STATUS OF THESIS

Title of thesis

Fatigue Life Assessment of Polymer-Matrix Composites Under Variable Amplitude Loading Using Neural Networks

I   <u>MAS IRFAN PURBAWANTO HIDAYAT</u>

hereby allow my thesis to be placed at the Information Resource Center (IRC) of Universiti Teknologi PETRONAS (UTP) with the following conditions:

1. The thesis becomes the properties of UTP.
2. The IRC of UTP may make copies of the thesis for academic purposes only.
3. This thesis is classified as

☐   Confidential

☑   Non-confidential

If this thesis is confidential, please state the reason:
_____-_____

The contents of the thesis will remain confidential for _____-_____ years.

Remarks on disclosure:
_____-_____
