FRESHMAN

PLEDGING STARTS WED.

PLEDGES AFTER 5:00 P.M. BINDING

This year the official date for pledging is February 15, at 5:00 P.M. The sororities will end their rushing season with a series of parties beginning February 15. It is not required that those wishing to be pledged must attain any special rank. However, in some fraternities a scholastic standing is required before initiation takes place.

All co-eds must attain a rank of 2. or better to be pledged into a sorority, and also to be initiated.

It has been emphasized by the Intra-Fraternity Council that all persons who accept a bid after 5:00 P.M. next Wednesday evening will be officially pledged. If a pledged member should decide that he does not wish to be affiliated

DEBATE TONIGHT

FRESHMEN REPRESENT MAINE J. V.

In the case of illness Alfred Gordon will be alternate.

FROSH TAKE PART IN SEARCH

SCOUR WOOLS TUESDAY IN VAIN

An unsuccessful search by a group of Freshmen boys was made last Tuesday morning for Professor Ashby's wife who has been missing for several days. Under the direction of the Military Department, and local police officers, this group thoroughly searched the woods on the opposite side of the Stillwater River and northwest of Orono.

The boys were divided into groups, headed by a Sophomore leader; the search started by spreading them out along a road, and in this way they advanced into the woods, which were well searched. Several sections of this territory were scoured by noon, when a lunch was brought out to the Freshmen, and the leaders. In the afternoon another attempt was made, but this also proved fruitless.

FRESHMEN WIN THREEMORE

FRESHMAN STARS HOLD PACE

The smooth teamwork of Woodbury and Johnstone again led Team A to three victories. The last quarters of the Rumford and M.C.I. games were uncomfortably close from the standpoint of Coach Kenyon, while Waterville

with the fraternity of which he is a pledge, the fraternity must be notified and the Inter-Fraternity Council must be informed of the fact within forty-eight hours. The person who does break his pledge will not be permitted to pledge himself to any other fraternity within a year. This is done so that the men will not change their minds concerning the many fraternities.

The rushing season will reach its height in the remaining days before February 15, many smokers and the like having been planned.

Many in the class of 1936 have decided where they will pledge. It is a serious matter and each freshman must choose for himself the fellows and the home with whom, and where, he will live for the next three years.

VODVIL NITE

On the evening of February 24 there will be much excitement about the campus. The reason? It is the annual Vodvil Nite, sponsored by the M.C.A. The place? The chapel of Alumni Hall. The time? In the evening, around 8 o'clock.

Much interest has been shown in late years in regard to this occasion, and this year Vodvil Nite will be especially interesting to freshmen, for the dormitories are considering entering an act. And that isn't all. Each fraternity and each sorority enter an act of some sort, and there is much fun as a result. This year a cup will be awarded to the winning group.

NEW CLASSES STARTING

Beginning today and extending through Tuesday and Wednesday, Feb. 13, 14, and 14, Mr. Erskine P. Noyes will give instructions in the Prone Pressure Method of resuscitation from drowning and electrocution.

Instruction in the method was first given at the University of Maine by Mr. Noyes in 1928 and the results have been so satisfactory that he has been asked to meet the student body. Students will be excused from classes and report in alphabetical groups as follows:

Men: Tuesday, February 14th

Names from F-I Inclusive	9:00 A.M.
J-M " "	10:00 A.M.

Students are expected to return to their regular classes immediately following their assigned period. The instructions will take place in the Gymnasium in Alumni Hall.

FROSH "Y"

Freshman "Y" meetings were held Wednesday noon, Feb. 8th to elect a Freshman Committee to plan the "Y" meetings for the remainder of this year. The rest of the meetings will be held on Thursday evenings instead of Wednesday in the Vernon Parlor.

NOTICE!

THERE WILL BE A COMPULSORY MEETING OF THE FRESHMAN STAFF TOMORROW NOON. THOSE ABSENT WITHOUT A LEGITIMATE REASON WILL FORFEIT THEIR POSITIONS ON THE BOARD!

WOMENS' SPORTS

Both Freshman Girls' A and B teams were defeated Saturday morning. The Sophomore A's overcame the "36" A team by a mere five points while the Freshette B team took a beating from the hands of the Sophomore B team. Both games were fought and proved to be interesting; however, the Freshman A's are "out to get" the Sophomores next time.

