COOS COUNTY DELEGATION  
FINANCE COMMITTEE MEETING  
Coos County Nursing Home, Berlin  
February 14, 1992

Present: Reps. Coulombe, Hawkinson, Horton, Marsh, Merrill, Pratt and Theriault; Commissioners Brungot and Corrigan; County Administrator King and Nursing Administrators Collins and Kaminski.

Rep. Pratt made the motion that the Representatives in attendance act as a finance committee for the Delegation. The motion was seconded by Rep. Coulombe and the vote to accept the motion was unanimous.

Rep. Horton made the motion to accept the minutes of the last meeting as distributed. The motion was seconded by Rep. Coulombe and the vote in favor was unanimous.

Chairman Marsh proceeded to the Fourth Quarter Financial Statements of the Coos County Commissioners for 1991. Line item budgets and expenditures were read and the Chairman called for comments in each category of expense.

ENTERPRISE FUNDS: Fred King commented that collectively the two nursing homes made a profit. Mr. Kaminski had an operating profit of \$96,000 with near full occupancy in Berlin while Mrs. Collins lost \$17,000 due to low occupancy rates in West Stewartstown.

The County Farm continually has income and labor problems and it is hoped that both can be overcome.

On the Revenue line item FEDERAL PAYMENT IN LIEU OF TAXES, Fred noted that there is still an effort underway in Congress to double the amount paid to counties and municipalities where national forest lands are located. He has contacted our Senators and Congressmen seeking their support for the legislation and has also written to the Coos County communities with National Forest lands urging them to do the same.

Chairman Marsh requested that in the future when the Quarterly Financial Statements are mailed to the Delegation a page of notes relative to any items of significance be attached for review.

RESOLUTION #1

Be it resolved by the Coos County Delegation Finance Committee duly convened on this fourteenth day of February, 1992, that the Coos County Commissioners are hereby

authorized to transfer from line items in the 1991 Coos County Budget which are underspent on December 31, 1991, funds to supplement the following named accounts in the state amounts:

COUNTY FARM:	\$ 17,716
SOIL CONSERVATION DISTRICT:	346
INTEREST - SHORT TERM NOTES:	1,003
DELEGATION EXPENSE:	521
CHILDREN/YOUTH SERVICES:	61,100.

Nothing in this resolution in any way authorizes the County Commissioners to overexpend the 1991 budget in total.

The motion was made by Rep. Horton and seconded by Rep. Coulombe. A roll call vote showed 7 in favor of the motion and none opposed.

Chairman Marsh presented the Committee Assignments and stated that if anyone requests to be assigned to a specific committee to which he/she has not been assigned, the list can be changed. He noted that each nursing home will have its own committee.

Chairman Marsh also requested that the Commissioners send a letter to the Delegation stating that the City of Berlin has shown no interest in the courthouse facility. He further stated that the letter should indicate that the building will be put on the market. A copy of this letter will also be filed with the court officials in Concord. It was noted that the Community Action Program has expressed interest in acquiring the building.

It was decided that the Annual Budget Meeting will be held in West Stewartstown on March 21, 1992.

Fred reminded the delegates in attendance that this is the year the Delegation must set salaries for the County's elected officials for the next two years. He also discussed the issue of the Sheriff and the NH Retirement System. Due to HB62 in the 1991 legislative session, the Commissioners must ascertain that elected officials meet certain conditions in order to be members of the NH Retirement System. Sheriff Morton meets the conditions in earned compensation by his salary is set at \$2,000. Some adjustment in salary should be considered by the Delegation in order to report his earnings more clearly.

Fred alerted the delegates that Larry Kelly of the Community Action Program will be contacting them prior to the annual meeting to explain the Alzheimer's Program funding request of \$25,000 for 1992.

On the issue of office space for the Cooperative Extension Service, Fred explained that preliminary building plans have been prepared by the County's architect. Jack Sargent at DRED has indicated that the state officials like the plan. At a later meeting a more detailed building plan and a rough cost estimate will be presented to the Delegation.

The delegates were informed of the progress being made on the heating system project in Berlin. Of particular interest to the Delegation is that Daniel Hebert will incorporate the computer system which controls room temperatures which was the concern of Rep. Theriault. Additionally, the concern of Rep. Guay regarding natural gas burners has been addressed. The boilers being installed can easily be converted from oil to natural gas by substituting the burners.

There being no further business to come before the finance committee, it was the unanimous vote to adjourn.

Respectfully submitted,

Suzanne L. Collins

PUBLIC HEARING AND ANNUAL MEETING  
COOS COUNTY DELEGATION  
Coos County Nursing Hospital  
West Stewartstown  
March 21, 1992

PUBLIC HEARING

Chairman Beaton Marsh called the Public Hearing to order at 10:00 A.M. Present were Reps. Brungot, Burns, Coulombe, Hawkinson, Horton, Kilbride, Marsh, Mayhew, Merrill, Nelson, Pratt and Theriault. Rep. Buckley arrived at 10:37 A.M. Also present were Commissioners Corrigan and Trottier, County Administrator Fred King, Nursing Home Administrators Sue Collins and Paul Kaminski, various other county personnel, the press and representatives from social service agencies.

Mrs. Collins explained the 10-year financing option offered by the NH Municipal Bond Bank. Estimated interest rate will be 6.30% and annual payments will be a level amount of \$48,000 (principal and interest). Based on these figures there would be no impact on the County budget for the entire 10-year amortization period.

There being no questions from the public, a motion was made by Rep. Coulombe and seconded by Rep. Horton to adjourn the public hearing at 10:08 A.M.

Rep. Mayhew made the motion to accept the resolution, seconded by Rep. Pratt. The resolution was adopted 12-0.

The motion to adopt Resolution #6 was made by Rep. Pratt and seconded by Rep. Horton. The resolution was adopted 13-0.

Chairman Marsh brought up the North Country Legislative Tour for discussion. Rep. Burns stated that the proposed tour has been cancelled. He asked the legislators to think about what they would want a tour to be and it will be discussed at the quarterly meeting.

