SWEETPINGS

Nitengales at the Maples and Betty Knotts is all a-twitter....
Roses to Ruth Pagan from Paul, many happy returns of the day Pag.
....Lou denies all statements made in last week's FRESHMAN, but
sometimes we wonder!....And Normie laughed and laughed because
he knew that he couldn't take Pheobe to the movies because of
financial standing....Who are the Freshmen fellows who put pen-
nies in Ken Leather's light? Won't somebody please give a little
light on the subject?...Who is Gail Lantis' Little Audrey "?....
Freshman! What do you think of big bad men in plain clothes who
offer half frozen kids a ride and then take them to the police

stateion? See Cap Brann for details. How
did you like the desk Cap?... Who is the
fellow who fell for Peanut in Bangor , Sat-
urday? ...Guess poor Harley was sort of left
out Saturday. His date went to Portland and
left him in Orono."I'm awfully sorry, but I
had to go home for a minute Friday night".
....Clarke Kuney seems to be going Pagan
along with the rest of the fellows....We
hear that Fran missed Libbie the other
week-end...Maggie Pierce was observed trip-
ping over hill and dale with a good-look-
ing specimen of male humanity. We wonder
what was so interesting about wading
through about a foot of beautiful Maine
snow?...The heathen(seems like she is
always making some colysem) went to the
Island with Roakes to see her mother.--
Haw-Haw! (That's Paul-enty funny) (...
WE'VE seen Virgie Webber bobbing around
here and there with Cail..... We under-
stand that the Bangor Restaurant has a
new form of entertainment. First floor

Maples and fourth floor Balentine received the honors.....Why
doesn't Magazine go the the Chateau any more, a L'il lonely?...

Signed--
