RELEASE: MONDAY, APRIL 4

"Greeks Too, Back Marshall U," is the theme of Greek Week beginning today at Marshall College.

Activities for the week, continuing through Saturday afternoon, have been announced by Greek Week co-chairmen Jerry Johnson, St. Marys junior, and Carolyn Meade, Hamlin sophomore.

Stunts will be performed each day by a fraternity and a sorority combination during the noon hour on the Student Union lawn. Monday night will feature "exchange dinners" among the social organizations. Thirteen representatives, one from each group, will be dinner guests at each fraternity and sorority house.

Campus projects, as well as seminars and fireside chats are scheduled for Tuesday, April 5. Campus projects will work toward donations for the Student Chapel and university status for Marshall.

Seminars will be conducted at different houses with groups composed of the presidents, vice-presidents, secretaries, treasurers, chaplains and other officers meeting in groups to discuss the duties of their respective positions. An alumni, who held each position while in school, will moderate.

Fireside chats will consist of fraternities visiting sorority houses for informal "bull sessions" headed by alumni.

On Wednesday, each group will invite a neighbor or a faculty member to dinner.

Greek Week -- page 2

Friday's big event will be a semi-formal dance in the main ballroom of the Hotel Prichard from 9 p.m. to 1 a.m.

The highlight of Friday's dance will be the crowning of a Greek Week queen at intermission. Those vieing for the honor are: Darlene Harbour, Huntington senior, Alpha Chi Omega; Virginia Wise, Daytona Beach, Florida junior, Alpha Sigma Alpha.

Marilyn Harper, Huntersville junior, Alpha Xi Delta; Bonnie Nelson, Huntington freshman, Delta Zeta; Dale King, Wilmington, Delaware freshman, Sigma Kappa; and Linda Brown, Matewan sophomore, Sigma Sigma Sigma.

The winner, selected from pictures by a group of professional photographers, will receive a trophy for the sorority she represents.

Saturday's events will begin with a parade at 1 p.m. organizing at the Student Union and continuing down Fourth Avenue to Eighth Street, according to parade marshall Rod Smith, Huntington sophomore.

Each sorority and fraternity will have one entry in the parade, with the winning entrant in male and female categories receiving a large pacia. Also in the parade will be the queen and her attendants.

Immediately after the parade, Greek games are scheduled on the Marshall intramural field. A highlight of the games will be a chariot race among the fraternities with each one building their entry. Prizes will be awarded to each sorority and fraternity compiling the most points in the games.

The games will bring Greek Week to a chose.

RELEASE UPON RECEIPT

The Marshall College Speech Department has announced the cast for the one-act play and the readers of Prose and Poetry Interpretation who will represent Marshall in the West Virginia Intercollegiate Speech Festival. The Festival will be held at Jackson's Mill in May.

The cast for "Table Number Seven" from the play "Separate Tables" by Terence Rattigan includes: Dick Pauley, Logan sophomore, as Major Pollock; Linda Lou Ratcliffe, Williamson junior, as Sibyl Railton-Bell; Judy O'Dell, Parkersburg senior; Diane Abruzzino, Huntington junior.

Sandra Sandy, Cowen sophomore; Click Smith, Huntington sophomore; Audrey Saunders, Huntington junior; John Davis, Cass sophomore; Linda Henderson, Huntington junior; Bonne Barnett, Huntington sophomore; and Jane Aylor, Huntington junior.

"Table Number Seven", directed by Mrs. Elaine Novak, instructor of speech at Marshall, is the last part of "Separate Tables". It centers around the romance of Major Pollock and Sibyl Railton-Bell and shows the effect of their relationship on all the people living in the hotel.

Audrey Saunders, Huntington junior, and Sonja Wilhelm, Hamlin sophomore will represent Marshall in the Interpretation of Prose and Poetry contest at the Festival. Miss Saunders will read prose; Miss Wilhelm will read poetry. They are under the direction of Miss Kathleen Robertson, assistant professor of speech at Marshall.

RELEASE UPON RECEIPT

The West Virginia Philosophical Society will hold its annual spring meeting on the Marshall College campus Friday and Saturday, April 8 and 9. Speakers from colleges all over the state will read papers concerning various phases of philosophy, according to R. Lloyd Beck, chairman of the Marshall philosophy department.

The main speakers are: J. B. Shouse, retired professor of philosophy at Marshall College; Clifford W. P. Hansen, professor of philosophy at Salem College; David Yu, philosophy professor at Bluefield State College; and Edward Gannon, professor of philosophy at Wheeling College.

The Friday session will include papers by the main speakers, a business session, banquet, and a faculty-student informal discussion hour.

On Saturday, several students from colleges in the state will read their papers on phases of philosophy and the officers for 1960-61 and the place of the fall meeting will be announced.

Officers for 1959-60, the planning committee for this meeting are: R. Lloyd Beck, Marshall College, president; Clifford W. P. Hansen, Salem College, vice-president; and Hilbert Campbell, Marshall College, secretary-treasurer.

RELEASE: Monday, April 4, 1960 PM

Dr. Melville Hopkins, associate professor of speech and chairman of the Speech Department at Marshall College has resigned from the college to accept a position at Bloomsburg State Teachers College in Bloomsburg, Pennsylvania.

Dr. Hopkins came to Marshall from Temple University in 1947. He received his A.B. and M.A. degrees from Bucknell University and his Ph.D. from Pennsylvania State University.

He started his teaching career at Syracuse University in 1947 as an instructor in the School of Speech and Dramatic Arts. He then was an instructor in speech for three years and assistant professor of speech at Pennsylvania State University for five years.

Dr. Hopkins said, "I have thoroughly enjoyed my association with the administration, faculty, and students. I have a high regard for Marshall students and I leave with a great deal of regret. I am making the change because of my wife's health, and by locating nearer the East, we hope to improve her condition."

more

page two

"I have found that Marshall students, if properly stimulated and motivated, are capable of doing work of a very high calibre."

He will continue teaching at Marshall in his present position until the end of the first term of summer school.

Dr. Hopkins and his wife, who reside at 1028 Eighth St., have a daughter, Lisa.

RELEASE: UPON RECEIPT

HUNTINGTON, W. VA. -- The Claude Worthington Benedum Foundation of Pittsburgh, Pennsylvania, recently announced a substantial increase of the Foundation's scholarship and loan fund allocated to Marshall College, according to Marshall president, Dr. Stewart H. Smith.

The Benedum Fund, established at Marshall in 1956, has been increased from \$1,000 to \$5,000 per year, said Dr. Smith. Formerly restricted to grants for entering freshmen, funds will now be available to any qualified Marshall student, providing he is a bona fide resident of West Virginia.

Funds are allocated to students, not by set amounts, but on the basis of individual need.

The new allocation of \$5,000 per year will enable approximately 100 students each year to receive funds. 113 Marshall students have received the Benedum funds since 1956.

RELEASE UPON RECEIPT

The Marshall College Veteran's Club has announced that twenty-six student acts are scheduled thus far for the All-Campus Talent Show to be presented Friday and Saturday, April 8 and 9 at 8 p.m. in the Old Main Auditorium.

The Talent Show will be divided into two sections, half of the contestants performing on Friday, and the remaining contestants on Saturday, according to David Todd, Veteran's Club president.

During the two shows, judges will score each entry on a point basis and the winners will be announced following the show on Saturday. They will be judged on the basis of timing, poise, audience response, originality, and presentation.

A 23-inch trophy will be awarded to the first place winners in each division: individual male, individual female, group male, and group female. Second and third place winners in each division will also receive trophies.

This year, as an added attraction, the Talent Show will feature the renowned "Great Shandoo" who has been scheduled to give a command performance for the first time on the Marshall campus, according to John Walls, producer.

Tickets for the show will be available at the auditorium Friday and Saturday evenings. Admission is fifty cents. Four door prizes will be awarded each night.

RELEASE: UPON RECEIPT

HUNTINGTON, W. VA. -- After dropping three out of their first four games, the Marshall College baseball team travels to Ohio University on Saturday to open their Mid-American Conference season.

The Big Green suffered two disappointing losses to West Virginia Tech and split a doubleheader with Xavier during the past weekend.

Coach Bill Chambers feels that his boys have learned a lot by the three defeats they have suffered thus far. In his opinion, the boys were not quite ready for these first games.

The Marshallmen dropped two games to the Bobcats last season in Huntington. Chambers will probably make some changes in the lineup for this weekend's series with the Ohioans.

The Big Green will leave Huntington Friday morning by private automobile for the Bobcat campus. The first of the two games is scheduled for Friday afternoon.

RELEASE: UPON RECEIPT

Two honorary degrees will be awarded at Marshall College's commencement this year. The awards were approved by the State Board of Education recently.

The degree of doctor of humane letters will go to Dr. John Fairfield Thompson, chairman and president of the International Nickel Company. He supervised construction of the company's Huntington works in 1921.

Marshall will confer an honorary doctor of laws degree on Lawrence R. Lynch of Clarksburg, who recently completed a tenure of more than 12 years as a member of the State Board of Education, part of the time as its president.

RELEASE: UPON RECEIPT

(Also to hometowns)

Five students and two faculty members at Marshall College were initiated recently by Omicron Delta Kappa, National Leadership Honor Society for college men.

The new pledges are: Raymond Cumberledge, Moundsville senior; Vernon C. Scandola, Weirton junior; Donald F. Fannin, Barboursville senior; Lionel D. Egnor, Huntington junior; William R. Wortham, Huntington junior, and faculty members Col. Thomas M. Ariail, professor of military science and tactics, and Dr. Sam E. Clagg, associate professor of geography at Marshall.

Officers of the pledge class are Cumberledge, president; Scandola, secretary-treasurer, and Fannin, publicity chairman. Scandola also was selected to attend the ODK National Convention in Detroit last week.

The new pledges will be formally initiated into ODK after completing their pledge project. The project is to construct a "Trip Board" to be located in the Student Union.

The "Trip Board" will allow students who are driving home for the weekend to post their names and addresses so that interested riders can contact them.

Sixty-three secondary school teachers of science and mathematics have accepted stipends to attend the Marshall College 1960 Summer Institute for High School Teachers of Science and Mathematics, according to Dr. Donald C. Martin, chairman of the Marshall physics department and director of the institute.

The summer institute, made possible by a grant from the National Science Foundation, will be held at Marshall June 8 through July 19 (first term), and July 21 through August 24 (second term.)

The program is designed to keep secondary teachers abreast of subject matter in the science and mathematics fields, said Dr. Martin. Courses offered will carry graduate credit and may be applied toward a Master of Arts degree in physical science education.

The stipend participants of the summer institute and the represented high schools are:

Otilia Hernandez, Santurce, Puerto Rico; Mary Ethel Jones, Union, South Carolina; Gordon T. Jordan, St. Albans; Judy V. McCarley, Vinton, Ohio; Joe Minor, Clarksville, Tenn.; Mae Monroe, Mount Airy, N.C.; Newton R. Anderson, St. Marys; Cordella Banks, Delbarton;

RELEASE: SUNDAY, APRIL 17

HUNTINGTON, W. VA. -- Dr. Viktor W. Perl, associate professor of German at Marshall College, is the author of a book, "Leopold Andrian und die Blätter für die Kunst," just published in Hamburg, Germany.

The new book deals with the relation of Andrian, an important poet of Austrian symbolism, to the circle of the "Blätter für die Kunst," an important esthetic magazine of poetry in Europe at the turn of the century. The magazine was edited by the poet Stefan George, assisted by Carl August Klein.

Dr. Perl was named executor of the literary estate of Leopold Andrian in 1932. Since then he has made several trips to Europe to collect the letters, early poems, clippings, and other documents leading to the new book.

Published in German by the Dr. Ernst Pauschell Co. of Hamburg in a bibliophile edition, the book contains an interesting letter exchange, unedited poems, and facsimiles of letters and a portrait of the poet. Dr. Perl's lengthy introduction carries biographic and other historical material pertaining to Andrian. The Marshall author has also included critical notes on the poems. "Leopold Andrian und die Blätter für die Kunst" is expected to be well received by friends of modern German literature.

Marshall German Professor - 2

Dr. Perl is currently working on a larger project--an edition of letters exchanged between Andrian and his friend, Hugo von Hofmannsthal, Austrian poet and librettist for Richard Strauss' operas. To further his research, he will spend the summer in Central Europe, mainly in Austria, Germany and Switzerland.

HUNTINGTON, W. VA. -- The Marshall Parent, a magazine soon to be received by parents of all Marshall College students, is being published by Marshall's Office of Development and Alumni Affairs for the first time this year.

A section of the Marshall Parent is devoted to Parents' Weekend, an event which will be held on the Marshall campus May 6, 7, and 8, according to L. D. Egnor, chairman of the Parents' Weekend Commission.

Plans have been made to place billboards in various areas of the state, to publicize Parents' Weekend, said Egnor.

Activities taking place during the special weekend include an ROTC Pershing Rifle drill exposition, guided tours, departmental displays, open house in dormitories, fraternity and sorority houses, and the traditional Mother's Day Sing.

Families of all Marshall students will receive further information about Parents' Weekend at a later date, concluded Egnor.

HUNTINGTON, W. VA. -- Dr. Laurence L. Quill, head of the chemistry department at Michigan State University, will address the American Chemical Society affiliates of Marshall College Thursday and Friday, April 28 and 29, according to A. W. Scholl, Marshall chemistry department chairman.

The public will have an opportunity to hear Dr. Quill at a Friday seminar at 7:30 p.m. in the Science Hall Auditorium, said Dr. Scholl. The title of his address will be "Aspects of Rare Earth Chemistry."

Dr. Quill, a member of the American Chemical Society since 1922, came to Michigan State as head of the chemistry department in 1945. Previously head of the University of Kentucky chemistry department, he was associated with Ohio State University's chemistry department seven years before going to Kentucky.

He received his Bachelor and Master of science degrees from the University of Nevada in 1924 and 25 respectively, and his doctor of Philosophy from the University of Illinois with graduate work also done at Nevada and Stanford.

He remained with Illinois until 1935, with the exception of one year, 1931-32, when he studied at the University of Göttingen in Germany as a National Research Fellow.

Dr. Quill, also director of the division of Mathematical and Physical Sciences within the arts and science college at Michigan State, is president of the board of directors of the Associated Midwest Universities.

Marshall Chemistry speaker - 2 2 2 2 2

Quill, who has been an assistant editor for Chemical Abstracts for over 20 years, has also served as assistant editor of the Journal of Chemical Education.

He is a member of Phi Kappa Phi, scholastic honorary; AAAS (American Association for the Advancement of Science); Sigma Xi, science research honorary, Phi Lambda Upsilon, honorary chemistry fraternity; Alpha Chi Sigma, professional chemistry fraternity; Gamma Alpha, science recognition fraternity; Lambda Chi Alpha, social fraternity; and the Kiwanis.

His chief research program has been a study of the properties of the rare earth elements and their compounds.

The author of over 50 scientific publications, he has been co-author of text books on qualitative analysis and elementary chemistry. He also wrote two volumes of the National Nuclear Energy Series.

May 4 is the date set for Marshall College's spring blood drive, according to Dr. Stewart H. Smith, president of the college. The drive will begin at 8:30 a.m. in the Student Union.

Students, faculty members and employees of Marshall College may donate blood. A student must be over 18 to donate but any student under 21 must have a permission slip signed by his parents in order to give blood.

Last semester an all time high in blood donations was reached, said DR. SMITH.

TO: Parkersburg Sunday News  
Huntington Herald-Dispatch

HUNTINGTON, W.VA.---Russell L. Tice, Jr., son of Mr. and Mrs. R. L Tice, 2105 16th St., Parkersburg, has been awarded a National Science Foundation Fellowship in Chemistry by the U.S. Department of Health, Education and Welfare.

Tice, a senior at Marshall College, will study for a Ph.D. degree in physical chemistry at the University of California at Los Angeles. He will receive a B.S. degree in Chemistry and graduate Summa Cum Laude from Marshall in May. He plans to enter college teaching or industrial research upon completion of the Ph.D. degree.

Tice, a 1949 graduate of Parkersburg High School, worked at American Viscose Corp. in Parkersburg before entering the service. He spent four years in the U.S. Navy and was discharged with a rating of Radioman First Class.

Tice is a member of Tau Kappa Epsilon social fraternity; Phi Eta Sigma, scholastic honorary; D-Rho D-Theta, engineering honorary; and the senior American Chemical Society. While at Marshall, he has received the Sophomore Engineering Award and the Senior Chemistry Major award of the Central Ohio Valley section of the American Chemical Society. He has worked as a student assistant in the mathematics and engineering departments at Marshall, and for the past 12 months has worked as a draftsman for the C. I. Thornburg Co. in Huntington.

Tice is married to the former Donna Bledsoe. They have one daughter, Terry Lynn, and reside at Donald Court in Huntington.

RELEASE: APRIL 27, 1960

The Marshall College affiliates of the American Chemical Society will entertain a visiting scientist on April 28 and 29, according to Dr. A.W. Scholl, chairman of the Marshall chemistry department.

The Marshall affiliates have been on campus since April 6, 1949, said Dr. Scholl. The purpose of the organization is to stimulate a professional interest in chemistry.

The group is affiliated with the national organization under a charter granted by the Society. The charter officers were: Linus Pauling, president and Aldon H. Emory, secretary.

Present president is Terry Christean, Huntington senior; vice president, Robert Bennet, Huntington senior; secretary, Patricia Hudgins, Kenova senior; and treasurer, Karen James, Huntington senior.

Some of the activities of the organization are: sponsoring the annual student chemistry awards banquet, sponsoring an outstanding Junior student in chemistry award each year, and bringing well-known professional chemists to speak before the group.

According to Dr. Scholl, this year's speaker will be Dr. Laurenee L. Quill, head of the chemistry department at Michigan State University. He will address the organization on April 28 and 29.

Dr. Quill will speak to classes on Thursday, April 28 and Friday, April 29, and at 7:30 P.M. Friday, he will conduct

HUNTINGTON, W. VA. -- A Curriculum Material Center, designed to aid student teachers, will be begun at Marshall College in September, according to Walter Felty, assistant professor of social studies at Marshall and chairman of the Audio-Visual Laboratory.

The Curriculum Center, to be located in the Marshall Science Building, will open facilities for student teacher usage at no charge other than regular tuition fees. The center will enable students to prepare lessons and unit plans for classes they are assigned to teach as part of Marshall's student teaching program.

The center will offer text and work-book material for all grade levels in various subject matter. Text and work-books used will be donated by several well known publishing companies, said Mr. Felty.

Six types of material will be available; a text and work-book file, a bulletin file, curriculum guides, a flat materials file, a small filmstrip and record library, and a course file.

The curriculum center is a modern trend in many colleges, according to Mr. Felty, and labs of this type have proved successful throughout the United States. Marshall hopes to expand their center in the future in order to make space for more material and students.

Dr. Charles Hill Moffat, Professor of History at Marshall College, was guest speaker to officer student classes at The Provost Marshal General's School at Fort Gordon, Ga., recently.

Addressing students of the Officer Advanced, Associate Advanced and Officer Basic courses, Dr. Moffat, keynoted his speech on spiritual and moral values, stressing moral courage as the ultimate need of the modern American soldier. Dr. Moffat illustrated his lecture with familiar examples from American history.

An honorary member of the faculty of the U. S. Army Command and General Staff College, Fort Leavenworth, Kans., Dr. Moffat has delivered more than 300 lectures to the public. He is a member of many professional and civic societies, and has published numerous reviews and articles in historical journals.

The annual Federal Inspection of the Marshall College Reserve Officers Training Corps unit will be held Friday, April 29.

Members of the inspecting party are: Lt. Col. Reynolds R. Keleher, West Virginia University; Major Herbert W. Rainey, Ohio State University; Capt. Arthur R. Back, University of Toledo; M/Sgt George W. Pierson, Kent State University; and SFC James L. Crawford, Headquarters, XX U. S. Army Corps.

The inspection will begin at 8 a.m. with a briefing by Lt. Col. Thomas Ariali, professor of military science & tactics and commander of the Marshall detachment. The inspecting team will then visit classrooms and observe teaching methods, check the detachment files and records, inspect the areas, and observe and question cadets in drill.

Dr. Stewart H. Smith, president of Marshall College, will join the inspectors on the reviewing stand at noon for a formal inspection and review of the entire Marshall College Battle Group. The public is invited to witness this colorful event, held on the Marshall parade field at the corner of Third Ave. and 16th St.

The inspecting party will be honored at a luncheon in the College Cafeteria at 1 p.m., and will present their critique to detachment personnel at 2 p.m.

Evaluation will be based on the general organization of the ROTC unit, efficiency of military personnel and office administration, organization and training in classrooms, activities and leadership of the cadet corps, appearance and ability of the Drum and Bugle Corps, and the facilities, enrollment, staff, curriculum, and overall operation of the unit.

FOR IMMEDIATE RELEASE

HUNTINGTON, W.VA.-- Seven Marshall College classes are planning reunions for Alumni Day on May 28 in conjunction with Marshall Commencement weekend activities.

General scheduled events for returning alumni on Saturday, May 28, will include a campus tour at 3 p.m.; informal reception in the lounge of the Freshman Women's Dormitory at 6 p.m.; and the annual dinner meeting in the College Dining Hall at 6:30 p.m. All reunion classes will be recognized at the banquet with the classes of 1910 and 1935 as the featured groups. Other classes planning reunions include 1919, 1930, 1940, 1950, and 1955.

Specific class functions and their planning committies are:

Class of 1910 will hold its luncheon in the dining room of the Emmanuel Methodist Church at 12:30 p.m. The committee is composed of Mary Temple Barrett (chairman), Raymond Beuhring, Lucien Blankenship, Katherine Cottle, Anna Belle Eaton, Ardella F. Hinkle, Flora Fisbach, Emma Frances Myers, Lucy Belle W. Clark, and Will Woodward.

Class of 1919 will have its annual luncheon at 1 p.m. in the Garden Room of the Hotel Frederick. S.P. Whitney is president, and Mrs. C.R. Hill is secretary.

Class of 1930 luncheon will be in the private dining area of the College Dining Hall at 12:30 p.m. Frederick (Doc) Fitch is acting chairman for this class.

Class of 1935 will have a coffee meeting at 2 p.m. in North Parlor of Old Main. Following the all-alumni banquet they will have a dance from 9 p.m. to 1 a.m. at the American Legion Hall with the Mel Gillispie Orchestra.

((MORE))

## MARSHALL REUNIONS - 2

The '35 committee includes Henry Broh (chairman), Bill Belanger, Joe Chetwin, Phyllis Hart Cyrus, George Garner, Mary Hardy, Marjorie Steele Martufi, Allie Notter Sullivan, Homer Tabor, and Helen Wellman.

Class of 1940 will convene at 1 p.m. at Young's Restaurant, Eastern Heights Shopping Center, for its luncheon. Class committee is composed of Harry Morris (chairman), Mrs. Catherine B. Coon, Mrs. Margaret C. Goldenberg, Mrs. Mary Preston King, Robert F. McCaskey, Mrs. Dorothy J. Neal, Mrs. Juanita G. Pitzer, Mrs. Odessa Pollock, and Jule Rivlin.

Class of 1950 will meet for luncheon in the Mezzanine room of the Hotel Frederick at 12:30 p.m. The planning committee includes Mrs. Pat Thacker, Mrs. Wanda Dinkens, Mrs. Marjorie Fischer, Mrs/Jean Stepp, Samuel Haworth, William Mullarky, Jack Hardin, Philip Corkrean, and Dr. Jack Stepp.

Class of 1955 will have its "get-together" luncheon at the Georgian Terrace of the Hotel Frederick at 12:30 p.m. The committee is composed of Phil Cline, Jack Egnor, Alice Wright Skaggs, Mary Lee Watts, Pat B. Pratt, Robert Stone, Carole Allen, and Bobby Fowler.

Members of any of the above classes who have not received direct notification of these activities may receive full information by contacting the Office of Development and Alumni Affairs, Marshall College, Huntington 1, W.Va. (Phone JACKSON 3-6301). John Sayre, Director of Alumni Affairs at Marshall, has emphasized that any Marshall alumni currently not receiving publications from campus should notify his office of the correct address. Many alumni addresses are inaccurate and need to be brought up to date, he said.

Marshall's 123rd Commencement will be held on Sunday, May 29, with Dr. John F. Thompson, Chairman of the Board of International Nickle Co., as speaker.

HERALD-DISPATCH  
FOR IMMEDIATE RELEASE

A group insurance plan for Marshall College students is still under study, according to Dr. Harold Willey, dean of men. The recent report that bids were being received is in error, Dean Willey said.

Insurance specialists are now studying various provisions to see what plan will best serve the Marshall students. Results of the study will probably not be determined for two or three weeks.

Dean Willey stated that all Huntington insurance firms will be notified of the program decided upon and invited to submit bids. Any firm without a Huntington office wishing the opportunity to bid on the program should notify the Office of the Dean of Men, Marshall College, within the next week, the Dean said.

The idea for a ~~XXXXXXXX~~ group health and accident policy for Marshall students was proposed by the Student Senate early this year.

RELEASE: UPON RECEIPT

HUNTINGTON, W. VA. -- A schedule for Parents' Weekend events at Marshall College has been released by L. D. Egnor, chairman of the Parents' Weekend Commission.

The schedule is as follows: Saturday, May 7, registration in front of Old Main, 12-2 p.m.; departmental displays, 12:30 to 2:15 p.m.; Marshall College Symphonic Chorus in Old Main Auditorium, 2:30-3:30 p.m.; May Day at Laidley Hall, 4 to 5 p.m.

At 6 p.m. Parents will assemble in Freshman Dormitory Lounge; 6:30, supper in the College Cafeteria and talk by President Stewart H. Smith entitled, "Marshall College Looks Ahead"; 8:15 p.m., Veterans Talent Show in Old Main Auditorium, and at 9 p.m., a dance for parents and students in the Student Union.

On Sunday, May 8, from 10 to 11 a.m., there will be worship services in front of the Student Union. Special music will be provided by the music department. The Reverend Lander Beal, campus pastor, will deliver a talk.

At 12 noon, there will be dinner at fraternity and sorority houses, followed by the Mother's Day Sing in front of the Student Union. Dormitories, sorority and fraternity houses will observe open house following the Mother's Day Sing.

# Science Fair Judges See 800 Exhibits

Judges for the Marshall College Regional Science Fair were announced today by Dr. Donald D. Cox, director of the fair and chairman of the Marshall College science department.

The fair, co-sponsored by the Railroad Community Committee for the Huntington Area, opens tonight at 7:30 at Memorial Field House.

Top science students at 39 high schools and junior high schools in the tri-state area will have nearly 800 exhibits on display. The exhibits were created by 955 students, some of them working in teams of three or four or more.

Judging was to take place this afternoon, with 37 awards to be presented at 7 p. m. at the field house.

Judges in the senior division are:

Biology group — John C. Edwards, supt. of purification, Huntington Water Works; W. G. Frum, 1611 Fifth Avenue; Dr. George M. Lyon, VA Hospital, Huntington.

Chemistry group — Dr. Martin D. Barnett, assistant professor of chemistry, Marshall College; Frederick B. Clardy, chief chemist, C. & O. Railway, Huntington; Dr. C. N. Jimison, 1009 Fifth Avenue.

Physics and Engineering group — Herbert Eiselstein, section head, International Nickel Co.; Dr. A. E. McCaskey, chairman of the Department of Engineering, Marshall College; Dr. W. M. Pierce, professor of physics, Ohio University, Athens, Ohio.

Earth Science Group — Frank Fisher, chief geologist, Ashland Oil and Refining Co., Ashland; Julian Foster, geologist, Ashland Oil and Refining Co., Ashland; Julian Foster, geologist, U. S. Corps of Engineers, Huntington; Dr. Ernest H. Ern, Jr., assistant professor of geology, Marshall College.

Judges in the junior division are: Biology group — Leland Marsh, instructor of science, Marshall College; Dr. Harold Murdock, principal scientist, Veterans Administration, Huntington; Dr. Bruce Pollock, director, Cabell-Huntington Health Center.

Physical Science group — Stephen Ogden, chemist, Ashland Oil

## BAR MITZVAH

Jerry Rivlin, son of Mr. and Mrs. Jule Rivlin, 2837 Washington Boulevard, will celebrate his Bar Mitzvah at B'nai Israel Synagogue tomorrow at 10 a. m. Rabbi Jacob M. Danziger will be in charge of the service and the Kiddish which will follow. Mr. and Mrs. Rivlin will give a reception at B'nai Brith Lodge tomorrow night from 8 to 10 p. m., honoring their son.

From left are Joan Elliott, Rosalie Cooper and Mary Elliott, three of the models for a style show being held tonight and tomorrow night in Kenova. The show is being sponsored by the Young Woman's Club of Ceredo-Kenova, the Woman's Club of Kenova, and the Junior Department of the Woman's Club of Kenova, in cooperation with Sears Roebuck and Co. It will begin at 6 p. m. both evenings at the Ceredo-Kenova Memorial Building.

Oison, instructor in engineering, Marshall College; Lewis Walker, instructor in chemistry, Marshall College.

Group exhibits will be judged by Sister Mary Helen, instructor of bacteriology, St. Mary's School of Nursing; Mrs. James E. Phipps, 518 Jefferson Ave., and Berkley Shafer, instructor in physics, Marshall College.

The fair will be open to the public until 10 p. m. today and from 9 a. m. to 3 p. m. tomorrow.

In addition to the fair exhibits, the Army will present a display of rockets and missiles.

Top prizes will be trips to the National Science Fair at Indianapolis in May for the boy and girl winners in the senior division.

The special awards include a 10-volume set of the Book of Popular Science, to be presented to the entry judged best in the junior division by the Grollier Society, and a science library of 50 paper-bound Mentor and Signet Key science books, to be awarded to the first place winners in the group exhibits of the senior division. Made available by the publishers, the American Library of World Literature, Inc, New York City, through the National Science Fair, a branch activity of Science Service, the group of books covers every phase of science study.

First-place winners at earlier school fairs will be entertained at an awards luncheon tomorrow at the Hotel Frederick by the rail group, which is providing room and board for the students while they participate in the fair.

# Marshall's Problem Of Admission Standards Growing In Importance

4/1/60  
K H-D

he called dormitory and classroom facilities at Marshall "20 years behind the times." The new health and physical education building will add several new classrooms to provide some relief to that aspect. But the dormitories are the same, no more no less. Just more people.

An application for a federal loan for a new men's dormitory and dining hall is currently caught in a tangle of bureaucratic procedure. This would help. Men now only have available 175 on-campus dorm spaces, women 426.

The problem of standards of admission is increasingly important as enrollment pressures grow on limited facilities. "Unless we provide more space, more classrooms, more teachers, more administrators," Dr. Smith said, "some way must be found to use our facilities at their most

efficient peak and not under an impossible load."

It is unfair to make those who can benefit from a college education compete for admission on the same level as those who truly are not academically qualified but still are bound they're "going to college."

Academic standards are going up in the coming year. Only those high school graduates in the upper 75 per cent of their class will get automatic admission. The lower 25 per cent (what few apply for college) will have to pass certain tests to get in.

This has been the only response so far to a plea from the West Virginia Council of State Colleges to either raise admission standards or provide more facilities, Dr. Smith noted.

But he is encouraged that the "higher education climate" in West Virginia and particularly

in Huntington is getting better every year. Problems which once appeared insoluble are being tackled by a growing host of friends of higher education in the state.

It wasn't always this way. The little "country colleges" in West Virginia weren't very attractive to the state's most gifted natives. They went elsewhere and, as is too well known now, many stayed.

"In any analysis," Dr. Smith observed, "the key to the whole situation is with the people themselves. I have found that the elected representatives are eager to do what their constituents want. I believe that we have made great progress in recent years winning public understanding. Marshall's continued growth and progress will be determined by the people."

## Crowding Perils Gains At Marshall

By BILL WILD

Some wit taking a look at the status of higher education in the country recently said: "The reason nobody can get into college these days is because everybody's going."

But this isn't very funny to Marshall College, where a swelling enrollment is forcing growth without proper facilities to grow into and threatens educational standards painfully achieved only in relatively recent years.

President Stewart H. Smith likes to keep the problem in perspective. He looks back to see what was and takes heart in the proof of strides forward to be seen today. But he still can be "disturbed" at signs of the future:

1. The college's student-teacher ratio is now 19 to 1 "as high as it's been in many years." Educators regard 12 to 1 as optimum, he said.

2. Unless the college can solve its housing problems it won't be able to grow very much. Enrollment, about 4,000 now, has been climbing every year in the past five years.

Because state colleges must accept for admission any resident of the state with a high school diploma, Marshall faces the prospect of being choked with applicants and no place to put them, plus limited facilities for educating them.

The sheer physical problem of housing is problem enough. Both Dean of Women Lillian Buskirk and Dean of Men Harold Willey shrug their shoulders and do what they can. There are longer waiting lists this year than ever before for campus housing for men and women. Those who can't get space there go "on the town." If they don't want that, they don't come to Marshall.

To friends of the college interested in seeing it grow and prosper it may be a little disturbing that students who can afford to pick and choose for a college are likely to be discouraged when applying here. So they go elsewhere.

Five years ago, Dr. Smith said. (Please Turn To Page 2)

## Science Fair On Tonight And Saturday

Top ranking science students at 39 high schools and junior high schools in the Tri-State Area place their exhibits on display at Memorial Field House today for judging in the annual Marshall College Regional Science Fair.

There will be nearly 800 displays created by 955 students, some of them working in teams of three or four or more. The fair will be open to the public from 7:30 to 10 p. m. tonight and 9 a. m. to 3 p. m. tomorrow.

A panel of 21 judges working in seven teams of three will rate the exhibits late this afternoon. The top prizes will be trips to the National Science Fair at Indianapolis in May for the boy and girl winners in the senior division.

An added attraction at the fair will be a display of Army missile and rocket models.

First place winners at the earlier school fairs will be entertained at an awards luncheon tomorrow at the Hotel Frederick by the Railroad Community Committee for the Huntington Area, co-sponsor with Marshall of the regional fair.

## Play Day Events

### At College Today

X H-D 4/2/60  
The annual Woman's Athletic Association Play Day will be today at Marshall College, Frances J. Smith, physical education instructor, said 150 to 200 high school representatives are expected to participate in tournaments and recreational activities.

Registration will begin at 9 a. m. in the physical education building. Lunch will be served in the Marshall cafeteria, and a tour of the campus is planned during the afternoon.

## X H-D 4/2/60 HHS Girl, Gallia Youth Win At Fair

(Picture On Page 9)

A Gallipolis boy and a Huntington girl won top prizes yesterday in the annual Marshall College Regional Science Fair at Memorial Field House.

Joseph Charles Bagshaw of Gallia Academy High School at Gallipolis and Sally Lue Reggel of Huntington Central High School each won a trophy for their school and an all-expense trip to the National Science Fair at Indianapolis in May.

Joseph's exhibit was entitled "An Experiment in Creation," which involved a demonstration of the theories of the origin of life conditions required to get the simplest form of life.

Sally Lue's exhibit demonstrated the effect of a drug on running time of mice through a maze.

Junior award winners, each to receive a school trophy and a ribbon, were William Orville

## X H 4/2/60 Lab School Sets Summer Class Hours

Half-day classes will be held this summer at the Marshall College Laboratory School, it was announced by Principal Taylor V. Cremeans.

Registration for secondary level students will be held May 27-28. Elementary students register June 8.

Elementary classes will run from June 9 to July 19 five days a week between 8:45 and 11:45 a. m.

Secondary classes run from June 8 through August 9 five days a week from 8 a. m. to noon.

## Youngsters Have Science Flair

X H-D 4/2/60  
Anyone who frets about the lack of "hard education" or bemoans standards in the sciences or higher mathematics owes it to himself to attend the Marshall College Science Fair continuing throughout today at Memorial Field House.

The scientific acumen of today's youngsters borders on the fantastic.

Being exhibited are the works of top ranking science students at 39 high schools and junior high schools. There are 800 displays created by 955 students, some of them working in teams of three or four. They show a grasp of subject matter, familiarity with complex detail and enthusiasm for hard work that puts many of their elders to shame.

Those who attend will come away with admiration both for the youngsters and the teachers who guided them.

## X H-D 4/2/60 Industries Praised For Role In Fair

H. E. Kirby, chairman of educational activities for the Railroad Community Committee of the Huntington Area, issued a statement yesterday to clarify the railroad group's participation in the science fair program.

"While we have worked very closely with the Marshall College science faculty our efforts have been directed towards the promotion of science fairs at the local high school level," he said.

"The original purpose of this awards program was to encourage more widespread participation from schools in the 21 West Virginia, Ohio and Kentucky counties coming under the Marshall College regional jurisdiction. The success of this project is reflected in the number of local science fairs held this year—35, as compared with eight, four years ago."

"We are not, and never have been a sponsor participant in the regional fair," Mr. Kirby stated. "Recent publicity has indicated that our organization is a co-sponsor of the event. We do not want to take credit where credit is not due. The many fine industries and professional organizations in this area which annually sponsor the regional fair are to be commended for their efforts.

"We want to correct this unfortunate misunderstanding so that they can receive the proper recognition."

## Marshall Dorm Speedup Needed

X H-D 4/2/60  
Marshall College, with an enrollment of about 4,000, is out-growing its physical facilities. The college has multiple needs, not the least of which is housing.

More than 1,000 young people have applied for admission next fall. The college will be hard-pressed to find a place to put them. Lack of housing in fact may discourage prospective students from applying here.

One single action could alleviate the housing problem greatly. It is the proposed men's dormitory which would house 244 students as well as have its own dining hall.

College officials have worked diligently toward this end. But the application for a federal loan is caught in a tangle of bureaucratic procedure.

Friends of the college who could help expedite the loan would do much toward relieving the housing situation.

## X A-D 4/2/60 Huntington Girl Wins Honors in Science Fair

Marshall College's Regional Science Fair continues today at Memorial Field House, after selection of prize-winning exhibits last night.

An exhibit titled "An Experiment in Creation," won top honors for Joseph Charles Bagshaw of Gallia Academy high school of Gallipolis and Sally Lue Reggel of Huntington high school was top winner for girls with a demonstration of the effects of drugs on the running time of mice through a maze.

The Gallipolis exhibit involved a demonstration of the theories of the origin of life conditions required to get the simplest form of life.

The youths won trophies for their school and all-expense trips

to the National Science Fair at Indianapolis in May.

The junior award winners were William Orville Richmond of Putnam junior high school at Ashland, Ky. and Nancy Kathleen Wasil of Notre Dame high school at Portsmouth, Ohio.

Other winners included the following: Michael J. Partridge of Portsmouth east high school, Judith Carolyn Clayton and William Edward Chapman of Huntington east high, Helen Frances Meyers, St. Joseph's Central Catholic high school, Ironton, Karen Camicia, Logan high school, Robert Anthony Harrison, Jackson junior high school and Mary Louise Mershan and Robert Luster of Portsmouth junior high.

The exhibit will be on display until 3 p. m. today.

**NATIONAL OFFICERS ELECTED** — Officers were elected yesterday at a closing meeting of the national convention of Eta Sigma Phi, fraternity for students of classical languages, for which the Marshall College chapter was host. From left are Miss Dianne Haering, secretary, of Mount Mary College, Milwaukee, Wis.; Raymond Phyles, vice president, Gettysburg College, Gettysburg, Pa.; Pat Lordeon, president, Marshall College; and Frank Cofone, treasurer, Montclair State College, Montclair, N. J. Twenty-four colleges were represented at the convention. Dr. Lucy Whitsei is faculty sponsor of the Marshall College chapter.

## Future Nurses To Get Preview Of College Life

High school senior girls interested in the career of nursing will be given a preview of the newly authorized nursing program at Marshall College at a Nursing Futurama Saturday, April 23.

The all-day event is sponsored by the Auxiliary to the Cabell County Medical Society in cooperation with Marshall College and the Cabell-Huntington Hospital.

Invitations will be sent to members of Future Nurse clubs, sponsored by the Auxiliary, at high schools throughout the county.

The program will open at 10 a. m. at the college, with a welcome by Dean Lillian Buskirk of Marshall College, a report from student government, and a talk by Miss Margaret Shay, director of the college nursing program.

Members of the Kappa Alpha fraternity will assist in registering the future nurses attending the program, and in a conducted tour of the college campus and buildings.

At noon, bus transportation will be furnished from Old Main of Marshall to the Cabell-Huntington Hospital, where lunch will be served, and a tour of the hospital will be conducted. Mrs. Elizabeth Delahye, director of

nursing at the hospital, will conduct the tour.

The newly authorized nursing education program at Marshall College will allow girls interested in a nursing career to combine their training with regular college life. Classes in nursing and related subjects will be conducted at the college, and will be followed by practical training at Cabell-Huntington Hospital.

A similar all-day event to acquaint high school seniors with nursing opportunities was held last year at St. Mary's Hospital, with 150 girls attending.

## Marshall Group Meets Monday

The Marshall College student branch of the Association for Childhood Education will meet tomorrow at 3 p. m. in Main 215.

Mrs. Robert V. Shepherd of the Marshall music faculty will speak on "Languages in the Grades". Flossie Miller is president.

**SORORITY DANCE GROUP** — Enjoying a few minutes of sociability at the Alpha Xi Delta chapter house, before the sorority's dance last night, are

left to right, <sup>X H-A 4/3/60</sup> Mary Bernard and <sup>4/3/60</sup> Dave Hall, Ruth Fuller, Fred Brothers, Pat Shropshire and Bill Harman. The dance was the annual Rose Formal.

X H-A 4/3/60

## Oratorical Finals To Be On Thursday

Finals in a Marshall College Oratorical Contest will be held during a College Convocation at 11 a. m. Thursday in Old Main auditorium.

The three finalists, speaking on the theme, "Challenge for West Virginians," will be Knut Aarsand, Huntington junior; Tom Ross, Wheeling sophomore, and Rutherford Simms, Raysal freshman.

The three are survivors of 12 speakers who competed in a preliminary round, and of six who spoke in a semi-final contest.

Judges for the contest will be Wendell S. Reynolds, of the Huntington Advertiser; Arthur J. Smith of WHTN-TV, and James Comstock, of Richwood, editor of the West Virginia Hillbilly.

### Cash Awards

As a new feature this year, the Huntington League of Women Voters will present cash awards of \$25, \$15 and \$10 to the three top ranking speakers. Mrs. E. M. Compton, president, will make the awards.

The event is held each year to select the student who will represent Marshall in the West Virginia Intercollegiate Speech contest at Jackson's Mill in May.

The semi-finalists were Robert Bailey, Pineville junior; Lois Brown, Huntington freshman, and Florine Dooley, Huntington freshman.

Rose Formal <sup>4/3/60</sup>  
X H-A 4/3/60

Alpha Xi Delta sorority held its Rose Formal last night in the ballroom of the Hotel Prichard. Joe Chapman's orchestra played.

The sorority marked the birthday of its housemother, Mrs. C. G. Barger, also, with a cake and a gift. Mrs. Barger was a chaperon, together with Mr. and Mrs. Andrew Paesani Jr. and Mr. and Mrs. Joseph Jablonski.

Decorations carried out the rose theme. Each round table had blue satin ribbons across the white cloth, centered with bud vases, holding rosebuds, and pink candles on each side. A rose arbor stood before the fireplace of the ballroom.

The intermission ceremony consisted of the formation of the sorority's symbol, a quill, by the girls. While the band played a medley of Alpha Xi Delta songs, each girl took her date through the arbor.

Preceding the dance, the alumnae of the sorority, gave a buffet dinner at the Junior League Community Center.

Among the couples at the dance were Rachel Fox and Tom Boggess, Brenda Harrison and Bill Price, Martha Gerber and Gary Underwood, Linda Little and Joe Dial, Jennie Windsor and John Karickhoff, Roslyn Harman and John Dial, Ann Marshall and L. D. Egnor.

Marilyn Harper and Tom Riggs, Casey Coleman and John Sheets, Rita Juergens and Pete Shea, Pat White and Ted Baker, Becky White and John Musgrave.

**HUNTINGTON WINNERS** — These students from Huntington schools won awards in the Regional Science Fair held at Memorial Field House. From left, front row, are Bob Napier, East high school; Lee Flower, Bob Wild and Roger Cubby, Hunting-

ton high; John Burke, St. Joseph; Charles Goodrich, Beverly Hills Junior high; Jim Lichtenstein, Marshall high; Bill Weaver, Huntington high; Ronald Spears, West junior; Steve Mathews, Vinson high. Standing, William Harty, Mike Cunningham and

Betty Prince, Vinson; Anabel Williams, Huntington high; Sean Loemker, Marshall high; Lols Robinson and Dawn Brass, West Junior; Judith Climer, Enslow junior; Judith Claytor, Huntington East; Sally Reggel, Huntington high and Ray Pollard, Vinson.

**WEST VIRGINIANS** — Charles Herron, Holden; Karen Camica, Logan, and Robert Wilson, Barboursville, were among prize winners at the Regional Science Fair here Friday and yesterday.

795 Entries From 30 Schools X H-A 4/3/60

# Science Fair Termed Success

A two-day Marshall College Regional Science Fair featuring 785 entries from 39 junior and senior high schools in the tri-state area wound up yesterday at Memorial Field House.

The fair, sponsored by the college, was considered a great success this year in that the number of exhibits was 50 per cent greater than last year.

Dr. Donald D. Cox, chairman of the Marshall College science department, was fair director.

Winners of earlier school science fairs were awarded bronze medallions at a luncheon yesterday sponsored by the Railroad Community Committee of the Huntington area. Dr. Stewart H. Smith, president of Marshall College, was the main speaker.

A Gallipolis boy and a Huntington girl won top prizes awarded Friday night.

