The Secretary of the Department may develop and operate:
(a) the interoperability hub, which relays electronic

17 18 19

16

communications between bodies and persons requesting and providing identity-matching services; and the NDLFRS, which includes a database of

20 21 (b) the NDLFRS, which includes a database of identification information from State and Territory authorities and may be used to provide identity-matching services.

22 23 The Department may collect identification information through the interoperability hub or NDLFRS for any of the following purposes:

24 25

26

(a) providing or developing identity-matching services for identity or community protection activities;

(b) developing, operating or maintaining the NDLFRS;

1 2	(c) protecting the identities of persons who have legally assumed identities or are under witness protection.
3	The Department may use or disclose for any of those purposes
4	information so collected (regardless of the purpose for which it was
5	collected).
6	Generally, identity-matching services involve requests for
7	electronic comparison of identification information about an
8	individual to identify the individual, verify the individual's
9	identity, check whether the individual has more than one State or
10	Territory government identification document of a particular kind,
11	or manage identification information about the individual in the
12	NDLFRS.
13	Identity or community protection activities mostly relate to
14	identity-related fraud, law enforcement, proceeds of crime, security
15	and safety.
16	Persons who work for the Department, and contractors whose
17	duties relate to the interoperability hub or the NDLFRS, may
18	commit an offence for unauthorised disclosure or recording of
19	certain information held in, generated using or relating to the
20	interoperability hub or the NDLFRS.
21	The Minister must report to Parliament annually on the use of most
22	of the identity-matching services.

0		the individual;
1	(f)	information about whether the individual is alive or dead;
12	(g)	any information that is:
13		(i) contained in a driver's licence (however described)
4		issued by or on behalf of an authority of a State or
15		Territory in a name of the individual; or
16		(ii) otherwise associated with the licence by the authority;
17	(h)	any information that is:
18		(i) contained in any other licence (however described), or
19		any document issued to assist the individual to prove his
20		or her age or identity, that contains a photograph
21		purporting to be of the individual and is issued by or on
22 23		behalf of an authority of a State or Territory in a name of the individual; or
		•
24 25		(ii) otherwise associated with such a licence or document by or on behalf of the authority;
	(i)	any information that is:
26	(1)	(i) contained in a document issued to the individual, as a
27 28		person who is not an Australian citizen, by the
29		Department administered by the Minister administering
30		the <i>Migration Act 1958</i> to assist the individual to prove
31		his or her identity; or
32		(ii) otherwise associated with such a document by that
33		Department;
34	(j)	any information that is:
35		(i) contained in an Australian travel document (within the
36		meaning of the Australian Passports Act 2005), or a

1	foreign travel document (within the meaning of the
2	Foreign Passports (Law Enforcement and Security) Act
3	2005), issued in the name of the individual; or
4	(ii) otherwise associated with the Australian travel
5	document by the Minister administering the Australian
6	Passports Act 2005 or the Department administered by
7	that Minister; or
8	(iii) otherwise associated with the Australian travel
9 10	document or foreign travel document by an authority of the Commonwealth or of a State or Territory by which
11	the travel document may be inspected or seized under a
12	law of the Commonwealth or of a State or Territory;
13	(k) the individual's current or former citizenship;

16	from such an image or a result of biometric comparison
17	involving such an image;
18	(n) any information that is prescribed by the rules and relates to
19	the individual.
20	What is not identification information
21	(2) Despite subsection (1) but subject to subsection (3), the following
22	is not identification information about an individual:
23	(a) information or an opinion about the individual's:
24	(i) racial or ethnic origin; or
25	(ii) political opinions; or
26	(iii) membership of a political association; or
27	(iv) religious beliefs or affiliations; or
28	(v) philosophical beliefs; or
29	(vi) membership of a professional or trade association; or
30	(vii) membership of a trade union; or
31	(viii) sexual orientation or practices; or
32	(ix) criminal record;
33	(b) health information (within the meaning of the <i>Privacy Act</i>
34	1988) about the individual;
35	(c) genetic information about the individual.

