In 2018, following a lengthy and rigorous application process, Chapman University was granted a chapter of Phi Beta Kappa – a significant achievement in the history of the university – with its inaugural cohort of students inducted in 2019. The Phi Beta Kappa Society, founded on Dec. 5, 1776 at the College of William and Mary, is the nation’s oldest and most prestigious academic honor society. Phi Beta Kappa honors the best and brightest liberal arts and sciences undergraduates from top schools across the nation through a highly selective, merit-based invitation process.

It is a rare honor. Just 10 percent of U.S. colleges and universities have Phi Beta Kappa chapters. These chapters select only 10 percent of their arts and sciences graduates to join. Phi Beta Kappa has nearly 50 alumni associations and more than half a million members worldwide. The Society also sponsors a number of academic fellowships and awards.

Noteworthy members include 17 U.S. Presidents, 40 U.S. Supreme Court Justices and more than 140 Nobel Laureates. The mission of the Phi Beta Kappa Society is to champion education in the liberal arts and sciences, foster freedom of thought, and recognize academic excellence. Those inducted into Phi Beta Kappa become members for life, and are connected immediately to a diverse network of high achievers active in science and health care, the arts and humanities, business and technology, and law, government and philanthropy.

Phi Beta Kappa (ΦΒΚ) stands for Φιλοσοφία Βίου Κυβερνήτης (Philosophia Biou Kybernētēs), which means “Love of wisdom is the guide of life.”

The Phi Beta Kappa Key

The symbol of the Phi Beta Kappa Society is a golden key engraved on the obverse with the image of a pointing finger, three stars, and the Greek letters from which the society takes its name. The stars are said today to show the ambition of students, as well as the three distinguishing principles of the Society: friendship, morality and learning. On the reverse are found the initials “SP” in script, which stand for the Latin words Societas Philosophiae, or “Philosophical Society.” Each member’s name, institution of higher learning, and year of induction are also engraved upon the key pin, which is presented at induction. The Phi Beta Kappa key, which can be worn for a lifetime, is an internationally recognized, visible symbol of academic and personal achievement.