Joseph Charles Bagshaw of Gallia Academy high school at Gallipolis and Sally Lue Reggel of Huntington high school each won a trophy for their school and an all-expense trip to the National Science Fair at Indianapolis in May.

Joseph's exhibit was entitled "An Experiment in Creation," which involved a demonstration of the theories of the origin of life conditions required to get the simplest form of life.

Sally Lue's exhibit demonstrated the effect of a drug on running time of mice through a maze.

Junior award winners, each to receive a school trophy and a ribbon, were William Orville Richmond of Putnam junior high school in Ashland and Nancy Kathleen Wasil of Notre Dame high school in Portsmouth.

His exhibit is a hand-built electric eye. Her exhibit followed the development of a tapeworm in a pig and its effect on a human being who has eaten poorly cooked pork.

Michael J. Partridge of Portsmouth East high school won a Navy cruise with an exhibit on measuring density of a liquid.

The Navy award will permit him to take a five-day cruise late this summer aboard a warship of his choice. He will be flown to either Norfolk or Boston in a Navy plane.

The senior division Mentor Book award went to Judith Carolyn Claytor and William Edward Chapman of Huntington east high for their exhibit on

embryology of ducks and chickens.

First place division winners received gold medals, ribbons, certificates and cash gifts of \$15 in the senior group, and in the junior division the same prizes except gold medals.

Here are winners:

Senior: Physics, math and engineering, Michael J. Partridge, Portsmouth East high school; chemistry, the Bagshaw youth from Gallipolis; biology, Helen Frances Meyers, St. Joseph's Central Catholic high school, Ironton; earth science,

Karen Camlicia, Logan high school.

Junior: Biology, Robert Anthony Harrison, Jackson (O.) junior high school; physical sciences, William O. Richmond, Putnam junior high, Ashland.

The Richmond youth also received the Junior Division Grolier Society Award, an Encyclopedia of Popular Science.

Group winners were: Senior, Judith C. Claytor and William E. Chapman of Huntington East high; Junior, Mary Louise Mer-shan and Robert Luster of Portsmouth junior high school.

**TEACHERS HONORED** — H. E. Kirby, right, chairman of educational activities for the Railroad Community Committee of the Huntington Area, presents \$50 Savings Bonds to, from left, Robert C. Harrison, Jackson (O.) Junior high school; Reginald Noble, Gallia Academy high school, Gallipolis; and Mrs. Kathryn Pennington, Putnam Junior high, Ashland. Also receiving bonds at a luncheon held in the Hotel Frederick yesterday, were Sister M. Leonarda, St. Joseph Central high, Ironton; and, Mrs. C. M. Milne, Logan Senior high school.

**OHIO WINNERS** — Prize winners from Ohio in the Regional Science Fair here Friday and yesterday were, from left kneeling, Mike Partridge, Portsmouth East high; Anthony Harrison and

Mark King, Jackson junior high; standing, Zane Johnson, Minford high; Helen Frances Meyers, St. Joseph of Ironton; Patty Stone, Minford high; Nancy Wasil, Portsmouth Notre Dame, and Joe Bradshaw, Gallia Academy high, Gallipolis.

## Smith Urges Science Fair Winners Consider Careers In Teaching

"The past 20 years have been the most eventful since the dawn of time," said Dr. Stewart H. Smith, president of Marshall College, as he addressed a group of 215 high school students and teachers at a luncheon given yesterday by the Railroad Community Committee of the Huntington Area at the Hotel Frederick.

The United Nations, strides made by minority groups in human rights, improved standards of living, and progress in curing of diseases, living conditions, health, communications and transportation were cited by Dr. Smith in his talk.

The students, first-place winners in local science fairs sponsored in the Tri-State area by the Railroad Community Committee, were told that, "one outstanding factor in the past 20 years is that 23 countries have gained their political freedom."

Dr. Smith predicted that the greatest change in the next 10 years will be in the field of education. "Teaching will be a real challenge," he said. "The need for teachers is so tremendous, it is impossible to fill vacancies — especially in the field of science."

In asking the young scientists to consider teaching in their choice of profession, Dr. Smith outlined changes he for saw in the field of education in the near future. These included: more diversification in education, less

uniformity, the expansion of knowledge and greater recognition of good students and good teachers.

He stated that "the Railroad Community Committee is one of the first organizations in the community to recognize outstanding students through its science fair program."

In concluding his remarks, Dr. Smith made a plea to the high school students to direct their efforts towards the improvement of humanity. "We need honesty and integrity. The next 10 years

will be the 'The Golden Age of History' You students will provide the initiative and the leadership."

Following; Dr. Smith's talk, H. E. Kirby, chairman of the education subcommittee of the rail group, presented bronze medallions to first place winners from 35 schools in the Tri-State area.

Also presented at the luncheon were \$50 United States Savings Bonds to teachers having a student win a first place award at the Marshall College Regional Science Fair, provided the exhibit originally appeared in a railroad sponsored local fair. Teachers receiving bonds were: Robert C. Harrison, Jackson (O.) Junior High School; Mrs. Kathryn Pennington, Putnam Junior high school, Ashland; Reginald Noble, Gallia Academy high school, Gallipolis; Sister M. Leonarda, St. Joseph Central High school, Ironton; and, Mrs. C. M. Milne, Logan Senior high school.

**KENTUCKY WINNERS** — Four Kentucky youths captured prizes in the Regional Science Fair here yesterday and Friday. They are, from left kneeling, Andy Lawson and Bill Richmond, Putnam junior high, Ashland; standing, Jonathan Jarrell, Putnam junior high, and Marlon Fannin, Boyd County high school.

## Dr. Alma Noble To Attend Meet

X H-D 4/3/60  
Dr. Alma N. Noble, associate professor of French at Marshall College, will attend the spring meeting of the West Virginia Modern Language Teachers Association in Charleston Saturday, April 9.

Meeting jointly with the MLTA at Charleston High School will be the West Virginia Chapter of the American Association of Teachers of French, according to Dr. Noble, who will give a report on the national AATF meeting she attended in Chicago.

Dr. Noble is a member of the 1960 Public Relations Committee of MLTA.

Another Marshall professor, Dr. Julius Lieberman, associate professor of German, is a member of the 1960 Community Resources Committee.

The St. Louis Cardinals had happen to see them leave that York Yankees.  
St. Louis ended the Florida Sunday by whipping New York club's fifth triumph over the

## Cards Boost Of Florida-B

LAKEBLAND, Fla. (AP) — Ed Bailey is still the No. 1 catcher for the Cincinnati Reds, but they'd be happier if he hit better. That's why batting coach Wally Moses has been working with the Sturdy Tennessean this spring. Moses' efforts seem to be paying off.

## Hitting Be Moses' W

## Greek Week

ganizing at the Student Union and continuing down Fourth Avenue to Eighth Street, according to Parade Marshal Rod Smith, Huntington sophomore. Each sorority and fraternity will have one entry in the parade. Also in the parade will be the queen and her attendants.

Immediately after the parade, Greek games are scheduled on the Marshall intramural field. A highlight will be a chariot race among the fraternities.

## Editor To Talk On Map Making

Dr. Bruce Ogilvie, managing editor of educational maps of Rand McNally and Co. will speak on the problems in map making tonight at 6:30 p. m. in the Marshall College Science Hall, room 111.

Dr. Ogilvie will be speaking to the class in applied cartography, according to Dr. Sam E. Clagg, associate professor of geography at Marshall and course instructor.

## Hechler Praises 'Hurryin' Hal'

Congressman Ken Hechler Sunday joined in praising Huntington's Hal Greer, star basketball player for the Syracuse Nationals who is being honored by the city this week-end in conjunction with the second annual Huntington Invitational Basketball Tournament.

Said Hechler in a telegram to Marshall College Coach Jule Rivlin:

"I want to join in the tributes being paid to one of Marshall College's all-time greats, Hal Greer. The city of Huntington and the state of West Virginia are proud of Hal. His superb examples of excellence and good sportsmanship are an inspiration for the youth of the entire nation."

X H-D 4/4/60  
SCOTT LECTURER ARRIVES — Dr. T. V. Smith, left, philosopher and former congressman-at-large from Illinois, is welcomed to Huntington by Dean J. Frank Bartlett of the College of Arts and Sciences, Marshall College. Dr. Smith will speak at 8 o'clock tonight in the college auditorium, appearing on the 1960 Scott Lecture series made possible by Dr. and Mrs. Francis A. Scott of Huntington. He also will address a college convocation at 11 a. m. tomorrow, will speak at the Huntington Kiwanis Club meeting at 12:15 p. m., and give his concluding lecture at the college at 8 p. m. He addressed the Rotary Club today and met with Marshall faculty and students informally this afternoon.

## Lecturer Series Opens Tonight At Marshall

Dr. T. V. Smith, philosopher and former congressman, will speak on "Problems To Be Solved" at 8 p. m. tonight at Marshall College's Old Main auditorium.

His appearance will open the 1960 Scott Lecture series made possible by Dr. and Mrs. Francis A. Scott of Huntington.

Dr. Smith will give his second and final lecture of the series, "Perturbations To Be Absolved," at 8 p. m. tomorrow night at the auditorium.

Dr. Smith, who served a term as congressman-at-large from Illinois, will speak at a Huntington family; discuss the offer with his said Saperstein, "but wanted to "He seemed pleased enough," of next week. promised to reply before the end

## Dr. Alma Noble To Attend Meet

Dr. Alma N. Noble, associate professor of French at Marshall College, will attend the spring meeting of the West Virginia Modern Language Teachers Association in Charleston Saturday, April 9.

Meeting jointly with the MLTA at Charleston High School will be the West Virginia Chapter of the American Association of Teachers of French, according to Dr. Noble, who will give a report on the national AATF meeting she attended in Chicago.

Dr. Noble is a member of the 1960 Public Relations Committee of MLTA.

Another Marshall professor, Dr. Julius Lieberman, associate professor of German, is a member of the 1960 Community Resources Committee.

DR. MELVILLE HOPKINS

## Dr. Hopkins Resigns at Marshall

## Greek Week Opens Today At Marshall

"Greeks Too, Back Marshall U," is the theme of Greek Week beginning today at Marshall College.

Activities for the week, continuing through Saturday afternoon, have been announced by Greek Week co-chairmen Jerry Johnson, St. Marys junior, and Carolyn Meade, Hamlin sophomore.

Stunts will be performed each day by a fraternity and a sorority combination during the noon hour on the Student Union lawn. Tonight will feature "exchange dinners" among the social organizations. Thirteen representatives one from each group, will be dinner guests at each fraternity and sorority house.

Campus projects, as well as seminars and fireside chats are scheduled for tomorrow. Campus projects will work toward donations for the student chapel and university status for Marshall.

Seminars will be conducted at different houses with groups composed of the officers discussing the duties of their respective positions.

Fireside chats will consist of fraternities visiting sorority houses for informal sessions headed by alumni. On Wednesday, each group will invite a neighbor or a faculty member to dinner.

Friday's big event will be a semi-formal dance at the Hotel Prichard from 9 p. m. to 1 a. m. The highlight will be the crowning of a Greek Week queen at intermission. Those vying for the honor are Darlene Harbour, Huntington senior, Alpha Chi Omega; Virginia Wise Daytona Beach, Fla., junior, Alpha Sigma Alpha.

Marilyn Harper, Huntersville junior, Alpha Xi Delta; Bonnie Nelson, Huntington freshman, Delta Zeta; Dale King, Wilmington, Del., freshman, Sigma Kappa; and Linda Brown Matewan sophomore, Sigma Sigma Sigma.

Saturday's events will begin with a parade at 1 p. m., organizing at the Student Union and continuing down Fourth Avenue to Eighth Street, according to Parade Marshal Rod Smith, Huntington sophomore. Each so-

**SCOTT LECTURER ARRIVES** — Dr. T. V. Smith, left, philosopher and former congressman-at-large from Illinois, is welcomed to Huntington by Dean J. Frank Bartlett of the College of Arts and Sciences, Marshall College. Dr. Smith will speak at 8 o'clock tonight in the college auditorium, appearing on the 1960 Scott Lecture series made possible by Dr. and Mrs. Francis A. Scott of Huntington. He also will address a college convocation at 11 a. m. tomorrow, will speak at the Huntington Kiwanis Club meeting at 12:15 p. m., and give his concluding lecture at the college at 8 p. m. He addressed the Rotary Club today and met with Marshall faculty and students informally this afternoon.

## Lecturer Series Opens Tonight At Marshall

Dr. T. V. Smith, philosopher and former congressman, will speak on "Problems To Be Solved" at 8 p. m. tonight at Marshall College's Old Main auditorium.

His appearance will open the 1960 Scott Lecture series made

possible by Dr. and Mrs. Francis A. Scott of Huntington.

Dr. Smith will give his second and final lecture of the series, "Perturbations To Be Absolved," at 8 p. m. tomorrow night at the auditorium.

Dr. Smith, who served a term as congressman-at-large from Illinois, will speak at a Huntington

family. He seemed pleased enough. He promised to reply before the end of next week.

of speech and chairman of the Speech Department at Marshall College has resigned to accept a position at Bloomsburg State Teachers College in Bloomsburg, Pa.

Dr. Hopkins came to Marshall from Temple University in 1947. He received his A. B. and M. A. degrees from Bucknell University and his Ph.D. from Pennsylvania State University.

He started his teaching career at Syracuse University in 1947 as an instructor in the School of Speech and Dramatic Arts. He then was an instructor in speech for three years and assistant professor of speech at Pennsylvania State University for five years.

Dr. Hopkins said he was making the change because of wife's health.

He will continue teaching at Marshall until the end of the first term of summer school.

Dr. Hopkins and his wife, who reside at 1028 Eighth street, have a daughter, Lisa.

one entry in the parade. Also in the parade will be the queen and her attendants.

Immediately after the parade, Greek games are scheduled on the Marshall intramural field. A highlight will be a chariot race among the fraternities.

## Editor To Talk On Map Making

Dr. Bruce Ogilvie, managing editor of educational maps of Rand McNally and Co. will speak on the problems in map making tonight at 6:30 p. m. in the Marshall College Science Hall, room 111.

Dr. Ogilvie will be speaking to the class in applied cartography, according to Dr. Sam E. Clagg, associate professor of geography at Marshall and course instructor.

## Beckley Girl Heads State Youth Group

Miss Lois Arnott of Beckley, a student at Alderson-Broaddus College, Philippi, was elected president of the West Virginia Baptist Youth Fellowship Saturday at a session of the state BYF convention at the Baptist Temple.

Miss Arnott succeeds Miss Lula Mays of Mullens, a Marshall College student. *H-D 4/16/60*

Barbara Pauley of Madison was chosen executive vice president. Area vice presidents elected are: Ted Nesbitt of Moundsville, Northern; Bob Beaumont of Weston, Eastern, and Miss Pat Lowther of Coven, Central.

Judy Collins of Philippi was named corresponding secretary, Mary Beth Dorsey of South Charleston, recording secretary; David Kidd of Parkersburg, treasurer, and Shirley Shirey of Beckley, guild chairman.

Phil Gillespie of Philippi and Miss Arnott are holdover national council delegates. Miss Pauley was chosen as a new national delegate.

More than 1,000 young people attended the convention, which closed yesterday noon.

## Class Of 1955 Meeting Tonight

*H-D 4/16/60*

A meeting of members of the Marshall College class of 1955 has been called for 7:30 p. m. tonight in the college office of development and alumni affairs to make plans for a class reunion next month.

The meeting was called by Phil Cline, acting chairman of the reunion. Mr. Cline urged members who have not received notices of the reunion to contact the alumni affairs office.

## Miss Locke Is Elected CTA Vice President

*H-D 4/16/60*

Miss Anna Virginia Locke of Huntington was elected vice president of the West Virginia Classroom Teachers Association at a spring council meeting at Martinsburg during the past weekend.

Miss Locke is president of the Cabell County CTA. She is an associate professor of education at Marshall College and head librarian at Marshall High School.

Miss Ella Bergdoll of Moorefield was reelected president.

William V. Brook of Huntington was chosen consultant for the Gertrude Roberts Scholarship Committee, of which he had been chairman.

Mrs. Nan Temple Davis of the Huntington East High School faculty received a citation in recognition of her services to the association as president and as a National Education Association director.

Mrs. Davis served as an officer of the Cabell County CTA from its formation about 1936 until she became a national director in 1952, and also served as state president. She retired as a national director in 1958.

The nine members of the Cabell County delegation to the meeting returned to Huntington last night.

Isolated students had withdrawn from the college. Student leaders had asked for a mass withdrawal because of the arrests, but later reversed their request. At Knoxville, Tenn, the school board approved a grade-a-year plan for desegregation of city schools. It is similar to one in effect in Nashville.

ALPHA XI's—A group of Alpha Xi Delta sorority members and their escorts leave the Junior League Community Center Saturday evening after the dinner given there. A dance was held at the Hotel Prichard following the dinner. In the group are

Hansford Welch, Mrs. Welch, Rosalyn, Mrs. William Capchart, B. E. Thornton, Mrs. Thornton, Howard Sutherland, Gloria Brothers and John E. Dial.

X A 4/4/52

## Science Fairs Reveal Shift Of Emphasis to Scholarship

The large number of exhibitors in the Regional Science Fair who were luncheon guests of the Railroad Community Committee last Saturday offered clear evidence of a wholesome shift of emphasis in schools toward scholarship.

The students were first-place winners in junior and senior high schools of the tri-state where the railway group had sponsored fairs to stimulate interest in science and in the Marshall College Regional Fair.

The meeting in the Hotel Frederick was presided over by H. E. Kirby, chairman of the education subcommittee of the Railroad Committee. Medallions were presented to winning students and \$50 Savings Bonds to teachers having a student who won a first place award in the Regional Fair with an exhibit originally shown in a local event.

One of the important immediate effects of the fine service of the Railroad Committee in sponsoring local fairs was the large increase in the number of entries in the Marshall display.

The number reached 785. This represented a gain of 50 per cent over last year's total. No doubt a large part of it resulted from the energetic efforts of all those co-

operating in the arrangements, including the Railroad Committee, school principals and teachers and college officials and professors.

Interesting bright students in the study of science is a fine service to the young people themselves. And over the years science fairs can have a tremendous influence in helping produce the scientists and engineers to supply the national needs for defense and industrial development.

The trend toward more emphasis upon scholarship was also emphasized by Dr. Stewart H. Smith, Marshall president, in his address to the luncheon. He had been called upon many times, he said, to make awards for athletic achievements, but only in recent times had he been asked to present honors for scholastic attainments.

The trend here is part of the national response to a pressing need. In contributing to it the Railroad Community Committee and the college are helping strengthen the United States for its role of free world leadership.

The continuing efforts of those sponsoring the fairs should have the enthusiastic support of the public, particularly of parents whose sons and daughters may profit directly from them.

## Biggest Problem Facing Man

One of the top winners at the Marshall College Regional Science Fair last week seemed to have a significance particularly appropriate to the biggest problem of these critical times.

The exhibit entered by Joseph Charles Bagshaw of the Gallia Academy high school at Gallipolis was labeled "An Experiment in Creation." It offered a demonstration of the theories of the conditions for the beginning of the simplest form of life on earth.

The subject seemed to emphasize the challenge to scientists of the future to delve deeper into the riddle of organic evolution and find the solution of the vital problem of man's future as well as his past.

Since the publication of Charles Darwin's "Origin of Species" a hundred years ago, a great many people have used the supposed evolution of man from lower animal types as an excuse to discard the faith of their fathers and cast themselves adrift on the sea of materialism.

In more recent years scientists have found Darwin's theory of evolution through natural selection and survival of the fittest entirely inadequate to explain the progress of life from unicellular animals to

the family of thinking man with at least intimations of immortality

Quite a few of them argue that there is some inherent force within animal organisms that tends to control the direction of their development.

Certainly there is a tremendous element of chance against the likelihood that such a delicate and intricate mechanism as the eye could ever develop with so much similarity in all the numerous animal species merely by accident.

The eventual solution will reveal, we have no doubt, that there was a guiding hand in past evolution and that the process is still under way, with man contributing to the development himself.

When he reached the stage of intelligence and accountability, he received the moral and spiritual laws for charting the course toward his ultimate goal.

His future is now in his own hands. The whole volume of history offers proof that he can no more ignore the laws without paying the penalty than he can leap from a building and not fall to the ground.

Unveiling the mysteries of the past and future to give solid scientific confirmation of the age-old faith is man's greatest challenge. Never before has his survival depended so much on the solution.

MRS. F. L. BOYD

## Teachers X A To Hear 4/15/60 Mrs. Boyd

Mrs. Frances Laird Boyd, a teacher at Emmons school, will be principal speaker at a regional conference of Future Teachers of America Friday at Marshall College.

Mrs. Boyd will discuss her teaching experiences on Okinawa and in Germany as a Department of the Army civilian. She taught children of American servicemen for five years.

The conference will be attended by FTA members of high schools in Cabell, Wayne, Mason, Mingo, Putnam, Lincoln and Logan counties. The Student Education Association at Marshall will be host to the meeting which will begin at 9:30 a. m.

Dr. Stewart H. Smith, Marshall president, and Dean D. Banks Wilburn of the Teachers College will extend greetings. Dean Wilburn also will address the students on requirements in the field of education and will answer questions pertaining to teaching.

The program also will feature a panel discussion by a group of FTA members from various high schools concerning their club activities.

### To Lead Exchange

A sponsors' exchange will be led by Mrs. Marian Vance of Duvall high school, Lincoln county.

There also will be a tour of the campus and a luncheon in the college cafeteria. Miss Anna Virginia Locke, vice - president of the West Virginia Classroom Teachers Association, will preside at the morning session and Mrs. Made L. Matthews, member of the state board of the CTA, will preside at the luncheon and afternoon session. Miss Locke is a teacher at Marshall laboratory school. Mrs. Matthews teaches at Vinson high school.

### MARSHALL SORORITY PLEDGES LAURA LINGER

Miss Laura Linger, daughter of Mr. and Mrs. Claude Linger of Burnsville and Huntington, was recently initiated into Alpha Sigma Eta Alpha, an organization for speech correction majors at Marshall College, in Huntington.

Miss Linger is a sophomore at Marshall this year.

## X A 4/16/60 Philosophical Society Meets Here on Friday

The annual spring meeting of the West Virginia Philosophical Society opens Friday on the Marshall College Campus, according to R. Lloyd Beck, chairman of the department of philosophy at Marshall.

Speakers from colleges throughout the state will participate in the meeting Friday and Saturday.

Main speakers for the meeting are: J. B. Shouse, retired pro-

fessor of philosophy at Marshall; Clifford W. P. Hansen, professor of philosophy at Salem College; David Uu, professor of philosophy at Bluefield State College; and Edward Gannon, professor of philosophy at Wheeling College.

The planning committee for the meeting includes R. Lloyd Beck, president; Clifford W. P. Hansen, vice - president; and Hilbert Campbell, instructor in English at Marshall College, secretary-treasurer.

## GAA Members In Huntington

The Women's Athletic Association of Marshall College of Huntington entertained Girls Athletic Association representatives from twenty West Virginia high schools at the "Sports on Parade" Play Day, Saturday, April 2.

Miss Martha Gerber, a junior at Marshall College, was general chairman of the affair. Miss Gerber, a graduate of St. Marys High School, was active in the GAA when a student here.

Students from the St. Marys GAA who were Friday overnight guests of Miss Gerber at the Alpha Xi Delta sorority house were Louwannah Sigler, Carolyn Sellers, Linda Newell, Diane Yoho, Martha Ingram, Tanya Poole, Ann Webb, Connie Leighliter and Lois McCullough. Others making the trip were Miss Elma Riggs, GAA sponsor, Miss Catherine Bush and James Snyder.

Sen. John F. Kennedy of Massachusetts, Democratic presidential aspirant, will visit Huntington Monday on the first leg of a series of whirlwind tours of West Virginia.

Monday's trip will include appearances in Parkersburg, Charleston, Huntington and Beckley.

Sen. Kennedy will arrive here by auto in time for the early afternoon shift change at ACF Industries Inc. He will greet employees from 2:55 to 3:25 p. m.

A press conference is scheduled at the Hotel Prichard ballroom from 3:30 to 3:45. From then until 4:30 a public reception is scheduled in the ballroom with special invitation issued to Marshall College students.

Kennedy will depart for Beckley from Tri-State Airport at 6:30 p. m. following a brief rest.

Additional trips planned to other areas of the state by the senator are set for April 18, 19, 26, 30 and May 1.

## X A 4/16/60 Dr. Richardson To Speak for Ironton Club

Dr. J. T. Richardson, head of the sociology department at Marshall College, will address the Community Betterment Club of Ironton tomorrow noon at the Coffee Shop at Ironton. His subject will be "The Dignity of the Individual." John W. Hannan is program chairman.

Membership of the club includes people who work in public assistance, aid for the aged, the county health department, child welfare, employment office and others interested in better understanding of mutual community welfare problems and coordination of efforts toward their solution.

### Princeton-Athens Alumnae Group Plans Supper Event

Miss Jean Houchins and Mrs. Roy Eades, Jr. were hostesses for the regular meeting of the Princeton-Athens Alumnae Chapter of Delta Zeta Sorority at Miss Houchins' home on North Walker Street.

During the business session plans and committee appointments were made for a spaghetti supper for members of the college chapter on April 27 at the Princeton Elks Club. Also, the Alumnae group was invited to attend the annual dinner given by

the collegiate group to honor new initiates and graduating seniors. Miss Virginia Hatcher, president, made several announcements concerning national affairs as well as the annual State Day which will be held at Marshall College on April 23. Mrs. Charles Riley and Miss Bonnie Shumate will represent the alumnae group as delegates.

Miss Gordon Ball reported on activities of the college chapter. Miss Shumate, a recent Concord graduate, was welcomed into the alumnae chapter.

The hostess served a dessert course to the twelve members present.

# NOTES NEWS NONSENSE

By Susan Wickman

Hi! SMHS is sure proud of senior Ruth Ann Dayhoff who received Honorable Mention at the Mid-Ohio Valley Science Fair held in Marietta, March 31 and April 1 and 2. Ruth Ann also won first place last week in the Senior Division of the St. Marys High School Science Fair. She plans to enter her project on Anthropology in the Salem College Science Fair, which will be held April 9.

J. B. Adkins, a Junior at SMHS, was elected president of the Key Club for 1960-61 school year. Other officers elected were Woody Wilson, vice president; Lane Ogden, secretary; and Bill Auberle, treasurer. Mr. Carpenter is the club's sponsor.

The junior girls' basketball team coached by Woody Wilson and Tom Young captured a 59-21 win Wednesday, March 30 over the 8th grade team to become this year's champions of the GAA Girls' Basketball Intramurals.

In the first night of the tournament, the 8th grade defeated the 7th by a score of 33-23 and the 9th downed the 10th 22-20. In the semi-finals Tuesday night, the 8th grade rallied to win over the 9th 27-22 and the Junior team downed the seniors 27-21.

Congratulations Juniors!

### Higher Mathematics

Shortly after moving to a new house, I met a former neighbor, a retired algebra teacher. I invited her to visit us and suggested that she write down our house number 24361— as it was hard to remember.

Athletic Association of SMHS attended the WAA College Play Day at Marshall College Saturday, April 2. Representatives from 20 W. Va. High Schools attended the "Sports on Parade" Playday.

Those attending from SMHS were: Martha Ingram, Connie Leighliter, Lois McCullough, Linda Newell, Tanya Poole, Carolyn Sellers, Louwannah Sigler, Ann Webb and Dianne Yoho. Others making the trip were Miss Elma Riggs, GAA sponsor; Miss Catherine Bush, and Mr. James Snyder who supplied transportation.

These days at SMHS: The fifth six weeks ends Tuesday, April 12; the Tri-Hi-Y Easter assembly will be held Wednesday 13; Easter vacation will be Thursday and Friday, April 14 and 15; the 7th issue of the Argus will come out on Monday, April 11; and the underclass received individual colored pictures this week; which they may purchase for \$1.00.

Bye, and who was it that said: "Live dangerously!" is advice we don't hear much any more since it turned out there isn't any other way.

# Harris 'Welcomes' Majority's Admission Of Housing Shortage

X H-D  
4/16/60

the Francis plan was one of the strongest of a series made during the meeting. Councilmen joining in support of him were Harold Frankel and George Garner.

Mr. Francis yesterday released a complete brochure outlining the Deitz Hollow development plan of "motel type" housing for the city's indigent persons.

He had the support last night of Councilmen Frank Perry and Denvil F. Chandler who agreed that no time should be wasted in putting the entire matter in the hands of City Manager R. M. Hoisington for a detailed staff study.

Mr. Perry said that principal objections to previous public housing proposals which Council has rejected—by 4-3 votes in each case—are that the city has "virtually no control" of the project after once approving it. Mr. Francis' plan, he pointed out, would be directly under Council's control.

Mr. Chandler also contended that the "truly poor" people aren't taken care of by federally financed public housing units here while the Francis plan would do the job.

Dr. Harris, with occasional touches of gentle sarcasm, said that Council has at least progressed to the point of agreeing unanimously that there is a housing problem. This is in "striking contrast" to the earlier majority position, he said, adding:

"The problem of how the community may participate in solving the housing problem is still before us. For two years we have failed to agree on a proposal to authorize the expenditure of federal money to determine the extent and nature of the real need.

"We are now, only four weeks from a referendum on whether we will invite a free diagnosis of the extent of our illness that we confess we have, confronted with a proposal that threatens to confuse the issue on which we will vote on May 10. The proper time to consider this proposal is after that election — not before the election.

"This proposal is a sort of counterfeit public housing proposal in the minds of many.

here or construct 500 additional public housing units, if needed.

Mr. Garner added emphasis to the possibility that the issue which has been raised by Mr. Francis may have endangered the proposed capital improvements program which will require a 60 per cent majority for approval on May 10. "The public has a right to wonder what we're doing," he said. "I'm quite alarmed."

The audience of some 35 people, while it followed the floor debate intently, participated only briefly in the discussion.

In one scene comparable to a bit of courtroom cross-examination drama Summers I. Dean, president of the Huntington District Labor Council, identified what Mr. Francis had termed "an unsolicited letter" from Laural A. Whipley of the Community Welfare Council.

The letter, in general support of elements of the Francis proposal, actually had been requested from Mr. Whipkey by Don Leckie, president of the Huntington Board of Realtors, Mr. Dean charged. Mr. Leckie, in the audience, admitted that this was so.

The labor leader in similar fashion established that the city budget is not now in actual preparation, a point which had been suggested by Mr. Francis as a reason for hurrying his housing proposal along this month and not waiting until after the election.

Henry Glaser, state representative for the International Ladies Garment Workers, suggested that the idea of raising money for the Deitz Hollow proj-

ect by public subscription is unfeasible. "There isn't enough money now for the current charitable programs," he said.

He added that it would be a better idea to raise money to buy the Sylvania plant, invite an industry to come in here and thus provide jobs for the unemployed. "This way you eliminate most of the need for the housing units to start with," he commented.

Mr. Glaser made one final observation concerning Mr. Francis' reference to the "type of people to be housed in the proposed project. "I recognize no other type than American," the labor leader said.

R. H. Pemberton stated that he had appeared before Council many times in support of more public housing and still takes that stand. He suggested the Francis plan is inadequate.

Walter Lewis, Jr., an opponent of public housing, said the Francis plan is an alternative to federally financed public housing. He suggested that public housing units cost some 50 per cent more than the average value of homes in the city.

Victor Hayman, assistant professor of political science at Marshall College, said he could see merit in the Francis plan only to the extent that it proposed rehabilitation. This should be kept in any housing program eventually adopted, he said.

Council adopted a resolution late in the meeting agreeing to support the battle against a new rate increase requested by the United Fuel Gas Co.

## Will duct Wayne al Festival

 Huntington, W. Va.

n mysch.

Mr. Frankel, picturing Huntington's needy shoved ungratefully to the edge of the city's landfill, said that the most charitable thing he could say about the plan "is that, sincere as it may have been, it is still impractical."

He also observed that the public housing proposal before Council before would be to request a federal grant of \$150,000 to make a survey of housing needs here and, if necessary, prepare plans and other details. Unless additional units were actually built the cost would be only for the survey—about \$1,500, he said.

"Can we compare this," he asked, "to the Francis plan where the Huntington taxpayers are being asked to put out hundreds of thousands, perhaps a few million, dollars?"

Mr. Garner, chairman of the citizens committee which first studied the idea of a low cost housing plan in Deitz Hollow to aid in slum clearance, said there should be no confusion over his opposition now.

He pointed out that such proposals are completely unrealistic when the city now has no money to finance them, has no prospect of getting any extra money next year and in fact is going to the public on May 10 seeking funds for a capital improvement program.

This cannot be justified, he continued, with the previous refusal to ask for any federal funds to make a housing survey

to confuse the issue on which we will vote on May 10. The proper time to consider this proposal is after that election — not before the election.

"This proposal is a sort of counterfeit public housing proposal in the minds of many. I have many objections about it myself."

Mr. Frankel, picturing Huntington's needy shoved ungratefully to the edge of the city's landfill, said that the most charitable thing he could say about the plan is that, sincere as it may have been, it is still impractical.

He also observed that the public housing proposal before Council before would be to request a federal grant of \$150,000 to make a survey of housing needs here and, if necessary, prepare plans and other details. Unless additional units were actually built the cost would be only for the survey—about \$1,500, he said.

"Can we compare this," he asked, "to the Francis plan where the Huntington taxpayers are being asked to pay for the survey?"

# comes' Majority's Of Housing Shortage

here or construct 500 additional public housing units, if needed.

Mr. Garner added emphasis the possibility that the issue

ect by public subscription is unfeasible. "There isn't enough money now for the current charitable programs," he said.

U.S. WEATHER BUREAU

reached the downtown section of the city. Crowds lined the sidewalks, cheering and waving small red, blue and yellow Colombian flags.

DRAWING OF PROPOSED MOTEL-TYPE PUBLIC HOUSING Included In Brochure Submitted By Assistant Mayor Francis

# Mayor's Absence Puts Off Test On Housing

By BILL WILD

The Deitz Hollow low cost housing plan, characterized by one opponent last night as "counterfeit public housing," will be put to the test of a City Council vote next Monday.

However, Council again appeared divided along the fam-

iliar 4-3 lines. No formal action was taken last night only because Mayor Ellis was absent. He requested that no vote be taken until he could be present.

Dr. A. E. Harris, one of the members of the three-man minority which has long battled for public housing, used the

term "counterfeit." He said that this is the idea many people have drawn, and that Councilman David L. Francis' proposal is only confusing the public housing issue to be voted on May 10.

Dr. Harris' statement against (Please Turn To Page 6)

## Fiser Will Conduct Wayne Choral Festival

Lee Fiser, associate professor of music at Marshall College, will be guest conductor for the Wayne County choral festival to be held tomorrow night at 7:30 p. m. at Buffalo High School.

The program is being sponsored by the Wayne County Secondary Schools Principals Association and the vocal music instructors of Fort Gay, Vinson, Ceredo-Kenova, Crum, Wayne and Buffalo High Schools. It will consist of classical and popular songs presented by the combined chorus from all participating high schools.

Mr. Fiser has had professional experience in operatic and oratorio work and has conducted several choral festivals and clinics in different parts of the United States.

**Foundation Adds \$4,000 To College Fund**

The Claude Worthington Benedum Foundation of Pittsburgh has announced an increase in the foundation's scholarship and loan fund allocated to Marshall College from \$1,000 to \$5,000, according to Marshall President Stewart H. Smith.

The fund, established at Marshall in 1956, was formerly restricted to grants for entering freshmen. However, funds will now be available to any qualified Marshall student, providing he is a resident of West Virginia.

The new allocation of \$5,000 per year will enable approximately 100 students each year to receive the funds, which are allocated on the basis of individual needs. A total of 113 students have received Benedum funds since 1956.

Parkersburg News  
Parkersburg, W. Va.

APR 7 1960

SUZANNE HUDSON, daughter of Mr. and Mrs. Joe A. Hudson of Loudon Heights Road, has been pledged to Alpha Chi Omega Sorority at Marshall College where she is a freshman.

**LIONS WILL PERFORM**—These two talented lions, pictured in their cages, will perform for the public tonight in the Sports Carnival in Memorial Field. Horses and bears will also be featured in the annual event. Tickets for the carnival are 50 cents and will be sold only at the door.

**Alumni Officers To Meet Tonight**

The executive committee of the Marshall College Alumni Association will meet at 7:30 p. m. tonight in the college office of development and alumni affairs, Don Jenkins, president of the association, announced yesterday.

**GREEK OFFICER**—Ruth Ann Miller, daughter of Mr. and Mrs. Howard Miller of Knollwood Drive, has been elected vice president of the Pan-Hellenic Council at Marshall College. A sophomore, Miss Miller is a member of the Alpha Sigma Alpha Sorority.

**SONJA WILHEIM WINS SPEECH CONTEST**

Miss Sonja Ann Wilhelm, a Marshall College Junior won first place in the Poetry Reading Contest in the Speech Department of the college.

Miss Wilhelm read a selection from Shakespeare. She will represent the college at Jacksons Mills the last of April in an all state speech meet.

Sonja is the daughter of Mrs. Ruth A. Wilhelm.

**G.A.A. Is Entertained At Marshall College**

The Women's Athletic Association of Marshall College, Huntington, entertained girls' Athletic Associations from 20 West Virginia high schools at their "Sports on Parade" playday, Saturday, April 2.

Miss Martha Gerber, a junior at Marshall College, was general chairman of the activities. Miss Gerber, a graduate of St. Marys high school, was an active leader in the GAA while a student here.

Friday night, the St. Marys students were guests of Miss Gerber at the Alpha Xi Delta Sorority House. Those student who represented the local GAA were: Louwannah Sigler, Caroline Sellers, Linda Newell, Diane Yoho, Martha Ingram, Tanya Poole, Ann Webb, Connie Leighliter and Lois McCullough. Others making the trip were Miss Elma Riggs, GAA sponsor, and Miss Catherine Bush and Mr. James Snyder who supplied transportation.

**Many Students Contribute To Annual Sports Carnival**

When Ringmaster David Golding blows his opening whistle on the ninth annual Sports Carnival in Memorial Field House tonight almost every department at Parkersburg High School will have contributed something to the production.

Vocational boys have made and set up equipment, art students have contributed life-size and stuffed animals and colorful posters, home economic students have assisted with costumes, drama students have undertaken the task of making up performers, Big Red Band members have arranged music to keep performers stepping, stage crew members have taken time to prepare special lighting and journalism students have produced the publicity.

Beginning the production at 7 p.m. will be the Intramural and Girl's Games programs. Edgar Rhodes in the head of the Intramural Division and Mrs. Samuel Bailey and Miss Sandra Foster are in charge of the girls.

The gymnastic program is next on the schedule with a display of Swedish rhythmic gymnastics, under the direction of Miss Sandra Urso. Boy gymnasts will perform under the direction of Stephen Shadle.

Under the direction of Miss Urso, will be performed for the King and Queen. Among these acts are the Liberty Horses, acrobats, Parade of the Clowns, Roller Skating, Square Dancing, Wild Cage, Man on the Flying Trapeze, Fan Tan, Special Clown and Rope Ballet.

**Important Departments**  
One of the most important departments behind the scenes is the Vocational department. Electric Shop, under the direction of Mr. W. V. Archer has connected extension cords, rearranged lights and put up temporary lights. Boys from the shop who did the work are Harold Moorehead, Larry Eagle, Robert Summers, and Paul Pigott. Mr. John Cole, head of the Machine Shop, has had his boys cutting out iron braces for mounting temporary swings and hangers for lights. Wood Shop boys, under Mr. O. L. Hall's direction, have built platforms, framework for the tent, and the wild animal cages.

The Art Department has provided their talents as Commercial Art students of Mrs. Gerald Sennett, have constructed huge circus animals and posters. Mrs. F. T. Campbell's students have worked with posters advertising the carnival and they also put a carnival display in the second floor show

and the annual Coronation dance will highlight the evening program. Forrest G. Clark, chairman of the Physical Education Department, will crown the royal couple tonight, while Michael Josephs, director of physical education at Marshall College, will crown them tomorrow night.

The circus will begin immediately following the Coronation with a Grand Entry, led by younglings riding around the hippodrome. A series of rhythmic demonstra-

...se of the school.  
 In the Home Economics Department students have assisted with costumes, under the supervision of Miss Marion Layton and Mrs. Ralph G. Hood.

The Dramatics Department, under the supervision of Mrs. Eugene Trill is assuming the task of lining up the 122 clown dancers. Always an important part of a circus is the music and 30 members of the Big Red Band have agreed for this. First will be "Coronation March" to salute the royal couple. With the Circus coming and through the entire night the band will come forth with appropriate selections, under the direction of Frank Schroeder. Members are John Anderson, Appel, Robert Astorg, Dabell, Paul Bibbee, Roger Burn, Rex Booher, Ronald David Brown, Dwight Shank, Wayman Johnson, Cunningham, Eugene Huff-Gary Lamm, Foster Lytle, McKinley, Bryon Ott, Herb Brent Smith, Gary Snider, Thomas, Bill Warfield, Robin Meyer, Steve Widmeyer, Lee Ler, Harley Wells, John Withnd Bill Woodcock.

Everything will be under the direction of Mrs. Isabel Wilson and the Crew. Special effects and plans are being worked out by members who are Eric Myrman, Tom Peters, Thomas, Gary Purdue, Martin n, Dale Rogers, Arden Baumeredith Parsons and Rod-Cramer.

## Ritchie Teachers To Have Banquet

Ritchie County teachers will conclude the work of their professional association, the Ritchie County Education Association and its affiliate organization, the Ritchie County Classroom Teachers' Association with a banquet at the Pennsboro Woman's Club House, Friday April 8.

The affair will begin at 6:30 p. m. Arrangements are under the direction of Mrs. Geneva Haught, Mrs. Pauline Harris, and Mrs. Gertrude Ridgeway.

Following the banquet Miss Ella Bergdoll, president of the West Virginia Classroom Teachers' Association will address the members. Her talk will be concerned with the progress and problems of education in West Virginia.

Miss Bergdoll, who is an elementary teacher of Moorefield, Hardy County, is on leave-of-absence to conduct the work of the CTA. She was reelected last weekend at the Spring Council of the Association conducted at the Shenandoah Hotel in Martinsburg. It is customary for the president to serve a two-year term and for the vice president to progress to the presidency at the end of that term. Miss Anna Virginia Locke, formerly of St. Marys, now of the Marshall College library and teacher training program, was elected to the vice presidency.

Miss Bergdoll brought to the state meeting last Saturday the president of the National Education Association, Dr. Walter Eschelman, who gave the concluding address.

# Marshall Talent Show Opens Friday

Student talent will be on display at Marshall College this week end in the second annual All-Campus Talent Show sponsored by the college Veterans' Club.

The show will present a total of 24 variety acts by Marshall's singers, dancers and musicians, at 8 p. m. Friday and Saturday in Old Main Auditorium. Tickets will be on sale at the door.

The 24 student acts will be divided into two groups, with one group appearing Friday and the other Saturday

## Queen to Be Crowned At Dance

The crowning of a queen will be the highlight of Marshall College's "Greek Week" semi-formal dance tonight in the Hotel Prichard ballroom, according to Jerry Johnston, St. Mary's junior, and Carolyn Meade, Hamlin sophomore, co-chairmen for Greek week.

Vieing for the honor of Greek Week Queen are: Darlene Harbour, Huntington senior, Alpha Chi Omega; Virginia Wise, Daytona Beach, Florida junior, Alpha Sigma Alpha; Marilyn Harper, Huntersville junior, Alpha Xi Delta;

Bonnie Nelson, Huntington freshman, Delta Zeta; Dale King, Wilmington, Del. freshman, Sigma Kappa; and Linda Brown, Malewan sophomore, Sigma Sigma Sigma.

The winner, selected from pictures by a group of professional photographers, will receive a trophy for the sorority she represents.

Climax Greek Week

"Greek Week" 1960 at Marshall College. The theme of this year's events has been "Greeks, Too, Back Marshall U."

A parade will begin at 1 p. m. orgaizing at the Student Union and continuing down Fourth avenue to Eighth street, according to parade marshal Rod Smith, Huntington sophomore.

Each sorority and fraternity will have one entry in the parade, with the winning entrant in male and female categories receiving a large paddle. Also in the parade will be the queen and her attendants.

Immediately after the parade, Greek games are scheduled on the Marshall intramural field. A highlight of the games will be a chariot race among the fraternities with each one building their entry. Prizes will be awarded to each sorority and fraternity compiling the most points in the games, which will bring Greek Week to a close.

ALPHA CHI'S NEW ACTIVES — Seventeen young coeds of Marshall College who became actives of Alpha Chi Omega sorority at a ceremony recently at the Hotel Frederick. # Pledges Turn Painters As Community Service

By DORIS MILLER

When the young adult department of the Fifth Avenue Baptist church school moves into the house immediately west of the church building tomorrow, it will have freshly painted quarters, thanks to the pledge class of Sigma Phi Epsilon fraternity at Marshall College.

Each year the fraternity officers try to choose for their pledges some voluntary community service project as part of their training for leadership in later life. The work is super-

vised by a workmaster chosen from the active members.

This year the task was suggested by Philip Cline, 429 Avondale Road, alumni counselor for the fraternity and a Marshall graduate.

Mr. Cline also is superintendent of the young adult department, at present the fastest-growing group of the Fifth Avenue church school. Until recent months, there were two classes; now there are four, with a prospect that two more will be added soon.

The third house below the church, where the young adults have been meeting, grew too crowded. The house they move into tomorrow has more space, but was much in need of redecoration. Nothing had been done to it since the youth department moved to other quarters and the Boy Scouts and Girl Scouts took it over.

