**This year's Town Report is dedicated
to Robert "Bob" Brann
for his many years of service to the Town of Windsor.**

Bob has been the Windsor Historical Society President since 1988. He is also a Windsor Fair Trustee and has been heading up the following Windsor Historical Society (WHS) Projects:

- 10 Sleigh rallies
- Constructed the pit saw
- The structural and historical preservation of many beautiful buildings and landmarks such as:
 - The old Somerville School building
 - The Cole House
 - The Blacksmith Shop
 - The Icehouse
 - The museum building and most recently, the rebuild of a 100-foot post and beam building to house a 100-year-old sawmill from Albion. Not to mention, this sawmill was then intricately reassembled into working condition for all to experience firsthand!
- Bob received an award from the Maine Fair Association on behalf of the WHS – "Exhibiting the Historic Past".

After a long battle, Bob recently underwent surgery for a heart pump implant so his heart can properly pump blood throughout this body which has taken a financial toll on him and his family. Bob and his family would never ask for themselves, but donations would be appreciated.

Windsor Strong

The Board of Selectmen is pleased to report continued progress on town improvements for the benefit of the citizens of Windsor.

We plan to continue our efforts to upgrade and improve our roads. We have reached above the 90% level of completion of road work in the last 10 years. We now hope to work on a maintenance schedule that will keep them in good condition for some years to come.

Our budget process this year has been completed and as always, we are awaiting the final version of the States' budget process. The prospect is for a significant reduction in State funding this year due to the effects of Covid-19 on the economy.

As always, we welcome visitors to our regularly scheduled meetings every other Tuesday night beginning at 6 pm. The schedule is posted on our web site (www.windsor.maine.gov) and on the new electronic sign in front of the Town Office. You can also check the website for The Hub which we use to communicate important and/or special events.

Regarding special events, the Town has managed to remain available to the people of Windsor though the Covid-19 pandemic. At the beginning, we served people by using a drop box method where folks were able to bring their paperwork to the front door and call in for service. We then opened an outside walk up window for those that wanted more direct contact with the office personnel. We now have a walk-through process in place for those wanting face to face transactions (enter as usual but exit out the front of the building.)

Respectfully submitted,

Ray Bates-Board Chair

TOWN MANAGER'S REPORT

This past year began strong with everything moving in a forward direction. The Town of Windsor's Financial Condition ending June 30, 2019 was \$1,330,774.00 and in good standing to comply with our auditor's recommendation of having at least three months' worth of expenses set aside in case of any unexpected emergencies.

Over the summer of 2019 we moved forward with Major Road Construction and had ditching, tree brush cutting, culvert replacements and paved the Piper Road, Coopers Mills Road, Griffin Road and Reed Road.

The winter was a challenging and strong one, but we were able to keep the bottom-line budget within its guidelines. We have filled the sand shed back up, mixing it with salt, without going over budget and are ready for next year. We had some Public Works truck repairs/breakdowns which made us go over what was budgeted but the bottom-line is still under budget.

Then March came and we had a pandemic on our hands with COVID-19 (Coronavirus). This made for a very challenging way of keeping our Town up and running. **Although the doors were locked to residents the Town Office never closed.** We were able to answer phone calls, handle transactions through the drop-box and mail and then moved to having a walk-up window open with taking the precautions that were recommended by the Governor and the Maine Center of Disease Control (MCDC). In June we re-opened the office doors for walk-in customers with the direction of the flow of traffic being the entrance still in the back but now exiting through the front of the building to complying with the Governor's order and the MCDC guidelines. **We are recommending masks be worn and to follow the social distancing guidelines recommended by the Governor's order and the MCDC.** Through these unprecedented times and changes being made daily we are here for you. (WINDSOR STRONG!!) **The Board of Selectmen voted to have all past registrations due by June 30, 2020.** This will allow the Town to maintain the cash flow and keep the town functioning. This was a very difficult time for us with having to get Budgets ready for the next year. The Board of Selectmen still met bi-weekly in person complying with the Governor's and MCDC orders.

The Governor moved the June election to July 14, 2020 which allowed the Board of Selectmen to also move ours to that date. The Board also voted to move the Town Meeting to July 15, 2020 at 6:30 p.m. **(All voting and Town Meeting will be at the WINDSOR ELEMENTARY SCHOOL – July 14, 2020 voting will be from 8:00 a.m. to 8:00 p.m. and July 15, 2020 Town Meeting will begin at 6:30 p.m. - so we can comply with the Governor's order and MCDC guidelines for social distancing.)**

DON'T FORGET TO VOTE. ABSENTEE BALLOTS ARE NOW AVAILABLE.

Knowing the upcoming financial challenges that we will all be facing, I recommended the Town's Expense side of the budget be reduced from what was originally proposed and to end up with somewhere near a flat budget, which in return ended with less than last year. You will see most of these changes are within our Reserve Accounts. This was very challenging but under the circumstances this needed to be done. The Board of Selectmen and Budget Committee agreed.

During the pandemic, the Transfer Station stayed open normal hours with having NO Recycling on Saturday's due to lack of staff. **We are recommending masks be worn by residents and having the residents remove their Municipal Solid Waste from their vehicle and place on the small scale for weighing. Keep in mind to social distance as much as possible.** We hope to re-open recycling to its normal hours soon.

Through the daily/weekly/monthly challenges of COVID-19 (Coronavirus) we have made the appropriate changes as recommended by the Governor and the MCDC and we are **"WINDSOR STRONG"** and will get through this together. I want to thank all Town of Windsor's dedicated employees, Board of Selectmen, and committee members for their commitment to the Town of Windsor.

The employees of the Town of Windsor strive to do the best job they can whether it is working in the Town Office, on our Town Roads for the Public Works Department or at the Transfer Station with our Recycling and Municipal Solid Waste.

Please remember to check on your neighbors and stay safe.

Theresa L. Haskell,

Town Manager

PUBLIC WORKS

SAFETY COMES FIRST!!

PLEASE be considerate when driving by any Work Zones and SLOW DOWN for flaggers and workers within the Work Zone Areas. Also, during winter hours, please SLOW DOWN and pull over when approaching a Plow Truck so they can maintain and plow safely in and around mailboxes for the safety of everyone.

THANK YOU.

We were able to pave the Piper Road, Coopers Mills Road, Griffin Road, and a portion of the Reed Road. Our potential paving plan for this year will be to pave the Barton Road, Choate Road and Sampson Road which keeps us within our projected cycle. We will keep moving forward on brush cutting, shoulder work, ditching and replacing driveway culverts where needed.

The Road Supervisor (Keith Hall) would like to thank his dedicated employees for the year-round projects, repairs on the trucks and the long winter hours during the winter storms.

PLEASE DRIVE SAFE!!

THANK YOU!!

Town Clerk's Report

Kelly McGlothlin

Citizens of Windsor,

It has been my pleasure to serve the residents and greater communities of Windsor. I appreciate the support of the public and collaboration with our Town Manager, Select Board, fellow colleagues, departments, board and committee members, and election personnel.