COOS COUNTY DELEGATION MEETING  
Coos County Nursing Home - Berlin  
May 15, 1992

The delegation meeting was called to order at 10:30 A.M. Delegation members present were: Reps. Brungot, Buckley, Coulombe, Guay, Hawkinson, Kilbride, Marsh, Mayhew, Merrill, Nelson, Pratt and Theriault. Also present were the County Commissioners, Nursing Home Administrators Collins and Kaminski, County Administrator King and Register of Deeds Charlotte LaCasse.

Item 1. First Quarter Financial Statements

Expenditures: Chairman Marsh read the items and one question concerning the Berlin Courthouse was postponed until Item 2. on the agenda. Under Criminal Justice Programs, Item 12: Victim/Witness Advocacy - State money is involved and the position is not filled. The County Attorney is advertising to fill the position.

Revenues: Item 3: Courthouse - Rental only until July 1. Item 7: Enterprise Funds - West Stewartstown has an occupancy rate of 78 as of May 15, 1992. Other nursing homes are experiencing the same problem.

A motion was made by Rep. Guay to accept the First Quarter Expenditures, seconded by Rep. Kilbride and accepted 12-0. A motion to accept the First Quarter Revenues was made by Rep. Guay, seconded by Rep. Kilbride and accepted 12-0.

Item 2. Sale of Berlin Courthouse

The courthouse will be sold July 1 to the City of Berlin for \$1.00 with the stipulation that if the City sells the building, the City and County will split the net profit. The County will pay all costs and collect the rent until July 1, 1992. The County will clean out the building and will be sure to involve the Historical Society in the process so that the Society can choose any surplus items to preserve.

The Lancaster Courthouse is now a State problem and the State is looking into the high costs of renovating the building. The money in the present State Capital budget will be used to bring the building up to Fire Code and handicapped accessibility to all areas. The State has concluded that the building of a new courthouse in Coos County is second on its list of priorities. If and when that occurs, it is possible that the Lancaster Courthouse will become a District Court. The future space requirements of the Register of Deeds is uncertain at this time.

### Item 3. Elected Officials Salaries for the 1993-94 Biennium

The three Commissioners, Treasurer and Sheriff requested no increase. The Register of Deeds was present and requested a \$6,000 increase. She explained that no raise had been given within the last 4 years. Rep. Pratt made a motion that the Register of Deeds receive a \$6,000 raise. The motion was not seconded. Rep. Mayhew made a motion to approve a \$2,000 raise. Rep. Pratt seconded the motion. The motion was defeated by voice vote. No other motions were made, therefore, the Register of Deeds' salary remained at \$20,700 for the next biennium. A request for a \$1,000 raise per year from the County Attorney was read. A motion was made by Rep. Guay and seconded by Rep. Brungot to accept the present salaries of all the Elected Officials for the next biennium 1993-94. The motion was approved 12-0.

### Item 4. County Addition to DRED/Fish & Game Building

The architectural plans on the addition to the DRED building in Lancaster were displayed. Administrator King explained the plans and the agreement with DRED. A 99-year lease will be signed with DRED. The space to be occupied by the County is independently heated and electrically connected. The County will pay its own heat and electricity. The Extension Service can rent from the Courthouse until July 1, 1992. The cost of the addition to the DRED building will be \$160,000. The monthly cost of financing for a 15-year period at 6.5% is \$1,393.77 or for a 10-year period at the same interest rate is \$1,816.77. Rep. Pratt made the motion that the County Commissioners proceed to hold a public hearing for a supplemental budget for the County building to house the extension service to be followed by a Delegation Meeting for action on this supplemental budget. The motion was seconded by Rep. Guay and accepted 12-0.

Rep. Mayhew, seconded by Rep. Kilbride, made the motion to adjourn the meeting at 12:30 P.M.

Respectfully submitted,

Josephine Mayhew - Clerk

COOS COUNTY DELEGATION  
PUBLIC HEARING AND MEETING  
June 26, 1992  
Lancaster, NH

Present: Reps. Marsh, Mayhew, Kilbride, Nelson, Buckley, Coulombe, Merrill, Brungot, Guay, Theriault, Pratt and Hawkinson; Commissioners Brungot and Trottier; Fred King, Suzanne Collins, Extension Service personnel, the press and members of the public.

PUBLIC HEARING

A public hearing to consider a 1992 Supplemental Budget was convened by Chairman Marsh at 10 A. M. The meeting was held at the DRED/Fish and Game Building on Route 3 in Lancaster.

County Administrator Fred King explained to the assembly the two purposes for the supplemental budget requested by the County Commissioners totalling \$180,000.

Item 1. County addition to DRED/Fish and Game Building: \$165,000. At the time of the sale of the County Courthouse facility in Lancaster to the State, it was agreed that the Extension Service could continue to operate out of its office space for a year. The year has expired although the State has agreed to continue the arrangement while the County finalizes its current plan. Alternative rental sites and plans were considered including one from a local builder. The Commissioners determined that the County could provide space more economically by proposing its own building plan. An appropriation of \$1,500 for architectural services was made by the Delegation and the plan is being presented today. The County proposes to build an addition to the Forest and Lands building in Lancaster to allow space for the UNH Cooperative Extension Service to operate out of the building. The \$165,000 appropriation will pay for the cost of the addition in exchange for a 99-year lease with the State for comparable space. Space provided will be 1400 square feet with shared use of a kitchen, bathroom facilities, a large meeting room and a conference room. Part of the appropriation will fund an addition to the current meeting room.

The County will provide receptionist services and additional parking space for the Division of Forests and Lands while the State provides the County with a developed site - no land acquisition, water and sewer costs. Once the 15 year loan has been paid, the County will only pay operational costs. Estimated annual costs for the 15 year loan repayment would be approximately \$16,725.

An operational agreement between the agencies is being drafted. Construction will be supervised by DRED although the County will be responsible for getting the project out to bid.

