Vol. XXXVIII

MURRAY STATE COLLEGE, MURRAY, KY. FEB. 12, 1964

NO. 14

You Can Still Apply For Spring Loans Under Defense Act

Students may still apply for National Defense Loans for the spring semester, according to Dean J. Matt Sparkman. Murray State has received additional money for the spring and summer terms.

Summer loan applications should be in by March 1, and fall loan applications should be in by May 1, Dean Sparkman said.

Students should apply for loans at Dean Sparkman's office.

Requirements are:

Students must need a loan to attend college.

Only full-time students or those who are about to be enrolled as full-time students are eligible.

A summer school student is eligible only if he has been enrolled full time in the preceding or will be so enrolled at the beginning of the next succeeding regular academic year and if he is enrolled in a full-time course of study during the summer session.

The student must meet the scholastic requirements. High-school graduates' grades must be sufficient to place them in the upper one-half of their graduating class. Freshmen should make a 2.0, upperclassmen a 2.5, and graduate students a 3.5 the semester preceding the semester the loan is applied for.

Teachers' Aptitude Test Is Scheduled For 6:30 Tuesday

Minnesota Teachers Aptitude Inventory Test will be given Tuesday at 6:30 p. m. in 351 Education Building.

This test is required of all students applying this semester for admission to teacher education, said Dr. Donald Hunter, education and psychology department head.

Applications for admission to teacher education may be completed at the time of the test. All students planning to qualify for teaching certificates are required to apply for admission to teacher education.

FIRST ENTRIES The first four entries in the MSC contest for Glamour magazine's "Ten Best Dressed College Girls in America" contest are (clockwise): Sally Sprunger, junior, Murray, Home Economics Club; Maxine Bennett, sophomore, Murray, Pi Kappa Alpha; Henrietta Davis, junior, Grayville, Ill., Sigma Sigma Sigma; and Joan Nix, sophomore, Owensboro, Tau Kappa Epsilon. The contest is sponsored by Alpha Phi Gamma, honorary journalism fraternity.

18 Coeds Eager to Win Campus Glamour Title

Eighteen coeds have been nominated for Glamour magazine's "Ten Best Dressed College Girls in America" contest.

The local contest to be Feb. 19 is sponsored by Alpha Phi Gamma, honorary journalism fraternity.

Nominees and their sponsors are:

Maxine Bennett, sophomore, Murray, Pi Kappa Alpha; Joyce Binford, freshman, Clinton, Alpha Beta Alpha; Dianne Boswell, senior, Smithland, Alpha Phi Omega; Janice Cherry, senior, Murray, Young Democrats Club and Sigma Chi.

Henrietta Davis, junior, Grayville, Ill., Sigma Sigma Sigma; Monta Faye Douglas, senior, Paducah, Association for Childhood Education; Nancy Farley, senior, Henderson, Student National Education Association; Martha Kelley, sophomore, Madisonville, Ordway Hall.

Joan Nix, sophomore, Owensboro, Tau Kappa Epsilon; Sally Sprunger, junior, Murray, Home Economics Club; Judy Thomas, sophomore, Murray, Alpha Omicron Pi; Benneta Trousdale, sophomore, Carmi, Ill., Alpha Sigma Alpha.

Judy Hodge, junior, Marion, Wells Hall; Karen Bryant, sophomore, Herrin, Ill., Thoroughbred Hour and Woods

Hall Council; Charlotte Stevens, freshman, Bandana, Nursing Education Majors' Club.

Joy Fentress, junior, Hopkinsville, Alpha Tau Omega; Ginger Bean, junior, Paducah, Pi Omega Pi; and Bobbie Boyd, sophomore, Hopkinsville, Baptist Student Union.

A panel of judges will select one girl to represent MSC in the national contest.

The winners of the national contest will receive an all-ex-

(Continued on Page 9)

Campus Debaters Open Second Stage

Twelve teams have been entered in the second round of a series of preliminary debates which will begin tonight at 7 on the third floor of Wilson Hall.

Organizations entering two teams are Alpha Tau Omega, Alpha Omicron Pi, and Sigma Sigma Sigma.

Those entering one team are: Christian Student Foundation, Alpha Gamma Rho, Vets Club, Alpha Phi Omega, and the International Relations Club.

The first elimination round will be held Feb. 20. The semi-final round will be Feb. 26, and the final round will be March 4.

Nursing Plan Extended To BS Degree Status

A bachelor of science degree in nursing will be offered at MSC next year, according to President Ralph H. Woods.

Under the new program nursing students will be enrolled at Murray throughout their four years of study. They will receive practical instruction and experience at the Murray-Calloway County Hospital and at psychiat-

ric and public health agencies in the western Kentucky area.

Admission to the program will require completion of college entrance forms, a personal interview with Miss Ruth Cole, director of the nursing department, and a successful score on the Essential Achievement Test.

The first test will be given Feb. 22 at 8 a. m. in the Student Union Building. Other testing dates will be announced later. Persons interested in applying should contact Miss Cole.

A minimum of 128 semester hours will be required for the degree. Students must complete the general-education courses required of all students and meet the general-college requirements as outlined in the college catalog.

Approximately one-half of the program will consist of courses in physical and biological sciences, communications, humanities, and social sciences.

The other half will consist of classroom instruction and clinical experience in nursing. Nursing courses will be taught each year. As the student advances, the number of nursing credits taken will increase.

After completion of the program, students will be qualified to take the state board licensing examination to become registered nurses.

The college previously has worked with the Owensboro-Daviess County Hospital in offering a diploma program in nursing.

18 Seniors Receive Army Commissions As 2d Lieutenants

Eighteen MSC seniors were commissioned as second lieutenants in the US Army Reserve Feb. 1. Three of the students were designated as Distinguished Military Graduates.

The Distinguished Military Graduates were Ronald B. Barlow, Paducah; Joe Holland, Paducah; and Louis Litchfield, Marion.

The fifteen commissioned officers are:

Ronald Adams, Hopkinsville; (Continued on Page 10)

Students to Vote On Amendments

The student body will vote on three amendments to the Student Organization constitution tomorrow from 8 a. m. to 5 p. m. in the Student Union Building ballroom.

The proposed amendments to Article IV are:

1. Section 5-G to read: Voting machines shall be used for campus elections. If voting machines are not available, then ballots with stubs shall be prepared in an assembled and bound form. Voters' names shall be checked against an official register of all students eligible to vote.

2. Section 5-E to read: To become a candidate for an office or for class representatives, a student shall personally file with the secretary of the Student Council a petition signed by not fewer than 50 students.

3. Section 5-C to read: If any member of the Student Council becomes unable to attend meetings or to participate in Student Council activities, a temporary replacement may be appointed by a two-thirds vote of the Student Council. The replacement will serve until the duly elected member returns to office or resigns.

Exam for Federal Service Set for Saturday Morning

A federal service entrance examination will be given in 403 Business Building Saturday at 8:30 a. m.

Only those people who have previously submitted applications are eligible to take the test, according to Mr. M. O. Wrather, director of placement.

UP AND DOWN THEY GO Work on the Applied Science Building (left) and the 10-story girls' dormitory is now in progress. The Applied Science Building will house agriculture, home economics, and

industrial arts departments. The building will be made up of two four-story wings connected by a one-story section which will adjoin the Industrial Arts Build-

ing. The 10-story girls' dormitory on Chestnut St., across from the baseball diamond, will house 305 girls and is scheduled for occupancy next fall.

TOP SALESMEN A number of MSC men spend their summers selling Bibles for a Nashville publishing firm. All of these men are crew managers. They are (left to right): Larry Ingram, Frank Rickman, Bob Stover, Joe Owen, Bill Kopperud, Terry Tippin, Eddie Grogan, Jerry Grogan, Paul Northern, Max Parker, and John Darnall.

There's Gold in Bible Selling

In view of the tremendous number of "trashy" publications on the market, it may be surprising to know that the Bible continues to rank among the best-sellers every year. Furthermore, Bible-selling during the summer offers lucrative pay to college students.

Quite a few Murray State men had profitable summers last year in this field and are looking forward to making even more money this summer.

There are openings for approximately 75 more Murray men in this field. "Those students qualifying for these few positions can certainly consider themselves fortunate for being selected," said Bob Stover, Livingston, Tenn., who heads the program at MSC.

"I like to get paid for what I do. I feel that a job of this nature will prepare me for my future better than any other organization available for college students," said Bill Kopperud, senior, Murray.

The Nashville firm is one of the oldest publishing firms in the country. It is the only company in existence which works entirely with college students. It has had a program since 1868 which has enabled many students to pay part or all of their

school expenses. "I made a lot of money last summer," said Terry Tippin, junior, Owensboro. "I only regret that I didn't work much harder."

Those working as crew managers include: Larry Ingram, senior, Crossville, Ill.; Richard Anderson, junior, Benton; Eddie Grogan, freshman, Murray; Frank Rickman, senior, Murray; Paul Northern, junior, Murray.

Max Parker, sophomore, Murray; Tippin; Joe Owen, junior, Kuttawa; Jerry Grogan, junior, Murray; Kopperud; John Darnall, junior, Murray; Bill Wheatcroft, senior, Cowling, Ill.; and Tom Campbell, junior, Cairo, Ill.

"I feel very strongly that a job with this company is absolutely the best opportunity a college student could have at this stage in his career," said Rickman.

Another student commented that he had signed up for the job three summers ago to save money for a new car. "I've paid for that car now, and I'm beginning to realize that I've

gained much more than money from my association with the firm," said Northern.

One interesting fact about the men who compose the sales force is that they are not stereotype students, added Stover.

They are men chosen from more than 100 colleges and universities all over the United States who are in almost every conceivable field of study.

"In other words," said Stover, "this job personifies the success desires of each individual student." Stover, a business and English major, placed seventh in the company's "Top Twenty Salesmen" competition. This was his second year to achieve the award. In 1961 he placed first.

The firm gave special recognition this year to Rickman, a pre-medicine student who received the "Superior Crew Leader" trophy for Kentucky.

His crew also was named one of the "Top Twenty Crews." Members of the crew were: Owens; Ingram; Tippin; Wheatcroft; Don Bell, freshman, Herling, Tenn.; and Jim Kelley, junior, Eldorado, Ill.

Degree Application Dates Listed For June, August, and January

Dates which must be met by seniors and graduate students who plan to graduate in June, August, or January have been announced by Mr. Wilson Gantt, dean of admissions.

They are:
March 1: June bachelor's and master's degree applications due. This applies only to seniors and graduate students who were not in school during the fall semester.

April 1: Degree fees for June graduation must be paid in the Business Office.

April 15: Seniors and graduate students graduating in June must check with Mr. T. Sledd, manager of the College Book Store, about renting caps and gowns and ordering invitations.

May 15: Applications for bachelor's and master's degrees for January graduation must be turned in.

All applications for bachelors' degrees must be turned in at the Registrar's Office, Administration Building.

Graduate Admission Tests Will Begin Here Feb. 28

Miller Analogies Tests will be given on the last Friday of each month starting Feb. 28, announced Dr. Ralph Tesseneer, dean of graduate studies.

The tests are often required for admission to graduate schools, he said. Time and place will be announced later.

National Teachers Exams Set for Saturday Morning

National Teachers Examinations will be given Saturday at 8:15 a. m. in 153 Education Building.

N. T. E. scores are required by many school systems, said Dr. Ralph Tesseneer, dean of graduate studies.

Applications for masters' degrees should be turned in to Dr. Ralph Tesseneer, director of graduate studies.

The forms for bachelor's degree applications may be obtained in the Registrar's Office. Master's degree applications may be obtained from Dr. Tesseneer.

All degree fees must be paid in the Business Office by or before the dates indicated, said Mr. Gantt. Fines and debts to Murray State College must be paid two weeks before graduation.

It is the applicant's responsibility to inform the Registrar's Office of any change to be made on his application. This includes changes in courses and date of graduation, Mr. Gantt said.

Bachelor's degree applications will not be carried forward from one semester to the next without proper notification from the student.

Show by Folk-Singing Trio Pleases SRO Crowd Here

By Wilma Hook

A standing-room-only audience enthusiastically received the performance of the well known folk-singing group, Peter, Paul and Mary Friday night.

