## Warrant Articles

To the inhabitants of the Town of Temple, NH in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Thirteenth Day of March next, at ten o'clock in the morning, to act on the following subjects.

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2: To see if the Town of Temple, NH shall vote to adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Temple, NH on the second Tuesday of March. (3/5 majority vote needed) (By petition)

Article 3: To cast your ballots on the proposed amendments to the Temple Zoning Ordinance.

## THE POLLS SHALL OPEN AT TEN O'CLOCK IN THE MORNING, AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the Temple Elementary School in said Temple, on Saturday, the Seventeenth Day of March next, at ten o'clock in the morning, to act on the following:

Article 4: To see if the Town will vote to raise and appropriate the sum of Five Thousand dollars $(\$ 5,000.00)$ to be placed in the Highway Vehicle and Equipment Maintenance and Repair Expendable Trust, previously established by Article \#5, March 13, 2010 Town Meeting under the provisions of RSA 31:19-a. (Selectmen Recommend)

Article 5: To see if the Town will vote to raise and appropriate the sum of Two Thousand dollars ( $\$ 2,000.00$ ) to be placed in the Town Building Maintenance and Repair Expendable Trust Fund, previously established by Article \#7, March 13, 2010 Town Meeting under the provisions of RSA 31:19-a. (Selectmen recommend)

Article 6: To see if the Town will vote to raise and appropriate the sum of $\$ 1,209,194.00$ for town charges as the operating budget and other necessary maintenance and operating expenditures.

Article 7: To see if the Town will vote to close, subject to gates and bars, that portion of Putnam Road represented by the Putnam Road Bridges and to request the State of NH-DOT to re-allocate the money previously allocated to the Putnam Road Bridges under the State of NH Bridge Aid program to the first bridge on Converse Road (Converse Road Bridge \#1)

Article 8: To see if the Town will vote to raise and appropriate the sum of $\$ 26,400.00$, to be placed in the Bridge Capital Reserve Fund previously established under the provisions of RSA 35:1, said sum to come from the State of NH Bridge Aid program for engineering costs for the Putnam Road Bridge. This article is contingent upon receipt of Bridge Aid. (Selectmen Recommend)

Article 9: To see if the Town will vote to raise and appropriate the sum of $\$ 86,000.00$ for the purpose of engineering costs and bid phase services for the first bridge on Converse Road (Converse Road Bridge \#1), with $\$ 57,000.00$ to come from taxation and $\$ 29,000.00$ to come from the Bridge Capital Reserve Fund. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the Converse Road Bridge \#1 has been completed or December 31, 2014, whichever is sooner. (This appropriation is subject to $80 \%$ reimbursement from the State of NH Bridge Aid program). (Selectmen Recommend)

Article 10: To see if the Town will vote to raise and appropriate the sum of $\$ 12,500.00$ for the purpose of performing maintenance on the second bridge on Converse Road (Converse Road Bridge \#2). (Selectmen Recommend)

Article 11: To see if the Town will vote to discontinue the following described roads or portions thereof in accordance with NH RSA 231:43:

1. Tainter Lane, north of West Road;
2. Stone Lane, north of West Road;
3. Holt Lane, north of West Road;
4. Derbyshire Lane, north of Converse Road
5. Jessen Lane, north of Converse Road;
6. Leighton Lane, northeast of Route 45 ; and
7. Tobey Lane, west of East Road
(By petition).

## Warrant Articles

Article 12: To see if the Town will vote to raise and appropriate the sum of $\$ 146,600.00$ to purchase radios, pagers, SCBA and jaws-of-life with $\$ 139,270.00$ to come from the Firefighters Grant and $\$ 7,330.00$ to come from taxation. This article is contingent upon receipt of said grant, if said grant is not received this article, if passed, will be disallowed. If the Firefighters Grant is received, then article 13 will be disallowed if passed. (Selectmen Recommend)

Article 13: To see if the Town will vote to raise and appropriate the sum of $\$ 10,500.00$ for the purchase of pagers and radios. This article, if passed, will be disallowed if the grant in article 12 is received. (Selectmen Recommend)

Article 14: To see if the Town will vote to raise and appropriate the sum of $\$ 38,000.00$ to make an additional payment in 2012 on the Citizens Bank loan for the road grader purchased in 2009 (Recommended by the CIP Committee to "smooth" out expenses) (Contingent upon final approval by the Board of Selectmen). (Selectmen Recommend)

Article 15: To see if the Town will vote to reduce the number of Library Trustees from seven (7) to five (5), pursuant to RSA 669:16 and RSA 669:75; each Trustee shall serve staggered 3 -year terms, or until their successors are elected and qualified, pursuant to RSA 202-A:6; and to ratify the previous elections of the existing Library Trustees to complete 3 -year terms respectively. (Submitted by the Library Trustees)

Article 16: to see if the Town will vote to authorize the Board of Selectmen to investigate the re-institution of driveway plowing within the Town of Temple, contingent upon the passage of Senate Bill 378 by the State of NH Legislature.

