

# Holy Humanity

By Jess Navarette

Carry on, you suffering child  
you Holy beast of burden  
you weary Sons and Daughters of God  
The meek and the virtuous  
Take shelter of the Shepherd and the Rock

Carry your cross, take your lashings  
Crumble the empires, frighten the Pharaohs  
Walk on the Water of your steadfast Faith

Seek Ye the Kingdom  
and Pile Your Treasures  
where bombs and corporations, crooked CEOs,  
and territorial despots cannot reach

Be not afraid  
of the Terror by Night(ly) (News)  
and the Arrows of Division that fly  
The pestilence and the destruction at noonday (lunchbreak)  
The grinding colonialism  
Materialistic societies  
Rigged games of crooked kings

Weep with Mary for the dying child  
Cry as Christ did for a fallen friend  
And rise in Humble Power  
True Devotion,  
Community, empathy, worship  
Compassion  
Solidarity in Holy Humanity