Lines of students waited in the chilly air for as long as two hours to get good seats.

The sincerity of the group was evident as they delivered song after song, many of which they had brought to national popularity.

Working out of New York City, the group will go from here to South Bend, Ind., and then to major cities in Tennessee. In the spring they have a tour of the Orient scheduled.

When asked if their main purpose was to deliver a social message, they replied that the message was only a secondary purpose. "What we really want to do," Paul emphasized, "is to show people that they are real human beings."

Each of the three performers strikes the observer as being a real human himself because of the emotion and sincerity from which arrangements are built.

The group seemed to have a slight aversion toward the hootenanny because of its tendency to rowdiness. However, they said they felt it had greatly influenced the popularity of the whole folk-music field.

Each of the singers is obviously well educated, and each has worked in other creative fields. Peter received a degree from Cornell University; Paul "emceed" his way through Michigan State University, and Mary studied at the Art Institute of New York.

Several of the songs they use were written by Paul. Lifelong interests in folk music led the three to Greenwich Village where Mr. Al Grossman put them together as a trio.

Each already had attained success as a single performer. Peter had just completed a tour from Los Angeles to Chicago which included the 1960 Newport Folk Festival.

Paul Stookey had been successful as a stand-up comedian in Greenwich Village, and Mary was coming back to the singing field after the Broadway play she was in with Mort Sahl closed after a two-week run.

Making appearances before record crowds in nearly every state, the trio has had such special appearances as the March on Washington, the Kennedy inauguration celebration, the Hollywood Bowl, and the Newport Folk Festival.

They have three successful albums and several single hits, including "If I Had a Hammer" and "Don't Think Twice."

WORTH WAITING FOR Students began to line up two hours before show time Friday night to hear Peter, Paul and Mary sing folk songs. When the show got under way, the applause seemed to indicate the standing-room-only crowd felt the concert was well worth the long, cold wait.

RELIGIOUS ROUNDUP:

Newman Club to Hear Lecture on 'Marriage'

Ash Wednesday devotions will be held tonight at 7:30 at the Catholic Student Center.

Father Martin Mattingly will lecture on "Marriage" to Newman Club members Sunday night at 7. The lecture is the first of six in a series of Sunday evening lectures.

Christian Student Fellowship
Members of the Christian Student Fellowship will attend a potluck dinner tonight at 6 at the First Christian Church. The dinner is being held in honor of the church's new minister, the Rev. William M. Porter.

Ken Sinclair, freshman, Murray, will be in charge of vespers Sunday night at the Christian Student Center.

Baptist Student Union

A religious drama will be presented by members of the Baptist Student Union at vespers tomorrow night at 6:30.

Bible study will begin Monday night at 6:30 at the center.

Westminster Fellowship

Aloma Williams, junior, Livia, will be in charge of devotions at Westminster Fellowship Sunday night at 6:30. Patricia Henry, sophomore, Murray, will present the program.

Plans are being made to send delegates to a state convocation of Presbyterian college students at Centre College, Danville.

Wesley Foundation

The regular worship service at the Wesley Foundation will begin tonight at 6:30. Members will gather tomorrow night at 6:30 for a period of recreation.

Members of the Wesley Foundation at Western Kentucky State College, Bowling Green, will be guests at a supper Sunday night at the Murray center.

The supper will begin at 5 and will be followed by a program at 6.

Choir rehearsal will begin at 6:30 Monday night at the center.

Students will lead a discussion entitled "This I Believe" Tuesday afternoon at 1.

College Church of Christ

A study of the Book of Genesis will begin tonight at 7 at the College Church of Christ. "The Creation Story" will be the subject of tonight's student discussion.

Prof. Jack Wilson, mathematics department, will be speaker at the student devotional tomorrow night at 6:30.

Religious Council

The Religious Council will meet tonight at 6 in the Student Union Building.

Projects to be discussed by the council include a symposium by faculty members and a pre-Easter convocation.

The group is conferring with faculty and administration members about possible topics for the symposium. Suggested topics for this year's discussion have been "Why Do We Believe in God?" and "God Is Dead."

Last year's topic was "Relation to the Field of Religion."

Canterbury Club

Immediately following the Ash Wednesday service at 6:30 tonight at St. John's Episcopal Church, the Canterbury Club will elect officers and make plans for the spring semester.

All Episcopal students and their guests have been invited to attend the Lenten Season discussion meetings. The first discussion will be held at 7:30 Friday night at the Wayne home, 403 N. 10th St.

Louisville Chorale To Give Concert

The Male Chorale of the Southern Baptist Theological Seminary, Louisville, will give a concert of sacred music Saturday at 7:30 p. m. at Memorial Baptist Church.

The concert will feature reformation anthems, early American psalms and hymns, favorite gospel songs, spirituals, and contemporary anthems.

The sacred concert is open to students, and residents of Murray and Calloway County. There will be no admission charge.

The chorale consists of 42 men, most of whom are enrolled in the School of Church Music at the seminary.

Three Formally Installed By Journalism Honorary

Three pledges have been installed by Alpha Phi Gamma, honorary journalism fraternity.

Pledges are: Marilyn Allen, sophomore, Arlington; Tommy Blair, senior, Hopkinsville; and Cheryl Sweet, sophomore, Owensboro.

Peace Corps Slates Test On Campus for Feb. 22

A Peace Corps placement test will be given in 251 Education Building Feb. 22 at 9 a. m.

Application blanks are available in the Placement Office, 19 Administration Building.

Further information may be obtained from the Placement Office or Mr. Ben Humphreys, 153 Education Building.

Midyear Graduates:

158 Complete Degree Work

A total of 158 students were graduated from MSC Jan. 31. Five received master of arts in education degrees, and 153 received bachelors' degrees.

Those receiving masters' degrees were: Grace Mahan Dale, Paris, Tenn.; Nancy A. Dobson, Wingo; Gerald Thomas Rose, Benton; Ann Wolfe Thompson, Cadiz; and Don Vernon Van Herck, Bismarck, Mo.

Bachelor of arts recipients were: James Roland Carter, Fulton; James R. Heltsley, Hopkinsville; James M. Irion, Paducah; Lee Nance Mabry, Cunningham; James Rex Paschall, Murray; and Joseph Vey, Boston.

Those receiving bachelor of music education degrees were: Joan Marie Carter, Fulton; Leonard Edward Egbert Jr., Princeton; Suelien Page Hamm, Barlow; Tyler Jackson Henry, Madisonville; James Edward Hobby, Princeton; and Harold F. Irby, Indianapolis.

Bachelor of science in agriculture degrees were received by: Eiton David Bryant, Covington, Tenn.; Sylvia Dunn LeTourneur, Madisonville; Wendell D. Howard, Louisville; Kenneth Powell Oldham, Princeton; Michael A. Rice, Metropolis, Ill.; David E. Rowland, Mayfield; Frederic Lee Strech, Louisville; and Aubrey Bruce Wring, Salem.

Recipients of bachelor of science in home economics degrees were: Charlene Billington, Golconda, Ill.; Nancy Byers, Almo; Linda Bruce Linder, Dyersburg, Tenn.; Julie Anne Lutz, Charleston, Mo.; Judith H. Phelps, Calvert City; and Avounia E. Sullivan, Mayfield.

Those receiving bachelor of science degrees were:

Ronald Douglas Adams, Hopkinsville; John Merit Allen, Fulton; Steve Noel Backer, St. Louis; John Charles Ballard, Alton, Ill.; Ronald Byron Barlow, Paducah; Dorothy Barnes, Henderson, Tenn.

Marilyn Barrett, Murray; Jewell Barton, Murray; Dorina Kay Briscoe, Chicago; Stephen R. Campbell, Greenville; Douglas Melton Carneal, Murray; Larry H. Carter, Paris, Tenn.; Jerry Lane Cavanaugh, Hopkinsville;

Two Meetings Set By Beta Beta Beta

Beta Beta Beta, honorary biology fraternity, has scheduled two meetings for this month.

Dr. John Roslansky, University of Illinois, will speak on "An Area of General Physiology" at the first meeting Monday night at 8:30.

Prof. Waldo Smith from the American Geophysical Union will speak at the second meeting on Feb. 27 at 6:30 p. m.

Both meetings will be in Rooms 1 and 2 of the Student Union Building and will be open to the public.

James W. Cave, Licunula, Ill.

Charles Russell Church, Owensboro; Charles Ignatius Cissell, Fancy Farm; James L. Clark, Calhoun; Sandra Marie Colburn, Gilbertsville; Frederick O. Collier, Owensboro; Jacob A. Cope, Dexter; William E. Covington, Hopkinsville; Ben Curtis Crim, Hardin.

Brenda Joyce Crockett, Symsonia; William F. Cupp, Franklin Park, Ill.; John Lowell Culp, Gilbertsville; John M. Davidson, Mt. Vernon, Ill.; William David Denton, Somerset; Frank H. Dingwerth, Okawville, Ill.

Daniel Walter Dors, Brockton, Mass.; Joanne Marie Dostis, Chicago; Harold Gene Etheridge, Melrose Park, Ill.; John Fitzpatrick, Belmar, N. J.; John T. Fleming II, Salem; Florence E. Flood, Cadiz.

Margaret Anne Fooshe, Cadiz; Margaret Nunn Fooshe, Cadiz; Gary Lynn Poltz, Champaign, Ill.; Donald D. Franklin, Detroit; Terry Davis Gaines, Hebron; Bettye Boyd Gargus, Mayfield.

Sheila Rose George, Murray; Judith W. Gooch, Memphis; Samuel Albert Goodman Jr., Trenton, Tenn.; Bonnie Faye Gregory, Mt. Vernon, Ill.; Robert G. Griffith, Palmesville, Tenn.; Hazel Latta Hall, Calvert City.

Carl A. Haller, Jackson, N. J.; Alice Thomason, Arlington; Clarence Hester Jr., Valley Station; Kenneth Hazel, Sturgis; Carla Ann Hinch, Murray; Jerry Owen Hinton, Sturgis; Nancy Lee Holland, Paducah; David B. Horning, Marion.

Janice Housman Foster, Paducah; Nola Elaine Hurley, Smithland; Nancy C. Johnson, Paducah; William Howard Jolly Jr., Lake Wales, Fla.; Jerry D. Jones, Mayfield; Jesse D. Jones, Benton; Terry Lee Kaler, Mayfield; Billy Frank Kavanaugh, Murray; Robert Caldwell Kendall, Dania, Fla.

James Richard King, West Palm Beach, Fla.; Troy D. Law, Trenton, Tenn.; Ronald Coleman Lee, Greenville; Jimmy Leon Lindblad, Paducah; Robert Dell Lantz, Madison, Neb.; Louis C. Litchfield Jr., Marion; Norman Mallory Jr., Pontiac, Mich.

Phillip Mathis, Cunningham; Edward Metcalf, Paducah; James R. Miles, Goodlettsville, Tenn.; Harold Moore Jr., Hickman; Sharon Childress Mountcastle, Providence; Stephen F. Mowe, Effingham, Ill.

Joe Nanney, Hardin; Jerry Noffel, Fulton; Livy Mae Oakley, Paducah; James F. Patterson, Henderson; Margaret Brummel Payton, Clinton; Delia H. Pegasus, Mayfield.

John Orin Peterson, North Riverside, Ill.; Martha Plymale, Tupeo, Miss.; Sarah Marie Quisenberry, Owensboro; Linda L. Read, Mayfield; Freddy Reeves, Owensboro; Walter Thomas Ret-

ko, Detroit; James M. Reynolds, Sturgis.

Billy Mitchell Richardson, Louisville; Stephen Sanders, Murray; David Adams Scarpino, Mt. Vernon, N. Y.; John A. Schicker, St. Louis; Martha Scott, Paducah; Manon Hudson Shelter, Fern Creek; Henry Allen Simpson, Benton; Howard Alfred Siswick, Ithaca, N. Y.

Cynthia Jetton Stone, Goldsboro, N. C.; Lonnie E. Stum, Madisonville; Joseph Herbert Thibodeau, South Portland, Maine; James Hunter Thompson, St. Louis; Jesse Wayne Trego, Florence; Ronald Franklin Troop, Madisonville.