The Chairman asked for comments from the public. Dick Belmore, representing DRED, stated that he encourages this positive move and feels that both the County and DRED can benefit from the trade-offs. Steve Turaj, Extension Service educator, stated that the three agencies occupying the building would provide natural resource one-stop shopping for the public. The site can become an educational center and possibly link up to satellite TV at some future date.

Fred indicated that the meeting room would be appropriate for County delegation and planning board meetings.

A letter from the Board of Selectmen in Northumberland was entered into the record. The Board is opposed to the proposal at this point in time due to the local tax burden. Fred explained that this proposal would cause a minimal impact on taxes since rent would have to be paid in lieu of a loan payment.

Item 2. County Recycling Center Pole Building: \$15,000. The Commissioners are requesting authorization for a capital expenditure to build a pole building at the recycling center in W. Stewartstown if the 8 communities which fund the Center approve of the expenditure. No county tax dollars are involved in this appropriation. The recycling center currently has a storage problem because shipments of recycled commodities are by the trailer load and additional covered storage area is needed to keep materials dry. Shipping by the trailer load reduces shipping costs and maximizes revenue from the sale of commodities.

There being no further questions or comments from those in attendance, Rep. Nelson made a motion to adjourn the Public Hearing. The motion was seconded by Rep. Guay and all voted in favor.

## DELEGATION MEETING

Chairman Marsh called for a roll call. He then asked for questions from the Delegates. Rep. Nelson inquired about choosing a contractor for the building addition and reminded those in attendance that the Delegation had urged award of the contract to a builder with a principal place of business in Coos County. It was agreed that bidding would be restricted to reputable builders from the County who could be bonded.

It was urged that the sign on Route #3 have better lighting.

Rep. Mayhew inquired about the impact on taxes and Fred responded that the County has a budgeted rental exposure anyway. Further in 15 years, the cost of a 99-year lease will be fully paid.

Fred further assured the Delegates that the lease agreement will be accepted prior to construction commencing.

### RESOLUTION #1

Be it resolved by the Coos County Delegation duly convened on this 26th day of June, 192, that the sum of \$180,000 is hereby appropriated as capital outlay for county building projects in Lancaster and West Stewartstown. Such supplemental appropriation amends the total county budget for the fiscal year ending December 31, 1992, to \$13,644,357.

The motion on Resolution #1 was made by Rep. Nelson, seconded by Rep. Guay. Twelve vote in favor, none opposed.

### RESOLUTION #2

Be it resolved by the Coos County Delegation that the sum of \$180,000 is hereby adopted as the estimated income from other sources for the fiscal year ended December 31, 1992, thereby amending the total revenue budget of the County to \$13,644,357 of which \$4,830,135 is the amount necessary to be raised by taxes as voted on March 21, 1992.

The motion on Resolution #2 was made by Rep. Nelson, seconded by Rep. Kilbride. Twelve voted in favor, none opposed.

### RESOLUTION #3

Be it resolved by the Coos County Delegation duly convened on this 26th day of June, 1992, to hereby authorize the County Commissioners to borrow in long term notes the funds

necessary to make the capital expenditures for the County building projects in the amount of \$180,000.

Motion on Resolution #3 was made by Rep. Pratt, seconded by Rep. Theriault. Twelve voted in favor, none opposed.

Fred explained to the Delegation that Planning Board member Richard Adams from Carroll had resigned and that the Commissioners were recommending the appointment of Harold Nelson to the Board. Harold has served as alternate for Rep. Marsh.

#### RESOLUTION #4

Be it resolved that the Coos County Delegation approves the recommendation of the Board of County Commissioners and confirms the appointment of Harold Nelson to the Coos County Planning Board as a regular member.

The motion on Resolution #4 was made by Rep. Kilbride, and seconded by Rep. Mayhew. Eleven voted in favor and Rep. Nelson abstained.

The sale of the Courthouse facility at 220 Main Street in Berlin was discussed. The City of Berlin has agreed to purchase the real estate and property for \$1.00. A covenant included in the deed specifies that if the City sells the building and land, one-half the proceeds after capital acquisition and improvement costs are deducted, will be paid to the County.

#### RESOLUTION #5

The Coos County Delegation hereby approves the sale of the County Courthouse located at 220 Main Street in Berlin, N. H. to the City of Berlin for the sum of \$1.00 such sale to be effective July 1, 1992. This sale is made subject to the conditions contained in the deed as signed by the County Commissioners on this date.

The motion on Resolution #5 was made by Rep. Nelson and seconded by Rep. Kilbride. All voted in favor of acceptance.

Chairman Marsh explained the brief history of the capital budget amendment which appropriated \$600,000 for the courthouse facility in Lancaster two years ago. Originally the \$600,000 was appropriated to renovate the courthouse based on an estimate provided by a licensed architect. Since the project was greater than \$100,000, the Department of Transportation requested another estimate which came in at \$1,260,000. The court personnel, after deliberation,

felt that the facility was not adequate anyway. An appointed ad hoc committee recommended a new courthouse.

Meanwhile the Department of Administration recommended bringing the building into compliance with safety codes and handicapped accessibility standards. This recommendation had the highest priority for use of the funds and any unused funds could be earmarked for site selection, purchase and preliminary design. At this point in time, it appears that the funds will be used to bring the building into compliance with fire and safety regulations and handicapped access.

There being no further business to come before the Delegation, the meeting adjourned at 11:15 based on a motion by Rep. Theriault seconded by Rep. Brungot.

Respectfully submitted,

Josephine Mayhew, Clerk

COOS COUNTY DELEGATION MEETING  
AUGUST 21, 1992  
COOS COUNTY NURSING HOME  
BERLIN

Present: Reps. Marsh, Kilbride, Mayhew, Horton, Guay, Hawkinson, Coulombe, Nelson, Merrill, Theriault, Brungot, and Buckley; Commissioners Corrigan and Trottier; County Administrator Fred King, Nursing Home Administrators Kaminski and Collins.

