Student Ideas

Never call a sin a sin if it is a pleasure (Walter Whitman)

Tradition wears a snowy beard, romance is always young.

Beauty seen is never lost.

Who never wins can rarely lose,  
Who never climbs as rarely falls.

He speaketh not; yet there lies  
conversation in his eyes.  
By thunders of white silence.

In a saturated solution, the molecules are all wet.  
The earth makes a revolution every twenty four hours.  
One reason for the discovery of America was to see if they could ~~cross~~ the equator without melting.  
A peasant is a bird like a turkey but it isn't.  
The executor of a will kills the persons who are named therein.  
Etiquette is little things that you do that you don't want to do.

Editorial

To the editor of the Freshman;

The M.O.C. wishes to express its appreciation for the cover of the issue of March II. This is not meant as sarcasm; we really mean it.

Aside from the fact advertising that we derived from the cover, it displayed a wholesome feeling of familiarity and friendship which is most desirable here in college.

It may be of interest to you that this cover, feet, tent, title and all, has been placed on file in the permanent records of the Outing Club.

Thanks, and may you keep up the good work.

Very truly yours, Robert Laverty

Sentiment is intellectulized emotion,--emotion precipated, as it were in pretty crystals by the fancy.

The great end of life is action not knowledge.

How short our happy days appear,
How long the sorrowful!

M.O.C. News

The M.O.C. is planning an exceptionally good meeting for next Thursday evening at 7 o'clock at 30 Winslow Hall. This meeting is open to the public, not, only to the members, and it is expected that everyone will enjoy the meeting.

Mr. Whicker, of the English department, is to be the principal speaker, and will tell several stories, experiences, anecdotes, and such. As you probably know, he has had various experiences, he is the ex-champion dwrestler of the navy, has been a news reporter, and has had many other novel positions.

At this meeting, another over-night trip for the near future will be announced. On the trip freshmen members who wish to work for the Pack and Pine will be able to do so.

Two other projects are under way at the present; Repairing of the canoe for use on the river, and building of the cabin at Green Lake.

FOUR FRESHEN IN LATEST MASQUE PLAY "ANOTHER LANGUAGE"

In the recent Masque play tryouts, four Freshmen were awarded parts. One of the leading roles is to be played by John Clarke. He will play opposite Dorothy Sawyer who is a Senior and a veteran of many Masque plays. Other Freshmen who have been awarded parts are, Lewis Edwards, Stan Fuger, and William Van Gundy.

Typical conversation

Adolph-We've been told that spring would be a dreary season if it were anything else but spring.

Hun Bun- Seems that spring is not such a dreary season from all that we've heard tell.

A.-And if you can't have your cake and eat it you'd better do it quickly before it gets stale.

H.B.-Yes A.- my dear sister, early to rise is worth two in the bush.

A.\* But H.B., my little flutterbrain, there's no use crying over spilt milk as there is enough water in it already.

H.B.-Oh, you eat at Balentine too?

## BY MAYA

There is no good arguing with the inevitable, the only argument available with the East wind is to put on your overcoat.

The Freshman Track Team opens its spring campaign Saturday against the formidable Deering High School team. The Freshmen have been handicapped somewhat by the inability to work outdoors, while the Deering tracksters have been out two weeks. The Freshmen, however, on the strength of their undefeated indoor season, are favored to win. In the dashes the Freshmen are represented by Dow, Boettcher, Pettengill, Kelley and Shea. Hurwitz and Dean should score points in the quarter, and the half will be taken care of by Fuller and Troll and. In the longer distances Cain, Wishart, and Hersey will carry the Freshman colors. Sorrell-topped Johnny Gowell, high-scorer of the indoor season and one of the best hurdlers in the state, should take care of his specialties. He is ably aided by Smart and Sherry. Smart, Haggett, and Ireland should bring Freshman points in the high jump. The broad jump is well balanced with Gowell, Kelley and Boettcher. The weight men have had little chance to work, but Drake, Kelley, Sherry, and Harvey are looked to for points in the discus. Rogers, Ireland and Kelley give the Freshman a good representation in the shot put. Javelin points should fall to Sherroy, Dow and Boettcher. The hammer is the unknown quantity but the final results should find Drake, Rogers, Sherry, and Ireland in the money. The meet gets under way at the Stadium.

The call for Freshman baseball went out last week and over ninety infield and outfield candidates are reported. Coach Kenyon, working under difficulties of a crowded cage, has put the group through infield and bunting practices. Pitcher Cary, Riedman, Additon, Sherry and greenlaw have been holding the spotlight. Catchers Fox, Grodinsky, and Veague look smart behind the plate. It is hard to pick outstanding infielders, but Don Adams and Lees have showed form around the initial sack; Elliot, Ward, McCann, A Adams, Lord and Timson have looked good in the infield. Batting practice and the call for infielders will come next week.

If all the students that sleep in classes were laid end to end, they would be more comfortable.

When the fifty-eight men who started in quest of the Hurd Tennis Trophy doubles championship drew in to the semi-finals, there were three freshmen still in the running: Hooper and Crocker, who played together, and Brookes, who teamed with an upper-classman, Fogarty. These two teams met in the semi-final round, Brookes-Fogarty winning, 6-4, 8-6, 6-3. In the finals they met and lost to the team of Cronkite-Perkins in four sets, 5-7, 9-7, 6-2, 8-6. As the score indicates the match was close and much praise should go to Brookes who was the outstanding man on the court.

A bull throwing a professor would make the perfect campus news story.