The municipal clerk's office primary responsibilities include the care and preservation of municipal records. We record vital statistic information such as births, deaths, and marriages. Birth records from September 1995, death records beginning in 2011, and marriage records beginning January 1, 2017 are kept electronically in the State of Maine's DAVE system. The following is a fee schedule for these records:

Marriage License.....	\$40.00
Birth, Death, or Marriage Certificate.....	\$15.00
Each Additional Copy of Certificate.....	\$6.00

Hunting and fishing licenses, snowmobile, ATV, and boat registrations are also issued in the Clerk's office using Inland Fisheries and Wildlife's MOSES system. You must have proof of having held a previous hunting license or having taken a Hunter's Safety Course in order to purchase a Hunting license.

There were 598 dogs registered and 1 kennel licenses issued in 2019. Dogs 6 months or older that reside in Windsor for longer than 10 days must be registered annually by December 31st.

You must have a current rabies certificate in order to license your dog. You will also need to provide proof of spaying/neutering. A spayed/neutered dog license is \$6.00, and \$11.00 for an unaltered dog. We now offer on-line dog licensing, through the state's website at www1.maine.gov/cgi-bin/online/dog_license/index.pl Please be aware that you must be able to submit your current rabies vaccination to us if requested when using the on-line licensing. Per state law, a \$25 late fee applies to any dog registration as of February 1st.

Please visit our website:

www.windsor.maine.gov for the most up-to-date information. Here you will find public notices, calendar of events, tax maps, meeting minutes, election information, office hours, and contact information.

The Town of Windsor does accept payments by debit/credit cards. There is a convenience fee of \$1.00 minimum, or 2.5% of the total balance. We do not at this time accept payment online nor by phone.

The following page contains records of deaths and marriages from January 1, 2019 to December 31, 2019. There were 20 recorded births in the Town of Windsor.

Respectfully submitted,

Kelly McGlothlin

Registrar of Voters

Kelly McGlothlin

You may register to vote during regular business hours or at the polls by filling out a voter registration card. In order to vote you must be a citizen of the United States, a resident of Windsor, and eighteen (18) years of age. You must show proof of residency such as a Driver's License, current motor vehicle registration, hunting/fishing license, or any official document showing your current address. If you are planning to be out of town on Election Day, you may request an absentee ballot. The request must be made at least three business days prior to voting day unless you have a special circumstance. Ballots will be available up to 30 days prior to an election

2020 voting will be held at the Windsor Elementary School, 366 Ridge Road, Windsor, Maine on July 14, 2020 from 8:00 a.m. to 8:00 p.m.

Currently there are 1,864 Registered Voters in Windsor. There are 423 Democrat, 694 Republican, 111 Green Independent, and 636 Unenrolled.

I would like to thank the following people for their help and hard work during the elections this year. Whether you were a moderator, warden, ballot clerk, election clerk, deputy registrar, or even just helping set up booths, I really appreciate all you have done and are willing to do to help make our elections run as smoothly as possible. Thank you!

Respectfully submitted,
Kelly McGlothlin Registrar of Voters

Cemetery Sexton Annual Report

Cemetery Committee Members

Richard Gray, Jr., Selectman	Theresa L. Haskell, Town Manager
Thomas Reed, Committee Member	Bonnie Squiers, Committee Member
Liz Harriman, Committee Member	Joyce Perry, Cemetery Sexton

You can obtain a copy of the **Cemetery Rules** by calling the Town Office or you can download a copy from the Town of Windsor website at www.windsor.maine.gov.

The Town of Windsor sold **6** Cemetery Lots at Resthaven Cemetery in 2019 and one single at Oak Hill.

Cemetery Activities for 2019:

Buried in Town Cemeteries	19
Buried in Veterans Cemeteries	3
Buried in Private Family Cemeteries	0
Buried in another town/or out of state	3
Unknown burial locations	8
2019 Spring Burials	3
2020 Spring Burials	4

I want to give special thanks to Tom Reed for stepping up and overseeing all the 2019 Spring Burials in my absence.

This year one of the major accomplishments at Resthaven was done by the Boy Scouts and their adult leaders and mentors. A big thank you to them for removing part of the old fence from Route 32 down the Maxie Mills Road and putting up a Chain fence. It came out beautiful and we are grateful to them for their hard work. I also want to thank them for putting flags on all the Veterans graves and removing them in the fall. We are fortunate and grateful for their dedication and commitment to our community.

The Turf Doctor came in early summer and treated parts of North and South portions of Resthaven Cemetery. They returned in the fall and seeded the areas and from what we saw in the fall it looks like we will have grass in the spring. They will continue to maintain the areas that there were worked on and thus the hackweed and grubs should continue to disappear.

2019 Stone Maintenance of Windsor Cemeteries:

- Dyer Hill Cemetery – 4
- North Windsor Cemetery – 8
- Oak Hill Cemetery – 2
- Resthaven Cemetery – 18
- The repairs to these stones vary and consists of leveling, poxie, resealing and filling cracks.

Mowing contracts went out to bid in February and were due back into the office by March 3rd. I'm pleased to announce that Maurice Soucy won the bid for up to a three-year contract.

I would like to thank the Cemetery Board Committee; the Public Work's Department; Town Manager; and the Board of Selectmen for their continued dedication and support in helping to maintain and keep our cemeteries looking beautiful.

Windsor Veterans Memorial Committee Report
for 2019-2020

We are so pleased to have the continued support of the community. Many thanks go out to all our taxpayers and community that has helped to make this project a reality. We are very close in being able to make our last payment on the monument. However, we have a way to go; and that is for the base for the monument, and some landscaping that will need to be done in order to lay the pavers that have been sold.

We have been collecting names since the fall of 2017. February 1, 2020, we stopped collecting names and went with what had been submitted to us. The names were organized and put into a spreadsheet and sent to Provost Memorials to be engraved on the stones.

In addition to the support from the community, several Fundraising Events took place in 2019.

Windsor Fair Flower Auction
Downeast Brass Band Concert
Pie Sale at Hussey's
Pie Auction
Yardsale sponsored by the Windsor Historical Society
Selling of Pavers

We are very grateful to the Ladies Aide who have made and served wonderful desserts and beverages during the concert and have provided pies and bake goods for various events to raise money for the monument.

We are also grateful to the Windsor Historical Society for providing us with a table at their Annual Yard/Antiques and Crafts sale that they sponsor in August. Look for this event – you never know what you may find!!!!

Pavers are being sold to help raise money for the monument. You can honor a Veteran or loved one at the Windsor Veterans Memorial by purchasing a paver. Need more information? Contact the Town office and they can help you. Samples of the Pavers can be seen at the Town Office.

Costs for Pavers are as follows:

Granite pavers come in three different sizes:

12" x 6" - \$ 250.00
12" x 12" \$ 500.00
24" X 12". \$1,000.00

Concrete pavers come in two different sizes:

9" x 6" \$ 100.00
12" x 12" \$ 200.00

This honorable project that the town has taken upon to achieve could not be accomplished without the many volunteers, the Fundraising Committee, the Selectmen, Town Manager, the Board members and most importantly you the towns people. Thank you so much for everything everyone has done, thus far, to achieve this goal.