1 2 3 4 5	(3)	Subsection (2) does not prevent information described in any of paragraphs (1)(a) to (n) (inclusive) from being identification information if the information is not primarily of any of the kinds described in that subsection, even if information of any of those kinds can reasonably be inferred from the information.
6 7 8		Example 1: Even if an individual's racial or ethnic origin can reasonably be inferred from his or her name or place of birth, this does not prevent his or her name or place of birth from being identification information.
9 10 11		Example 2: Even if an individual's racial or ethnic origin or religious affiliations can reasonably be inferred from a facial image of the individual, this does not prevent the image from being identification information.
12		Prescribing extra kinds of identification information
13 14	(4)	Before making rules prescribing information for the purposes of paragraph (1)(n), the Minister must:
15		(a) be satisfied that the information:
16 17		(i) can be used (alone or in conjunction with other information) to identify an individual; and
18 19		<ul><li>(ii) is reasonably necessary to provide one or more identity-matching services; and</li></ul>
20 21		(iii) assists one or more identity or community protection activities; and
22 23		(b) consult the Human Rights Commissioner and the Information Commissioner.

2	entity requesting identity-matching service
3	(3) The conditions are that:
4	(a) verification of the individual's identity is reasonably
5	necessary for one or more of the functions or activities of the
6	local government authority or non-government entity; and
7	(b) the individual has given consent for the local government
8	authority or non-government entity to use and disclose, for
9	the purpose of verifying the individual's identity, the
10	identification information about the individual that is
11	included in the request; and
12	(c) the local government authority or non-government entity
13	either:
14	(i) carries on activities in Australia from premises in
15	Australia; or
16	(ii) resides in Australia; and
17	(d) either:
18	(i) the <i>Privacy Act 1988</i> applies (with or without
19	modifications prescribed by regulations under that Act)
20	to the local government authority or non-government
21	entity as an organisation (within the meaning of that
22	Act); or
23	(ii) the local government authority is bound by a law of a
24	State or Territory, or has entered into a written
25	agreement with the Department, that meets the
26	requirements of subsection (4).
27	(4) For the purposes of subparagraph (3)(d)(ii), the law or agreement
28	must provide for the following:
29	(a) protection of personal information comparable to that
30	provided by the Australian Privacy Principles;
31	(b) monitoring of compliance with the law or agreement;
32	(c) a means for an individual to seek recourse if his or her
33	personal information is dealt with in a way contrary to the
34	law or agreement.

1	Consulting before prescribing extra services
2 3 4	(5) Before making rules for the purposes of paragraph (1)(f), the Minister must consult the Human Rights Commissioner and the Information Commissioner about the proposed rules.
5	8 Definition of FIS
6	(1) A service is an <i>FIS</i> if:
7	(a) the service involves electronically comparing:
8	(i) a facial image of an individual, and other identification
9	information (if any) about the individual, that is
0	included in a request for the provision of the service
1	made by an authority described in subsection (2); and
12	(ii) identification information about one or more individuals
13	that is contained in one or more government
4	identification documents of one or more kinds specified in the request; and
15	•
16 17	(b) the comparison is for the purpose of identifying the individual, or determining whether the individual has
18	multiple identities, in the course of an identity or community
9	protection activity covered by any of subsections 6(2) to (6)
20	(inclusive); and
21	(c) the request and the outcome of the comparison are
22	communicated by electronic communications relayed through
23	the interoperability hub.

4	authority has one or more of the functions that used to be functions
5	of an authority described in any of paragraphs (2)(g) to (p)
6	(inclusive).
7	9 Definition of FRAUS
8	A service is an <i>FRAUS</i> if:
9	(a) the service involves electronically comparing:
10	(i) a facial image of an individual that is included in a
11	request for the provision of the service made by an
12	authority of a State or Territory that has supplied
13	identification information (directly or through an agent)
14	to a database in the NDLFRS; and
15	(ii) identification information about the individual that is
16	included in a database in the NDLFRS and was supplied
17	by the authority (directly or through an agent); and
18	(b) the comparison is for the purpose of assessing the accuracy
19	or quality of identification information held by the authority;
20	and
21	(c) the request and the outcome of the comparison are
22	communicated by electronic communications made directly
23	to and from the NDLFRS or relayed through the
24	interoperability hub.
25	Note: FRAUS is short for Facial Recognition Analysis Utility Service, a
26	term used in the intergovernmental agreement.
27	10 Definition of FVS
28	(1) A service is an <i>FVS</i> if:
29	(a) the service involves electronically comparing:
30	(i) identification information about an individual that is
31	included in a request for the provision of the service
32	made by a body or person described in subsection (2);
33	and

