THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Woodstock in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Woodstock on Tuesday, the eleventh day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3. To see of the town will vote to discontinue the original layout of Daniel Webster highway commencing at a stake about four rods north of dwelling now occupied by H. S. Brown to a stake opposite town house said right of way to revert to abutting owners.

4. To see if the town will vote to accept the sum of fifty dollars for perpetual care of the grave of D. H. Sawyer.

5. To see of the town will vote to accept the sum of fifty dollars for perpetual care of the lot of D. Dearborn.

6. To see of the town will vote to allow Esther Burt to operate moving pictures on Sundays.

7. To see of the town will vote to authorize the publishing of Woodstock town history.

8. To see if the town will vote to build a community hall.

9. To see of the town will vote to construct a larger pipe line to the Fairview House.

10. To see if the town will vote to scrape the sidewalks to relieve them of snow also to sand them when icy during the winter months in North Woodstock village and raise sufficient money for the same.

11. To see if the town will vote to buy from H. W. Sanborn the land bordering the river for a school playground.

12. To see if the town will vote to raise the sum of \$2,100 for street lights.

13. To see if the town will vote to raise the sum of \$500.00 for policeman.

14. To see what sums the town will vote to raise for trunk line maintenance, state aid maintenance and state aid construction.

15. To see what sum of money the town will vote to raise for cemeteries.

16. To see what sum of money the town will vote to raise for Memorial Day.

17. To see if the town will vote to purchase a fire motor truck and raise money for the same.

18. To see how much money the town will vote to raise for new sidewalks.

19. To transact any other business that may legally come before this meeting.

WOODSTOCK MUNICIPAL COURT

Dr.

Receipts from all sources	\$1,582.25
---------------------------	------------

Cr.

Paid fees Prohibition Enforcement Officers	\$ 16.50
Paid County officers	53.74
Paid local officers, and assistants, interpreters etc.	330.11
Paid fines and department costs Fish and Game Department	165.70
Paid fines and department costs Motor Vehicle Department	272.00
Paid Lena M. Clark, town treasurer	744.20
	<hr/>
	\$1,582.25

The expenses to the town of the maintenance of the Court was somewhat larger than usual, owing to the difficulty regarding the handling of several cases that required a considerable degree of consultation with counsel, and telephone charges required in attempt to re-capture one prisoner who escaped from the Police Station.

The total expense to the town was somewhat under \$200.00 however, and there is therefore a credit balance in favor of the Court of somewhat over \$500.00.

JAMES C. MUCHMORE, Justice.

OFFICIAL STATE PUBLICITY BUREAU

The Information Booth under the supervision of the State of New Hampshire with Mr. E. W. Clement in charge, opened on July first, 1929, and closed October 13th, 1929.

Mrs. E. D. Burttt kindly donated the room for the Booth and the expense was borne by public subscription with the aid of \$125.00 contributed by the State. The following is a summary of the business done:

United States cars stopped for information	1,835
Foreign cars	32
<hr/>	
Total cars	1,867
Passengers in cars, United States	5,498
Passengers in cars, Foreign	100
People not in cars	890
<hr/>	
	6,468

There can be no question but a State Publicity Bureau is a good thing for a community catering to summer business. Many people to whom information was given returned and thanked Mr. Clement for the courtesy extended to them.

MOOSILAUKE PUBLIC LIBRARY

Report of the year ending, January 31, 1930

Number of patrons	145
Books issued	2,963
Number of books purchased	140

Books and magazines have been given by Mrs. Bunton, Mrs. Parker, Mrs. Keniston, Mrs. G. G. Gordan, Mrs. Cook and Mr Harrington. The manifestation of such interest in our library is appreciated.

Five reference books were donated by The Home and Community Welfare Committee of the Profile Grange for the use of the high school students; this is a good idea.

During the summer the library room was re-decorated and new window shades put in place, making the room very attractive.

Dr.

Cash on hand February 2, 1929	\$ 21.87
On deposit February 1, 1929	4.49
Fines and fees	\$ 32.50
	<hr/>

School Report

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of Woodstock qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the eleventh day of March, 1930, at 11 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for ensuing three years.
4. To choose a Treasurer for ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see how much money the district will vote to raise and appropriate for repairs on school buildings.
10. To see if the district will vote to install electric lights in the Woodstock school house and grade the grounds and to raise and appropriate money therefor.

