STUDENT-FACULTY PARTY TO BE HELD IN ALUMNI HALL SATURDAY NIGHT

--0--

Proceeds To Be Used To Send Two
Student Delegates To National
Convention Late This Month

--0--

On Saturday evening of this week a Student-Faculty Party will be held in the Alumni Gym, starting at 7.30. There will be something for everyone to do. On the gym floor there will be dancing and floor games, while on the track upstairs table games will be played.

The purpose of the affair is to raise money with which to finance the sending of two student delegates to the National Student Faculty Conference to be held in Detroit in the latter part of December. The student delegates from Maine will be Hildreth "Ikey" Montgomery and Francis Ricker. Charlie O'Connor will go, but not as a delegate from the University. He will attend as a member of a commission of The Council of Christian Associations. The faculty representatives from Maine will be Dean Ascha Bean and Mr. Cecil G. Fielder.

The affair will be a wonderful opportunity for improving student-faculty relations, and we
(Continued on Page 2)

DEAN'S LIST POSTED IN ALUMNI; RUTH WALENTA LEADS CLASS

--0--

The Freshman Dean's List and the lists of those with all A's, all A's and B's, and all A's, B's and C's were posted on the freshman bulletin board in Alumni Hall on Friday afternoon.

Space does not permit us to print the names of all of those who received these honors, but we feel that much credit is due Miss Ruth Walenta of So. China, who received all A's and thus earned an average of 4.000, the highest average in the class.

There were ten members of the class on the list of A's and B's, and 118 on the list of A's, B's, and C's. On the Dean's List there were twenty-eight members of the class.

FRIDAY, DECEMBER 5, Poverty Ball, Alumni Hall at 7.30 P. M.

CALENDER

DEAN STEVENS SPEAKS TO PHYSICISTS NEARLY FORTY ATTEND

--0--

Dean James S. Stevens addressed the Physics Club at its meeting held in Aubert Hall last Tuesday evening, on the subject "The Follies of Science". Following the address the questions from the question box were answered, and Dean Stevens answered questions asked by members of the club. Nearly forty members of the club attended.

Handwritten notes: 11.00, 10.00, 40.00

MORE MEMBERS NEEDED ON
"FRESHMAN" STAFF

--O--

Because of several errors and complications in the plans of the "Freshman" board, the paper is being issued today instead of yesterday as was originally announced. We shall do all in our power to prevent this condition from arising again, and from now on you may expect the paper to be out on Mondays.

There is still room for more members of the class on the staff both in the editorial department, and in the business and circulation department. Anyone at all interested should see "Check" Ramsey at the M. C. A. or come to the next meeting of the staff, which will be held in the M. C. A. Building at one o'clock Saturday.

FRESHMAN GIRLS TO HAVE RIFLE TEAM
CAPTAIN MAC FARLAND TO COACH

--O--

Under the tutelage of Capt. MacFarland of the military department the Freshman Girls' Rifle Team will be organized this week. Those girls whose names begin with the letter "A" to "H" inclusive should report Tuesday afternoon between 1.30 and 4.30 to the rifle range on the third floor of Lord Hall.

The time of reporting for the rest of the girls is between 1.30 and 4.30 on Thursday, December 4, at the same place.

STUDENT-FACULTY PARTY TO BE HELD
(Continued from Page 1)

--O--

have heard that we shall be surprised to know how well some members of the faculty can play.

The committee in charge of the party is made up of six members of the faculty and six members of the student body. Those on the committee are: Miss Pearl Green of the Home Economics department, Mrs. J. H. Waring, wife of Prof. J. H. Waring; Miss Estelle Nason of the Extension Service, Mr. D. W. Morris of the Public Speaking department, Miss Markham of the Research department, and Mr. Cecil G. Fielder of the M. C. A.

The students on the committee are: Lon Cheney, president of the Senior Skulls; Harry Booth of the Owls, Henry Favor of the M. C. A., Hazel Parkhurst of the All Maine Women, Blanche Henry of the Sophomore Eagles, and Ann Buck of the Y. W. C. A.

Love is an ocean of emotion
entirely surrounded by expense.

TRYOUTS FOR DEBATE TUESDAY AND
FRIDAY; MEETING HELD MONDAY

--O--

A meeting of the candidates for the debate team was held in 275 Arts & Sciences Monday afternoon at 4.15 with nearly twenty students present. Mr. H. L. Bricke, coach of the debate team, announced the coming tryouts for the team and the questions to be debated.