The Freshman Girls' A team started the season well last Thursday night when they defeated the Seniors. The Seniors were ahead at the first quarter but the Freshmen gradually scored up on them until the game ended 18-15 in favor of Ye Old Freshmen '36.

Those Freshman girls who are in the Riflery Club this year are: Phylis Hamilton, Elizabeth Jordan, Arline Brown, Louise Steeves, Alice Campbell, and Margaretta Warren.

In spite of the fact that there were several House Parties Friday night, the Maples Stag Dance turned out to be very successful. Although there were nearly twice as many men as women present, everyone seemed to be entering into the spirit of the affair and having a good time, especially the girls. The dance was a success both socially and financially.

was an easy victory.

Arby Doherty was high scorer against Rumford and Breslaw's work at guard was commendable and his scoring good.

In a preliminary game Wednesday, B team defeated Crosby High of Belfast, 20-15.

SPORT BRIEFS

Coach Bill Kenyon will leave with his A Team next Sunday for Aroostook County where five games will be played on successive days. The squad will be away from the Campus for one week.

Two freshmen are on the wrestling team which will meet E.M.C.S. on the 16th at Alumni Hall. John Adams is entered in the over 175 lb. Class. Edward Hanson will be among those grappling in the 145 lb. Class.

Alton Prince, '36, was a member of the Winter-Sports team which was competing at Dartmouth this past week-end. Prince also went to Lake Placid, where he came in fifth in the two mile snow-shoe race.

Coach Ted Curtis has a large squad of men working out, and plans to take a number of men to the state meet at Bates on the twenty-second of February, among whom will be many Freshmen.

The rifle team, which has been cut to thirty members, had a meet this past week with Cincinnati, but the scores are not yet available.

The Freshman track-team faces a battle with Bridgton on Saturday at the Armory. Bridgton is sending a strong representation and Coach Jenkins is putting his men through a stiff work-out.

Huff and Sisco are leaders in the dashes, while O'Common and Peaslee are expected to do well in the thousand yards. Prince, Ives, and Beal will run the long distances. Frame and Thompson will undoubtedly throw the hammer. Sidelinger will throw the discus, if that event is held. Hathway and Gross are entered in the pole-vault. Ireland is expected to come through in the broad-jump.

THE BULL SESSION

Well, Well, here we are back after the nice vacation!---Exams are a thing of the past---How long?---The Team A sure has hung up some records; Listen to this;---Abby Doherty does not know as yet just where the Maples is---He thinks it is somewhere between the Delt and North Hall---Would some kind soul please inform the wayward lad---Those horrid names he called ye Ed. in the locker room after the M.C.I. game---Tsk, Tsk---There seems to be some dirty politics going on down thar at Mount Vernon---The certain Miss Eliasson declined the presidency and her roommate got the position --- Not that we care---Concerning said Mount Vernon---It seems as though Tullen and his gang of ruffians got two tired or what have you, last night---Those Oak Hall birds got winged every so often anyhow--- Has Dave Brown a special correspondence stationery, or is he being initiated into some secret fraternity?---What's the meaning of this? Abbott changed a certain class and Smith goes to the Bijou Saturday P.M.---Where were the Maples girls at the Lambda Chi Informal?---At their little stag dance, of course---That gave the Mount Vernonites an even better chance to shed their usual dignity and attend the "Bum" party in droves and herds---These girlies are dignified--of yea---Speaking of Freshettes---they're being rushed plenty this week---We hear that Vermilyea is a true gentleman---He prefers the blondes---But not so Berry, from reports that come from Exchange Street way---And here's some stale news for ya---Ain't it all?---But this is pre-exam stuff that was sort of overlooked in the rush for books---We hope you understand, says Don McNaughton---No wonder the Lambda Chis chose the Mount Vernonites---They had been stuffing them with ice cream prior to that date---We see that the Trapper has turned tramp sailor---Those who witnessed him at the bum party saw all---They tell us that bear skin coats can be used for a number of things---sk Al Sweeney or Mr. Sturgis---It being now very late, the minds of the various editors are in a parlous condition--not that they aren't usually---this is about the extent of their abilities---So off to bed for all the hard working Eds. who struggle so hard to please you---Maybe.

Goodby.