1	(ii) identification information about the individual that is
2	contained in a government identification document of a
3	kind specified in the request; and
4 5	(b) a facial image of the individual is included in the request or in a response to the request (or both), unless the response is
6	that the identity of the individual cannot be verified from the
7	identification information included in the request; and
8	(c) the comparison is for the purpose of verifying the identity of
9	the individual; and
10	(d) the request and the outcome of the comparison are
11	communicated by electronic communications relayed through
12	the interoperability hub.
13	Note: FVS is short for Face Verification Service, a term used in the
14	intergovernmental agreement.
15	(2) For the purposes of subparagraph (1)(a)(i), the request for the
16	provision of the service may be made by any of the following that
17	may legally collect, use and disclose identification information that
18	either is included in the request or might reasonably be expected to
19	be disclosed in response to the request:
20	(a) an authority of the Commonwealth;
21	(b) an authority of a State or Territory other than a local
22	government authority;
23	(c) a local government authority that meets the conditions in
24	subsection 7(3);
25	(d) a non-government entity that meets the conditions in
26	subsection 7(3).
27	11 Definition of IDSS
28	(1) An <i>IDSS</i> is a service (except one mentioned in subsection (2)) that
29	involves a disclosure that:
30	(a) is of identification information about an individual; and
31	(b) is for the purpose of an identity or community protection
32	activity; and
33	(c) is by one authority of the Commonwealth or of a State or a
34	Territory to another authority of the Commonwealth or of a
35	State or a Territory; and

1 2	(d)	is by means of electronic communication relayed through the interoperability hub.
3 4	Note:	IDSS is short for Identity Data Sharing Service, a term used in the intergovernmental agreement.
5	(2) None	of the following services is an IDSS:
6	(a)	an FIS;
7	(b)	an FRAUS;
8	(c)	an FVS;
9	` '	an OPOLS.
10	12 Definition of	f OPOLS
1	A ser	rvice is an <i>OPOLS</i> if:
2	(a)	the service involves electronically comparing:
13		(i) a facial image of an individual, and any other
4		identification information about the individual, that is
15		included in a request for the provision of the service
6		made by an authority of a State or Territory; and
17		(ii) identification information in a database in the NDLFRS;
8		and
19	(b)	the authority issues government identification documents of a
20		particular kind and has supplied identification information (directly or through one or more agents) to a database in the
21 22		NDLFRS; and
23	(c)	the comparison is for the purpose of determining whether the
24	(0)	individual holds multiple government identification
25		documents that are of that kind and have been issued by or on
26		behalf of one or more authorities of one or more States or
27		Territories; and
28	(d)	the request and the outcome of the comparison are
29		communicated by electronic communications made directly
30		to and from the NDLFRS or relayed through the
31		interoperability hub.
32 33	Note:	OPOLS is short for One Person One Licence Service, a term used in
3		the intergovernmental agreement.

# Part 2—Developing and operating interoperability hub and NDLFRS

#### 13 Simplified outline of this Part

The Secretary of the Department may develop, operate and maintain the interoperability hub and the NDLFRS.

#### 14 Interoperability hub

The Secretary of the Department may develop, operate and maintain a facility (the *interoperability hub*) for relaying electronic communications between bodies and persons for the purposes of requesting and providing identity-matching services.