Chairman Marsh called the meeting to order at 11:10 A. M. Opening comments included a suggestion that in the future the Delegation take official action on the minutes of the previous meeting. This practice will be put into practice at the next meeting.

The Quarterly Statement of Expenditures of the Coos County Commissioners for the period ended June 30, 1992 was read by the Chairman.

REGISTER OF DEEDS: Rep. Guay share his concern for the lack of automation in the Registry and related the waiting time necessary to obtain documents. Chairman Marsh stated that it is the responsibility of the Delegation, not the Commissioners, to make recommendations for changes since the Register of Deeds is an elected official.

VICTIM/WITNESS ADVOCACY PROGRAM: Mr. King explained that the program will be state reimbursed once Attorney Morin has filled the position. It appears that the County Attorney is in the process of writing the job description.

Rep. Nelson made a motion, seconded by Rep. Kilbride that the County Administrator send a letter to Attorney Morin on behalf of the Delegation expressing concern that the position has not been filled yet and requesting that Attorney Morin send a report on the status of this program to the Delegates. The vote to approve this motion was accepted unanimously.

SOCIAL SERVICE PROGRAMS: Ms. Collins reported that the North Country Alzheimer's Project requested the \$20,500 loan authorized by the Delegation in March in addition to the appropriation of \$4,500.

CAPITAL OUTLAY: The Building Addition to the DRED facility in Lancaster was discussed. Mr. King reported that requests for bids have been released and that a contract will not be awarded until the lease arrangements with the state have been finalized. Rep. Mayhew stated that several citizens in her district continue to be anxious about the building project and its impact on taxes. Mr. King explained that the public hearing had been duly advertised and appropriate town officials notified in accordance with state statutes.

Rep. Marsh requested that the next County Report mention that the County is officially out of the business of maintaining courthouses and was authorized by the Delegation to build office space which will accommodate the current needs of the County Extension Service. Rep. Marsh read letters of appreciation from Peter Horne, Dean and Director of the U.N.H. Cooperative Extension Service and Steve Turaj, Coos County Extension Educator. Rep. Guay stated that the Extension educators should publish more news releases about their activities to keep the public informed of services provided by the Extension Service.

Rep. Hawkinson made a motion, seconded by Rep. Guay, that the Chairman prepare a news release relative to the letters of appreciation received from the two extension officials and send copies of the release to the Berlin Daily Sun, the Berlin Reporter, the Coos County Democrat and the News and Sentinel. There was a majority vote of approval.

Paul Kaminski expressed appreciation to Commissioner Trottier for her assistance in negotiating a good price for a new car for the Nursing Home.

The Statement of Revenues for the same period was then discussed. Ms. Collins explained the actual revenue shortfall at the Coos County Nursing Hospital. Resident occupancy was projected for 90 and the average daily census since January has been 79-80. A partial offsetting saving is being realized in the STATE CATEGORICAL PROGRAMS expenditure line item since the County reimburses the State for the County share of medicaid. Additionally, expenditures are being curtailed where possible. She also expressed hope for an improvement in occupancy totals since a local 15-bed group home will be closing in September.

Rep. Guay made a motion, seconded by Rep. Brungot, to accept the second quarter expenditure reports as written. After some discussion relative to this motion, it was the unanimous vote of the Delegates present to approve the motion.

Rep. Horton made a motion, seconded by Rep. Nelson, to accept the second quarter revenue reports as written. It was the unanimous vote of the Delegates present to approve the motion.

Chairman Marsh extended a personal invitation to the Delegates and their spouses, County Commissioners and County administrative personnel to attend a get together at this home following the quarterly meeting which will be scheduled in October.

Rep. Theriault made a motion to adjourn. The motion was seconded by Rep. Coulombe and it was a unanimous vote to adjourn.

Respectfully submitted,

Suzanne L. Collins for

COOS COUNTY DELEGATION MEETING  
October 29, 1992  
Coos County Nursing Hospital, West Stewartstown

Present: Reps. Brungot, Burns, Coulombe, Guay, Hawkinson, Horton, Kilbride, Marsh, Mayhew, Merrill, Nelson, Pratt and Theriault. Also present were Commissioners Brungot, Corrigan and Trottier; County Administrator Fred King; and Nursing Home Administrator Sue Collins.

Chairman Marsh called the meeting to order at 10:30 A.M.

A motion was made by Rep. Horton, seconded by Rep. Guay, to accept the minutes of August 21. The vote in favor of the motion was unanimous.

Chairman Marsh proceeded to read the Third Quarter Statement of Expenditures reserving time for questions and explanations.

The balance of the Berlin Courthouse expenditures (13.99%) will be disbursed by the end of 1992 as sick and vacation pay to the former janitor.

The Victim/Witness Advocacy Program: Rep. Nelson suggested that the Commissioners contact the County Attorney to expedite this matter and report the status of the program to the Delegation.

Land Management: This item was overspent because of the need to purchase more wood; expenditure will be more than offset by sale of split firewood.

Alzheimer's Project was overspent due to the \$20,500 loan to the project that must be refunded to the County by the end of the year.

Unincorporated Places: Due to large timber cuts, the subsequent timber tax collected by the County reduced the property tax paid by property owners in many of the Unincorporated Places. This benefits the county. The owners have the incentive to keep their property for the public use and not convert it for the use of "Private Hunting Clubs" and selling the land for development. The legislature should make an effort to change the Current Use Law to discourage the use of these tracts of land for private hunting preserves.

Recycling Center: This program is working so well that it may be a model for the development of similar centers. The Center won the National Association of Counties Award for addressing a community need.

Capital Outlay: West Stewartstown Nursing Hospital has purchased its van and accomplished other projects including remodeling of a ward and installing a medical records computer system.

The Corrections Department has replaced security cameras, updated the fire alarm system and repaired the sewer line. The Nursing Home complex and the Correctional Facility in West Stewartstown are having a big problem due to the hardness of the water. In all areas where hot water is involved a scaling has developed which is costly to correct.