Events: Check the Windsor Town Office Website often to see what is happening in the town and when Fundraising Events will take place that will support the Veteran's Memorial.

Thank you to everyone for supporting the Windsor Veteran's Memorial.

Respectively submitted,

Joyce A. Perry

**Town of Windsor
Code Enforcement Officer's Report
For the Year Ending 12/31/2019**

There was a total of 40 building permits issued during 2019. The permits included the following:

Single Family Homes	6
Mobile/Modular Homes	3
Remodeling	8
Commercial	0
Decks	2
Garages/Storage Buildings	11
Woodsheds	7
Barns	3

The number of permits issued has decreased from 2018. There were not as many problems in code enforcement but there has been an increase in the number of **yards that need attention because of littering and/or more than 2 unregistered and uninspected vehicles.**

Also, please remember that any building larger than 8'x 8' or an assessed value of more than \$2000 in real estate taxes requires a permit.

If you have any questions or need a permit, please give me a call or meet me at the Windsor Town Office on Tuesday evenings from 6:00 p.m. – 7:00 p.m.

WINDSOR RESCUE ANNUAL REPORT 2019

6/22/2020

To the Residence of the Town of Windsor

The EMT's of Windsor Rescue continue to be pleased to report and serve the citizens of Windsor and provide The Annual Report of Windsor Rescue. We continue to be active in both our rescue efforts and our community service. This past year we responded to 200+ EMS, Fire, and Mutual Aid calls. Our Professional growth continues with our monthly training sessions both on and offsite. These programs help to expand our knowledge base and enhance our learning opportunities.

Our specialized equipment continues to be certified and up to date, especially the defibrillator. We are in hopes of replacing our AED this year and we continue our fund-raising as we try to keep our budget request to the town as low as possible.

As before we continue to encourage and invite any individual to visit us at our monthly meeting, and educational session to see what we do. It is hoped that by chance some of you might be interested in joining our group; we normally meet every 3rd, Wed of the month at the Fire station starting at 6:30 PM. We continue to be a small close-knit group and very supportive of each other and knew faces would be welcome. Hope to see some of you soon.

Remember it is with the help and volunteerism from our community that we will be able to continue to provide the emergency care that you all deserve and need.

We, like all other services are challenged with this COVID-19 but we are prepared with all the appropriate PPE as directed by CDC and EMS directions. So be safe out there and continue with social distancing and we should all come out of this epidemic safe and stronger in the future.

I Remain Your Most Humble Servant,

Raymond J Chavarie Jr. EMT-I

Re: Annual Report for Calendar Year 2019

Town of Windsor,

For the period January 1, 2019 to December 31, 2019, Windsor Food Bank provided 17,553 meals, and approximately 400 meals to the Windsor Elementary School's backpack program. Additionally, for Thanksgiving and Christmas 2019, Windsor Food Bank distributed \$1750.00 in Hannaford gift cards.

On July 12, 2019, Windsor Food Bank filed Articles of Incorporation with the State of Maine and became an IRC 501 (c) (3) organization on August 6, 2019. The corporation seeks to provide food resources to meet the needs of food insecure families for a period of 7 days during each month of the calendar year.

Our food bank is about people helping people and I want to express my deepest gratitude to all the people who supported Windsor Food Bank each month by distributing food, volunteer board members, and performing various other tasks too numerous to list.

Most of all, I wanted to thank everyone who financially contributed to Windsor Food Bank in 2019. Without your generous contributions of food and cash, the food bank would not be able to provide food to our friends and neighbors who from time to time need our help. I would remiss if I failed to thank our Town Selectmen and folks who work for the Town of Windsor. Without their outstanding and continuous support, Windsor Food Bank would not be able to open its doors.

While we are looking forward to another successful year, I want to remind everyone that Windsor Food Bank is here to help. We are open on the first and third Wednesday of each month from 5 to 7 pm. If you have questions, concerns, or a great idea for how we can reach more people, please call the food bank at 207-512-6294. Lastly, financial contributions to Windsor Food Bank are always welcome and encouraged.

Sincerely,

Tom McNaughton

Windsor Historical Society

PO Box 27

Windsor, ME 04363

The Windsor Historical Society has been active since 1973. Our mission is to gather, restore and display historical buildings and artifacts for the residents of Windsor and all those who attend Windsor Fair to enjoy. Our complex is comprised of more than ten antique buildings; most were built in Windsor or surrounding towns and later moved to the fairgrounds. The buildings are furnished with period artifacts and we offer demonstrations in many of them during Windsor Fair.

2019-2020 was another busy year for us. We continued to work on the Weeks Mills Water Tower and had water pumping during fair week. We set up the shingle mill, milling shingles during fair week. The broom factory is set up, and we are busy crafting brooms.

The Windsor Historical Society could not prosper without our volunteers and the donations we receive. We thank everyone who has donated time, artifacts and/or money, no matter how little or great that donation might be. However, we are faced with an aging membership and look to you, the residents of Windsor and surrounding towns to spread the word to those who might be interested to join our Society. We feel that the Windsor Historical Society is a leader in bridging the past with future and with your help, we will continue to grow.

Our monthly meetings are the second Wednesday of the month, April through November; they are held in the Malta Room on the fairgrounds and all are welcome to attend.

In closing I ask that you visit our complex during the 2020 Windsor Fair week. We are busy building 9 days of activities to acknowledge Maine's Bicentennial Celebration. Many new demonstrations, lots of historical facts regarding our State, and kid's activities should enlighten all that stroll the grounds.

Please follow us on Facebook.

Respectfully submitted.

2020 Assessors' Agent Report

Under current Maine law, for taxes assessed on April 1, 2020 the Homestead Exemption value will be \$25,000. To qualify for the Maine Homestead Exemption, you must be a legal resident of the State of Maine, have owned residential property in Maine for at least the past twelve months and the homestead must be your permanent place of residence. You can only claim the exemption for one property and cannot claim the exemption in any other state. When a property is sold, the exemption is removed and the new homeowner must apply for the exemption. Applications must be filed by April 1 each year. Applications received after the filing date are not valid for the current year. Once your application has been approved, it is automatically renewed each year that you qualify for the exemption.

Legislation passed last year establishes the Property Tax Relief Fund for Maine Residents and requires the fund to be used to provide property tax relief payments directly to Maine residents whose residence qualifies for an exemption under the Maine homestead property tax exemption. When the fund reaches a target balance, the Treasurer of State is required, by March 1, to mail checks for the tax relief payment to each owner of a qualifying homestead. This year the payment was \$104 for each property that qualified for a Homestead exemption on April 1, 2019. To receive a check, you must have a Homestead exemption and you can't have a Homestead exemption unless you submit an application to the Assessors.

The Maine Veteran Property Tax Exemption is currently \$6,000. You qualify for an exemption if: 1) You served in the U.S. Armed Forces during a recognized war period or other recognized service period or you received an Armed Forces Expeditionary Medal; and 2) You will be at least 62 years old on April 1 or you are receiving a total disability pension from the U.S. Government. An important change was made to the Veteran's Exemption eligibility. The law eliminated the requirement that a veteran of the Vietnam War must have served on active duty for a period of more than 180 days. If you are a veteran of the Vietnam War who would otherwise qualify for the exemption in the past but did not because of the 180 days of service requirement, this change would allow you to apply for the Veteran Exemption.