Betty Sue Truitt, Sturgis; Anna Lois Trunnell, Owensboro; Pauline Tucker, Gracey; Betty Jean Turner, Golden Pond; Eupal Erwin Underwood, Hazel; Roy C. Vincent, Dukedom, Tenn.; Joan Wallace, Golden Pond; Zella Wallace, Sturgis.

Terry Kent Waltman, Paducah; David Winston Ward, Fredericksburg, Va.; Phillip Darryl Weydener, Babylon, N. Y.; Nora Louise Williams, Henderson; Carolyn E. Woodson, Louisville; Bartha Jo Wrather, Murray; and Robert T. Young, Murray.

Debate Team Wins Runner-up Honors In EIU Tournament

The Murray State College varsity debate team took second-place honors at the 27th annual Eastern Illinois University Debate Tournament Feb. 1.

The team won six and lost two.

Debating for Murray were: Vernon Gantt, sophomore, Murray; Ken Stubblefield, senior, Murray; Patsy Tracy, junior, Murray; and Martin Tracy, junior, Murray.

Twenty colleges participated in the tournament.

2 UK Professors Speak to SAACS

Two University of Kentucky chemistry professors spoke here at a meeting of the Student Affiliates of the American Chemical Society Feb. 3.

Dr. Paul Sears and Dr. Hartley Eckstrom spoke on the opportunities for graduate work in chemistry. They explained the distribution of fellowships, scholarships, and assistantships.

Dr. Sears and Dr. Eckstrom also interviewed prospective students for scholarships.

WAA to Meet Tomorrow

At 6:30 in Health Building

The Women's Athletic Association will meet tomorrow night at 6:30 in 104 Carr Health Building.

President Mary Ann Randolph urges all members to attend.

Summer, Fall Student Teachers Must File Applications by April 1

Applications for student teaching for the summer or fall semester must be turned in between Saturday and April 1, according to Mr. Wayne Williams, director of student teaching.

Applications should be submitted to Mr. Williams at College High.

Summer-school student teaching is reserved for graduate students with teaching experience, Mr. Williams said. As many seniors graduating in August will be used as possible.

Student teaching in the summer has been adjusted for elementary majors to give eight hours of credit. The hours will be 8:30 a. m.-11:30 a. m. and 1 p. m.-3 p. m. Secondary student-teacher hours for summer school will be 7:30 a. m.-11:30 a. m. Monday through Friday, plus conferences with supervising teachers.

Any student teacher failing to make proper application or have proper academic standing should not expect to receive an assignment, said Mr. Williams.

"The prospective student teacher should not assume that all arrangements are complete once he makes his application," Mr. Williams added. Frequent contacts with the director of student

Betsy Britt Fills Vacancy As Ordway Hall Secretary

Betsy Britt, sophomore, Mayfield, has been elected secretary of the Ordway Hall Council for the spring semester.

She will fill the vacancy created by Pat Brown who is not enrolled this semester.

OUTSTANDING CADET . . . Jesse Hudson, sophomore, Murray, has been chosen ROTC "Cadet of the Week." The pre-engineering major was chosen from A company, second battalion.

teaching are usually necessary to complete final assignments.

Anyone who made application previously and has postponed or changed plans in any way should file a new application to be considered for an assignment.

Applications for student teaching cannot be accepted unless the applicant has been approved by the teacher education committee, 253 Education Building.

4 Varsity Debaters In National Contest

The varsity debate team will go to DePauw University at Greencastle, Ind., Saturday to participate in the 17th annual Delta Sigma Rho-Tau Kappa Alpha Tournament.

Debaters making the trip are: Patsy Tracy, junior, Murray; Martin Tracy, junior, Murray; Vernon Gantt, sophomore, Murray; and Ken Stubblefield, senior, Murray.

The proposition for the debate is "Resolved: That the federal government should guarantee an opportunity for higher education to all qualified high-school graduates."

\$210 Total Prizes Offered to Writers

A total of \$210 will be awarded to winners of five writing contests sponsored by the McKendree Writers' Association, McKendree College, Lebanon, Ill.

Deadline for the manuscripts is April 1. Prizes will be awarded on June 27.

Five contests are being held. The three applying to college students are: short story, 1,500-4,000 words; poetry, one to four poems totaling not more than 100 lines; and articles, 1,200-2,500 words.

One of the contests applies only to high-school students, and the other applies to McKendree students only.

Cash prizes of \$25 and \$15 will be awarded winners in each of the contests. A half-tuition scholarship will be awarded to a prospective McKendree College student.

Membership in the McKendree Writers' Association is required of all entrants. Yearly dues are \$3 and \$1 for students. The dues may be sent with the entry blank and submission.

Additional information and entry blanks may be obtained by writing to the association.

TO SING IN 'LIGHTS' Four members of The Murray Men who will sing in this year's "Campus Lights" Feb. 20-22 are (left to right): Sam Coryell, junior, Paducah; Allen Henson, senior, Benton; Ed Heenan, senior, Brevort, Mich.; and Danny McDaniel, freshman, Murray. The fifth member of the group, Jim Holmes, junior, Madisonville, was not present when the picture was taken.

27th 'Lights' to Combine Traditions, Innovations

The 27th annual "Campus Lights" which will be presented Feb. 20-22 in the Auditorium will include two traditional features, The Murray Men and a serious solo.

The two features are worked into the plot of the show which is a musical revue based on "The Tales of the Arabian Nights."

Since The Murray Men first appeared in the 1954 production, they have grown in popularity. The five male singers in this year's group are: Allen Henson, senior, Benton; Danny McDaniel, freshman, Murray; Ed Heenan, senior, Brevort, Mich.; Sam Coryell, junior, Paducah; and Jim Holmes, junior, Madisonville.

Doris Bray, senior, Madisonville, will present the solo. She will be accompanied by Jeanie Merritt, junior, Campbell, Mo.,

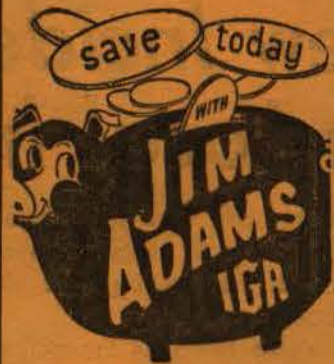

and the "Campus Lights" orchestra.

The script for the show is written by Murray students. Much of the music and all the arrangements are done by students and alumni of the music department.

The first production of "Campus Lights" was presented in 1936. Phi Mu Alpha, men's music fraternity, presented the show in order to pay their national dues. An estimated 2,500 people, who attended the first production, heard the same poem that has opened and closed each presentation since then.

Mr. Edward K. West, a member of the fraternity, wrote the poem.

During the war, Sigma Alpha Iota, women's music fraternity, took over production. Since that time both fraternities have worked together in presenting the "Lights."

Few Incidents Faced In Local Integration

On this day 155 years ago the man who was to be given much of the credit for freeing the slaves was born.

Abraham Lincoln's Emancipation Proclamation of 1863 applied only to secessionist states where no power of enforcement existed; it had no bearing on loyal states.

Although the proclamation itself did not actually free any slaves, the issuing of the order was probably the turning point of the Civil War. Popular opinion in England was swayed to support of the North, and desertion of Negro Confederate soldiers increased.

Victory for the North and the beginning of reconstruction of the nation made it possible for congress to pass the 13th amendment to the constitution which prohibits slavery in the US.

This amendment established the first real advancement toward complete freedom and equality for the Negro. Americans still have not extended this equality to the Negro, but steps toward this goal are evidenced by such advancements as the 1954 decision of the supreme court on abolishing segregation in public schools.

The year of this decision was a time of decision for Murray State College. According to an article in the January issue of the **Murray State Alumnus** by Dr. Frank Steely, the college administration immediately asked the state attorney-general what the college policy on the ruling should be. The attorney-

general instructed the administration to comply with the supreme court ruling.

The first Negro entered MSC in the summer of 1955, and Murray State became the first of Kentucky's four state colleges to lower the segregation barrier.

Integration at the college has been extended to the dormitories, cafeterias, athletic teams, and honorary and religious clubs.

Although prejudice and disagreement continue to exist, the integration Murray State practices has come about rather smoothly and with few incidents.

Most of the problems seem to lie in a small number of off-campus establishments which at times have not accepted integration.

According to Dr. Steely's article, the churches seem to be the institutions in which least integration exists.

"It is fair to assume that the Murray churches would receive Negroes if they came (none has ever been turned away), but the Christian tradition of ministering especially to the oppressed 'stranger within thy gates' seems to have been observed more in the breach than in any other way."

"The town of Murray has a record in race relations of which it may be proud but not complacent," Dr. Steely says.

This advice might be given in all areas of a nation that is advancing gradually in race relations.

Special Election Tomorrow On Three SO Amendments

The Student Organization constitution, which was written in 1936 and rewritten in 1949, has been amended only once. Tomorrow the student body will be asked to vote on three proposed amendments.

The first amendment on the ballot would legalize the use of voting machines for campus elections. Machines have been used for some time, and approval of the amendment would simply be a formality for making their use constitutionally legal. Use of paper ballots, if voting machines could not be used, would still be provided for.

When provision for petitioning for office in a campus election was made, enrollment was about one-fifth of what it is now. The second amendment would change the number of names on the petition of a student seeking candidacy from 10 to 50.

The third proposal would allow the Student Council to operate at full strength at all times. The council would be allowed to appoint a temporary replacement for any member who could not take part in SO activities because of illness or other commitments.

The temporary replacement would serve only in the elected

member's absence or until his resignation. Upon the resignation of an elected member a permanent replacement would be chosen in a campus election.

Amendments to the constitution may be proposed at any SO meeting by members of the Student Council or by petition of 25 per cent of the members of the Student Organization.

To become effective a proposed amendment must receive a majority vote of the total vote cast tomorrow by the student body.

"WARMONGER!"

A Warning: Sportsmanship Subject to TF

Conduct of fans at Murray State basketball games could be as important for a victory as the efforts of the team. A technical foul resulting from poor sportsmanship on the part of fans could mean the difference of a deciding point in a close game.

Mr. Art Guepe, commissioner of the Ohio Valley Conference, cautioned Mr. Roy Stewart, director of MSC athletics, about the use of artificial noise makers when he attended the Murray-Western game.

One of the conference regulations states: "Visiting teams during an athletic contest are to be awarded the same rights and privileges given the home team, and that no mechanical noise makers such as cowbells be used during athletic contests."

Murray State is subject to disciplinary measures if this or any other regulation of the conference is violated.

Throwing paper onto the playing floor and booing during a game could cause the Murray team to be penalized at a crucial point in the game.

An excess amount of poor sportsmanship on the part of spectators has not been evident this year, but perhaps a warning of the consequences of such conduct may prevent any regrettable action by spectators.

Murray-Go-Round

People have a tendency to carry their backgrounds with them wherever they go like broken good-luck pieces they have come to depend on too heavily.

Maybe Murray's personality depends too much on the weaknesses of the backgrounds rather than consisting of the strength taken from the best of progressive ideas.

We will remain provincial as long as we admire provinciality. We will continue to be a mass of rural students attempting to hang on to worn-out traditions until we accept the fact that old traditions and methods of living must die before new and more progressive ideas can be born.

For example, a college is only as progressive and successful as its library. Many comments have been made in reference to this, but apparently little has been done.

Architecture copied from Roman bath-houses or High Renaissance love of extravagance and display is not easily adaptable to the purposes of a modern library.

Nor is it an easy task to do research on 20th century problems when too many of the references are copyrighted in the first quarter of the century.

This is a week of "weeks" it seems, checking the calendar of special topics for emphasis sponsored by various organizations and industries.

First it's the birthdate of Abraham Lincoln, one of America's favorite traditional heroes. And this year the beginning of Lent, Ash Wednesday, falls on today also.

And don't forget to send your favorite lover a valentine this Friday (especially girls, considering that it happens to be Leap Year!).

All this is a part of national monthly observances — February is American Heart Month, American Music Month, and National Cherry Month.

Boy Scout Week, National Electrical Week, National Crime Prevention Week, and Brotherhood Week are among many national weeks being observed Feb. 9-15.

Hope no one gets all mixed up and sends an electrical valentine to his Boy Scout friend, causes an untimely death, and is subjected to capital punishment!