Given under our hands and seal this 13th day of February in the year of our Lord, Two Thousand and Twelve,

John Kieley, Chairman
Tedd Petro, Selectman
Michael Darnell, Selectman
A True Copy of This Warrant - Attest:
John Kieley, Chairman
Tedd Petro, Selectman
Michael Darnell, Selectman

Mary Ann \& Ken Sullivan

## Select Board Report

2011 was an active year with many positive events, but it ended on a somber note, with 2012 starting on the same somber note. The Town lost some long time active citizens and we would like to remember Peter Clegg, Animal Control Officer; Richard Whitcomb, Planning Board member; Bruce Kullgren, Sr., Planning Board member and Kathy Nolte, former Town Clerk.

In January the installation of the generators for the Municipal Building, Town Hall and Highway Garage/Library was completed. The generators were put to the test and worked well, allowing town operations to continue during power outages.

In March the voters approved a capital reserve fund for a small dump truck for the Highway Department and named the Selectmen as agents to expend these funds. This turned out to be a wise vote by the town as it was determined that the 2002 Ford F550 had more problems than originally known and we had the opportunity to purchase a 2011 Ford F550 for an amount slightly less than the capital reserve fund.

May had quite a lot of activity. The office was renovated and the new area is a very efficient work space as well as satisfying the requests from the Department of Labor. The work done under the RGGI grant was completed with the installation of air conditioners in the Municipal Building. The Fire Departments brush truck arrived and has responded to various calls throughout the year.

May was also the month that the Select Board received notification from the NH Department of Revenue that the additional money voted for driveway plowing had been disallowed. Over the course of the summer and fall the Board held forums to determine the best course of action. The decision was made to stop the plowing of driveways by the town. A driveway plowing co-operative was formed and the Board has been working with Representative Daler and Senator Bragdon to change the laws. In 2012 you will see a warrant article asking the voters if they would like

the Board to investigate re-instituting driveway plowing if the law is changed.
In July we honored Army SPC Joseph Canavan for his receipt of the bronze medal with valor device and a purple heart for his actions in Afghanistan. Joseph grew up in Temple and entered the Army on September 11, 2008.

We have been working with the Road Agent to prioritize the replacement/ repair of bridges. This work will continue in 2012 with warrant articles asking the voters to approve work on two bridges on Converse Road. Most of the expense will be reimbursed under the State of NH Bridge Aid program.

As we enter 2012 the Board of Selectmen will continue to review the budget and special projects to ensure that the best interests of the Town are served.

Respectfully submitted;

> John Kieley, Chairman, Tedd Petro, and Mike Darnell

Courtesy Willard Photo Collection

## Budget Advisory Committee

For the year 2011, the town worked through challenges with under budgeting for snowplowing and diesel fuel. Our budget provided sufficient flexibility to adjust other expenditures to compensate for those items. This year, thanks to the leadership shown by the various department heads, the BAC is able to submit a budget for 2012 with a $2.4 \%$ year on year decrease from the budget proposed for 2011.

The Budget Advisory Committee recommends the following for 2012:

- A total budget (not including any warrant articles) of $\$ 1,195,920$ subtracting "Other Financial Uses" of $\$ 90,671$. The BAC recommends a total core budget of $\$ 1,105,249$
- Include repairing a fire department pump in the budget.
- Increasing the diesel fuel line to protect against volatile changes through the year.
- Purchasing a refurbished lawnmower for cemeteries.
- Adding $\$ 2000$ to the expendable trust for government buildings.
- Enabling a cost of living raise for the core employees.

The Budget Advisory Committee does not recommend any increases for Wilton or Greenville expenses.

Respectfully submitted,
Steve Andersen, Chairman, BAC
BAC Members:
Ben Tirey, Minute Taker; Brian Kullgren; Mike Davidson; Gary Scholl; Luke Peterson; Selectman Michael Darnell, Ex-Officio

## Capital Improvements Program

The New Hampshire legislature established RSA 674:5-8 to encourage towns to develop Capital Improvement Plans in order to anticipate and plan financially for major expenses. Temple's first Capital Improvement Plan (CIP) was developed in 2004 with assistance from all of the town's departments. The resulting plan was intended to be a living document that would be updated each year to reflect the town's changing needs. The CIP Committee has updated that plan in each subsequent year. We, again, incorporated the input from the town departments to provide recommendations to the Select Board for consideration at town meeting.

The CIP Committee met again in 2011 with the heads of each town department to discuss each item in the plan and to ascertain any new requirements on the horizon. The CIP Committee discussed several scenarios to develop relatively flat year-on-year expense projections across the 10-year period in order to avoid a significant impact on the tax rate in any one year while emphasizing the protection of the current infrastructure and town services.

The committee recommends the following projects be considered for 2012:
Digital Pagers and Digital Radios ( $\$ 10,500$ ): The Fire department requests 20 new pagers and 5 digital radios to be appropriated in 2012. The purchase is required to be in compliance with the new FCC mandates. The Fire Department has applied for a grant to cover $95 \%$ of the cost. The recommended amount constitutes the totals cost of the items.