A new law for this year is an exemption for renewable energy equipment. The law exempts solar and wind energy equipment, except that of industrial power suppliers, from property tax. A taxpayer claiming the exemption must file an application with the municipality in the first year the exemption is sought. Maine Revenue Services will be developing an application for this exemption and it should be available prior to the April 1 filing deadline. As soon as it is available, it will be posted to the Website or it can be picked up at the Town Office.

All participants with parcels enrolled in the Maine Tree Growth Tax Program are required to submit a current forest management and harvest plan and file an application and Forest Type Map with the local assessor every ten years. If a piece of property enrolled in the Program was transferred, the new owner has one year from the date of transfer to comply with the provisions of the law. Landowners who fail to meet the requirements of the law are disqualified from classification and must be withdrawn from the program. The required withdrawal penalty must be assessed by the Town.

Forms for all property tax exemptions and additional information can be found at <http://www.maine.gov/revenue/forms/property/appsformspubs.htm> They are also available at the Town Office during office hours.

The Assessors' Agent's schedule is available at the Town Office by the first of each month. If you would like to meet with me, please call the office to schedule an appointment.

I am thankful to your dedicated Town Office Staff for their assistance and to the Assessors for their support. Thank you for the opportunity to serve as your Assessors' Agent.

INDEPENDENT AUDITORS REPORT

August 15, 2019

Board of Selectmen
Town of Windsor
Windsor, Maine

Report on the Financial Statements

I have audited the accompanying financial statements of the governmental activities and the major fund of Town of Windsor, Maine, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Town of Windsor, Maine as of June 30, 2019, and the respective changes in financial position, and where applicable, thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters
Required Supplementary Information

Management has omitted Management's Discussion & Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. My opinion of the basic financial statements is not affected by this missing information.

Accounting principles generally accepted in the United States of America require that the budgetary comparison information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge I obtain during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

 Of Governmental Funds
 to the Statement of Activities
 For the Year Ended June 30, 2019

Net change in fund balances - total governmental funds	\$	91,091
Amounts reported for governmental activities in the Statement of Activities are different because:		
Governmental funds report capital outlays as expenditures. While governmental activities report depreciation expense to allocate those expenditures over the life of the assets:		
Depreciation expense		(433,189)
Capitalized asset purchases		593,461
Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position:		
Capital bond obligation principal payments		70,776
Bond proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the Statement of Net Assets:		
Capital note obligation proceeds		(88,100)
Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefor are not reported as expenditures in governmental funds. They increase liabilities in the Statement of Net Position		
Change in net OPEB liability with deferred inflows and outflows		(3,989)
Revenues in the Statement of Activities that do not provide current financial resources are not reported as revenues in the funds

“TAKE IT OR LEAVE IT”

GAME SHOW

Due to the ongoing Coronavirus, we have unfortunately made the decision to postpone our annual "Take it or Leave it" fundraiser this year.

We appreciate the community support and participation, as well as the generosity of local businesses that have made this fundraiser a success for our Fire Department. We will certainly miss seeing our families and friends, but we look forward to having a bigger and better fundraiser in 2021.

WASHINGTON, DC 20510

January 1, 2020

Dear friends,

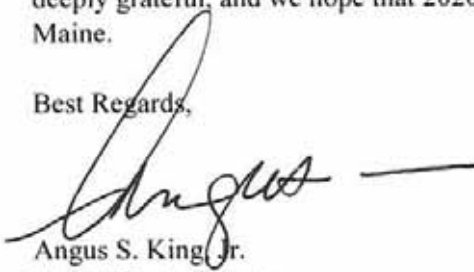

The beginning of a new year provides the opportunity to reflect on the progress of the past 12 months. If you've been watching cable TV, you might think that every waking moment of 2019 in Washington has been consumed by divisive, partisan issues – and while there's no shortage of those debates, there have also been opportunities for bipartisan cooperation. You sent me to the Senate to make the most of those opportunities, so as we enter into the New Year, I wanted to take a moment to update you on my efforts to work with members of both parties to make life better for the people of Maine.

One of my most important priorities this past year has been emphasizing preventive healthcare. Maine's distinction as the oldest state in the nation brings us wisdom, of course – but it also creates unique challenges, particularly relating to healthcare. The key to addressing these obstacles is being proactive, because the cheapest, safest medical procedure is the one that doesn't need to happen. That's why I've introduced legislation to incentivize healthier living, expand mental health screenings, and help more Americans access regular check-ups. We're making progress, but we've got a long way to go – and I'd like your help, because I know that the best ideas are the ones that come from families and communities on the front lines of these challenges. To strengthen this effort, I convened a policy forum on prevention in Bangor in October, which has already given me exciting new ideas that I'll carry with me into 2020. If you have additional thoughts on encouraging preventive healthcare, please share them with my office.

This year has also continued the growth of Maine's forest products industry – a key focus of my work to revitalize Maine's rural economy and communities. We've seen significant investment in mills across the state, creating good jobs to support rural Maine. I'm also pleased that the investments aren't just in our mills – the industry is thriving because of its commitment to innovation. We're fortunate to have the University of Maine's top-notch researchers exploring cutting-edge ways to use our forest resources, including capitalizing on the rise of 3D printing technology with the world's largest 3D printer. Combining this work with ongoing federal support, our vast forests, and Maine's dedicated workforce, I know that the future of this industry is bright, and I'll continue working to support it on all fronts.

I'm proud of all we've accomplished together this year, but even as I reflect on all that we've achieved, it is challenging to not think of the work left undone. It sometimes can be discouraging to watch these important priorities hang in limbo, but fortunately for me, encouragement is never far. After all, I get to live in Maine – which means I get to count Maine people as my neighbors and friends. I'm always struck by the kindness that our citizens show not only to me, but also to each other. This focus on collaboration and compassion is an inspiration, and it powers my efforts bring a little bit of Maine common sense to Washington. Thank you for all you do to for our state – Mary and I are deeply grateful, and we hope that 2020 will be a good year for you, your family, your community, and the State of Maine.

Best Regards,

Angus S. King Jr.

CONGRESS OF THE UNITED STATES
1ST DISTRICT, MAINE

Dear Friends,

I hope this letter finds you well. It's a privilege to represent you and your family and I am thankful for the opportunity to update you on my work in Washington and Maine.

In 2019, I was honored to work with my colleagues to pass hundreds of bills that address everything from fighting climate change to raising the minimum wage. And while Congress has become an increasingly partisan place, I was proud to continue my habit of reaching across the aisle, introducing a number of bipartisan bills and cosponsoring even more.

On the House Appropriations Committee, I worked to support programs important to Maine, such as rural broadband investment, Head Start, PFAS clean up, and shipbuilding at Bath Iron Works. Further, I firmly believe we need to make substantial investments in all aspects of our infrastructure, from safe drinking water and modernized schools, to upgraded highways, transit, and rail. From my seat on the Appropriations Committee I advocated for increased funding for the BUILD grants program which funds investments in transportation infrastructure by states, local governments, and transit agencies. I also pushed for increased funding for the Community Development Block Grant program, our national park system, local and organic agriculture, election security, and the Land and Water Conservation Fund.