The Commissioners decided to install a water softening system. The bids are in from 3 companies and the cost of installation will be approximately \$15,000. If the Delegation approves a resolution proposed by the County Commissioners, funds will be transferred from the Corrections Special and the Electrical Special accounts.

The addition to the DRED building for the Extension Service is progressing.

A motion was made by Rep. Nelson, seconded by Rep. Horton, to accept the Third Quarter Expenditures as read. The vote to accept the motion was unanimous.

Chairman Marsh read the Third Quarter Revenue Statement. A motion to accept the Revenues as read was made by Rep. Guay, seconded by Rep. Coulombe, and the vote was unanimous.

A suggestion was made that the Commissioners issue a press release regarding the award received by the Recycling Center from the New Hampshire Association of Counties. The Recycling Center is comprised of the following towns: Colebrook, Columbia, West Stewartstown, Clarksville, North Stratford, Pittsburg, Canaan and Lemington with Norton considering joining.

#### Resolution #1

Be it resolved by the Coos County Delegation convened on this 29th day of October, 1992, that the Commissioners are authorized to make the following line item transfers in order to fund the costs of a water softening system at the Coos County Nursing Hospital:

From Corrections Special	\$ 8,000
From Electrical Special	\$ 7,000
To Water System Special	\$15,000

The motion to accept the resolution was made by Rep. Nelson, seconded by Rep. Guay. The vote on the resolution was 13 in favor, none opposed.

County Administrator Fred King announced that the organizational county meeting for the 1993-94 Legislative Session will be held on Wednesday, December 9, 1992 at the DRED building at 10:00 A.M. Notice will be sent to all delegates.

Rep. Burns thanked the delegation for its good work and wished those not seeking another term all the best.

Chairman Marsh suggested to the delegates that they overview the State Capital budget before it gets to the legislature.

Rep. Theriault made the motion to adjourn at 12:10 P.M., seconded by Rep. Mayhew.

Respectfully submitted,

Josephine Mayhew - Clerk

Coos County Delegation Meeting  
December 9, 1992  
Coos County Nursing Home, Berlin

Present: Reps. Bradley, Burns, Coulombe, Foss, Hawkinson, Horton, Mayhew, Mears, Merrill, Pratt, Wiswell. Rep. Harwell arrived at 10:20.

Clerk of the delegation Mayhew called the meeting to order at 10:04 A.M.

A motion was made by Rep. Mayhew, seconded by Rep. Pratt, nominating Rep. Lynn C. Horton as the new Chair. Rep. Burns moved that one ballot be cast for Rep. Horton. The motion was passed. Rep. Horton then assumed the Chair.

A motion was made by Rep. Foss, seconded by Rep. Burns, nominating Rep. Hawkinson as Vice Chair. The motion was passed.

A motion was made by Rep. Coulombe, seconded by Rep. Merrill, nominating Rep. Bradley as Clerk. The motion was passed.

In a few opening remarks by the new Chair, Rep. Horton talked of the responsibilities of the County delegation and urged the delegation to act together to do what is best for the County. He reminded the delegation of the Public Hearing on the County Budget to be held December 12, 1992 at the 10:00 A.M. at the Coos County Nursing Home in Berlin. The purpose of this hearing is for the public to give their views on the budget to the delegation.

Rep. Burns noted that since there are only 13 members of the Coos County Delegation, all of them are on the Executive Committee. Sub-committees will be appointed as soon as possible. These committees will work on sections of the budget to be finalized by March 1993.

Rep. Burns stated that County delegation meetings can be called at any time in his office in Concord.

Moved by Rep. Harwell, seconded by Rep. Burns, the meeting was adjourned at 10:35 A. M.

Respectfully submitted,

Paula Bradley, Clerk

COOS COUNTY PUBLIC HEARING  
AND  
DELEGATION MEETING

December 12, 1992  
Coos County Nursing Home, Berlin

Present: Representatives Bradley, Burns, Coulombe, Foss, Harwell, Hawkinson, Horton, Mayhew, Mears, Pratt and Wiswell. Also Commissioners Brungot, Corrigan and Trottier, County Administrator Fred King, Nursing Home Administrators Sue Collins and Paul Kaminski, other county personnel, town elected officials, representatives of the Coos County Social Service Agencies, the press and members of the public.

Before the public hearing, a brief meeting of the Coos County Delegation was held at the Coos County Nursing Home in Berlin. Chairman Horton called the meeting to order at 10:08 A.M. Coos County Treasurer Paul Fortier presented the following resolution:

RESOLUTION #1

Be it resolved by the Coos County Delegation duly convened on this twelfth day of December, 1992, that since the monies in the treasury of the County of Coos are insufficient to meet the demands upon the same and the sum of Three Million Seven Hundred Fifty Thousand Dollars (\$3,750,000) being the estimated amount necessary for the purpose of operating the county for the fiscal year 1993, the Coos County Treasurer, Paul E. Fortier, is hereby authorized to borrow the required sum upon order of the County Commissioners pursuant to RSA 29:8. The amount borrowed is not to exceed the state amount.

A motion to accept the resolution was made by Rep. Mayhew, seconded by Rep. Coulombe. The resolution was adopted unanimously on a roll call vote. The meeting was then turned over to Mr. King.

#### PUBLIC HEARING

County Administrator King spoke first about the time table for the budget. It must be in hand by December 1, with the public hearing held within 20 days of that date. He said that county services provided by this budget are people oriented. The budget is actually four in one - County Government, Unincorporated Places, Capital Outlay and State Assistance Programs. The presentations are to be more detailed this time for the benefit of the several newly elected members of the General Court and the public.

Administration - Items 1-6: County delegation must set salaries in advance for the next two years. This was done prior to June last year.

Register of Deeds - Items 7-8: The Register is now on salary. The County gets more in fees than it costs to run the office.

Courthouse Expense - Item 9: The County is now out of the rental business as both courthouses have been sold.

