DEAM CLOKE ADDRESSES

Last Sunday evening in the Recreation Room of Hannibal Ham-lin Hall, a very interesting talk on the Honor System was given the freshman boys by Dean Cloke.

The Dean presented the subject in such a way that he made the underlying purpose of the proposed system very clear. He gave some striking examples of the value of the Honor System; he told of several colleges which have inagurated a system similar to the one proposed for Maine.

An open forum followed and the boys were given an opportunity to express their views regarding the proposed system.

EDIFORIAL

It seems that it is entirely unnecessary for the members of the freshman class to deface any of the university property as was done last Wednesday evening. mere thought that freshman rules are likely to be prolonged if this reoccurs is not the proper incentive to influence its repetition. Certainly no member of this class would willingly deface any of the property of his own home. If not, then why should university property be marked with foolish ditties. The university is your home during the time that you stay here and should be treated as you would treat your own home. Besides, the expense for removing the damage has to be sustained by every member of the freshman class. This cost will in all prob a fight worthwhile and endurable. ability he added to the class dues Sensitiveness and courage are and it is indeed an entirely unnecessary expense. It is earn. estly hoped by the members of the class that there will be no reoccurance of this foolishness, for that is all that it amounts to. When a fellow comes to college he is supposed to be of a more mature mind than the average high school boy. This prank of defacing property seems to be a very childish trick and the university cannot be blamed for being nut out over the matter Aside from all this, the reputa. tion of the class of 1950 must be considered. Everyone watches the activities of its members, and if the class is judged by such actionsion. The reeting closed with the it will be hard to show the true worth of our class to the rest of the university. Very often the virtues of a class are easier to erase than to obtain.

"Hello"

The traditional Maine "hello" is rapidly becoming a thing of the past. Come on, Freshmen, let's do our stuff! It's up to us to keep it going.

THE CHIMNEY CORNER

That was a captivating man at assembley on Tuesday! He was old and tired, but through his frailness, there hept welling up the refined nature, poetic vision, sparkling wit, dashing courage, that had made him shine forth from an isolated isle to lighten the whole world. Hard to think of this purvevor of Irish whimsies as a target for the missles of mobs, as a proqueer planting the audience with police, then deliberately starting the show that would bring on the fight! What had such delicacy to do with violence? One wonders.

But is it not natural that the more sensitive a courageous man is to wrong, the more he feels the obligation to end it? It is the delicate man who has the corpelling sense of need that makes wedded in such persons as William Butlor Yeats, and they bring forth power that captures the heart of the world.

> MISS STONE ADDRESSES FRESH'AN GIRLS

The third meeting of the Froshman Y was held Wednesday evening at Mount Vernon. Hazel Scully, chairman of the program committee, callled the meeting to

CAREOFMEN'S DORMS

We have all seen the new fire Vaughan, Walker, Washington, boxes located on each floor of the Webber, Williard. the follow dormitories. They have been put up are on trial for membership, for the protection of those living Bacheller, Ford, McCausland, there. Let us try to take good care of them, and show others that the class of '36 appreciates them. Wellman.

In years past they have been removed because the freshmen have misused them. Let's not tamper with them, but regard them as a means for protection.

REVELRY AT MT. VERNON

Monday Night Mount Vernon witnessed one of the most boister-ous merrymakings it has ever witnessed in its years of association with Freshman girls. Each and every maiden was requested to dress in costume for dinner.

When the dinner bell finally rang, many and various were the costumes to be seen in the artistically decorated dining-hall. Each one was presented with favors, and a delicious four-course dinner was enjoyed, topped off with pumpkin pie, angel cake, pop-corn and candy.

After dinner, everybody joined in singing University songs. At 8.30 the party broke up, but many strange and unusual happenings continued far into the night.

The Mount Vernonites certainly went beyond their usual bonds of good behavior and decorum, and indulged in one grand and glorious Hallowe'en.

FROSH BAND MEMBERS

The band has made a very fine showing at all the football games this season, and every student should be proud of it for it has had a great influence in developing the Maine Spirit. We Freshmen should be particularly proud of it, since nearly half its members are recruited from our ranks.