Since my time in the Maine State Senate, lowering the cost of prescription drugs has been one of my top priorities. This year I introduced two bills that would help Americans afford their prescription medications. I also voted for a bill that would allow the Centers for Medicare and Medicaid Services to directly negotiate prices for certain drugs. I look forward to continuing this important work in 2020 so Americans are no longer faced with the choice of picking up prescriptions they desperately need or putting food on the table.

I am sure this coming year holds many challenges and opportunities for our country, and I promise that the interests and principles of Mainers will continue to guide my work. If there is anything my offices in Washington or Maine can do to be of assistance – whether you, your town, or your organization is applying for a grant; you're facing an issue with a federal agency; or if you'd just like to share a thought or opinion – please do not hesitate to reach out.

Best wishes,

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the “Military Widow’s Tax,” an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people’s health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine’s Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation’s premiere biomedical research institution, including significant boosts for Alzheimer’s disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation’s crumbling infrastructure and ensure that Maine’s housing needs are addressed. For Maine’s roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee’s Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS’ Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

STATE OF MAINE
OFFICE OF THE GOVERNOR

Dear Friends:

When I took the oath of office to become Maine's 75th governor, I never imagined that we would face a global pandemic. But that is our current reality, and it is my solemn responsibility to guide our state through this unprecedented time to keep Maine people safe and healthy.

COVID-19 is wreaking havoc on our national economy, dealing heavy losses to businesses of all sizes, while millions of people find themselves newly unemployed. Here in Maine it has taken the lives of over 90 people and sickened many more. While we all dream of going back to the way things were, the fact is that our lives will not return to normal soon. Instead, we have to invent a new normal – a different way of doing business, shopping, traveling, and enjoying the Maine outdoors – one that keeps us all safe.

My Administration, in collaboration with public health experts and business leaders across the state, developed a plan to gradually and safely restart Maine's economy, and we recently released a Rural Reopening Plan for those counties where no community transmission is present. My Administration has also formed an Economic Recovery Committee charged with assessing the economic impacts of the pandemic on Maine's economy and providing recommendations for policy changes to deal with these impacts. Together, drawing on the hard work and resilience of Maine people, we will rebuild and strengthen our economy and rise from this unprecedented challenge a stronger state than ever.

I continue to be amazed by the strength and courage of the Maine people and businesses who have found different ways to do business and the brave first responders in your town and in our health care facilities. Thank you to the people of Maine who have demonstrated patience, kindness, and compassion during this difficult time.

Please take care,

Janet T. Mills
Governor

Dear Windsor Neighbors,

It's an honor and privilege to serve as your State Representative for House District 80. I realize having a responsive state government is important and am encouraged by those who have reached out to me on various concerns and I am able to assist you at the state level. I urge all of you to stay informed and engaged as we in Augusta try to do what's right and improve the lives of our friends and neighbors.

One of the highlights of this past regular legislative session was to make sure all qualified Maine homeowners receive checks for a minimum of \$100 through the Homestead Exemption. This is a small but good start. One of my goals going forward is to ease local property tax relief by making sure public education is adequately funded, Revenue Sharing is increased, and the State properly prioritizes its budget so that our overall tax burden is alleviated as much as possible. This will help ensure that Mainers will be given the best opportunity possible to succeed and prosper right here in our home state.

As I am writing this, Maine is facing the serious threat of the potentially deadly Coronavirus. It is the goal of the entire Legislature and indeed all of Maine government that this crisis is faced with diligence and the highest of priorities. The health and welfare of all our citizens is paramount.

I periodically send out emails throughout the year regarding legislative issues that are important to many of you. Should you wish to receive this correspondence, please contact me by phone at 207-287-1440 or email me at Dick.Bradstreet@legislature.maine.gov.

Again, thank you for the opportunity to serve you in the Maine House of Representatives.

Sincerely,

Rep. Dick Bradstreet

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the privilege of serving you in the Maine Senate. I am honored that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

Maine is in the midst of one of the greatest periods of prosperity in its history and has led the nation in a number of economic categories over the last several years. Unemployment is at record low levels, wages are up, and state government has had seven straight years of surpluses. The number of children living in poverty is in a steep decline, and Maine now leads the nation in equality for women in the workplace and politics.

Though we have accomplished a great deal in the past year, there is still much more to be done. Maintaining the prosperity that you have built over the last several years tops the list. We can do this by holding the line on government spending, doing our best to stay out of the way of local businesses so that they can thrive as a result of their own hard work, and making sure that government is the most fiscally responsible steward of your tax dollars. These will be a few of my priorities this coming year.

My colleagues elected me as Senate Republican Leader, and I have used the position to listen to my fellow Senators' ideas and viewpoints. Together, we have done our duty to ensure the best interests of all Maine citizens. I also serve on the Marine Resources Committee, which has jurisdiction over the state's commercial marine fisheries management, including the processing and sale of marine fish, shellfish and aquaculture. I look forwards to a collaborative session, working together to continue to improve Maine for generations to come.

Again, thank you for electing me to serve you in the State Senate. The 129th Legislature certainly has a great deal more work to do; but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at 287-1505 or Dana.dow@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

A handwritten signature in black ink that reads "Dana L. Dow".

The Kennebec County Sheriff's Office is pleased to make the following report regarding the services we provided to the people of Kennebec County in 2019. These services include the Law Enforcement Division, Corrections' Services, Civil Process and Transport Division. We provided many regional assets to our communities including Drug Investigations, K-9, Dive Team, Sex Offender Registry, Veterans Advocacy, and Accident Reconstruction.

In 2019 Deputy Sheriffs serving in the Law Enforcement Division both in full-time and part-time capacity logged thousands calls for service. As a result deputies made 735 arrests or summonses, 544 traffic summonses issued, thousands of warnings and responded to 691 motor vehicle accidents. Deputy Sheriffs also responded to 338 alarms, 139 domestic disturbances, and assisted other agencies 498 times. Deputies and Detectives made 33 drug seizures. This is merely a snap shot of what we do during the year.

Deputy Michael Sayers resigned his position as a patrol deputy and will be working in the private sector. We wish Michael and his family well.

Deputies Zachary Carey and Elijah Curtis were hired to fill two vacant positions. We are very excited to have them join our Kennebec family. Both are very motivated and understand their responsibilities to the citizens of our county.

In December of 2019, Brenda Grimes, a 30 year employee of the correctional facility retired. Brenda's ability to communicate with and control a block of inmates was noteworthy. She will be missed. This summer Brenda plans on taking a trip to Southeast Asia and to see the world. We are in hopes that Brenda will continue to knit hats for Justice Fuller, so his ears stay warm in the winter months.

Our Civil Process deputies served legal documents on behalf of attorneys, the courts, citizens, local and state government, landlords and other entities. In 2019, the three civil deputies received over 9,722 requests for service in Kennebec County. 691 more calls for document service than in 2018.