If that happened, A. Lincoln would have died in vain, and we all might just choose to give up Lent! — W. Hook

For Want of Money in Bank 'Campus Lights' Was Born

Within the annals of Murray States lies hidden the almost legendary tale of the birth of "Campus Lights."

Twenty-seven years ago the musical comedy, which has become one of the best known campus traditions, was launched out of necessity on the wings of a cold check.

In 1938 the men's music club decided to affiliate with Phi Mu Alpha, national music fraternity. The club was accepted and sent its check to the national office. Then, to their great dismay, the men discovered that their check was no good.

A combination of quick thinking and fast action saved the day. They decided to put on a variety show called "Campus Lights," to raise the money to cover the check.

So "Campus Lights" was born . . . of a cold check.

In the first show the band was featured. A number of short skits were presented along with a poem written by Edward K. West. The poem has been used ever since to introduce and close each annual production of "Campus Lights."

The Phi Mu Alpha chapter sponsored the show until 1944. In 1944 and 1945 the girls took over

because of a shortage of men on campus.

Since 1945 the show has been a combined effort of the two musical organizations, Phi Mu Alpha and Sigma Alpha Iota, professional music fraternity for women.

The original 1938 variety show has evolved into a musical comedy with a unified plot involving the highly organized efforts of more than 135 students. Work on next week's production of "Campus Lights" was begun last March.

The production staff has grown to include a director, two assistant directors, two writers, a chorus director, a choreographer, a stage director, a publicity director, and a costume director.

This year's "Campus Lights" is a far cry from the bare handful of people who started with just an idea — and a cold check — 27 years ago.

For the last 26 years, "Campus Lights" has been performed on the stage of MSC.

THE INNER MAN

College is fun and frolic and fulfillment—except for one melancholy omission: we don't get to enjoy Mom's home cooking. (In my own undergraduate days, curiously enough, I did not undergo this deprivation; my mother, a noted cross-country runner, was never home long enough to cook a meal until her legs gave out last Arbor Day.)

But most of us arrive at college with fond gastric memories of Mom's nourishing delicacies, and we are inclined now and then to heave great racking sighs as we contemplate the steam tables in the campus cafeteria. Take, for an extreme example, the case of Finster Sigafoos.

Finster, a freshman at one of our great Eastern universities (Oregon State) came to college accustomed to home cooking of a kind and quantity enjoyed by very few. Until entering college, Finster had lived all his life in Europe, where his father was an eminent fugitive from justice. Finster's mother, a natural born cook, was mistress of the haute cuisine of a dozen countries, and Finster grew up living and eating in the Continental manner.

He arose each morning at ten and breakfasted lightly on figs,

My mother was a noted cross country runner

hot chocolate, and brioche. (It is interesting to note, incidentally, that brioche was named after its inventor, perhaps the greatest of all French bakers, Jean-Claude Brioche (1634-1921). M. Brioche, as we all know, also invented croissants, French toast, and—in a curious departure—the electric razor. Other immortal names in the history of breadstuffs are the German, Otto Pumpernickel (1509-1848) who invented pumpernickel and thus became known to posterity as The Iron Chancellor; the two Americans, William Cullen Raisin (1066-1812) and Walter Rye (1931-1932) who collaborated on the invention of raisin rye; and, of course, Hans Christian Andersen (1805-1875) who invented Danish pastry.)

But I digress. Finster, I say, breakfasted lightly at ten a.m. At eleven a.m. his Mom brought him his elevenses. At twelve she brought him his twelveses. At 1:30 she served his lunch: first a clear broth; then a fish course (porgy and bass); then an omelette; then the main course—either a saddle of lamb, an eye of sirloin, or a glass of chicken fat; then a salad of escarole; and finally a lemon soufflé.

At three p.m. Mom served Finster low tea, at five p.m. high tea, and at ten p.m. dinner—first a bowl of petite marmite (she trapped the marmites herself); then a fish course (wounded trout); then an omelette of turtle eggs; then the main course—either duck with orange or a basin of farina; then a salad of unborn chicory; and finally a caramel mousse.

And then Finster went off to college, which reminds me of Marlboro Cigarettes. (Actually it doesn't remind me of Marlboro Cigarettes at all, but the makers of Marlboro pay me to write this column and they are inclined to get surly if I fail to mention their product. Mind you, I don't object to mentioning their product—no sir, not one bit. Marlboro's flavor is flavorful, the filter filters, the soft pack is soft, the Flip-Top box flips, and the tattoo is optional. Marlbros are available wherever cigarettes are sold in all fifty states of the Union. Next time you're in the U.S.A., try a pack.)

But I digress. We were speaking of Finster Sigafoos who went from Continental dining to dormitory feeding. So whenever you feel sorry for yourself, think of Finster, for it always lifts the heart to know somebody is worse off than you are.

© 1964 Max Shulman

We, the makers of Marlboro, can't say whether European food beats ours, but this we believe: America's cigarettes lead the whole world. And this we further believe: among America's cigarettes, Marlbros are the finest.

REMEMBER THESE? These three students were in "Campus Lights" three years ago. They are: David Colley (top), Farmington, Charles Tilley, Hopkinsville, and Rebecca Devine, Murray. The 1961 show had a cast of 104 members and was based on the theme, "Shaggy Dog." The 27th annual production of "Campus Lights" will be presented Feb. 20-22 by Sigma Alpha Iota and Phi Mu Alpha, music fraternities.

Watch for Cupid Friday; His Arrow May Strike

Friday is the day for hearts and flowers, sweet sentiment, and that cute little fellow, Cupid. Of course, it's Valentine's Day—the lay when saccharine verses and professions of true love abound.

There are several theories as to the origin of this special holiday. The one adhered to by most people concerns a Christian bishop named Valentine in third century Rome. Pagan Emperor Claudius II had passed an edict banning further marriages among young people. But Valentine continued to marry them secretly.

Consequently, Claudius had Valentine imprisoned and later beheaded, supposedly on Feb. 14. During his imprisonment, Valentine was befriended by the jailer's daughter and used to send her bits of poetry signed "From Your Valentine."

The young people set aside Feb. 14 as St. Valentine's Day, the feast of young lovers, in his honor.

Out of Valentine's Day has grown an industry producing millions of cards, thousands of heart-shaped boxes of candy, and a myriad of other objects.

The custom of exchanging greetings began in England in the 15th century. The austere Oliver Cromwell considered sending Valentines immoral and discouraged it. But the practice was heartily revived with the succession of Charles II.

Valentines in the US had to be handmade or purchased from England until shortly before the Civil War.

Mass production of the valentine in America began in the early 1850's in Worcester, Mass. It was started by Esther Howland who met success with her venture. She gathered a group of friends and neighbors in her

attic and formed an assembly line to produce the cards.

The greeting card industry claims that the first valentine was a heart-shaped rock pitched by a caveman at his girl.

Comic valentines came into popularity in the 1870's. Most of the early ones were made by Charles J. Howard.

Valentines range all the way from the elaborate lace and flowers type to the comic and the "be my valentine" type sent by school children.

On Feb. 14, 1906, a very unique valentine was sent to a bachelor and was appropriately entitled, "A Valentine to a Bachelor." Around the card were seven china underwear buttons, a red and yellow plaid vest button, several darker vest buttons, three overall buttons, a coat button covered with black serge, needles, thread, two garter buckles, two suspender clasps, several pins, and a nail.

Although valentines were formerly sent strictly as decorations of love, they can now be bought in many different forms. There are friendship cards, children's cards, and of course, the ever popular sweetheart valentines.

In keeping with the sentiments of the occasion, there is a town in Colorado named Loveland. Mail is sent there to be remailed with the Loveland postmark. A stamped picture of Cupid and a valentine verse are placed on each piece of mail.

Love has been the central theme of songs, poems, books, and plays for centuries, and it seems appropriate that there should be a special day for recognition of romance.

Watch out for Cupid Friday. If you are lucky you may be hit by one of his arrows filled with love potion.

WHAT'S DOING?

Tri-Sigmas, Tekes Plan Weekend Open Dances

By Cheryl Sweet

Sigma Sigma Sigma's Valentine Dance will be held Friday night from 8 to 12 in the Student Union Building ballroom. The Revieras from Nashville will play for the semi-formal dance.

Tickets can be purchased from any member of the sorority for \$1.75 or at the door for \$2.

Sound of Victory

The Sound of Victory Dance will be sponsored by Tau Kappa Epsilon fraternity Saturday night following the Murray - Eastern game.

Danny and the Demons will play for the dance in the SUB ballroom. All tickets are \$1.25.

AOPi Open House

Alpha Omicron Pi held open house Friday. The Evansville chapter pledge class members were weekend guests of the MSC chapter. The pledges were accompanied by their pledge master and the Kentuckiana alumni director.

Sorority Rush

Girls having a 2.5 average for the fall semester may sign up for rush on Monday or Tuesday from 9 a. m. to 4 p. m. in the lobby of the Student Union Building. There is a fee of \$1.

TKE Election

Tau Kappa Epsilon elected Chuck Baccus, junior, Karnak, Ill., secretary and Eugene Stone, junior, Hopkinsville, and Chuck Hines, sophomore, Lansing, Mich., representatives to the Inter-Fraternity Council for the spring semester.

Rush Dances

Alpha Tau Omega held a dance Saturday night in Paris, Tenn., for rushees. Pi Kappa Alpha also held a rush dance Saturday night. Sigma Chi's dance for rushees was Friday night following the performance of Peter, Paul and Mary.

Pinnings

Judy Cunningham to Gary Keller (PIKA); Elizabeth McKeen to George Roberts (PIKA); Elaine Hobbs to Larry Wiles (ATO); Vicki Poindexter to Richard Roll (PR).

Engagements

Hutchinson-Huber
Mary Hutchinson, sophomore, Marquette University, to Steve Huber (PIKA), sophomore, Milwaukee.

McElroy-Walters

Patsy McElroy, senior, Paris, Tenn., to Byron Walters (AGR), senior, Magnolia.

Trunnell-Reeves

Anna Lois Trunnell, senior, Owensboro, to Fred Reeves (PIKA), senior, Owensboro.

Gibson-Browning

Judy Gibson, sophomore, Madisonville, to Larry Browning, Nortonville.

Lashley-Wiseman

Larrie Lashley, freshman, Camden, Tenn., to Luther Wise-

man, senior, University of Tennessee.

Walston-Trentham

Nancy Walston, junior, Paducah, to Dwight Trentham, Lexington.

Roach-Barlow

Ruth Ann Roach, Bardstown, to Lellan Barlow, junior, Bardstown.

Trevathan-Owen

Judith Ann Trevathan, junior, Paducah, to Ernest Owen, senior, Bethel College, McKenzie, Tenn.

Gasser-Richardson

Anita Gasser, Ozark Beauty College, to James Richardson, senior, Paducah.

Kingcade-Sasseen

Beverly Jane Kingcade, 1962 graduate, Paducah, to Burnett Sasseen, Paducah.

Brooks-Edwards

Donna Brooks, sophomore, Boaz, to Ronnie Edwards, 1962 graduate, Paducah.

Weddings

Walker-Herbig

Janet Herbig (AOPi), junior, Calvert City, to William Walker (ATO), senior, Paducah, Feb. 1.

Weydener-Dinwiddie

Cubie Dinwiddie, senior, Bethesda, Md., to Philip Weydener (Sigma Chi), 1964 graduate, Babylon, N. Y., Feb. 8.

Crowe-Holt

Virginia Holt, sophomore, Clay, to Frank Crowe, junior, Ferns-
dale, Feb. 1.

SOCIETY HEAD . . . Cheryl Sweet, sophomore, Owensboro, has been named society editor of The College News for the spring semester. Miss Sweet is majoring in English and minoring in journalism.

'I'LL BUY A TICKET' . . . Three members of Sigma Sigma Sigma sorority sell a ticket to the Valentine Dance to Kirk Morgan, freshman, Louisville. The girls are (left to right): Ida Kieffer, senior, Mt. Carmel, Ill.; Sharon Poore, junior, Russellville; and Mary Futrell, sophomore, Mayfield. The dance which will be held Friday from 8 to 12 in the ballroom of the Student Union Building will feature the Revieras.

Weidon-Clark

Glenda Clark, freshman, Fulton, to Donald Weidon, Fulton, Jan. 17.