Bridges and Culverts (TBD): The Road Agent and the Select Board have determined that the highest priority is the first structure on Converse Road. The State has agreed to fund $80 \%$ of the cost of rebuilding that bridge in 2013. The CIP Committee is unable to make a recommendation at this time because the engineering costs are unknown.

Skladany Land ( $\$ 47,900$ ): The Town of Temple voted to purchase this land in March of 2005. The recommended amount constitutes the annual amount due.

Road Grader ( $\$ 42,000$ ): The Town's grader was purchased in 2009. The recommended amount constitutes the annual amount due.

Road Grader ( $\$ 38,000$ ): The CIP also recommends the 2014 payment (principle only) for the road grader be made in 2012. This is to eliminate the payment in 2014 due to a number of items that are due in 2014.

Respectfully submitted, Capital Improvement Committee:

> Dave Martz Chairman, Mary Beth Ayvazian, Charlene Eddy, Connie Kieley, Paul Martin, Barry West, and Select Board liaison Tedd Petro

## Schedule of Town Property

Description Value
Town Land \& Buildings:
Town Hall, Highway Sheds, Library ..... \$843,900.00
Library Furniture \& Equipment ..... $10,000.00$
Highway Equipment ..... 464,421.00
Highway Material \& Supplies ..... 4,350.00
Municipal Building/Fire Station ..... 504,600.00
Furniture \& Equipment ..... 53,557.00
Fire Department Equipment including Trucks ..... 418,085.00
Ball Park, Tennis Court, Cemeteries ..... 251,300.00
Town Dump. ..... $8,000.00$
Land Acquired Through Tax Deed
Richards Land (Town Forest) ..... 224,600.00
Luongo \& Ianninni Land (on Route 45) ..... 549,900.00
Davis Land (on Route 101) ..... 6,900.00
All Other Property \& Equipment
Kendall Ledges ..... 15,200.00
Town Common ..... $124,600.00$
Village Cemetery. ..... $162,800.00$
Route 45 Property (by Elementary School) ..... 99,200.00
Unknown Lot on Hadley Highway ..... 67,200.00
General Miller Highway Land ..... 335,800.00

## Town Officers Salaries

Moderator Thomas Baker ..... \$146.63
Steve Cullinan ..... 102.00
Town Clerk Wendy Drouin ..... $15,912.60$
Deputy Town Clerk Jeanne Whitcomb ..... $1,200.00$
Tax Collector Jeanne Whitcomb ..... $12,141.68$
Deputy Tax Collector Wendy Drouin ..... 200.00
Selectmen John Kieley ..... 2,280.00
Tedd Petro ..... 2,180.00
Michael Darnell. ..... 0.00
Road Agent Timothy P. Fiske. ..... 56,749.59
Treasurer Shannon Kelley ..... 3, 970.00
Deputy Treasurer Jennifer Connolly ..... 271.34
Welfare Officer Iphigenia Hatt ..... $1,379.00$
Forester Allan Oxman ..... 1,339.00
Supervisors of the Checklist Lynda Connolly ..... 282.63
Sandra Wildes ..... 318.75
Robin Downes ..... 146.63
Animal Control Peter Clegg. ..... 600.00
Building Inspection William S. Wildes ..... 225.00
Total \$99,444.85

## Conservation Commission

2011 was a year of slower economy and activity for the Temple Conservation Commission (TCC) as well as for the nation. In such times it can be tempting to look for quick profits from natural resources or through weakening protective regulations. Fortunately in Temple we continue on a steady path of caring for the health, beauty, and rural character of our community. As the Master Plan states: "Preserving critical open space areas is vital to maintaining not only the environmental health of Temple, but also the natural identity, rural character, and recreation opportunities that are so closely connected to the town." It also makes sound economic sense for the longer term well-being of everyone.

The steady attention and regular duties of TCC members are very important for sustaining Temple's character. This year the seven members monitored conservation easements, improved properties and trails at Kendall Ledge and the Town Forest, cleaned up General Miller Highway, and met with residents who wanted to explore easement possibilities for their properties.

A highlight of TCC's 2011 educational work was member Eric Foley's proposal to do a study of the Temple Town Forest for his college capstone project. He will examine the forest history and health, suggest increased recreational opportunities, and propose a forest management plan. In January 2012 he will interview TCC and Planning Board members about their experiences of the Town Forest and visions for its future. Eric will present all of his findings in a public meeting in late spring. Eric has been attending TCC meetings and assisting in projects since middle school. A special category of Junior Member was created for him in 2001 before he became a full member in 2007.

The Commission hopes that other young residents and their parents may be inspired by Eric's dedicated example to attend a meeting, help on a project, and propose new ideas for enhancing our community place. There are two openings for alternate members on the TCC. Inquiries are encouraged and may be directed to any member.

Respectfully submitted,
Bruce Kantner, Secretary

## Highway Department

The year of 2011 was quite calm in comparison to some of the recent years. We had quite a bit of snow in January but things calmed down in February with just a few small-to-medium-sized snow storms. March was cold and wet with just one snowstorm on the 21st.