11. To see how much money the district will vote to raise and appropriate for insurance on school buildings.

12. To see if the district will vote to purchase a lot of land between the school lot at North Woodstock and the river and to raise and appropriate the sum of \$200 therefor.

13. To see if the district will vote to adopt Medical Inspection for the schools and to raise and appropriate money therefor.

14. To transact any other business that may legally come before this meeting.

Given under our hands at said Woodstock this seventh day of February 1930.

IRVING E. COX,
MILDRED G. BASTON,
School Board.

A true copy of Warrant—Attest:

IRVING E. COX,
MILDRED G. BASTON,
School Board.

! To apply for state aid \$4,800.65 must be raised for Elementary schools.

SUPERINTENDENT'S REPORT

Mr. Chairman and Members of the School Board:

I hereby submit my eleventh annual report of the Woodstock schools for your consideration.

The schools opened in September with four new teachers; viz., Ruth Harris at Woodstock, Evelyn M. Staples primary room and Edna A. Bond intermediate room at North Woodstock and Forest C. Butler as headmaster to take the position made vacant by the resignation of George H. Summerville, who has gone to a high school in Massachusetts to teach. Mr. Butler is a graduate of Bowdoin College and the Keene Normal School. He has had two years teaching experience.

Misses Bond, Harris and Staples are graduates of the Plymouth Normal School.

The music is under the supervision of Miss Bond and the regular teachers. In the early part of the year Miss MacNabb acted as music supervisor.

The teachers for the present year are: High School—Forest C. Butler, Carolyn E. Dodge and Eva M. Avery; Elementary Schools—Una M. Sherman, Edna A. Bond and Ruth S. Harris.

The September school census showed 84 boys and 75 girls or a total of 159 pupils in town between the ages of 5 and 16. This is 29 more than were reported one year ago and an increase of 40 over two years ago.

The total registration on September 30th was 174. Twenty-one of those were over 16 years of age. In other words we had 153 pupils in school between the ages of 5 and 16.

From the teachers' registers for 1928-1929, the following data was secured: Visits by school board members 15, by citizens and others 467, by the superintendent of schools 325; there were recorded 268 tardy marks; total enrollment 161; and the per cent of attendance was 93.69. The per cent of attendance was 1.25 less than the previous year.

The following fourteen names of pupils were recorded as having a perfect record for the year: viz., High school—Phyllis Emerson, William Weston; Grammar Room—Charles Burbank, Harold Emerson, Harry Kendall and Wallace Woodbury; Intermediate Room—Victor Benton and Marcia Lynde; Primary Room—Wilfred Ayotte, Alice Fulton, Raymond Martin, Earl Palmer and Beatrice Powers; and Woodstock—Robert Gilman.

The health inspection of school children was made by Addie Bilodeau, R. N. She has done considerable follow up work this year resulting in the correction of many defects. Her report is appended.

During the summer the North Woodstock school building was painted two coats, metal weather strips put on the windows and the furnace and steam pipes in the basement were covered.

The school building at Woodstock needs to be painted. It would also be a good plan to install electric lights in the building, because, for about three months of the year, they are needed especially on dark days.

The school rooms at North Woodstock owing to the increased enrollment have been crowded. We are very much in need of another room in the fall. In the past two years, the school census has shown an increase of forty pupils. There were twenty-nine in the last year. If the growth continues another room will be needed. In other words, the room now used as a library will have to be used for a school room. For another year, we shall be able to change our organization so as to accommodate all the children in the available rooms we now have.

Thirteen pupils are transported by train and a few more by automobile from the Pondfield road.

Standard tests from time to time are used in the upper grades and in different classes in the high school to check up the quality of work being done and to determine whether or not pupils are doing as well as they should. Many times the correlation between the results of the standard tests and the estimated standing

as made by the teachers is very close. This goes to show that the teacher's estimate is not far from correct. In other cases the standard tests show that the pupil is not doing as well as he is capable, in other words, he is not doing his best.

Last June, 13 pupils completed the work of the eighth grade and twelve of them entered high school. The other one went to work.