So Mr. Cline had the happy thought of suggesting that task to the fraternity for its pledges. The boys enjoyed their work last Saturday, and class members will enjoy the results.

## Marshall Alumni Will Reorganize County Chapter

An effort will be made here next week to recognize a Kanawha County area alumni chapter of Marshall College.

Two Marshall College Alumni Assn. officials will meet with alumni members Tuesday at 7:30 p.m. in the second floor lounge of the Press Club building.

The alumni officers are John N. Sayre, director of development and alumni affairs at the college, and Don Jenkins, alumni president.

All alumni members interested in the reorganization are invited to attend.

## 5 Choirs Sing; Conductor Is World-Famous

Two college choirs and three church choirs will join forces under the direction of a world-famous conductor this evening at Calvary Baptist Church, Maryland and Lee Street West. The concert of sacred music will begin at 7:30 o'clock.

Dr. John Finley Williamson, founder and for 37 years the conductor of Westminster Choir and co-founder and president emeritus of Westminster Choir College of Princeton, New Jersey, will conduct five area choirs whose directors are all former students of his. These are the choirs of Morris Harvey College, Marshall College, First Baptist Church of St. Albans, Calvary Baptist Church and The Baptist Temple.

The concert will culminate a week of study in which 150 choristers, directors, organists and clergymen from 40 churches have attended a choir clinic and participated in public worship services. In addition, Dr. Williamson has lectured to several groups in Charleston and Huntington.

To accommodate the expected crowd at tonight's concert, closed circuit television facilities have been installed for viewing in other large rooms of the church. In addition to a program of nine anthems and festival selections, all those in attendance will have an opportunity to share in the singing of three well-known hymns under Dr. Williamson's direction.

The alumni officers are John N. Sayre, director of development and alumni affairs at the college, and Don Jenkins, alumni president.

All alumni members interested in the reorganization are invited to attend.

## Candidate for Marshall Student Government

Sheila Carpenter of Parkersburg will be a candidate for junior class senator in the Marshall College, Huntington, student government general election Wednesday.

## Weirton Student Is Initiated

Vernon C. Scandola, Weirton junior at Marshall College, was one of seven men initiated recently by Omicron Delta Kappa, National Leadership Honor Society for college men.

Scandola was elected secretary-treasurer of the pledge class and was selected to attend the ODK National Convention in Detroit last week.

Charleston Daily  
Mail  
Charleston, W. Va.

# Class Of '35 Plans Reunion—But Some Of Our Men Are Missing

"But there's one girl I had a yen for,  
Back in nineteen-thirty-three . . ."

So runs a song that was popular in the nineteen thirties. That song will be played again probably when the Marshall College Class of 1935 holds its reunion 25 years later on the night of May 28.

Tunes of 1935 will be played at a reunion dance in the American Legion home following the Alumni Banquet and other graduation activities. The Marshall College song will be played as will other hits of the by-gone day by Mel Gillespie's orchestra.

Earlier in the day a tour of the campus and a coffee at 2 p. m. will enable the group to get together.

But before the class can be reunited the committee in charge is deep in detective work. Committees have been set up to contact the members who are scattered over several states. Most have been contacted; some have died but some are still unaccounted for.

The list of 1935 graduates starts with Louise Virginia Archer, who is now Mrs. Oscar Dickson of College Park, Md., goes on to James Aultz of Huntington. But not far down the list hits a snag . . . Arthur J. Bachman where are you? Or if somebody who reads this knows of Aruthur Bachman would they contact him?

Better still contact Helen Wellman, 531 Adams avenue, Phone JA 3-7938 or Marjorie Martofi, 420 Wilson court or Phone JA 2-1816.

Arthur Bachman is not alone among the missing. He's in the company of Thomas Joseph

Eastes, Lucille Baker Evans, Thomas J. Farrell, Mary Catherine Harmon, Thomas Hallanan (remember Totsy?), Virginia Belle Nixon (she used to live on Elm street and had a drum major brother named Bill), Alden Gilbert Olson and James Leighton Oney Jr., not to speak of Sara Lee Peters.

Then there's Joe C. Riley and Paul Winston Skeen, Duke C. Wright, Ruby Lucille Adkins, John Paul Billups, Edward Ernest Bohren, Edith Alma Boyce, Helen Virginia Danley,

Who knows about William Frederick Campbell, Henry Vinal Davis II and Albert Dietz, Therion Albert Ferrari, Virginia Rogers Howard, Gene Louise Hutchison, Dorcas Mae James, Izzie Johnston, Sarah Frances Jordan, Bess Eunice Lawton, Anne Berene McFall, Hattie Louise McGehee, Mary Hazel McGinnis, Mildred Virginia Miller, Hubert C. Morrison, James Arthur Quinlan, John Howard Templeton, Gladys Virginia Traub, Nellie Virginia Varney, Georgia Evelyn Wall, Doris Evelyn Winters, William Jay Bibbee, Alva Guy Borders, Lavinia Kaiser Church, Mary Pauline Craig and Ruth Elise Dart?

If you don't know any of them how about Thomas Henry Fallwell III, Helen Grace Gaal, Margaret Lucille Greer, Leona Marie Gutridge, Virgil Jones, Harold Kessinger, Mary Hazel McGinnis, Willa Mathews, Helen Gould Ollom.

All contributions in the form of clues or leads as to the whereabouts of any of these missing graduates will be gratefully received by Miss Wellman or Mrs. Martofi.

Week."

### Candidate for Marshall Student Government

Sheila Carpenter of Parkersburg will be a candidate for junior class senator in the Marshall College, Huntington, student government general election Wednesday.

### Weirton Student Is Initiated

Vernon C. Scandola, Weirton junior at Marshall College, was one of seven men initiated recently by Omicron Delta Kappa, National Leadership Honor Society for college men.

Scandola was elected secretary-treasurer of the pledge class and was selected to attend the ODK National Convention in Detroit last week.

## OF ALL THINGS

By SOL PADLIBSKY

When Joe Taylor Borradaile, who plays Patrick (grown up) in the Kanawha Players production of "Auntie Mame," walked into our studio for picture taking, he WAS Patrick.

The 23-year-old Charlestonian is "eating and sleeping" his portrayal. That's how he works when he gets into a cast.

### A MARSHALL THESPIAN

After graduation at South Charleston High School, Borradaile settled down on the Marshall College campus, where he got a B.S. degree. He majored in speech and advertising.

He was in Arthur Miller's witchcraft play, "The Crucible," at Marshall. Later he played reporter Hornbeck, the H. L. Mencken character, in "Inherit the Wind" and was in "The Reluctant Debutante."

During summer vacation he clerked at Frankenberger's. Next in his collegiate career was University of Missouri for a master's degree in speech.

He will get a test of his drama instruction at Marshall and Missouri — he's directing an original play by Joe Cook, a one-time DuPont High school student now at WVU.

The play, "The Philanthropist," will be staged at the Kanawha Players Workshop, 5315 MacCorkle Ave., S. E., tonight at 8:30.

(Tomorrow night at the same

JOE BORRADAILE

when he learned that the Kanawha Players were going to do "Auntie Mame." He showed up for readings at the tryouts

## HE'S JUST A GUY NAMED JOE

Why "Joe" instead of the formal "Joseph" in his name? "My mother decided to name

me Joe so I wouldn't pick up a funny nickname," Borradaile explained.

## THE LIBRARY BIG WEEK

Personable Juliette Bryson was preparing a stack of books for the shelves at the Kanawha County Library when I was on the prowl for a local angle during National Library Week, ending today.

"How's business?" I asked Miss Bryson, in charge of the circulating department. "I mean during National Library Week."

"I don't seem to sense any

appreciable increase in our activity during this National Library Week," she said. "Really the biggest reading months are February and March."

The library took note of the national observance with placards and other reminders to "read more."

A few years ago, I interviewed Miss Bryson and liked what she said then: "Kanawha County Library is one of the best of small cities."

## WHAT KANAWHAIS READ

She was employed in public libraries in Youngstown, Ohio, and Dearborn, Mich., before coming to Charleston with University of Kentucky bachelor of science and master's degrees.

What are Kanawha Countians reading among so-called best-seller books?

Miss Bryson listed among the toppers "Hawaii," "Dear and

Glorious Physician," "Advise and Consent" and "Poor No More."

In March, 16,000 adults borrowed books at our library, said Miss Bryson, one of the best-reading months.

"There's a lot of demand for 'Status Seekers,'" she said. "It seems that a lot of people are serious about their status in society and in the community."

## FLASHBACK WITH ALGER

What about the old "classics" cherished by boys five decades ago, Horatio Alger's series in particular.

"Once in a while middle-aged men will ask for Alger books, such as 'Sink or Swim' or 'Phil the Fiddler,'" said Miss Bryson.

"Maybe it's an urge to live again in their boyhood days."

In the main library room there is a glass case of books. In it are old, valuable volumes and some books hardly suitable for young readers' perusal.

I asked Miss Bryson about such hush-hush books as "Lolita" and "Lady Chatterly's Lover."

She said she didn't know at the moment where "Lolita" was in the library, but she did name the location of "Lady Chatterly."

It's kept in the glass case, under key.

("Lady Chatterly" under glass?)

Have YOU read a GOOD book recently?

## 85 Seek 15 Offices In Marshall Election

Fifty-eight candidates are vying for 15 student government positions in the general election Wednesday at Marshall College, it has been announced by Roslyn Harmon, Huntington senior and election coordinator.

Of the 58, those vying for positions from Huntington are: Bill Worthham, president of the student body; L. D. Egnor and Forrest Jones, vice - president; Bill Har-

man, president of the sophomore class.  
Jany Aylor, Jeanne Pitts, Conrad Smith, senior senator; Jerry Ashworth, Paul Beckett, Betsy Daniel, Pat Lordeon, Bob Scott, and John Walls, junior senator; Lois Brown, Tom Dunfee, and Clark Todd, sophomore senator.

Other candidates and positions hoped for are: Jim Bailes, Clay, president; Seldon Adkins, Scott Peavler, Marion, Va., and Vernon Scandola, Weirton, president of the senior class; Tom Ross, Wheeling, and Suzanne Tamplin, Madison, president of the junior class.

Paul G. Sergeant, Gassaway, and Robert Van Wagner, Corning, N. Y., president of the sophomore class; Jean Battlo, Kimball, Bob Bledsoe, Webster Springs; Jerry Johnson, St. Marys; Don Martin, Charleston; Keith Rife, Kenova; Ruth Ann Teets, Gassaway; and Sharon Woods, Mullens, senior senator.

John Andrews, Clendenin; Bob Bailey, Pineville; Marvin Bobes, Wheeling; Bill Brownfield, Barboursville; Shelia Carpenter, Parkersburg; Carolyn Meade, Hamlin; Nancy Parsons, Ripley; Nancy Shomaker, Barboursville; Jan Strickland, St. Albans; Juanita Wheatley, Danville; and Jane Ann Wilson, Chelyan, junior senator.

Mary Bernard, St. Albans; Judy Billips, Ceredo; Sally Blake, Charleston; James Cosby, White Sulphur Springs; Steve Ewing, Charleston; Lawrence Gravely, Oak Hill; Georgann Hanna, Charleston; Sandra Hebb, St. Albans; Libbie Hoff, Clendenin; Branda Keys, Kopperston;

Jim Magers, Moundsville; Nan-

cy McCall, Montgomery; Tom Morris, Lewisburg; Mary Puskas, Mount Hope; Barbara Shinn, Mt. Lakes, N. J.; and Janet Steele, Logan, sophomore senator.

Three senior senators will be elected, three junior senators, and four sophomore senators.

Students will vote in the basement of the Student Union between 8 a. m. and 5 p. m. using the newly initiated semi - proportional representation system.

## Dr. Powell Passes Exam In Psychology

X H-A 9/10/60  
Dr. Charles W. Powell of Cherokee, Ia., a Marshall College graduate and brother of Ray D. Powell, Huntington realtor, and psychiatric staff member of Mental Health Institute, a hospital at Cherokee for the mentally ill, is the first graduate of the institute's psychiatric residency training program.

DR. POWELL

Following his training, Dr. Powell, who obtained his M.D. degree from the University of Arkansas medical school at Little Rock, took and passed a final examination given by the American Board of psychiatry and neurology at San Francisco last month. Passing the examination qualified Dr. Powell as a specialist in psychiatry and neurology.

Dr. Powell was born and reared in Huntington. He is a graduate of Huntington high school.

## Frats Get 17 Actives At College

X H-A 9/10/60  
Seventeen men recently went active in a activation ceremonies held by Kappa Alpha, Lambda Chi Alpha, and Pi Kappa Alpha fraternities at Marshall College.

The pledges who went active are:

Kappa Alpha — Charlie Lobban, Alderson sophomore; Paul Adkins, Rainelle sophomore; Ray Boley, Rainelle sophomore; Joe Allen, Charleston freshman; Jim May, Holden sophomore; Dale Brumfield, Huntington junior.

Lambda Chi Alpha — Ed Auxier, Coalwood freshman; Allen Howcroft, Moundsville freshman; Fred Growe, Pineville freshman; Aubrey King, and Tom Bailey, Jaeger freshmen.

Pi Kappa Alpha — Rod Sharp, Newark, N. J. sophomore; John Hurt, Huntington sophomore; Pete Bob Reed, Roanoke, Va., sophomore; Mike Bowman, Beckley sophomore; and Dave Ballard, Ashland, Ky., sophomore.

NEWSMAN ADDRESSES NAACP — William O. Walker, editor and publisher of the Cleveland Call-Post, was the principal speaker at the annual Freedom Fund Dinner last night sponsored by the Huntington branch of the National Association for the Advancement of Colored People at the Hotel Governor Cabell.

X H-A 9/10/60  
Shown here following the dinner are, from left, Newatha Johnson, vice president of the Huntington branch; Mr. Walker, a past president of the Cleveland NAACP; Marclan Walker, president of the Huntington Youth Council, and Huntington attorney Herbert H. Henderson, who served as toastmaster.

The Junior League of Huntington last week voted in 32 provisional members, one of the largest groups to become provisionals in the history of the League, Mrs. Thomas Crickard, president, announced. The provisionals will become full-fledged members of the Junior League after completing a period of training under the direction of Mrs. Henry Proctor, provisional chairman. The new provisionals are pictured on this page. (Story on page 27.)

# Chunk of Steel to Be Hammered In Symphony Orchestra Concert

By Bayard F. Ennis  
Staff Writer

A new sound, that of the clang of a piece of steel when hit by a hammer, will be heard in concert April 24 at the Municipal Auditorium when the Charleston Symphony Orchestra makes its final appearance of the season.

The new sound, concert-wide locally, may, in effect, mark the beginning of a new era in state music annals.

For it will be heard in connection with the premiere of composition by an American composer especially commissioned for the occasion by the Creative Arts Festival of West Virginia, this year's edition of which will open the preceding

THON KIRK  
Composer

day. The work is the "Concerto for Orchestra" by Theron Kirk of Laredo, Tex.

The orchestration calls for a steel plate to be hammered by a member of the percussion section.

Its use, is not for the purpose that one might expect — to put something of a damper on the proceedings. Rather, according to Conductor Geoffrey Hobday, the hammering of the steel plate is designed to "brighten things up."

That places the responsibility upon him of locating a piece of steel with the proper resonance.

SCROUNGING AROUND at Morris Harvey College where orchestra rehearsals are held, Hobday came upon a piece of steel girder that he may turn over to the percussion section, but as of last week he hadn't had an opportunity to experiment with it with orchestra.

Full orchestra rehearsals start this week.

"The role assigned to the steel plate is not likely to cause anyone to leave the auditorium," Hobday stated. "Actually, it is used by Kirk very sparingly and discreetly. I might say wisely."

The commissioning of an orchestral work was Hobday's idea. He is president of the festival this year. When his suggestion received approval of the board, he immediately thought of Kirk, a personal friend of some years standing.

Two other short Kirk compositions already have been performed by the orchestra—"Adagio" and "Vignette."

The concert also will feature

the appearances as soloists of the winners of the 1959 statewide talent contest conducted by the orchestra.

Frances Madachy, a Marshall College student, will play the first movement of Beethoven Piano Concerto No. 3, while Isabelle Hart Wilson of Charleston, winner in the open division, will be heard in the Schumann Piano Concerto.

It's easy to see what a professional school does because its name reveals the field it is concerned with.

**A GRADUATE SCHOOL** produces a great variety of graduates—of teachers and research men. Without our Southern graduate schools, we would lack chemists to create such products as nylon or plastics. We would lack physicists to break open the atom at Oak Ridge or Aiken; we'd lack economists to project the future income and industrial growth of the region; we'd lack entomologists to save the herds of the South from the cattle tick; we'd lack geologists to help locate oil and uranium; we'd lack political scientists to study government.

Graduate schools are essential to the South's future. Their significance is so great that we can no longer afford to support them as poorly as we have. With very few exceptions, none of the graduate schools in the South can compare with their best counterparts in other parts of the nation.

If we are to produce the best

## Advance Registration Set By Marshall College

Advance registration for the first term of the 1960 summer session at Marshall College will be held from 8:30 a.m. until 11:30 a.m. on four consecutive Saturdays, beginning April 23.

An announcement from Teachers College Dean D. Banks

burn states persons who need counseling concerning certification or graduation requirements should make appointments to confer with him, with the Dean of the Graduate School, or with an appropriate adviser on or before those dates.

ONE of the offerings for the summer session is an Institute in School Administration and Supervision as basic preparation for prospective administrators.

Under the joint direction of Eric C. Core, associate professor of education, and Dr. Roy C. Woods, professor of education, the 11-week course will provide 12 semester hours of graduate credit for a master of arts degree and one of the professional administrative certificates.

SATISFACTORY participation in the Institute will provide students with the necessary preparation in school administration, supervision, and guidance to be assigned to a position as assistant principal in a member school of the North Central Association of Colleges and Secondary Schools.

## Marshall Class Of 1925 Plans Reunion May 28

The Marshall College class of 1925 is planning a reunion on the night of May 28 in conjunction with the annual commencement week at the Huntington school.

The American Legion home there will be the scene of the reunion dinner. It will follow the alumni banquet and other graduation activities.

Classes at the day the class will leave the campus and meet at a coffee at 5 p.m.

Those known by whereabouts of members of the class are requested to inform them of the reunion.

# Marshall Students Vote Today

Marshall College students will mark their ballots in the annual campus election today to fill 15 student government offices, according to Roslyn Harmon, a Huntington senior and election coordinator. Voting under a new semi-proportional representation system will take place from 8 a. m. to 5 p. m. at the Student Union.

Huntington students who are candidates are Bill Wortham for president of the student body; L. D. Egnor and Forrest Jones, vice president of the student body; Bill Haman, president of the sophomore class;

Jane Aylog, Jeanne Pitts, Conrad Smith, senior senator; Jerry Ashworth, Paul Beckett, Betsy Daniel, Pat Lordeon, Bob Scott, and John Walls, junior senator; Lois Brown, Tom Dunfee, and Clark Todd, sophomore senator.

Other candidates are Jim Bailes of Clay, president of the student body; Seldon Adkins, Scott Peavlor, Marion, Virginia, and Vernon Scandola of Weirton, president of the senior class; Tom Ross of Wheeling, and Suzanne Tamplin of Madison, president of the junior class.

Paul G. Sergeant, Gassaway, and Robert Van Wagner, Corning, N. Y., president of the sophomore class; Jean Battlo, Kimball, Bob Bledsoe, Webster Springs, Jerry Johnson, St. Marys, Don Martin, Charleston, Keith Rife, Kenova, Ruth Ann Teels Gassaway, and Sharon Woods Mullens, senior senator.

John Andrews, Clendenin, Bob Bailey, Pineville, Marvin Bobes, Wheeling, Bill Brownfield, Barboursville, Shelia Carpenter, Parkersburg, Carolyn Meade, Hamlin, age out Nancy Parsons, Ripley, Nancy Shomaker, Barboursville, Jan Strickland, St. Albans, Juanita Wheatley, Danville, and Jane Ann Wilson, Chelyan, junior senator.

Mary Bennard, St. Albans, Judy Billups, Ceredo, Sally Blake, Charleston, James Cosby, White Sulphur Spring, Steve Ewing, Charleston, Lawrence Gravely, Oak Hill, Georganna Hanna, Charleston, Sandra Hebb, St. Albans, Libbie Hoff, Clendenin, Brenda Keys, Kopperston.

Jim Magers, Moundsville, Nancy McCall, Montgomery, Tom Morris, Lewisburg, Mary Puskas, Mount Hope, Barbara Shinn, Mt. Lakes, N. J., and Janet Steele, Logan, sophomore senator.

Three senior senators, three junior senators and four sophomore senators will be elected.

X A 4/13/60

GREEK WEEK QUEEN — Miss Darlene Harbour of Huntington, a senior at Marshall College and member of Alpha Chi Omega sorority, received a beautiful trophy having won the title "Greek Week Queen," at the dance given at the Hotel Prichard last week end. Others competing were Linda Brown, Sigma Sigma Sigma, Marilyn Harper, Xi Delta; Jennie Wise, Alpha Sigma Alpha; Bonnie Nelson, Delta Zeta and Dale King, Sigma Kappa.

### Huntington Student Elected

## Wortham Wins Top Campus Office

X H-D  
4/14/60

William Wortham of Huntington, president of the Marshall College junior class, was elected president of the college student body in the annual campus election yesterday.

Mr. Wortham, a Marine Corps veteran and a Vinson High School graduate, received 649 votes. His opponent, Jim Bailes of Clay polled 477.

The newly elected student body president is a member of Pi Kappa Alpha social fraternity, Robe, and Omicron Delta Kappa. He is majoring in political science.

L. D. Egnor defeated a fellow Huntingtonian, Forrest Jones, by a 615-509 vote for student body vice president.

Other newly elected officers, according to class, are:

**WILLIAM WORTHAM**  
*Elected President*

Senior class — Vernon Scandola of Weirton, president; Jean Battlo of Kimble, Bob Bledsoe of Webster Springs and Jeanne Pitts of Huntington, senators; Ruth Ann Teets of Gassaway, alternate senator.

Junior class — Tom Ross of Wheeling, president; Marvin Bobes of Wheeling, Carolyn Meade of Hamlin and Nancy Parsons of Ripley, student senators; Betsy Daniel of Huntington, alternate senator.

Sophomore class — Bill Harman of Huntington; president; Steve Ewing of Charleston, Janet Steele of Logan, Brenda Keys of Kopperston and Lois Brown of Huntington, student senators; Barbara Shinn of Mountain Lakes, N. J., alternate senator.

# \$14,230 In Mine Fund; Marshall Donates \$415

Contributors have now sent more than \$14,000 to the fund for survivors of the 18 men who died in a March 8 mine disaster in Logan County.

This was reported yesterday by Circuit Judge C. C. Chambers, of Logan, who is receiving contributions.

The total on deposit in Logan in the fund launched by The Herald-Dispatch, was \$13,815.

In addition, Marshall College had mailed \$415.45 raised in an appeal sponsored by The

Parthenon, student newspaper.

The unofficial grand total to date would thus stand at \$14,230.45.

Prospects were bright that the figure would mount beyond the most optimistic expectations. This was because corporate and individual gifts in large amounts are expected after the Logan County Educational Fund is given clearance by the Internal Revenue Service as one to which contributions may be made and federal income tax credits taken.

Judge Chambers has asked Senator Jennings Randolph, that all possible speed be urged in getting such clearance.

## Director Visits Delta Zetas

A recent guest of Epsilon Iota Chapter of Delta Zeta, national sorority of Fairmont State College, was Mrs. Jean Ryan, province director, of Blacksburg, Va.

Mrs. Ryan's husband is a teacher of physics at V.P.I., and they are the parents of twins, Tawny and Sharon.

Mrs. Ryan has worked as college chapter director at the University of Kentucky, has been rush advisor at U.C.L.A., and is now serving as province director for Delta Zeta chapters at University of South Carolina, Longwood College in Va., George Washington University, and Concord, Marshall, and Fairmont colleges. Delta Zeta recently installed its 192nd chapter at East Carolina College in Greenville, N.C., which is in this province.

After leaving here, Mrs. Ryan will visit Marshall College. She will attend the Delta Zeta National Convention at the Huntington-Sheraton Hotel in Pasadena, Calif., June 19-24. Elaine Negie of the local chapter will also attend.

## 28 Bands Enter County Festival

Several hundred young county musicians will gather here April 28 and 29 for the 23rd annual Kanawha County Band Festival.

The first event of the festival will be a public concert by the all-county junior and senior high school bands at 8 p. m., April 28, in the Municipal Auditorium.

The next day will be devoted to judging of school bands.

Junior high school bands will be evaluated by Wilbur Pursley of the Marshall College music de-

partment. Dr. Earl Houts of the West Virginia Tech music department will judge the senior high school bands.

PARTICIPATING in this year's festival will be 12 senior and 16 junior high school bands.

The festival will end with a parade through midtown Charleston at 2:30 p. m. April 29.

Robert G. Williams of Charleston High School is serving as director of the festival.

## Rev. C. W. P. Hansen Is Named President of Philosophical Society

The Rev. Clifford W. P. Hansen, pastor of the Salem Seventh Day Baptist Church and Instructor in Philosophy and Religion at Salem College, was elected President of the W. Va. Philosophical Society at a two-day meeting of the society at Marshall College, Huntington, West Va., April 8 and 9.

The society is composed of teachers and students of philosophy in the various colleges within the state of West Va., and other interested persons. It meets twice each year for the reading of papers by members and for discussion of problems raised. The next meeting of the society will be held in October. Since this meeting will be held only a few weeks prior to the national elections, it was decided by the group that the major emphasis for the meeting would be various phases and aspects of political life.

Rev. Hansen served the society as vice president during the past year, with Dr. R. Lloyd Beck of Marshall College as president. Vice president for the ensuing term is Father Edward Gannon of Wheeling College. Officers are elected for a period of one year.

**MARSHALL COLLEGE  
TO BEGIN VISITATIONS  
IN W. VA. HIGH SCHOOLS**

Marshall College will begin another of its visitations to West Virginia High Schools April 18-22, according to Luther E. Bledsoe, Marshall registrar and director of admissions.

These visitations will be made by Robert Melott assistant registrar at Marshall, who will be at Calhoun High School April 19.

**Easter Recess  
To Begin Today**

The Easter vacation will begin at noon today for Marshall College and Marshall Laboratory School students and continue through Monday. Classes will be resumed Tuesday at 8 a. m.

Parochial schools in Huntington closed yesterday for the holiday. Cabell County public schools will be closed only tomorrow, Good Friday. Those in Wayne County and Chesapeake will be closed tomorrow and Monday.

# About Town

By Hardin Colfax

The Hobby Show at the Appalachian building last Thursday was everything it was advertised to be and Joe Massey, Leo Hager, and Herman Arhenz, among others, are to be complimented . . .

What Frank Ball of Barboursville would like to know is how the Library group found out about a book of his an agent is trying to sell in New York. That was a deep, dark secret except from his close relatives. Which one cheated? . . .

Colfax knows he's late, but he was glad to hear that Joyce Rutledge is the new president of Sigma Kappa sorority. She sure has all the qualifications. *X A 4/14/60*

**Miners Fund Donations  
Continue to Increase,  
Total Hits \$14,256.33**

Contributions to the fund set up in memory of the 18 men who died in the recent mine disaster at the Holden 22 mine of Island Creek Coal Co. have reached \$14,256.33 — and they may go higher.

Judge C. C. Chambers, who is receiving the donations as custodian of the fund, said more are expected if the Internal Revenue Service designates the fund as one to which contributions can be made and income tax credits taken.

Judge Chambers said the latest donations were received today. Marshall College students contributed \$415.45 and an anonymous donor contributed \$50.

**Marshall Students Elect  
Wortham as President**

The new president of the student body at Marshall College is William Wortham of Huntington, a Marine Corps veteran and a Vinson high school graduate. He was chosen in a campus election yesterday.

Wortham, now president of the junior class at the college, is a member of Pi Kappa Alpha social fraternity, Robe and Omicron Delta Kappa. He is majoring in political science. Wortham received 649 votes. His opponent, Jim Bailes of Clay, received 447.

L. D. Egnor of Huntington was elected vice-president of the student body. He polled 615 votes to defeat Forest Jones, who got 509 votes.

Other newly-elected officers, according to class, are:

Senior class — Vernon Scandola of Weirton, president; Jean Battle of Kimble, Bob Bledsoe of Webster Springs and Jeanne Pitts of Huntington, senators; Ruth Ann Teets of Gassaway, alternate senator.

Junior class — Tom Ross of Wheeling, president; Marvin Bobes of Wheeling, Carolyn Meade of Hamlin and Nancy Parsons of Ripley, student senators; Betsy Daniel of Huntington, alternate senator.

Sophomore class — Bill Harman of Huntington, president; Steve Ewing of Charleston, Janet Steele of Logan, Brenda Keys of Kopperston and Lois Brown of Huntington, student senators; Barbara Shinn of Mountain Lakes, N. J., alternate senator.

**Moffat Booked  
For 5 Lectures**

Dr. Charles H. Moffat, professor of history at Marshall College, has scheduled lectures on historical subjects before five audiences.

Tonight he will speak at a dinner meeting in Charleston attended by managers of the American Viscose Corp.

On Monday he will be at Fort Gordon near Augusta, Ga., to speak to the faculty and advanced officers of the Army Provost Marshal's College.

Next Thursday he will speak to the faculty and student body at West Virginia State College at Institute, and on April 26 he will lecture at the Commanding Generals Conference in Washington.

On August 20 he will speak to the faculty and cadets at the U. S. Military Academy at West Point, N. Y.

**PRESENT FOR A GUEST** — Miss Sandra Strohmeier, right, president of Delta Zeta, Marshall College sorority, presents a gift from Delta Upsilon chapter to Mrs. Glenna Ryan, left, *X A* of Blackshurg, Va., province director, who is a guest this week of the sorority.

## 200 Shoppers To Be H-D's

### Guests If They Know 'Who'

"Who Was That Lady?"

X A 4/15/60

The Herald-Dispatch hopes you will know the answer if you are asked the question today or tomorrow by an attractive Marshall College co-ed.

The "Inquiring Reporter" will be conducting her own kind of poll from 11 a. m. until 4 p. m., in the downtown shopping district today and tomorrow.

The first 100 shoppers today, and a like number tomorrow, who give the correct answer should they be stopped will be the "free guests" of The Herald-Dispatch at a most entertaining, top box office moving picture.

Huntington's downtown shopping area has been thronged with shoppers since the advent of "pretty weather."

The Herald-Dispatch hopes to make the shopping tour today and tomorrow of at least 200 persons just a little more interesting and a little more fun.

Remember—

"Who Was That Lady?"

## New Marshall Phone System Ready May 1

X A 4/15/60

Marshall College will complete by May 1 a modernization program for its telephone communications system.

The program is to be further modernized during the calendar year 1961.

Fred Smith, college controller, said yesterday that the Chesapeake & Potomac Telephone Co. will install a new automatic private branch exchange installation.

Not only will it be possible for persons to obtain a dial tone by dialing a number, but it will be possible to dial and obtain other extensions within the system.

Mr. Smith said that in the budget to be submitted for the fiscal year 1961-62 a night telephone operator's salary will be requested.

This will make it possible to centralize all telephones through the private branch exchange.

This will be particularly important for families of resident students desiring to reach them at night. In such cases, the call will be made direct to the college number rather than to a specific dormitory number which must now be kept independent of the private branch exchange system.

Such a system is now in use at West Virginia University.

Mr. Smith remarked that it was his plan for such a system which was used when the university established its service.

The point is that WVU had budget for the program at a time when Marshall did not.

CLUB AIDS NURSING PROGRAM — Mrs. Margaret T. Shay, chairman of the new Department of Nursing Education at Marshall College, was speaker at a luncheon meeting of the East Huntington Civic Club yesterday at the Hotel Frederick. She discussed the program being developed at the college in cooperation with Cabell-Huntington Hospital. The club, which makes an annual contribution to the Marshall Foundation, directed that its donation this year go to the nursing program. From left are Daniel M. Brown, administrator of Cabell-Huntington Hospital; Mrs. Shay, Roy D. Webb, president of the East Huntington Civic Club, and Dr. Stewart H. Smith, president of Marshall College.

## County Education Association To Hold Dinner Meeting

The Annual Spring Dinner Meeting of the professional organization of county teachers and administrators is to be held at Hurricane Elementary School on Friday, April 22, at 6:00 P. M. Dinners will be served in the school cafeteria under the supervision of Principal William H. Allen.

Guest speaker of the evening will be Mr. Eric Core, associate professor of education at Marshall College. Mr. Sovine, superintendent of Putnam County schools, will also speak.

Entertainment will be furnished by the Hurricane High School Chorus, under the direction of Mrs. Virginia Chapman. Other features of the program will be the awarding of certificates to those schools with 100 per cent WVEA enrollment, the election of officers for both the Education Association and the Classroom Teachers' Association, and the selection of delegates to the state delegate assembly and the national convention.

Two retired teachers will receive recognition at the dinner, Mr. Wade L. Casto and Mr. William Pennington both retired in January of this year.

The Putnam County Education Association has 167 members this year.

**CONSULTANTS** who supplied occupational information during the ninth annual Career Day Conference at Aracoma High School last Thursday are shown above, along with faculty members of AHS. The consultants represented four state colleges—Marshall, West Virginia Institute of Tech-

nology, Bluefield State and West Virginia State. Preparation for Service—Youth's First Responsibility, was the theme of this year's conference. The program was open to AHS students of grades nine through 12 and visiting seniors from Liberty High School of Williamson.

## Marshall To Publish Magazine For Parents

The "Marshall Parent," a magazine soon to be received by parents of all Marshall College students, is being published by Marshall's Office of Development and Alumni Affairs for the first time this year.

A section of the "Marshall Parent" is devoted to Parents Weekend, an event which will be held on the Marshall campus May 6-8, according to L. D. Egnor, chairman of the Parents Weekend Commission.

Plans have been made to place billboards in various areas of the state, to publicize the event, Mr. Egnor said.

Activities during the special weekend will include an ROTC Pershing Rifle drill, guided tours, departmental displays, open house in dormitories, fraternity and sorority houses, and the traditional Mother's Day Sing on May 8.

Families of Marshall students will receive further information about Parents Weekend later, Mr. Egnor reported.

## CITY ORCHESTRA

# Talent Winners Concert Slated

The final concert of the season of the Charleston Symphony Orchestra at 3 p. m. next Sunday in Municipal Auditorium will feature the appearances of the winners of the orchestra's 1959 statewide talent contest as soloists.

They are Frances Madachy of Huntington, winner in the amateur division, and Isabelle Hart Wilson of Charleston, winner in the open division. Both are pianists.

Miss Madachy will play the first movement of the Beethoven Concerto No. 3 for piano and orchestra and Mrs. Wilson the first movement of the Schumann piano concerto.

The concert also will feature the premiere of "Concerto for Orchestra" by Theron Kirk of Laredo, Tex., a composition commissioned by the West Virginia Creative Arts Festival for per-

formance at the concert. The festival opens here Saturday.

MISS MADACHY was born in Huntington where she has lived most of her life. She began her piano studies with Sister Mary Gervase at St. Joseph's School in Portage at the age of eight. Subsequently she studied with Sister Mary Charlotte at St. Joseph's School in Huntington.

She received a diploma in music when she graduated from St. Joseph's High School in Huntington. After graduation she studied with George Lewis Strickling for a year. She then entered Marshall College where she is now a junior, and is a music major. Her piano teacher is Miss Joanne Drescher.

# 63 To Attend Marshall's Summer Institute

Sixty-three secondary school teachers of science and mathematics have accepted stipends to attend the Marshall College 1960 Summer Institute for High School Teachers of Science and Mathematics, according to Dr. Donald C. Martin, chairman of the Marshall physics department and director of the institute.

The summer institute, made possible by a grant from the National Science Foundation, will be held at Marshall June 8 through July 19 (first term), and July 21 through August 24 (second term.)

The program is designed to keep secondary teachers abreast of subject matter in the science and mathematics fields, said Dr. Martin. Courses offered will carry graduate credit and may be applied toward a Master of Arts degree in physical science education.

The stipend participants of the summer institute and the represented high schools are:

Otilia Hernandez, Santurce, Puerto Rico; Mary Ethel Jones, Union, S. C.; Gordon T. Jordan, St. Albans; Judy V. McCauley, Vinton, O.; Joe Minor, Clarks-ville, Tenn.; Mae Mourie,

Mount Airy, N. C.; Newton R. Anderson, St. Marys; Cordella Banks, Delbarton;

Lance Bowman, Anawall; James Branscome, Bradshaw; Ted Buchanan, Man; Phyllis Carr, Hinton; Mary Lee Courtney, Barboursville; Claude B. ## Is One Of Youngest To Appear

X H - A 9/17/60

# Marshall Alumnus Will Argue Case In U. S. Supreme Court

By HOMER ALLEY

A Huntington man will become one of the youngest lawyers ever to appear before the Supreme Court of the United States this fall when he argues what is expected to become a landmark civil liberties case.

He is Donald Page Moore, son of Mr. and Mrs. Victor D. Moore 2000 North Englewood Road. He is a former Marshall College student and a graduate of the University of Illinois.

Apparently destined for judicial guidance for attorneys, judges and juries in the future will be the case, James Monroe et al, vs. Frank Pape et al.

Moore, who turned 30 last August, will represent the plaintiffs, Monroe and his family.

The briefs in the Monroe-Pape case are more exciting and dramatic than any fictional courtroom proceeding. The case, briefly, amounts to this:

According to the plaintiff, James Monroe, a 36-year-old Negro, his wife and six young children, ranging in age from 17 months to 5 years, were roused from their beds in the middle of the night by 13 Chicago policemen who broke into their home. They were forced to lineup against the wall and answer questions. The detectives ransacked the house.

### Claims He Was Hit

The officers are alleged to have struck Monroe while questioning him about a murder. He was handcuffed and taken to the Central police station where he was interrogated and held incommunicado.

The plaintiff contends no warrants of any kind were secured by the detectives. No charges were brought against Monroe.

In the meantime, an insurance man confessed the murder of which Monroe was suspected.

The insurance man had conspired with his mistress, the wife of the victim, in an effort to enjoy the permanent absence of the husband and the lucrative benefits of a double indemnity insurance policy.

Mr. Monroe sued for damages.

The case made an unsuccessful circuit of Illinois state courts where it was ruled that no constitutional rights had been violated.

Moore finally petitioned the Supreme Court.

Annually, the court is requested to review 1,500 such cases, but

ness for space travel, but when we learned last week that the first argonauts may have to subsist on algae, our feeble enthusiasm for free flight took another blow.

The U. S. Army Medical Research and Nutrition Laboratory in Denver has just completed a study of algae as a food supplement for space travelers. It reported last week that four young men who volunteered to eat the stuff had suffered "no permanent ill effects," but they didn't ask to repeat the tests.

They said the algae has a strong, bitter, spinach-like fla-

Only two of the volunteers could tolerate as much as 500 grams of algae for two days.

We could have told these courageous volunteers about algae. Every time the tap water hereabouts gets to tasting like the sweatband of an old felt hat, the explanation is that the river is full of algae.

At such times our algae intake may exceed the tolerant dosage of those Denver volunteers. But we don't like it and if spacemen have to depend on it for food they can have our seat in the capsule right now.

—(HRP)—

review.

The civil rights of the Monroe family were violated, Moore contends.

#### To Establish Precedent

The case is significant for several reasons. It will establish whether or not a city can be sued directly and made to pay for damages inflicted by its employes and officers.

In the 171 years the Supreme Court has existed, there has never been a case reviewed in which damages against police officers were sought.

About 25 similar cases are pending in lower courts. Their settlement hinges on any precedent which may be established in the Monroe-Pape case.

The case is also significant since it will be the first Supreme Court review of a suit under recent civil liberties legislation.

Why is Moore trying this case? Because someone has to defend the rights of the poor and ignorant, he believes. Specifically, Moore is the defender of the Monroe family. Generally, every citizen may benefit in the future from Moore's argument before the Supreme Court this fall.

Moore attended Marshall College from January, 1948, until August, 1949.

**PLAN NURSING FUTURAMA** — Members of the Cabell County Medical Auxiliary are planning a nursing futurama April 23 to show prospective student nurses the scope of the new nursing program at Marshall College. Completing plans are, left to right, Mrs. R. R. Brandon, Miss Elizabeth

Delahaye, director of nursing at Cabell Huntington Hospital, Mrs. George Woelfel, Mrs. Robert Barnett, Mrs. William J. Kopp, Miss Margaret Shay, chairman of the nursing education department at Marshall College; Mrs. John R. Parsons and Mrs. Thomas J. Holbrook.

LAVELLE T. JONES  
**Mrs. Jones To Present Recital**

Mrs. Lavelle Jones will play the works of Debussy and Chopin in a faculty recital Wednesday at 8:15 p. m. in the Marshall College auditorium.

The program will open with "La Soiree dans Grenade" followed by "La Danse de Puck" and "General Lavine-Eccentric."

Works of Chopin include "Etude Op. 25", "Waltz in E Minor," "Berceuse" and "Ballade."

Works of Poulenc, Takacs and Barber will also be played.

The recital is open to the public.

be held in May will be discussed. Mrs. K. C. Johnson will be hostess.

Lynda is the daughter of Mr. and Mrs. James Lee Taylor, 2801 Fourth avenue.

will reign over the Junior-Senior Prom, to be held at the Georgian Terrace at the Hotel Frederick, May 6. The theme for the prom is "Younger Than Springtime." Howard Jennings Orchestra will play.

## Mrs. Jones To Present Recital

Mrs. Lavelle Jones will play the works of Debussy and Chopin in a faculty recital Wednesday at 8:15 p. m. in the Marshall College auditorium.

The program will open with "La Soiree dans Grenade" followed by "La Danse de Puck" and "General Lavine-Eccentric."

Works of Chopin include "Etude Op. 25", "Waltz in E Minor," "Berceuse" and "Ballade."

Works of Poulenc, Takacs and Barber will also be played.

The recital is open to the public.

## Mothers To Elect Officers

The Mother's club of Sigma Kappa sorority will meet at 8 o'clock tonight at the chapter house, 1535 Fifth avenue, with Mrs. Herschel Heath presiding.

Mrs. L. R. Sammons, chairman of the nominating committee, will present the slate for the election of officers.

Plans for the annual dinner to be held in May will be discussed. Mrs. K. C. Johnson will be hostess.

## Summer Term Registration Set Saturday

Advance registration for the first term of the 1960 summer session at Marshall College will be held Saturday between the hours of 8:30 and 11:30 a. m. on the second floor of Old Main. Advance registration at the same place and hours will continue on the following Saturdays: April 30, May 7 and 14.

Regular registration will be held from 8 a. m. until 3:30 p. m. on Wednesday, July 8, in the college library. Registrar Luther E. Bledsoe said.

Classes will begin June 9 and continue five days a week to Tuesday, July 19. The second term will begin Thursday, July 21, and continue six days a week to Wednesday, August 24.

The last day for registration for the first term will be Tuesday, June 14. Summer schedules may be picked up in the registrar's office at Marshall.

An advance counseling period for summer school students began last Friday and will continue through Saturday, May 14. Anyone interested in attending summer classes at the college is urged to make an appointment with their adviser or academic dean during this period, Bledsoe said.

## About Town

By Hardin Colfax

Understand Arnold Davidson, a Marshall College graduate, has joined the technical staff at the government's new Green Bank Observatory. He is the son of Mrs. Max Davidson, of South Point, O., and was a Navy lieutenant for four years. He also has worked for the C.&O.

## Marshall Band to Play Thursday

The Marshall College Concert Band, under the direction of Thomas S. O'Connell will play a concert in the auditorium of Old Main at 8:15 p. m. Thursday.

One of the featured compositions will be the Overture, 1812, by Tsaischowsky. This dramatic work was written to commemorate the victory of the Russian Army over that of Napoleon in 1812. Another interesting piece of music to be performed is the "Suite Francaise" by the contemporary composer, Milhaud. Folk songs of France are used to depict the composer's impression of the different regions of France and their people.

A trumpet trio, "Dover Coach" will be played by Larry Surber, John Mays, and Allen Howcroft. Mr. Surber, a senior, is from Williamson; Mr. Mays, a sophomore, from Logan; and Mr. Howcroft, a freshman, is from Moundsville.

An American composition by William Schumann, "Chester", is based on a popular Revolutionary air by an early American composer, Williams Billings. This tune was known and sung by patriots during the time of the war with the British.

## Dr. Darbes Will Address Council Meet

The Cabell County Council for Retarded Children will meet Thursday at 8 p. m. in the Junior League community center. Dr. Alex Darbes of the Marshall College psychology department will speak on "Parent and Family Relations to the Retarded Child." William Meacham, president, will preside. A hospitality hour will follow. The meeting is open to the public.

4-15-60  
**Counseling Under Way At Marshall**

An advanced counseling period before summer school registration begins at Marshall College began last Friday and will continue through Saturday, May 14, it has been announced by Luther W. Bledsoe, Marshall registrar.

Anyone interested in attending summer classes at Marshall is urged to make an appointment with their adviser or academic dean during this period, Mr. Bledsoe said.

Advanced registration, to be held on the second floor of Old Main between the hours of 8:30 a. m. and 11:30 a. m., will be conducted on the following Saturdays: April 23 and 30, May 7 and 14.

Regular registration will be held from 8 a. m. until 3:30 p. m. on Wednesday, June 8, in the college library, Mr. Bledsoe said. Classes will begin on June 8 and continue five days a week to Tuesday, July 19. The second term will begin Thursday, July 21, and continue six days a week to Wednesday, August 24.

The last day for registration will be Tuesday, June 14, Mr. Bledsoe said. Summer schedules can be picked up in the registrar's office at Marshall.