In 2019, our Correctional Facility managed 2,686 inmates, a slight dip from 2018. The offenses committed by defendants included everything from harassment to homicide.

The CARA Program (Criminogenic Addiction Recovery Academy) continues and we have added two weeks to the program. The last two weeks of the program involve the participants working at area businesses. Upon their release, the participants have steady employment and a brighter future. Our program not only benefits Kennebec County inmates, it benefits all 16 counties who have individuals that meet the criteria to attend C.A.R.A.

Our correctional facility also helps out our fellow counties whom have serious overcrowding issues. Overcrowding can create an unsafe working environment for the corrections officers as well as the inmates. All county correctional facilities within our state have had a dramatic increase of individuals being held on class A, B, or C crimes. The majority of crimes involve the sale of heroin or fentanyl.

Qualifying inmates at the Kennebec County Correctional Facility are asked to work and earn time off their sentences if applicable. Inmates who are considered to be a risk to the community work inside the facility cleaning and cooking, while others are supervised by our programs officers on outside projects.

The outside work crews have partnered with local municipalities providing snow removal to those individuals who are elderly or have disabilities. Programs Officer Gagnon and Matthews and their work crews raised over 10,000 pounds of produce which gleaned nearly 5,000 pounds of produce for the inmate kitchen, area food pantries, churches, homeless shelters, schools and elder programs in 2019. We would have had hundreds of pounds of cucumbers however, the deer population near the garden enjoyed their tasty goodness.

We are committed to providing innovative programs to reduce crimes, assist victims, and to provide enhanced public safety. We acknowledge the ever-growing opiate addiction problem nationwide and have committed to partnerships at the Federal, State and Local levels to combat this problem. Our approach is aggressive enforcement, education, treatment and recovery for those afflicted with this horrible afflicted with substance use disorder.

In 2019 we began a M.A.T. (Medical Assisted Treatment) program within the correctional facility. The facilitator of the program is ENSO Recovery. The monies for this program comes from federal grants managed by the Maine D.H.H.S. in the amount of 1.5 million dollars.

Highway fatalities and serious injury accidents continue soar as a result of individuals using electronic devices when operating a motor vehicle. Please do not be a statistic or make others a statistic because of carelessness. In 2019 Maine adopted the "Hands Free Law" not allowing operators of a motor vehicle to have an electronic device in their hand while operating.

As your Sheriff, in 2020 my focus will remain on providing professional services to the people of Kennebec, our visitors, risk management and my staff, creating a healthier, safer place to live.

Ken Mason, Sheriff

Service Report – Windsor 2019

Delta Ambulance, founded in 1972, is the leading provider of high quality, compassionate emergency services and medical transportation in central Maine. Our superior training, experience and state-of-the-art medical technology sets us apart from other ambulance services.

We are pleased to be able to provide emergency Paramedic care to the people of your town and to continue supporting your First Response Rescue at no cost to your community. As a regional community based organization, we continue to fund our operations solely by reimbursement directly from the patient and the patient’s insurance. This is possible due to our economy of scale. A significant portion of our patient charges, annually, are written off as charitable giving to the uninsured and underinsured. Additionally, we continue to support community events throughout our coverage area.

In 2019 (January 1 – December 31), we responded to 205 911-calls. We also serve your community by regularly providing non-emergency care and transfer services for patients as well as standby for fire calls.

Our average response times, the time between our receipt of the call and our arrival, for delivery of paramedic care was 15.5 minutes for emergencies.

2020 has been quite eventful with the advent of the COVID-19 virus. Delta Ambulance is fully functional, operating at the Paramedic Level and has been throughout this evolving Pandemic situation. Our staff is healthy and in good spirits as we work through this challenging time. We encourage you to visit our website for more Corona virus preparedness information. (<http://deltaambulance.org/corona-virus-covid-19>)

Paramedic care is the highest level of Pre-Hospital care available. Our Paramedics exceed State Standards for recertification and respond with the latest medical technology available including 12 lead EKG and pharmaceutical interventions. Our care is reviewed in our Continuing Quality Improvement (CQI) program, which is recognized as a leading process in Maine.

Our support for your Rescue Services continues to include continuing medical/rescue education and on-scene replacement of medical supplies used on the call, all at no cost to the town.

As always, if we can assist you with a project or answer any questions, please do not hesitate to contact us.

We thank you for the opportunity to serve the people of Windsor. Stay well.

January 2020

Dear Residents of Windsor,

We who work at, attend, and support Erskine Academy appreciate this annual opportunity to share with you highlights from our last year and an optimistic look ahead to a promising new year and decade. Committed to providing a high-quality education to all of our learners, we put to work our core values—*Scholarship, Leadership, Stewardship, and Relationships*—to produce desirable results. We have much to celebrate about our past, be proud of at present, and look forward to in the future.

In its 137th year, Erskine Academy continued to be your high school of choice that combines an independent school education with the democratic ideal of a quality education for all. We focused our efforts on improving our school, expanding opportunities for learning in and out of the classroom, and accelerating student achievement. A few facts about Erskine Academy today attest to our vitality and value:

- With 560 students in grades nine through twelve, we are the largest town academy in Maine to serve a nearly 100% local student body on a 100% school choice basis
- A 13:1 professional teacher to student ratio
- A 98% four-year graduation rate
- A dropout rate of less than one percent
- Of 144 graduates in 2019, 85% were accepted to higher or continuing education (now a seven-year trend), many to highly selective colleges and universities
- For a fifth consecutive year, we are one of three Maine high schools to make the *Washington Post's* list of *America's Most Challenging High Schools*, a distinction based on the number of Advanced Placement courses and exams taken by our students

Having no enrollment contracts with any community for a whole or portion of their high schoolers, we operate independently and on a school choice basis exclusively. This structure provides us with stability, enables us to be nimble in our operation, and expedites problem-solving and decisionmaking while we focus on the essential processes of teaching and learning. Although independent, we commit to our publicly-funded students by admitting all students from our eight sending towns who have completed the eighth grade and can benefit from our programs. Each student and family has a choice to attend Erskine Academy or any public high schools in the region; our market share generally exceeds 60% of the students from our collective towns. To maintain this local heritage, for a tenth time, we hosted nearly 250 area sixth-graders for our “Touch of Class” program to build their familiarity with and confidence in doing high school-level work.

Regardless of differences in residence, prior learning, interests, abilities, or personal circumstances and backgrounds, here, all of our students matter and belong. All who attend here

experience a school program that blends traditional values with contemporary programs and best practices to become the most academically and personally prepared young people in our region. Each of our graduates leaves us with an academic and a personal success story to tell.

We have always considered industry certificates, two-year degrees, apprenticeships, and military service as higher education and, as such, viable pursuits. Therefore, we have created and sustained a comprehensive academic program to reflect and facilitate access to these as well as four-year degree programs. We are one of the few high schools in the state to continue to offer shop technology, family and consumer economics, and business courses for exposure and entry-level work.