April Fool's day gave us $7^{\prime \prime}$ of snow to think about, and spring was here. It was then time to deal with the mud, start grading roads, and sweep up the winter sand off the paved roads and intersections.

When the springtime maintenance was finished, it was time to work on our big project for the year; the rebuilding of Mansfield Rd. from Hadley Hwy. to Cutter Rd. This project required over $1000^{\prime}$ of underground drainage to be installed, several culverts to be replaced or repaired, and dozens of very large rocks to be removed from the road bed. Once this was done, Busby Construction Co. came in with a road grinding machine to grind the pavement into little pieces, regrade it back into a smooth well-shaped road, and repave the surface. The project went very well and we are quite pleased with the outcome.

In August, we did our roadside mowing and graded several gravel roads. The Selectmen held a Town Forum on the 18th of August to discuss driveway snowplowing. It was decided that due to the NH state laws prohibiting this and the liabilities that this would place on the Town, that we should give up this practice. Several people discussed forming a private co-op to take over the driveway snowplowing. This co-op did form and is working quite well with about 160 homes joining in.

Hurricane Irene came through on August 28th with 5-6" of rain and 5060 mph winds. The Town of Temple fared quite well with only a few minor washouts and about a dozen trees downed. Northern NH and large areas of VT had extreme flooding that will take years to repair.

September and October were spent mostly preparing the roads and equipment for winter. We put up our winter sand pile, graded the gravel roads, and prepared the snowplows and sanders. On October 29th and 30th, a snowstorm came in and dumped about $24^{\prime \prime}$ of snow on us. It was quite wet and heavy and the power was knocked out in some places for several days. We later discovered that Hillsborough County was declared a disaster from this storm; mostly from all of
the trees that came down in the towns east of Temple. Temple will receive a check for around $\$ 8000.00$ from FEMA to help pay for our expenses from the storm because of this declaration.

It seemed like Old Man Winter had nothing left for us after that storm. We had much warmer than normal temperatures in November and December with very little snow. Most of our time was spent cutting back brush and limbs along the roadsides.

In the summer of 2012 we will be sand-sealing the paved sections of North Rd., Webster Rd., and Colburn Rd. We are also in hopes of rebuilding Old Firehouse Ln . near the Birchwood Inn if the funding is available.

Respectfully submitted,
Timothy P. Fiske, Road Agent

## Cemetery

This year the grass stayed green and grew quite well all summer long with the rain coming regularly each week. Leaves and pine needles were raked up, lawns were mowed, and bushes were trimmed. The shed in East Cemetery was scraped, primed, and painted. A couple of gravestones were repaired.

A tree removal company was hired in December to come in with a crane. They helped us take down four big pine trees along the west side of East Cemetery that were threatening to fall on many of the old gravestones. It seems to be a regular maintenance project having to take down the trees as they mature.

We have added monies into the 2012 yearly budget to purchase a new lawnmower. This will replace the lawnmower that we bought in 1994.

Respectfully submitted,
Timothy P. Fiske,
Cemetery Supervisor

## Temple-Greenville Police Department

I have compared the statistics for 2011 to those for the past 20 years. The result is that we have a lower incidence of crime now than we did in 1991. The police merger has allowed us to pool our resources and do a better job. Not only does the merger save both towns a substantial amount of money, it has greatly improved our ability to hire well-qualified officers. I am proud to say that while neighboring towns are struggling with increased burglaries, ours have gone down. The fact is that the majority of burglaries are drug related. Sgt. D'Auria has a great working relationship with the DEA, NH State Police and the Attorney General's Drug Task Force. His ongoing investigations with these agencies make a tremendous difference. Officer Sprankle is our lead burglary investigator, as well as serving as the department prosecutor. His knowledge and experience in burglary investigation is unmatched. Their combined efforts have lead to many successful arrests and prosecutions. Officers Needham and Rousseau are our newer officers. They have done a tremendous job, beyond my expectation. Both of these officers are gaining experience in the proper handling of incidents and investigations, along with prosecution of cases. Our part-time officers, Officer Maxwell, Officer Valente and Officer Lamarre are an invaluable part of our team. They are always there when we need them. Elizabeth Maxcy-Humphrey has been our department administrator for over 17 years. She keeps the department administration running smoothly and efficiently. Thank you!

In the fall of 2011, we lost a dear friend, officer and co-worker. Peter Clegg had been employed by the Town of Temple since 1987 as a police officer and animal control officer. He also served as the animal control officer for the Town of Greenville. Pete was instrumental in the development of the police and animal control departments. He is greatly missed by the department. I commend him for his service to the town and his friendship.

Respectfully Submitted, James H. McTague, Chief of Police

## Town of Wilton Ambulance Department

2011 was a very interesting year for Wilton Ambulance. Our call volume remained relatively flat. We are continuing to do work to improve our facility at minimal cost to the taxpayers. We have been continuing to teach EMS Refresher Training Programs to help offset the cost of running the service.

