FROSH M.C.A. SPORT SEASON BOARD ACTIVE IS AT CLIMAX

Sino-Japanese Situation Discussed
By Doctor William Gilliland
At First Freshman Forum

At the first meeting of the Freshman M.C.A. Board, several important subjects were brought up. It was decided to hold a regular Sunday evening meeting following supper in the recreation room. There will be a special speaker each evening and a discussion will follow his talk. All of the members of the freshman class are cordially invited to attend these meetings which will follow immediately after supper on Sunday evenings.

There will be a Bible Class held Tuesday evening after supper in the recreation room. Mr. Cecil Fielder will lead this group. All of those interested in this Bible study (which will associate every day happenings to those in the Bible) are asked to attend the Tuesday evening classes.

An announcement at a later date will be made concerning various entertainments etc. which the Freshman M.C.A. Forum will sponsor.

Last night the Freshmen of Hannibal and Oak Halls were entertained by Dr. Guilliland, a member of the faculty of the university. Dr. Gilliland spoke about the "Sino-Japanese Situation."

At the conclusion of Dr. Guilliland's talk, an open forum was held in which all were at liberty to express their own views. This is the first of a series of similar talks to be sponsored by the Freshman M.C.A. cabinet.

Frosh Tracksters Close Undefeated Season With One-sided Victory Over Big Green Saturday

Scoring nine firsts and eight seconds in twelve events, the Freshman track team finished its indoor season undefeated as it easily overwhelmed Hebron Academy, 77 1/2 to 30 1/2, at the Armory Saturday afternoon.

Collette, O'Connor, Thompson, and Huff were high scorers of the meet for the frosh team, each one of them scoring 10 or more points. Marshall and Dow scored eight points each for Hebron.

One of the closest races of the afternoon was the 70-yard dash won by Don Huff when he put on a last second spurt to nose out his prep school opponent who had been leading him all the way.

Another good race was the one mile run won by Alton Prince, captain of the freshman cross country team last fall. Second place was taken by George Clarke, another freshman who has shown remarkable improvement in his running during the past season.

In the shot put, the first year men took all three places, with Dana Sidelinger winning with a toss of 118 feet 10 inches.

Hichborne of Hebron came close to the school-boy record when he leaped 20 feet, 10 1/8 inches to win the broad jump. Ireland of Maine took a second place in the event.

The summary:

One mile run--Won by Prince, (F); second, Clarke, (F); third, Marshall (cont on page four)

HOW DO WE STAND ?

As it is difficult to take a definite stand on matters concerning our class, the FRESHMAN finds that it would be most beneficial to all concerned if the members of the class of 36 would express their particular views through the medium of correspondence. It must be remembered that this paper is the organ of our class, and the ideas and opinions of everyone are welcomed by the editorial staff. In this way, by correspondence, the views of many can be expressed, and the consensus of opinion taken as a basis for the editorial stand and policy of our paper.

Any correspondence should be sent to the FRESHMAN in care of the M.C.A.

Miss Sullivan sang *Berceuse* from "Jocelyn". Her rendition of this delightful solo was received by the audience with enthusiasm. Esther Carr played second violin in the orchestra. Those in the University Chorus were Bettina Sullivan, Ruth Gardner, Betty Jordan, Charlotte Fuller, and Carolyn Currier.

In the assembly of Monday, March 13, Mr. Whiting Williams, lecturer on economics, and labor problems, will speak on "What's Industry Doing to Us?"

GIRLS BASKETBALL NEARS END OF SEASON

The Freshman Girls A team was defeated by the Seniors last Tuesday night to decide the class championship for this year. The Freshettes played exceptionally well considering the fact that the Senior team is made up of five players who have played together for four years.

The Freshman girls were leading 9-8 at the end of the first quarter, but the Seniors came back in the second quarter adding five points to take the lead as the half ended. The final score found the Freshettes on the short end of the 29-15 score.

The summary.

The Freshman Girls A team defeated the Juniors Saturday morning by the top heavy score of 51-13. The regular A team played with few substitutions, and at no time during the contest did the Juniors threaten. Agatha Kittrick garnered 27 points for the Fresh.