Staffed by three teachers and two educational technicians, Erskine's Special Education program educates and provides specialized support to students eligible for such services through an Individual Education Plan (IEP). Valuing all students and believing they deserve a welcoming school and professional teachers who will build on their strengths, 20% of our students receive academic assistance or special education services to support their learning.

As a seven-year *MELMAC Education Foundation* school, we increased students' preparedness and aspirations for continuing their education beyond high school, reduced barriers to accessing their higher education, and significantly reduced their need to take remedial courses. Relatedly, our guidance program and personnel were recognized by the *Finance Authority of Maine (FAME)* for having 72% of graduating seniors complete the Free Application for Federal Student Aid (FAFSA), which is the third-highest completion rate among the state's largest high schools (those with 100 or more seniors).

Now in its ninth year, our *Jobs for Maine Graduates (JMG)* program has increased student exposure to various forms of higher education and vocational trades programs and has taught essential work seeking, training, and employment retention skills. With 83 students pursuing a certificate in a craft or trade the Capital Area Technical Center, our enrollment there is second only to its host, Cony High School. Last year, and planned again for this spring, we produced an on-campus career fair featuring 20 local vendors, 15 skilled craftspeople, and the Army National Guard—potential employees of our graduates.

Last year, 106 students enrolled in one or more of our 12 *Advanced Placement* courses, and 421 students took at least one of our 13 dual enrollment courses with nearby colleges including Kennebec Valley Community College, Thomas College, the University of Maine, and Husson University taught here by our teachers. For their efforts in these early college experiences, nearly one-half of our graduates earned college credits while in high school, collectively saving an estimated \$525,000 in college tuition at the University of Maine rate.

Through our *International Student Program* and *American Field Service (AFS)* club, our students gain understanding and interpersonal skills for living more globally and interdependently in a culturally diverse world. For a second time, AFS students made a humanitarian trip to Guatemala to build homes for impoverished families; a ninth trip to Costa Rica to do the same is planned for this spring. Our educational travels abroad last year included Peru and Machu Picchu; students will visit Greece and Germany later this year. Eye-opening experiences such as these fire the heart and mind and inspire our students to look beyond EA and the familiar to a world that truly needs them.

With 27% of our students receiving free and reduced breakfast and lunch, our student body is socioeconomically diverse. As is the case for many Maine schools, our most significant vulnerable students are those living and learning in poverty. Inspired by twice accepting *WGME 13/Fox 23's School Spirit Challenge*, through which we raised a record-breaking 281,696 pounds of food for the Good Shepherd Food Bank of Maine and our local food pantries, we have established a school-based clothing and supplies cupboard for our members. Currently, we are instituting the "Eagles Nest," an open-access food pantry and backpack program from which students can obtain food for after school and weekends.

Other examples of our student and staff's goodwill include the sixth annual *Trunk or Treat* program that last year provided a safe observation of Halloween for a record-breaking 700 youngsters and their parents; our twelfth community *Cancer Walk* yielded \$6,700 for Maine General Medical Center's Alford Center, bringing our historical contributions to over \$50,000; we contributed thousands of hours to community service and raised substantial funds for important causes such as the Home for Little Wanderers, the Ronald McDonald House, the Center for Grieving Children, and the United Way's Day of Caring. Through our embrace of volunteerism and responsible stewardship, we engage meaningfully with our communities, and we experience giving back in appreciation and with humility.

School safety is of utmost priority, and it is among the main reasons that parents choose independent schools. This past fall we completed a second year of partnership with the *ALICE Training Institute*. *ALICE (Alert, Lockdown, Inform, Counter, Evacuation)* is an enhanced safety program comprised of proactive, age and ability appropriate, options-based strategies for use in the event of a violent intrusion on the school. Staff and student training included eLearning and advisory sessions, physical exercises, and the conducting of active-shooter drills facilitated by administrators in cooperation with officers from the Maine State Police and the Kennebec County Sheriff's Department. As a result of this training, students report feeling more confident and better equipped to respond to a significant, violent assault on themselves or their school. Subsequently, we are one of ten Maine schools to be an ALICE Certified Organization, and the only such school in Kennebec County.

Erskine Academy reflects proudly and appreciatively on its 137 years of progress and performance. Since our founding in 1883, Erskine Academy has remained true to its mission while evolving to meet new demands, challenges, and uncertainties. Because there is no limit to what we can do, pursuing excellence and implementing our mission are continuous and unyielding works in progress. This fact was affirmed recently by our school accrediting agency, *The New England Association of Schools and Colleges, Inc. (NEASC)*, who in response to our Five-Year Interim Report states, "...the Commission wishes to note the level of attention which the school gives its students. You have developed a truly extensive and effective program—one that is singularly focused on students maximizing their experience and on the post-secondary experiences available to them."

We have heartfelt gratitude for our alumni and friends who believe strongly enough in our values and results that they give their time, talents, and financial donations. Their investment enables us to invest in programs and enhancements that state-set tuition alone cannot support, and raises the expectations we have for ourselves. One example of their generosity is their contribution made to last summer's complete replacement of our outdoor track, a facility to be enjoyed by our student-athletes and the community at large.

We are grateful as well to our students, families, and sending communities for their confidence in and support for Erskine Academy. Together, we create a school and legacy that adheres to what we know is right and good for our young people and aids them in constructing a strong start for adulthood.

Thank you, Windsor residents, for sustaining high school choice for your young people and families, an opportunity for learning that is available to only 3% of Maine students, despite two-thirds of Maine voters agreeing that school choice programs should be open to all. Those families who have exercised that choice to attend Erskine Academy—entrusting us with the intellectual and personal development of their children—inspire, honor, and motivate us to make an excellent school even better. In partnership and engagement with you, we look forward to new challenges and accomplishments in the year ahead.

Onward Erskine to more good things!

Superintendent and Windsor Principal Message

June 12, 2020

Dear Citizens of Windsor,

It's difficult to summarize a school year like this one because of its abrupt and unexpected closing in March. However, as we look back on the first six months of school, I'm convinced that the strong relationships Windsor staff members established with our students resulted in the best possible outcome.

Our school theme this year was, "Growing Stronger Together," and we had great momentum moving into spring. In the fall, we welcomed our first FoodCorps service member, Maggie Blumenthal, to the school. Maggie's goals for the school included teaching our students about healthy food choices, working hands-on with growing and preparing food, and building a school garden. By March, most of our middle school students were proficient in many culinary skills and all the grades had become used to trying new and interesting fruits and vegetables on a regular basis. After school closing, Maggie has continued to work with our students and staff online, and has recently finished the first stage of our school garden with ten beds and two extension gardens. We are fortunate that Maggie will be with us again next year to continue this mission.

Another exciting change at Windsor this year was the addition of middle school WIN Time. WIN stands for "What I Need," and is a forty-minute block each day in which students engage in enrichment activities or interventions for academic subjects. Some of those activities included reader's theater, home economics, working with FoodCorps, mentoring younger students, community service, learning to play cribbage, and the basics of German. We plan to continue this program, refining it each year in our efforts to help students engage in school and find outlets for their creativity and talents.

Our athletic teams had very successful seasons in the fall and winter. The girls took home the championships in cross country, soccer, and basketball! Our boys teams were competitive as well, and were the runners-up in soccer. We are proud to focus on sportsmanship and scholarship in our athletic programs at Windsor.