In 2011, our call volume remained relatively flat from 2011, up $0.5 \%$. Our calls did come in "spurts", for example, in September our call volume was 40\% higher than the average. This kept our staff busy. Our primary and secondary ambulance responded to every call without calling in a mutual aid ambulance during these times of high volume. Kudos to the personnel for picking up this slack! I also want to thank all our personnel for the staffing of the ambulances. Our volunteers have been staffing our ambulances without missing a beat. Our ambulances have been staffed to the Paramedic level $99.6 \%$ of the time. Our second ambulance which is staffed by volunteers that are available when the call goes out was staffed $88.9 \%$ of the time with a Paramedic. The other statistic that is remarkable is that since 2008, our response time (Time from Ambulance Dispatch to arrival at the scene) has dropped by one minute. This is due to the dedication of the staff of this service.

We have had some building issues over the past year. The building is approximately 40 years old. The roof is leaking, and the water needs a treatment system. We are hoping to fix the roof this year. We are having more, and more, of our staff stay at the station when on call. They are unable to take showers, wash laundry, etc due to the water conditions at the station. We are hoping to fix the water issues by using interest from the Florence Wheeler Fund. This way, there is no tax impact to the citizens of Wilton, Lyndeborough or Temple.

In 2011, we saw 438 patients. This is a $0.5 \%$ increase in call volume.
Respectfully Submitted,

> Gary Zirpolo, EMT-Paramedic
> Chief of Department

Chief Gary Zirpolo would like to thank the volunteers, and per-diem staff of Wilton Ambulance, and thank the citizens of Wilton, Lyndeborough, and Temple for their continued support and dedication to this ambulance service.

2011 Breakdown of call volume by town and location transported:

| Lyndeborough | Other/Unknown <br> (Transfers, <br> Mutual Aid) | Temple | Wilton | Total |
| :---: | :---: | ---: | ---: | ---: |
| 72 | 54 | 65 | 247 | 438 |

| By Hospital | Number | Percent |
| :--- | ---: | ---: |
| Manchester | 9 | 2.05 |
| Milford Medical Center | 38 | 8.68 |
| Nashua | 175 | 39.95 |
| Peterborough | 76 | 17.35 |
| Helicopter/Other or <br> Refused Care, Treatment, <br> or Transport | 140 | 31.96 |
| Total | 438 | $\mathbf{9 9 . 9 9}$ |

Diane Kraemer

## Volunteer Fire/Rescue Department

In 2011, TVFD placed our new Forestry Truck into service. By working with a local vendor, we were able to work together to design the truck to fit our needs while saving thousands of dollars for the taxpayers of this town.

In 2011, the Temple Fire Department continued with furthering our education and certifications so that we may continue to strive to maintain our standards by participating in many Fire/EMS modules.

The Fire/EMS industry is ever evolving. We would like to remind our community members that the days of old school firefighting are no longer acceptable. Today there are new standards set by the NFPA that prevent accidents and injuries from happening to those trying to make your lives safer. These safety standards range from gloves to coats/pants to pumps and nozzles.

With Fire Safety Standards changing to a higher level comes the rise in prices that no one is exempt from. We as a department are forced to update items that are no longer considered safe or are just too old to be fixed any more. We understand that this has an impact on our tax dollars, and frequently apply for grants that would help offset the cost to our town but at this point we need to ask that individually you consider making a charitable donation to the TVFD. Any donations received to the Fire Department Association will be used to help defer expensive cost of items that we are forced to update and replace. Some of these items include a jaw of life system, thermal imaging camera, and gas meters for carbon monoxide detection.

If you have ever considered volunteering to help your community the Temple Volunteer Fire Department could be what you are looking for. We are always looking for new members to join the department and experience is not required. Even if you don't wish to respond to emergency calls, why not consider joining the Fire Department Auxiliary- a group of men and women waiting to assist and support our fire department with such tasks as food prep for large fire scenes and fundraising.

If you are interested in joining the Fire Department please feel free to stop by the station and talk with a member. Our monthly meetings are held on the first Monday of every month @ 7pm or contact me, Mike Connolly, at 603-924-7289.

I would personally like to thank all of the members of the Fire Department and Rescue Squad for their continued commitment and dedication to the Temple

Community. These members have given many hours of their time over the last year and it is greatly appreciated.

Respectfully submitted,
Michael Connolly, Fire Chief

## Temple Town Forester

For the tax year April 1, 2010 through March 31, 2011, the Town received five Reports of Wood or Timber Cut. Two Reports are still delinquent. Yield taxes assessed for these harvesting operations totaled $\$ 8,274.38$. As of January 25 , 2012, four Intents to Cut have been filed with the Town for the current tax year. Over the past year and as we begin 2012 we continue to see a reasonable demand for forest products in our area. Good quality white pine and hemlock continue to command a strong stumpage price. Softwood \& hardwood pulp are also very much in demand. Pricing on red oak and other hardwood have become quite a bit more stable but are still considerably down from their peak of 10 years ago.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs or up to 20 cords of fuel wood for either their own use or for a land conversion. Under these exceptions an individual does not have to file an Intent to Cut form. The tax year runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by May 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by April 15th. At that time a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90 -day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to April 15th. Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, you can contact me through the Selectmen's Office.

