Report of Library Trustees.

Total number of vols. in the library	420
Obtained as follows :	
From the state	104
Purchased by the trustees,	146
Given by the Kingston book club,	99
individuals,	8
State Reports etc, from the town,	63
Amount of money invested in books by the trustees,	\$117 35
Number of cards given out,	276
Average number of books given out each week,	100

The Kingston Book club have on hand several vols. of Magazines which will be donated to the library as soon as the necessary funds to bind them can be had. The library is open Wednesday afternoon from 3 to 5 and Saturday evenings from 6 to 8.

It gives us pleasure to say that the library is being very freely patronized throughout the town, especially by the young. It will prove to be an important educational factor. To keep up the interest, more books must be added the coming year. The annual appropriation of \$25 00 will not be sufficient. We would suggest the importance of a small additional sum.

Respectfully submitted,