Walker-Pugh

Nell Pugh, sophomore, Murray, to Stan Walker, senior, Columbia City, Ind., Feb. 1.

Wheeler-Morgan

Elizabeth Ann Morgan, former student, Mayfield, to Jimmy Wheeler, 1962 graduate, Mayfield, Jan. 31.

Pansing - Lamar

Charlotte Ann Lamar of Paducah to William M. Pansing, former student at MSC, Metropolis.

Schmitt - Furguson

Sue Furguson of Spottsville to William A. Schmitt, a graduate of MSC, Evansville, Ind.

Wells - Murray

Nancy Ruth Murray of East Orange, N. J., to Jerry L. Wells, a former student at MSC, Grand Rivers.

Manning - Freeman

Marie Freeman, junior, English major, Calvert City, to Max Manning of Lynn Grove.

Benton - Rice

Charlotte Ann Rice, junior, business major, Kevil, to Kenneth Benton of Paducah.

Savells - Edwards

Sara Lynne Edwards (Alpha Omicron Pi) senior, home-economics major, Fairdealing, to Jerald Owens Savells (Alpha Tau Omega), 1963 graduate of MSC, Aurora.

Neale - Quertermous

Carol Quertermous (Sigma

Sigma Sigma), junior, business major, Murray, to Jerry Neale (Pi Kappa Alpha), 1962 graduate of MSC, Murray.

Millhouse - Beck

Marry Ellen Beck (Alpha Omicron Pi), junior, elementary-education major, Clarks-ville, Tenn., to Larry Millhouse (Acacia), 1962 graduate of Pennsylvania State University.

Settimo - Kelley

Dianne Kelley, Princeton, to Richard Settimo (Tau Kappa Epsilon), junior, social-science major, Brooklyn, N. Y.

Castings by Walsh Featured in Exhibit

An exhibit featuring the work of Mr. Thomas Walsh, art division, is being held in the Mary Ed McCoy Hall Gallery, third floor, Fine Arts Building.

The show, which will run through Feb. 23, consists mainly of bronze castings done by Mr. Walsh during his year and a half as a member of the MSC faculty. Also included in the show are drawings and sculpture made of clay, fiberglass, and cement.

Approximately 35 pieces will be on exhibit, most of which are "Murray State is one of the few schools in this part of the country which has facilities to do bronze casting," Mr. Walsh commented.

"It is a very time-consuming process which involves making various molds of plaster and wax."

The Cherry's

THE STORE OF YOUTH AND FASHION

Market Is Varied; Beauty Aids Make Jane Not So Plain

A large sum of money is spent each year by women for cosmetics and various beauty aids. Cosmetics include all substances, preparations, devices, and techniques which help to promote the attractiveness of one's appearance.

Cosmetics have had a long history. In the Bible one finds references to the practice of anointing the head or the body with oil. One of the most famous queens in history, Cleopatra, was famous for her skill in making and using cosmetics.

Since there were no corner drugstores in early times, women had to rely on physicians to supply them with beauty aids. Eventually the demand became so great that tradesmen took over this lucrative business.

The modern coed as well as any other woman has a desire to look her best at all times. No "plain Jane" can become a beauty overnight. But with practice and experimentation, she can learn to camouflage her bad points and play up her better features. Make-up should add to one's looks not disguise them so that the finished product resembles a Halloween mask.

No one can quickly become skillful in the art of make-up. It requires careful planning, a lot of know-how, an honest analysis of features, and experimentation.

Foundation is the first cosmetic to go on. Some girls, however, prefer not to use a foundation base on their skins. This is left up to each individual. The purpose of foundation is to give a smooth, finished look to one's face by hiding facial flaws.

Not all coeds were lucky enough to be born with long, dark lashes and beautiful eyes. What Mother Nature has failed to provide, science has been able to put in a jar, tube, or box and sell. This includes eyeshadow, eye liner, and mascara, which along with lipstick, are the essential ingredients of a good make-up kit.

By learning to skillfully apply cosmetics, a "plain Jane" can become a new girl for a new year. A great amount of experimentation and the use of her hands are the only tools that are needed to make make-up work successfully for her.

NEW UNIFORMS Billie Henson, junior, Paducah, measures the sleeve length of Susan Proctor, junior, Mt. Vernon, Ind., for her new uniform for the girls' drill team. Looking on is Jeannette Walliser, junior, Peotone, Ill.

Breezy, Fresh, Natural: That's the Way to Dress

With 1964 settling itself about you, you could be trying to shake the snow out of your hair and be getting ready for spring. Every girl wants to be prepared when spring finally does creep up on the Murray campus, and there's no time better than the present.

There are a lot of new ideas this year, and plenty of old ideas are remarking themselves.

The eyes are abandoning the extremes of last year. Heavy penciling and outlining are taboo, and the delicate quiet-eyed look is the new and enchanting way to greet spring. To achieve this melting look brows are now accented with soft and subtle shading with no more thin crescents or lines reaching toward the hairline.

Eyeshadow is on the pale side for a more natural look. This puts emphasis on the eyes themselves, rather than on the make-up. To get this muted effect the best colors are grays, taupes, and beiges, highlighted by pale blue, yellow, green, and turquoise. To fit in perfectly with all this the

lashes can be made to look longer and thicker with the wonderful new lash builders.

The lips follow the eyes into the natural look with the whisper shades for '64. These are never so pale as to seem ghostly but are just the right shade to look natural.

Clothes, lovely clothes, are keeping their sweet and simple lines of '63. This mildly conservative clothing is fun to wear and fits easily into campus life here at MSC.

The sleeveless jumpers with waist-deep V-necklines are still favorites. Shifts of soft and feminine fabrics are staying around for spring too. A new twist to the shift, the billowy "mimi" in pastel prints, seems to be a carry-over from the fall's corduroy loose jumper. For evening clothes are a little more sophisticated, yet still maintain the sleek and natural lines.

When spring finally does come, it will seek make-up and clothes in keeping with the season — breezy, fresh, and natural.

Organizations Draw Up Spring Social Calendar

The Murray State social calendar has been set up for the spring semester by representatives of campus organizations.

The social calendar is as follows:

- Feb. 14, Sigma Sigma Sigma's Valentine Dance (open).
- Feb. 15, TKE open dance.
- Feb. 20, Campus Lights.
- Feb. 21, Campus Lights.
- Feb. 22, Campus Lights.
- Feb. 23, SO movie.
- Feb. 24-25, Smokers.
- Feb. 25, Sigma Sigma Sigma's rush party.
- Feb. 26, AOPi rush party.
- Feb. 27, ASA rush party.
- Feb. 28, PR closed dance.
- Feb. 29, Sophomore class open dance.

- March 2, AAUW movie.
- March 3, Rubinoff concert; Sigma Sigma Sigma formal rush.

- March 4, AOPi formal rush.
- March 5, ASA formal rush.
- March 6, AGR closed dance; TKE closed dance; PR closed dance.

- March 7, Sigma Chi Playboy Ball (open).

- March 13, Wildlife Banquet; Military Ball.

- March 14, TKE Red Carnation Ball (open).

- March 15, SO movie.
- March 20, AOPi closed dance; PR closed dance.

- March 21, ATO Founder's Day Banquet and dance (closed).

- March 25, Kappa Pi art auction.

- March 27, FFA-FHA square dance.

- March 28, Sigma Sigma Sigma open dance.

- April 1, AAUW movie.
- April 2, Inaugural Ball.
- April 15, Count Basie concert.

- April 17, Sigma Sigma Sigma Founder's Day dance (closed); PR dance (closed); Thoroughbred dance (closed).

- April 18, PiKA's Neptune's Cove (open).

3 Quick-Meal Ideas Assist Married Coed With Menus

There is more to feeding a family these days than the smell, taste, or appearance of the food set before them on the table. And for the married coed, who is busily engaged in her homework and housework, these new demands may present quite a problem.

The three meals a day, year in and year out, to a great extent determine the good health, success, and happiness of every member of the family. As a result, every meal should be well-balanced. They should include the different food types that are necessary to fulfill the individual body requirements.

Although a married girl's time is limited, she still is able to prepare wholesome, nutritious meals with the aid of ready-prepared foods. She should include in each meal vegetables and fruits, bread, milk, and protein in the form of eggs, cheese, fish, and meats.

Some quick economical meal ideas are:

Creamed Tuna

½ cup sliced celery

2 tablespoons chopped onions
1 tablespoon butter or margarine

1 can (11 oz.) condensed cheddar cheese soup

½ cup milk
1 can (7 oz.) tuna, drained and flaked

2 tablespoons chopped pimento
Hot cooked rice

Cook celery and onion in butter until tender. Blend in soup and milk. Add tuna and pimento. Heat, stirring now and then. Serve over cooked rice. Serves four.

Meat Roll-Ups

Three or four slices of thin pork steaks

Salt and pepper

Prepared mustard

½ cup soft breadcrumbs

2 tablespoons chopped raisins

2 tablespoons chopped celery

2 tablespoons chopped apples

Dash of salt, sage

½ cup hot water

Set oven temperature at 350 degrees. Trim fat off meat and fry over low heat. Pound and season steaks. Spread lightly with mustard. Combine raisins,

celery, apples, salt, and sage. Spread on meat, then roll up meat and fasten with tooth picks. Dust with flour and brown in fat. Place meat in casserole dish, add hot water and cover tightly. Bake in oven for one hour or until tender.

Oven Chicken

½ cup instant nonfat dry milk

½ cup water

1 cup corn flake crumbs

1 teaspoon salt

½ teaspoon pepper

¼-½ teaspoon rosemary

1 fryer, cut up

½ cup (1 stick) butter

Preheat oven to 350 degrees.

Mix corn flake crumbs with salt, pepper, and rosemary. Dry chicken and dip into dry milk, then roll in corn flake mixture.

Place butter in baking dish and melt in oven. Arrange chicken in single layer in dish, and bake with skin side down for 20 minutes. Turn pieces and bake 20 minutes.

Does Your Coiffure Do What It Should for You?

An attractive hair style is one of the most important aspects of over-all appearance.

The variety of hair styles to suit features makes a defensive weapon to fight against Mother Nature. Perhaps nothing else can make a greater change in appearance than a new hair style.

The first step to a more attractive appearance is clean, shining hair. A good shaping or styling by a professional hairdresser also is important for manageable hair.

A proper diet that includes sufficient quantities of the four basic food groups helps to improve the appearance of the hair. So can plenty of sleep and frequent brushings.

An oval face has been acclaimed as the perfect face shape. Few women are fortunate

enough to possess this quality, but many beautiful women have learned hair-styling tricks that will give the impression of an oval face.

Women with round faces usually look better if their hair is kept short. Height may be added with soft poufs or large waves. Bangs should be brushed to one side. A side part helps to avoid balance that is too formal.

Features of a square face can be softened by curving lines of the hair toward the face in a vamp style. Needed length of the face can be achieved by styling slightly poufed bangs.

The problem of a triangular-shaped face can be counteracted by waves above or below the ears. Fluffiness at the cheekbones also helps to change the shape of the face.

The best remedy for the diamond-shaped face is soft lines carried out by curls around the face. Bangs may add to the attractiveness of the woman with the diamond-shaped face.

Nancy Gregory

Spring Sweetheart Selected by PR's

Nancy Gregory, junior, Henderson, has been elected "Sweetheart" of Pershing Rifles for the spring semester.

Her attendants are Sonya Oczypok, junior, Lyndora, Penn., and Anne Vinson, sophomore, Gracey.

Leap Year's Extra Day Has Uncertain Origin

"Ik mayden ladye of bothe highe and lowe estait shall hae liberte to bespeke ye man she likes in ilk lepe yeare, albeit he refuses to talk her to be his lawful wife, he shall be (fined) . . ."

So states the Scottish law of 1288 concerning the custom of women wooing in leap year.

No satisfactory explanation of the origin of this custom has been discovered. Similar laws were adopted in the 13th century in France, and in the 15th century in Genoa and Florence.

The generally accepted explanation for the name of the bissextile year, as it is known technically, concerns the extra day, Feb. 29. The addition of this day causes the days to "leap" over, or skip one day of the week, rather than fall the following day as in normal years.