# Part 3—Authorising collection, use and disclosure of identification information

## **Division 1—Simplified outline**

#### 16 Simplified outline of this Part

The Department may collect identification information by means 5 of the interoperability hub or NDLFRS for any of the following purposes: 7 providing or developing identity-matching services for (a) 8 identity and community protection activities; 9 developing, operating or maintaining the NDLFRS; 10 (b) protecting the identities of persons who have legally (c) 11 assumed identities or are under witness protection. 12 The Department may use or disclose for any of those purposes: 13 information so collected (regardless of the purpose for 14 which it was collected); and 15 identification information generated by the NDLFRS. (b) 16 For the purposes of State and Territory laws that limit disclosure of 17 identification information by an authority of a State or Territory 18 but have an exception for disclosure authorised by a 19 Commonwealth law, this Part authorises such disclosure to the 20 Department for inclusion of the information in the NDLFRS. 21

# Division 2—Collection, use and disclosure of identification information by the Department

2	information by the Department
3	17 Collection of identification information by the Department
4	(1) The Department may collect identification information (whether or
5	not it is sensitive information as defined in the <i>Privacy Act 1988</i> )
6	about an individual from someone other than the individual, if the
7	collection:
8	(a) is by means of an electronic communication to the
9	interoperability hub or the NDLFRS; and
10	(b) is for a purpose described in subsection (2).
11	Note: One effect of this section is that such collection of identification
12	information is authorised for the purposes of provisions of Australian
13 14	Privacy Principle 3 such as paragraph 3.4(a) (about sensitive information) and subparagraph 3.6(a)(ii) (about personal information).
14	information) and subparagraph 3.0(a)(ii) (about personal information).
15	(2) The purposes for which identification information may be collected
16	under subsection (1) (or used or disclosed under section 18) are as
17	follows:
18	(a) providing an identity-matching service for the purpose of an
19	identity or community protection activity;
20	(b) developing identity-matching services, or facilities for
21	providing those services, for the purpose of an identity or
22	community protection activity;
23	(c) developing, operating or maintaining the NDLFRS;
24	(d) protecting:
25	(i) an assumed identity acquired under Part IAC of the
26	Crimes Act 1914 or a corresponding assumed identity
27	law within the meaning of that Part; or
28	(ii) the real identity of a person who has acquired an
29	assumed identity as described in subparagraph (i);
30	(e) protecting an identity (whether real or not) of a person to
31	whom any of the following subparagraphs applies:
32	(i) a witness identity protection certificate has been given
33	for the person under Part IACA of the Crimes Act 1914;

Part 3 Authorising collection, use and disclosure of identification information Division 2 Collection, use and disclosure of identification information by the Department

1	(ii)	a corresponding witness identity protection certificate
2		has been given for the person under a corresponding
3		witness identity protection law within the meaning of
4		that Part;
5	(iii)	the person is a participant as defined in the Witness
6		Protection Act 1994;
7	(iv)	the person is or was on a witness protection program
8	,	conducted by a State or Territory in which a
9		complementary witness protection law (as defined in the
10		Witness Protection Act 1994) is in force;
11	(v)	the person is involved in administering such a program
12		under such a law and the person has acquired an identity
13		under that law.

17		17(2), use or disclose identification information:
18	` ,	ected by means of an electronic communication to the
19		operability hub or the NDLFRS; or
20	(b) held	in, or generated using, the NDLFRS.
21	Note 1:	One effect of this section is that such use or disclosure of
22		dentification information is authorised for the purposes of provisions
23 24		of Australian Privacy Principle 6 such as paragraph 6.2(b) (use or
		lisclosure of personal information authorised by law).
25		Although this section authorises the Department to disclose
26 27		dentification information, it does not authorise the recipient of the lisclosure to collect the identification information disclosed. That
28		collection must comply with all applicable laws.

#### Division 3—Disclosure of identification information by 1 State and Territory authorities to the Department 2 19 Disclosure of identification information for inclusion in database 3 in NDLFRS 4 (1) This section applies if a law of a State or Territory: 5 (a) limits disclosure of some or all identification information by 6 an authority of a State or Territory or by a body or person acting on behalf of such an authority; and 8 (b) exempts from the limitation a disclosure authorised by a law 9 of the Commonwealth. 10 (2) For the purposes of the exemption, the authority, body or person 11 may disclose to the Department by electronic communication 12 identification information about an individual for inclusion in the 13

database mentioned in paragraph 15(a) (about the NDLFRS).