**Grant Given Marshall For Small Business Study In 3 Counties**

By FRANK E. TAYLOR, Associated Press Special Service

WASHINGTON (AP)—A small business study is expected to start soon in a West Virginia depressed area. It may provide a pattern or new jobs in many similar areas in West Virginia and other states.

Rep. John M. Slack Jr. (D-WVa) said he was advised today that a government grant of about \$39,000 will go to Marshall College to conduct the study in Raleigh, Boone and Logan counties.

The Marshall College group as organized at Slack's suggestion to make the study with Small Business Administration funds. Slack said Marshall College was selected because it is the largest six-supported college in southern West Virginia. It maintains extension activities in the three counties.

Slack said the study will be designed to seek out potential business activities and new jobs for his mountainous coal area.

Since the rough terrain of the area is not suited for large industries, the study probably will be aimed at developing a pattern or more individual pursuits, Slack said. These could include, he said, such activities as maintenance services for sport fishing and other recreation, and making furniture and other objects of an individual type.

The study will be directed by Prof. Paul D. Stewart, Department of Political Science, Marshall College.

The study, which may require two or three years, will deal with the question: "How small business can revitalize three depressed coal counties in West Virginia."

Slack said he understands personnel of Morris Harvey, West Virginia State, Beckley College and others in the 6th congressional district will be asked to cooperate in the study.

**Engineers Group To Hear Professor**

Samuel T. Stinson, associate professor at Marshall College, will speak to members of the Charleston chapter, West Virginia Society of Professional Engineers, at their dinner meeting tomorrow at Humphreys' Dairy Bar. The program begins at 6:30 p. m.

"Current Trends in Engineering Education" will be the theme of his talk. Marshall College now is seeking accreditation by the Engineers Council for professional development. The speaker will discuss progress being made.

**TECH GETS CIVIL ENGINEERING DEPT.**

**College Staffs Receive 10 Per Cent Pay Hikes**

By THE ASSOCIATED PRESS  
 The State Board of Education today took a look at plans for a proposed women's dormitory and cafeteria at Shepherd College and heard a report from the Council of Colleges and University Presidents in its final session of a two-day meeting.

Also on the agenda was an appearance by President Joseph F. Marsh of Concord College.

It was a comparatively light session after yesterday when the board handed out pay raises to administrative staffs and faculty.

The pay raises averaged about 10 per cent and were awarded on a merit basis upon the recommendation of the college presidents. The increases will go into effect July 1, at the start of the next fiscal year.

**SMITH GETS \$16,500**

The new pay scale will give Marshall College President Stewart H. Smith an annual salary of \$16,500. President W. J. L. Wallace of West Virginia State will be getting \$12,500. All of the others will receive \$12,000 with the exception of Bluefield State's L. B. Allen who will be drawing \$11,500.

The board also approved the 1960-61 fiscal year budgets for the divisions it operates.

Personal services, \$7,597,616, or

up 10 per cent over the current fiscal year figure; current expenses, \$1,656,829, up 20 per cent; alterations and repair, \$438,960, up 20 per cent; equipment, \$294,005, no increase; Division of Vocational Rehabilitation, \$597,549, an increase of 10 per cent.

West Virginia Tech was authorized to add a department of civil engineering next fall. It already has departments of mechanical, chemical and electrical engineering. There was agreement that civil engineering was basic to the others, and should not be done without any longer.

**STATE GETS NEW MAN**

The appointment of Dr. Edwin D. Hoffman as assistant dean of instruction at West Virginia State was approved. There has been no such position up until this time. It was created because of increases in enrollment at State.

Hoffman will be coming to State from Pembroke State College, Pembroke, N. C.

Another appointment at a college was approved: Raymond D. Hess is becoming head of the department of mechanical engineering at Tech. He has a masters in engineering from Yale and experience in private industry.

The work on a new dormitory at Fairmont State College was accepted for the full amount of the contract, \$650,000, subject to

a few small changes. The board has been negotiating with the contractor, Vipperman Construction Co., for the past year, since the completion of the building.

Nothing is to be done immediately about a charge of \$4,200 from the city of Bluefield against Bluefield State College for its share of the cost of paving a street along the campus. The board's position was that the money was not available, and would have to come from a special appropriation.

**LEGION SCHOLARSHIPS**

Awards of scholarships to winners of the American Legion oratorical contests were announced. Each of the 10 district winners gets one, which is worth \$600 at the state college chosen over four years through the waiving of the tuition and registration fees. The winners:

- First District, Nancy Heckman, Follansbee; 2nd, Wanda Miller, Mannington; 3rd James P. Dumire, Clarksburg; 4th, Kathleen Norris, Ravenswood; 5th, Emily Billups, Kenova.
- Sixth, Bonnie Barbakow, Princeton; 7th, Linda Crews, Pickaway; 8th, Steve Board, Dunbar; 9th, Patsy Dugan, Elk Lanes; and 10th William Moore, Hedgesville.

# Two Attend Education Meeting

The 10th anniversary of the founding of Education Foundation, Inc. was observed today at the Ruffner Hotel in Charleston.

Prominent business, industrial and professional leaders of the state were guests of the officers and directors of the foundation at the meeting which began at 11 a. m. and was followed by a buffet luncheon. Raymond A. Salvati of Huntington, president of the Island Creek Coal Co., is a director of the organization.

Among those from Huntington attending were Dr. Stewart H. Smith, president of Marshall College, and George H. Clark, managing editor of The Advertiser.

The foundation is a non-profit, non-share West Virginia corporation. Its objectives and purposes include the promotion, assistance and encouragement of research and scholarship in literature, philosophy and the history of West Virginia; giving of financial aid to students, teachers and others.

# Two Huntington Men to Play With Symphony

Two Huntington musicians will play with the Roanoke Symphony Orchestra in its spring concert next Monday at Roanoke. They are Alfred P. Lanegger, associate professor of music at Marshall College, a violinist, and Kenny Hayes, bass violinist.

Youth concerts for Roanoke city and county school children will be held at 10 a. m. and 1:30 p. m. and the main evening performance at 8:30 p. m. All will be at the American Theatre.

The first Confederate flag, captured by the Union Army, was taken at Philippi, West Virginia.

# W. Va. College Presidents Get Increase

The West Virginia State Board of Education yesterday voted a \$1,500 a year salary increase for each of the presidents of the nine state-supported colleges, including West Liberty State College.

Under the board's action, the salary of West Liberty President Dr. Paul N. Elbin will jump to \$12,000 annually at the beginning of the 1960-61 fiscal year on July 1.

The presidents of Concord, Fairmont, Glenville and Shepherd Colleges also receive \$12,000 annually. Marshall College President Stewart H. Smith will receive \$16,500 beginning July 1.

West Virginia State College President W. J. L. Wallace will receive \$12,500 when the new fiscal year goes into effect.

In other action yesterday, the board gave final approval to an increase of about 10 per cent annually in salaries of college professors.

Salaries at all the college and eight other institutions and facilities under the board's control will total \$7,597,616 during the next fiscal year.

# ELECTED TO OFFICE AT MARSHALL

Ruth Ann Teets, Marshall College junior of Gassaway, was elected senior alternate senator to Student Government Senate in the recent annual General Election (for next year's Senate). She was one of four who won the coveted Senate seats, from ten candidates.

She is an English and Social Studies major in Teacher's College, attending Marshall on a four-year W. Va. Board of Education scholarship. She plans to do student teaching in the fall.

On campus she is active in Freshman Rules Enforcer, on State Awareness Commission, a member of Campus Christian Fellowship, secretary of pledge class of Alpha Beta Alpha, (English and Library Science National organization) and a member of Delta Zeta, social sorority serving as assistant Rush chairman, outer guard, on scholarships committee.

She has maintained a 2.94 scholastic average.

She also was a candidate for homecoming junior class queen and Miss Blue Mountain Blast of Sigma Phi Epsilon, social fraternity.

A graduate of Gassaway High School, she was student body president, salutatorian of her class and received the American Legion award.

Ruth Ann is the niece of Mrs. Delphia Kless of Gassaway.

## Science Dean Is McCaskey

The appointment of Dr. A. E. McCaskey as dean of a new Marshall College school of applied science was approved yesterday by the State Board of Education at a meeting in Charleston. Dr. McCaskey, head of the engineering department at Marshall, will assume his new duties effective with the opening of the 1960-61 school term.

The new school will embrace engineering, the Reserve Officers Training Corps, the new nursing education department and the training program for laboratory technicians.

The college now has a college of arts and sciences, a teachers college and a graduate school.

The board of education yesterday also approved increases in board rates for students housed in college dormitories and room rates for certain dormitories. The increases are effective September 1. The board rate goes from \$180 to \$198 per semester. The room rates go from \$80 to \$90 per semester at Hodges Hall and from \$95 to \$100 at the freshman women's dormitory.

President Stewart H. Smith said the increases are necessary because of the increased costs of employing personnel and increased costs of utilities and repairs.

The board also approved continuance in the summer term and in the 1960-61 term of a program initiated earlier of admitting gifted high school students to college classes.

X A 4/19/60

## \$39,000 Grant Given Marshall for Survey

A government grant of \$39,000 will be given to Marshall College for conducting a small business study in Raleigh, Boone and Logan counties.

Announcement of the grant was made today by Rep. John M. Slack Jr. (D-WVa). He said the survey may provide a pattern for new jobs in depressed areas in West Virginia and other states.

The study, which may require two to three years, will deal with the question: "How small business can revitalize three depressed coal counties in West Virginia."

Directing the study will be Professor Paul D. Stewart of the college's political science department.

### Cooperation Asked

Slack said he understands personnel of Morris Harvey, West Virginia State, Beckley College and others will be asked to cooperate in the study.

The Marshall group was organized at Slack's suggestion to make the study with Small Business Administration funds. Slack said Marshall was selected because it is the largest tax-supported college in southern West Virginia. It maintains extension activities in the three counties.

Slack said the study will be designed to seek out potential business activities and new jobs for this mountainous coal area.

# Workshop Produces Interesting Sp

By DOROTHY BUZEK

Work being done at Huntington's sheltered workshop will be on display at an open house Friday from 2 to 4 p. m.

The workshop, housed in the basement of the First Presbyterian Church, 1015 Fifth avenue, has been in operation since last September. Ten young people between the ages of 16 and 25 are currently engaged in the program which affords them an opportunity to develop work habits and work skills.

"This is a work training program, not a school," explained Professor Allen Blumberg, director of the workshop. "We hope eventually to expand the program to the place where industries will sublet to us certain types of work which these young people can do."

A visit to the workshop is an interesting experience. Most of the participants are now

engaged in finishing up mosaic tile hot pads, trays and coffee tables which they hope to have ready for exhibition Friday afternoon.

It takes patience and skill to do this work, and these young people are developing plenty of both. First they take a hammer and break large pieces of tile into small bits; next they spread a paste over the frame of the article on which they are working; then place the small pieces of tile carefully by hand on the design, and finally, apply a plaster over the entire surface.

Legs for tables are purchased by the workshop, but members of the group fasten them to the table tops themselves. Approximately 10 tables will be exhibited at the open house along with other articles, including paper mosaic covered boxes and copper plaques.

A comparison of articles made earlier in

the year with those made later shows the great progress that many of the workshop participants have made in developing artistic sense and attention to detail.

The young people work from 1 to 4 p. m. daily Monday through Friday under Mrs. Baylous' supervision. Mrs. Barbara McWhorter, who teaches art at Enslow junior high, is assistant director of the workshop and is in charge of developing the program. She prepares most of the designs for the workshop projects.

### Take Break

From 2:30 to 3 p. m. members of the workshop take a break. During this time they may play games or learn social skills, such as square dancing. Six Marshall College students

assist Mrs. Baylous a week at the workshop for Education in human development.

Professor Blumberg, director of education at Huntington, is coming to Huntington working with people in the Southern Colony, Retarded at Racine.

The local workshop is sponsored by the El County Council and the Civitan Club.

Purpose of such adolescent and young individual is to provide occupational training, assembly type products

**MAKE CONVENTION FAVORS** — These girls are working on shellacked paper mosaic trimmed boxes which will be given at a banquet of West Virginia Association for Mentally Retarded.

**DISPLAY FINISHED PRODUCTS** — The detailed work that goes into the making of a mosaic tile table top at the sheltered workshop is apparent in these two examples. Mrs. Carolyn Baylous, left, is instructor.

# Specimens of Craftsmanship

Each spending two hours a week as part of their field work in a course at Marshall College.

Carolyn is an associate professor at Marshall College. Prior to this she had experience in running sheltered workshops at the Institute for the Mentally Retarded in Wisconsin.

The workshop is sponsored by the Cabinet of the Mentally Retarded.

The workshop is for the post-graduate adult mentally retarded and is a simulated industrial program utilizing an assembly line operation under maxi-

mum supervision and optimum working conditions.

Its objectives are to enable selected mentally retarded individuals to become economically productive workers in the community; to utilize to the fullest the potential productive capacity of such individuals; and to provide an industrial-type work experience that might assist some of them to find a place in industry.

Professor Blumberg and those who have worked with him in developing the local program feel that much progress has been made since September. The young people participating have gained more self-confidence and become more self-sufficient, they say, and have begun to show the work they are capable of doing.

Some who at first had to be brought by

their parents now travel to and from the workshop alone by city bus. Proof that they enjoy their work is found in the fact that some are reluctant to go home when 4 o'clock comes.

Mrs. Baylous said that on many a day the workshop session is enlivened by discussions of current events or special interests or activities of participants.

Some people who have seen the mosaic tile tables made at the workshop have placed orders for them and it is hoped that other orders will be forthcoming, Professor Blumberg said. Most of the tile used so far has been donated by Frank Groves Jr.

Professor Blumberg said sponsors of the workshop are hopeful that a federal grant may be obtained to make possible more rapid expansion of the program.

Marshall College student assistant, Carolyn, hand to these girls who are working on mosaic tile table top. Six Marshall students help.

THIS JOB REQUIRES SKILL, PATIENCE — Tony Russell, right, Marshall College student assistant at the sheltered workshop at the First Presbyterian Church, offers a suggestion to these two young men.

**PLANNING PROGRAM FOR NATIONAL GROUP SESSION HERE**

Front, Mrs. Hughes, Miss Thompson, Mr. Brasil; Back, Mrs. Chambers, Mr. Howard

By DORIS MILLER

An interdenominational organization of Christian singers, the Huntington City Choral Union, is preparing to entertain the official board of the National Convention of Gospel Choirs and Choruses, Inc., at its spring meeting, beginning tomorrow.

The meeting will bring 400 to

ton union was organized on January, 1944, at Calvary Baptist Church. The Rev. Freeman Johnson, pastor of the church at that time, was elected first chaplain and spiritual adviser to the group.

Membership is composed of singing groups from churches of the Tri-State. The six groups now included in the union are:

ard is president of the Huntington union.

Chairmen in charge of arrangements for the meeting include Mrs. Grover G. Turner and Mrs. Bertha Hughes, housing co-chairmen; Miss Marietta Thompson, Courtesy chairman; Mrs. Hattie Chambers, food chairman, and James Brasil, transportation

tional conventions, held each August, are attended by thousands and therefore are scheduled in larger cities. The 1960 convention will be held in Washington, D.C.

The purpose of the choral union is to promote spiritual fellowship and Christian worship through singing. The Hunting-

chorus, the Glee Club, the Inspirational Singers, the Soloist Bureau and the Youth Union. At times Portsmouth singers also have been included in the group.

The union has done much charitable work. In addition to providing singers for the Veterans Hospital and benefit performances, it has contributed to many worthy causes and to the relief of distressed individuals. Music lessons have been provided for deserving young people. Also, when the union meets on the third Sunday of each month in some church of the city, a portion of the offering received is contributed to the host church.

Thomas A. Dorsey of Chicago, author and composer of "Precious Lord, Take My Hand," is president of the national convention. Willie How-

# Studies New Dorm Plans

CHARLESTON (AP) — The State Board of Education today took a look at plans for a proposed women's dormitory and cafeteria at Shepherd College and heard a report from the Council of Colleges and University Presidents in its final session of a two-day meeting.

Also on the agenda was an appearance by President Joseph F. Marsh of Concord College.

It was a comparatively light session after yesterday when the board handed out pay raises to administrative staffs and faculties of the colleges under its jurisdiction.

The pay raises averaged about 10 per cent and were awarded on a merit basis upon the recommendation of the college presidents. The increases will go into effect July 1, at the start of the next fiscal year.

The new pay scale will give Marshall College President Stewart H. Smith an annual salary of \$16,500. President W. J. L. Wallace of West Virginia State will be getting \$12,500. All of the others will receive \$12,000 with the exception of Bluefield State's L. B. Allen who will be drawing \$11,500.

The board also approved the 1960-61 fiscal year budgets for the divisions it operates.

Personal services, \$7,597,616, or up 10 per cent over the current fiscal year figure; current expenses, \$1,056,829, up 20 per cent; alterations and repair, \$438,960, up 20 per cent; equipment, \$294,005, no increase; Division of Vocational Rehabilitation, \$597,549, an increase of 10 per cent.

## Named Dean

Dr. A. E. McCaskey, Jr., head of the Marshall College engineering department, yesterday was appointed dean of a newly established school of applied sciences at Marshall. (Story on Page One).

# McCaskey To Serve As Dean

## Board And Room Rates Going Up

(Picture On Page 11)

Dr. A. E. McCaskey, head of the engineering department of Marshall College, will become dean of a new Marshall school of applied sciences effective with the opening of the 1960-61 school term.

The appointment was approved yesterday by the State Board of Education at a meeting at Charleston.

President Stewart H. Smith of Marshall said the new school will embrace engineering, the Reserve Officers Training Corps, the new nursing education department and the training program for laboratory technicians.

The college now has a college of arts and sciences, a teachers college and a graduate school.

The board also approved increases in board rates for students housed in college dormitories and room rates for certain dormitories. The increases are effective September 1.

The board rate goes from \$180 to \$198 per semester.

The room rates go from \$80 to \$90 per semester at Hodges Hall and from \$95 to \$100 at the freshman women's dormitory.

President Smith said the increases are necessary because of the increased costs of employing personnel and increase costs of utilities and repairs.

Also approved by the board was continuance in the summer term and in the 1960-61 term of a program initiated earlier of admitting gifted high school student to college classes.

## Marshall Band Giving Concert

The Marshall College concert band will present a concert in the Old Main auditorium at 8:15 p. m. Thursday.

Among the featured selections will be the "1812 Overture" by Tschaiikovsky. The band is under the direction of Thomas S. O'Connell.

## Dog Exposed To Rabies Missing

M. L. Kitchen, 312 Main Street, reported a nine-month old female beagle dog was taken from its pen at the rear of the home Sunday night. He said the dog had been exposed to rabies.

City police said yesterday the Marshall College Student Union building was broken into over the weekend but nothing was apparently taken. Entry was made by breaking a window at the rear of the building.

William R. Tinsley, 422 New York Street, reported that a power mower valued at \$100 was stolen from his home.

## Marshall College Growth Continues

Next fall Marshall College will open a new school of applied sciences with Dr. A. E. McCaskey, head of the engineering department, as the dean. The new school will embrace engineering, the Reserve Officers Training Corps, the new nursing education department and the training program for laboratory technicians.

The continually growing Marshall College already has a college of arts and sciences, a teachers college and a graduate school.

The necessity of the new school of applied sciences is evidence of the growth and scope of the college.

Various recent surveys have shown that the college already has grown to the point where it can operate efficiently and to its maximum capacity only through a university-type administration.

It would appear that with the addition of a new school Marshall College is going to have to operate in fact as a university, with or without the formal title.

# Recreation Groups Will Meet Today

Representatives of 11 city and county groups will meet today at noon at the Hotel Frederick to plan organization of a Cabhuntway Recreation and Park Board recommended recently in a resolution passed by the Huntington Interclub Council.

The name "Cabhuntway" was formed from Cabell and Wayne counties and the city of Huntington.

The purpose of the board is to unify all areas of recreation. The meeting today was called at the request of a fact-finding committee of the council, headed by Mrs. Ruth Johnson Blair.

Organizations and their representatives invited are: Marshall College, Frederick Kitch and Jule Rivlin; City Planning Commission, Dr. A. E. McCaskey; Memorial Field House, Harry D. Keith; Cabell County Board of Education, H. D. Thornburg; Huntington Park Board, Donald Mosser; Cabell County Court, President Irvin Morrison; Cabell County Youth Center, W. J. Wisor; City of Huntington, City Manager Robert Hoisington; Community Welfare Council Laural Whipkey; YWCA, Mrs. C. L. Terlizzi, and Interclub Council, Mrs. Thomas Gatherum, projects chairman.

Other pertinent organizations and groups will be asked to join the board.

# Tri-County Business Survey Begins May 1

Work on a small business study in Raleigh, Boone and Logan Counties is expected to begin about May 1 with a \$39,000 fund provided by the Small Business Administration, according to Professor Paul D. Stewart of the Marshall College political science department, director of the study.

Announcement of the grant was made yesterday by Representative John M. Slack, Jr. and Senator Robert C. Byrd. They said the survey may provide a pattern for new jobs in depressed areas in West Virginia and other states.

Professor Stewart said the funds would be handled by the Marshall College Foundation for the 16-month study. He said about 13 months would be required to collect and evaluate data, and another three months for editing and publishing the results.

He said the staff for the study, originally scheduled to begin February 1, might have to be recruited again. Some personnel from colleges in the area have taken summer teaching assignments and might not be available now, he said.

Professor Stewart said much of the help would be recruited

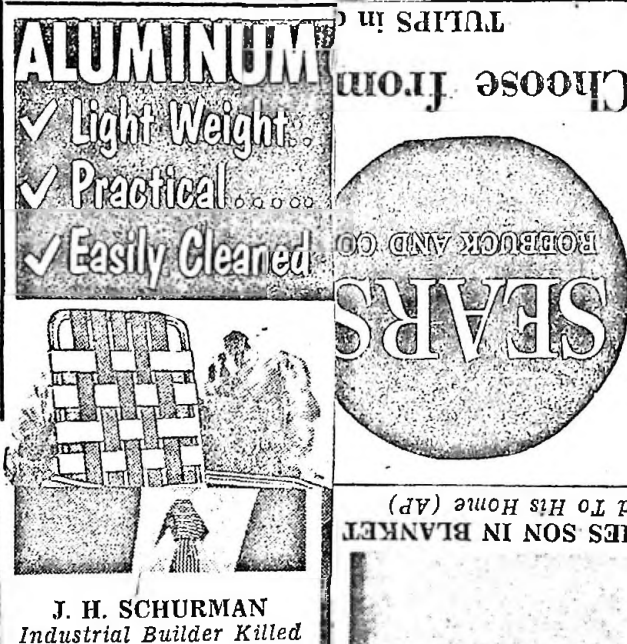

from the Marshall College faculty, but that help from other sources would be appreciated.

He said the study would coordinate efforts by the Economic Development Agency, the West Virginia Department of Employment Security and the State Department of Education. All of those agencies are making studies in the same field.

Representative Slack said Marshall College was selected to make the study because it is the largest tax-supported college in the area and maintains extensive activities in the three counties.

## PTA Will Hear Lichtenstein

Dr. Joseph M. Lichtenstein of the education department at Marshall College will be the speaker at a meeting of the Parent-Teacher Association of Enslow junior high school Monday at 7:30 p. m. in the school auditorium.

## W. H. Perl of the Marshall Faculty Tells Me How Pleasant and Interesting Cincinnati is in Spring.

He was a visitor there for Easter to hear the final program of the symphony season. Max Rudolf, the German-born conductor, finished his second year of work and offered a most ambitious program: the performance of Beethoven's 9th symphony, also called the Choral Symphony. The enlarged Cincinnati orchestra was assisted by the a cappella choir of Miami University under the direction of George F. Barron and had four excellent soloists: Theresa Greene-Coleman, Mary McMurray, David Lloyd and Kenneth Smith. The musicians received scores of curtain-calls and a standing ovation by the audience.

Our neighboring Queen city will have a marvellous May festival beginning May 2 and continuing through May 7th under the direction of Maestro Joseph Krips, who still alternates between Buffalo, Vienna and London. A visit to Cincinnati, especially in Spring is very awarding.

## Recreation Groups Will Meet Today

Representatives of 11 city and county groups will meet today at noon at the Hotel Frederick to plan organization of a Cabhuntway Recreation and Park Board recommended recently in a resolution passed by the Huntington Interclub Council.

The name "Cabhuntway" was formed from Cabell and Wayne counties and the city of Huntington.

The purpose of the board is to unify all areas of recreation. The meeting today was called at the request of a fact-finding committee of the council, headed by Mrs. Ruth Johnson Blair.

Organizations and their representatives invited are: Marshall College, Frederick Kitch and Jule Rivlin; City Planning Commission, Dr. A. E. McCaskey; Memorial Field House, Harry D. Keith; Cabell County Board of Education, H. D. Thornburg; Huntington Park Board, Donald Mosser; Cabell County Court, President Irvin Morrison; Cabell County Youth Center, W. J. Wisor; City of Huntington, City Manager Robert Hoisington; Community Welfare Council Loral Whipkey; YWCA, Mrs. C. L. Terlizzi, and Interclub Council, Mrs. Thomas Gatherum, projects chairman.

Other pertinent organizations and groups will be asked to join the board.

# Tri-County Business Survey Begins May 1

Work on a small business study in Raleigh, Boone and Logan Counties is expected to begin about May 1 with a \$39,000 fund provided by the Small Business Administration, according to Professor Paul D. Stewart of the Marshall College political science department, director of the study.

Announcement of the grant was made yesterday by Representative John M. Slack, Jr. and Senator Robert C. Byrd. They said the survey may provide a pattern for new jobs in depressed areas in West Virginia and other states.

Professor Stewart said the funds would be handled by the Marshall College Foundation for the 16-month study. He said about 13 months would be required to collect and evaluate data, and another three months for editing and publishing the results.

He said the staff for the study, originally scheduled to begin February 1, might have to be recruited again. Some personnel from colleges in the area have taken summer teaching assignments and might not be available now, he said.

Professor Stewart said much of the help would be recruited

from the Marshall College faculty, but that help from other sources would be appreciated.

He said the study would coordinate efforts by the Economic Development Agency, the West Virginia Department of Employment Security and the State Department of Education. All of those agencies are making studies in the same field.

Representative Slack said Marshall College was selected to make the study because it is the largest X-supported college in the area and maintains extension activities in the three counties.

J. H. SCHURMAN  
Industrial Builder Killed

# Plane Crash Kills John H. Schurman

## Company Craft Rips Into Tree Farm In Gilmer Scene Of Death

John H. Schurman, 46, of 56 Edgemont Terrace, president of the Schurman Co., a major industrial construction and engineering firm here, was fatally injured shortly after noon yesterday in the crash of a company plane near Glenville, W. Va.

Mr. Schurman was returning to Huntington alone from Fairmont, where his firm has a million-dollar contract in the expansion of the Fairmont Aluminum Co., a division of Cerro De Pasco.

## Engineers To Hire College Instructors

At least three Marshall College instructors have submitted applications under a summer employment program offered by the Huntington District, U. S. Army Corps of Engineers.

Instructors from Marshall, Virginia Polytechnic Institute, Ohio State University and Ohio University will work in foundation investigations, flood control survey, detailed dam designing and analy-

## Alumni to Meet

The Alpha Sigma Phi Alumni will meet with the active chapter in the Marshall College cafeteria at 6 p. m. tomorrow. All alumni are urged to attend the dinner meeting at which a new program for the chapter will be presented.

Mr. Walter H. Perl of the Marshall faculty tells me how pleasant and interesting Cincinnati is in Spring. He was a visitor there for Easter to hear the final program of the symphony season. Max Rudolf, the German-born conductor, finished his second year of work and offered a most ambitious program: the performance of Beethoven's 9th symphony, also called the Choral Symphony.

Davis farm and Mr. Davis saw nothing seemed out of order. A short while later Mr. Davis said he heard a crash. The plane sheared off the top of an apple tree on the Asa Bush Farm in Gilmer County, five miles north of Glenville, and seemed to disintegrate.

#### NEWLY RECONDITIONED

The craft was a twin-engined Piper Apache, newly factory reconditioned.

One engine was torn off and the tail section lay 700 to 800 feet from the fuselage. Mr. Schurman's arms and legs were severed.

Mr. Schurman had flown to Fairmont earlier in the day, taking as a passenger Dr. Madeleine Feil, former Marshall College psychology professor and now labor psychologist for the Schurman Co. Dr. Feil remained in Fairmont.

Mr. Schurman was born in Huntington, a son of Mrs. Golda Schurman of Huntington and the late A. J. Schurman.

A graduate of Marshall College, he had extensive background in heavy construction and engineering work before he returned here a decade ago to assist his father in forming a new company.

#### WIDESPREAD BUSINESS

The elder Mr. Schurman was the founder and operator of the old Huntington Heating and Ventilating Co.

Mr. Schurman's company had heavy construction contracts in three states as of yesterday, but the company has, since its formation, operated in most states east of the Mississippi River.

Mr. Schurman went to Milan, Italy, last year and talked with officials of the Montecatini Co., which is the parent company of the Novamont Co., now preparing to build a \$10,000,000-plus chemical plant near Kenova on the Big Sandy River. The company has let two contracts in connection with site preparation and laying of sewers.

The Schurman Co. has been one of the contractors on Huntington's new \$11,000,000-plus sewage treatment facility.

Mr. Schurman is survived by his mother, a Huntington resident; the widow, Mrs. Mary Louise Obenshain Schurman; a son, John Schurman, Jr., at home; a daughter, Linda Schurman, at home, and a brother, A. J. Schurman, Jr., who is vice president of the Schurman Co.

Mr. Schurman was a member of the First Presbyterian Church, the Rotary Club, and the Guyan Country Club.

The body was brought to the Klingel-Carpenter Mortuary last night.

**HEFNER ON TOUR**  
 Robert Hefner, Frankford senior at Marshall College, was one of 21 engineering majors who left the campus Monday on an inspection tour of Cincinnati, Ohio, industries.

Inspection visits include the Chevrolet-Norwood Division of General Motors, the Philip Carey Manufacturing Company, General Electric Company, Cincinnati Milling Company, and the Formica Company.

The group will return to the campus for Friday's classes.

**Dr. McCaskey New Dean at Marshall**

A former Morgantown resident, Dr. A. E. McCaskey Jr., has been appointed Dean of the new College of Applied Sciences at Marshall College, Huntington.

The newly formed school includes engineering, nursing, and military science. Dean McCaskey holds a bachelor and master's degree from WVU. He is married to the former Bessie Thomas of Morgantown.

**BIDS FOR FIRE ESCAPE AT LEWIS WETZEL NURSING HOME**

Bids will be received by the Wetzel County Court for furnishing and erecting one State approved fire escape to the north side of the Lewis Wetzel Nursing Home at Steelton.

Top platform to be 6'6" x 6' and stairway 5' wide with platform at center of stairway to break up long run of stairs. Railings to be approximately 4' high with half inch pickets placed on 6' center. Stair tread to be Blaw-Knox Safety Tread 9 1/2" wide by 5' long. Floor of platform and stairs to be concrete.

Chairman of the Parents' Weekend Commission.

Plans have been made to place billboards in various areas of the

**Dr. McCaskey Named Dean At Marshall**

Dr. A. E. McCaskey Jr., a former Morgantown resident, has been appointed dean of the new College of Applied Sciences at Marshall College.

Dean McCaskey holds the bachelor's and master's degrees in engineering from West Virginia University, and received his doctorate in engineering at Wisconsin.

The newly formed College of Applied Sciences includes engineering, nursing, military science, and other applied sciences.

He is married to the former Bessie Thomas of Morgantown, and they have one daughter, Ann, who is attending Marshall College.

**Putnam Education Association Holds Dinner**

The Annual Spring Dinner Meeting of the professional organization of county teachers and administrators is to be held at Hurricane Elementary School Friday, April 22, at 6:00 p.m. Dinner will be served in the school cafeteria under the supervision of Principal William H. Allen.

Guest speaker of the evening will be Eric Core, Associate Professor of Education at Marshall College. Mr. Sovine, Superintendent of Putnam County Schools, will also speak.

Entertainment will be furnished by the Hurricane High School Chorus, under the direction

of Mrs. Virginia Chapman. Other features of the program will be the awarding of certificates to those schools with 100% WVEA enrollment, the election of officers for both the Education Association and the Classroom Teachers Association, and the selection of delegates to the state delegate assembly and the national convention.

Two retired teachers will receive recognition at the dinner, Wade L. Casto and William Pennington both retired in January of this year.

The Putnam County Education Association has 167 members

this year. A large crowd is expected at the dinner. Husbands and wives of members may also attend.

**Alumnae Group To Elect Tonight**

The Huntington alumnae chapter of Sigma Kappa sorority will elect new officers at a meeting tonight at 8 p. m. at the chapter house.

Mrs. John Goodno will present a program on flower arrangements. A special guest will be Mrs. Henry Lathrop of St. Albans, national vice president of Sigma Kappa in charge of alumnae.

Mrs. C. William Watts will preside.

Regular registration will be held from 8 a.m. until 3:30 p.m. on Wednesday, June 8. In the College Library. Classes will begin on Wednesday, June 8, and continue five days a week to Tuesday, July 19. Second term will begin Thursday, July 21, and continue six days a week to Wednesday, August 24.

The last day for registration will be Tuesday, June 14. Summer schedules can be picked up in the Registrar's Office at Marshall.

# Morris Resigns Post As Marshall Director

Robert A. Morris, Jr., athletic director at Marshall College, has resigned that position effective at the end of the present school year, June 30. The announcement of Morris' resignation was made yesterday by Dr. Stewart H. Smith, Marshall president.

Morris, who had been in ill health, had been on leave of absence since February 10 and the athletic director's position is being filled by Neal B. "Whitey" Wilson in an acting capacity.

In making the announcement Dr. Smith said, "Mr. Morris has contributed much to the development of our athletic program during his term as athletic director. He has been cooperative with college officials and has improved athletic relations with the Mid-American Conference schools and other institutions with whom we have had competition. We wish him every success in whatever field he may engage in the future."

ROBERT A. MORRIS

Morris assumed the position as Marshall athletic director in 1952, succeeding Pete Peterson. He was a former star athlete at Ceredo-Kenova High School and later attended Washington and Lee University where he was a graduate in business administration. Later he was a teacher and athletic coach at Ashland Junior College.

barger of Barboursville, on April 12 at St. Mary's Hospital, a daughter named Brenda Kay. Mrs. Harshbarger is the former Miss Mary Tagnesi.

Mr. and Mrs. James Stilwell, 203 West Fourth Avenue, on April 12 at Cabell-Huntington Hospital, a daughter named Kathy Sue. Mrs. Stilwell is the former Miss Evelyn Honaker.

Mr. and Mrs. William Ray, 1670 West Road, on April 13 at Cabell-Huntington Hospital, a daughter named Dreama Hope. Mrs. Ray is the former Miss Wilma Jean Prince.

Mr. and Mrs. William Foster, 1423 Washington Avenue, Milton, on April 13 at Cabell-Huntington Hospital, a son named Dwane Harvey. Mrs. Foster is the former Miss Wanda Jane Black. Mrs. Paul N. Dudley, Mr. and Mrs. Grover Butler, of Chesapeake, on April 13 at

## Police Training School to Start

A police training school, sponsored by the Grafton city police department and presented by the Marshall College Occupational Training Service, will open today in the council room in the Grafton City Building.

Grafton Police Chief Robert DeBarr will have general charge of the school, which will cover a three weeks course from today to April 29, inclusive. Certificates will be presented to police officers who satisfactorily complete the course.

The school will be open to all law enforcement officers in Taylor and surrounding counties. Retired State Police Capt. Charles W. Ray will have charge of the presentation of the courses at the school.

Police Chief Carl R. Cain will be one of the instructors at the school. Others will include FBI agents and members of the State Police. Attending the school from this city will be two rookie policemen, Gene Spencer and Charles Holliday. Other members of the local police department will attend the school on their off days.

## Elaborate Plans Made For Musical

Elaborate plans have been made for the Marshall High School production of the Rodgers and Hammerstein musical, "Oklahoma," which is being produced with a home talent cast.

The college and high school departments of speech and music are sponsoring the show. Art, business and physical education departments of the high school also will help.

William Kearns of the high school speech department will direct the play. Dr. Miriam Gelvin of the music department will be production manager and musical director.

James McCubbin of the college speech department is the consultant for set design. Recruitment and direction of the orchestra will be by Alfred P. Lanneger of the music department. Choreography will be by the Dickinson School of Dance.

The following students are cast in the various roles: Curly, Bruce Lansaw; Ali Hakin, Joe Glass; Andrew Carnes, John Ketchum; Ada, Judy Kay Daniels; Virginia, Eberle Smith; Gertie, Robin Ewing; Will Parker, Dick Rummell; Jud, John Moser; Farmer, David Simonton; Cord, Carl Honaker; Ike, Jim Wellman; Fay Martha Peck; Laurie, Petrie Dobbs, and Vivienne, Jane Wallace.

Two performances of the musical will be given at the college auditorium on May 13 and 14.

## Local Boys Get Marshall Honors

Tom Ross, Wheeling sophomore, copped second place honors in the second annual All-Campus Talent Search sponsored by the Marshall College Veterans' Club recently.

Ross took second place with his original composition "The Modern Highway-Man." He was one of 24 acts featured in the two-night event.

Brian Bobes, Wheeling junior, was in the winning comedy skit that took first place in the group category.

Don Henry, Wheeling sophomore, was a member of the dance team that took second place.

## College Delegate

Manager W. Don Morris of the Shawkey Student Union at Marshall College will attend the 37th international conference of the Association of College Unions at the University of Indiana in Bloomington opening Sunday and continuing through Wednesday.

# Morris Resigns Post As Marshall Director

Robert A. Morris, Jr., athletic director at Marshall College, has resigned that position effective at the end of the present school year, June 30. The announcement of Morris' resignation was made yesterday by Dr. Stewart H. Smith, Marshall president.

## MORGANTOWN IS SCENE

# Area Women to Participate In Triennial Convention

Two Charleston women will participate in the triennial Delta Province of Alpha Xi Delta convention in Morgantown this weekend.

Mrs. Howard Freutel, president of the Charleston Alpha Xi Delta Alumnae Chapter, will attend as an official delegate and Miss Jannes Kirby, first

vice president of the Charleston alumnae, will be speaker at the Saturday afternoon session. Mrs. Kirby's topic will be "Holding Alumnae Member Interest".

Headquarters for the convention will be Hotel Morgan and registration will begin tonight followed by an open house at

Delta Chapter house on West Virginia University campus. The Alpha Xi Delta Iota Chapter college members will present their annual sphinx talent show. A local five-member province legislation committee will recommend some proposed changes in the by-laws at the Saturday business session. Mrs.

E. Ivan Thomas of St. Albans has served as chairman of the committee. Other members of the committee include Mrs. J. L. Greene of Arlington, Va.; Mrs. J. A. Socker, Buckhannon; Miss Mary McConnell of Bethany College; and Miss Jayne Rose of West Virginia University.

Saturday will be highlighted by the 7 p. m. rose banquet, which will follow alumnae sessions, college panel discussions and business meetings. The convention will close with the Sunday morning installation of officers who will serve for the next three years.

Alpha Xi Delta active college members will be attending the convention from West Virginia University, Marshall College, West Virginia Wesleyan and Bethany College.

Alumnae chapters represented will be from Charleston, Huntington, Buckhannon, Clarksburg, Morgantown, Wheeling, Norfolk, Va., Richmond, Va., and Northern Virginia Alumnae Chapter located outside Washington, D. C.

PARTICIPATING in the triennial Delta Province of Alpha Xi Delta convention in Morgantown this weekend will be two Charleston women (from left) Mrs. Howard Freutel, an official delegate, and Mrs. Jannes Kirby, who will speak at the Saturday afternoon session on "Holding Alumnae Member Interest". Mrs. Freutel and Mrs. Kirby are president and first vice president of the Charleston Alumnae Chapter respectively.

### Elected Member Of Student Senate

NANCY PARSONS

A Marshall College sophomore from Ripley was elected last Wednesday to the college Senate, the student governing body.

Miss Nancy Sue Parsons, daughter of Mr. and Mrs. W. King Parsons of Charleston Drive, was one of three out of a field of 17 candidates who made a successful bid for campus-wide office.

She is a 1958 graduate of Ripley high school and a popular sophomore leader at Marshall in Huntington. In addition to being chairman of the Student National Educational Association, a member of the college Young Republican Club and has been an officer for two years in Sigma Kappa social sorority.

She is majoring in elementary education at Marshall.

### Pro Musica X Tonight At Marshall

The Marshall College Community Forum concludes its 1959-60 season tonight with the presentation of the New York Pro Musica in a concert of medieval, Renaissance and Baroque music at 8 p. m. in Old Main auditorium.

Memberships for next season will be available at the door and new members will be eligible to attend tonight's concert, Forum Manager Curtis Baxter said yesterday.

The Pro Musica, a non-profit, federal tax exempt educational organization, was founded in 1952. It has a permanent company of six vocalists, an instrumental quarter, in addition to its musical director, Noah Greenburg.

Authentic instruments from each of the periods covered on the program will be used. Included are numbers from English madrigals, Elizabethan airs, Renaissance sacred music, early baroque cantatas, English instrumental music and German Renaissance part songs.

A state-wide Methodist Youth Convocation, opening here today, will bring 1,000 young Methodists into Huntington for the three-day annual session, centering at Johnson Memorial Church.

Miss Becky Emch of New Martinsville, chairman of the convocation planning committee, and Miss Jeanne Rampp of Bridgeport, West Virginia Conference director of youth work, have been in the city several days, assisting Miss Gloria Brothers, chairman of the city arrangements committee, and her co-workers in completing details of the meeting. Registration will open at 1 p. m. today. After dinner at 6 p. m.,

### Rivlin To Speak At Synagogue

Abbi Jacob M. Danziger has announced that the B'nai Israel Synagogue Sabbath service tonight at 7:45 p. m. will be conducted by the junior high school age class taught by Jule Rivlin. Mr. Rivlin will speak on "What Shall We Teach Our Children?" A social hour will follow.

## Dr. Barnett Gets Grant

Dr. Martin D. Barnett, assistant professor of chemistry at Marshall College, has received a \$2,000 grant-in-aid from Research Corp. for research in the chemistry department at the college. The grant is for equipment now not available in the department.

Dr. Barnett's research project is entitled "A study of steric hindrance in the 1,9-disubstituted and 1,9,9-disubstituted fluorene system." This research will attempt to extend the concept of "optical activity" due to intramolecular overcrowding to the fluorene system.

Dr. Barnette received his Bachelor of Arts degree from Washington University in St. Louis in 1952, his Master of Science from the University of Wisconsin in 1955 and his Ph.D. from the University of New Mexico in 1958. He was a post-doctorate fellow at the University of Florida in 1958-59. He joined the Marshall staff in 1959.

Fires killed one person every 47 minutes in the United States during a recent year.

## About Town

The subject of the program will be "Favorite Foods in My County," The speakers will be Mrs. Estelle Tabor, nutrition director of county schools, said Mrs. Estelle Tabor, nutrition director of county schools, said this is the association's annual social event. It will be attended by approximately 130 people, including cafeteria managers and helpers.

The afternoon program will feature a dramatic reading, "Christ and His Friends" by Howard W. Ellis, presented by members of the Methodist Student Movement of West Virginia Wesleyan College, Buckhannon, Mr. Ellis, director of the joint department of cooperative youth evangelism of

Mr. and Mrs. Taylor, and their six children, ranging in age from 18 months to 12 years, lost all of their belongings.

Those wishing to make contributions may call collect Wilson Mitchell of Milton at Sherwood 32603. The Taylor family turned up the road where I saw the girl lying on the side of the bank."

Mr. Mitchell, Mrs. Taylor's home with no drag race and that the cars weren't going over 40 miles per hour.

# Marshall Matter Up In Council

City Council will be asked Monday to vacate an alley and close part of Fourth Avenue to clear the way for Marshall College's new athletic facilities. The request will be made by the State Board of Education.

The college has acquired land east of the present campus and a new men's health and physical education building is under construction. Other facilities will include a practice field, an intramural field, tennis courts, and a parking lot.

Part of an alley now divides a portion of the parcel, and Fourth Avenue between Eighteenth and Nineteenth splits it. All of the land abutting the rights of way to be vacated has been acquired.

The area affected is bounded by Virginia Avenue, Eighteenth Street, Nineteenth Street and College Avenue.

Council's agenda up to yesterday also tentatively included a renewed discussion of Councilman George Garner's proposal that the city sell its Deitz Hollow land which has been proposed as a housing site. He would let the development be entirely by private investors without cost to the city. Funds from the land sale would be put in a special capital fund for major city improvement projects, he said.

Mr. Garner's plan was unveiled at the end of last Tuesday's lengthy meeting and discussion was brief. Some definite action is expected Monday.

City officials are also studying requests to again consider some street paving projects rejected Tuesday. City Manager R. M. Hoisington said he doubted, however, that any would get on the agenda again for at least one or two weeks.

New officers of Delta Omicron, music honorary at Marshall College, are seated from left, Annabel Patrick, president, and Joan Carole Hart, treasurer; standing from left, Sandee Thorniley, chorister; Mary McDonald, second vice president; Janet Heck, warden, and Mary Ellen Geiger, secretary. Sharon Hinchman is the first vice president.

## Dr. Barnett Gets Grant

Dr. Martin D. Barnett, assistant professor of chemistry at Marshall College, has received a \$2,000 grand-in-aid from Research Corp. for research in the chemistry department at the college. The grant is for equipment now now available in the department.

Dr. Barnett's research project is entitled "A study of steric hindrance in the 1,9-disubstituted and 1,9-trisubstituted fluorene system."