The actual length of a solar year on which the Gregorian calendar is based is 365.25 days.

Thus in every four-year period, an extra day must be added to make the calendar month and

the solar revolutions fall on the same date.

In his calendar of 45 B. C. Julius Caesar took one day from February and added it to July. This made the month named after himself have 31 days.

Similarly, the astrologers under Augustus Caesar were ordered to borrow another day from February to make his month, August, equal to July.

The use of "leap years" in dating systems is varied. For example, the Mohammedan calendar which dates from 622 A. D., the date of the flight of Mohammed from Mecca, has years of 355 days, and a leap year each three years.

The Jewish calendar has no leap year. It dates from 3761 B. C., the assumed date of creation, and has alternating months of 29 and 30 days. Each leap year has an extra day.

Leap years in the United States are the years in which presidential elections are held. (Could this be to give voters an extra day to make their decisions?)

PLACEMENT BUREAU:

Job Agents List Interviews

Seventeen organizations are scheduled to have representatives on campus for job interviews during February, according to Mr. M. O. Wrather, director of placement.

Representatives from five of these organizations will be here this week to interview students who are interested in obtaining positions with their organizations.

Twelve other organizations have announced interview dates for the remainder of the month.

Dun and Bradstreet, Louisville, will have representatives here today. They are primarily interested in interviewing students for jobs as credit reporters.

Tomorrow representatives from Ferguson-Florissant School District, Ferguson, Mo., will conduct interviews. Jobs are open for teachers of all grades and all subjects.

Friday's interviews will be conducted by two school systems and a government agency.

Elementary-school teachers are being sought by the Owensboro City Schools, Owensboro. Interviews for secondary-school teachers will be held Feb. 28.

The Cape Girardeau Public School representatives of Cape Girardeau, Mo., are primarily interested in elementary and special education. Fields open include junior and senior English, mathematics, general science, and typing.

Two examinations, the Federal Service Entrance Examination and the National Teacher Examination, will be given Saturday. The F. S. E. E. will be given in 403 Business Building, and the N. T. E. in 153 Education Building.

On Tuesday representatives from F. W. Woolworth, St. Louis, Mo., and the Northwestern Mutual Life Insurance Co., Evansville, Ind., will be here. Woolworth is interested in management trainees, and the insurance company in salesmen.

Southern Bell Telephone and Telegraph Co., Louisville, will interview students for manage-

College News Staff Changes Reported For Spring Term

Appointments to the staff of *The College News* for the spring semester have been announced by Prof. L. H. Edmondson, director of journalism.

Cheryl Sweet, sophomore, Owensboro, succeeds Marilyn Allen, sophomore, Arlington, as society editor.

Wilson Woolley, sophomore, Colorado Springs, Colo., has been named photographer.

Special writers appointed are: Miss Allen; Eunice Anderson, junior, Princeton; Harry Rains, senior, Elizabeth, N. J.; and Landine Travis, junior, Mayfield.

ment trainees Feb. 19 and 20.

The Prince William County Schools, Manassas, Va., will also have representatives here Feb. 20. Jobs open include teachers at all levels and in all fields.

Management trainees, accountants, business and liberal arts majors, and science majors are being sought by the Alton Box Board Co., Alton, Ill. Representatives from that company will be here Feb. 21.

The Savannah City and Chatham County Schools, Savannah, Ga., will have representatives here Feb. 24. They are interested in all areas and all levels.

Interviews will be conducted by representatives from Albion Public Schools, Albion, Mich., and St. Louis City Schools, St. Louis, Mo., on Feb. 25. Vacancies for the Albion school will be listed later.

Freshman Selected Fall Cub Reporter

Gene Murray, freshman, Ed-dyville, has been named Outstanding Cub Reporter for *The College News* for the fall semester.

Murray is majoring in history and minoring in journalism.

The award is given each semester to the student in beginning reporting who shows outstanding ability in journalism.

Selection of Murray for the award was made by Prof. L. H. Edmondson, director of journalism, Sara Farthing, editor, and Chuck Baccus, news editor.

Gene Murray

The St. Louis system is interested in all areas and all levels. Masters' degrees are required for social science, art, music, and men's physical education.

Elementary teachers are being sought by the South Stickney School District III, Oak Lawn, Ill., which will be conducting interviews on Feb. 25.

The Belknap Hardware and Manufacturing Co., Louisville, will also be represented on Feb. 25. Sales positions are open in the company.

Feb. 24-26, the Jefferson Co. Schools, Louisville, will have representatives on campus to interview for teachers in all grades and all subjects.

On Feb. 27 a business firm and school system will be represented. IBM, Evansville, Ind., has jobs open for data processing, computer sales, and persons to install and maintain equipment. Elementary and junior-high teachers for French and Spanish are being sought by District 45, Villa Park, Ill.

Representatives from the Owensboro City Schools, Owensboro, will interview for all grades and all subjects on Feb. 28.

In order for a student to be considered for these interviews, he must have his credentials on file in the Placement Office, said Mr. Wrather.

Literature on most of the companies and school systems is on file in the office and should be read before the interviews, he added.

Racers Survive Three Rallies To Hand Middle 86-79 Loss

Never behind in the game but frequently in trouble, Murray State fought off three Middle Tennessee rallies in the final period of play Monday night to set back the Blue Raiders at Murfreesboro, 86-79.

The victory was the fifth for the Racers in eight OVC games and moved them into undisputed possession of third place. Middle suffered its seventh loss in 10 league contests.

The Racers seemed to be in control of the game after taking a nine-point lead into intermission, but the Raiders had other ideas.

John Namciu, leading scorer for the Racers in the first period with 15 points, hit on a jumper to offset a basket by Middle and Murray led with 18:45 left, 49-40.

But the Raiders turned hot and the Racers cold. Stu Johnson's jumper was the only score Murray could manage in the next four minutes while Middle closed the gap to one point, 51-50.

Jumpers by Al Varnas and Jim Jennings, followed by a three-point play by Jennings, brought the lead once again to seven points, but the Raiders stormed back with six of their own.

Middle's Mike Milholland then committed a foul and was charged with a technical when he disputed the call.

Varnas sank the free throw for the personal and Jennings connected on the charity toss for the technical.

Given possession of the ball, the Racers quickly scored on a jumper by Gene Pendleton.

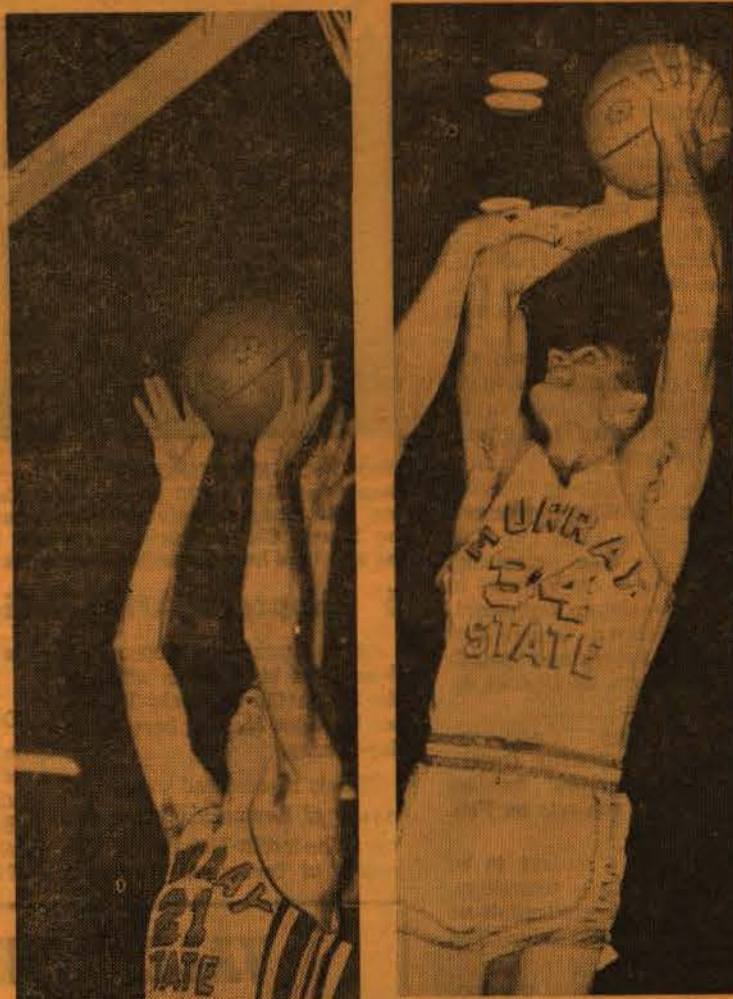

Middle scored on a tip, but Scott Schlosser hit on a jumper, Jennings on a 20-footer, and Schlosser on two from the foul line as Murray broke to an eight-point lead, 72-64.

Middle cut the lead by two points and then added two baskets a minute later to close the gap to a single basket, 77-75.

Jennings hit a jumper, but Milholland hit on a crisp. Schlosser, taking things into his own hands, drove through the Raider defense and scored on a lay-up and was fouled.

Schlosser sank the free throw and scored again on a jumper 16 seconds later. Varnas scored the final basket of the game on a tip with six seconds left.

The first half was close most of the way, but Murray capitalized on three Middle miscues to jump to a 10-point lead on baskets by Johnson, Jennings, and Pendleton with 1:43 left.

MURRAY ACES Jim Jennings (left) and Gene Pendleton led the Racer revolt against Morehead Jan. 25 when Murray knocked the Eagles out of first place in the OVC, 102-89. Both scored 24 points as Murray rolled up its highest score in a conference game for the year.

Frosh Will Play Friday In 'Sweetheart' Meet

The Baby Racers will journey to Henderson Friday to compete in the Henderson Rotary Club's annual "Sweetheart Tournament."

The Baby Racers will be in competition against frosh teams from Austin Peay, Oakland City College in Indiana, and Kentucky Wesleyan.

All proceeds from the tournament will go to the Rotary Scholarship and Youth Activities Fund, which provides scholarships to worthy college students and supports many other youth activities.

The Murray frosh will go into the tournament carrying only an 11-man squad. Herb McPherson, the Baby Racers' leading scorer, and Lee Sommers will both be ineligible for second semester play. Dan Lover has

transferred to another college.

The loss of McPherson and Lover may dim the Racers' hopes for a championship in the "Sweetheart Classic."

According to Coach Rex Alexander, "The competition should be very good; both Austin Peay and Wesleyan have fine teams according to the scouting reports that I have received."

"I would have to rank Kentucky Wesleyan the favorite on the basis of its undefeated season."

"From what I have read in the papers and seen from scouting reports, Oakland City College has been playing some fine basketball and may very well turn out to be a dark horse," the coach said.

Racers' Conference Hopes Ride With Saturday's Eastern Game

The Racers are on the move again as Eastern prepares to come into the Sports Arena Saturday night in a contest that could put the Murray quintet on top of the Ohio Valley Conference standings.

East Tennessee, currently holding the No. 1 position in the standings, will be at Bowling Green Saturday to battle the always tough Western Hilltoppers led by Darel Carrier.

An East Tennessee loss combined with a Racer victory would knot the pair with 6-3 records, while Eastern, who will travel to Middle Tennessee tomorrow night would be 5-3 at the most, even if they defeat Middle.

The Racers' victory over Middle Monday night was their second straight OVC victory on the road.

Murray traveled to Richmond to face the Eastern Maroons Jan. 13 and were dealt a 67-63 setback as a six-minute freeze attempt backfired in the final minute of play.

The Maroons have defeated Austin Peay at Richmond in overtime, 69-60, Western at home 85-72, and Tennessee Tech at Cookeville 84-79.

Their two losses have come at the hands of East Tennessee at Johnson City and to Morehead last week at home, 77-73.

The Maroons have an overall record of 10-6, including a 78-65 upset victory over Louisville earlier in the year.

Eastern is a tall team, led by three sophomores over 6-7. Eddie Bodkin, a 6-8 starter, is averaging nearly 17 points a game for

the Maroons and is among the league leaders in rebounding.

Lee Lemos and Herman Smith, two 6-3 starting guards, each contributed 20 points to the Eastern cause on Murray's visit to Richmond earlier in the season.

