00:07:15.000 --> 00:07:25.000

in a cramped hotel rooms. with a no ready for midcon players sort of limited evening programming, because the space issue and only 100 attendees.

00:07:25.000 --> 00:07:38.000

But I think that's pretty good. So you know. so like, Oh, yes, question about the dollar. Yeah. So they Won't be running between program item No, this was just during lunch, and cause we want our golf car drives to be able
