**REPORT OF
GRAFTON COUNTY COMMISSIONERS**

To the Citizens of Grafton County:

As required by Statute, the Commissioners of Grafton County submit herewith the report of the various County Officials for the year ending December 31, 1963.

Welfare expenditures increased greatly during the year, much of this due to high medical payments. The board for children was increased from \$40.00 to \$45.00 per month as of January 1, 1963. We have nineteen towns taking advantage of the Surplus Foods Program. These commodities have been handled and distributed through the cooperation of the Selectmen of the individual towns.

Court expenses exceeded their appropriation due to the overdraft in the sheriff's department, over which we have no control.

Repairs and improvements at the County Farm have been made as needed and a more detailed coverage will be found in the report of the Superintendent and Matron.

Dr. L. E. McKinlay, for many years an Associate Physician at the County Hospital has completed his services there and we wish him well in his retirement. He has been replaced by Dr. Paul Choate of Monroe, N. H.

We wish to express our appreciation to our staff of employees, the County Delegation, the various town officials and the State Welfare Department for their continued cooperation.

Respectfully submitted,

KENNETH G. BELL
GEORGE F. CLEMENT
BERT P. SHORES

New machinery purchased this past year was a hay baler, disc harrow and a snow blade for the tractor.

Other new equipment purchased for the institution was a washing machine in our laundry, a refrigerator in the employee's kitchen and an oxygen tent for the hospital.

Due to the dry weather this past year the hay crop was below normal so we purchased a small amount of hay which we feel will carry us through the year. We had a good amount of strawberries. Everyone had all they wished to eat and we froze six hundred quarts. The usual amount of freezing and canning of vegetables was done.

Besides the usual inside painting, several of the barns which had not been painted for quite a few years were done. The white trim on the main building and most of the inside of the jail was painted. The necessary repairs were made including a new water line and vacuum line in the barn. A new hot water tank for the milk room was installed.

Douglas Bigelow who had worked with Harry Hatch for several years was made Farm Manager as of June 1st this year.

At the Black and White show held during the North Haverhill Fair we had a bull calf that was Grand Champion for the Northern half of the state and he took second honors in the state at the Hopkinton Fair. Six blue ribbons and five red ribbons were won at North Haverhill fair.

The annual Christmas party was very successful. The generosity of all organizations, clubs and individuals throughout the County made it possible for all residents and patients to be well remembered. Through the kindness of Pink Granite Grange a bus was hired to transport women and men residents to view the Christmas lights and live Nativity scene at North Haverhill. For the gifts, visits, ride and many groups of carolers we say a most sincere thank you.

Church services are held each Sunday in the Chapel. Rev. Ralph Bruce conducts services the first and third Sundays, the Groton Baptist group the second and fourth Sundays. Father Gaulin holds services for all Catholics. Several other ministers in the area make calls on the Residents. All of these services and calls bring comfort to many.

Throughout the year we have received many books and magazines for which we are most grateful.

The Occupational Therapy is still under the able lea-

dership of Mrs. Marjorie Jamback. Again this year many worthwhile projects have been completed and many articles sold to the general public.

A very willing and cooperative staff is working with us and without their every effort and kindness our work would be fruitless. Our hospital is under the able direction of Dr. C. D. Eastman and Evelyn Bigelow, R. N. and their fine staff.

In closing we wish to thank the Commissioners, Mrs. Madeline Kirk, Mrs. Doris Hobbs, Dr. Eastman, the chaplains and staff for their fine cooperation and help during this past year. Especially we want to thank all employees who in so many ways worked so faithfully to carry on the work while Mr. Little was sick this past spring.

Respectfully submitted,

FRANK W. LITTLE,
Superintendent

RITA L. LITTLE,
Matron

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ended December, 31, 1963 and find them correctly cast and properly vouched.

CHAPLAINS' REPORTS

To the Commissioners of Grafton County:

It is a pleasure and privilege to submit this second Chaplain's report concerning the activities of the year at the Grafton County Farm. It is one of the joys of the ministry to be associated with the people at the County Farm, an association that I hope continues.

Services are held on the first and third Sunday afternoons of each month in the County Farm Chapel. All who wish to attend are always welcome at these services. The service is informal with opportunity for those attending to participate in unison readings, selecting hymns, etc. Occasionally, individuals contribute something special which they have prepared. Those who attend the services are quite faithful in their support.

The Sacrament of the Lord's Supper was served once during the year in connection with World Wide Communion Sunday. Also, the Junior Choir from the North Haverhill Methodist Church provided a program of special music at one of the Christmas services. Their cooperation and willingness to come was greatly appreciated. Religious publications and pictures were distributed from time to time during the year.

As Chaplain, I also attended the annual Christmas Party. This was a happy experience for all. Several times, upon request, I have counseled men at the County Jail.

Miss Wanda Clough continues to serve as pianist for the services. Her contribution is invaluable and greatly appreciated. Mrs. Mary Anne Bruce attended most of the services to lead the singing.

Very fine cooperation has been received from the administration at the County Farm, and this is greatly

appreciated. A fine spirit exists, and it is my hope and prayer that it will continue.

Respectfully submitted,
 W. RALPH BRUCE
 Protestant Chaplain

Commissioners of Grafton County

Dear Sirs:

As the Catholic Chaplain to the Grafton County Farm, I should first like to state that I began this assignment in the month of October of 1963. Thus far my contact has been of a short duration, yet in many respects most rewarding.

Before commenting on the spiritual program, allow me to express my impressions on the general attitude of the administration at the County Farm as witnessed by myself. There is prevalent among administrators and staff a very warm and friendly attitude and sense of dedication that has brought about much harmony and good will. I consider this most important, for as a result, the patients receive proper consideration and outstanding attention. Where there is peace and reconciliation in an institution, patients are content and the work of a Chaplain is most pleasant.

The spiritual needs are given through the administration of the sacraments of the church to those of the Catholic faith. Another form of spirituality offered is through time spent with these people individually; thereby offering them the opportunity to express themselves and in turn to present them with some spiritual advice. They generally seek encouragement and often turn to the Chaplain for direction, which is given with the hope of exposing the Love of Christ for each of them so as to establish real interior joy through the acceptance of God's Will.

I should like to take this occasion to express my sincere gratitude for the kindness and consideration shown to me at the County Farm and for the remarkable cooperation given to me in exercising my Chaplaincy.

Sincerely in Christ,
 REV. LEON P. GAULIN, Catholic Chaplain

REPORT OF COUNTY PHYSICIAN

To the Commissioners of Grafton County:

I hereby submit my report for 1963.

The Maximum Care Unit has been very busy during 1963 as can be seen from the following census: A total of 11,710 patient days, which gives a daily census of 32.1. We have a total capacity of 33 beds and as one of these is a cell room which we try to keep empty except for psychiatric, alcoholic cases or prisoners, then it is seen that we are at full capacity. Much of the time we have a waiting list.

Among our improvements we purchased an oxygen tent which has been used on several occasions and is in use now as I write this report. This enables us to treat satisfactorily some of our heart and respiratory conditions which otherwise would have to be transferred to other hospitals.

We are still troubled with over-crowding, no storage space for our X-ray or Oxygen equipment, stretchers and many wheelchairs, etc., which a hospital of this type requires. At present they are stored in old operating room and in corridors, which is not a satisfactory permanent arrangement.

We are still sending all obstetrical and major surgical cases to general hospitals, which is the policy laid down by the State Board of Health.
