## WADING + MILITARY

Spring is in the air. Birds are twittering, and the trees--oh, the trees in all their glory are bursting forth with their foliage of leafy paradises. Lovers are crooning their sentimental ditties in each other's ears, and the flowers and butterflies are blooming forth with their share of Nature's beauty a beauty that only they can contribute to an artist's dream.

Over the athletic field three inches of ice water and four inches of mud prevails. Every accessible route to the doors of the Armory has a souvenir of the spirit of Spring. Canoes have not yet been provided for students who are condemned with classes in the Armory.

Rubberboots are scarce, and shoes are being ruined by the dozens. Severe colds are numerous, and most of them are undoubtedly due to wet shoes and stockings. Nothing has been done as yet to insure the students' health and clothes against the sea of water

and mud. If there were at least one good road to the doors of the Armory there would be less complaints than there are at the present time, but such is not the case. Bigger and better roads is our motto!

## CLASS MEETINGS

The Freshman congratulates the class of 1935 on the fine spirit shown in the almost unanimous acceptance of the student loan fund. The class of '35 has shown a fine spirit of cooperation and willingness in almost everything it has undertaken and we hope that this good record will continue. Classes as a rule do not turn out for class meetings and the turn-out for this last meeting, although it could be improved upon very much, was a good representation of the freshman class.

Someone has suggested that lounge rooms be installed on the campus for the benefit of lovesick couples who tramp the cold, bleak farm-road in the wintertime. Well, it is rather late in suggesting it, is it not? Spring is just around That corner--So we are told.

.....  
President Hoover advises us to stop "hoarding" our money. "Well, really, Mr. Hoover, I was saving that dime for church next Sunday."

.....  
Honorable mention should be given to the boys of 308 H.H. for the neat looking room they keep.

### NOTICE

.....  
The Liberal Club will hold their fortnightly meeting this Thursday at 7:30. The topic under discussion will be Birth Control. The place and speakers will be announced later.

.....  
Only three weeks more remain to prepare for the mid-semester. And Spring weather is so conducive to studying!....

## FRESH TO DEBATE OVER RADIO

Hamilton Boothby and Max Rapaport, freshman debaters representing Maine, will debate tonight by means of radio opposing New York University. Each team will debate by radio broadcast. Boothby and Rapaport will speak from station WLBZ in Bangor. The debate will commence at 9 P.M. and last until 10:15 P.M. The judges will listen to the debate in their own homes and then telephone their decisions. The question will be the same one on which our team has debated against Bates and University of New Hampshire last Thursday and Friday nights, namely: Resolved that Congress should enact legislation providing for the centralized control of industry.

Last Thursday Boothby and Rapaport spoke opposing Bates in a no-decision contest. Friday evening they debated against the University of New Hampshire. This resulted in a decision for New Hampshire by a score of 1-0, there being but one judge.

## CO-EDS IN MASQUE PLAY

Two Maples co-eds, Arlene Merrill and Charlotte LaChance, had prominent roles in the play, Ladies of the Jury, presented by the Maine Masque Thursday evening, March 3. Miss Merrill played the leading part in the role of Mrs. Crane, a wealthy, refined, eccentric society woman. Miss LaChance took the part of Mrs. Gordon, a beautiful French woman who was charged with murder.

Miss Merrill has had previous experience in dramatic roles. During her senior year in high school she played the leading part in the senior class play and last year she attended Miss Wheelock's School in Boston where she continued to take part in dramatic presentations.

Esther Pray has been confined to the Infirmary this last week with the mumps. She has now gone home for a short rest.

## FRESH ADOPT LOAN PLAN

By a majority vote of the members of the freshman class who were present at the class meeting held last Wednesday noon in Alumni Hall, the class voted to contribute fifty cents per person towards the Student loan fund. President MacDonald announced to the class that there were sufficient funds in the class treasury so that the members of the class will not be obliged to pay an additional fifty cents toward the fund.

## COEDS ELECT REPRESENTATIVE

Margaret Strout was elected to represent the freshman co-eds on the nominating committee for Women's Student Government Council at a compulsory meeting Thursday noon.

The purpose of the committee, which consists of women from every class, is to nominate persons to serve on the Women's Student Government Council during the following school year.

Miss Strout, the freshman's representative, lives at Mount Vernon and served as president of that house during the fall semester.

## SOCIAL

A vic party for their pledges was given in Balentine last Sat. by the Phi Mus.

The A.O.Pi's held a Yachting Club party at the Penobscot Country Club Sat. Eve.

A tea dance was given by the tri-delts at their house last Sat. afternoon.

"Killy" Kilgore's latest acquisition is an electric clock with the well-modulated tone of a cement-mixer.

Freddy King and Henry Brann, center section of H.H., spent the week-end at their homes in Augusta.

**HEBRON CRUSHED BY FROSH  
FROSH TRACKSTERS SWAMP  
BIG GREEN 85-15**

Taking all places except one first, three seconds, and five third places, the frosh track-team swept to an 85-15 victory over the Hebron track squad in the Armory last Saturday.

Some of the unusual features of the meet were the ties made in the high-jump, 1000 yd. run, and 1 mile run. Three frosh tied for first in the high-jump and 1000 yd. run, while six yearlings broke the tape abreast in the 1 mile run.

Morgan of Maine easily won the high and low hurdle events, with Goddard, also of Maine, placing second in the former and third in the latter.

