# Public Trust in Government: 1958-2021

Public trust in government [remains low](#). Only about one-quarter of Americans say they can trust the government in Washington to do what is right “just about always” (2%) or “most of the time” (22%).

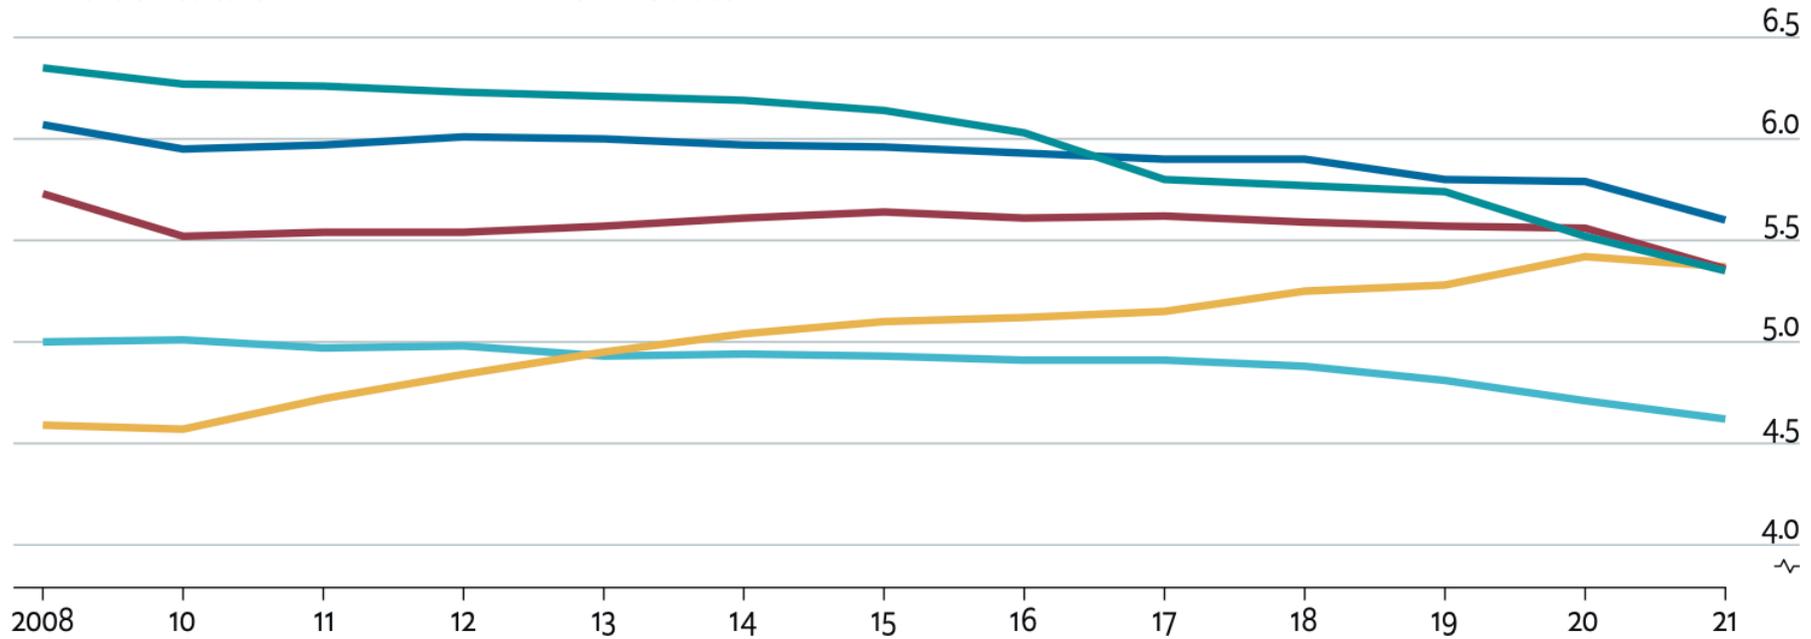

## Public trust in government near historic lows

## Evolution of democracy by category, 2008-21

(Index score out of 10, 10 being best)

— Electoral process and pluralism    — Functioning of government    — Political participation  
— Political culture    — Civil liberties