A fourth starter will be senior 6-8 Bob Tolan. Tolan scored 18 points against Murray while cracking the boards for 17 rebounds.

Jerry Bisbey, the top scorer for the Eastern freshman team last year, has been starting at a forward position.

The Racers will probably send to the court a starting unit of Jim Jennings, Stu Johnson, John Namciu, Scott Schlosser, and Gene Pendleton.

Al Varnas, a starter for the past two seasons, seems to have recovered from his ankle trouble and will see action.

Some Landlords are Yummy!

Dear Edie

By EDIE ADAMS

DEAR EDIE: I recently moved into a fully furnished luxury apartment with a built-in bar (completely stocked, Hi-Fi, and all the latest, maddest, most modern conveniences.)

My problem is: the rent is only \$75.00 per month - and Jack Lemmon, my landlord, says he will lower the rent if I promise to meet him Under The Yum-Yum Tree.

Is this better than a month's concession?

PERPLEXED SINGLE GIRL (34-22-34)

DEAR PERPLEXED: See Jack Lemmon in Columbia Pictures "UNDER THE YUM-YUM TREE," co-starring: Carol Lynley • Dean Jones • Edie Adams • Imogene Coca • Paul Lynde • Robert Lansing and The Yum-Yum Girls.

DEAR EDIE: Can a boy and girl find happiness under the Yum-Yum tree?

BEWILDERED BLONDE (36-24-36)

DEAR BEWILDERED: Yes, that's where they'll find the passkey to paradise. For proof, see Jack Lemmon in Columbia Pictures "UNDER THE YUM-YUM TREE," co-starring: Carol Lynley • Dean Jones • Edie Adams • Imogene Coca • Paul Lynde • Robert Lansing and The Yum-Yum Girls.

DEAR EDIE: How long has Yum-Yum been going on?

ANXIOUS REDHEAD (38-26-36)

DEAR ANXIOUS: Ever since Adam and Eve. If you don't believe me, see Jack Lemmon in Columbia Pictures "UNDER THE YUM-YUM TREE," co-starring: Carol Lynley • Dean Jones • Edie Adams • Imogene Coca • Paul Lynde • Robert Lansing and The Yum-Yum Girls.

Bones Rattles On . . .

By Mike Driscoll

Murray has a chance to jump into second place and possibly a tie for the league lead with a win over Eastern Kentucky Saturday night.

Currently riding a three-game winning streak in the OVC, the Racers can pick up in the next week of play some valuable ground on East Tennessee.

The Buccaneers of East Tennessee lead the league with a 6-2 mark but must play Darel Carrier and Co. at Bowling Green Saturday night and Tennessee Tech at the nest of the Golden Eagles Tuesday night.

One loss by the Bucs would put the Racers in a tie if we can beat both Eastern Saturday and Austin Peay next Wednesday. Two defeats suffered by East Tennessee could give our men a little insurance when they travel to Western Feb. 22.

Two nights later, Feb. 24, the Racers will have their chance to do the damage as they clash with the Bucs at Johnson City.

Racer forward Jim Jennings is leading the team in both scoring and rebounding.

The 6-7 senior has scored 331 points in 18 games for an average of 18.3 while gathering nearly 15 rebounds a game.

Soph Stu Johnson is runner-up in both departments. Stu is averaging 16.2 points and 14 rebounds.

John Namciu has a 13.2 scoring average; Gene Pendleton 12.2; Al Varnas and Scott Schlosser are averaging slightly over nine points.

Shouts of "Break up the Racer track team" haven't been heard as yet, but it is quite conceivable that this thought has infested the minds of rival Ohio Valley Conference school coaches during the last six seasons.

The thistles of Coach Bill Ferguson, winners of the OVC crown since 1957, will open their 1964 season Saturday with a trip to the Mason-Dixon Games in Louisville.

The Racers seem to be loaded with talent again this season, and the competition that they will face Saturday and later in the Memphis Relays should be of value to them when the conference schedule begins.

The tracksters will get a chance to see and compete against some of the top performers in the nation, John Thomas, Boston College's talented high jumper, is scheduled to participate.

Thomas has cleared 7-3 1/2 to set the United States record and is expected to break the Mason-Dixon record of 6-8 1/2 very easily.

John Camlen, one of the top performers in the nation in the mile run, will be out to break the four-minute mark and the Mason-Dixon record. Camlen's best time in the mile has been 4:00.7.

Bob Hayes of Florida A&M will participate in the 70-yard dash. Hayes holds the Mason-Dixon Games record and the world mark with his time of 6.9 last year.

Arkansas State Easily Defeats Erratic Racers

Murray State's basketball team suffered its eighth loss of the season Thursday night losing to the Arkansas State Indians in the second meeting of the season for the two teams, 85-74.

The Racers, showing the effects of a 12-day layoff, were erratic in both the shooting department and in their ball-handling, after having dealt the Indians a 93-63 setback earlier in the year here.

The Racers hit 55.5 per cent of their shots in the first half but finished the game—at one stretch the Murray quintet failed to connect on any of 11 shots—with a 48.5 average.

The Indians broke a 12-12 tie at the 13-minute mark of the first period and went on to score nine straight points before Stu Johnson could break the ice with a 20-foot jumper.

The teams traded baskets before two jumpers by guard Scott Schlosser and a lay-up by Gene Pendleton cut the lead to five points.

Arkansas enlarged the lead to nine again, but baskets by Johnson, two by Schlosser, and a three-point play by Pendleton tied the contest at 31-31 with 3:37 left.

A lay-up by John Namciu with six seconds remaining in the first half sent the teams into intermission tied once again, 37-37.

Murray took a four-point lead at the start of the final period on jumpers by Johnson and Pendleton, but the Indians forged ahead for good on the strength of a seven-point spree.

Murray rallied to within one point at 50-49, but Jerry Rock hit on two jumpers to ignite an Indian rally which saw the Racers outscored 10-3.

The closest the Racers were to come to the lead again was six points as Jim Jennings, held to two points for the first 31 minutes of play, hit two jumpers and a tip to make the score 72-66, with 4:51 remaining.

Top scorer and rebounder for the Racers was Johnson who netted 20 points and 11 rebounds.

Four other Racers hit for double figures: Schlosser 14, Namciu 13, Pendleton 12, and Jennings 10.

The Indians outscored Murray from the foul line 13-8 while also controlling the boards, 46-38.

TWTW—Neither Good nor Bad As Racers Win Two, Lose One

The week that was to be for the Racers wasn't too bad, nor too good; they salvaged victories over homestanding Austin Peay and visiting Morehead after a crucial loss to East Tennessee in the Murray Sports Arena Jan. 21.

The Buccaneers from East Tennessee rallied with six straight points to tie the Racers with 10:35 left in the game and then held on, after scoring four crucial points in foiling a Murray freeze, to send the game into double-overtime as Jim Jennings missed a 20-foot jumper with three seconds to play.

The first extra period saw each team score two points. The Racers again froze the ball for a last shot, but Gene Pendleton's jumper hit the front of the rim and bounded away to set up the

final five-minute overtime period.

The Bucs scored first this time, so a Racer freeze was useless as Murray had to score. Jennings sank a free throw, but East Tennessee hit two from the field to enlarge its lead to five points with 1:35 left.

Johnson hit on a tip with 56 seconds left, and Jennings on a jumper 20 seconds later to cut the gap to one point.

The Racers had one final chance, but failed in that time to get a good shot off. A desperation toss with two seconds showing on the clock fell short.

The Bucs had won 62-61, a loss which might prove to have been too costly for Murray.

Two nights later the Racers returned to the victory path with an impressive 96-82 decision over the OVC's newest member, the Governors of Austin Peay.

The Clarksville contest was decided early as the Racers took the lead for good with 13:38 remaining in the first half and built this to a nine-point difference at intermission.

The second half was much of the same. Tremendous shooting by Scott Schlosser and the board work of Jennings and Stu Johnson propelled Murray to its biggest lead of the game with six minutes left, 82-60.

Morehead was the last hurdle two nights later in a most interesting week.

Harold Sergent, All-OVC last year and selected the most valuable player in the conference, put on another of his tremendous shooting displays. He finished the night with 37 points.

A fine team effort from Murray offset the heroics of Sergent, Johnson tipped one in to give the Racers the lead for good with two minutes gone in the final period.

Morehead pulled to within two points with 9:14 left, but a three-point play by John Namciu and jumpers by Jennings and Pendleton sent Murray into a seven-point lead.

Final score: Murray 102, Morehead 89.

HOT HAND . . . Racer guard Scott Schlosser enjoyed his best night of the season as he led Murray to a 96-82 victory over Austin Peay Jan. 23. Schlosser finished the night with 20 points on 10 of 12 from the field.

GRAHAM & JACKSON

MANY TROPHIES These six members of the MSC rifle team won 11 trophies at the Ft. Campbell rifle tournament Feb. 1. The members are (left to right): Richard Sides, sophomore, Ambler, Penn.; Gary Rundle, sophomore, Benton; Dale O'Daniel, sophomore, Mayfield; Sue Davis, junior, Arlington; Joe Davis, sophomore, Arlington; and Bob Beard, sophomore, Bardwell. Only Ft. Campbell personnel and Murray State riflemen fired in the post tournament.

14-Man Net Squad Opens Drill; Match Play to Begin March 27

Murray State's 14-man tennis squad under Coach Chad Stewart has started conditioning for the 1964 tennis schedule which includes 19 dual matches plus the OVC tournament.

Four lettermen are back: Bill Bowen, senior, Flora, Ill.; Tom Higgins, senior, Henderson; Charles Champion, senior, Paducah, and Bob Tracy, senior, Hinsdale, Ill. Terry Tippin, a two-year letterman, is probably out for the year because of an auto accident last weekend, according to Coach Stewart.

Champion lettered in 1961 and was one of the netter's leading players. Higgins has been one of the OVC No. 2 doubles champs for the past two years. Playing in the No. 1 slot, Bowen was named most valuable player on last year's squad which had an

Coach Stewart

8-7 record and placed second in the OVC.

Top newcomers are expected to be Mike Barnes, freshman, Granite City, Ill.; Henry Baughman, sophomore, Stanford; Pat Bryan, freshman, Flora, Ill.; Bill Bryan, sophomore, Flora, Ill.; and Chuck Close, freshman, Arlington Heights, Ill.

Coach Stewart, in his second year as MSC mentor, stated this year's squad should have more depth than the 1963 team and more experience, as there are four seniors on the team.

A southern trip will again highlight the tennis schedule. Six matches will be played in seven days on a trip into Florida, Mississippi, and Louisiana.

Murray will face four South-eastern Conference teams this year, the University of Kentucky, Vanderbilt, Louisiana State, and Mississippi.

The netters will make a weekend trip to Illinois in May for matches with Eastern Illinois, Illinois Wesleyan, and Illinois State Normal.

Runners-up in the Big Eight last season, the powerful University of Missouri squad will be here March 27 for the second match of the year.

Manuscripts, poems, and class papers neatly and accurately typed, proof-read, mailed flat. Mss, 50c per 1,000 words; poems 1c per line; class papers 35c per page. John C. Gibbs Union City, Tenn.

Campus Rifle Meet Won by Helderman

Ronald F. Helderman, freshman, Benton, captured first place in the second annual Professor of Military Science Handicap Rifle Tournament here Saturday. Helderman's handicap of 85 and his scratch score of 231 gave him the winning total of 316.

William S. Roberts, also a freshman from Benton, was just two points back in second place with a 314 total. Roberts put together a 204 scratch total and a 110 handicap for his score.

A member of the Murray State varsity rifle team finished third. Joe Davis, sophomore, Arlington, fired the highest scratch total, 285. However, his handicap was only 17 to give him a 302 total.

Murray Wins 11 Awards In Firing at Ft. Campbell

The Murray State varsity rifle team collected 11 individual trophies in civilian and open divisions in the Ft. Campbell tournament Feb. 1.

Bob Beard won the open division in the firing from the prone position with a perfect 200 score. Dale O'Daniel won second place in the civilian division with 198 score.

Beard also won the open division competition from the kneeling position. He shot a 195 out of a possible 200.

O'Daniel fired a 190 to take top honors in the civilian division, followed closely by Joe Davis with 188.