Criminal Justice Programs - Items 10-14: 10) Sheriff Morton reported that his department budget is lower because they have dropped a drug officer who was on a grant. A metal detector is to be installed in the courthouse. This is being done statewide. 11) The County Attorney requested \$1,500 extra for clerical assistance. 12) The County Attorney will be recruiting someone for the Victim/Witness Advocacy program. 13) This is for autopsies and medical referee services. 14) Norman Brown, Director of Corrections, gave a brief overview of the system - providing an inmate work program to develop a work ethic. He talked of his very professional staff, and the counseling and other duties they perform. His budget increase of 1.7% is mostly for salaries.

Enterprise Funds - Items 15-18: These funds are operated as business enterprises. There are 11 County Nursing Homes in the State, Coos has 2. The bulk of residents in these homes in New Hampshire are funded by Medicaid. In private nursing homes to break even, there is usually a maximum of 65% Medicaid patients. Coos has 321 individuals who are receiving Medicaid in nursing homes. There is a census problem in West Stewartstown since Clipper opened in North Conway, but a strong recruiting program is under way to fill

the beds. In 15 years the two homes in Coos have cost the taxpayers only \$318,000. 15) Sue Collins, Administrator at West Stewartstown explained her budget. The home is under federal order to break up 5-7 bed units into 4 bed units and semi-privates--doing this a little at a time. They have a special unit on the third floor for Alzheimers patients. Special training is given to all who work on that floor. The federal regulation to use less medication and restraints requires more staff. Hepatitis B shots for all at risk of being exposed to blood borne pathogens is required by the Feds. 16) Paul Kaminski, Administrator at Berlin, said they had no deficiencies this year. He spoke of the 100 residents - average age 85.3, 65 in wheelchairs, 6 in lounge chairs, 32 need to be fed, 9 on Hoyer lift, only 3 on catheters - all needing direct care. The conversion from electric heat to oil is still going on. It is taking longer than expected because the building is 100% occupied. Since they don't know how much fuel will cost - for both heat and hot water - they are asking for \$40,000 in the fuel line item, but there is an equivalent reduction in the request for electricity.

A lunch break was taken between 12:00 and 1:15 P.M.

Enterprise Funds - Continued: 17) Mr. King said that the County Farm is a commercial farm associated with the Corrections Dept. Three inmates work there full time - a good project. They are using shredded newspapers to bed the cattle instead of sawdust at a small saving. The price of milk is up so a surplus is expected. 18) Land Management are the funds used to purchase firewood for the inmates to cut, split and sell as farm income.

Extension/Soil Conservation - Items 19-20: 19) Mr. King said that the Extension Service has been located in the courthouse, but will move to an addition to the Forest Lands building. Sue Buteau of the Extension Service reported briefly on what the Service does. Its purpose is educational and it is funded by the county, state and federal governments. Its programs are in forestry, agriculture, 4-H, and family management, particularly financial management. There is an increase in the budget because the cost of housing has never been shown before (part of the Courthouse) and because of the new facilities on Route 3. 20) The Soil Conservation District is a federal operation and the County pays an individual to do the clerical work.

Debt Service - Items 21-23: Sue Collins reported that we borrow the necessary moneys, \$3.75 million, on January 10 and pay off in mid-December when the towns remit the County tax. All money is invested in interest bearing accounts.

Social Service Agencies - Items 24-29: Brief reports were given by representatives of the agencies. 24) Senior Meals - Suzanne Kearns. This is Meals on Wheels and the program requires matching money. It is for the home bound client. She reported that they are seeing an increase in the elderly population. 25) R.S.V.P. - Pamela Dorland. 48,000 hours of service have been given by 370 volunteers. The \$12,250 request for money is part of a required match. 26) Adele Woods - Family Planning. A fact sheet about their program was distributed. It is on file. 27) Food Pantry-OUTREACH - Larry Enman. There are three outreach sites, no paid staff, only a supervisor. 28) Response Program - Adele Woods. Another fact sheet "RESPONSE to Sexual and Domestic Violence" was distributed and is on file. 29) Larry Kelly pleaded for support of the Alzheimer's Project. Alzheimer's has an impact on both victim and family. A three year grant for a demonstration project is now used up. Federal funding on a regular basis is probable after next May. The \$20,500 that was received from the county in 1992 was a loan and not a grant, and has been called in by the end of the year. If this is paid they will only have \$1,000 left. A few grants are coming in which will tide them over until March. He is asking for \$20,000 as a bridge loan or grant until May. This is an amendment to the budget as printed. Mr. King said that they cannot receive any authorization for these funds until the delegation votes on it in March.

Unincorporated Places - Items 1-3: Mr. King said that the County administers the Unincorporated Places and the revenues are expected to balance the expenses.

Recycling Center: Mr. King gave a brief report explaining that the County operates the Center for 6 New Hampshire and 2 Vermont towns. It is a work site for inmates of the correctional facility and there is no cost to the county taxpayers as it is fully funded by the 8 participating towns.

Capital Outlay - Items 1-5: Expenses at West Stewartstown reflect the requirements of OBRA (Omnibus Budget Reconciliation Act of '87, '89) - subdividing wards, a secure care system, a new washer and new beds. Of the \$50,000 at the County Farm, \$45,000 is for a new truck and funds are now needed for a new bulk milk tank. The Corrections Dept. request includes cameras for video monitoring, and for computerizing the department. The building addition for the Extension Service is nearly finished. No new money is requested.

State Assistance Programs - Items 1-4: Fred King said that the portion of Medicaid money from the Federal government

has been decreasing in recent years, once was 62 cents on the dollar, now only 50 cents. The state's portion is 19 cents, the county/town's share which is now 31 cents was 19 cents. When the feds cut their share, the county picked up the difference. The cost goes directly to property taxes.

No salary increases are in the proposed budget.

#### REVENUES

Estimated revenues for 1993 were reviewed and a general discussion followed.

The county is opposed to taking state prisoners and then being faced with needing additional space.

