

"IS THIS AN OER?"

Addressing the Complex Relationship Between OER and Affordable Course Materials

OER & Affordable: Parallel or Intersecting?

- ✓ Educational materials
- ✓ Low-cost
- ✓ Open to reuse/remix
- ✓ Open to share
- ✓ Free to read (for everyone)
- ✓ Free to read (for our users)

Why this? Why now?

Open education work can connect to affordable learning initiatives, but approaching them as analogous yet distinct programs is vital.