Respectfully Submitted by:
Allan Oxman, Licensed Forester \#67

## Temple Forest Fire Warden

We had a minimal amount of outdoor fires in 2011. Permits are required for all outdoor burning, except when the ground is covered with snow.

Permits needed may be obtained from Warden Joe Cournoyer (878-1479) or Deputy Warden/Fire Chief Mike Connolly (209-0699).

Respectfully submitted, Joe Cournoyer, Temple Forest Fire Warden

Linda Bollinger

## Forest Fire Warden $\&$ State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests \& Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests \& Lands at (603) 271-2214, or online at www.nhdfl.org.

Both in terms of the number of fires, as well as the number of acres burned, this past fire season was the smallest since records have been kept. Extensive rainfall virtually all season long kept the fire danger down. When fires did start they were kept very small. The largest fire for the season was only 5.4 acres which occurred in Littleton on May 2nd 2011. There was however a small window of high fire danger in the northern third of the state during July when little rainfall was recorded. During this time there were a number of lightning started fires which are fairly unusual in New Hampshire. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2011 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

## Planning Board

There were few property line alterations to deal with during the past year. The board received just one application for a minor subdivision, and one application for a lot line adjustment, which were both approved.

After the election in March, the following officers were elected for the year: Chairman - Allan Pickman; Vice Chairman - Randy Martin; and Secretary Rose Lowry.

The possibility of making changes to Village District zoning was brought to the attention of residents in the form of a written survey. Questionnaires were mailed out to each household in September, and the results were discussed at a public forum in November. With an overall response rate of 10 percent, the overwhelming mandate was to leave the village area alone.

By far, the most controversial issue the board dealt with this year was commercial wind energy. During the summer we listened to a presentation by Pioneer Green Energy for a possible proposed development of wind turbines to be located in the area of Kidder Mountain, in the southwest corner of town. This began an onslaught of questions, research, conversations, and meetings that resulted in the drafting of a zoning ordinance for Large Wind Energy Systems (LWES). This document was then introduced to the public via a series of forums and public hearings, with subsequent revisions and edits. The final version will be presented to the voters for approval as a ballot question on March 13, 2012.

At the end of December we were profoundly saddened by the sudden passing of one of our board members, Richard Whitcomb. As I make these final edits to this report, we learn that the Board's senior member, Bruce Kullgren, Sr. has passed, after years of declining health. Between the two of them, they gave a total of sixty years service to the Planning Board and Temple, and they will be greatly missed.

As always, my thanks and appreciation go to my fellow board members and to Betsy Perry for all their hard work and support during the past year.

Respectfully submitted,

Allan Pickman, Chairman

## Zoning Board of Adjustment

During 2011 the Temple Zoning Board of Adjustment held four public meetings.

At our first meeting of the year in April we elected officers and made nominations to the Select Board for renewal of members with expiring terms.

In our second, third and fourth meetings of the year we held a continued public hearing for an application for special exception.

I would like the thank the members of the Board for their service and contributions in 2011: Honey Hastings our Vice-Chair, Jenny Houston our Board Secretary, Randy Burnham, Dave Martz and Mary Beth Ayvazian, Alternate.

We have an opening for an Alternate. If you are interested please contact me.
Respectfully submitted, John L. Pierce, Chair

Paul Clifton-Waite

## Mansfield Public Library Report

Our year has been marked by work directed at all aspects of your library.
We have been doing the preparation work needed to automate the card catalog. The transfer will be taking place over the course of 2012 .

There have been several programs for adults and children this year. These have included: "Financial Fitness" in April, The "One World, Many Stories" Summer Reading Program, Odds Bodkin in August, Lego Club beginning in October and the amazing "Lego Your Mind" workshop in December!

Thanks are due to the Village Green Committee for their help with dollars, advice and planting of our new side garden area. Honey Hastings and her busy young volunteers did a fabulous job!

You also may have noticed that the shrubs on the slope in front of the library have been removed. They finally succumbed to the efforts of Linda and Steve Bollinger, Gary and Sorrel Nielsen, Ken Carpenter, Randy Burnham and his tractor and me! We also thank Tim Fiske for his help in planting the rye grass to stabilize the slope. Thanks also go to Matt Cabana for painting the bathroom.

The trustees have been very active, helping with the pie table, working on our first comprehensive employee manual and updating our policies and procedures.

The Recreation Commission and TEEC have met at the library regularly in 2011.

Ebooks and audiobooks are available to all Temple residents for free through our Audiobook Consortium. We also have audiobooks in our collection on site. We offer a public computer, fax, printer and copier. Books and DVDs and other items that you don't see here are often available through the interlibrary loan service. Visit and like us on our Facebook page! Our email is mansfieldlibrarynh@comcast.net, and our phone number is 878-3100.

Respectfully submitted,

Kathy Fedorka, Librarian

## Temple Town Hall Advisory Committee

In 2010, the Temple Board of Selectmen established the Temple Town Hall Advisory Committee (TTHAC) to act as stewards of this town building. The committee acts in an advisory capacity to the Board of Selectmen.