The Sons of the American Revolution's medal last year was won by Pearl Bell. A similar medal is offered this year to a pupil of the eighth grade. These medals are furnished by Charles A. Holden of Hanover.

There are 38 pupils registered in the high school this year. The work as a whole is going along very well. Some of the pupils are not doing as good work as they should. The parents should take some interest to see that some school home work is done each day. All of the required high school work cannot be done properly in the school time. There must be some home work. See that it is done and better results are sure to follow. The Commercial Course is the most popular.

Mr. Butler's report is appended and made a part of this report.

It is a satisfaction to see that the parents take an interest in the schools and visit them. We wish that they would visit more. In some of the classes there is but little room for visitors but we are glad to see you just the same. Come to see how we get along and observe the kind of work that is being done. There is nothing that is quite as satisfactory as first hand information.

Respectfully submitted,
ALONZO J. KNOWLTON,
Superintendent of Schools.

Mr. Alonzo J. Knowlton, Superintendent of Schools,
North Woodstock, N. H.

I hereby submit the annual report of the Woodstock High School for the year 1929-1930:

The registration in the high school on September 9, 1929, was forty pupils. Sickness, work and marriage, have decreased our number by three, while one student has returned to our roll.

There are twelve seniors, four juniors, two juniors of sophomore standing, four sophomores, four sophomores of freshman standing and twelve freshmen. Of this number, seventeen are young men and twenty-two, young women.

The commercial course is pursued by thirty-two of the pupils. The largest class is physiography, which has an enrollment of twenty-three. The smallest class consists of two pupils in elementary shorthand. The other classes vary from three to twenty-two in size.

There has been considerable pupil activity this year. Talks in chapel have been given by the upper classmen. Plays and programs in the assembly have been presented by the French Club and the different classes. The year has been marked by the pleasant socials in the high school and the Freshman Initiation in Woodstock. The staff of the Profile is now at work on the first issue of the school paper. Plans for the Minstrel Show are now about complete. The Commercial Club is rehearsing several one-act plays for early presentation. The English Classes are working on a debate, the finals of which will be open to the public. Largely due to scholastic standing of secondary strength, the high school could put no basket ball team on the floor this year. This is much to be regretted.

Six students were graduated in the class of 1929. Of these, two are continuing their pursuit of knowledge

at New Hampshire University and Concord Business College. One is employed in a bank, while another is training to be a nurse. Marriage appealed to one, while the farm attracted the other member.

The cooperation of the twonspeople, school board, superintendent of schools and teachers in the assistance given Woodstock High School this year has been greatly appreciated by all.

Respectfully submitted,

FOREST C. BUTLER.

RED CROSS PUBLIC HEALTH NURSE REPORT

1929-1930—Woodstock

School Report

The routine work of the nurse consists of general examination and weighing and measuring of each pupil in the school, with follow up visits in the home to have as many of the defects corrected as possible.

Attendance at Tonsil and Adenoid Clinics held in Lincoln during the summer:

June 25, 1929—Number of operations	9
July 9, 1929—Number of operations	1

Attendance at Dental Clinic held at Lincoln week of January 20.

North Woodstock School:

Number of children who had work completed	18
Number of children who had part work	10

Woodstock:

Number of children who had work completed	5
Number of children who had part work	4

Te school children and the parents desiring to attend the Dental Clinic were taken to the Lincoln Grammar School through the courtesy of the Lincoln Chapter, Motor Corps. The response on the part of the parents to have Dental work done for their children is most gratifying.

The list of defects found are as follows:

	North Woodstock High Pupils 40	North Woodstock Graded Pupils 109	Woodstock Pupils 22
Teeth	23	85	18
Tonsils	9	46	12
Defective vision	7	11	1
Unvaccinated	5	15	5
Pediculosis		3	
Orthopedic	1		
Underweight 10%	11	20	3

Parents were all notified by cards of defects found and requested to consult their family physician for advice.

The list of corrections:

	Teeth	Tonsils
North Woodstock High	7	1
North Woodstock Grammar	21	9
Woodstock	9	

Through the Junior Red Cross a First Aid Cabinet has been bought and installed in the North Woodstock school. First Aid given in the school in the time of accident may prevent a great deal of pain and expense.

By the end of this year we hope to show that more correction of defects than usual have been made.