One of the special things about being in a pre-k to 8 school is that we can establish continuity in our teaching methods, language, and expectations. At our school assemblies, we recognize students who become millionaires (having read one million words), and many of them are fifth graders and older. However, those students' pre-k to second grade teachers are cheering just as loudly, as they taught them to read in the first place.

We were able to celebrate our students as they matured in writing as well, as many of our middle school students were recognized for their writing. Evelyn Rousseau was the runner up in the *National Earth Science Essay Contest*. Jeremy Parker won first place in the *National It's All Write Poetry/Short Story Contest*, and Aziza King and Skyler Danforth were runners up. Caleigh Crocker took third place in the *Sarah Monk Poetry Contest*. Ava Anderson won first place in the *Maine State Constitution* essay

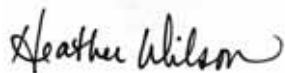

contest, while Brady Tilton, Alyssa Trocki, and Madison McNeff were runners up. Ava Anderson also won the *If I Led My Community* essay contest. Justice Marable won first place in the *Maine Secretary of State's Native American Essay*, while Madison McNeff, Payton Cormier, and Emmett Appel were runners up. Runners up in the *Young American Poetry Contest* were Leah Booner, Heather Bourgoin, Eva Carlezon, Caleb Gay, Nathan Hall, Aiden Hastings, Aziza King, Ayla Noftall, Lucas Mitchell, Parker St. Onge, Kellsie Boynton, Elise Choate, Megan Carver, Sammi Jo Guptill, Kameron Kronillis, Mackenzie Kutniewski, Akela Mitchell, Jeremy Parker, and Reese Sullivan. Such amazing writing instruction is happening at Windsor!

I want to say a final word about our teacher's efforts during school closure. With no preparation and very little professional development time, our teachers determinedly set forth on March 17 to find ways to engage and encourage students for the last three months of school. Teachers at all levels created class pages, read to their students daily, and engaged with them virtually. They sent home learning packets designed to help the students retain their current levels while also helping parents keep their children focused. As a staff, we created videos and even found a way to have the eighth-grade promotion. We are so proud of their efforts.

It is an understatement to say that the school year didn't end in the way we planned, but it did prove that we grew stronger together.

School Budget Information: The RSU 12 School Validation Budget Referendum will follow a modified process this year. The Governor has waived the budget meeting step in the budget process, so our school budget will go straight to a referendum vote on July 14th. It is normally a two-step process involving a Districtwide Budget Validation Meeting. The RSU 12 Districtwide Budget Validation Meeting usually has approximately one hundred citizens present. One hundred people attending in a space is not allowable under current safety guidelines so the Governor has waived district budget meetings statewide. You can learn more about our schools and our budget process through our website at www.svrsu.org. RSU 12 and the Windsor community continue to work together to provide creative and inspiring educational opportunities for our students. **The RSU 12 school budget validation referendum will take place on July 14th at your local polling place. Please remember to vote!**

Sincerely,

THE TOWN OF WINDSOR
ANNUAL TOWN MEETING WARRANT
Tuesday, July 14, 2020
Wednesday, July 15, 2020

To: _____, resident of the Town of Windsor, in the County of Kennebec:

GREETINGS:

In the Name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Windsor, qualified by law to vote in Windsor affairs, to meet at the WINDSOR ELEMENTARY SCHOOL, in said Town of Windsor on TUESDAY, the FOURTEENTH day of JULY, 2020 A.D. at 8:00 a.m. in the morning, then and there to act on Article 1 and Articles 2 are going to be voted upon at the polls by secret ballot. **The Polls shall be opened at 8:00 a.m. and closed at 8:00 p.m. Absentee ballots will be processed at 10:00 a.m. and 2:00 p.m.**

And, to notify and warn said inhabitants to meet at the WINDSOR ELEMETNERY SCHOOL in said Town of Windsor on WEDNESDAY the FIFTEENTH day of JULY 2020 A.D. at 6:30 p.m. and then and there to act on Articles 3 through 35 will be voted on at the open Town Meeting;

All articles being set out below to wit:

ARTICLE 1. ELECTION OF MODERATOR: To elect a moderator to preside at said meeting.

ARTICLE 2. ELECTION OF TOWN OFFICIALS: To elect all necessary Town of Windsor Officers/Officials by Secret Ballot.

ARTICLES 3 THROUGH 13 DEAL WITH TAX & FISCAL ADMINISTRATIONS

ARTICLE 3. TAX ADMINISTRATION: To see what method the Inhabitants of the Town of Windsor will adopt for collection of taxes in FY2021.

- A. The payments, as stated on the bills, shall be due and payable on September 30, 2020 and March 31, 2021 or as otherwise approved by the Board of Selectmen because of COVID-19 (Coronavirus).
- B. The Tax Collector shall accept no advance payments, except as provided in section C below, before commitment of taxes.
- C. The Town will treat all overpayment of taxes as prepayments on next year's taxes pursuant to 36 MRSA §506 and shall pay no interest on such payments.
- D. The Town will pay interest at the rate of 3.0% per annum on abated taxes for any period, pursuant to 36 MRSA §506-A.
- E. Charge interest at the rate of 7.0 % per annum, on any taxes owed after the due dates.
- F. The Town Report will list all taxes outstanding as of April 1, 2021.
- G. Administration of Tax Acquired Property:
 - 1. Authorize the Board of Selectmen to dispose of tax acquired property as they shall deem to be necessary and in the best interests of the Town, except that the Board of Selectmen shall use the special sale process required by 36 M.R.S. § 943-C for qualifying homestead property if they choose to sell it to anyone other than the former owner(s).

2. Authorize the Board of Selectmen to execute and deliver quit claim deeds, without covenant, for the conveyance of such property.
3. Give delinquent taxpayers a thirty (30) day grace period in which to buy back their property upon payment of all taxes, liens, interest, and other applicable costs.

BUDGET COMMITTEE RECOMMENDS PASSAGE (9-0-0)

ARTICLE 4. ESTABLISHMENT OF TAX CLUB: To see if the Town will vote to authorize the Tax Collector to enter into a standard agreement with taxpayers establishing a "tax club" payment plan for property taxes, whereby:

- A. The taxpayer agrees to pay specified monthly payments to the Town based on his/her estimated and/or actual tax obligation for the current year property taxes;
- B. The Town agrees not to charge interest on timely payments made pursuant to the tax club agreement (which is the same as in Article 3 C);
- C. The Town authorizes the Tax Collector to accept tax club payments for current taxes which may be due prior to the commitment of those taxes;
- D. The agreement is automatically terminated if a scheduled payment is late, and the taxpayer then becomes subject to the same due date(s) and interest date(s) and rate as other taxpayers who are not participating in a tax club;
- E. Only taxpayers who do not have outstanding tax obligations for prior tax years are eligible to participate in the tax club program; and
- F. Taxpayers wishing to participate in a tax club for a particular property tax year shall enter into an agreement with the Town by a publicly-advertised deadline determined by the Tax Collector.