The primary purpose of the committee is to assist in monitoring the use and condition of this building, advising the Select Board on any issues arising that might impact the Town Hall's functionality or appearance. This will ensure that the building remains a vibrant community center for education, enrichment and general enjoyment, and that its historic, functional and financial values are protected on behalf of all Temple residents. Additionally, this will assist the Town in fulfilling its obligation to preserve the Town Hall in the same structural condition and state of repair as when its rehabilitation was completed, in accordance with but not limited to, the term of the Stewardship Agreement that exists between the Town of Temple and the Land and Community Heritage Investment Program (LCHIP). Extending beyond the LCHIP agreement timeframe, the existence of this advisory committee will ensure that the same spirit of Town Hall stewardship is carried forth, and that the preservation of this building continues in perpetuity.

During spring of 2011, the TTHAC reviewed a request from the Historical Society that they be allowed to hang a shadow box in the Annex hallway, displaying glass shards collected from the Temple Glass Works site. The Committee unanimously supported their proposal and recommended its approval. The TTHAC also recommended that the BOS use monies from the Town Hall Restoration Fund to purchase two door mats for the main hall, and to frame the antique dance poster that was donated to the Town of Temple by Ken Carpenter. In November, the second floor Annex carpet was cleaned, following a notification of need submitted by the TTHAC to the BOS. The Committee also drafted the 2011 LCHIP Historic Resources Annual Monitoring Report in November, which was then submitted to LCHIP by the BOS.

In advance of drafting the LCHIP report, the TTHAC met in October to assess the condition of the Town Hall. The committee found the building's interior to be in very good condition overall, but noted that the Main Hall's oak floor is showing signs of wear and requires refinishing. Some small areas of blistering paint on the building's exterior were also recorded, as was the need
for repainting of the north side Annex door and the boards just below the main entrance and south side doors. The Committee informed the BOS of its findings and included them in the LCHIP report, which was submitted to Concord in December. The CIP has requested an updated quote for exterior painting, which they presently have slated for 2015. The Board of Selectmen will see that the Main Hall floor is refinished in 2012.

When using the Town Hall, please take care to report any accidents or damages, as soon as they occur, to Dick Benotti (878-2297), Connie Kieley (878-1220) or Deb Harling, (878-2536). Everyone's prompt attention will ensure that the Temple Town Hall remains a building in which we all take great pride.

## Recreation Commission

2011 was a good year for the Recreation Commission. We held our usual activities over the year, moving the Children's Halloween Party to the Town Hall which worked very well.

We brought in a few new members who will help us to keep these events moving forward and hope to add a few more. We would like to hear ideas for events geared towards the older kids and teens which is an area that is lacking at present. Ideas for adult activities are also welcome.

We would like to thank all the people who have volunteered with the various events over the past year. Thank you so much for your help - without it we would not be able to host many of the activities that people of Temple and their families enjoy. We would also like to thank the other Town organizations who support us and often share their resources with us at different events, it is much appreciated. Thanks as well to our Select Board and Administrator for their continued advice and support.

Anyone interested in joining the Recreation Commission or in volunteering for upcoming events may leave their name and contact info at the Mansfield library.

Thanks for another great year.

Respectfully submitted,
Temple Recreation Commission

## Temple Economical Energy Committee

One of the 2011 success stories for Temple was our victory in the four-town "Energy Challenge" competition with the residents of Jaffrey, Rindge and Bennington. We won by a landslide! And that win brought the prize of an Ice Cream Social to town. By the end of the competition, $15 \%$ of our households had successfully taken the "Energy Challenge". They had stepped up, taken an online survey of their household energy usage, viewed their carbon footprint, and pledged to take at least one new step to save energy and lower their household energy budgets. Together, they will save $\$ 35,656$ and 255,092 tons of $\mathrm{CO} 2 \ldots$.in the first year. And they won Temple an ice cream lover's feast. Over 200 residents with lots of kids enjoyed that prize. On September 24, TEEC members dished out heaping servings of four flavors of ice cream and frozen yogurt donated by Stonyfield Farm, an enormous tub of maple walnut ice cream, made with local maple syrup, from our own Connolly Brother's Dairy, and 5 delicious toppings. It was a fun celebration of local energy conservation and our town's community spirit.

Another success was honored on June 11. TEEC held an Open House Celebration for the completion of the grant-funded upgrades and energy conservation retrofit for the Municipal Building/FD and Mansfield Library. Along with all of the new high efficiency equipment, insulation work, etc, we put a spotlight on the critical value of the aggressive "air sealing" that underscored the project's success. We displayed photos from the work in progress, offered tours, gave a PowerPoint presentation on the story of the work, and, of course, served food and drinks.

TEEC's "Special Exhibit" for the Harvest Festival showcased a solar-powered pick-up truck and solar thermal exhibit outside Town Hall. Inside, we introduced an exciting new initiative just getting underway for our region, the Monadnock Energy Resources Initiative (MERI). It will begin to bring low-cost solar hot water installations and hands-on home weatherizations to our area in 2012, using the neighbors-helping-neighbors/barn-raiser model of professional and non-professional volunteers.