The members of the band who are Freshmen are Adams, Barker, Blanchard, H. Boardman, J. Boardman Bridges, Brooks, Brown, Clunie, Copeland, Cunningham, Currie, Duncan, Freeman, Gowan, Harrison, Hatch, Jones, Levensaller, Little, McAlary, Rollins, Sisco, Stewart, Vaughan, Walker, Washington, Webber, Williard. the following are on trial for membership, Bacheller, Ford, McCausland, Mongovan, Morton, Mullen, Murphy, Sanders, Verrill, Viner, and Wellman.

MEN'S SPORTS

FROSH GRIDLERS TAKE TWO GAMES

The Freshman football team enjoyed its most successful week of the season, winning from the Junior Varsity last Monday by a score of 6-0, and rolling over Ricker Classical Institue, 20-0.

The Freshmen made their lone their last games of the season, score against the Jayvees when snapped out of their lethargy and Smith, fleet frost end, intercepted shown what they can really do when a Jayvee pass on his own ten yard they got going. The Sophorores, line and with perfect interference after seeing them boat the Jayvee raced 90 yards across the goal line eleven 6-0 a week ago, don't seem

The first touchdown in the Ricker game came as the result of a steady 65 yard march with Bean and Pruett doing most of the ball carrying. Sargent carried the ball over, and a pass for the extra point was incomplete.

In the third quarter, Little-hale and Bean brought the ball to the 12 yard line. Vermily a took it to the 2 yard marker, and Little hale crashed through right tackle for another six points. Adams kicked the point from placement.

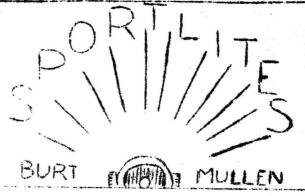

A Ricker pass was intercepted in the final period, and after another march of thirty yards, Littlehale again scored. Sargent drop-kicked the point.

Every member of the Freshman squad played at some time during the game.

HARRIERS IN N.E.I.C.A.A. FEET

The Cross Country teams A and B broke even Wednesday. Team B defeated Winterport, and by a score of 39-45, and Houlton made a perfect score against Team A.

The seven Freshmen finishing first in the meet, Prince, O'conner, Ives, Weston, Beall, Cunningham, and Dionne, were sent to the N.E.I.C.A.A. meet in Boston.
They will return Tuesday.

To the members of the freshman football toam who have, in their last games of the season, snapped out of their lethargy and they got going. The Sophorores, after seeing them boat the Jayvee. quite so certain of an easy win next Saturday as they were previous to the game. It is true that the Jayvee eleven had lost several of its best men who were promoted to the Varsity, but on the other hand, nearly all the Javvoo men had had a yoar's more experience than the Frosh. Moreoever the are nearly all Sophs.

To Al kottenberg, who by playing a nice brand of tonnis, has advanced to the finals of the fall tournament, which will be held Monday or Tuesday afternoon. Great work Al, and the best of luck!

To the members of the Cross Country Teams who were fortunate enough to make the trip to Boston to the N.E.I.C.A.A. meet. It is a fitting reward for a lot of hard work im a sport which knows little of the glory of our other varsity sports. Although the team has little chance of finishing among the leaders, it can be counted upon to do its best all the way through.

ATTEND THE FRESH! AN #SOPHOMORE GAME NEXT SATURDAY

FRESHMAN SCHOLARSHIP CUP

Beginning with the class entering the University in 1930, the University has awarded a cup each year to that Maine secondary school having three or more of its graduates in full standing in the Freshman Class whose representatives as a group attain the highest scholastic standing for the fall semester. The announcement of the award is made as soon as the fall semester ranks are in and the

averages can be computed.

In the spring of 1931 the cup
was awarded to Fort Kent High School.

You can sed how important it is that your standing is bent high and no absenters are reported. The cup awarded last year was a very handsome one and worth trying for. Who will get it this year?

The following are the schools eligible for the competition this year:

Auburn (Edward Littlo) Augusta (Cony)

Bangor John Bapst

Bethel (Gould Acad.)