Glen Eastman, Selectman from Gorham, brought to the County Delegation a request to have them reconsider the privatization of nursing homes and come back with a recommendation. Mr. King said that this was an issue two years ago. A resolution was passed at that time to stay in the business of providing nursing care. Money from the county for Medicaid eligible residents would still go for private placement. If Dr. Bird, Commissioner of Health and Human Services, is successful in advocating the HCBC program, then the legislators should concentrate on putting a freeze on creating more nursing home beds. A discussion followed about what happens if all the nursing homes are private. Almost half of the nursing home residents in New Hampshire are in county homes. Also half of those in corrections facilities in the state are in county facilities.

Interest rates are so low that investment income is way down.

A motion to adjourn was made by Rep. Harwell, seconded by Rep. Pratt, and passed. Adjournment was at 3:50 P.M.

Respectfully submitted,

Paula E. Bradley - Clerk

## REPORT OF THE COUNTY COMMISSIONERS

The Commissioners of Coos County herewith submit their report for the year 1992 to the citizens of the County.

In preparing this report we thought it would be interesting to look back at a previous report to see what changes have taken place over time. We chose the 1981 Coos County Report for our comparison. This is a direct quotation from that report: "The new administration in Washington and its policies have placed in motion the promised transfer of social programs responsibilities back to the states and the nation's local governments." Now in 1993 our new administration in Washington is saying precisely the same thing about Medicaid; that there should be more control and decision making at the state level. Our concern in 1981 was, and is again in 1993, how much more of the cost will be borne at the County level. What we all should know by now is that the need and desire for social programs are greater than any government's ability to pay for such programs. In 1981 we also stated, "The final outcome of the New Federalism is still to be felt by the property taxpayers in New Hampshire." We repeat our belief of 1981 that the changes that take place in Washington and Concord and their potential impact on County taxes are still to be felt in our property taxes. The more things change the more they stay the same.

Nineteen ninety-two was a successful year for the County and elsewhere in this report you will find the reports of the County's administrators. We wish to thank all of the employees who provide the best in services under oftentimes difficult circumstances to our less fortunate citizens. Without their care and concern the County could not function. We thank our County Delegation for their support and thoughtful direction. And a big thank you to all of the County's citizens for your continued support of your county government. We pledge to continue in 1993 to provide services that are both efficient and cost effective.

## REPORT OF THE COUNTY ADMINISTRATOR

This is my ninth report as Administrator of Coos County. During that time there have been many changes in our operations. However, one thing has not changed and this is our focus on delivering high quality services at the least cost possible. This is a worthy goal; one that is not easily achieved. Just as towns are impacted by never ending changes in regulations and rules so is the County. We are in the business of caring for people for the most part and the nursing home businesses that we operate are part of one of the most regulated industries in the country. The Corrections Department is also fast becoming a closely controlled operation both through regulation and legal precedent. A detailed report by the administrators of these departments is part of this County Report. I would only say that the County is fortunate to have experienced and highly motivated professionals in charge of the two nursing homes and the Corrections Department. We have consolidated some job assignments and have reorganized our management structure. The County stands prepared for the challenges of the future.

The County sold the last of two courthouses in 1992. These buildings were no longer needed except for the Register of Deeds operation in Lancaster. At the time of the sale of the Lancaster Courthouse to the State of New Hampshire the County reserved the use of this space. The County Courthouse in Berlin was sold to the City of Berlin. In 1993 we will relocate the Extension Service to the state owned Forest and Lands/Fish and Game building on Route 3 in Lancaster. This relocation was accomplished through a unique 99 year lease between the county and the state and will result in a mutual benefit to all of the parties involved.

We continue to modify our responsibilities and control of municipal services in the County's unincorporated places and firmly believe that over time we will be able to satisfy the needs of the residents and property owners more efficiently than was previously possible when both the state and county shared these responsibilities.

As we prepare for the next year I wish to thank our employees, the County Commissioners and the County Delegation for their support. In some ways 1992 was a difficult year but in the final analysis I believe it was a good year for Coos County and I look forward to 1993 with optimism.

Frederick W. King  
County Administrator

## REPORT OF THE DEPARTMENT OF CORRECTION

The 1992 census (daily population) was consistent with last years with an average daily census of 25 inmates. This is further defined as an average daily census of 19 inmates in the House of Correction and 6 inmates in the Jail. Our 1992 admissions or new entries have been monitored and indicate 99 new admissions in the House of Correction and 126 new admissions in the Jail.

Our commitment to work programs for the inmates continues with good results. Inmates are tasked with working either in-house at the correction facility, house-keeping, laundry, kitchen, barn or at the new recycling center. We recorded 33,443 hours of work by inmates in 1992 at an average cost of 12 cents per hour, based on minimum wage a savings of \$142,132.00.

This past year was a year of growth in our program and training areas. We were able to provide training to our staff in the areas of CPR/first aid, nonviolent crisis intervention, universal precautions and many more. Our officers were also certified in the use of our drug testing equipment.. Electronic monitoring became a reality within Coos County and all supervisors are trained in the use and installation of the equipment. Although the criteria is quite strict in who is eligible for monitoring, I believe this will prove to be an extremely cost savings program in the future.

Although our census was about the same as 1992, through the efforts and cooperation of our supervisors, we were able to contain costs and hold down expenses which enabled us to realize a considerable surplus in 1992.

## COOS COUNTY NURSING HOSPITAL ADMINISTRATOR'S REPORT

### COOS COUNTY NURSING HOSPITAL IS 60!

In 1992, Coos County Nursing Hospital quietly celebrated its sixtieth birthday. Passing this milestone caused me to spend a little time researching and reflecting upon the evolution in services which have been provided under this one roof in West Stewartstown.

At its grand opening in 1932, the "**ALMS HOUSE OF COOS COUNTY**" served a dual purpose. The first and second floors were a residential facility for needy, county residents and the top floor was a 35-bed general hospital serving the communities of northwestern Coos County. The business of custodial and hospital care continued uninterrupted for some 40 years between 1932 and 1972. In the early 1970's, the County converted the entire facility to a 100-bed nursing home. An act of the legislature in 1973 changed our name to "**COOS COUNTY NURSING HOSPITAL.**"

In looking back, I realize that, although the business of health care has never been simple, it sure seems like it was 20 years ago. In these two decades we have traveled a road leading from the simple to the complex, presenting us with many challenges and affording us with many opportunities for growth and development.