Higgins unexpectedly took a first in the 50 yd. dash, while Mullaney took a second in that event and later won the 300 yd. dash.

This is the last indoor meet for the Freshmen and great hopes are held for their outdoor season which will start the last part of April.

The summary:

- 50 yd. dash Higgins, M; Mullaney, M; Brown, H. Time 6 secs.
- 45 yd. High hurdles--Morgan, M; Goddard, M; Twaddle, H; Time 6 3/5 secs.
- 70 yd. low hurdles--Morgan, M; Dow, H; Goddard, M. Time 8 3/5 secs.
- 300 yd. run Mullaney, M; Brown, H; Hall, M; Time 33 3/5 secs.
- 600 yd. run--Cole, M; Littlefield, M; Bates, H; Time 1:20
- 1000 yd. run--Tie between Black, Saunders, Briggs, all of M. Time 2:33 4/5.
- 1 mile run--Tie between Saunders, Bailey, Briggs, Marsh, Morong, Anderson, and Barstow. Time 5:12 2/5
- Shot put--Anderson, M; Jordan, M; Pride, M; Distance 40' 5"
- Pole vault--Urbanik, M; Gross, H; Dow, H. Height 10' 8"

High-jump--Tie between Stevens, M; Farbell, M; and Shea, M; Height 5' 1"

Broad-jump--Brown, H; Anderson, M; Twaddle, H. Distance 19' 5"

Relay won by Maine, (Morgan, Goddard, Hall and Black).

Time 1:44 2/8'

**FROSH RELAYS PLACE  
IN INTRAMURALS**

The Oak Hall and Dorm A relay teams did very well in the intramural relay races placing third and fourth respectively.

Phi Eta Kappa beat the strong Oak Hall team consisting of Foster, McGinley, Saunders, and Black in one of the two semi-final heats. However, it was a remarkably close race. Dorm A lost their semi-final heat to Lambda Chi Alpha in another close race. The Dorm A team consisted of Morgan, Hall, Buck and Mullaney, all of whom are well known frosh sprinters.

**FROSH CO-EDS TAKE LAST GAME**

The frosh co-eds squad A outlasted the senior quintet in a fairly evenly matched game played in Alumni Hall last Thursday night to win by the score of 27-34.

Both teams battled evenly from the starting whistle throughout three quarters but in the last quarter the frosh co-eds opened up in admirable fashion and put their opponents on the skids.

This win put the freshman team A in second place in the interclass standing.

The lineup:

- McClellan, center
- Willard, Rowe, forwards
- Crowley, F. Johnson, guards
- P. Johnson, Ross, centers.

It looks as if we are going to have three 3-numeral winners in our midst. Chicko Shea, Johnny Roberts, and Banny Anderson already have numerals in football and without doubt will win them in basket ball and track. Congrats.

## — THE BULL SESSION —

There's one born every minute  
 It's funny how they fall,  
 The kind of guys that think they're wise  
 Are the dumbbolls after all.

---Dedicated to our Iszy Zeitman

What a life! What a life! After such a nice, warm day as yesterday, it has to rain and snow. And just when I was beginning to have a touch of the ol' Spring Fever. All the boys in the dorms were restless and either going for walks or looking out the windows with far-away (places--such as Nasson, Farmington, Oak Grove, etc.) looks in their eyes, and then telephoning the girls' dorms to date up the co-eds. Well, "In the spring a young man's fancy lightly turns to thoughts of ---", but isn't it a bit premature? Or is it always that way?..How do you like the poem this issue? One of our strong and silent men (strong for the girls but silent in classes!) contributed it. Have you passed your pome in yet? We wonder--has the ah-er-um--raiment-(habilliment to you) been returned to the Mt. Vernon co-eds yet? That episode got a lot of publicity, eh wot? Boys will be scoundrels at times, n'est pas? And speaking of missing goods--what happened to the female bull the boys in 209 H.H. were supposed to have thefted? Beefsteaks? ~~At first sniff, we thought that the inmates of 212 H.H. had started a fish market, but on investigating--and it wasn't very hard to do, all one had to do was to follow his nose. We found out that it was merely a box of salt-fish one of the boys had received from home! Phew! But it tasted good with saltines....~~ "Speed" Sherman again breaks into print. This time with a new phrail. (Excuse the "frag") Does that phellow keep a harem, or is it just that the co-eds can't resist him?..And Art Nichols has found a new hideout. He doesn't need a heated room with a lounge, as suggested by our contemporary, the Campus, he prefers a nice, lonely barn with lots and lots of hey!..And "Frosty" Parker goes way up north to visit his women. Indian Isle, they say...We see that Newt come up from Portland to see Hope. It must be love. Pixie and Doug, Hope and Newt, all on one divan. The Maples has its facilities...Down to Mt. Vernon they entertain the b.f.s on the porch. Not so bad. Not so bad. Well, guess I'll give you a break and cut it short. Hey, copy boy. Take this to the Editor. S'long. Tommy

Wilma Perkins of Mt. Vernon, who has just undergone an operation at the Eastern Maine General Hospital has now returned to her home in Portland. Wilma will return to school again after the Easter vacation.

FRESHMAN STAFF MEETING  
 TONIGHT

The Mt. Vernon girls will hold their second informal of the year on March 12. Mr. and Mrs. Moreland will chaperone.

Paul Bean, center section of H.H., spent last week-end at his home in Auburn.