#### Part 4—Protection of information

### **Division 1—Simplified outline**

#### 20 Simplified outline of this Part

Current and former entrusted persons may commit an offence if 4 5 they disclose or record certain information connected with the interoperability hub or the NDLFRS. 6 Basically, entrusted persons are the following: 7 persons who work for the Department; (a) 8 (b) contractors (and their officers and employees) engaged to provide services to the Department in connection with 10 the interoperability hub or the NDLFRS. 11 There are exceptions for disclosure or recording authorised by a 12 law of the Commonwealth or of a State or Territory. The 13 exceptions include disclosure or recording: 14 for the purpose of this Act; or 15 in exercising powers, or performing duties, relating to (b) 16 the interoperability hub or NDLFRS; or 17 (c) for lessening or preventing a serious and imminent 18 threat to human life or health; or 19 relating to a corruption issue; or (d) 20 with the consent of the person to whom the information (e) 21 disclosed or recorded relates. 22 Also, entrusted persons cannot be required to disclose certain 23 information connected with the interoperability hub or the 24 NDLFRS to a court or tribunal, except for the purposes of this Act 25 or the Law Enforcement Integrity Commissioner Act 2006. 26

# Division 2—Limits on recording and disclosure

# 21 Limits on recording and disclosure by entrusted persons

3	Offence
4	(1) A person commits an offence if:
5	(a) the person is, or has been, an entrusted person; and
6	(b) the person has obtained protected information in his or her
7	capacity as an entrusted person; and
8	(c) the person:
9	(i) makes a record of the information; or
10	(ii) discloses the information to another person.
11 12	Note: The fault element for the physical elements in paragraphs (a) and (b) is recklessness: see section 5.6 of the <i>Criminal Code</i> .
13	Penalty: Imprisonment for 2 years.
14	Exceptions
15	(2) Each of the following is an exception to the prohibition in
16	subsection (1):
17 18	(a) the conduct is authorised by a law of the Commonwealth or of a State or Territory;
19	(b) the conduct is in compliance with a requirement under a law
20	of the Commonwealth or of a State or Territory.
21	Note: A defendant bears an evidential burden in relation to the matter in
22	subsection (2): see subsection 13.3(3) of the <i>Criminal Code</i> .
23	Restriction on capacity of courts etc. to require disclosure of
24	protected information or production of documents
25	(3) Except where it is necessary to do so for the purposes of giving
26	effect to this Act or the Law Enforcement Integrity Commissioner
27	Act 2006, or a legislative instrument under this Act or that Act, an
28	entrusted person is not to be required to disclose protected
29	information, or produce a document containing protected
30	information, to:

2

1	(a) a court; or
2	(b) a tribunal, authority or person that has the power to require
3	the answering of questions or the production of documents.
4	Definitions of entrusted person and protected information
5	(4) In this Act:
6	entrusted person means:
7	(a) the Secretary of the Department; or
8	(b) an APS employee in the Department; or
9	(c) a person who is:
10	(i) an employee of an Agency (within the meaning of the
11	Public Service Act 1999); or
12	(ii) an officer or employee of a State or Territory; or
13	(iii) an officer or employee of an authority of the
14	Commonwealth or of an authority of a State or
15	Territory; or
16	(iv) an officer or employee of the government of a foreign
17 18	country, an officer or employee of an authority of a foreign country or an officer or employee of a public
19	international organisation (within the meaning of
20	section 70.1 of the Criminal Code);
21	and whose services are made available to the Department; or
22	(d) a contractor engaged to provide services to the Department in
23	connection with the interoperability hub or the NDLFRS
24	(whether the contractor is engaged directly by the
25	Commonwealth or as a subcontractor); or
26	(e) an officer or employee of such a contractor whose duties
27	relate wholly or partly to the interoperability hub or the
28	NDLFRS.
29	protected information means any of the following:
30	(a) identification information that was obtained by a person, in
31	the person's capacity as an entrusted person, from:
32	(i) an electronic communication to or from either the