TEEC expanded our Free Home Weatherization Program to make it available for more residents. And our recycling program continued to run smoothly for Good Roads Day, the Harvest Festival, Town Meeting, 4th of July, the Music

Festival and for Temple's Elementary School. At TES, after a discussion on energy conservation with the 3rd and 4th graders, the students turned their ideas into a fun project. The kids took photos of each other taking energy-saving steps that would help cut costs both at school and at home. Then they enhanced the pictures with computer graphics and created a wall full of posters for the school's front entrance. As we promised the kids beforehand, we then photographed and uploaded their posters onto the "Kids Corner" of our website, www.teec.info to share with other children around the world. TEEC's website has continued to garner thousands of viewings from people all over NH , the US and cities worldwide. We continue to update it with energy saving tips, the latest news on rebates and tax incentives for installing renewables, and with environmental news.

On the two energy-related challenges for 2011: 1) TEEC supported the establishment of a local cooperative to provide energy-saving, consecutive, house-to-house driveway plowing. 2) On the wind proposal, our members conducted research, visited other wind farms, and sent reports to the Planning Board. Although TEEC strongly supports renewable energy development, in general, we have not determined that every rural site is appropriate for large commercial wind turbines.

Respectfully submitted,
Beverly Edwards, Chairperson

Bev Edwards

## Animal Control

It is with regret that we cannot issue a list of animal complaints for 2011. Our long time Animal Control Officer, Peter Clegg, became ill early in 2011 and was unable to perform his duties. The Temple/Greenville Police Department stepped up to the task and helped in this area. Thank you to the Police for their efforts. Peter passed away this year and will be greatly missed.

Late in December 2011 the Board of Selectmen appointed Jennifer Rheaume to the position of Animal Control Office. Jennifer has many years of experience with a wide variety of animals and we look forward to working with her.

Dog Owners please take note all dogs over the age of 4 months old must be licensed by April 30 each year, RSA 466:1. The dog tag should be placed around the dogs neck. Not only will this help return your pet if it gets lost, but it's a State law.

For Animal Control Response Please Dial - 878-3474

Respectfully submitted,
Temple Board of Selectmen

## 250th Anniversary Fund

This year the fund approved a grant to the Temple Elementary School to replace playground equipment.

## Monadnock Family Services

Monadnock Family Services is actively serving members in your community through the provision of quality mental health counseling services to anyone who needs them regardless of their ability to pay. MFS offers a variety of services for persons who experience a range of personal mental health problems, including mental illnesses, emotional, and psychological issues. Our substance abuse programs help people to develop new healthy behaviors and to make positive changes in their lives, while our family programs give new mothers the tools they need to bring happy and healthy children into the world. MFS offers prevention services for youth at risk of substance abuse and mental health problems.

The cost to MFS to serve uninsured persons has increased steadily with more people seeking help and care, but who cannot afford to pay. Your ongoing support of our work is deeply appreciated, and we hope that our partnership in caring for the residents of Temple will continue. We pursue many other sources of funding, such as The Monadnock United Way, grants, and conduct additional fundraising efforts through our Board of Directors. Each source helps with only a portion of the total cost of care.

We thank you for your many years of financial support and ask for your continued allocation to help underwrite the cost of services we provide to the uninsured and underinsured individuals in your community. Therefore, based on figures from the 2010 population estimates from the NH Office of State Planning, we are asking for the equivalent of $\$ 1.25$ for each resident in the town, which for the town of Temple, amounts to $\$ 1,708$.

Again, your support is very important to us. By working together, we help to insure our communities remain healthy and vital places to live, work, and grow. Thank you for your consideration.

Jennifer M Bowler, Director of Development
Clients from Temple treated for the year ended June 30th 2011: 31.

## Home Healthcare, Hospice $\&$ Community Svcs

In 2011, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Temple. The following information represents HCS's activities in Temple during the past twelve months.
Service Report
Services OfferedServices Provided
Nursing ..... 283 visits
Physical Therapy ..... 88 visits
Occupational Therapy ..... 28 visits
Medical Social Work. ..... 35 visits
Home Health Aide ..... 146 visits
Prenatal and Child Health Care. ..... 11 hours
Total unduplicated residents served ..... 32

Nurse Is In clinics, geriatric care management and hospice services are also available to residents. Town funding partially supports these services.

## Financial Report

The actual cost of all services provided in 2011 with all funding sources is \$87,128,00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2012, we request an appropriation of $\$ 1,750.00$ to continue to be available for home care services in Temple.

For more information about services, residents may call (603) 532-8353 or (800) 541-4145 or visit: www.HCSservices.org

## Independent Auditor's Report 2010

## To the Board of Selectmen <br> Town of Temple, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Temple, New Hampshire, as of and for the year ended December 31, 2010 which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the town of Temple's management. Our responsibility is to express and opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Temple, as of December 31, 2010 and the respective changes in financial position thereof and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis appearing on the following pages, is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Nashua, New Hampshire
June 1, 2011

## NOTICE

> If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

Read the full statute at RSA 674:39-aa Restoration of Involuntarily Merged Lots.

DATE DUE