Richard Sides was the only Murray shooter to win a trophy in the firing from a sitting position. Sides' score of 192 won him second place in the civilian division.

In the standing position event, Gary Rundle and Beard tied with 174 scores, but Rundle won the first-place trophy on the basis of

most direct center hits.

Beard and O'Daniel placed first and second in the civilian division of the total individual score event. Beard had a 760, and O'Daniel shot a 748.

Sue Davis, the only coed on the Murray squad, fired a 723 to capture top honors in the women's open division.

In team competition, Murray's team of Beard, O'Daniel, Davis, and Kenneth Heath won first place in the civilian division. Their score of 1506 was only eight points back of the leading post team in open competition.

Aquatic Club Slates Meeting for Tonight

"Teaching Handicapped Children to Swim" will be discussed at the Aquatic Club meeting tonight at 6 in the Carr Health Building.

Membership in the club is still open. Anyone wishing to join may contact Aase Kleeve, Woods Hall, president of the club.

IN LOUISVILLE SATURDAY:

Tracksters to Open Season With Mason-Dixon Games

The Racer track team will open its 1964 season Saturday when it travels to Louisville to enter the fourth annual Mason-Dixon indoor track and field games.

Ohio Valley Conference champions in track for the past six seasons, the Racers will field only a partial team in what is expected to be some of the toughest competition they will face all year.

Last year the mile-relay team, consisting of Tom Cheaney, John Wadsworth, Bob Gross, and Ray Wilson, broke the old mark of 3:24.8 and captured the event with a time of 3:22.9.

The two-mile relay team finished second last year behind a record-breaking performance from the Hilltoppers of Western Kentucky.

Heading the Murray list of entries in the individual running events will be hurdler Charlie Allen and sprinter Bob Doty.

Allen, holder of the school record in the high- and low-hurdle events, returns to the squad after a year's layout and is expected to be one of the mainstays this season.

Doty will compete in the 70-yard dash, an event in which he finished fifth last year in the Mason-Dixon games.

Running in the 600-yard dash for Murray will be Wilson, a senior.

Freshmen Ed Scullion and Jim Yost, members of this year's championship cross-country team,

will run in the Kentuckiana Mile. This event is limited to runners from the state of Kentucky and Indiana.

Murray will have entries in only two field events, the shot put and the high jump. Co-captain Bob Bolling will throw the shot for the Racers, while Augie Schiller, high-jump champion in the OVC last season as a freshman, will carry Murray's hopes in that event.

The meet will attract such outstanding track performers as Bob

Hayes, world record-holder of the 100-yard dash and record-holder of the 70-yard dash in the Mason Dixon games. Last year he set a new record of 6.9.

TRACK CAPTAIN . . . Co-captain Bob Bolling will carry Murray's hopes in the shot put when he competes in the Mason-Dixon indoor track meet Saturday.

HURDLES CHAMP . . . Charlie Allen, Murray's 1962 OVC champion hurdler, who returned after a year's layout, will compete in the Mason-Dixon games Saturday.

MILE-RELAY CHAMPS . . . Three members of Murray's OVC mile-relay championship team will enter the Mason-Dixon indoor track meet Saturday. Ray Wilson (third from left) will enter the 600-yard dash and will not compete in the relay. Other members are (from left): John Wadsworth, Bob Gross, and Tom Cheaney. Coach Bill Furgerson has not decided on Wilson's replacement in the relay.

Golfers Will Open Campaign at LSU March 26; 'My Best Balanced Team,' Says Coach Hewitt

Murray's golf team will open its 1964 season by playing in the Louisiana State University Invitational at Baton Rouge, La., March 26-27.

The LSU meet will be the first of three tournaments for the Murray linksmen this year.

On May 15 the team will go to Bowling Green to take part in the Ohio Valley Conference championship tournament.

May 30 will find the Murray team in Athens, Ga., for the Southern Intercollegiate Tournament.

Coach "Buddy" Hewitt is hopeful that the team's record will be good enough to earn a bid to the NCAA's small-college tournament to be played early in June.

"This year's team is the best balanced team I have had in the four years I have coached," said Mr. Hewitt.

Gone is Bill Graham, who was graduated in June. He was consistently the team's low man.

But Coach Hewitt is confident he has other players who can "take up the slack" resulting from Graham's graduation.

Four men are back from last

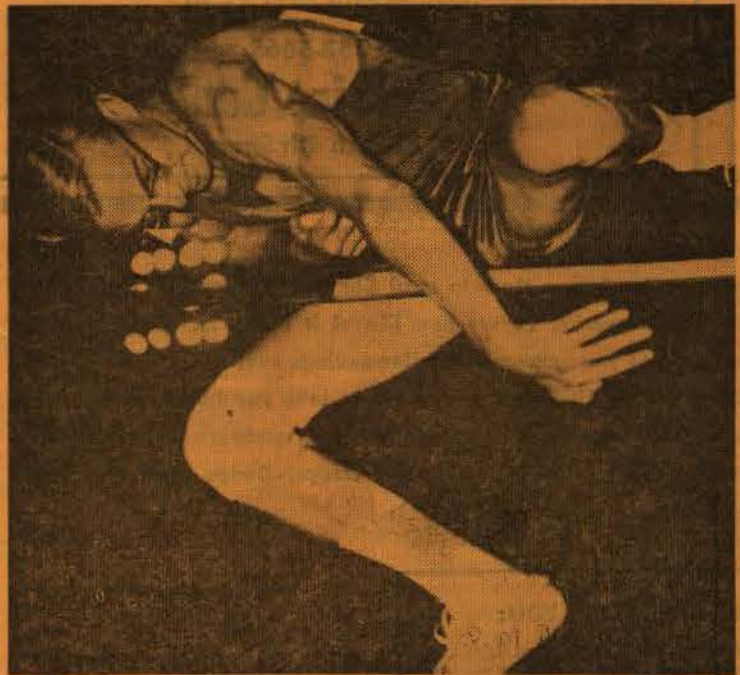

year's squad: Larry Mullins, sophomore, Paducah; Fred Lancaster, junior, Mayfield; Lenny Newton, sophomore, Fulton; and Tommy Thomas, sophomore, Paducah.

There are also three freshmen on the squad: George Acree Jr.,

Louisville; Gary Flowers, Pinckneyville, Ill.; and Jim Williams, Mt. Vernon, Ill.

Asked if his team has any real standouts, Coach Hewitt said, "It is too early to tell, but as the season goes along the record will speak for itself."

Murray's linksmen compiled a 6-2 match play record last season and finished second to Middle Tennessee in the OVC tournament. Graham took OVC medalist honors.

RECORD BREAKER . . . High-leaping Augie Schiller, Murray's record-breaking high jumper, will be entered in the Mason-Dixon indoor track meet Saturday. The springy sophomore is expected to be one of the meet's top performers.

READY . . . Coach Buddy Hewitt feels the Racer golf prospects look the best since he took over the coaching job four years ago. The Racers will open match competition March 26.

Water Carnival Theme, Staff Announced by Pat Kleckner

Chairmen and the theme for the 1964 Water Carnival have been announced by Director Pat Kleckner, junior, Dayton, Ohio.

"Sea Fantasy" is the theme for this year's carnival.

Trudy Russell, sophomore, Jackson, N. J., and Joan Schneider, sophomore, Arverne, N. Y., will serve as program co-chairmen.

Lights co-chairmen will be Mary Ann Randolph, senior, Augusta, Mo., and Linda Woods, senior, Sikeston, Mo.

Serving as properties co-chairmen will be Alice Crouch, freshman, Fitchville, Conn., Chris Martinez, freshman, Jackson, N. J., and Joann Russell, freshman, Russellville.

Karen Erickson, freshman, Wiloughby, Ohio, will be in charge of costumes.

Others in charge of program production are: Kathy Mahoney, junior, Chappaqua, N. Y., assistant director; Susan Munday, junior, Murray, and Sheila Waggoner, junior, Wingo, publicity; Sandra Stubbs, junior, Caruthersville, Mo., and Susan Kaufman, junior, Mt. Vernon, Ill., ticket sales.

The carnival is scheduled to be held April 30-May 2.

'THAT'S A GREAT PLAN' Kathy Mahoney (left), junior, Chappaqua, Ohio, assistant director of this year's Water Carnival, and Pat Kleckner, junior, Dayton, Ohio, director, go over plans for the carnival. Tryouts for the cast will be held tonight and tomorrow at the pool in the Carr Health Building.

ACE Will Meet Tomorrow
At 6:30 in SUB Ballroom

The Association for Childhood Education will meet at 6:30 tomorrow night in the ballroom of the Student Union Building.

"I'll Sing My Song" is the title of the program.

Quad-State Festival
Draws 14 Schools

'First Class,' Says ACP In Rating College News

The College News has received a first-class rating for the fall semester in a critical survey made by the Associated Collegiate Press, University of Minnesota.

Missing "All-American" rating by only 90 points, The College News received 3310 points out of a maximum score of 3700. "All-American" ratings begin at 3400.

Perfect scores were received for coverage of news sources and balance among various types of news used.

"A superb job," said the judge when commenting on sports coverage and writing. The content of news stories and the style in which they were written received maximum scores.

The College News also received high ratings for make-up. The judge commented that the paper was "very attractive throughout."

Typography, printing, and features were the categories in which the paper rated lowest.

This was the highest score in

the ACP contest since The College News became a weekly in September, 1959. It was the first time to receive a first-class rating in the 4000-plus enrollment category.

"I congratulate the entire staff on their achievement," commented Mr. L. H. Edmondson, head of the journalism division. "I am especially proud of the compliments paid our coverage of news, for a newspaper is primarily a medium of news, not entertainment."

Young Democrats To Meet Tonight

The Young Democrats Club will meet tonight at 7 in Meeting Rooms 3 and 4 of the Student Union Building.

Jerry Stevens, senior, Kevill, who has won the "Breathitt Victory Contest" for the fall, will be given a \$25 bond. Some new officers will be elected to fill those vacated since last fall.

Water Fete Holding

Swim Trials Tonight

Tryouts for the Water Carnival are being held tonight and tomorrow night at 6:30 at the pool in the Carr Health Building. Tryouts began Monday.

THANK YOU, Students Faculty and Alumni

Thank you for taking time to read Chrysler Corporation's 5-year or 50,000-mile warranty. To see how liberal it really is. To see what it could mean to you in terms of dollar savings over a period of 5 years or 50,000 miles. This warranty not only tells you how well built our cars are, but it assures you of the extra strength and endurance built into every Imperial, Chrysler, Dodge, Dodge Dart, Plymouth and Valiant.

HERE'S HOW THE STRONG 5/50 WARRANTY PROTECTS YOU:

Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage. The warranty on all other parts manufactured or supplied by Chrysler Corporation is for 12 months or 12,000 miles, whichever comes first, excluding only tires and normal maintenance services such as replacing spark plugs, condensers, ignition points, filters, etc.

THANK YOU

for every minute of your valuable time that we of Taylor Motors have taken in showing to you and demonstrating our product, for letting us point out the superior features such as: Torsion-air suspension, extra safe and extra strong rock-solid body construction, safety-rim wheel, and many other fine features on every Imperial, Chrysler, Dodge, Dodge Dart, Plymouth and Valiant.

THANK YOU

for your confidence shown in Chrysler Corporation and Taylor Motors in buying our cars in the greatest number ever. May our products continue to offer the same high quality construction as we now have, and may we at Taylor Motors strive to retain and justify the confidence shown in us by your purchasing our products in ever increasing numbers.

THANK YOU

for checking with Taylor Motors when in need of a dependable used car. Even now our lot is stocked with a number of late models. Yes, even 1964 competitive cars traded in on new and used Imperials, Chryslers, Dodges, Dodge Darts, Plymouths, and Valiants. Don't forget the long warranty available on every 1963 Chrysler Corp. used car. Other manufacturers' warranty is to original purchaser — ours is transferable to you.

THANK YOU

for recommending our place of business, for recommending our products, for suggesting to your friends and associates that they, too, trade with Taylor Motors. We really do appreciate your business and your goodwill. In the event you have been too busy to look over and drive a new Imperial, Chrysler, Dodge, Dodge Dart, Plymouth, or Valiant may we have the pleasure of showing to you and demonstrating our product in the near future?
