## NUMERAL CLUB REVIVED AGAIN

The Numeral Club, which has been more or less dormant since last year, was revived again last week. A meeting of the men who had won their numerals was held and officers were elected. Phil Rogers was elected president. Tom Lees was elected to the position of vice-president, Charlie Cain secretary, and Bill Smart treasurer. A social committee was also appointed at this time. On it are Link Fish, Bob Miller, Bill Thompson, Stanley Dunlap, and Don Kelley.

Don Huff, a representative of the Pale Blue Key society, under whose auspices the club is held, was in charge of the meeting. He pointed out that a club had been organized in the past and it had had meetings at which the numerals had been awarded. A motion was brought up that a dorm dance be held by the Numeral Club. It met with instant favor. It is as yet uncertain, but there are strong indications that it will be held. The probable date will be April sixth, the first Saturday night after vacation. There will probably be passed around some time the first of next week a slip to see just about how many would come if the dance were held. If you have any intention of going, this slip should be signed so that the committee can get an idea how many would come. If not enough state that they will come, the affair will have to be called off, because the club has not as yet any financial backing. So if you plan to come, sign the slip and help make the dorm dance a reality.

## ONE FRESHMAN TITLIST IN BOXING

One individual title went to a Freshman and another Freshman was a finalist in the recent boxing tournament. Clifford won the light heavyweight title from West.

## FRESHMAN BANQUET TO BE HELD ON CAMPUS BREAKING OLD CUSTOM

At a meeting of the class officers, it was thought favorable to have the annual class banquet on the campus this year. It was pointed out that most of the other banquets that had been held in former years in Bangor had been more or less failures. As it was impossible to have it on the night of April twelfth owing to the Sophomore Hop which is to be held then, it was recommended that it be held on April twentieth.

The class voted last Friday on two things: whether they wanted the banquet held on campus, or in Bangor as formerly, also whether they wanted to have a dance following the banquet. Both motions were carried by a large majority.

Plans are being made to provide for entertainment at the banquet. There will be speakers from outside and some professional entertainers. There will be music during the banquet.

## LATEST MASQUE PLAY "DOUBLE DOORS" GREAT SUCCESS, THREE FROSH IN ROLES

Three Freshmen took parts in the play "Double Doors" by Edward O'Neil. The play was ably acted and all of the players deserve much credit. The Freshmen who portrayed parts were Wally Gleason as a butler, Solveig Heistad the part of the maid, and Walter Richardson, as a butler was also ably done. We don't pretend to be theater critics in any sense of the word, but may it be suggested that it would be much wiser for "Martin Scrivner" give much more constructive criticism to these beginners, than so much emphasis on the criticism of the veteran players who took part in the play.

## THE FRESHMAN

The FRESHMAN is published on Mondays during the college year by members of the class of 1938 of the University of Maine.

## DORM DANCE

Z Plans are being made for a dorm dance to be held soon after we return from vacation. In order that these plans go thru there must be co-operation on the part of many persons. Last year a similar affair was planned-in fact the committee had even had programs printed-but it had to be called off at the last minute owing to unforeseen difficulties.

One serious question that the committee has to look after is the question of money. Before the dance is put on there must be enough turnout promised to cover expenses.

The dance would benefit the Numeral Club, the sponsors of the affair, very much. Through this club the numerals will be awarded in the future. In the past the numerals have been awarded in a very informal manner. You merely had to call for them at the office of the athletic director. The Numeral Club will give them out in a more formal way. They have much more significance when awarded this way. Get behind a worthy project and help make it a success

## SIGMA CHI BOYS ENTERTAINED

Several girls entertained boys from Sigma Chi, at a vic party Fri night at Balentine. Programs were of wrapping having edges burned by fire and tied with shoestrings, and marked "Fire Sale" in red crayon. One of the main decorations was a Sigma Chi banner salvaged from the flames. "White Heat" was played...

Between the Winter and Spring  
When the snow is beginning to melt  
Comes a pause in the year's recreation,  
Which is known as the "Sport-writers Hell".

(Pardon me, Mr Longfellow)

The quest for the Hurd Tennis Trophy got under way Tuesday with three Freshman doubles teams in the running. The field of 58 players is the largest ever to compete for the Trophy. Healy-Elliott met and defeated the team of Stevens-Merrill representing Phi Kappa Sigma 6-3, 6-4. The combination of Pratt and Edwards won a first round default and the Van Gundy-Frost team have yet to play their first match.

Was it at the Prep school Tourney that this gem matured? The action was fast, even rough and two of the boys squared off; "For two cents I'd knock your block off." The other was belligerent; "Scram, you dirty professional."

With the annual Aroostook trip, the Freshman Basketball Team A drew a very successful season of eight victories and four defeats. Outstanding in the season were the successive victories over four undefeated teams: Hebron, Gilford, Rumford, who went on to win the state high school title, and Winslow. In a three period over-time game the team defeated a strong Presque Isle team, snapping their victory streak at fifteen. The high scorer of the season was Honorary Captain Rogers with 123 points.

Team B did not fare as well as their older brothers in the past season, ending with a record of three victories and four defeats. The high-light of the schedule was a

20-18 win from a strong Machias team. Arnold Veague was high-scorer for the B team with 34 points. Les Tarball scored 30 points before he was promoted to the A team for the Aroostook trip. Schedules and high scorers for the two teams follows:

Was I fast? Lissen, guy, when I played first for the Giants, every time I hit one of my home-runs I reached first base before the spectators could hear the crack of the bat. Then when I rounded second, the second baseman usually said something that made me sore, so I slapped the third baseman in the catcher's mouth. (Battalion)

Four individual titles were garnered by the freshman entrants in the Annual Wrestling Tournament held in the Gymnasium last Tuesday night. All four of these wins came by decisive falls. In the 120 pound class Laing was the victor. W.A. Smith won a smashing victory in the 135 pound division. Adams threw another freshman, Raymond, in the 155 pound class.
