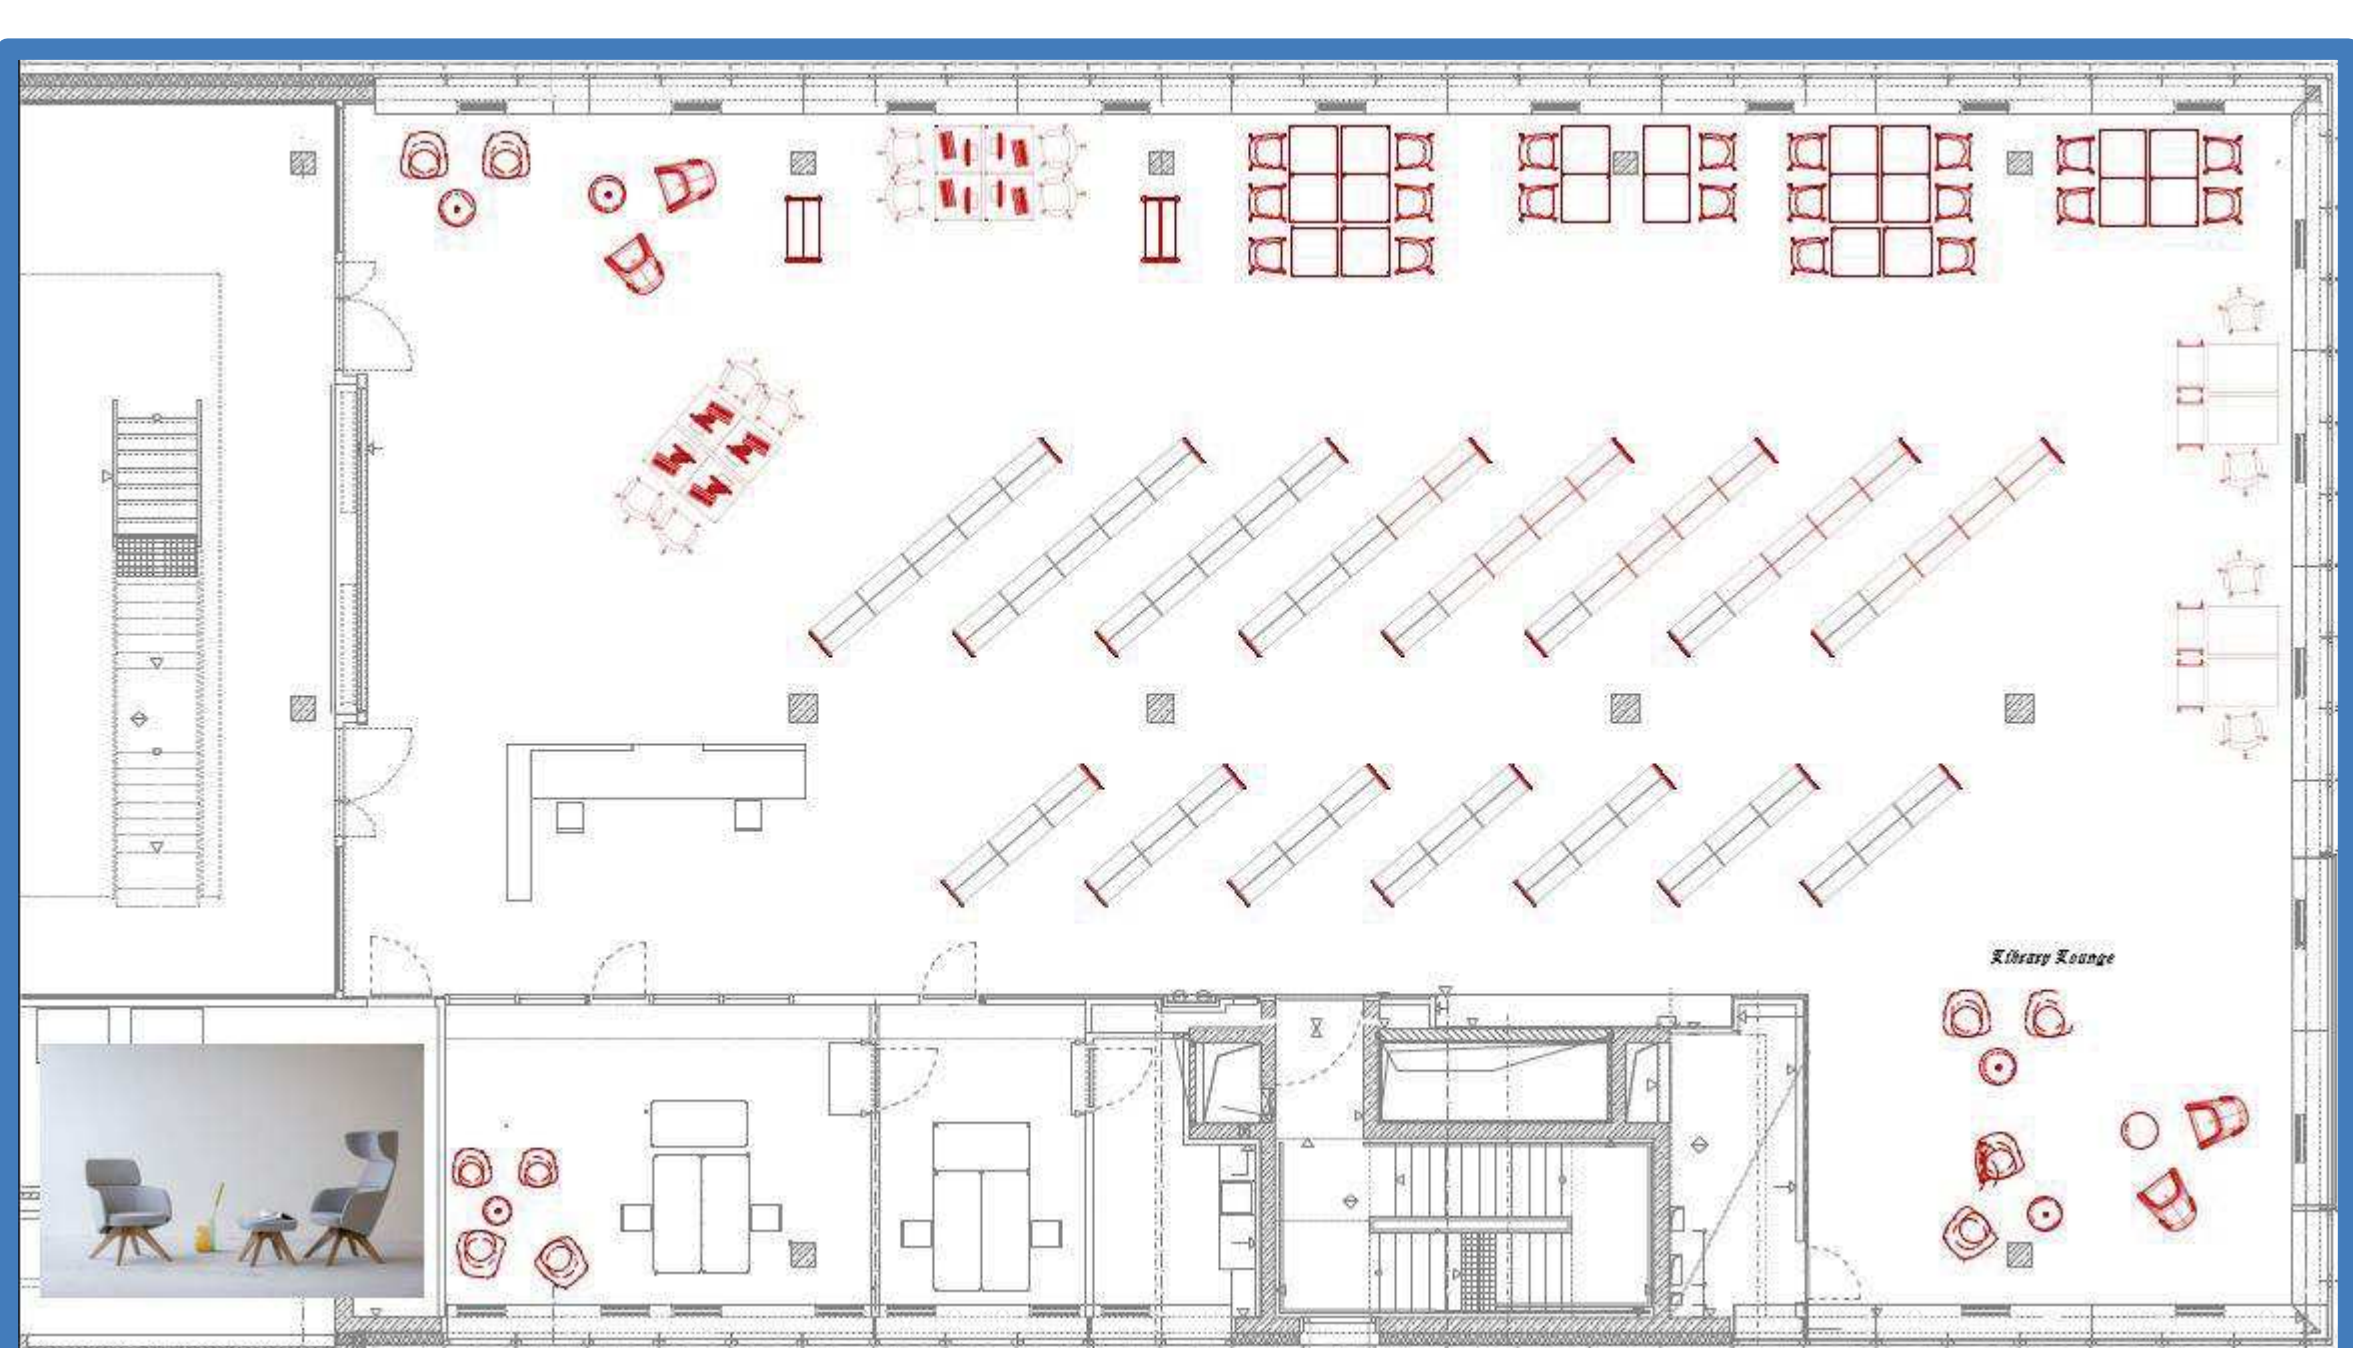

### OceanRep:

- Be visible to the world – publication lists:
  - On your personal website
  - On the project website
- Linking between OceanRep and Data Portals (Research Data, Expeditions, Research Software)
- Evaluation tool

**=> Questions? Problems? Do not forget: we enjoy to help!**

**We'll be excited to welcome you to our new library – when it is ready 😊**

### Meeting point: Library Lounge

- Meet with colleagues – exchange ideas
- Enjoy a coffee and relax
- Use your own laptop
- Borrow headphones
- Keep up-to-date about news and events

### Guide on Writing:

- GEOMAR Publication Guidelines
- Copyright and Re-use
- Plagiarism
- Rules of Good Scientific Practice / FAIR
- Data, Software submission

**=> Ask us!**

### Evaluation / Research funding:

- LOM
- POF IV
- H-Index
- More metrics

### Help with funding your publication:

- GEOMAR Publication Fund
- DEAL
- APC Discounts

### Help with publishing:

- Copyright – Open Access licenses
- Open Science („FAIR“)
- Important: Get your Personal academic identifier (ORCID)
- Compliance with government or funder Open Access (OA) mandates
- Predatory Publishers
- Get a DOI for your Software, Report...
