

Wanted: Your Data-Related Tales

Students, faculty and staff invited to submit stories

Friday, February 9, 2018

Have you loved your data lately? [Love Data Week](#) is Feb. 12-16, and this year's theme is "Data Stories."

Throughout the week, participants will use storytelling to explore their successes and failures in dealing with research and scholarly data, the role of data in their daily work, and the personal, ethical, and practical implications of living in a connected society that generates massive amounts of data.

LOVE YOUR DATA WEEK IS FEB. 12-16.

So, what's your story? The UNH Library is holding a "Data Stories at UNH" contest. Students, faculty and staff are invited to [submit](#) a true story about an experience they've had with research or scholarly data. Winners will be announced on Twitter and will receive an award.

Submit your story by Friday, Feb. 16, and join the conversation on