This research will attempt to extend the concept of "optical activity" due to intramolecular overcrowding" to the fluorene system.

Dr. Barnett received his Bachelor of Arts degree from Washington University in St. Louis in 1952, his Master of Science from the University of Wisconsin in 1955 and his Ph.D. from the University of New Mexico in 1958. He was a post-doctorate fellow at the University of Florida in 1958-59. He joined the Marshall staff in 1959.

B. Harris, right, club president.

## Marshall College Sophomore Named To Governing Body

A Marshall College sophomore from Ripley was elected to the college Senate, the student governing body.

Miss Nancy Sue Parsons, daughter of Mr. and Mrs. W. King Parsons was one of three out of a field of 17 candidates who made a successful bid for campus-wide office.

She is a 1958 graduate of Ripley High School and a popular sophomore leader at Marshall in Huntington. In addition to being elected senator, Miss Parsons is activities editor of the "Chief Justice," the college yearbook, vice president of the Marshall chapter of the Student National Educational Association, a member of the college Young Republican Club and has been an officer for two years in Sigma Kappa social sorority.

She is majoring in elementary education at Marshall.

**HONOR OUTSTANDING STUDENTS** — At a dinner meeting this week at the Hotel Frederick the Pilot Club of Huntington paid tribute to three young women who recently received high honors. Each was presented a corsage. From left are Nancy deJournett, West Virginia's Betty Crocker Homemaker of Tomorrow; Sally Reggel, top girl winner in the 1960 Marshall College regional science fair; Gloria Brothers, who has received a Fulbright scholarship to study contemporary French literature at the University of Rennes, France, and Mrs. John B. Rogers, program chairman for the meeting. Miss deJournett, who spoke at the meeting, and Miss Reggel are Huntington high students. Miss Brothers is a senior at Marshall College. Mrs. Rogers is chairman of the local Pilot Club's committee on organization of Anchor Clubs for high school girls.

# Mothers' Day Sing At College Set For May 8

The annual Mothers' Day Sing will be held on the Marshall College campus at 1 p. m. May 8th, (the week end set aside as Parents Week end.

All fraternities and sororities will take part in the sing. The presentation will be in front of the Student Union, weather permitting. In case of inclement weather the sing will be in Old Main Auditorium.

The sing is sponsored each year by the Interfraternity Council and the Panhellenic Council.

# City Pops Orchestra Organization Formed

The Huntington Pops Orchestra has been granted a charter by the state as a non-profit corporation, it was disclosed Saturday. Milton T. Herndon, vice-president of Huntington Pops Orchestra, Inc., said the corporate charter, issued last March 11, provides that every person who buys a season ticket for the musical productions will be a regular member of the corporation for the calendar year.

The charter allows the "firm" to form a concert orchestra, organize choral and other musical ensembles, and to employ soloists.

Another purpose of the corporation is "to coordinate and aid in coordinating means for the development of musical talent with a view of promoting the city's cultural growth and to do whatever is advisable in encouraging and fostering fine music" in Huntington.

The board of trustees has named Homer Ochsenhirt, long connected with symphonic music here, as musical director.

The annual meeting of members will be the second Tuesday in October, when they will elect the 21-member board, who in turn will select the executive committee.

These are the members of the present board:

- Dr. C. L. Kingsbury, president;
- G. O. Pennypacker, executive vice-president;
- Mr. Herndon;
- Mrs. J. H. Thurston, secretary;
- Miss Lorena George, assistant secretary;
- Grant Beckett, treasurer;
- Raymond Hage, Mrs. E. Wyatt Payne, John L. Neal, Leland Arnold, Mrs. Laureata Martin, P. W. Long Jr., J. R. Damon, Mrs. Dorothy C. Bauer, Luigi Narcise, Clement L. Jones, R. J. Payor, Bert Shimp, Mrs. Ruth Blair, Ben Romero and Robert Raughan.

APPOINTED — Larry L. Hayes has been appointed assistant client accounts manager for the Huntington trading area by the Physicians and Dentists Business Bureau and Fidelity Accounts Service. A native of Rainelle, W. Va. Hayes will receive his A. B. degree in political science from Marshall College in May. He has been employed by the Bureau since 1959. Appointment was announced by Hall and Truly Herbert.

# 19 Chosen By Sorority At Marshall

Alpha Lambda Delta, freshman women's honorary at Marshall College, recently selected 19 women for membership.

Huntington women chosen were: Ruth Ann Napier, Juliet Willman, Carter-Taylor Ruddle, Carolyn Currey, Marcia McAlister, Barbara Hoover, Patricia Dillon, and Carolyn Davies.

Other new members are: Nancy Bonar, Charleston; Betty Bourgeois, Ravenswood; Janet Steele, Sarah Ann; Carole Berry, Sutton; Judy Greiner, Piney View; Donna Faye Wiggins, Kermit; Ruth Grimm, Letart; Donna Pelfrey, Fort Gay.

Judy Osborne, Wheelersburg, Ohio; Mary Perry, East Lynn; Mary Hutton, Parkersburg.

Freshmen women must have achieved a first semester scholastic average of 3.5 for admittance to the honorary.

# MSU Prof Will Speak At Seminar

Dr. Laurence L. Quill, head of the chemistry department at Michigan State University, will address the American Chemical Society affiliates of Marshall College next Thursday and Friday, according to A. W. Scholl, Marshall chemistry department chairman.

The public will have an opportunity to hear Dr. Quill at a Friday seminar at 7:30 p. m. in the Science Hall Auditorium. The title of his address will be "Aspects of Rare Earth Chemistry."

Dr. Quill, a member of the American Chemical Society since 1922, went to Michigan State as head of the chemistry department in 1945. Previously head of the University of Kentucky chemistry department, he was associated with Ohio State University seven years before going to Kentucky.

**Nevada Graduate**  
He received his Bachelor and Master of Science degrees from the University of Nevada in 1924 and 25 respectively, and his Doctor of Philosophy from the University of Illinois with graduate work also done at Nevada and Stanford.

He remained at Illinois until 1935, with the exception of one year, 1931-32, when he studied at the University of Gottingen in Germany as a National Research Fellow.

Dr. Quill, also director of the division of mathematical and physical sciences within the Arts and Science college at Michigan State, is president of the board of directors of the Associated Midwest Universities.

His chief research program has been a study of the properties of the rare earth elements and their compounds.

The author of over 50 scientific publications, he has been co-author of text books on qualitative analysis and elementary chemistry. He also wrote two volumes of the National Nuclear Energy Series.

academic average of 3.5 for admittance to the honorary.

The sing is sponsored each year by the Interfraternity Council and the Panhellenic Council.

# Annual Tour To New York Is Scheduled For Aug. 28

August 28 is the date set for the departure from Huntington of the 28th annual vacation tour to New York City sponsored by Prof. W. Page Pitt of Marshall College. The tri-state vacationers will travel in modernly air-conditioned luxury motor coaches to Manhattan by way of Colonial Virginia, and historic Pennsylvania. The party will return to Huntington September 3.

Despite steadily rising travel costs, special educational rates for this year's tour hold the all-expense price the same as last year, \$111.

There will be no travel at night on either leg of the tour, according to Prof. Pitt, who said reservations have been

made to stop over night in Williamsburg on the way up and near Gettysburg on the return. Eligibility for the tour is restricted to those who are at least 15 years of age and can be recommended by a Marshall college student or faculty member.

## Will See "Common Glory"

In Williamsburg the group will not only make a tour of the restored colonial city but will attend a performance of "The Common Glory," a spectacular pageant dealing with the creation of the American republic and staged on the campus of the College of William and Mary in the beautiful Lake Matoaka amphitheatre.

Stops will be made in Wash-

ington, D. C., Baltimore, Md. and Philadelphia, where a visit to Independence Hall for a look at the Liberty Bell. Stops will be made at battlefields of two wars — Valley Forge and Gettysburg.

Headquarters in New York is the Piccadilly Hotel in Times Square at the head of Schubert's Alley in the heart of the theatre district.

Sightseeing in New York will include upper and lower Manhattan, the shops of fashionable Fifth avenue and Columbia University. Professional announcers in private glass-topped motor coaches will point out places of interest from the Battery and Wall street to Morningside Heights and the Cathedral of

St. John the Divine.

## Will Tour United Nations

A cycloramic view of the billion-dollar New York skyline will be seen from the decks of a sea-going yacht which will completely encircle Manhattan Island.

A conducted tour will cover the "Palace of Peace" to see the United Nations in action.

Registration for the tour can be made by addressing the New York Vacation Tour Registrar, 1502 Norway avenue, Huntington. "This is not a public excursion," Prof. Pitt explained, "but a private, educational tour, and we reserve the right to refuse or cancel reservations."

In addition to scheduled sightseeing trips, there will be stops at Bedloe Island with time allowed for a cent to the crown of the Statue of Liberty, a view from the top of the Empire State Building, and a behind-the-scenes "look-see" at Radio City.

## To Get TV Tickets

"Our travelers, who range from teen-agers to retired couples, all want to visit a live TV production," Prof. Pitt said. "Each person on the vacation will be given admittance tickets to 'live' shows."

The highlight at Radio City will be a performance in the world's largest motion picture theatre featuring the world famous Rockettes.

Detailed itineraries of the tour should be available by mid-May, Prof. Pitt said, and may be obtained by calling Marshall College or addressing requests to the tour registrar.

Roger's passenger is Allen "Pete" Yarbrough. Jimmy Call is perched on the fender of Susan's car.

**STAFF PHOTOS**

# Cast Named For College Play May 5

The Marshall College speech department has announced the cast for "Table Number Seven" from the play, "Separate Tables", by Terence Rattigan. The one-act play will be presented at a convocation on May 5 and at the West Virginia Speech Festival at Jackson's Mill the last of May.

The play, centered around the love affair of Sibyl Railton-Bell and Major Pollock, takes place at a small resort hotel. It points out the effect of the attitudes of Sibyl and the major on the other guests of the hotel.

Cast members, in order of appearance, include: Sandra Sandy, Cowen sophomore, Jean Stratton; Click Smith, Huntington junior, Charles Stratton; Dick Pauley, Logan sophomore, Major Pollock; John C. Davis, Cass sophomore, Mr. Fowler; Diana Abruzzo, Huntington junior, Miss Cooper.

Judy O'Dell, Parkersburg senior, Mrs. Railton-Bell; Linda Lou Ratcliffe, Williamson junior, Sibyl Railton-Bell; Audrey Saunders, Huntington junior, Lady Matheson; Linda Henderson, Huntington junior, Miss Meacham; Jane Aylor, Huntington junior, Mabel; and Bonne Barnett, Huntington sophomore, Doreen.

Now, at long last, something is being done for the child who suffers from a speech defect, and Marshall College is playing a part in meeting this need. The speech correction curriculum...

conferences. Together the three students carried the approximate load of one full-time speech correctionist, the usual case load being about 100 cases.

The student teachers spent two days in each school each week. Wednesday was coordination day and was used for home visits, keeping of records and parent conferences. Eighty per cent of the time in the schools was spent in group sessions and 20 per cent, in individual sessions.

Children with speech defects were referred to the speech therapists by their regular teachers. The student teachers screened the youngsters to...

# Don Morris Chairman Of Rotary Youth Camp

W. Don Morris, manager of the Student Union at Marshall College, has been appointed chairman of the Rotary Youth Camp, which will be held at the Cabell County Four-H camp the week of July 18, it was announced yesterday by Dan V. Love, president of the Huntington Rotary Club.

The camp will be the third annual outing for deserving children, with a week of fun and recreation for 70 children. The youngsters, ranging in ages from nine to 12, are selected by teachers in the public and parochial

Mr. Morris' committee has been selected as follows:

Vice chairman, Robert D. Carpenter; camp director, James, I. Rathburn; treasurer, David Fox, Jr.; building and grounds, William D. Stark and Don M. Shively; food services, Floyd E. Walker; child selection, Oley L. Davies; transportation, Mr. Carpenter; insurance, Julian P. Houchin; health and sanitation, Dr. Bruce H. Pollock;

Legal adviser, Jack B. Meek; favors, Dolph D. Broh; music, Mr. Shively and Walter W. Starkey, Jr.; public relations, Raymond Brewster; entertainment, Jim Morgan and advisory committee, John R. Ballangee and Julian L. Hawes.

Rotaryann activities in the camp program will be in charge of a committee headed by Mrs. Bon E. Myers.

# Marshall To Graduate Its First Majors In Speech Correction Field

By DOROTHY BUZEK

The first three students to major in speech correction at Marshall College are doing their practice teaching in Cabell county schools this year.

The students — Miss Marietta Meadows of St. Albans, Mrs. Mary Ellen Carder and Miss Frances Steele of Huntington — will receive the Bachelor of Arts degree — Mrs. Carder and Miss Steele, in May, and Miss Meadows, in August.

Supervised clinical practice with actual cases was afforded the students by the college speech and hearing clinic prior to the beginning of their work in the public schools.

Six elementary and four secondary schools were chosen for the pilot program which, it is hoped, will lead to a full-time program in the schools.

Olin C. Nutter, superintendent of schools, said he now is interviewing applicants for the post of speech therapist in the school system and a person may be employed in this capacity for the 1960 - 61 term.

## Recognize Need

"We have recognized for a long time the need for a teacher to work with children having speech difficulties," Mr. Nutter pointed out. "However, because the field is relatively new, our biggest problem is finding someone qualified for the job." Superintendent added that employment of a speech therapist would be just a start in the program, and that additional personnel would be added in future years to meet increasing needs.

The three Marshall seniors recently completed nine weeks of work with children having speech defects in Oley, Highlawn, Cabell, Johnston, Ensign and Peyton elementary schools. Now they are carrying out a similar program for nine weeks at two high schools, Huntington and Huntington East, and two junior highs, Enslow and West.

There are believed to be nearly 9,000,000 Americans with speech and hearing problems today. It is estimated that approximately five per cent of all school children are seriously defective in speech and that some

**EFFECTIVE TEACHING METHOD** — A child with a cleft palate has difficulty directing air through his mouth. An effective way to help him overcome this difficulty is to pinch his nostrils and have him blow bubbles or blow up a balloon as Melanie Meredith is doing here as she aids Miss Marietta Meadows in demonstrating this technique.

termine whether defects actually existed, and if so, how severe they were. Where necessary, medical referrals were made.

Symptoms were categorized according to defect such as—articulation, voice, stuttering, cleft palate and cerebral palsy. The children then were grouped according to their age and problem and appropriate therapy conducted.

The three student therapists reported at the end of the nine weeks in the elementary schools that some progress has been made, but noted that it is difficult to make much headway in such a brief period of time.

They now are working with 45 children in the two high and two junior high schools selected for the program.

## Little Done Until Recently

Although the Marshall College speech department has been in existence since 1929, it wasn't until 1958 that its course

**EXAMINING ORAL CAVITY** — Liza Jane Jenkins isn't sticking her tongue out at teacher. She's helping Mrs. Mary Ellen Carder show how a speech correctionist goes about conducting an examination of the oral cavity. She uses this test to determine the range of motion of the tongue and to direct various conditions that cause speech defects.

**LEARN TO LISTEN** — Ear training is an important phase of a speech therapy program. Here

ship in speech correction.  
Mrs. Ruth Garrett, assistant professor of speech and speech pathologist at Marshall College, who supervises the work of the three student teachers said these statistics held true in the schools here.

#### 5 Per Cent Have Defects

In the six elementary schools in which the students worked they found 5.14 per cent of the total enrollment suffering from some type of speech defect. Approximately 1.6 per cent of these youngsters had severe defects.

Eighty-nine children in the six schools were included in the active case load. A few more were treated through parent conferences.

Together the three students carried the approximate load of one full-time speech correctionist, the usual case load being about 100 cases.

The student teachers spent two days in each school each week. Wednesday was coordination day and was used for home visits, keeping of records and parent conferences. Eighty per cent of the time in the schools was spent in group sessions and 20 per cent, in individual sessions.

Children with speech defects were referred to the speech therapists by their regular teachers. The student teachers screened the youngsters to de-

terminations were made. They include a major in speech correction. This is not so strange when it is noted that only in recent years has much been done about helping people with speech defects.

An article in a recent issue of "ASHA", journal of the American Speech and Hearing Association, reports that it would require more than 32,000 trained speech pathologists and audiologists to meet the needs of the speech and hearing handicapped children and adults in the United States.

its training. Since speech is the common fool we expect everyone, handicapped or not, to use this tool. We make allowances for the child who is crippled of limb; we don't ask him to run our errands. The child with damaged eyes is given special consideration; we don't ask him to enjoy the art institute or to recognize us on the street. But how different our demands on a person handicapped in speech. "We insist that he meet us on a talking basis and when he tries, and does his best, we

as frances eele erdu rates this phase with three youngsters who are learning the correct sounds. When a child hears the correct way to pronounce a sound he is having difficulty with he raises his card.

make him and his efforts the butt of caricature and ridicule. It's interesting, but true, that lameness and blindness are never funny; but speech defects are. Any cheap comedian, lacking a real idea, can imitate a speech defect and get a racous guffaw even from people who pride themselves on their kindness and charity."

#### Doing Something Now

Now, at long last, something is being done for the child who suffers from a speech defect, and Marshall College is playing a part in meeting this need.

The speech correction curricu-

lum, which has been placed in both the College of Arts and Sciences and the Teachers College, includes courses in basic speech, voice training, phonetics, beginning and advanced speech correction, psychogenic disorders, cerebral palsy and aphasia, introduction to audiology, voice and aural science, audiology testing, diagnostic procedures, beginning and advanced clinical practice.

Opportunities in the field of speech correction are many, Mrs. Garrett pointed out. The greatest number of job vacancies are in the public schools, but other positions are avail-

able in hospitals, public and private clinics, with social agencies, in colleges, in mobile therapy programs and in treatment centers.

Salaries vary with training and experience and in the public schools are comparable to the teacher salary scale in a particular system. With further training and experience, a speech therapist may command a salary as high as \$7,000 to \$10,000 for positions of a supervisory and administrative nature.

This district has had to put and the patrol boys of the school. Ask the parents of the child with this for a long time now.

# Poll at Marshall Favors Sen. Kennedy

By TOM FOSTER

Marshall Student Journalist

Marshall College students, in a cross section poll, chose U. S. Senator John F. Kennedy (D-Mass) two-to-one over U. S. Senator Hubert Humphrey (D-Minn) to win the state's Democratic presidential primary on May 10.

Of the students polled, 391 were in favor of Sen. Kennedy and 176 chose Sen. Humphrey.

The poll was taken by staff members of The Parthenon, Marshall student newspaper, and students in journalism classes.

The majority of the women students were in favor of Kennedy, mainly because of his youthfulness and looks.

Kennedy's religion was also a big "if" with the students.

Ernie Cunningham, Point Pleasant junior, said, "I feel that Kennedy cannot do his job as President without his religion interfering."

## Called More Liberal

Ron Simonton, Huntington junior said, "I would vote for Kennedy because I feel that he is more liberal than the other candidate."

"I would vote for Kennedy because I feel that he is more qualified and I have heard more about him and what he has done," Barbara Mathis, Oceana freshman, said.

Fletcher Walls, Barboursville sophomore chose Humphrey over Kennedy because "he has an excellent record for voting for agriculture, and labor and has a good stand on civil rights. With his liberal attitude he would put the mechanics of our government into operation."

Dorothy Neal, Slab Fork sophomore, said, "I would like to see Kennedy get it because I think he is a better qualified man than Humphrey. I would just as soon

Miss Nancy Bonar of Charleston was recently initiated into Alpha Lambda Delta, freshman womens' honorary at Marshall College.

have a man in the office of President with his religion as I would to have a man of a hot temper like Humphrey."

Don Fannin, Barboursville senior said, "I have more of a tendency to vote for Humphrey because he is a liberal and intelligent. His ability is sometimes underestimated because of his outspokenness."

## Blood Drive At Marshall To Be on May 4

May 4 is the date set for Marshall College's spring blood drive, according to Dr. Stewart H. Smith, president of the college. The drive will begin at 8:30 a. m. in the Student Union.

Students, faculty members and employees of Marshall College may donate blood. A student must be over 18 to donate but any student under 21 must have a permission slip signed by his parent's in order to give blood.

Last semester an all time high in blood donations was reached, Dr. Smith said.

## Dinner Tonight For PTA Group

The Kanawha County PTA Council will hold its annual spring dinner at 6:30 this evening at Humphreys restaurant on Bigley Ave.

D. Banks Wilburn, dean of the teachers college at Marshall College, will be speaker.

New officers also will be chosen. Mrs. Curtis Halstead, dinner chairman, said about 250 parents and teachers are expected to attend.

## Navy Team Will Visit Marshall

A naval officer procurement team from Ashland will be on the Marshall College campus tomorrow from 9:30 a. m. to 4:30 p. m. to give an officer qualification test for officer candidate school to interested senior men and women.

The team will be available for interviews with members of other classes who might wish to apply for officer candidate school when they are seniors.

## Teachers Of Science Will Meet

The annual spring meeting of the West Virginia Science Teachers Association, an affiliate of the West Virginia Academy of Science, will be held Thursday at 7 p. m. at Concord State College, Athens, W. Va.

William V. Brook, a teacher at Oley Junior high school here, is president of the association and will conduct the business session. Others from here who will attend include John C. Hodges, coordinator of mathematics and science for the county school system, and Dr. Donald C. Martin, professor of physics at Marshall College.

Principal speaker for the banquet will be Lee Wickline, science specialist for the State Department of Education.

Others from Huntington desiring to attend the meeting and banquet may make reservations by calling Mr. Hodges at the Board of Education office.

Others from Huntington desiring to attend the meeting and banquet may make reservations by calling Mr. Hodges at the Board of Education office.

BAKE SALE VOLUNTEERS — Leanna Ford, chairman of the women's organizations of the cancer crusade, gets plenty of help from other volunteers who will assist in the bake sale Saturday on the courthouse lawn. The men shown are Paul Humphreys, Sam Mustaine, Jule Rivlin, G. C. Everett, Michael R. Prestera and Francis J. Price.

## Sale to Benefit Cancer Fund

A gigantic bake sale Saturday on the Cabell County Courthouse lawn will bring to an end the Cabell-Wayne Cancer Crusade.

The cancer societies of the two counties will jointly sponsor the bake sale from 9 a. m. to 6 p. m.

Information on cancer and a film on symp-

oms will be available in a tent on the lawn.

Television performers will provide entertainment during the day. There also will be a booth for selling kisses.

Anyone wishing to contribute baked goods for the sale may contact Mrs. Ray Breakiron or Mrs. W. R. Rideout, both of Kenova, or Mrs. Shirley Bias at the Cancer Center here.

# State Welfare Parley in City

"Utilizing Our Resources" will be the theme of the West Virginia Welfare Conference scheduled at Hotel Morgan and the University Medical Center April 28-30.

Program chairman is David Cleland, of the Kanawha-Clay Chapter of the American Red Cross, Charleston.

## College News Of Area People

Mac Hall, son of Mrs. Sarah Hall and the late William Hall, Route 1, Williamson, will receive his Master's degree on May 29 during 123rd commencement exercises at Marshall College.

Hall is on the coaching staff at Chapmanville High School and formerly taught at Lenore High School and coached basketball at Crisp High School.

He received his B.S. degree from Concord College in physical education and social studies, was awarded the Key of Excellence for outstanding citizenship, and served as vice-president of Sigma Gamma fraternity, a national social organization.

At Marshall, he majored in educational administration, fulfilled the state requirements for secondary principal and county superintendent certificates.

HUNTINGTON, W. Va. — Donna Faye Wiggins, Kern freshman attending Marshall College, was recently initiated Alpha Lambda Delta, freshmen women's honorary at Marshall College. Miss Wiggins, with 18 other Marshall freshmen, obtained academic average of 3.5 last semester to receive the honor.

## CAROLE BERRY CHOSEN BY MARSHALL SORORITY

Alpha Lambda Delta, freshmen women's honorary at Marshall College, recently elected 19 women for membership. Freshmen women must have achieved a first semester academic average of 3.5 for eligibility to the honorary.

Among these women was Carole Berry, daughter of Mr. and Mrs. James Berry, of Sissonville, with an average of 3.8.

Presiding at the three-day meeting will be Dr. J. T. Richardson, state president, and head of the Marshall College department of sociology.

Approximately 300 persons are expected in Morgantown for the event.

Registration and information will be in charge of the Morgantown Service League with Mrs. Robert Pierce as chairman. Mrs. Rose Prince of Family Service and Mrs. Betty Taylor of United Fund will handle pre-registration.

### Banquet Plans

Banquet arrangements are being made by the Marion County Community Council and Mrs. Seigal Parks and the Junior League of Fairmont with Mrs. William Nutter.

Mrs. Wilma Lewis of the Monongalia County Health Department will have charge of transportation; Mrs. Edna Hardin of the Department of Public Assistance is handling radio and television publicity.

Allan W. Babcock and the Chamber of Commerce are making housing and room arrangements; Mrs. Velma Miller, folders, and Morgantown Girl Scouts, kits.

In charge of exhibits is Martin A. Dobis.

Among the topics scheduled for the conference are "Reports and (Continued on Page 2, Column 3)

Discussion of White House Conference, "Planning State-Wide Services," "Use of Other Agencies as a Resource," "Year-Round Recreation Programming," "Beckley's Operation 'Bootstrap'," "Family Breakdown," "Solving the Communities' Problems Together," "Developing and Improving Correctional Resources," and "Character Problems and Administration of Public Assistance."

Associate groups which will participate in the state conference are the West Virginia Committee of the White House Conference on Children and Youth; Salvation Army; National Association of Social Workers and United Funds and Councils, and the Department of Public Assistance.

Two workshops Thursday afternoon will open the conference with the first general session scheduled Thursday night. The final session will end at noon Saturday.

## Delta Zeta Sorority Holds 2nd State Day at Marshall

The second West Virginia State Day for Delta Zeta sorority was held here last weekend at the Delta Zeta sorority house on the Marshall campus and climaxed with a luncheon in the Georgian Terrace of the Hotel Frederick.

Approximately 100 girls registered from Athens, Princeton, Peterstown, Dunbar, South Charleston, Charleston, Fairmont, Beckley, and Huntington.

A coffee hour was held at 9:30 a. m., at the Delta Zeta sorority house, 1616 Fifth avenue with Mrs. Joe Rogers serving as hostess. Press books from each chapter were on display.

At 10:30 a. m. the collegiate girls and alumnae met in Northcott Hall to see several short skits to be presented by girls from the Concord, Fairmont, and Marshall chapters, after which discussion groups were

held. Miss Marjorie Devers, Marshall graduate from Dunbar, served as moderator for the college group. Mrs. Earl Skaggs, president of the Huntington alumnae chapter, served as moderator for the alumnae round table discussion entitled "Alumnae Chapter Operations in General."

A luncheon was held in the Georgian Terrace of the Hotel Frederick at 1 p. m., with Mrs. Don Titus, Marshall Delta Zeta alumna from Huntington, speaking on the subject "Recipe for Life." Mrs. Titus is the candidate for Delta Zeta "Woman of the Year" from the Huntington chapter. As favors for the luncheon, small recipe books were made by the Huntington alumnae chapter containing their favorite recipes. The Marshall Collegiate chapter presented several musical selections.

STATE DAY TEA — A group of Delta Zetas at the tea table at the celebration of State Day here are left to right: Nancy Miller of Princeton, W. Va.; Mrs. R. A. Bokenkamp, Charleston; Mrs.

## College News Of Area People

Mac Hall, son of Mrs. Sarah V. Hall and the late William Hall of Route 1, Williamson, will receive his Master's degree on May 29 during 123rd commencement exercises at Marshall College.

Hall is on the coaching staff of Chapmanville High School and formerly taught at Lenore High School and coached basketball at Crum High School.

He received his B.S. degree from Concord College in physical education and social studies, was awarded the Key of Excellence for outstanding citizenship, and served as vice - president of Sigma Tau Gamma fraternity, a national social organization.

At Marshall, he majored in educational administration, fulfilling the state requirements for secondary principal and county superintendent certificates.

HUNTINGTON, W. Va. — Miss Donna Faye Wiggins, Kermit freshman attending Marshall College, was recently initiated into Alpha Lambda Delta, freshman womens' honorary at Marshall.

Miss Wiggins, with 18 other Marshall freshmen, obtained an academic average of 3.5 last semester to receive the honor.

### CAROLE BERRY CHOSEN BY MARSHALL SORORITY

Alpha Lambda Delta, freshman women's honorary at Marshall College, recently selected 19 women for membership.

Freshmen women must have achieved a first semester scholastic average of 3.5 for admittance to the honorary.

Among these women was Carole Berry, daughter of Mr. and Mrs. James Berry, of Sutton, with an average of 3.8.

## Marshall Job Slowed By Vandals

Weekend vandals are hampering construction of the new Marshall College health and physical education building at 300 Eighteenth Street.

The Persun Construction Co., general contractor, and subcontractors reported yesterday the vandals have been entering the building on weekends and destroying materials and damaging installations.

The Ohio Valley Insulating Co., 823 Adams Avenue, told the police that insulating materials left in the building over weekends had been damaged on two occasions in the past month. Ohio Valley estimated its loss at \$200.

Workman said that on several occasions large quantities of gravel have been dumped into soil stacks in the plumbing installation, and employes have had to spend considerable time cleaning out the pipes.

Walter Donat, architect for the project, said vandals also had walked through freshly poured concrete on several occasions and that workers had to resurface the floors.

About a dozen windows have been broken on the Fourth Avenue side of the building and installation of glass has been temporarily suspended as a result.

A Persun Construction spokesman and others on the job said instances of vandalism in buildings under construction is not unusual, and generally is considered one of the hazards of the construction business.

Tracks in the concrete indicated the vandals were boys of elementary school age.

W. R. Manning, Charleston; Mitzi Stanley, Beckley; Nancye Davis, Princeton, and Mrs. Earl Skaggs, president of the Huntington Alumnae chapter.

# Three Trophies Won

Three trophies were won by Delta Epsilon Chapter of Delta Zeta social sorority at Marshall College at the annual Deitz Zeta State Day.

Delta Upsilon of Marshall completed against the chapters

from Fairmont State Teachers College and Concord College.

Joanne Horne of Huntington won the scholarship trophy with a 3.70 average for last semester. The service trophy went to Mary Hanna of Charleston.

# New Phone System in At College

A new telephone system went into operation at Marshall College today.

Mrs. Leveria O. Verlander, switchboard operator, said the changeover appeared to be going smoothly, with only minor difficulties encountered by the fact that every office on campus has a new extension number and the new system is different in several respects from the one which had been in operation at the college since 1947.

Under the new system to get an outside line when calling from the college you dial "9." All extensions have been changed to three digit numbers and it now is possible to make interoffice calls without going through the switchboard.

### Two Lines Added

Two new outside lines have been added, so that the college now has 10 instead of eight. The eight lines will continue to be plugged into the same telephones on campus at night as they have in the past. The two new lines will be left free so people can call outside from the college after office hours.

Marshall now has 60 extension lines. The new equipment could handle as many as 120.

Representatives of the Chesapeake & Potomac Telephone Co. were on hand today to assist in putting the new system into operation. They also met yesterday afternoon with the faculty and other employees to explain the system and answer questions about it.

# Tech's Si Becomes

West Virginia Tech's Alpha social fraternity became a chapter of Phi Epsilon national fraternity in initiating held last week. This local campus group national charter.

The Sigma Tau organization became a colony of Sigma Epsilon in May.

At a banquet in the cafeteria, Saturday night, a new brand name was presented and a show room and warehouse will be arranged.

# Curriculum Center Set At Marshall

A curriculum material center, designed to aid student teachers, will be begun at Marshall College in September, according to Walter Felty, assistant professor of social studies at Marshall and chairman of the Audio-Visual Laboratory.

The curriculum center, to be located in the Marshall Science Building, will open facilities for student teacher usage at no charge other than regular tuition fees. The center will enable students to prepare lessons and unit plans for classes they are assigned to teach as part of Marshall's student teaching program.

The center will offer text and work - book material for all grade levels in various subject matter. Text and work - books used will be donated by several well known publishing companies. Said Mr. Felty.

Six types of material will be available; a text and work-book file, a bulletin file, curriculum guides, a flat materials file, a small filmstrip and record library, and a course file.

The curriculum center is a modern trend in many colleges, according to Mr. Felty and labs of this type have proved successful throughout the United States. Marshall hopes to expand their center in the future in order to make space for more material and students.

side down cake in it, using half a package of cake mix (enough to fill a regular 8 or 9-inch layer-cake pan) for the topping.

## Dr. McCaskey Serves As Dean Of College

Dr. A. E. McCaskey, head of the Engineering department of Marshall College, Huntington, will become Dean of a new Marshall school of applied sciences effective with the opening of the 1960-61 school term.

The appointment has been approved by the State Board of Education at recent meeting in Charleston.

President Stewart H. Smith of Marshall has announced the new school will embrace engineering, The Reserve Officers Training Corps, the new nursing education department and the training program for laboratory technicians.

Dr. McCaskey is a son of Mrs. E. B. McCaskey of North Main St., City.

## Humphrey Will Visit Marshall College Friday

Senator Hubert H. Humphrey (D-Minn.) is scheduled to appear at Marshall College from about 12:05 to 12:25 p. m. tomorrow to meet students.

The senator, a candidate in West Virginia's presidential preference primary on May 10, will be in front of the Science Building. He is to be welcomed by William Tow of Man and other officers of an organization of Marshall students who back Humphrey.

Two will be among guests at a dinner for Humphrey on Tuesday. Senator John F. Kennedy (D-Mass), Humphrey's opponent in the primary, visited Marshall campus earlier.

## Fellowship Is Awarded Marshall Man

Russell L. Tice, Jr., son of Mr. and Mrs. R. L. Tice of Parkersburg, a Marshall College senior, has been awarded a National Science Foundation fellowship in chemistry by the Department of Health, Education and Welfare.

He will study for a Ph. D. degree in physical chemistry at the University of California at Los Angeles.

He will receive a B. S. degree in chemistry summa cum laude from Marshall in May. He plans to enter college teaching or industrial research upon completion of his Ph. D. work.

Tice has received the sophomore engineering award and the senior chemistry major award of the Central Ohio Valley section of the American Chemical Society. He has worked as a student assistant in the mathematics and engineering departments at Marshall.

## Insurance Bids Asked

All insurance companies have been invited to submit plans and bids for a group insurance policy for Marshall College students. The deadline is May 4th. Bids are to be accepted at the dean of men's office.

The faculty — student committee will meet Wednesday to decide on the health and accident policy to be purchased.

## 3 To Attend Language Conference

Dr. Walter H. Perl, associate professor of German at Marshall College, will preside during the section of German literature and language at the 13th foreign language conference of the University of Kentucky in Lexington on Saturday.

The conference begins today and is the most important spring conference of foreign language scholars in the nation, according to Dr. Perl.

More than 800 scholars participated last year. Dr. Perl has previously given four different papers at earlier meetings of this conference.

Prof. Juan C. Fors, professor of Spanish, and Dr. Richard A. Steele, assistant professor of political science, at Marshall, will accompany Dr. Perl to the conference. Mr. Fors will attend the Spanish languages section, Dr. Steele, the Slavic languages section.

## Two Marshall Graduates Are Promoted at Inco

The International Nickel Company's Huntington Works today announced the promotions of William F. Peterson and R. E. Hinerman.

Mr. Peterson, now a senior accountant, is named administrative assistant-accounting, and Mr. Hinerman, presently an accountant, becomes supervisor-standard costs. Both are Marshall College graduates.

Peterson joined Inco in June 1940 in the combustion department, transferring after a short period to the accounting department. He and his wife and daughter reside at 114 Woodland drive.

Mr. Hinerman joined Inco in May 1941 as a clerk in the office of the warehouse department. He moved to the accounting department the following year. Mr. and Mrs. Hinerman and their two sons live at 3049 Wallace circle.

Inco also announced two transfers to Huntington from the Bayonne, N. J. plant.

G. W. Mehlretter moves here as management staff assistant of the Huntington Alloy Products Division. F. W. Herbst will become assistant to the superintendent of the division's strip mill department.

Mr. Mehlretter, expected here Monday, is now assistant to the general superintendent at Bayonne. He joined Inco in June 1945.

Mr. Herbst, employed by Inco in 1949, is now in charge of the investment casting department at Bayonne. He will arrive in Huntington about June 1.

Both have B. S. degrees in mechanical engineering.

## 3 to Attend Conference

Three members of the Marshall College faculty will attend the 13th foreign language conference of the University of Kentucky in Lexington this week end. The meeting began today.

Those from here include Dr. Walter H. Perl, associate professor of German at Marshall; Professor Juan C. Fors, professor of Spanish, and Dr. Richard A. Steele, assistant professor of political science.

Dr. Perl will preside during the section of German literature and language tomorrow. He has given four papers at earlier meetings of this conference.

## Inspection Of ROTC Set Friday

The annual federal inspection of the Marshall College Reserve Officers Training Corps unit will be held Friday on the campus.

Members of the inspecting party will be Lieutenant Colonel Renolds R. Keleher of West Virginia University, Major Herbert W. Rainey, Ohio State University; Captain Arthur R. Back, University of Toledo; Master Sergeant George W. Pierson, Kent State University; and Sergeant first class James L. Crawford of Headquarters XX, U. S. Army Corps.

The inspection will begin at 8 a. m. with a briefing by Lieutenant Colonel Thomas A. Rial, professor of military science and tactics and commander of the Marshall detachment.

The inspecting team will then visit classrooms and observe teaching methods, check detachment files and records, inspect the area and observe and question cadets in drill.

### Public Invited

Dr. Stewart H. Smith, president of Marshall College, will join the inspectors on the reviewing stand at noon for a formal inspection and review of the entire Marshall College Battle Group. The public is invited to witness this event on the Marshall parade field, corner of Third avenue and Sixteenth street.

The inspecting party will be honored at a luncheon in the college cafeteria at 1 p. m. and will present their critique to detachment personnel at 2 p. m.

Evaluation will be based on the general organization of the ROTC unit, efficiency of military personnel and office administration, organization and training in classrooms, activities in leadership of the cadet corps, appearance and ability of the drum and bugle corps, and the facilities, enrollment, staff, curriculum and overall operation of the unit.

## Sorority Will Have State Day

Delta Zeta sorority at Marshall College will be the hostess group today for the second annual Delta Zeta State Day activities.

Members of the active and alumnae chapters from Athens, Princeton, Peterstown, Dunbar, South Charleston, Charleston, Fairmont, Beckley and Huntington will attend.

A coffee hour will be held at 9:30 a. m. at the sorority house, 1616 Fifth Avenue, with Mrs. Joe Rogers serving as hostess. After the coffee hour,

there will be a discussion on "Alumnae Chapter Operations in General."

Mrs. Don Titus will speak on "Recipe For Life" at a luncheon at 1 p. m. at the Hotel Frederick. She is an alumna of Marshall Delta Zeta, and is a candidate for Delta Zeta Woman of the Year.

In charge of arrangements for State Day are Miss Peggy Fleshman, Mrs. Earl Skaggs, Mrs. James Moreland, Mrs. Glenn Hull, Mrs. Howard Valentine, Mrs. Robert W. Johnson and Mrs. Arthur G. Swavely.

## Two Parkersburg Students Chosen

Two women from the Parkersburg area attending Marshall College recently won positions of leadership in their social sororities.

They are as follows: Pat Joyce, Parkersburg junior treasurer of Alpha Chi Omega, and Diane Warfield, Parkersburg sophomore, panhellenic representative for Sigma Kappa.

## 20 on College Faculty Given Promotions

Twenty members of the Marshall College faculty have received promotions effective September 1, it was announced today by Dr. Stewart H. Smith, president of the college.

The promotions have been approved by the State Board of Education.

Raised from associate professor to professor were Dr. Alex Darbes of the psychology department, Dr. Sam E. Clagg, geography; Frederick A. Fitch Jr., physical education; Dr. Clarke F. Hess and Dr. Woodrow W. Morris, both of the education department.

Promoted from assistant to associate professor were Joseph M. Lichtenstein of the education department; Mrs. Ruth C. Garrett, speech; Dr. Mary Lyon Sutton, psychology; Marvin O. Mitchell, English; Miss Anna Virginia

Locke, library science; Mrs. Eugenia R. McMullen, music; Harold E. Ward, science; Stephen D. Buell, speech, and Miss Reva Belle Neely, home economics.

Six instructors raised to assistant professors include Stanley W. Ash, Leland C. Marsh and Philip E. Modlin, all of the science department; Eric P. Thorn, English. Mrs. Elaine A. Novak, speech, and Mrs. Helen S. Hunter, education department.

## HURRICANE HIGH STUDENTS ATTENDED CONFERENCE

Five student council members from Hurricane High School attended the annual High School Leadership Conference at West Virginia University, April 8 through 10.

There were 32 high school represented with 135 students.

The purpose of the conference was to compare problems of students' organizations.

Those attending were June White, Sharon Feury, Phyllis Sowards, Elizabeth Faulkner and Mike Griffeth. Mr. Tom Dixon, student council advisor, sponsored the group.

\* \* \*

Seven students from Hurricane High School Future Teachers of America club attended the Ninth Annual Regional Conference of the Future Teachers of America, held April 8, 1960, at Marshall College, Huntington, W. Va.

Sylvia Bonner, Judy Burns, Dozier, Donna Howard, and Mary Ferrell, Julia Bell, Gayle Mary Erwin, accompanied by Mrs. Kathryn Coyner, heard several interesting speakers including the President of Marshall College, Dr. Stewart H. Smith, and Mrs. Madge Matthews, Member, Board of Directors, W. Va. C. T. A.

## 9 Women Initiated Into Fagus

Nine women students of Marshall College were initiated into Fagus, senior women's leadership honorary society, at a noon ceremony Wednesday on the Omicron Delta Kappa Circle on the campus.

The initiates, all juniors, are Jane Aylor, Susan Daugherty, Joyce Rutledge and Jennie Windsor, all of Huntington; Charlotte Damron and Mary Ann Rogers, both of Point Pleasant; Delores Inclan, Moundsville; Cheryl Noe and Sandra Strohmeyer, Kenova.

This is the 10th group to be taken into the society which was organized at Marshall in 1951 by local alumnae of Mortar Board, national senior women's leadership honorary. "Fagus" is the Latin word for beech, and the name was chosen because a huge beech tree on the Marshall campus is a landmark and believed to be the oldest thing on the campus.

Mrs. LaDonna Crockett Crotty, president of the group presided at the ceremonies in which the new members received the society's green and silver grey ribbons and pins fashioned in the shape of a beech leaf.

## Music Honorary Elects Officers

Delta Omicron International Music Honorary at Marshall College recently elected new officers.

They are Annabelle Patrick, Huntington junior, president; Sharon Hinchman, Davin junior, first vice president; Mary McDonnald, Huntington sophomore, second vice president; Mary Ellen Geiger, Kenova junior, secretary; John Hart, West Hamlin sophomore, treasurer; Janet Heck, Milton junior, warden; and Sandra Thorniley, Huntington sophomore, chorister.

## Leader Body Picks Members

Members of the 1960 Leadership Camp Commission have been announced by Marshall College.

Joyce Rutledge, Huntington junior, is coordinator of the group.

The commission members are Ann Marshall, Huntington junior, guest speaker and hospitality chairman; Hughes Booher, Moundsville junior, recreation chairman; Jeanne Pitts, Huntington senior, correspondence chairman; David Smith, Huntington freshman, discussion group chairman; Owen "Buddy" Duncan, Huntington sophomore, transportation chairman; and Patty Polisky, St. Albans sophomore, secretary.

## SBA WILL HELP

PHILADELPHIA (AP) — An chorman Eras Leps—a Libnan-tan-born Canadian—whipped into the lead on the final turn to appear Michigan to the college distance medley title Friday at the Penn Relays.

The Wolverines were caught in 9 minutes, 56.8 seconds for the 2 1/2 mile jaunt, but it was Leps who carried the mail home safely.

Tony Seth ran the opening half-mile for Michigan, followed by Brian Gibson on the 440. Dave Martin did three-quarters and Leps the anchor mile.

The Wolverines were in it all the way but for a time, it appeared that they weren't going to make it. Yale set the early pace and on the final leg, Georgetown's Bob Vinton made a bold move into the lead on the backstretch. But on the final turn, Leps summed a mighty finishing kick.

## Michigan Win

## Insurance Plan For Students Is Still Under Study

A group insurance plan for Marshall College students is still under study, according to Dr. Harold Willey, dean of men. A recent report that bids were being received was in error, he said.

Insurance specialists are now studying various provisions to see what plan will best serve the students. Results of the study will probably not be determined in two or three weeks.

Dean Willey said all Huntington insurance firms will be notified of the program decision upon and invited to bid. An firm without a Huntington office wishing to bid should notify the dean of men, within the next week.

## James Stais Resigns at Marshall

James Stais, assistant professor of Spanish at Marshall College, has submitted his resignation effective at the end of the current term. Mr. Stais has accepted a teaching position at the University of Massachusetts.

His wife, Mrs. Gladys Baker Stais, an instructor in Spanish at Marshall, also has resigned, effective the same time. Mr. and Mrs. Stais were married at the beginning of the present semester.

Mr. Stais received his Master of Arts degree from the University of Michigan in 1950 and joined the Marshall staff that year.

Mrs. Stais received her M. A. degree from the State University of Iowa in 1957. She has been teaching at Marshall since 1958.

## 20 Promoted In Rank At College

Promotions of 20 Marshall College faculty members, effective September 1, were announced yesterday by College President Stewart H. Smith.

Raised from associate to full professor were Dr. Alex Darbes, psychology department; Dr. Sam E. Clagg, geography; Frederick A. Fitch, Jr., physical education; and Dr. Clarke F. Hess and Dr. Woodrow W. Morris, education.

