The original version of this Article contained an error in Fig. 5, in which x-axis beneath panel c was incorrectly labelled. The correct version of Fig. 5 is:

which replaces the previous incorrect version:

This has been corrected in both the PDF and HTML versions of the Article.

The original version of this Article contained an error in the caption of Fig. 5, in which the colours used are incorrect. The correct version now states “Color assignment for the different areas: Co³⁺ (blue), Co³⁺ satellite (pink), Co²⁺ (green), Co²⁺ satellite (yellow), OH/H₂O (purple), O–Co (brown).” which replaces the incorrect “Color assignment for the different areas: Co³⁺ (violet), Co³⁺ satellite (red), Co²⁺ (green), Co²⁺ satellite (yellow), OH/H₂O (pink), O–Co (brown).” This has been corrected in both the PDF and HTML versions of the Article.

“The original version of this Article contained an error in the second line of the fifth page which incorrectly read ‘B, red’⁵⁴. The correct version states ‘B, pink’ in place of ‘B, red.’ This has been corrected in both the PDF and HTML versions of the Article.”

“The original version of this Article contained an error in the fifth line of the fifth page which incorrectly read ‘residual OH/H₂O (pink)’. The correct version states ‘(purple)’ in place of ‘(pink)’. This has been corrected in both the PDF and HTML versions of the Article.”

“The original version of this Article contained an error in the fourteenth line of the second column on the seventh page which

incorrectly read ‘High-electrochemical impedance spectroscopy’. The correct version states ‘Electrochemical’ in place of ‘High-electrochemical’. This has been corrected in both the PDF and HTML versions of the Article.”