Much time and money has been devoted to meeting life safety standards and we continue to implement design improvements today. A recent federal law directs that no resident room will accommodate more than four residents. We have a 3-year plan to subdivide our five wards into 4-bed and double occupancy rooms. These changes will improve residents comfort and safety and hopefully attract more residents. Each renovation must meet the test of many federal laws passed since 1932 including the new **Americans with Disabilities Act.**

The historical value of this building was fully depreciated in 1992 but to me it is not an old building. It is still growing and changing. It has evolved over these years as the County has met the challenges of changing needs. Our improvements make the facility environment more comfortable and safe but it is our employees and our programs which make this a special nursing home.

The aged are no longer seen as poor, senile, sick, incompetent, a burden. Aging is a process, not a fixed

state and our mission is to create a nurturing, caring environment in which we forward the quality of life for those we serve. Members of our staff are talented, caring individuals committed to impacting our residents' lives for the better.

These dedicated employees, our wonderful residents and our ageless building are part of something...a new attitude and respect for the aged individual. Maybe now the days of the **"POOR FARM"** will finally pass. I hope so.

Respectfully submitted,

Suzanne L. Collins  
Administrator

**ADMINISTRATOR'S REPORT  
COOS COUNTY NURSING HOME  
BERLIN  
1992**

The year 1992 was remarkable.

In 1992 the Coos County Nursing Home in Berlin had a perfect state survey - this is exceptional. At the same time, the nursing home underspent its appropriation by \$158,243, resulting in a net surplus of \$136,953.

These results were due to the plain hard work and dedication of each and every staff member.

Every citizen in the county has a right to be proud of their nursing home.

As a result of these very impressive results, not one person was singled out as the Employee of the Year for 1992, but rather each and every employee was recognized as an Employee of the Year. They all did an outstanding job and I'm very proud of them.

Other doings during the year included:

Conversion of the electric hot water heating system to an oil fired hot water system;

Conversion of the garage into a boiler room, thereby reducing the risk of fire;

Installation of a new call-bell system for the third floor;

Purchase of a new car, and the hiring of part-time transportation aide;

Renovation and establishment of a new first floor resident's dining room;

Implementation of the minimum data set (MDS) computer system for nursing services (1993 should see these services in place on the nursing units, with added accessibility);

Completion of advance health care directives for all residents who wanted such directives. (Ninety-nine residents chose to execute them);

Establishment of routine mental health services for residents;

A sprinkler head blew it's top, causing a flood which resulted in a casualty claim loss of over \$8,000;

A decrease in staff turnover and an increase in proficiency and professionalism;

Nursing established a system of permanent floor assignments;

Low cost meals for employees were established;

The menu cycle for residents was significantly modified with the addition of a fourth week; and

Food orders were computerized.

Statistical Report for 1992:

In 1991 we had 37 admissions, as compared to 27 new admissions during the year 1992:

- 9 from AVH
- 7 from CCNH, West Stewartstown
- 5 from private homes
- 2 from Country Village
- 1 from a group home
- 1 from Week's Memorial Hosp. SNF, Lancaster
- 1 from Odd Fellows Nursing Home, Concord
- 1 from Dover Health Care

and 2 discharges back to the community.

We had 67 transfers to the hospital for acute care, versus 85 in 1991. We had 35,705 days of patient care provided during 1992 out of a possible 36,600 days (366 days X 100 residents) for a 98% total occupancy rate (after hospital leave days, we don't get paid for them so they are not included) versus 96.5% during 1991.

As in past years, I wish to thank the County Administrator, the Comptroller, the Commissioners and the County Delegation for their continuing support.

Sincerely,

Paul V. Kaminski, N. H. A.

## REPORT OF THE UNINCORPORATED PLACES

In 1992 the management responsibilities for the County's twenty-three unincorporated places, whereby the County serves as the town government, were finalized. Each of the seventeen places where private landowners exist and in those places where citizens reside now have their own budgets, pay their own expenses and accrue all income due. In those places where timber tax income was substantial there were in fact no property taxes. The County's goal of keeping property taxes as low as possible so that these large timber holdings can remain productive woodlands has now proven to be a realistic goal.

In 1992 the complete tax mapping and property revaluation was completed. The last time this was done was in 1976 when the State did the mapping and complete reappraisal. The funds to pay for this ambitious undertaking came from state funds turned over to the County after the last Legislative session. The land use maps which are used for planning purposes are now compatible with the tax maps and will provide a great deal of information for future Planning Board decisions.

In 1993 the County will continue to meet with and work with the residents and landowners of these northern forested places to assure that responsible decisions are made which will result in an economic and social environment that is acceptable to the affected citizens.

**INDEPENDENT AUDITOR'S REPORT**

February 20, 1992

Board of County Commissioners  
County of Coos, New Hampshire

We have audited the accompanying general purpose financial statements of the County of Coos, New Hampshire as of and for the year ended December 31, 1991 as listed in the table of contents. These financial statements are the responsibility of the County's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards for financial and compliance audits contained in Standards for Audit of Governmental Organizations, Programs, Activities and Functions issued by the U.S. General Accounting Office. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1 to the financial statements, the County does not accrue the current portion of accumulated vacation pay in the General Fund in accordance with generally accepted accounting principles. The effect on the combined financial statements of this departure from generally accepted accounting principles cannot be determined.

PRACTICE SECTION

In our opinion, except for the departure from generally accepted accounting principles referred to above, the general purpose financial statements referred to above present fairly in all material respects, the financial position of the County of Coos, New Hampshire as of December 31, 1991 and the results of its operations and cash flows of its proprietary fund types for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The accompanying combining and individual fund financial statements and schedule of federal financial assistance listed as supporting schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the County of Coos, New Hampshire. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Respectfully submitted,