From assistant to associate professor, Joseph M. Lichtenstein, education; Mrs. Ruth C. Garrett, speech; Dr. Mary Lyon Sutton, education.

## SBA WILL HELP AT MARSHALL

Delbert E. Williams, manager of the West Virginia Branch Office of the Small Business Administration, Region IV, announces that Philip McCallum, administrator of the Small Business Administration, has approved the SBA research grants for fiscal year 1960. Marshall College at Huntington, West Virginia is the recipient of the 1960 grant for the State of West Virginia. Their research project is titled, "How Small Business can Revitalize Three Coal-Depressed Counties in West Virginia."

These grants go to qualified educational institutions and are awarded for the purpose of financing the gathering and development of information relating to managing, financing and operating small businesses. This is the second year that these grants have been made by the agency under an amendment to the Small Business Act passed in 1958. The Act authorizes SBA to make no more than one grant per fiscal year in any one state, and no grant may exceed \$40,000.

Williams said that the successful projects were selected from 158 applications received from educational institutions and state agencies in each of the 50 states, the District of Columbia, Puerto Rico and the Virgin Islands. All applications were carefully reviewed by the Research Division of the Agency's Office of Management and Research Assistance and by the Agency's Management Research Advisory Council, a group of 14 prominent businessmen who serve in an advisory capacity without pay. In considering the applications, emphasis was given to the importance and usefulness of the projects to small business, the qualifications of the project directors and other factors.

## Insurance Plan For Students Is Still Under Study

# Varied Lineup Of Programs Set On Community Forum Next Season

X H-A 4/10/60

By BOB POWERS

The under-secretary of the United Nations, a world-famous author, a distinguished actor, a former British prime minister, three color travelogues, a leading educator, a two-time Pulitzer Prize winner and a production that garnered raves on Broadway.

That's the lineup for the 1960-61 season of the Marshall College Community Forum. Season memberships go on sale tomorrow at Becker's Music Store, 1040 Fourth avenue.

Curtis Baxter, Forum director, said that all persons purchasing a season membership will be entitled to attend the final Forum program of this year on April 22, featuring the renowned New York Pro Musica.

## Dr. Bunche To Appear

The Forum opens October 7 with Dr. Ralph Bunche, under secretary of the United Nations. Appearing October 18 is Harry Golden, editor of the Carolina Israelite and author of "Only in America" and "For 2 cents Plain."

Dennis King will present "Go Fly a Kite," a portrait of Benjamin Franklin, on October 27. Great Britain's post-war prime minister, Clement Attlee, will speak here November 17.

Thayer Soule will present his all-color motion picture, "Venice and the Italian Lakes" December 2. Hal Holbrook brings his famous "Mark Twain Tonight" production here January 19.

## Color Travelogue Set

Captain Irving Johnson's color film, "The Yankee Sails Across Europe," will be shown February 2. Dr. George Shuster, president of Hunter College, appears on a date to be announced later.

James (Scotty) Reston, distinguished reporter for The New York Times, speaks here April 3. Nicol Smith closes out the Forum April 18 with his color film, "Bavaria."

Marshall President Stewart H. Smith said yesterday, "Public support of the Forum has increased markedly in recent years.

"Our programs have improved from year to year. We are sparing neither effort nor money in securing the finest speakers in the fields of public affairs, literature, travel and others.

"Next season will be the sixteenth year since the Forum was founded. I feel that the quality of the programs as a whole for 1960-61 has never been better."

theatrical finds of his generation.

Offers have come to him for personal appearance tours of Europe, Saudi Arabia, Australia and the Orient.

## Veteran Of Sea Travel

Captain Irving M. Johnson has been going to sea since he was 17. He has been to more islands in the Pacific than any living man. He and his wife recently completed their seventh 18-month voyage around the world.

James (Scotty) Reston is acknowledged as the greatest reporter in America today. He has won two Pulitzer Prizes and is the best informed and respected political observer in the nation's capital.

Time magazine said of him:

THE ITALIAN LAKES

KETCH YANKEE

"Mr. Reston is usually where the best story is. A crack reporter, a good writer, a thoughtful columnist, and an able administrative chief of the biggest newspaper bureau in Washington, he brings to his job a sober, Calvinistic sense of responsibility."

Making a return appearance on the Forum, Nicol Smith will show his new color film, "Bavaria." The country is toured with beautiful shots of the countryside and major cities.

SCENE FROM BAVARIA

most distinguished Negro leaders of contemporary American history. His long background is university teaching and governmental work prepared him for a brilliant career in the United Nations.

Mr. Bunche has frequently been called upon for work and advice on problems of the Near East. At the time of the Suez crisis in 1956, he was asked by the secretary-general to organize and to supervise the United Nations Emergency Force. He continues to carry this responsibility.

Harry Golden won fame two years ago with the publication of "Only in America," a compilation of columns from his newspaper, The Carolina Israelite. His offbeat proposals on a variety of Southern problems and his reminiscences about his childhood in New York City have delighted thousands of readers.

## Famous Theatrical Star

Dennis King is one of the most illustrious names in the English speaking theatre. His Broadway

credits include his memorable performance in "The Vagabond King," "Show Boat," "The Three Musketeers," "A Dolls House," "Blythe Spirit," "Pygmalion," "Edward, My Son," and many others.

In his current production, King delineates the wit, wisdom, diplomacy and every-day "horse-sense" of Benjamin Franklin.

Clement Attlee, prime minister of England during the years following World War II, has won a host of friends throughout the United States on his previous speaking tours.

It was the Attlee government which nationalized the basic industries; introduced the National Health Service; allowed India, Burma; and Ceylon to determine their own future and joined in defeating the Berlin blockade.

## Travel Expert

Thayer Soule has been a member of the famous Burton Holmes travelogues for many years and

became chief narrator upon Mr. Holmes' retirement. His filming trips have taken him a staggering million miles, through more than seventy countries.

His latest film takes the viewer on a tour of Venice, looking into the old city's history, charm and future. The second part of the motion picture offers a visual tour of the Italian lakes.

Hal Holbrook's "Mark Twain Tonight" ran a year on Broadway, was made into a best-selling recording and a book. Young Mr. Holbrook nightly transforms himself into a seventy-odd year old Samuel Langhorne Clemens and has emerged as one of the

## Attlee Heads All-Star List For Marshall College Forum

4112/60

The Marshall College Community Forum has surpassed its own high standards of past years in the array of notable speakers and entertainers engaged for the 1960-61 season.

Heading the list of notables is Clement Attlee, former British prime minister, known the world over as the leader of the Labor government that nationalized basic industries.

The British statesman will not likely find much support here for his political views, but intelligent citizens of Huntington interested in world problems will be eager to hear his illuminating discussion of them.

Another speaker prominent in world affairs will be Ralph J. Bunche, under secretary of the United Nations and one of the nation's most noted Negro leaders and educators.

Almost equally well known for his association with Washington officials in covering political and governmental news is another speaker, James (Scotty) Reston of The New York Times, twice winner of the Pulitzer prize for distinguished reporting.

The most popular numbers of the all-star list of attractions announced by Forum Director Curtis Baxter will be Hal Holbrook's "Mark Twain Tonight," which ran for a year on Broadway, and Dennis King's "Go Fly a Kite," a portrayal of the many-faceted genius of Benjamin Franklin.

Also included will be three color travelogues, along with Harry Golden, editor of the Carolina Isrealite, and Dr. George Shuster, president of Hunter College.

The series will present informative and entertaining numbers that few cities the size of Huntington can match. It will offer an unusual cultural opportunity not only to people of the city but those in the surrounding area.

Those interested in the finer aspects of living and in the perplexing problems of the critical times should hasten to make their reservations at Becker's Music Store, 1040 Fourth Avenue.

Memberships should also be provided for teen-agers not yet in college as a means of giving them a pleasant introduction to the attractions of educated living.

X A 415/60

## Dinner Set For Forum Supporters

Last year thousands of New York theatregoers paid \$6.00 for seats to Hal Holbrook's "Mark Twain Tonight." Next season 600 members of the Marshall College Community Forum can witness that show, plus nine other programs, for a total price of \$8.50.

Curtis Baxter, manager of the Forum, said yesterday season tickets are going at a fast rate. "We fully expect to reach our goal of 600 subscriptions within a few days," he said.

Mr. Baxter emphasized speed in buying tickets is advisable to assure membership. Tickets, which are sold by season membership only, are on sale at Becker's Music Store, 1040 Fourth avenue.

### Finest In History

The 1960 - 61 Forum program, 16th to be presented by the college, has been described as the finest to be offered in Forum history by Marshall President Stewart H. Smith.

The Forum opens October 7 with Dr. Ralph Bunche, under-secretary of the United Nations and one of America's outstanding Negro leaders.

Appearing October 18 is Harry Golden, best-selling author and editor of the "Carolina Israelite." Golden's two books, "Only in America" and "For 2 Cent Plain" both had long reigns at the top of the best-seller lists. His newest book, "Enjoy, Enjoy" will be published in July.

### Dennis King Scheduled

October 27 is the date for the appearance of Dennis King, well-known American actor famous for his role in "The Vagabond King." King will present a portrait of Benjamin Franklin, entitled "Go Fly a Kite."

Clement Attlee, Great Britain's prime minister during the post-war days, speaks on the Forum November 17. Lord Attlee is considered one of the world's leading statesmen.

Three color travelogues have been scheduled for the new season. Thayer Soule will present "Venice and the Italian Lakes" rounding area.

on December 2. Captain Irving Johnson will show his film, "The Yankee Sails Across Europe" on February 2 and Nicol Smith presents his motion picture, "Bavaria," on April 18.

### Holbrook Coming

Hal Holbrook's "Mark Twain Tonight" plays Huntington on January 19. Mr. Holbrook, a man of 35, applies makeup in a 3 1/2-process that transforms him into Mark Twain at the age of 70. This production won raves from the New York critics and has scored big successes in its cross-country tour.

Dr. George Schuster, president of Hunter college and now on leave, addresses the Forum on a date to be announced later. Dr. Hunter currently is with the Center for the Study of Democratic Institutions, New York.

James Reston, two-time winner of the Pulitzer Prize and world-famous reporter for The New York Times, will be here on April 3. Mr. Reston's stories and columns from Washington are recognized as among the best writing to be found in American journalism today.

All persons buying tickets for next year's Forum are eligible to attend the final current season presentation this Friday night. At that time, the New York Pro Musica will present a program of medieval renaissance and baroque music. The concert begins at 8 p. m.

## On And Off Stage

# Young Actor Keeps Humor Of Mark Twain Much Alive

By CHARLES STAFFORD  
(AP Staff Writer)

NEW YORK (AP)—A half century after his death Mark Twain is wondrously alive—and as mischievous as ever—in the person of a young actor named Hal Holbrook.

When Holbrook strips away the white wig and grease paint at the end of a performance of "Mark Twain Tonight!," his physical resemblance to Twain disappears. But the spirit of Twain is remarkably entangled with his own, and this he cannot set aside.

(Holbrook will appear on the Marshall College Community Form January 19, 1960 in a performance of "Mark Twain Tonight")

It haunts his conversation, materializing suddenly "The humor of Twain will remain fresh as long as man remains the jackass that he generally is." Then it vanishes again.

Has he absorbed it from a long association with the ghost of Twain? Or is this simple a marriage of kindred spirits?

"Hal always had a keen wit," says his wife Ruby. "But I think his association with Twain has colored it a bit."

### Prefers Himself

But her husband says, "I'm a helluva lot more interested in being myself—whoever that is—than in being anyone else."

Twain died April 21, 1910 — 50 years ago Thursday. For 45 years after the Civil War his humor, which adorned his writing and made him the most popular figure ever to mount an American lecture platform, kept the nation tittering.

Holbrook has helped prove the enduring quality of Twain's humor. His portrait of Twain the lecturer was a Broadway success of last season. It has been on intermittent tour ever since.

"Holbrook does more than skim the cream off Twain's comic writing" wrote one reviewer. "He illuminates the paradoxes of

MARK TWAIN AND MOCK TWAIN

Real Mark Twain (Left), Holbrook (Center), Holbrook As Twain (Right) (AP)

Twain's character—his boyish desire to be approved by the same world he derided, his jovian good humor streaked with hidden despair. By evening's end, many spectators feel they not only have met Mark Twain, but—more extraordinary — have understood him."

### Admires Author

Perhaps Holbrook portrays Twain so well because he admires him so much.

"In a way it's wrong to think of Mark Twain as a humorist," he says. "He was much more. He was a great satirist. He used humor as a tool."

The remarkable things about Twain's writing to Holbrook are its clarity and choice of words. "His expression is so simple," he says. "There are not all of those detours between commas that you

find in contemporary writing. You don't have to go back and check what he was saying at the beginning of the sentence.

"And no one has been able to choose two words that explode in juxtaposition as Mark Twain could."

### Taught In Ohio

Holbrook has been impersonating Twain for 13 years. It began at Denison University in Ohio when a dramatics teacher suggested Hal and Ruby do a "great personalities" program for a school assembly tour. The final scene was Twain's "An Encounter with an Interviewer."

Thirty weeks, 40,000 miles, 307 performances. A growing fascination for Twain. More tours. The act broke up by the first-born. New York and soap opera. Twain as a sideline. Twain in a cellar nightclub called "The Purple On-

ion." Twain in summer stock Twain on Broadway.

Holbrook opened April 6, 1959, at the 41st Street Theater.

His characterization was a memorial to an obsessive research that left a mark on Ruby Holbrook. "I heard so much about Mark Twain that I refuse to read him," she says. "There was a time when I was jealous of Mark Twain."

### Read About Idol

Holbrook read books—the ones Twain wrote and the ones written about him. He combed newspaper files for descriptions of Twain at the lectern. He talked to James Bim Pond, son of Twain's lecturer manager, who as a boy had known the elderly Twain. Pond described Twain's voice and stage mannerisms in detail.

Makeup grew from a quick-change to a creation. It takes Hol-

brook 3½ hours to transform himself from a slim, dark, poker-straight 35 into a white-shocked, shambling Twain of 70.

His search for Twain material never ends.

Holbrook currently is working on a script for a television adaptation (NBC) of "Roughing It." He is also writing the script for an educational movie which will be filmed at the Twain home in Hartford, Conn.

"I've always made a great thing of trying to be authentic," he says. "I don't rewrite Mark Twain, but I do edit. You can't rewrite Twain. He has a very special and very rare way of expressing himself."

### No Other TV

Holbrook plans no other television programs or films. "I don't Twain," he says. "The fun of doing the show is with a real audience."

He will perform at the Edinburgh Festival in Scotland in August and open in London a week or two later if a theater can be found. After that he wants other roles. "I hope to continue doing Mark Twain as I am doing now, but only as something to turn to when I'm not otherwise engaged," he says.

He has had offers to exploit Twain—movies, TV series, product endorsements. But he says, "I don't think many of them would be in good taste, and I don't want to be a fad."

A Madison Avenue ad man called Holbrook one day and asked him to do a TV automobile commercial in his Mark Twain garb. "I wouldn't be interested," said Holbrook. "But perhaps you can get someone to dress up a Lincoln."

Twain, pure Twain.

**Pro Musica  
On Forum  
Tomorrow**

The Marshall College Com-  
munity Forum season ends tomor-  
row with the appearance at Mar-  
shall Auditorium of the New York  
Pro Musica.

The concert begins at 8 p. m.  
All persons who have purchased  
season tickets for the coming year  
are eligible to attend. Subscrip-  
tions also will be on sale at the  
door.

The program consists of English  
madrigals, Elizabethan ay res,  
Renaissance sacred music, early  
baroque cantatas, English instru-  
mental music, and German  
Renaissance part songs,

Among the composers whose  
works will be presented are John  
Wilbye, Thomas Morley, Thomas  
Weelkes, John Attey, Tobias  
Hume, John Dowland, John Bart-  
lett, Nicolaus Zangius, Orlandus  
Lassus and Michael Praetorius.

The New York Pro Musica is  
directed by Noah Greenberg. The  
ensemble is composed of six  
vocalists and an instrumental  
quartet.

## Pro Musica On Forum Program Here Friday

**NOAH GREENBERG**  
Concert Director

X H-D 41A2/60  
An excursion into the great mu-  
sical past will be experienced on  
the Marshall College Community  
Forum Friday night when the  
New York Pro Musica presents a  
concert of medieval, Renaissance  
and Baroque music.

The concert will be presented at  
8 p. m. in Old Main auditorium.  
New members of the Community  
Forum will be admitted to this  
program, Forum Manager Curtis  
Baxter, said yesterday.

The Pro Musica was founded in  
1952 in New York City. It is a  
non-profit, federal tax exempt  
educational organization. It has  
a permanent company including  
six vocalists, an instrumental en-  
semble of four, in addition  
to its musical director, Noah  
Greenberg.

It has as its goal the revival of  
the musical masterpieces com-  
posed before the beginning of the

## Marshall Signs Two Southern Cage Foes

The first two new additions to next season's Marshall basketball schedule were announced today by Neal Wilson, acting athletic director.

Wilson said contracts have been signed with George Washington University of Washington, D. C., and The Citadel of Charleston, S. C., for December appearances here against the Big Green. Both are members of the Southern Conference.

The Citadel plays here Wednesday, December 7, and George Washington on Thursday, December 29, Wilson said. He said he would continue the unusual practice of announcing new opponents as they are signed rather than make one schedule announcement—as is the standard practice.

## Big Green Golfers Open

The Marshall College golf team kicks off its 1960 season tomorrow at 10 a. m. at the Guyan Cuntry Club when it tangles with the Guyan All-Stars.

Meanwhile, the twice beaten Big Green tennis team is at West Virginia State in hopes of getting into the winning column. Coach Jule Rivlin said he plans no changes for the 1:30 p. m. mtch.

## Down in Front

By Ernie Salvatore

Sports Editor

## Ulinski vs. Snyder and What They Had to Say

Ed Ulinski is a sincere, well intentioned man.

As an assistant coach of the Cleveland Browns, he has in six years become one of Paul Brown's most trusted lieutenants.

His devotion to Marshall has never weakened down through the years, either. As one of the school's great football stars, he treasures his days there deeply.

In his heart, Ulie would never knowingly hurt Marshall. But, it's the opinion of some that he did the school harm last week when, in a talk before a student group during a visit here, he criticized its inadequate athletic facilities. He admitted that if he was casting around for a school to attend today, he wouldn't pick Marshall because of these deficiencies. He deplored most of all the long bus trip to and from St. Cloud Commons which the football team must take daily for practice.

Ulie's remarks were published in The Parthenon, the student newspaper.

They deeply stung members of the athletic department staff — several of them old classmates of Ulie.

Other alumni felt just as badly.

Among the first to step forward and take advantage at Ulie's views was Charlie Snyder, the incumbent head coach and also a former Big Green gridiron hero. Fiercely proud of Marshall — as is Ulie — Charlie went on record in the student newspaper this week blasting Eddie's stand.

"... I disagree with Ulinski concerning his comments on Marshall's athletic facilities," Charlie was quoted as saying. "I think our facilities rate better than those at some larger schools. I think we have an excellent practice field. And, we couldn't ask for better facilities than what we'll have when the new gym and intramural field are finished. As for the distance to St. Cloud, when I was at Kentucky (as an assistant coach) players had to walk one mile to practice."

The case rests.

## Majher To Hurl 1st Game Of Twin Bill

# Green Kicks Off Season Today

Marshall College's baseball team opens its season today at Inco Park in a doubleheader with West Virginia Tech. Game time for the first game is 3 p. m.

Big Marion "Lefty" Majher is expected to hurl the first game for Marshall, with Barry Myers, a right hander, slated to go in the nightcap. Both are seniors.

Hugh Reynolds, another senior hurling star, is scheduled to open Saturday's doubleheader at Inco against Xaxier of Cincinnati. Sophomore Andy Summers probably will work the nightcap of that twin bill. Starting time for the Saturday opener is 1:30 p. m.

West Virginia Tech is expected to send veteran Ken Knapp against the Big Green in the first game. Freshman Wayne Robertson is expected to hurl the nightcap.

Both teams are young, with Marshall's only seniors on its pitching staff. Tech has five returnees in its starting lineup, but it will also have to go with four freshmen.

Majher has been part of Marshall's regular pitching rotation

ever since he was a sophomore. Last season he won four games and lost five, and was a valuable slugger, playing in the outfield when not pitching. Myers had a 2-0 record last season.

Coach Bill Chambers is expected to start the following lineup:

Catcher, Jim Cook, Huntington East sophomore or Bob Adams, Kenova sophomore; first base, Walt Leonhart, Huntington Vinson junior or Bill Gallagher, sophomore; second base, Fred Conley, Kenova junior; third base, Barry Keadle, Anderson junior; shortstop, Jack Trainor, Huntington junior; left field, Ron Lambert, Huntington sophomore; center field, Tex Williams, Artie junior; and Jack Marcum, Huntington junior.

Keadle, Conley and Marcum were regulars last year. Conley, however, has moved from shortstop to second.

A special bus for students to the game and back is being sponsored by the Robert Myers' honorary organization. It leaves the school at 2:00 p. m. today and will return following the games. Admission to all Marshall games is free.

X H-D  
4/21/60  
**Ready For Parade, Tournney**

**DIRECTORS BILL TROWBRIDGE (L.), DAN HAYDEN (R.) HOLD PLACARD**  
Syracuse Nats' Connie Dierking (L. C.), Hal Greer Look On

## Huntington To Salute Hal With Procession, Halftime Ceremonies

Former Marshall College basketball star Hal Greer, one of professional basketball's fastest stars, will be honored "Hal Greer Day" parade in conjunction with the annual Huntington Invitational Tournament.

Greer, a backcourt sensation with the Syracuse Nationals, will be playing with teammates Connie Dierking and Hopkins on the Dick's Plant in the tournament.

Marshall College Coach Rivlin, under whom Greer played for three years, described the ex-Douglass as "one of the greatest."

"You can't say anything isn't good about Hal," Rivlin said last night. "I haven't seen anyone better since I've coached at Marshall."

"I think it's a very fine

and Color Guard, Huntington High School majorettes and bands from Huntington Vinson and Douglass.

Others planning to take part in the parade include Huntington's Biddy Basketball League champions, the Junior Chamber of Commerce's soap box derby champion and members of the Class AA Parkersburg Big Red basketball team that won the state championship two weeks ago.

Trowbridge said last night that other organizations have indicated they will take part in the parade.

Monday night, at the conclusion of the championship finals in the college and professional divisions, Greer will be presented gifts donated by Huntington businessmen and organizations.

**GW, Clemson Marshall Foes**

George Washington and Clemson will meet Marshall College's basketball team here next year, Neal Wilson, acting Marshall athletic director, announced yesterday.

George Washington, a member of the Southern Conference, will play the Big Green at Memorial Field House on Thursday, December 29. Clemson, a member of the Atlantic Coast Conference, will play here Thursday, December 8.

Clemson is coached by Press Maravich, colorful former Davis and Elkins mentor.

An earlier - published report listing The Citadel as a Marshall foe was incorrect.

## Companies Wince Word 'Discount'

Ed Merkle is well known the business for his opposition to open-end investment companies. He has made his share headlines by blasting away at mutual funds. And he evidently is willing to take pot shots at closed-enders - at least comparing them to Madison Fund. "When we compare our record with that of five other closed-investment companies, we find that the trend has been to large discounts or, in one case, a low premium," he points out.

A. DOYLE  
most closed-companies usually change the subject to the NIBL record for the past three weeks. He also rebounded to a record for the NIBL

## Ready For Parade, Tourney

It would provide two new Ohio River bridges for the Huntington area. Such spans would be toll-free, with but 10 per cent of the cost of the loop and the bridges borne by Ohio and West Virginia and the remainder by the federal government.

His exhibit is a hand-built electric eye. Her exhibit followed the development of a tapeworm in a pig and its effect on a human being who has eaten poorly cooked pork.

Michael J. Partridge of Port-mouth East High School won a mouth Navy cruise with an exhibit on measuring density of a liquid.

The senior division Mende Book award went to Judith Clayton and William Edward Chapman of Huntington East High School for their exhibit on embryology of ducks and chickens.

First place division winners received gold medals, ribbons, certificates and cash gifts of \$10, in the senior group, and in the junior division the same prizes.

Here are winners:

C. Lehart, an Internation Nickel Co. employe, was

## GW, Clemson Marshall Foes

George Washington and Clemson will meet Marshall College's basketball team here next year, Neal Wilson, acting Marshall athletic director, announced yesterday.

George Washington, a member of the Southern Conference, will play the Big Green at Memorial Field House on Thursday, December 29. Clemson, a member of the Atlantic Coast Conference, will play here Thursday, December 8.

Clemson is coached by Press Maravich, colorful former Davis and Elkins mentor.

An earlier - published report listing The Citadel as a Marshall foe was incorrect.

## Big Green Golf Squad Opens Today

Marshall College makes its initial golf appearance of the 1960 season at Guyan Golf and Country Club today, meeting the Guyan All-Stars at 12:20 p. m.

Coach Mike Josephs will have only two returnees from last year's team, Richard Burger and David Boyer, but he has other promising golfers in Harold "Pete" Byer, Jim Ward and service-returnee Drexel Meade.

Other members of the Marshall team are Joe Chambers, Carl Hickey, Darrie McLelland, Frank Perry and William Rickey.

The Guyan team, captained by Bob Teyro, will include Andy D'Antoni, Bob Steiner, Marshall Hawkins, Monk Childers and Dr. Charles McKay.

A 13-match schedule, including five triangular meets has been approved by the Marshall Athletic Board.

The schedule:

- APRIL - 2, Guyan All-Stars; 3, Riviera All-Stars; 5, Bowling Green; 12, Whittenberg; 17, Spring Valley All-Stars; 19, at University of Kentucky and Bel Air; 22, Western Michigan and Kent State; 23, Cincinnati and Dayton; 29, at Toledo (Toledo and Western Michigan); 30, at Kent (Kent State and Miami).
- MAY - 7, Ohio University; 13, at Whittenberg; 14, at Ohio University; 17, University of Kentucky; 20-21 - Midwestern Conference at Athens, O.

CHUCK SLACK  
Happy He Stayed

## Ex-Marshall Star Glad He Didn't 'Hang 'Em Up'

# Slack Headed For Olympics?

DENVER, Colo. — Every year Chuck Slack, formerly of Pomeroy, Ohio, Marshall College and now a star forward with the Akron Goodyear Wingfoots, says he's going to "hang 'em up" in the National Industrial Basketball League. But every fall when the sound of basketballs thumping on the hardwoods rings from a gym, Slack changes his mind and dons the usual garb.

This year, Slack, one of the NIBL's top stars, is extra happy

he "stayed with it." He may end up in Rome this summer for the Olympics.

Goodyear, runner-up in the National AAU Tournament, opened the Olympic trials here Thursday with an 82-76 win over the Armed Forces All-Stars.

"We're this far and I think we can go all the way," Slack said Thursday, "especially with those new fellows bolstering our squad."

He was referring to five other

top stars from the NIBL who have been added to the Goodyear team. Included in the five-some is Wade Halbrook, 7-3 giant who is said to be the tallest basketball player in the United States.

"We've had a couple of bad breaks this season that could have prevented us from winning the NIBL championship. Those four or five losses by one point hurt us," Slack said.

"We have some of the best shots in the NIBL with Dick Boushka from Wichita, Jim

Francis of Goodyear and Roland Todd of Seattle."

Boushka of St. Louis University is the NIBL's top scorer with more than 25 points a game. Francis, from Dartmouth, is a 6-9 center and Todd is Seattle's best forward. All three were named to the AAU All-American team this year.

Slack naturally forgot to mention himself as one of the top shots for the Wings. He was named as the AAU and NIBL All-Stars this year, and broke

## Big Green Shoddy in Debut

# Reynolds, Little Hurl for Marshall

By DON HATFIELD

Shocked in its opening double-header yesterday, Marshall's baseball team attempts to get on the victory road this afternoon when Xavier comes to Inco Park for another twin-bill. Game time is 1:30.

Yesterday the Big Green was upset twice by West Virginia Tech, 4-0 and 3-1.

The veteran Marshall team appeared at times to be suffering from a case of spring fever—or possibly complacency.

"Tech taught us a lot of things today," said a disappointed Marshall coach Bill Chambers. "And the most important was that you can never underestimate any team. Anybody up there with a stick in their hands is dangerous, and we seemed to have overlooked that."

### Shoddy Fielding

Shoddy fielding and mental blanks put Marshall behind in the latter game, and it was the latter which upset Chambers most.

"But I'm not alibing," he said. "I don't like to second guess. We just got beat."

Bill said he'll send veterans Hugh Reynolds and Carl Little to the mound today.

"We still have plenty of games left," he said. "There's no use thinking about those yesterday now. I'd like to see the team bounce back. Now we'll see if they can."

Tech coach Charley Cobb, whom no one recognized because he had lost 80 pounds in less than 12 months, said he was "pleasantly surprised" with his team's performance. Of Marshall, he said:

"Well, you can never tell about opening games, you know."

Cobb agreed the Big Green is capable of better play.

### Yields Four Hits

"I was real pleased with my pitcher in the second game," he said. "He had never pitched before. I thought he did all right."

Cobb referred to Dave Watson, formerly an infielder. Kenny Knapp went the distance in the first game, yielding but four hits.

Leity Majher and Barry Myers took the losses for Marshall. Majher gave up six hits. Myers held Tech to three, and fanned six.

It was in the second inning of the first game that Marshall looked its worst. Tech put to-

gether a single, walk and sacrifice fly with Marshall's passed ball, error and mental lapse for two runs.

"We threw the ball around more in that one game than we have in the past three years put together," said Chambers. "We lost our poise completely."

Marshall had two men on base three times, but could never get them in.

In the second game, the Green began the first inning as though it were going to gain sweet revenge. Freddie Conley led off with a triple and Ron Lambert doubled him in. But that's all the noise the Big Green made.

"I think the boys feel as disappointed as I do," said Chambers. "But maybe we've got this out of our systems. I sure hope so."

By ALAN CLINE  
 SAN FRANCISCO (AP)  
 Francisco Giant fans go to the new Candlestick ball park should bring along patience. A pair of big might come in handy too. The layout, a 15-million-dollar, pear-shaped concrete ball field, a seven-mile, 20-minute drive from downtown under non-baseball conditions. April 12 opening day and other home game dates, a trip of at least an hour way.

Day game crowds could even longer in getting to the heart. The park is just Bayshore Freeway, traveled by southbound commuters.

Unless you've the eyes Williams, binoculars will asset in watching the action. 42,680 seats are in full view. The diamond and outfield stands are a good distance.

Baseball always has been an intimate game, where a fan can yell at a ballplayer and the player could hear and even yell back.

It's not likely even Murphy, a locally known leather lunged character get to the Giants—or up at Candlestick.

The field itself is a masterpiece (baseball). Both left and right center fences are 335 feet down the lines from home plate, right center fences 397 feet, center 420. The grass and the infield looks good. There's a 10-foot wide

Senior, accepts the George player. Smith was the choice made at the Vinson banquet. Lambros (left) while playfully.

## Best Pitch Scheffing

"And Spahn and Roberts, they've become more of a breaker. Spahn, anyway, the a good pitch. But it A younger pitcher add a slider. Later the screwball."

## Marshall Net Team Rolls Up First Victory

INSTITUTE, W. Va. — The Marshall College tennis team got into the winning column here Saturday in its third try of the season with a 7-2 win over West Virginia State.

Dave Huffman, the Big Green netters' No. 1 man, got the ball rolling early, breezing past State's Herb Thompson, 6-2, 6-4. The string of wins continued through Joe Shaffer, Bill Price and Buddy Duncan before Marshall dropped its only singles match. Then Dave Ellis, the No. 6 man, tallied a win.

Two doubles teams—Huffman-Shaffer and Price-Duncan—were also victorious.

- Dave Huffman (M) defeated Herb Thompson, 6-2, 6-4.
- Joe Shaffer (M) defeated James Peeler, 6-3, 6-2.
- Bill Price (M) defeated Charles Owens, 6-3, 6-4.
- Buddy Duncan (M) defeated Phil Hill, 6-2, 6-4.
- Dave Ellis (M) defeated Richard Lee, 4-6, 7-5, 6-3.
- Huffman — Shaffer (M) defeated Thompson-Joe Hill, 6-3, 6-3.
- Price-Duncan (M) defeated George Hill-Owens, 6-0, 6-3.
- H. Hill-Peeler (WVS) defeated Hughes, 6-1, 6-4.

## Guyan Stars Nip Marshall

The Guyan All-Stars made the Marshall golf opener a disappointing one yesterday by nipping the Big Green linksmen, 9½ to 8½, at the Guyan Golf & Country Club.

Marshall sophomore Pete Byer and All-Star Marshall Hawkins shared medalist honors. Each had a 73.

The Marshall team will seek its first win against Mid-American Conference foe Bowling Green in its next match next Saturday at Guyan.

The Marshall team will seek its first win against Mid-American Conference foe Bowling Green in its next match next Saturday at Guyan.

- Pete Byer (M) 37-36—73 (2½) d. Bob Toyro 41-36—77 (1½).

- R. F. Steiner (G) 39-40—79 (3) d. Joe Chambers 43-41—84 (0).

# Green Hitters Explode To Split With Muskies

By SAM STANLEY

The Marshall College bats woke up from a three-game sleep to pound out a 10-2 victory over Xavier, salvaging the second game of a double-header with Xavier yesterday at Inco Park.

The Musketeers won the first game, 2-1, in a pitching duel between Xavier's Jim Strenk and Marshall's Hugh Reynolds.

Friday the Big Green opened with double losses to West Virginia Tech, 4-0 and 3-1. Next for Coach Bill Chambers' nine is a twinbill with Dayton at Inco Wednesday afternoon.

Reynolds struck out 10 men and walked three in the first tilt for the Big Green, but turning in just as masterful a job and gaining the verdict was Xavier's Strenk. He gave up two hits, struck out seven and walked eight.

Xavier bunched two of the hits and all three walks in the fourth inning for both of its runs. Marshall came back with three walks and a fielder choice by catcher Jim Cook for one run in the fifth, but some bad base running spoiled the Green's chances to pull even.

Marion "Lefty" Majher, who hurled one of the losses for the Big Green Friday, almost tied it up in the bottom of the seventh with a two-out pinch-hit double off the right centerfield screen.

However center fielder Tex Williams popped up to end the game.

But Majher and Williams combined their talents to pace the Big Green 10-hit attack in the second game.

Majher, playing right field, had a three-run homer in three trips to the plate and Williams drove in two more with a home run and double in four times.

Left fielder Ron Lambert and second baseman Fred "Chew" Conley also chipped in with three hits apiece. Conley, the leadoff man, drove in one run with three doubles and Lambert sent two runners in with a double and two singles.

Carl Little went the distance for Marshall to pick up the team's first victory. He walked two and struck out six over the seven-inning stint.

Jim Dressman also went all the way but walked five and struck out 10 in a losing effort for Xavier.

## Milhoan Ends Season 18th

Marshall College's departing senior, forward John Milhoan, finished 18th among the nation's scoring leaders, final statistics disclosed Sunday.

Milhoan, a first team All-Mid-American Conference selection and honorable mention All-American, wound up the season with a 23.3 average as the Big Green compiled a 10-13 book.

Marshall's top scorer also was rated 15th in the nation in free throw percentage on 121 made out of 149 attempts for an .812 average.

Sophomore center Bob Burgess also finished among the leaders in two departments. He was 30th in field goal percentage (.507) and 26th in rebound percentage (.356) with 2,362 rebounds in 23 games for .151.

Virginia's Paul Adkins, a graduate of Guyan Valley High School, placed 10th in the nation in free throw percentage (.826).

In team statistics, Marshall finished 19th in total offense, 1818 points in 23 games for 79.0.

## Nutter Speaker At C-K Fete; Riv in Hospital

Buzz Nutter, offensive center of the world champion Baltimore Colts, will be the guest speaker tomorrow night at the annual Ceredo-Kenova high school sports banquet.

Nutter is a graduate of Huntington Vinson, where he starred in football, and later he played for Virginia Tech. He replaces Marshall basketball coach Jule Rivlin who become hospitalized today with an attack of gallstones.

He was admitted to the hospital early this morning where he's expected to remain for several more days.

The banquet will be held in the school cafeteria, starting at 6:30 p. m. Jack Hardin is the toastmaster, the C-K Boosters the sponsors. Tickets for \$1.50 can be purchased at Flanagan's Drugs, Ceredo; Griffith & Feil Drugs, Kenova; and Mack's Watch, Kenova.

## Josephs Again BR Director

(Special to The Advertiser)

CHARLESTON — Dr. Mike Josephs of Huntington was re-elected director of the state Babe Ruth Baseball program here yesterday at the YMCA by the league representatives.

Huntington's Horace Smith will repeat as secretary - treasury and Clarksburg's Pete Romano was selected assistant director.

Clarksburg replaces Parkersburg as the site of the state tournament. The dates are July 30-31.

## Milhoan 18th In Scoring

Marshall College's senior basketball captain, John Milhoan, finished 18th among the nation's scoring leaders with an average of 23.3 per game, according to final statistics released yesterday.

Bob Burgess, the Big Green's

sophomore center, finished 30th among the field goal percentage shooters with .507 and 27th in rebound percentage with .151 (356 rebounds of 2,362).

Virginia's Paul Adkins, former Guyan Valley star, placed tenth in free throw percentage, hitting 109 of 132 for a mark of .826.

## Rivlin Better

Marshall College basketball coach Jule Rivlin may be released from the Huntington Cabell - Hospital today after being admitted early Monday because of a kidney-stone attack.

Rivlin's condition was reported as good and no surgery is needed at present his physician reported.

By GEORGE RORRER  
Herald-Dispatch Sports Staff  
Dick's Place shut out Modern Home Furnishings over the last 5:05 and scored 15 points during the same period to capture the professional division title of the second annual Huntington Invitational basketball tournament, 93 to 76, last night at Memorial Field House.

Bailey Howell, the Detroit Pistons' 1959 All-America from Mississippi State, fought a winning battle under the boards for the victors. He scored 35 points and out-rebounded seven-footers Walt Dukes and Bill Spivey.

Earlier, favored Tex Minit Wash stood off a blistering rally by Bennie Coffman-led Jack Dial Sporting Goods to win the amateur division title, 82 to 81.

Modern Home Furnishings, led by hot-shooting Charles Hadden, had stayed in contention all the way against Dick's Place in the pro finals, and was only two points behind at 76-78 with 5:08 to go.

But here a pitcher in the Cincinnati Redlegs' farm system, no less, broke the game open. Paul Underwood, former Marshall College cage star who departs for spring training in Tampa, Fla., today, swished a long set shot to make it a four-point lead. Seconds later he took a feed from Hal Greer and laid another one in. He was fouled by Earl Adkins on the play, and swished the free throw.

With time running out, that was enough to break the losers' spirit. Greer, the pro division's top scorer in the tournament, slipped in seven points and Howell three after that to seal the verdict. Ball-hawking play by the shorter victors wouldn't let the lanky losers get set in the waning moments, and they didn't score again.

Howell, faced with the task of trying to rebound against the tremendous height of seven-footers Dukes and Spivey, gritted his teeth and dug into some of the roughest under-the-basket dueling ever seen in Memorial Field House. When the smoke settled, the 6-8 Howell and his mates had won decisively. He pulled in 16 rebounds; Dukes had 12, and Spivey eight.

With the help of the 6-3 Greer, who got 12 rebounds, and Syracuse's Bob Hopkins, who got 10, the victors out-rebounded the skyscraping losers 51 to 39.

Hadden, who plays for Wilkes-Barre in the Eastern League, was the losers' top scorer with 22 points — only two of which were scored from in close. His accuracy from 25 and 30 feet was uncanny. Spivey weighed in with 19,

Vern Halton of the Philadelphia Warriors had 16, and Dukes scored 13.

Greer followed Howell in scoring for the victors with 21. This, added to the 29 he scored in the semi-finals, made him the pro division's top point-maker. Hopkins and Earl Lloyd of the Pistons had 14 each.

Approximately, 2,500 fans looked on, bringing the total estimated attendance for the three-session tournament to 6,800. Co-tournament Director Dan Hayden said that the tournament will be staged again next year.

Last night's fans got their money's worth in the opener.

Coffman, Huntington's gift to the University of Kentucky, poured in 31 points and played a fine floor game in a losing effort. He and speedy Butch Goheen almost pulled the underdogs to victory with a furious rally in the last three minutes of the amateur division game.

Tex Minit Wash, led by Marshall College sophomore Mickey Sydenstricker and 1960 Marshall captain John Milhoan, had broken into a nine-point lead early in the fourth quarter. Until then, neither team had enjoyed more than a six-point margin.

Tex hung on to an eight-point edge with 2:57 to go. But here Goheen and Coffman went to work.

Goheen cut it to six with a driving layup. Coffman made it four with a 20-foot jumper. Don Moreland cut it to two with 1:36 left. Then Coffman tied it at 77-all with a 15-footer.

Sonny Allen put the victors back in front at 1:03, but Coffman connected again to tie it at 79 with 0:51 left. Sydenstricker hit from the top of the key at 0:30, and it was 81-79. Then Goheen fouled Allen, who flipped in the free throw for a three-point edge at 0:22.

erated 'motels' he is trying to create a smoke screen in order to confuse the public.

"We note with surprise that after two years of denial, and a public display of pictures to support this denial, Mr. Francis admits that 'as of February 1st there were in the city of Huntington approximately 400

en a member of the three-man long with Dr. A. E. Harris and backed by the suggestion to spend city money — which we don't have — for something not as good as federally financed public housing." The latter "pays for itself in the long run and is no burden on the taxpayer," he added.

STILL 'NO ANSWER'

He observed that the four man anti-public housing bloc — Mr. Francis, Mayor Ellis, Frank Perry and Denvil F. Chandler —

**DICK'S HA** kept telling us that the Section Looking On Is L220 and 221 housing programs

to realize what every... Huntington knows?

"Examining the 'Francis Motel' scheme further, we wonder how he proposes to finance the building of sewers, roads and other facilities with city funds. If Mr. Francis would attend Council meetings more frequently than he does, he would know that existing sewer facilities in Guyandotte and Arlington Boulevard are so bad that sewage flows into the streets, and yet the city cannot provide the necessary funds to improve existing sewers.

"For two years Mr. Francis refused even to consider federal public housing, which would be built at no cost to the citizens of Huntington and would eventually pay for itself. But Mr. Francis is perfectly willing to spend the Huntington taxpayer's money and even outlined that the city manager 'provide for adequate funds in the coming budget to carry out this program.'

"This plan is coming from a member of a city administration that had to increase gross sales taxes on business and attempted to resort to a garbage collection tax just to maintain what the city manager termed minimum operating standards, including salaries which are still inadequate.

It should be noted that Mr.

# Marshall Nine Plays Third Double-Header

KA 4/6/60 By DON HATFIELD

Perfect weather greeted Marshall's baseball team today for its third double-header of the season.

The Big Green was to meet Dayton in two six-inning games at Inco Park. Game time for the first was 3 o'clock.

Coach Bill Chambers planned to send two untested sophomores — left hander Andy Summers of Charleston and right hander Jim Gallion of Paintsville — to the mound.

He said he'd have his veteran pitchers — Lefty Majher, Hugh Reynolds, Barry Myers and Carl Little — ready for relief work.

Play Ohio

Chambers must keep two of these for his first Mid-American Conference series of the season this week end. The Big Green plays powerful Ohio at Athens in single games Friday and Saturday.

Marshall now owns a 1-3 record. It expected to have at least a 2-2 mark and hoped to have a 4-0 record at this stage. But it blew two games to West Virginia Tech Friday before splitting with Xavier Saturday.

"Our pitching hasn't been too had," said Chambers. "Our big sticks haven't been coming through. Or at least they didn't until that second game Saturday. Maybe now we've found our eye." Dayton was to be opening its

season today. The Flyers have been plagued with bad weather and haven't had much work outside. They were scheduled to play Ohio yesterday, but the game was rained out.

Coach Herb Dentamen lost few regulars by graduation, and is expected to field another fine team. Dayton took two of three games from Marshall in 1959.

Marshall's lineup today was to be about the same as Friday and Saturday. At first base was either Walt Leonhart or Bill Gallagher, depending on the Dayton pitcher. Fred Conley was set at second, Jack Trainor at short, Barry Keagle at third and Ron Lambert, Tex Williams and Jack Marcum in the outfield. Catching was to be Jim Cook.

## Dayton Will Face Marshall Sophomores In Pair Today

A pair of untried sophomores — righthanders Andy Summers and Jim Gallion — have been nominated to pitch for Marshall College today when Dayton invades Inco Park for the Big Green's third consecutive doubleheader. Starting time for the first of two seven inning games is 3 p. m.

"They've always played good ball against us," Coach Bill Chambers remarked last night. "But we haven't been hurt as much by the weather as they have."

Dayton's scheduled opener against Ohio University Tuesday was called due to rain.

Marshall will take a 1-3 record into the twin bill. The Big Green lost twice to West Virginia Tech last week and split with Xavier, winning the nightcap 10-2.

"Our pitching has been good enough to win, but our sticks haven't been coming through," Chambers said. "We hope as the weather breaks we'll improve."

Summers, a sophomore from Charleston, is scheduled to start the opener, but Chambers hesitated to name who will start the nightcap. "We'll probably go with Gallion. But then again we may pitch him some in the first game. It all depends on how things turn out," Chambers added.

The Big Green is slated to start

with the following lineup:

Jim Cook, catching; Walt Leonhart or Bill Gallagher, first base; Fred Conley, second base; Jack Trainor, shortstop; Barry Keadle, third base; and an outfield consisting of Ron Lambert, Tex Williams, and Jack Marcum.