The questions on which each candidate is to prepare a speech of not more than five minutes duration are: Resolved: That chain stores are detrimental to the best interests to American prosperity, Resolved: That the nation should adopt a policy of free trade; and Resolved: That the states should enact legislation providing compulsory unemployment insurance. On the last question constitutionality is waived, it does not apply to organizations employing less than ten persons, and does not apply to strictly seasonable occupations.

Each speech should take either the affirmative or the negative side and it should be made clear which side is taken. The girls will have their tryouts Tuesday, December 2, at one o'clock in 240 Arts & Sciences, The men will draw for places Thursday afternoon at one o'clock in 240 Arts & Sciences, and will give their speeches in the same place at 4.15 on Friday.

TO LECTURE ON STEEL INDUSTRY

--O--

TUESDAY evening, December 2, at 7.30 in 305 Aubert Hall Mr. Grover C. Brown, Manager of the Bethlehem Steel Company, will give a lecture, which is open to the public. All persons interested in learning something about the steel industry and the opportunities for college graduates in the Bethlehem Steel Company will benefit greatly by attending the lecture, which will be illustrated.

"FRESHMAN" WILL PUBLISH
CORRESPONDENCE

--O--

Beginning with the next issue of the "Freshman" we expect to initiate a correspondence column, which will be used as a means of discussing class problems, as well as any other topic of interest or importance to the Class of '34. We shall welcome any contributions to this section but all letters should be signed. Leave your letters for the paper at the M. C. A. Building.

FROSH HOOP PRACTISE STARTS

--34--

Forty-five candidates for the freshman basketball team responded to Coach Kenyon's call for practise last Monday. Both Monday's and Tuesday's sessions were devoted to the fundamentals of the game, and the boys were given a vacation for the rest of the week. As yet nothing can be said about how the candidates

will shape up, but many of the boys showed up very well.

The team has a hard schedule ahead, but Coach Kenyon is quite optimistic, and believes he can as good if not a better team than last year's undefeated quintet.

CALL ISSUED FOR FROSH HOOP MANAGER

--34--

Any freshman boys interested in trying out for basketball manager are asked to report at the indoor field at 4.00 P.M. any afternoon this week. Tall boys are especially eligible for this position.

--*--

EDITORIALS

BANANAS

According to the latest reports "Bananas", the University mascot, is to be disposed of. Even though we have seen him but little he has come to mean something to us already, and we shall be sorry to see him go.

To us he represents the University spirit, and he has been immortalized in the new "Band Song".

But it is too late now to grieve over his loss. We should have acted sooner when the Student Senate was trying to raise money with which to support him. It is quite obvious that the Senate received very little cooperation in the project, for had each member of the University done his bit, enough could have easily been raised with which to feed the bear all during the year.

'-*-'

COURTESY OR RESPECT ?

We have noticed that the American Flag flying from the flag-pole near Fernald Hall has been flown all night.

It is true, there is no official law prohibiting the flying of our national emblem after dark, but it is mere courtesy and due respect to raise the flag at sun-rise, and lower it at sun-set. Certainly this respect can be paid here.

INTRAMURAL FEES

--34--

For some unaccountable reason the intramural fees have not all been paid. Intramural basketball practise is due to begin in the near future, and the money must be turned in to buy basketballs and suits.

Everyone cooperate and have his fifty cents in by the end of this week.

ASSISTANT MANAGER OF RELAY

--34--

Any freshman desiring to work out for assistant manager of relay report to Harold Johnson any afternoon at about 4.15 on the indoor field.

FRESHMAN CO-ED RIFLE TEAM

--34--

Freshette rifle team is to assemble at the rifle range in Lord Hall according to the following schedule:

Tuesday, Dec 2, 1.30-4.30 those whose name falls alphabetically between "A" and "H".

Thursday, Dec. 4, 1.30-4.30 those whose names fall between "I" and "Z".

THIS AND THAT

--*--

Hyde Park, that small suburb of Boston, is well represented by Roger Hefler. By a very strange coincidence hefler is another graduate of Tabor Academy. While at prep school Hefler won the right to go on the academy tour to Central America, and did a good job as leader of the orchestra. You can be sure that he took advantage of every advantage while on this beautiful sea voyage. He is also a member of the track squad.

--*--

Newport's gift to 1934 is John Gilman. "Gil" is a very popular young man. In fact he is so much sought after that he has a hard time finding four hours a day for practicing his harmonica. Back in his school days John was a clever hoopster, and he will give somebody a good run for guard on the freshman team this winter.

--*--

And now we come to "Brute" Bullock, the pride and joy of '33. He certainly fills his place in the lime-light. Fred has participated in such sports as baseball, football, and basketball, and is a great example of the American self-made man, which is a very poor excuse. He was going so well socially that he had to have his head clipped for self-protection. He comes from Hallowell, which is the name of a city and