The following Freshman girls played on the varsity team last Saturday evening as the varsity played the Alumni. Agatha Kittrick, Peanut Harriman, and Helen Carpenter. The score was 42-11 in favor of the varsity. Misses Cassidy and Rogers of the faculty played for the Alumni.

SPORT BRIEFS

Dorm B, undefeated champions of League C in the intra-mural basketball tournament, will meet Tau Epsilon Phi in the semi-finals of the tourney on the Armory court this week.

With the basketball season well nigh completed, and with the baseball season almost here, Coach Kenyon, fresh baseball mentor, is only waiting for the completion of the Maine basketball tournament and the removal of the court before he calls out the aspirants for positions on the frosh nine.

The first call for freshman baseball candidates will probably not be issued before the twentieth of this month, as the varsity batteries will require the exclusive use of the indoor field for the next two weeks. Before that time, the field will be cleared of all superfluous equipment so that a full sized diamond will be available for practice purposes.

The first candidates to be called out will be the battery men, of which there seems to be a goodly supply this year. There are at least four pitchers with considerable experience available for Coach Kenyon,--Kon Alley, Francis McAlary, Grenny Jordan, and Burt Mullen. About the catchers less is known, although Milt Breslaw is reported to have done some receiving, and well as Gerald Beverage.

The athletic department has announced the freshman football schedule for 1933. It is as follows. Oct. 7 Bridgton at Orono Oct. 14 Ricker at Orono Oct. 20 Kents Hill at Orono Oct. 27 Bucksport at Orono Nov. 3 Coburn at Orono Nov. 11 Jr. Varsity at Orono

FRESHMEN BOX IN TOURNAMENT

Four freshmen participated in the semi-finals of the annual intra-mural boxing tournament, held at the Armory last Saturday night, but only one was retained for the finals next Saturday afternoon.

In the first bout, Leo Viner, '36 defeated Karl Harr also a freshman.

In the best match of the night Don Corbett, '34 was forced to extend himself to the utmost to out-point Jim Smith, hard-hitting frosh boxer. For the first two rounds, the bout was a toss-up, but in the final round, Corbett's superior skill and experience began to tell.

In the heavy-weight division, Harry Woods was defeated by Gill Richardson, after he had been downed for a count of eight in the second round.

On the same night of the Phi Kappa Sig informal the Maples held a delightful vic party. To the accompaniment of the vic, fifteen couples wiled away the evening in dancing the "Paul Jones" as well as the latest of steps. Miss Beatrice Raccioppi was in charge of the refreshments served during a short intermission.

THE BULL SESSION

Here it is Blue Monday once again.---We hope you enjoyed our typical Maine climate over the week end.---It seems that the girls at the Maples are observing Lent much to the disgust of cosmetics manufacturers.---No lipstick, rouge, or powder being employed to enrich their feminine charms.---Some of the boys would like to know why Al Gorden doesn't pay his poll tax, and also where he was keeping himself the other nite till 2 A.M. ---Giles Bryer has sacrificed a portion of his physiognomy for the glamour of the mat.---In other words he has a cauliflower ear. ---Apologies to Johnny Adams' bulbous ears.---Windy Brookes is so lonesome there days.---Her only recreation is humming-Where Oh Where is Mr Little Man Gone.--- Are we all sympathetic?---By the way, Marie Archer had a grand time at the Phi Kappa Sig party, than' you.---Ed is a cut forester.---Ann Eliasson was also there and without Art. ---An ardent inquirer would like to know how Elmer Sisco managed to burn his pants.---It would seem that Lazy Man Frame can't stand the steps in Oak Hall.---His grunts and groans can be heard far and wide!---They say that women are the root of all evil.---This seems to have been disproven Saturday afternoon by Dana Sidelinger.---His femme gave him enough inspiration to win the discus throw.---What prive glory!---When Georgia Fuller goes home for a weekent, Stan arrives an hour before she comes back Sunday nights, and waits for the little one in Mt. Vernon Hall.---Such persistence, perseverance, or what have us?---Mag.