"We're still making a few mistakes, but it's early and so many things can happen," the Big Green mentor added.

Following today's games, the Big Green will start on the first of a four-game road trip. They play single games at Ohio University Friday and Saturday, meet Concord in a twin bill April 12 and then go to Virginia Tech for a single game April 13.

## Gymnasts Perform at Carnival

These talented young gymnasts of Parkersburg High School will perform for the public tonight in the Sports Carnival. Shown on the parallel bars doing a six-man handstand are, left to right, William Collins, James Dickle, Carl Harris, Ronald Curfman, Jerry Spencer and John Dickel.

Talents of over 800 physical education students at Parkersburg High School will be combined tonight for the Ninth Annual Sports Carnival in Memorial Field House.

Forrest G. Clark, chairman of the Physical Education Department, is director of the production.

The Carnival, which is a nationally known event and an intricate part of the physical education program at the High School, will commence with a preliminary program of intramurals, under the direction of Logar Rhodes, head of the Intramural Division and program coordinator.

Play-offs in the intramural program will begin tonight with the semi-finals and will end tomorrow evening with the finals.

Girls will also participate in the preliminary portion of the Carnival when they begin play-offs in their games program. Athletic skills and proficiency in sports will be demonstrated by physical education students and members of the Girls Athletic Association and Sports Club. Girls have been taught by Miss Sandra Foster and Mrs. Samuel Bailey.

Following the intramurals will be girls' rhythmic gymnastics which are synchronized gymnastic motions set to piano music provided by Stephen Smith. Miss Sandra Urso will conduct this part of the program.

Aerial feats, tumbling and performances on the high bar, trampoline, still rings, flying rings and parallel bars are some of the activities, which will be presented in the boys gymnastic por-

tion of the program, under the direction of Stephen Shadle.

Immediately following a performance by the boys gymnastic team will be the Coronation of the King and Queen when 88 pretty dancers honor the royal couple. Mr. Clark will crown the royal couple tonight, and Michael Joseph, director of physical education at Marshall College, will crown them tomorrow night. The festive circus atmosphere will prevail as the Grand Entry enters the Big Top. Eight Liberty Horses will enter the main ring and go through difficult feats, beginning a series of rhythmic demonstrations also directed by Miss Urdo. The spotlight will then be focused on Melody Thompson as she presents a roller skating act.

"Fan Tan" will lend an Oriental mood to the scene as 200 girls display rhythmic routines. John Dickel will be the featured "Bear Act" when he performs for the public. Acrobats will then do feats of many types.

Adding amusement to the Circus will be the hilarious antics of the clowns, and American Hoedown" will be the music used by the square dancers. Next will be the Parade of the Clowns, featuring 229 girls. "Flying through the air with the greatest of ease" will be John Dye when he enacts the part of the man on the flying rings.

Ferocious wild lions will enter the arena and exhibit animal feats. Eighteen senior girls will perform daring aerial stunts on swinging ropes.

The traditional living statues will

conclude the evening's entertainment.

Offering invaluable service in creating the finished appearance to the Carnival were many departments at the High School. Home Economics students have aided the program by making clown suits and other costumes.

Boys of the vocational division have built, wired and painted props for the numerous special acts.

Lighting effects have been designed and will be directed by members of the Stage Crew. Publicity has been handled by Journalism students, and dramatics students' work may be seen in the form of colorful make-up.

Art classes have been exceptionally active this year creating mammoth cardboard figures reaching life-like proportions up to eight feet in height. Another project has been designing posters that demonstrate the circus atmosphere.

Because of the traditional policy created by the Department of Physical Education and the Intramural Division, who sponsor the event, there will be no advance ticket sale. General admission tickets will be available at the door for 50 cents.

Timothy L. Cross, athletic business manager, has had charge of ticket sales, ushers and the sound amplifying system in addition to other organizational details of the building.

## Marshall, Ohio U. Players Beaten At St. Albans

ST. ALBANS, W. Va. (AP) — A team of former West Virginia University cagers thumped a squad of ex-West Virginia State College players, 91-63, Wednesday night to open the annual St. Albans Sportsman's Tournament.

Baldwin Supply, a team composed of former Cincinnati, Dayton and Xavier players,

Dayton's schedule against Ohio University Tuesday was called due to rain.

Marshall will take a 1-3 record into the twin bill. The Big Green lost twice to West Virginia Tech last week and split with Xavier, winning the nightcap 10-2.

"Our pitching has been good enough to win, but our sticks haven't been coming through," Chambers said. "We hope as the weather breaks we'll improve."

Summers, a sophomore from Charleston, is scheduled to start the opener, but Chambers hesitated to name who will start the nightcap. "We'll probably go with Gallion. But then again we may pitch him some in the first game. It all depends on how things turn out," Chambers added.

The Big Green is slated to start

Trainer, shortstop; Barry Keadle, third base; and an outfield consisting of Ron Lambert, Tex Williams, and Jack Marcum.

"We're still making a few mistakes, but it's early and so many things can happen," the Big Green mentor added.

Following today's games, the Big Green will start on the first of a four-game road trip. They play single games at Ohio University Friday and Saturday, meet Concord in a twin bill April 12 and then go to Virginia Tech for a single game April 13.

## Marshall, Ohio U. Players Beaten At St. Albans

ST. ALBANS, W. Va. (AP) — A team of former West Virginia University cagers thumped a squad of ex-West Virginia State College players, 91-63, Wednesday night to open the annual St. Albans Sportsman's Tournament.

Baldwin Supply, a team composed of former Cincinnati, Dayton and Xavier players, held off a late rally to defeat Gateway Shopping Center, comprised of one-time Marshall College, Ohio University and University of Kentucky stars, 91-85.

All-American Jerry West led the WVU players with 25 points, but had to take a backseat to John Milhoan of Marshall and Frank Case of Dayton, who each had 27 points in the nightcap.

## Sophomores Impressive As Green Sweeps Pair

Coach Bill Chambers apparently has come up with a new "find," and the Marshall College mentor couldn't be happier.

"I was very surprised with his pitching," Chambers praised southpaw Andy Summers after the untested sophomore two-hit Dayton Wednesday as the Big Green swept a twin bill at Inco Park, 5-1 and 6-3.

"I was very impressed with his control and the way he mixed his pitches," the Marshall coach added. "He certainly is a pleasant surprise."

Summers, whom Chambers is counting on for a regular turn on the Marshall staff, yielded only two hits, a leadoff home run by pitcher Dick Nonnelle in the third inning and a double by Jim Pistana in the second frame.

He struck out 12 and walked only three in his first assignment. He retired the side in the second, third and fifth innings and was never really in trouble.

Marshall, now 3-3 with an important two-game series coming up this weekend at Ohio University, gave Summers all the support he needed, jumping on Nonnelle for five runs in the first inning.

The big blow was a two-run homer by sophomore infielder Fred Wagner in the first inning. After shortstop Jack Trainer walked to lead off the bottom half of the inning, Wagner waded into Nonnelle's first pitch and drove it over the left field fence.

Centerfielder Ron Lambert followed with a single, advanced to third on a double by catcher Jim Cook and scored on a single by Summers, who went two-for-three for the game.

Three errors sandwiched around a double by Lambert produced two more runs in the second.

Dayton's lone run came on Nonnelle's leadoff circuit smash in the third.

In the second game, Marshall

took advantage of four Dayton errors and only three hits to take the decision. All six runs came in the first three innings, including a four-run barrage in the first.

# Shoots Down Flyers Twice

# Revived Marshall Turns to Bobcats

By DON HATFIELD

An improved Marshall baseball team opens its Mid-American Conference schedule tomorrow against an old "jinx" team.

The Big Green visits Ohio University at Athens for single games Friday and Saturday.

Yesterday Marshall took a double-header from Dayton, 5-1 and 3-3, at Inco Park.

Marshall seems to play its worst ball against Ohio, or at least has in the past. Last year it lost to the Bobcats 11-4 and 23-9. The year before it was 6-0 and 11-2.

Coach Bill Chambers said his pitching choice tomorrow will be veteran Hugh Reynolds (0-1). He isn't certain on his second game hurler, but hinted it'll be either senior Lefty Majher (0-1) or junior Carl Little (1-0).

### Ease Pain

Yesterday's victories eased some of the pain in Chambers' young season. They brought Marshall's record to 3-3.

"The difference today was our hitting," he said. "Then, too, we didn't throw the ball around as much. But we're improving."

Chambers was especially pleased with sophomore pitcher Andy Summers, who went the distance in the first game, striking out 12 and yielding only two hits.

"I was surprised with his control," he said. "He has a tremendous amount of poise for a sophomore. He'll get better. He did well today, but of course Dayton hasn't been out but twice all year, and it was their first game."

The Big Green played without regular center fielder Tex Williams, who sprained an ankle in a gym workout. He is a doubtful starter in the Ohio series.

ANDY SUMMERS  
*Pleasant Surprise*

First baseman Walt Leonhart of Huntington is also on the injured list. He jammed a shoulder sliding into second. The extent of his injury is not yet known.

Dayton coach Herb Dentamen had little to say about either game.

"We just haven't had enough work," he commented. "We were way behind every pitch."

# Big Green Card Is Heavy

The Marshall College spring sports activity is heavy tomorrow with the golf team playing at Guyan Country Club and the tennis and baseball teams on the road.

The Big Green golfers entertain Bowling Green in a Mid-American Conference match at 9 a. m. This will be the Green's second try as they dropped the opener to a Guyan All-Star aggregation.

The tennis team will be making its fourth start, this one at West Liberty. In their last try, the Big Green netters trounced West Virginia State, 7-2 at Institute.

Coach Bill Chambers' baseball team meets Ohio University both today and tomorrow.

This afternoon's contest is set for 3:30 and tomorrow's game at Trautwain Field is at 2:30 p. m. Marshall will be looking for its fourth victory against three setbacks.

The Bobcats, along with Western Michigan, are perennial MAC baseball powers.

# Marshall Opens Two-Game Series With Ohio Today

X A 4/8/60  
 BY DON HATFIELD

ATHENS, O. — Old foes Marshall and Ohio University collide here today at 3:30 in the Mid-American Conference opener for both.

The same teams meet here again tomorrow at 2:30.

Little is known of the Bobcats. They lost their entire pitching corps and most of the starting lineup of last year by graduation. However, OU is a noted baseball school, and no doubt coach Bob Wren has several 1959 reserves to work with.

And experimenting is just what he's doing, claiming even now that "I still haven't found a set lineup."

### Split Pair

Ohio has played two games, losing to Michigan State 10-7 and defeating West Virginia Wesleyan 12-3.

Marshall coach Bill Chambers planned to start veteran right-hander Hugh Reynolds on the mound today. His choice for tomorrow is uncertain, but it probably will be either veteran Lefty Majher or junior Carl Little.

Reynolds and Majher are both hard throwers, and both have 0-1 records this year. Little is a slow ball pitcher, and boasts a 1-0 mark.

Marshall will be going without regular outfielder Tex Williams, benched with a sprained ankle, and first baseman Walt Leonhart, hampered by an injured shoulder.

### Cook Catches

Starting for the Big Green will be catcher Jim Cook, second

**HUGH REYNOLDS**  
*To Start Today*

**LEFTY MAJHER**  
*May Get 2nd Call*

baseman Fred Conley, short-stop Jack Trainor, third baseman Ron Lambert and outfielders Jack Marcum and Ron Lambert. The other outfield slot is still open. Chambers said it may go to Majher, or to surprising sophomore Andy Summers.

Summers made his first appearance against Dayton Wednesday. Listed as a pitcher, no one expected much of him at the plate. But he banged out two hits in three trips, while striking out 12 in chucking a two-hitter.

Wren's starters remained to be seen.

# Jack Mattiford, Former Marshall Gridder, Dead

CLARKSBURG (AP) — Jack Mattiford, 43, who played outstanding football at Washington Irving High School and at Marshall College, was killed in an auto accident Wednesday night in Connecticut.

His mother, Mrs. Ralph S. Mattiford, said she was informed the accident occurred at Madison, Conn. Mattiford, who was unmarried, worked for a printing firm at Guilford, Conn.

After his graduation from Marshall in the early 1940s, Mattiford played pro football for the Detroit Lions. After service as a paratrooper in World War II, he returned to the Lions briefly before moving to New York state and later to Connecticut.

(Mattiford is remembered as a "real good football player" by Roy Straight, who was a football coaching assistant to Cam Henderson at Marshall when Mattiford played there. "He was tough-er'n whet leather; he was no fancy dan, but he never got hurt

# Jack Mattiford, Marshall Grid Star, Dies in Crash

CLARKSBURG — (AP) — Jack Mattiford, 43, who played outstanding football at Washington Irving High School and at Marshall College, was killed in an auto accident Wednesday night in Connecticut.

His mother, Mrs. Ralph S. Mattiford, said she was informed the accident occurred at Madison, Conn. Mattiford, who was unmarried, worked for a printing firm at Guilford, Conn. After his graduation from Marshall in the early 1940s, Mattiford played pro football for the Detroit Lions.

AFTER SERVICE as a paratrooper in World War II, he returned to the Lions briefly before moving to New York state and later to Connecticut. Surviving are his mother and a sister, Mrs. Kate Koerner of El Paso, Texas. Mattiford's father is dead.

The body will be returned to Wakeman, Ohio, for burial, Mrs. Mattiford said.

# Marshall Opens MAC Baseball Card Today Against Ohio U. At Athens

By SAM STANLEY

Herald-Dispatch Sports Staff

Marshall's Big Green baseballers, who have rebounded from an opening three-game loss string with an equalizing victory streak, will be playing for the big chips for the first time today as they open the Mid-American Conference schedule with a trip to Ohio University in Athens.

The Big Green will spend the night on the OU campus and the two teams will clash again Saturday afternoon. The Marshall-OU baseball series is probably the oldest among MAC teams. Since 1912 the two have met 51 times with the Bobcats winning 37 and Marshall 14.

This will be the first road trip for Coach Bill Chambers' nine and it will also be the first time this season that the Big Green will play a single nine inning game.

The first six games were parts of three double-headers. Marshall lost the first two to West Virginia Tech, split the next twin-bill with Xavier and followed up Tuesday by sweeping two from Dayton. All were seven inning affairs.

However Ohio U. hasn't been doing any better. The Bobcats,

co-MAC champs with Western Michigan in 1959, lost most of their personnel, via graduation and scholastic troubles and have split even in two games.

The Bobcats opened by absorbing a 9-7 pounding from Michigan State, but then came through Wednesday with a 12-3 win over West Virginia Wesleyan.

OU has six lettermen back from last year and is hurting mostly in the pitching department. Of the two returning moundsmen, one pitched just nine innings last year and the other only three.

If anything, pitching has been the highlight of the Marshall season thus far. In the three straight losses the Marshall opponents scored only five earned runs and have only added three since then.

Starting today for the Big Green will be Hugh Reynolds, who lost a heart-breaking 2-1

decision to Xavier in his only outing. If needed, Chambers will use his complete staff to halt the Bobcats.

Two Big Green regulars may be sidelined against Ohio U because of injuries. Centerfielder Tex Williams has a sprained ankle and first baseman Walt Leonhart has a jammed shoulder. Leonhart won't even make the two-day trip, but Williams, who worked out with the team yesterday, will go and may play in Saturday's tilt.

Taking Williams' spot in center will be sophomore Ron Lambert who will move over from left field. Lambert is the team's leading hitter with a .494 mark. He will be joined on the left by Jack Marcum. The right field spot is still questionable and Chambers said last night he would either start untested sophomore Bill Douglass or Lefty Majher in the vacant outer garden spot. Bill Gallagher will play at first.

## Marshall Statistics

### BATTING

### MARSHALL TENNIS TEAM SLEPT HERE

Raymond Cumberledge and the Marshall college 8-man tennis team, stayed in Moundsville over night, enroute to a match with West Liberty today. The downstate college's racquetcoers are off to an early start, and this is their fourth meet this season.

Hughes Booher and friends stayed at his home on Route 250; others stayed at Beam's and Clinton Rogerson's.

Raymond will graduate from Marshall this spring, having worked his way thru college. He is publicity director for the college, and travels with all the teams.

## Ohio, Western Michigan Dominance May Be Over

ATHENS, O. — "The team to watch this year," says Ohio University baseball coach Bob Wren, "is Kent State."

Now at first sight, that doesn't seem to be such a startling statement. But when you stop to think that never since the Mid-American Conference was organized in 1946 has any other school but OU or Western Michigan been favored, then you realize a change is taking place.

"There certainly is a change," said Wren. "Baseball is be-

us and Western. Now you have to watch out for any team. We know Kent is loaded and we expect Marshall to be tough. They have almost everyone back."

Wren may have inserted the note about the Big Green since that's the team his Bobcats faced yesterday and today.

"I suppose," he said prior to yesterday's game, "that we'll get that big left-hander Majher."

Informed Hugh Reynolds would be the starter, he remarked: "Reynolds? Is he still around? My gosh! Then Marshall really will be tough!

### Hit Hard By Graduation X A-4/4/60

"Well, he'll (Marshall coach Bill Chambers) have to put Majher in the outfield then. He can hurt you no matter where you use him."

Never known to be the most optimistic coach, Wren had little good to say about his own team.

"We lost everybody — including four starting pitchers," he complained. "We're experimenting — that's all, experimenting."

"We lost everybody — including four starting pitchers," he complained. "We're experimenting — that's all, experimenting."

"We didn't get to go south this year, and that killed us."

The Easter vacation came too late in the year for Ohio to take advantage of the time off for a trip to Florida, as has been the case in the past.

"But we'll go next year, because it'll work out right for us," he said. "Missing the trip this year has really hurt us."

Wren's forecast of better balance in the league falls in line with that by other coaches. Kent has already given evidence of being tough — defeating Ohio State recently. The Flashes also lost twice to the Buckeyes, but OSU is regarded as a top challenger for national championship honors this spring.

Huntingtonians might be interested in knowing that Ohio State's leading hitter is Vinson alumnus Tom Perdue, now a sophomore, who's banging out base hits as a better than .500 clip.

### Bobcats Marshall's Jinx

Ohio U. has always been Marshall's jinx team in baseball, but 1960 appeared the year the Big Green might get rid of the hex. Since this column is being written prior to their Friday game, you'll know by the time you read it whether or not the OU voodoo against Marshall still works.

The Ohio-Marshall baseball series began in 1912, and since that time the Big Green has managed to win only 14 from the Bobcats, while dropping 37.

Ohio and Western Michigan, of course, have long been considered two of the finest baseball schools in the country. But the general feeling around the conference is that the entire MAC—Marshall included — is an excellent training ground for diamond dusters.

The list of former MAC players who made good in pro ball is high. Western stars whom all will remember are Ron Jackson, now Boston Red Sox first baseman, and former major leaguer Wayne Terwilliger.

Twenty-five former OU stars have signed pro contracts, the most recent being Lamar Jacobs who gave Marshall fits last year. He received a \$25,000 bonus from Washington.

Another Bobcat baseball who signed, and with the Cincinnati Redlegs, finally gave up baseball and turned to football. That was Vince Costello, the Cleveland Browns' all-pro linebacker.

No team other than OU and Western has won an MAC baseball title but this may be the year that dominance comes to an end.

### Notes And Quotes

His teammates call Marshall pitcher (he prefers the term "thrower") Carl Little the "junk man" because of his assortment of slow balls, change-ups and more slow balls . . . A scribe chided Little recently, "Gonna pitch right-handed or left-handed this year, Carl?" . . . Little replied, "Doesn't much matter, does it?" . . . "Nope," came the reply . . . Seriously, Little may prove quite effective this year . . . Against Xavier last Saturday, he had the heavy hitters completely off balance with his mixed-speed pitching . . . or, "throwing" as he calls it . . . You couldn't exactly call Marshall the fastest team on the bases . . . As one of the Big Green observed, "Man, if (Walt) Leonhart, (Barry) Keadle and (Jack) Marcum were to run a race, I wouldn't bet on any one of 'em to win." . . . And coach Bill Chambers himself has commented, "I swear — everytime I start to flash the steal sign, I find one of those three on base." . . . Another accepted belief is that Majher is perhaps one of the league's finest hitters, but undoubtedly its worst fielder . . . Against Dayton

marked, "Don't spoil your record, and I've never seen you catch one yet." . . . With Majher, it's a question of putting him in the meat end of the batting order, then trying to find someplace in the field where he won't get hurt . . . But then, Old Left-hander isn't supposed to be a fielder . . . "I'm a pitcher who hits," he says . . . And he's right . . .

## Majher Attempts to Stem Ohio for Marshall Today

By DON HATFIELD

ATHENS, O. — Marion (Lefty) Majher takes the mound here today as Marshall tries to break even in its 1960 Mid-American Conference series with Ohio University. Game time is 2:30.

Ohio won the league opener for both teams yesterday, 9-1, on a cold, windy, cloudy afternoon at brand-new Trautwein Field.

In spite of the lop-sided score, Marshall played what has to be called its best game against the Bobcats in four years. The Big Green had only one bad inning, and this is some sort of record against its age-old "jinx" team.

Coach Bill Chambers was far from displeased.

### Made Mistakes

"I'm disappointed, naturally, in the score," he said. "But you can't say we played bad ball today. Oh, we made some mistakes. But they were few. And what pleases me most is our improvement. We're coming along.

"We just had that one bad inning. It's surprising how the little things add up—a walk, a bad call, an error, a double and they've got a big lead on you."

The call Chambers mentioned was actually incorrect in every sense of the term.

In the fourth inning, pitcher Hugh Reynolds walked Larry Thomas. Then Dale Bandy sacrificed and Marshall's Barry Keadle threw low to first. The base umpire thought the ball had gone through and called Bandy safe. But first baseman Bill Gallagher came up with the catch, much to the ump's surprise. Although he had been beaten by several steps, Bandy was called safe. After that, Reynolds made an error himself which proved costly. Then—somewhat rattled—issued a double, single and two more walks.

### Great Catch

"That hurt," said Chambers, "But that's baseball. You have to expect those things."

Marshall played good ball in the other innings. Left fielder Jack Marcum made a great catch with his back to the plate climbing the steep dirt terrace at the 365-foot mark. Shortstop Jack Trainor, who once played here, showed his old friends they lost a good man by making several fine stops and getting two hits.

Marshall got just as many hits as OU—six—but Reynolds and

## Majher

(Continued From Page 8)  
reliever Barry Myers gave up seven walks.

The Cats' Ed Pentacost went the route which must have pleased pitching-hungry Bob Wren, OU coach.

"We did better than I expected," he said. If our young pitchers come through, we may not be too bad after all."

### Lost Four Pitchers

Ohio lost four pitchers by graduation.

Marshall is now 3-4 overall, 0-1 in the MCA. Ohio is 2-1 and 1-0 in the loop.

Helping Trainor in the Marshall cause was Fred Conley who had two hits and the lone RBI. Bandy, an even better baseball player than basketball—which is the sport he's noted for—had to hits as did Bob Wandersleben.

Marshall managed to hold all—MAC choice Rudy Kalfas, who murdered the Big Green last year, hitless.

# Spring Squads In Action

Marshall College's spring sports picture will be a triple-header today. The Big Green golf team (0-1) opens its Mid-American Conference season at the Guyan Golf and Country Club against Bowling Green at 9 a. m. The tennis team (1-2) will play at West Liberty this afternoon. The baseball team meets Ohio University at Athens, Ohio.

## Marshall Draws In Second Match

Marshall College's golf team drew with Bowling Green, 9-9, in the opening Mid-American Conference match Saturday at Guyan Golf and County Club. The Big Green had dropped an earlier decision to the Guyan All-Stars in the season's first match.

Service returnee Drexel Meade, brother of last year's captain, Linden, was medalist with a par 72. He toured the course in 36-36-72. Marshall's No. 1 man, Harold "Pete" Byer, was second with a 73.

The Big Green plays its second match against Wittenberg at Guyan Golf and Country Club at 9 a. m. Tuesday.

Harold Byer (M) 36-37-73 (3) d.  
 Perry Lanning 39-38-77 (0).  
 Jim Ward (M) 38-37-75 (1½) tied  
 Whitey Warren 39-36-75 (1½).  
 Drexel Meade (M) 36-36-72 (3) d.  
 Bob Wink 42-40-82 (0).  
 Ned Gregor (BG) 45-39-84 (3) d.  
 Richard Burger 47-42-89 (0).  
 Dave Boyer (M) 44-39-83 (1½) tied  
 Glen Apple 42-41-83 (1½).  
 Walt Felgar (BG) 45-43-88 (3) d.  
 Carl Hickey 49-45-94 (0).

## 3 Big Green Teams in Action

Marshall College spring sports are active on three fronts today. The tennis and baseball teams play this afternoon—the netters at West Liberty and the baseball team at Ohio U. This morning at 9 o'clock, the golf team went after their first collegiate win, meeting Bowling Green at Guyan Country Club.

The golf team dropped its initial match with the Guyan All-Stars.

## Tuesday 'Game' Ends Marshall Grid Drills

Marshall will put the finishing touches on its spring football drills Tuesday with a full scale intra-squad game at Vinson Memorial Stadium. The kickoff is scheduled for 8 p. m.

Coach Charlie Snyder has divided his 40-man squad into two teams — the Green and the White — with each drawing from a pool of 18 men for reserves.

Admission will be charged for the game, which will be a regulation affair of four 15-minute quarters. Adults will be admitted for 75 cents, children for 25. In the event of rain, the game will be played Wednesday.

Here's the way Snyder and his staff have lined up the starting elevens:

**GREEN:** Todd Fugate, left end; John McKenzie, left tackle; Clyde Pierce or Carl Miller, left guard; Bob Reed, center; Larry Jarrett, right guard; Norman Mullins, right tackle; Jim Michel, right end. Ralph May, quarterback; Dick Thomas, left halfback; Jasper Wight or Malcolm Price, right

## Marshall, OU Snowed Under

ATHENS, G. — The Marshall College baseball team was snowed under here Saturday, but it wasn't by Ohio University.

The second of a two-game series between the Big Green and Ohio U. was literally snowed out. The two teams took their hitting and infield practice with one eye on the sky but weather never cleared. OU won the opener 9-1.

halfback; Dixon Edwards, fullback.

**WHITE:** Jim Yoho, left end; Dave Lowe, left tackle; Wilson Lathan, left guard; Rucker Wickline, center; Jim Keatley, right guard; Stan Smith or Bob Maxwell, right tackle; Bill Nardo, right end; John Griffin, quarterback; Millard Fleming, left halfback; Harper Hill, right halfback; and Al Mayfield fullback.

## Falcon Netters Visit Big Green

Marshall College's tennis team begins a two-day home stand at the college courts this afternoon when the Big Green hosts Bowling Green at 2 p. m.

It will be the second Mid-American Conference match for the Big Green, which lost to Kent State earlier. Marshall, now 2-2 after routing West Liberty Saturday, is home to Ohio University Tuesday.

## Golfers Play

The Marshall College golf team goes after its first win today at 2 o'clock against Whittenberg College at Guyan Country Club.

The Big Green golfers have tied Bowling Green and lost to the Guyan All-Stars.

## Big Green Routs West Liberty 9-0

WEST LIBERTY — Marshall College's tennis team evened its record at 2-2 here Saturday blanking West Liberty College 9-0.

The Big Green netters, showing signs of hitting the comeback trail after losing their first two matches, were in complete command.

Dave Huffman, Marshall's No. 1 starter, got the ball rolling by winning 6-2, 6-2 over West Liberty's Dick Dunbar. Joe Shafer, Bill Price, Buddy Duncan, Noah Gregory and Dave Ellis picked up where he left off.

Huffman and Shafer teamed for the first doubles win. Duncan joined forces with Hughes Booher for a victory as did Ellis and Gregory.

**SINGLES**  
 Dave Huffman (M) d. Dick Dunbar, 6-2, 6-2.  
 Joe Shafer (M) d. Bob Bomer, 6-2, 6-1.  
 Bill Price (M) d. Carl Carey, 6-2, 6-2.  
 Buddy Duncan (M) d. Paul Plimpton, 6-1, 6-3.  
 Noah Gregory (M) d. Mike Myers, 6-0, 6-3.  
 Dave Ellis (M) d. Butch Dugan, 6-1, 6-4.  
**DOUBLES**  
 Shafer-Huffman (M) d. Dunbar-Carey, 6-1, 6-2.  
 Duncan-Hughes Booher (M) d. Bomer-Plimpton, 6-4, 6-0.  
 Ellis-Gregory (M) d. Myers-Dugan, 6-4, 6-1.

## Big Green Plays 2 Today

By DON HATFIELD

Marshall's baseballers left Huntington at 7:30 this morning for an eight-day, seven-game trip which will climax at Camp Lejeune, N. C.

Today at 1 o'clock, the Big Green plays a double-header at Concord. Immediately following completion of the second game, it will drive to Blacksburg, Va. where tomorrow at 3:30 p. m. it plays Virginia Tech.

Thursday morning Marshall leaves Blacksburg and it expects to arrive at Camp Lejeune that evening. Its round robin play there is scheduled to begin Saturday and Monday. But Coach Bill Chambers hopes to get in a game Friday also.

Today's pitching choices were veteran Hugh Reynolds (0-2) and sophomore Andy Summers (1-0). Summers has been the most effective hurler to date, yielding only two hits and striking out 12

## Generals Get Belated Start

Marshall high school's tennis team got its Tri-State League schedule off of a belated start

Is the pinch in your pocketbook getting more painful? Are soaring prices the inevitable cost of national growth? Not at all! This is the good news that comes from 64 representatives of education, business, labor and government.

him a startling job when he's not on the mound. Chambers had planned to use him in right field for last Saturday's snowed-out game at Ohio University.

#### All To Pitch

Bill listed no pitching selections for Wednesday or later "because you never know how things will go, or how many we'll have to use today."

He said, however, that every member of his six man mound staff "will see action on this trip."

Marshall now has a 3-4 record.

Marshall's injured men, regular center fielder Tex Williams and part-time first baseman Walt Leonhart, appear ready to go. Both missed the trip to Athens Friday and Saturday, Williams with a sprained ankle and Leonhart with a pulled shoulder muscle.

The first base position has become somewhat of an unexpected problem for Chambers. Leonhart, a veteran, has been away from the game for awhile and has slowed. Chambers expects Walt to find his eye soon, but also is looking for help there. Bill Gallagher hasn't performed as well as Chambers had hoped. He may find the help he needs in utility infielder Fred Wagner, Logan sophomore who's been drilling at short and second, or from Summers—who seems capable of playing every position except catcher.

Marshall's pairings at Lejeune have not been announced as yet, but the Big Green will run into Tech again as well as highly regarded Wake Forest and the semi-professional Camp Lejeune Marines.

## Marshall, OU Netters Play

Ohio University's tennis team invades Marshall today and plays the Big Green netters at 3 o'clock. The Big Green, 2-2-1, goes after its third win.

Darkness caught up with the Marshall-Bowling Green tennis match yesterday on the campus courts and the match ended in a 4½-4½ tie.

The doubled team of Noah Gregory and Dave Ellis of Marshall was going against the BG team of Bill Lawrence and Joe Empter and each team had taken a set.

The Falcons dominated singles play, winning four of six, but the Big Green came back in the doubles as Joe Shafer teamed with Dave Huffman and Bill Price paired with Buddy Duncan for wins.

### SINGLES

Don Beran ((BG) d. Dave Huffman, 8-6, 6-3.  
Joe Shafer (M) d. Jim Berger, 4-4, 3-3.  
Bill Price (M) d. Bob Miller, 6-3, 4-1.  
Pete Herold (BG) d. Buddy Duncan, 6-3, 2-6, 6-3.  
Bob Fillere (BG) d. Noah Gregory, 5-3, 3-6, 6-2.  
Bill Lawrence (BG) d. Dave Ellis, 1-0, 6-4.

### DOUBLES

Shafer-Huffman (M) d. Beran-Miller, 3-3, 3-6, 6-3.  
Price-Duncan (M) d. Berger-Fillere, 3-3, 6-2.  
Gregory-Ellis (M) tied Lawrence-Empter 4-6, 7-5.

## Football Tonight For MC

They may be playing baseball in the major leagues today, but at Vinson Memorial Stadium it'll be football time.

The occasion is the annual Marshall College spring practice intra-squad game. At 7:30, Coach Charlie Snyder will send two evenly matched units against each other in a full game-condition scrimmage.

This will be the 17th practice for Marshall. Mid-American Conference rules permit 20, and Snyder hopes to get in the remaining three before Easter.

"We've had a very good spring training," he said yesterday. "The boys have good spirit and they've been working hard."

Snyder would make no comment about how good or bad his candidates appear to him.

### Know Later

"I'll know more about that after the intra-squad game," he said.

Rather than pair the first string line with the second string backs and run against a team with that order reversed, Snyder and his aides have mixed up the 22 leading candidates to make things "as even as possible."

Besides, as Snyder says, he's not sure just who is first string and who isn't.

Ticket prices for tonight's game are 75 and 50 cents. Marshall students will be admitted on their activity cards.

## Green, Falcon Netters Draw

Marshall College's bid for a third consecutive tennis victory was stymied Monday when darkness halted a Mid-American Conference match with Bowling Green at the college courts. The score was tied 4½-4½ when play was called in the final doubles match.

### SINGLES

Don Beran ((BG) d. Dave Huffman, 4-6, 6-3.  
Joe Shafer (M) d. Jim Berger, 4-4, 3-3.  
Bill Price (M) d. Bob Miller, 6-3, 6-1.  
Pete Herold (BG) d. Buddy Duncan, 4-3, 2-6, 6-3.  
Bob Fillere (BG) d. Noah Gregory, 6-3, 3-6, 6-2.  
Bill Lawrence (BG) d. Dave Ellis, 4-0, 6-4.

### DOUBLES

Shafer-Huffman (M) d. Beran-Miller, 6-3, 3-6, 6-3.  
Price-Duncan (M) d. Berger-Fillere, 6-3, 6-2.  
Gregory-Ellis (M) tied Lawrence-Empter 4-6, 7-5.

## After First Win

Marshall College's winless golf team goes after its first decision of the young season today when it opposes Wittenberg College at Guyan Golf and Country Club. Starting time is 2 p. m.

The Big Green has its next match (Guyan All-Stars) and tied one (Bowling Green).

## Generals Trim Highlanders, 8-1

Marshall High School scored an impressive 8-1 season-opening victory over Huntington East in a postponed Tri-State Tennis League match at the college courts Monday.

Marshall swept eight straight matches after Bob Rummell lost the opening singles match to Lew Sammons of East.

Two league matches are scheduled Saturday. Ashland, Ky., visits Vinson and Marshall goes to Huntington High.

### SINGLES

Sammons (E) d. Rummell 8-6, 6-1; Lansaw (M) d. Gwinn 4-1, 6-2; Wellman (M) d. Garnes 4-1, 6-3; Melton (M) d. Thompson 6-2, 4-6, 6-2; Whipkey (M) d. Rollyson 6-3, 6-4; Smith (M) d. Weatherall 4-6, 8-6, 6-2.

### DOUBLES

Wellman-Rummell (M) d. Gwinn-Sammons 6-2, 6-0; Lansaw - Melton (M) d. Garnes - Rollyson 8-4 (pro set); Glass-Bobbitt (M) d. Thompson - Hart 4-6, 6-0, 6-3.

### FOURTH IN MEET

Dick Gaston, Marshall's all-purpose track ace, placed fourth in the high hurdles in the Ohio Invitational Meet at Athens, O., Saturday, it was disclosed yesterday.

## Green Out After Revenge

(Special to The Advertiser)

CAMP LEJEUNE, N. C. — The Marshall College baseball team went out this morning at 10 o'clock in hopes of salvaging one win out of three tries in the Camp Lejeune Round Robin tournament.

The Marines belted the Big Green yesterday 8-3. The loss was Marshall's second in the journey after losing to Wake Forest, one of the nation's top nines, 7-6 in 10 innings.

In the season opener at Huntington's Inco Park, Tech whipped Marshall twice but in a pre-tournament encounter, the Big Green revenged one of the losses.

In yesterday's game, the Marines took an early lead, but saw Marshall come back to tie it 1-1. Then Lejeune went ahead to stay with two runs in the third and two more in the fifth.

Relief Work Good

# Milhoan, Coffman Drafted By NBA

Work toward a Master's Degree, not basketball, will come first for Johnny Milhoan, Marshall College's star forward, who Monday was drafted by the Cincinnati Royals in the 13th round of the National Basketball Association's annual college draft.

"Actually I haven't thought too much about it (playing in the NBA)," the soft-spoken captain of this year's Marshall team said after being notified of his selection. "First, I'd like to get my Master's, and then . . . well, I don't know."

Milhoan, a first team selection on the All-Mid-American Conference team and honorable mention All-American, added:

"I'm not completely counting it out," in reference to a query about his future in basketball.

Among the other draftees was Huntington Vinson graduate Bennie Coffman, a star on this year's Kentucky team, who was the seventh choice of the Syracuse Nationals. Coffman was unavailable for comment.

Asked whether he might prefer playing in the National Industrial Basketball League (NIBL), Milhoan said:

"I might possibly consider it

came in sixth inning when Thad McCulleum took over the pitching chores. He halted a Marshall rally that had produced two runs and held the Big Green to two hits for the remainder of the game.

Barry Keadle led Marshall's ten hit attack with three singles. Tex Williams had two singles and Fred Conley had a double and single in four tries.

Cincinnati also grabbed off Oscar Robertson. Cincinnati's three-time All-American. Two other All-Americans, Jerry West of West Virginia and Darrell Imhoff of California, were among the 101 college players selected in the draft.

West was the No. 1 selection of the Minneapolis Lakers and Imhoff, 6-10, the No. 1 pick of the New York Knickerbockers. The eight clubs drafted for 14 rounds in inverse order of their final regular season winning percentages.

"I feel confident that Robertson will play for us next season," said Pepper Wilson, the Royals' general manager. "Oscar wants to play competitive basketball."

The 6 - 5 star, who scored a 2,973 points and led the major college players three straight seasons, reportedly is also being sought by the Harlem Globetrotters. He is a member of the U. S. Olympic team which will compete in Rome this summer. Robertson was the only territorial selection.

The Detroit Pistons selected Jackie Moreland of Louisiana Tech as their first player. Moreland left North Carolina State three years ago when that school was placed on probation by the NCAA for the manner in which Moreland was recruited.

Other first round choices were Lee Shaffer of North Carolina by the Syracuse Nationals; Len Wilkens of Providence by the St. Louis Hawks; Al Bunge of Maryland by the Philadelphia Warriors and Tom Sanders of New York University by the champion Boston Celtics.

# Snyder Sees 'Improved' Team After Scrimmage

By FRED BURNS

Herald-Advertiser Sports Editor

"We're definitely improved, but we're a long way from being a good football club." That's what Coach Charlie Snyder thought of his Marshall football squad last night after its spring practice scrimmage game.

He had just watched the Whites beat the Greens 12-6 in a regular game scrimmage at Vinson Memorial Field.

Snyder was pleased with the spirit shown by the players and the confidence they displayed.

"The boys are thinking a little differently than they were this time last Spring," Snyder said. "They feel more sure of themselves. They tackle much better and they hit a little harder. At times during the Spring drills our offense has not looked too bad and I can see a lot of improvement. But, boy, do we stink on defense."

In last night's game, the defense overshadowed the offense which is always the case in intra-squad games since both sides use the same plays.

If there were any shining lights on defense they were Norm Mullins and Todd Fugate. Mullins was at right tackle and Fugate at left end for the Greens.

Malcolm Price and Dixon Edwards gained the most ground and looked like the hardest running backs. Price made several nice gains, the longest being for 30 yards in the third period. Edwards had sparked a drive for the Greens the first time they had the ball, but the march was halted by a fumble. He didn't do much until the late minutes of the game when the Greens got their only touchdown.

The Whites had just scored their second touchdown of the game when Lonnie Bowden stole the ball out of Price's arm and ran 35 yards to the touchdown.

This must have made the Greens mad for they marched the kickoff back 90 yards to score.

Just as time ran out. The Greens scored in eight plays. Edwards carried on seven of the plays, going 47 yards. Price brought the kickoff back 20 yards to the 30. In two plays Edwards made ten yards. Bob Hamlin went for 15 for a first down on the White's 45. Edwards carried for 25 yards and then in four more plays covered the final 20 yards.

Snyder was pleased with the showing of the three quarterbacks he used—Ralph May, John Griffin and Hamlin.

However, the quarterbacks had some expert help since most of the plays were called by Snyder, who used the shuttle system of Paul Brown of the Cleveland Browns. He used four sets of messengers, Clyde Pierce and Chester Miller, Larry Jarrett and Pat Mahoney, Bill Nardo and Dennis Skeens and Stan Smith and Robert Maxwell.

No serious injuries were suffered, but Alpha Mayfield sprained an ankle and hurt his hand.

"I certainly looked better than we did in our intra-squad game last spring," he said. "Now we're farther along this year at this stage than last year. Our plays aren't making as many serious mistakes. Oh, they're doing plenty — but it's not as bad as last year."

As this time a year ago that he got his first taste of head-coaching responsibilities on the college level. He had just returned to his alma mater after leaving the freshman post at Ken-

# Marshall Golfers Rout Wittenberg

Marshall's golf team broke into the win column yesterday by trouncing Wittenberg, O., College, 12-3, at Guyan Golf and Country Club course.

Previously, the Big Green had lost to the Guyan All-Stars and tied Bowling Green.

Jim Ward was the medalist with a two over par 37-37-74.

Yesterday's results:

Pete Byer (M) 39-38-77 (3) d. Jim Logue 41-40-81 (0).  
Jim Ward (M) 37-37-74 (2½) d. Jim Imbler 37-38-75 (½).  
Drexel Meade (M) 39-37-76 (3) d. Dale Wade 42-38-80-(0).  
Dave Boyer (M) 42-38-80 (1½) tied Phil Zinsminsber 39-41-80 (1½).  
Carl Hickey (M) 45-41-86 (2) d. Al Kennedy 48-42-90 (1).

# MC Golfers Win First

The Marshall College golf team arrived yesterday as they broke into the winning column with a 12-3 victory over Wittenburg College.

In two previous tries, the Big Green were beaten by the Guyan All-Stars and battled Bowling Green to a deadlock.

Sophomore Jim Ward was the Marshall medalist, carding a two over par 37-37-74.

Pete Byer (M) 39-38-77 (3) d. Jim Logue 41-40-81 (0).  
Jim Ward (M) 37-37-74 (2½) d. Jim Imbler 37-38-75 (½).  
Drexel Meade (M) 39-37-76 (3) d. Dale Wade 42-38-80-(0).  
Dave Boyer (M) 42-38-80 (1½) tied Phil Zinsminsber 39-41-80 (1½).  
Carl Hickey (M) 45-41-86 (2) d. Al Kennedy 48-42-90 (1).

# Majher on Mound as Marshall Plays VPI

BLACKSBURG, Va. — Marion (Lefty) Majher took the mound today when Marshall faced Virginia Tech in its third game in two days.

Yesterday the Big Green blasted five home runs in sweeping a double-header at Concord. 13-1 and 6-3. Jack Marcum hit two and Hugh Reynolds, Fred Conley and Jim Cook one apiece.

Reynolds pitched a one-hitter the first game, the lone blow being a home run. Andy Summers went the route the second, giving up five hits. Summers has now won two games and lost none. Reynolds is 1-2.

Majher was seeking his first win today. The big left-handed veteran has been beaten twice.

Hits came easily for Marshall yesterday, and coach Bill Chambers cautioned his players that this may not hold true today. The Concord field has a short left field, fringed by trees. Any ball touching any part of the trees is declared a home run.

"But the boys played good ball," he said. "They hit the ball well and played well defensively. And of course, Hugh and Andy pitched fine ball.

On to Lejeune

It was a long fly which touched a tree that cost Reynolds a no-hitter. In most parks it would have been caught. But then, so might have Marshall's homers.

After today's game, Marshall continues to Camp Lejeune, N. C., for a round robin which includes highly-ranked Wake Forest, the host Marines and West Virginia Tech.

The schedule calls for single games Saturday and Sunday and a twin-bill Monday. Chambers hopes, however, to get in an extra game Friday.

Another pleasing factor about yesterday's second game was the hitting of Summers, the Charleston sophomore. Considered only for pitching duty at the start of the season, Andy has proved to be one of the Big Green's top hitters the two games he has played. He has four hits in seven trips — two of them doubles. And on the mound, he has struck out 21 batters and given up only 11 hits in 14 innings.

# Snyder Waiting for Movies, But Still Pleased With Squad

By DON HATFIELD

Marshall football coach Charlie Snyder planned to attend the movies today — films of his intra-squad game last night at Vinson Memorial Stadium.

Asked how he felt his candidates had done, Snyder smiled and commented, "I won't really know until we see the movies."

He admitted, however, that the game-condition scrimmage left him pleased.

"We certainly looked better tonight than we did in our intra-squad game last spring," he said.

"I know we're farther along this year at this stage than last year. The boys aren't making as many or as serious mistakes. Oh, they're making plenty — but it's not as bad as last year."

It was this time a year ago that Snyder got his first taste of head coaching responsibilities on the college level. He had just returned to his alma mater after leaving the freshman post at Ken-

ucky. He replaced Herb Royer here, and what he inherited in the way of personnel was, to be frank, somewhat discouraging from the start.

The team won only one game of nine for Charlie this past fall, and he's pretty certain that his present crop will better that mark this coming autumn.

## Must Replace Maddox

One of the biggest problems facing him is replacing sparkling quarterback Jimmy Maddox, a threat both in the air and on the ground. He has three candidates for that vacancy — Ralph May, John Griffin and Bob Hamlin.

"I will say that all three did better tonight than I expected," Snyder said.

