Roll Call found all members present except Rep. Drake, Rep. Noyes, and Rep. Desilets.

Rep. Burns, sub-committee chairman gave a report as the result of a meeting with the Crime Commission and found that any change in salary for the Sheriff or Deputy Sheriffs could not be made without an act of legislature. Rep. Dubey suggested leaving it the same as last year and not make any change in the budget.

Rep. York recommended accepting the proposal for the Sheriff's Department if the funds were available, but not until such time. He stated this would save the County about \$2000. but a bill would have to be put through legislature to make any change in their salaries. He stated that \$22,827.75 was requested for the proposal but a large percentage would be paid by the federal funds through the Crime Commission.

Rep. Burns suggested accepting the budget as is and apply for the funds and introduce the necessary legislaion and this could be taken up at the next annual delegation meeting.

The present budget as reduced called for \$1,076,900.00 with an anticipated revenue of \$514,501.46, leaving a balance of \$562,398.54 to be raised by taxation.

Coos County Government continues to be very active. The nursing home has expanded from the thirty-five bed hospital to the present eighty-two nursing beds with plans to continue the expansion to one hundred beds.

The new residence for use of the superintendent has been completed and will be ready for occupancy in the near future. This will make available space for seven more beds in the nursing home.

A survey of sewerage facilities is underway in cooperation with the town of Stewartstown. It is hoped that from this survey, one facility can be constructed to meet the needs of both the County Nursing Home and the Town of Stewartstown.

A new slaughterhouse has been completed at the County Farm and is now in use, all in compliance with State and Federal regulations.

The new highway by-passing the nursing home has been completed, but no settlement on land damage with the State has been made. The claim has been turned over to the County Attorney for Superior Court action.

Repairs to the Court House in Lancaster have been partially completed up to the amount of money appropriated. It is hoped that the repair work will continue as planned next year.

New oil burners were installed in the Berlin Court House following an explosion that did considerable smoke damage to the basement area of the building.

We wish to express our deep appreciation to the County delegation and all County personnel for their splendid cooperation during the past year.

Respectfully submitted,

Rene Bergeron
Norman Brungot
Thomas Corrigan

Auditors

Report of Superintendent

To the Honorable Board of County Commissioners and the County Delegation and Citizens of Coos County:

There were 55 admissions to the Nursing Home with 27860 patient days.

We have 86 patient residents at year end and this will be increased to 100 in 1972.

There were 180 jail admissions with 1504 days, and 73 House of Correction with 3860 days.

The Superintendent's home is completed, thus increasing the capacity of rooms in the Nursing Home, to accomodate more patients.

The Slaughter House was completed to comply with U. S. Department of Agriculture regulations.

Our renovations are continuing and many improvements were made which we are hoping will continue in future years to come to increase efficiency and cut cost.

Our new Director of Nurses, Mrs. Nathalie Wright, has contributed much experience in geriatric nursing and has successfully introduced an occupational therapy program with the help of an occupational therapist assistant.

Much appreciation is expressed to our Doctors and Clergy, who give so generously of their time for the Medical and Spiritual needs of our patients. Reverend Bernard Messier, of Assumption of B.V.M. Church; St. Kieran's Parish Priest, of Berlin; Reverend Eastman of West Stewartstown have conducted monthly services in our home and have been deeply appreciated.

We wish to take this opportunity to thank our Commissioners, Rene Bergeron, Dr. Norman Brungot, Thomas Corrigan, the County Delegation and our employees, for their fine cooperation and support. We must also say many thanks for our patients to all organizations, groups and individuals, who so generously give of their time, efforts and energy, to bring rays of sunshine to our patients.

Sincerely submitted,

Leopold Bouchard, Superintendent
Mary E. Bouchard, Administratrix

CHAPLAIN'S REPORT

To the Board of Commissioners and Citizens of Coos County:

Spiritual care and services are provided for the patients at the County Home.

The services provided are: administration of the Sacraments on a bi-monthly basis and the Sacrament of the Sick whenever needed — day or night. Mass is celebrated twice a month, and a Protestant service once a month. Regular visitations by the Clergy and Nuns are provided.

Father Griffin of St. Kieran's in Berlin is providing for one Mass per month. This is not necessarily from his parish but his neighborhood parishes.

We wish to express our gratitude to the Honorable Board of Commissioners for the opportunity to minister to the patients at the Home.

Respectfully submitted,

THE CLERGY
