“You have made known to me the path of life...” Psalm 16:11

Alistair Begg Joins Daily Program Lineup

Scottish Pastor Headlines New LifeWalk Features on *The Path*

You can take a Scot out of Scotland, but you cannot take Scotland out of a Scot. Although he doesn't wear a kilt, and bagpipes are not his favorite musical instrument, Alistair is Scottish to the core. He was born in Glasgow in 1952 to Christian parents who were instrumental in his coming to faith in Christ. At the end of high school, he will tell you, his sights were set on a law degree and an American girl named Susan. Today he has a theology degree and the American girl! They were married following Alistair's 1975 graduation from London Bible College and lived in Edinburgh for the first two years where Alistair served as an assistant pastor. From 1977-1983 he was pastor of Hamilton Baptist Church. During that time, their three children, Cameron, Michelle, and Emily, were born. In the summer of 1983, he accepted the invitation to come to the U.S. and pastor in Cleveland, Ohio, and the Begg's have been there ever since. The preaching opportunities and the radio program stem from the weekly Bible teaching at Parkside Church in Cleveland. Alistair enjoys taking photographs, scouring second hand book shops, and desperately trying to break 80 on the golf course when he is "off duty."

“Truth for Life” is just one of several new additions to The Path. See the schedule below for program times and descriptions.

You're Not Alone on *The Path*... Your Full-Service Friend

Personally Speaking

Friendships are one of the choicest blessings from God. When you think about it, you and I are the products of all the people God has put in our lives. Some of these people you know face-to-face. You know others through their writings. I am pleased to introduce some new friends that you will get to know much better through their daily radio ministries.

Alistair Begg is one of those choice friends. Pastor Begg's series on the providence of God captivated the Cedarville College student body and CDR Radio listening family during the Fall Bible Conference at the College last year. We have replayed those messages with the same result. His messages are true to the Scriptures. Pastor Begg speaks effectively to both a young and more mature audience. We would like to know what you think about *Truth for Life's* daily broadcast and our other new features. Please send your comments on the enclosed reply card.

You will notice that two of the new special features focus on compassion ministries. *Angels of the Poor* is hosted by veteran

broadcaster (and Cedarville College graduate) Steve Boalt. Steve will bring you to remote outposts in the Caribbean and Central America where Christians are bravely serving our Master, the Lord Jesus Christ. In addition, *The Overcomers* radio broadcast provides a voice to tell the stories of our persecuted brothers and sisters around the world. I encourage you to write or call these organizations for more information on their valuable ministry to forgotten members of the body of Christ.

On a final note, thanks for helping us to "finish well" last month as we completed our financial year. We appreciate those who partner with us in providing biblical resources for life's deepest issues.

Serving the Lord with gratitude,

Paul H. Gathany
General Manager

Did Jesus Use A Modem?

Did Jesus use a modem,
At the Sermon on the Mount?
Did He ever try a broadcast fax,
To send His message out?
Did the disciples carry beepers,
As they went about their route?
Did Jesus use a modem,
At the Sermon on the Mount?

Did Paul use a laptop,
With lots of RAM and ROM?
Were his letters posted on a BBS,
At Paul.Rome.Com?
Did the man from Macedonia,
Send an E-mail saying, "Come"?
Did Paul use a laptop
With lots of RAM and ROM?

Did Moses use a joystick,
At the parting of the Sea?
And a Satellite Guidance Tracking
System

To show him where to be?
Did he write the law on tablets
Or are they really on CD?
Did Moses use a joystick
At the parting of the Sea?

Did Jesus really die for us
One day upon a tree?
Or was it just a Hologram
Or Technical Wizardry?
Can you download the Live Action
Video Clip
To play on your PC?
Did Jesus really die for us
One day upon a tree?

Have the wonders of this modern age
Made you question what is true?
How a single man, in a simple time,
Could offer life anew?
How a sinless life, a cruel death,
Then a glorious life again,

Could offer more to a desperate world
Than all the inventions of man?

If in your life, the voice of God
Is sometimes hard to hear.
With other voices calling
His doesn't touch your ear.
Then set aside your laptop and modem,
And all your fancy gear
And open your Bible, open your heart,
And let your Father draw near.

Ohio Radio Stations to Assist Alaskan Missionary Network

CDR Radio Chief Engineer John Tocknell is one of three technical staff members traveling to Nenana, Alaska, this month to help a missionary radio network solve some immediate technical needs.

Tocknell will travel with Farris Wilhite of WCVO-FM/WCVZ-FM in Columbus/Zanesville and John Graham of WFCJ-FM in Dayton to complete the installation of digital equipment purchased by KIAM-FM, the flagship station of the I AM radio network. The I AM Network primarily serves the native Alaskan population. Former CDR Radio Program Director Jon Skillman is on staff with the network in Bethel, Alaska.

Tocknell says that the I AM Network lost their engineer about ten months ago, and it is difficult to replace someone with that type of skill level in the remote regions of Alaska. The group plans additional trips to provide technical assistance in the future.

The trip is being financed by member stations of The Ohio Christian Broadcasters Fellowship (OCBF). CDR Radio Network General Manager Paul Gathany serves as the OCBF coordinator.