Griffin, a sophomore, guided the White team to a 12-6 victory before a few hundred fans at the Westmoreland field, Hamlin engineered the Green's only score.

Getting the White touchdowns were Russell Harper, from one yard out, and Lonnie Bowden, a defensive guard who literally stole the ball from the hands of the Green's Malcolm Price and raced 35 yards to paydirt.

Big Dixon Edwards, who many figure may carry the load this fall, got the Green's only score, going five yards off tackle. Edwards paced a drive which began deep in his own territory and was perhaps the brightest performer of the evening.

Marshall still has three spring practices remaining. Snyder had hoped to get them all in before the Easter vacation.

"After I see those films, I'll know what we're going to spend those three days working on," he said.

## Green Netters Bow to Ohio U

A powerful Ohio University tennis team blanked Marshall College at the campus courts yesterday, 9-0. The defeat left the Big Green netters with a 2-3-1 mark.

### SINGLES

Frank Hartman (OU) d. Dave Huffman 6-3, 4-6, 6-0.  
Rick Jantz (OU) d. Joe Shafer 6-1, 6-2.  
Paul Gates (OU) d. Bill Price 4-6, 4-4, 6-2.  
Bob Bird (OU) d. Buddy Duncan 6-2, 4-2.  
Dick Moiz (OU) d. Noah Gregory 6-2, 6-1.  
Dick Emde (OU) d. Dave Ellis 3-6, 6-1, 4-0.

### DOUBLES

Hartman-Bird (OU) d. Huffman-Shafer 3-6, 6-4, 6-0.  
Jantz-Gates (OU) d. Price-Duncan 6-1, 4-2.  
Emde-Holloman (OU) d. Ellis-Bocher 6-2, 4-0.

## Klitch to Aide Green Netters

Dick Klitch, tennis pro at Guyan Country Club, was appointed assistant tennis coach and tennis instructor at Marshall College, effective Monday, according to acting athletic director Whitey Wilson.

Klitch, who starred in tennis and basketball at the Miami University for four years, came to Huntington last summer from Akron where he played basketball in the National Industrial League.

He will be working with head tennis coach Jule Rivlin, who is also head basketball coach.

## Marshall Stars Play Tonight In Tourney

SISTERSVILLE, W. Va. (AP)—More first-round action is scheduled here tonight in the 27th Tri-State Basketball Tournament.

Former West Virginia University players, led by Jim Warren's 30 points and Jerry West's 28, defeated a team from Bellaire, Ohio, 89-72, last night to open the activity.

Northern Panhandle players, mostly from West Liberty State College, walloped a team of ex-Glenville College players, 82-49, in the nightcap. Former Dayton University player Bill Almashy led all scorers with 26 points for the winners.

Tonight's games will include the first appearance of a team led by former Marshall College players, including 6-4 John Milhoan.

## Snyder To Speak At Fairland Fete

Marshall College football coach Charlie Snyder will be the principal speaker at the annual Fairland High School All-Sports banquet at 6:30 p. m. tonight. It will be held in the school gymnasium.

Head Coach Carl York said awards will be distributed to the most outstanding player in each sport, as well as letters to those earning them in each sport.

Bob White, president of the Fairland Boosters Club, will be the master of ceremonies.

## Gobblers Swallow Marshall

BLACKSBURG, Va. — Virginia Tech's highly-rated Gobblers broke loose with a 32-hit barrage, including five home runs, to bury Marshall College, 32-8, here Wednesday afternoon, ending a three-game winning streak for the Big Green.

The loss, only the first in a seven-game swing that winds up this week-end in the Camp Lejeune, N. C., round-robin tournament, gives the Big Green a 5-5 log for the season. Only Tuesday they had swept a two-game set from Concord College.

Tech, now 3-2, unleashed its heavy artillery on the Big Green, belting two Marshall pitchers for 14 extra base blows. The loss was tagged on Marion "Lefty" Majher. Tech pitcher Jim Graves was credited with his first win of the season.

Veterans John Sapon, who hit two home runs and a double; Walter Reynolds who had a double, triple and three singles; Edwin Hite, a home run, double and two singles; and catcher Rick Tolley of Mullens, W. Va., with four singles led the slaughter on

# Battered Marshall En Route To Camp Lejeune Tourney

(Special to The Advertiser)

BLACKSBURG, Va. — Marshall's battered baseball squad motored south toward Camp Lejeune, N. C. today, trying to forget the barrage it suffered through here yesterday afternoon.

The Big Green was bombed by the pride of the Southern Conference, Virginia Tech, 32-8. The Gobblers banged out 32 base hits, five of them home runs, off pitchers Lefty Majher and Barry Myers.

As lop-sided as the score was, Marshall held a lead on two different occasions. It went ahead 2-0 in the second, came back to make it 6-5 in the third. Then

VPI exploded for eight runs in its half of the third. Marshall kept whacking away, getting two more in the fourth to make it 13-8, but folded when the

Gobblers got two more in the fourth. They added five each in the fifth and sixth, four in the seventh and three in the eighth. Fortunately, they did not bat in the ninth.

### Dime A Dozen

Base hits were a dime a dozen for both teams. Marshall got 11, which should be enough to win two games, but made seven errors in addition to the 32 hits.

Majher, though not sharp on the mound, sparked at the plate. He got four base hits, one of them a homer.

Marshall, now 5-5, competes in a round robin with West Virginia Tech, Wake Forest and the Lejeune Marines. Its games are scheduled for Saturday, Sunday and Monday, but coach Bill Chambers hoped to get an extra one on Friday.

Chambers may shuffle his lineup while south. He was unavailable for comment this morning.

The Tech game was Marshall's third in two days. Tuesday the Big Green took a twin-bill from Concord.

## Marshall, SV Card Tri-Meet

The Marshall College golf team and two Spring Valley Country Club all-star teams will tee off today at 11 a. m. in a triangular meet at Spring Valley.

The SV No. 1 team is captained by club champion Bob Weatherly. He will be joined by A. D. White, Benny Wilson, Ralph Pennington, Lee Shepard and Ed Booth. The No. 2 team, captained by club runnerup Buzz Frantz, will include, Jack Egnor, Jim Peters, Lee Wright, George Moulton and Jim Waugh.

## Marshall Golfers Down Riviera All-Stars

The Marshall College golf team scored an 11½ to 6½ win over the Riviera Country Club all-stars yesterday on the Riviera course. It was the Big Green's second win of the season against one loss and a tie. They lost to the all-star team at Guyan Golf and Country Club and tied with Wittenberg.

Buddy Graham, an ex-Marshall golfer playing with the Riviera team had the low gross of 69, three under par, and Pete Byer of Marshall had a 70.

The Marshall team will play the Spring Valley all-stars today at Spring Valley and tomorrow they are scheduled to play the University of Kentucky at Lexington.

### Yesterday's summary:

Byern Marshall, 70; 2½ defeated McComas, 72, ½, Graham, Riviera, 69, 3, defeated Ward, 73, 0; Meaden Marshall, 71, 3; defeated Baker, 76, 0; Boyer, Marshall, 75, 3; defeated Monte, 78, 0; Burger, Marshall, 73, 2½, defeated Gibson, 74, ½; and Bastianelli, Riviera, 77, 2½, defeated Chambers, 80, ½.

# Wake Forest Rallies To Edge Marshall 7-6

CAMP LEJEUNE, N. C. — A five run Marshall lead went down the drain in the last two innings and Wake Forest defeated the Big Green, 7-6, with an unearned run in the tenth inning Saturday the opener of a round-robin baseball meet.

Marshall, thanks to a two-run homer by outfielder Jack Marcum in the sixth and a cubby of singles that produced three runs in the eighth, was coasting behind the steady hurling of starter Hugh Reynolds until the late Deacon uprising.

Three runs in the eighth, the first being an inside-the-park home run by right fielder Wilner, closed the gap to 6-4, and two unearned runs on only one hit in the ninth put the game into extra innings.

Marion "Lefty" Majher relieved Reynolds in the tenth, threw one pitch and lost the ball game.

## Throws Cost

The leadoff batter, first baseman Currie hit a liner to Marshall third baseman Barry Keagle, who knocked the ball down and threw wild to first. First baseman Andy Summers then threw the ball into centerfield trying to get Currie at second, and the Deacon baserunner came all the way home with the winning run.

Marshall outhit Wake Forest 12 to 11, but five errors gave the Deacons five unearned runs, including the last three.

Muller, who relieved starter Roth in the eighth inning, held Marshall scoreless in the last three innings to pick up the win.

Marshall will take its 5-6 mark against the host Marines Sunday at 1 p. m. and will finish up its part in the round-robin against West Virginia Tech Monday at 10 a. m.

Marshall then returns home with games against Mid-American Conference foe Bowling Green Friday and Saturday.

# Green Beaten By Marines, 8-3; W. Va. Tech Foe Today

CAMP LEJEUNE, N. C. — Two-hit relief pitching by Thad McCullum and a 16-hit Camp Lejeune assault on lefthander Andy Summers carried the Marines to an 8-3 victory over Marshall College in the second day of the annual Camp Lejeune Round Robin Baseball Tournament Sunday.

Summers' first loss in three starts this season was the second straight suffered by the Big Green in the tournament. They lost to Wake Forest, 7-6 in 10 innings, Saturday.

Marshall goes against West Virginia Tech, a team that already holds two victories over the Big Green, at 10 a. m. Monday in the windup of the three-day event. The Big Green, which has lost the last three games of a seven-game road trip, will take a 5-7 record into the game.

McCullum, who came on in relief of starter Lee Mason, struck out outfielder Jack Marcum with the bases loaded in the sixth inning to put down a Marshall rally that had produced two runs.

# Kentucky Nips Green In Tennis

LEXINGTON, Ky. — The University of Kentucky tennis team took the first three singles matches and then held on for a 4-3 victory over resurging Marshall Thursday.

Marshall's fourth and fifth men, Buddy Duncan and Noah Gregory, picked up singles wins for the Big Green, and then Duncan teamed with Bill Price to win one of the two doubles matches.

Ashland's George Rupert blanked Price in a singles match, 6-0, 6-0.

The results:  
Carl Barwick (UK) d. Dave Huffman, 6-2, 6-3  
Don Sebout (UK) d. Joe Shater, 6-1, 6-0  
George Rupert (UK) d. Bill Price, 6-0, 6-0  
Buddy Duncan (M) d. Jim Moll, 6-2, 6-3  
Noah Gregory (M) d. Bill Dailey, 6-2, 6-5  
Doubles: Barwick and Sebout (UK) d. Huffman and Shater, 6-4, 6-4  
Duncan and Gregory (M) d. Moll and Dailey, 6-1, 6-4.

# Marshall, SV Split Tri Meet

The Marshall College golf team split a triangular match with a pair of Spring Valley all-star teams yesterday at the SJ Course. The No. 1 team trimmed the Big Green 11-7 but Marshall won over No. 2 13-5.

Harold Byer (M) 36-34-70 d. Jim Weatherly 37-36-73 (3-0); d. George Moulton 38-37-75 (3-0).  
Jim Ward (M) 37-34-71 d. Ralph Pennington 38-35-73 (2 1/2-1/2); d. L. N. Franz 37-39-74 (3-0).  
Drexel Meade (M) 36-34-72 lost to Ed Booth 34-35-69 (0-3); d. Jack Egnor 39-37-76 (3-0).  
Dave Boyer (M) 37-37-74 tied Benny Wilson 39-36-75 (1 1/2-1/2); d. Jim Waugh 39-40-79 (3-0).  
Dick Burger (M) 37-37-74 tied Jim Peters 40-36-76 (1 1/2-1/2); lost to Lee Shepard 35-35-70 (0-3).  
Carl Hickey (M) 43-41-84 lost to A. D. White 40-37-77 (0-3); lost to Lee Wright 41-42-83 (1 1/2-2 1/4).

# Green Golfers Defeated Twice

LEXINGTON, Ky. (AP)—Vance Kennedy and Joe Lay Jr. led Bellarmine College's golf team to a double victory over the University of Kentucky and Marshall College on the Idle Hour Country Club links here Monday.

Bellarmine nudged Kentucky 10-8 and beat Marshall 17-1. Kentucky had a 1 1/2 to 1 1/2 margin over Marshall.

Marshall, which has won three and tied one, meets Toledo and Western Michigan next in a triangular match Friday at the Guyan Golf and Country Club in Huntington.

Yesterday's results:  
Jack Butler (K) 38-34-74 (2 1/2) d. Pete Byer 38-37-75 (1/2).  
Harry Vanhoose (K) 36-38-74 (3) d. Jim Ward 38-40-78 (0).  
John Kirk (K) 41-39-80 (2) d. Dave Boyer 39-40-81 (1).  
Jack Crutcher (K) 38-38-76 (3) d. Dick Burger 39-40-79 (0).  
Dick Burger (K) 38-38-76 (3) d. Carl Hickey 43-45-88 (0).  
Mort Harkey (K) 41-41-82 (3) d. Joe Chambers 46-46-92 (0).

# Byer Has Fine 64 At Guyan

Pete Byer, star of the Marshall College golf team, breezed around the Guyan Golf and Country Club course yesterday with a card of 33-31-64, which is eight under the par of 36-36-72.

Byer had nine birdies and one bogey. His bogey came on 16 where he three-putted. He had three birdies on the front nine to turn in 33 and six on the back nine for a 31. He started the back nine with four straight birdies and after his three putts on 16 birdied the final two holes.

His 64 was one short of the course record of 63 held by Billy Campbell. The competitive course record is 65, held by Campbell and Sam Sneed. Yesterday Byer was playing with Earl Tanner, who had an 81.

Byer's card:  
Par out 544 443 354 - 36  
Byer out 544 342 344 - 33  
Par in 453 444 444 - 36-72  
Byer in 342 344 533 - 31-64

# Green Thinclads Run At Athens

Marshall's track team will open its season today at Athens, W. Va. in a duel meet with Concord College.

Coach Forrest "Spike" Underwood will take a sophomore laden 20-man squad to compete against Concord.

"Because of the good crop of sophomores, we have a much better track team this year," said Underwood last night.

Heading the sophomores is Malcolm Price, a dash man, and Mike Ryan, a high jumper. Ryan recently cleared 6-4 in an intramural track meet at Fairfield Stadium.

Heading the small list of lettermen on the Big Green squad are Dick Gaston, a hurdler, Dewey Ballangee, a relay and 220 entrant, and Warren "Buck" Reeser in the field events.

# Tex Top Marshall Batsman

Tex Williams, the hard-hitting outfielder from Artie, W. Va. who turned down a professional baseball contract in favor of a college education, is currently the leading hitter in Marshall's baseball squad.

The junior boasts an average of .414, two home runs and six runs-batted-in in only 29 plate appearances, statistics released by the Marshall athletic department showed today.

Jack Marcum, another junior outfielder, leads in home runs, with three, and in RBI, with ten. And, he's hitting .333 and fielding 1.000.

Another top all-round performer is sophomore Andy Summers, the leading pitcher with a 2-1 record and second only to Williams in hitting with a .386 mark. Summers has three doubles, one homer and four RBI at the plate and has struck out 24 batters in 22 innings.

Carl Little, with a 1-0 record, has Marshall's best earned-run average, that a meager 1.23.

## Reynolds to Face Falcons Today for Marshall Nine

Marshall gets back into Mid-American Conference action today, weather permitting, when Bowling Green visits Inco Park. Game time is 3:30.

This will be the second league game for both teams, each having lost its only other start to Ohio University. Marshall bowed to the

Bobcats 9-1 and Bowling Green lost 7-1.

Overall, the Falcons are 3-1, boasting 10-5 and 10-4 victories over St. Mary's of Minnesota and a 17-16 squeaker over Wayne State. Marshall is now 6-7.

May Start Phillips

New BG coach Dick Young will probably start Ed Phillips, a vet-

eran right hander, on the mound today. He'll oppose Hugh Reynolds, possessor of a deceiving 1-2 record.

These same two teams will play tomorrow, also at Inco, at 2:30 p. m. Young may go with Dick Bugeba, another experienced right hander. Marshall coach Bill Chambers' second game choice has not been made as yet.

The Falcons have been troubled by bad weather, having had four games cancelled.

"They'll still be tough," said Chambers. "They always are."

In 1959 Bowling Green finished in fourth place in the MAC, one notch higher than Marshall. It took two from the Big Green last year, 5-3 and 3-2.

deserves a lot of credit. He made the hard way. He was the most unlikely-looking guard you ever saw in high school, but he was a hard-nose. He's a good student, and he'll probably be a good teacher."

Vernon Phillips, a blocking halfback in '39 who is now a patrolman on the Huntington police force, said:

"They couldn't have made a better choice. Gene was always a team leader. He's very level-headed, and he never got excited. He didn't look mean in high school—he was slender—but he was tough."

Grover Wilds, left halfback for the Pony Express in '39 and now an International Nickel Company employee, said:

"Corum was always a nice boy on and off the field. I think he'll be all right if he gets the right kind of backing. He always had a lot of spirit and was one of the toughest boys for his size that I ever saw."

The Big Green will take over the Invaders' record and a 4-100 mark against the invading Falcons. The two teams will meet again Saturday at Inco. Today's game starts at 3:30 p. m.

Coach Bill Chambers' nine, with a host of regulars hitting above .300, has been plagued with "bad innings" in most of its seven losses.

The most humiliating defeat of all was the 32-8 rout pinned on the Big Green by Virginia Tech. A six-run inning by Ohio University caused another defeat and six runs in the last three innings by powerful Wake Forest sent the Green down 7-6.

Pitching today for Marshall will be Hugh Reynolds.

## MC Netters Trek to Kent

The Marshall College tennis team takes to the road tomorrow for a Mid-American Conference match with Kent State at Kent, O.

The Big Green netters, 2-3-1 on the season, will be making their fourth MAC appearance. They have lost matches to the Flashes and Ohio U. and drew with Bowling Green. Kent won the first meeting at Marshall, 9-0.

## More Of The Same

When it was predicted the Cabell-Wayne Baseball League would have more balance this season, nobody expected it to reach such surprising proportions . . . Who thought Barbourville would defeat league favorite Huntington East 17-0? . . . And, who figured on Vinson beating both East and HHS, then losing to Buffalo, C-K and Barbourville? . . . One of the finest natural golfers West Virginia has ever produced, say those who should know, is Pete Byer, now a member of the Marshall golf team . . . Some say the only thing keeping Pete from greatness is that he "doesn't work hard enough or practice long enough." . . . However, Marshall's acting athletic director and former golf coach, Whitey Wilson, says Pete works every day . . . "He never misses, and he practices four or five hours each day," says Whitey . . . At Guyan last week, Byer fired a 64 . . . He holds the Riviera course record, having blazed through a 60 (missed a putt for a 59) last summer . . .

—worse than this—and they beat us too."

Marshall led 4-0 until Bowling Green got to starter Hugh Reynolds, who had been working magnificently in the fourth in-

## Eighth-Inning Rally Tops Marshall 7-5 For Falcons

A three-run eighth inning erased the second of two Marshall leads Friday as Bowling Green picked up a 7-5 Mid-American Conference baseball triumph over the Big Green at Inco Park.

The teams meet again today in a single game at 2:30 p. m. Coach Bill Chambers is expected to send lefthander Marion Majher against the Falcons in an attempt to better Marshall's 6-8 log.

Marshall wasted away a 4-0 lead piled up in the first two innings when Bowling Green scored four times in the fourth. Then the Big Green went ahead with a single run in the fifth before the

## Marshall Thinclads Beat Concord

ATHENS, W. Va. — Marshall College swept nine first places, including a 9.8 clocking in the 100 - yard dash by sophomore Malcolm Price, Friday and made its 1960 track debut with a 76-71 dual meet victory over Concord College.

Price, veteran Dick Gaston and sophomore Dixon Edwards teamed up to engineer the Marshall win. Edwards was the meet's individual high scorer with 13 points, followed by Gaston's 12 1-4 and Price's 11.

**DR. SAM CLAGG, CORUM'S** running mate at guard in 1938 and now a geography professor at Marshall College, said:

"I'm very happy for him. He's a good student of the game, and he should be very successful. He's regarded in coaching circles as one of the best young men in the game. I think Corum is in a class with Louisiana State's Paul Deitzel. He's a great worker."

Harry Clagg, Sam's brother and a running tackle in 1939 who is now principal at Huntington's Cammack Junior High, said:

"He's a wonderful fellow and I'm sure he'll do a good job. He deserves a lot of credit. He made it the hard way. He was the most unlikely-looking guard you ever saw in high school, but he was a hard-nose. He's a good student, and he'll probably be a good teacher."

Vernon Phillips, a blocking halfback in '39 who is now a patrolman on the Huntington police force, said:

"They couldn't have made a better choice. Gene was always a team leader. He's very level-headed, and he never got excited. He didn't look mean in high school—he was slender—but he was tough."

Grover Wilds, left halfback for the Pony Express in '39 and now an International Nickel Company employee, said:

"Corum was always a nice boy on and off the field. I think he'll be all right if he gets the right kind of backing. He always had a lot of spirit and was one of the toughest boys for his size that I ever saw."

## Marshall Baseballers Meet BG Here Today

Marshall's topsy-turvy baseball team, which split even on an Easter Holiday road trip, goes back into Mid-American Conference play today by playing host to Bowling Green at Inco Park.

The Big Green will take 6-7 overall record and a 0-1 loop mark against the invading Falcons. The two teams will meet again Saturday at Inco. Today's game starts at 3:30 p. m.

Coach Bill Chambers' nine, with a host of regulars hitting above .300, has been plagued with "bad innings" in most of its seven losses.

The most humiliating defeat of all was the 32-8 rout pinned on the Big Green by Virginia Tech. A six-run inning by Ohio University caused another defeat and six runs in the last three innings by powerful Wake Forest sent the Green down 7-6.

Pitching today for Marshall will be Hugh Reynolds.

## MC Netters Trek to Kent

The Marshall College tennis team takes to the road tomorrow for a Mid-American Conference match with Kent State at Kent, O.

The Big Green netters, 2-3-1 on the season, will be making their fourth MAC appearance. They have lost matches to the Flashes and Ohio U. and drew with Bowling Green. Kent won the first meeting at Marshall, 9-0.

## Marshall Pitching Choice Uncertain

By DON HATFIELD

Marshall tries to salvage a break-even mark in its Mid-American Conference baseball series with Bowling Green this afternoon. The two collide at Inco Park at 2:30.

Neither Marshall coach Bill Chambers nor Bowling Green's new coach, Dick Young, was certain on today's starting pitchers. Chambers said he'd go either with Andy Summers (2-1) or veteran Lefty Majher (0-3). Both are left handers.

Yesterday Marshall led the favored Falcons for seven innings. Then, as has been the case so often lately, the roof fell in. The result was a 7-5 BG victory and Marshall's second league loss in as many tries. The first was to Ohio two weeks ago. Marshall is now 6-8 overall. Bowling Green is 1-1 in the MAC, 4-1 overall.

The game left Chambers dejected, wondering just what his team has to do to record a win.

### Something Wrong

"Something's wrong," he said. "We have too good a team to keep on losing like this. I can't take much more of this. Somebody else is going to have to start taking it — from us."

Chambers toyed with the idea that late-game pressure may be affecting some of his young players.

"That could be it. If so, we've got to just keep hanging in there and trying. Today's game was the story of our road trip last week. We had Wake Forest . . .

## Eighth-Inning Rally Tops Marshall 7-5 For Falcons

A three-run eighth inning erased the second of two Marshall leads Friday as Bowling Green picked up a 7-5 Mid-American Conference baseball triumph over the Big Green at Inco Park.

The teams meet again today in a single game at 2:30 p. m. Coach Bill Chambers is expected to send lefthander Marion Majher against the Falcons in an attempt to better Marshall's 6-8 log.

Marshall wasted away a 4-0 lead piled up in the first two in-

Falcons came up with their game-winning rally.

Third baseman Ron Blackledge engineered a 10-hit Falcon attack, driving in two runs with a fourth inning home run, two doubles and a single. His smash over the

—worse than this—and they beat us too.”

Marshall led 4-0 until Bowling Green got to starter Hugh Reynolds, who had been working magnificently, in the fourth inning for four runs to tie it up. Marshall took a 5-4 lead in the fifth and held it until Reynolds gave up three more runs, the deciding ones, in the top of the eighth.

#### Myers Relieves

Barry Myers replaced Reynolds, who had struck out eight men, and fanned each of the five men to face him the remainder of the game.

The big gun for the winners was senior third baseman Ron Blackledge, who had a home run, two doubles and a single in five trips.

Summers, a sophomore, took over Marshall's first base problem, and led the Big Green in hitting—getting two hits in three tries.

“I think Reynolds may have let a few small things bother him today,” said Chambers. “That's his only trouble. If he could get over that, he'd be a great pitcher—he has everything else. You look at his record—he'll pitch good ball almost throughout a game, but he'll have a real bad inning or two.”

# Erratic Marshall Awaits Falcon Nine

By DON HATFIELD

Marshall's erratic baseball squad enters the meat end of its schedule this week end when Mid-American Conference foe Bowling Green comes to town.

The two play single games Friday and Saturday, 3:30 p. m. and 2:30 p. m. respectively, at Inco Park.

Marshall returned Tuesday from an eight-day, six-game road trip on which it split even, 3-3. The Big Green took two from Concord, 13-1 and 6-3, and defeated West Virginia Tech 5-4. It was trounced by Virginia Tech 32-8 and bowed to Wake Forest, 7-6 in ten innings, and to the Camp Lejeune Marines, 8-3. Overall, Marshall is now 6-7.

"We've decided not to think about that VPI game," said coach Bill Chambers yesterday. "It was anything but a baseball game. Everything they did was right and everything we did was wrong. They hit ever pitch and we couldn't stop any hit ball. Just one of those days.

### Mental Lapses

"And the strange thing is that Wake Forest beat VPI 17-3 and we nearly beat Wake Forest — would have if not for a couple of mental lapses."

Chambers said he felt his team had learned a lot on the trip, and that "we hope to profit by our mistakes."

The weak point of the trip, he said, was his team's defense.

"The defense was bad," he commented. "Surprisingly so. Veterans out there who should know better committed bad mental mistakes. But our hitting has been very good. Do you know we have seven players hitting over .300?"

"The pitching has been good and bad. Hugh (Reynolds) did a really great job against Wake Forest and Andy Summers did well against the Marines."

### Three Outfielders

Chambers named all three outfielders, Jac Marcum, Tex Williams and Ron Lambert, along with infielders Fred Conley and Barry Keadle and pitchers Summers and Lefty Majher as his .300-plus hitters.

He said he knows little of Bowling Green, but expects them to be "tough."

"They have a new coach and just how much he has been able to accomplish this spring, I don't know. I do know they've been hurt by bad weather. But they're always tough."

Chambers said he will pitch Reynolds Friday, but has no plans for Saturday's starter.

# Big Green Golf Team Splits Two

Marshall College split a triangular Mid-American Conference golf match at Guyan Golf and Country Club Friday, beating Kent State 10-8 and losing to Western Michigan by the same score. Marshall now has a 5-4-1 record.

Four players tied for medal honors. Marshall's Jim Ward and Pete Byer and Western Michigan's John Stroll and Jack Jaqua each had 73s, one over par.

The Big Green is host to the University of Cincinnati and Dayton today in another triangular match starting at 9 a. m.

Jim Ward (M) 38-35-73 d. Bob Vargo (KS) 37-39-78 (2 1/2-7/2); d. Ray Puffpoff (WM) 40-37-77 (3-0).  
 Pete Byer (M) 39-34-73 d. Dave Shultz (KS) 47-40-87 (3-0); d. John Stroll (WM) 41-32-73 (2-1).  
 Drexel Meade (M) 40-38-78 lost to Brad Tingle (KS) 38-39-77 (2-1); lost to Norm Barney (WM) 38-34-74 (3-0).  
 Dave Boyer (M) 39-41-80 d. Stan Lantz (KS) 41-41-82 (2 1/2-7/2); lost to Jack Jaqua (WM) 37-36-73 (3-0).  
 Dick Burger (M) 37-38-77 lost to Jim Budd (KS) 31-39-76 (2-1); d. Robert Goldsmith (WM) 40-42-83 (3-0).  
 Carl Hickey (M) 45-WD lost to Bob Meadows (KS) 40-WD (3-0); lost to John Temits (WM) 40-WD (3-0).

# Toledo Trounces Marshall Netmen

Toledo University's tennis team smashed Marshall College 8 - 1 yesterday at the Marshall campus courts in a Mid - American Conference match.

Marshall's lone win came in doubles when Bill Price and Buddy Duncan defeated Chad Brown and Paul Arandt, 8-6, 6-4. All but one of the Marshall losses came in straight sets.

Julian Whitins (T) d. Dave Huffman, 6-2, 6-2.  
 Bob Davis (T) d. Joe Shafer, 6-0, 6-2.  
 Larry Rochelle (T) d. Bill Price, 6-2, 6-2.  
 Chad Brown (T) d. Buddy Duncan, 7-2, 6-3.  
 Paul Arandt (T) d. Noah Gregory, 2-10, 6-2.  
 Jim Carroll (T) d. Dave Ellis, 6-2, 6-2.  
 Whitins-Davis (T) d. Huffman-Shafer, 6-7, 6-2.  
 Price-Duncan (M) d. Brown-Arandt, 6-4.  
 Rochelle-Carroll (T) d. Dave Ellis & Hughes Booher, 6-2, 6-2.

# Marshall Visits Tech For Two Tomorrow

By DON HATFIELD

Marshall hopes to ease its season record over the .500 mark tomorrow when it travels to Montgomery for a two-night double-header with West Virginia Tech.

Williams, who spurned a professional contact to attend college, and Summers lead the Big Green at the plate, Tex hitting .300 and Andy just under .200.

"We've got a better team than our record shows," said Chambers. "Now, maybe the boys will realize it and start winning more."

"The odd thing is that just before Jim Cook went up (in the last inning Saturday), I told Little, 'Cook's going to get himself an extra base hit and then Tex is going to lose it.'"

And that's exactly the way it happened.

# Erratic Marshall Awaits Falcon Nine

By DON HATFIELD

Marshall's erratic baseball squad enters the meat end of its schedule this week end when Mid-American Conference foe Bowling Green comes to town.

The two play single games Friday and Saturday, 3:30 p. m. and 2:30 p. m. respectively, at Inco Park.

Marshall returned Tuesday from an eight-day, six-game road trip on which it split even, 3-3. The Big Green took two from Concord, 13-1 and 6-3, and defeated West Virginia Tech 5-4. It was trounced by Virginia Tech 32-8 and bowed to Wake Forest, 7-6 in ten innings, and to the Camp Lejeune Marines, 8-3. Overall, Marshall is now 6-7.

"We've decided not to think about that VPI game," said coach Bill Chambers yesterday. "It was anything but a baseball game. Everything they did was right and everything we did was wrong. They hit ever pitch and we couldn't stop any hit ball. Just one of those days.

### Mental Lapses

"And the strange thing is that Wake Forest beat VPI 17-3 and we nearly beat Wake Forest — would have if not for a couple of mental lapses."

Chambers said he felt his team had learned a lot on the trip, and that "we hope to profit by our mistakes."

The weak point of the trip, he said, was his team's defense.

"The defense was bad," he commented. "Surprisingly so. Veterans out there who should know better committed bad mental mistakes. But our hitting has been very good. Do you know we have seven players hitting over .300?"

"The pitching has been good and bad. Hugh (Reynolds) did a really great job against Wake Forest and Andy Summers did well against the Marines."

### Three Outfielders

Chambers named all three outfielders, Jac Marcum, Tex Williams and Ron Lambert, along with infielders Fred Conley and Barry Keadle and pitchers Summers and Lefty Majher as his .300-plus hitters.

He said he knows little of Bowling Green, but expects them to be "tough."

"They have a new coach and just how much he has been able to accomplish this spring, I don't know. I do know they've been hurt by bad weather. But they're always tough."

Chambers said he will pitch Reynolds Friday, but has no plans for Saturday's starter.

## Big Green Golf

### Team Splits Two

Marshall College split a triangular Mid-American Conference golf match at Guyan Golf and Country Club Friday, beating Kent State 10-8 and losing to Western Michigan by the same score. Marshall now has a 5-4-1 record.

Four players tied for medal honors. Marshall's Jim Ward and Pete Byer and Western Michigan's John Stroll and Jack Jaqua each had 73s, one over par.

The Big Green is host to the University of Cincinnati and Dayton today in another triangular match starting at 9 a. m.

Jim Ward (M) 38-35-73 d. Bob Vargo (KS) 39-39-78 (2 1/2); d. Ray Puff (WM) 40-37-77 (3-0).  
Pete Byer (M) 39-34-73 d. Dave Shultz (KS) 47-40-87 (3-0); d. John Stroll (WM) 41-32-73 (2-1).  
Drexel Meade (M) 40-38-78 lost to Brad Tingle (KS) 38-39-77 (2-1); lost to Norm Barney (WM) 38-36-74 (3-0).  
Dave Boyer (M) 39-41-80 d. Stan Lantz (KS) 41-41-82 (2 1/2); lost to Jack Jaqua (WM) 37-36-73 (3-0).  
Dick Burger (M) 37-38-77 lost to Jim Budd (KS) 31-39-76 (2-1); d. Robert Goldsmith (WM) 40-42-83 (3-0).  
Carl Hickey (M) 45-WD lost to Bob Meadows (KS) 40-WD (3-0); lost to John Temils (WM) 40-WD (3-0).

## Toledo Trounces Marshall Netmen

Toledo University's tennis team smashed Marshall College 8 - 1 yesterday at the Marshall campus courts in a Mid-American Conference match.

Marshall's lone win came in doubles when Bill Price and Buddy Duncan defeated Chad Brown and Paul Arandt, 8-6, 6-4. All but one of the Marshall losses came in straight sets.

Julian Whiting (T) d. Dave Huffman, 6-2, 6-2.  
Bob Davis (T) d. Joe Shafer, 6-0, 6-2.  
Larry Rochelle (T) d. Bill Price, 6-2, 6-2.  
Chad Brown (T) d. Buddy Duncan, 2-1, 6-2.  
Paul Arandt (T) d. Noah Gregory, 2-10, 6-2.  
Jim Carroll (T) d. Dave Ellis, 6-2, 6-2.  
Whiting-Davis (T) d. Huffman-Shafer, 1-1, 5-7, 6-2.  
Price-Duncan (M) d. Brown-Arandt, 6, 6-4.  
Rochelle-Carroll (T) d. Dave Ellis, 6-2, 6-2.

## Visit With A Man Named Bob Morris

X H-H 4/24/60

Bob Morris lit a cigarette, leaned back in the comfortable looking easy chair near the front wall of his living room and mulled over the question put to him by a visitor.

"Eight years working at one job is a pretty long time," he said finally, "and when you ask what were the high points and the low points and my regrets—you're taking in a lot of territory. It's hard knowing just where to begin."

Why not take them one at a time, the visitor persisted of the man who last week resigned as athletic director at Marshall College? Why not begin with the high points?

"Well, perhaps the one thing I'm proudest of is the fact that good schools are now calling or writing to Marshall for games in football and basketball," he began. "They feel quite safe in coming to Huntington now—which wasn't the case or the atmosphere that prevailed when I first took over. Marshall's old reputation as a "homer" school is all but gone. My first couple of years on the job were nightmares when it came to putting together decent schedules.

He pointed to recent relations with such schools as Buffalo, Delaware, Virginia Tech, Virginia Military Institute, Eastern Kentucky, Western Kentucky, Louisville and Cincinnati as examples. And, next season the Big Green football team visits Lexington for a game with the University of Kentucky, renewing a relationship which has been dormant for over a quarter of a century, and the basketball team has a date at the field house here with George Washington University from Washington, D. C.

### Conference Membership Helped

"Getting into the Mid-American Conference helped ease Marshall's schedule problems shortly after I took over," Bob continued, "and it really saved Marshall athletics. Things were pretty bleak in those days — but the MAC gave our schedules a shot in the arm and also gave us a new, clean reputation. We had to be a pretty decent bunch to get into a league like that, you know."

Getting Marshall into the conference represents another high point in Morris' career as athletic director, though he's inclined to play down his role in the negotiations. Instead, he gives most of the credit to his predecessor, Luther Poling, and to former football coach Willard (Pete) Pederson.

"Pete knew Trevor Rees at Kent and worked on him," said Bob, "and Poling had friends all over Ohio, too, who were influential in the conference. I contacted Johnny Brickels at Miami and Carroll Widdoes at Ohio — both good friends of mine. The combination of the three of us got Marshall in, I guess."

How does he feel now that he's left the job?

"Frankly, I feel as though I've had a big load taken off my shoulders," he answered. "I really didn't want to resign—but when the administration told me I would have to do better, I felt I'd step out because I just couldn't do better. The burdens of running the job at Marshall are too great. The cost of everything is going up—and will keep going up—and neither the administration at the college or in the state capital seem willing to go along with policies which could help."

### Favors State Aid

Foremost of these, in Bob's opinion, is outright state subsidization of collegiate athletics as is now practiced in Kentucky and at West Virginia University. WVU grants board of governors scholarships to athletes which provide room and board. Kentucky grants full scholarships to athletes attending its state colleges but not the university. The university has its own scholarship plan.

Pete B Jones 40- Jim W Driver 31 Drexel to Jim B Dave B Craig B Dick B Bunny Ju Carl Hic Don Flory

rk le- his ng on-

Bob said—ditching his cigarette and immediately reaching for another, "at least as long as things are allowed to operate as they are now. One reason why I scheduled more road football games than those at home was to get those fat guarantees that our new relationships would bring. We had money left over from every road game we played last year but one. Basketball usually comes up with a surplus but didn't last season and that hurt."

Bob blamed hard winter weather as much as a losing team for the slump in basketball receipts. Then, he took time to praise the coaches — all of them but especially Jule Rivlin and Charlie Snyder.

"They're both doing good jobs in my opinion," Bob said. "I think Marshall is lucky to have them — because they're graduates of the college and are devoted to it's welfare."

### Two Chief Regrets

Bob admitted he's leaving the job with two chief regrets. One was his inability to convince those in charge to make desperately needed improvements at Fairfield Stadium, the other was in not having time to mix with Marshall's public more.

"I would have liked to improve the stadium to a point where I wouldn't be ashamed to play decent schools there," he said, "and wouldn't have to apologize for its rundown, obsolete condition. And, I'm sorry I couldn't get around the city more — meeting our fans and friends. But, the administration at Marshall regards the athletic directorship as a desk-bound administrative job. It has no concept of what a real athletic director must do—that he must be as much of a public relations man and goodwill ambassador as a department head."

Off the job since mid-winter because of ill health, anyway, Bob wasn't speaking like a man on the quick rebound, but like one who has given much quiet thought to what he had to say. At 49, he's now out of a job and knows it's going to be difficult getting started again.

He's a highly personable man, has a fine education and knows athletics from all angles — the front office, coaching and playing. Surely, there must be a place for him in them, still.

Marshall College split a triangular Mid-American Conference golf match at Guyan Golf and Country Club Friday, beating Kent State 10-8 and losing to Western Michigan by the same score. Marshall now has a 5-4-1 record.

Four players tied for medal honors. Marshall's Jim Ward and Pete Byer and Western Michigan's John Stroll and Jack Jaqua each had 73s, one over par.

The Big Green is host to the University of Cincinnati and Dayton today in another triangular match starting at 9 a. m.

Jim Ward (M) 38-35-73 d. Bob Vargo (KS) 39-39-78 (2 1/2); d. Ray Puffpoff (WM) 40-37-77 (3-0).

 Carl Hickey (M) 45-WD lost to Bob Meadows (KS) 40-WD (3-0); lost to John Temits (WM) 40-WD (3-0).

## Green Golfers Trip Bearcats

Marshall College nailed down its sixth golf victory Saturday, trimming previously-unbeaten University of Cincinnati 10-8 at Guyan Golf and Country Club. The Big Green's record now is 6-4-1.

Jim Ward of Marshall and Ed Driver of Cincinnati were co-medalists for the match. Each had a four under par 68.

The Big Green has a pair of triangular matches this week. They go to Toledo Friday to oppose Toledo and Western Michigan. Then Saturday they are at Kent State to play against Kent State and Miami.

Pete Byer (M) 35-34-69 (3) d. Dick Jones 40-35-75 (0).  
 Jim Ward (M) 34-34-68 (1 1/2) tied Ed Driver 32-36-68 (1 1/2).  
 Drexel Meade (M) 40-38-78 (1/2) lost to Jim Bishop 40-36-76 (2 1/2).  
 Dave Boyer (M) 40-38-78 (2 1/2) d. Craig Berrman 42-38-80 (1/2).  
 Dick Burger (M) (38-37-75 (2 1/2) d. Bunny Jump 38-40-78 (1/2).  
 Carl Mickel (M) 46-43-89 (0) lost to Don Flory 40-37-77 (3).

## Toledo Trounces Marshall Netmen

Toledo University's tennis team smashed Marshall College 8 - 1 yesterday at the Marshall campus courts in a Mid-American Conference match.

Off the job since mid-winter because of ill health, anyway, Bob wasn't speaking like a man on the quick rebound, but like one who has given much quiet thought to what he had to say. At 49, he's now out of a job and knows it's going to be difficult getting started again.

He's a highly personable man, has a fine education and knows athletics from all angles — the front office, coaching and playing. Surely, there must be a place for him in them, still.

## Marshall Visits Tech For Two Tomorrow

By DON HATFIELD

Marshall hopes to ease its season record over the .500 mark tomorrow when it travels to Montgomery for a two-night double-header with West Virginia Tech.

The Big Green is now 7-8. It has played Tech three times this year, losing a double-header to the Bears here, but defeating them in round robin play at Camp Lejeune.

Marshall's latest victory, a 4-3 affair over Mid-American Conference foe Bowling Green, came Saturday on the strength of Tex Williams' last-inning home run.

The junior outfielder lined one over Inco Park's right field screen with two men out, two on and his team trailing by two runs.

It also evened the series with Bowling Green, the Falcons having taken a Friday game at Inco, 7-5. Marshall blew that one in the eighth inning.

"We should've won them both," said coach Bill Chambers. "That first game is typical of the way we've been playing some of our games. We gave them runs, just gave the whole thing away."

Chambers was uncertain on his pitching selections for tomorrow. He'll probably go with Andy Summers (2-1) in the first game and either Carl Little (1-0) or Barry Myers (1-1) in the second.

### Andy At First

When Summers isn't pitching, no doubt the Charleston sophomore will be holding down Marshall's first base problem. He has apparently moved juniors Bill Gallagher and Walt Leonhart out of a job with his hitting.

Williams, who spurned a professional contact to attend college, and Summers lead the Big Green at the plate, Tex hitting well over .400 and Andy just under it.

"We've got a better team than our record shows," said Chambers. "Now, maybe the boys will realize it and start winning more."

"The odd thing is that just before Jim Cook went up (in the last inning Saturday), I told Little, 'Cook's going to get himself an extra base hit and then Tex is going to lose it.'"

And that's exactly the way it happened.

# Tech Jinx

We just got played." Marshall and Tech each got 14 base hits. But the Big Green couldn't score until the eighth inning, when it exploded four runs.

Barry Myers was the losing pitcher, his record now reading 1-2. Overall, Marshall is now 7-9.

Thrill-priced Two-Piece Tubular Fiberglass Rod

## Green Picks Up 3rd Net Victory

MOREHEAD, Ky. — Marshall College picked up five singles matches and its third victory of the season here Wednesday, defeating Morehead 6-3. It gave the Huntington, W. Va., team a 3-4-1 record.

The Big Green goes to Miami University (Ohio) Friday and then to Cincinnati Saturday in an attempt to go above .500.

### SINGLES

Dave Huffman (M) d. Henderson Thompson 4-1, 6-2; Joe Shafer (M) d. Glenn Ramey 0-6, 4-1, 7-5; Bill Price (M) d. Bob Kincer 2-6, 6-0, 6-4; Buddy Duncan (M) d. Tom Brown 6-3, 6-3; Noah Gregory (M) d. Don White 4-0, 7-5; Joe Crow (More.) d. Hughes Booher 4-1, 6-4.

### DOUBLES

Huffman-Shafer (M) d. Thompson-Kincer 7-5, 6-4; Ramey-Brown (More.) d. Duncan-Price 2-6, 8-6, 2-6; Will-Crow (More.) d. Gregory-Booher 6-0, 7-9, 3-6.

# Last Place Toledo Offers Marshall Chance to Climb

By DON HATFIELD

Marshall hopes to move up in the Mid-American Conference baseball race this week end when league foe Toledo comes to town.

The two meet at Inco Park for single, nine-inning games Friday and Saturday.

Marshall is now tied with Bowling Green for fifth place, each having 1-2 records. Toledo is in the MAC cellar at 0-3. Overall Marshall is 7-9, Toledo 1-4.

The Rockets have lost to Kent State 10-2, Ohio University 21-5 and 17-6 and Defiance 5-3. They defeated Ohio Northern 9-7.

### One Common Foe

Ohio is the lone common foe for Toledo and Marshall. The Big Green lost to the Bobcats, 9-1.

Toledo has only one hitter over the .300 mark. He's outfielder Kent Ross, batting at a .400 clip. Ross has collected six hits in 15 trips, two of them home runs.

In contrast, Marshall has five over .300. They are Tex Williams, .424, Andy Summers, .385, Lefty Majher and Jack Marcum, each .333, and Fred Conley, .314.

All five are among the conference's top 20 hitters, according to statistics released by the league today. Williams ranks third, Summers eighth, Marcum and Majher in a tie for 15th and Conley 19th.

And, Carl Little is third in pitching, boasting a 1-0 record and an earned run average of 1.28.

The surprise of the conference thus far has been the performance of Western Michigan, perennial co-favorite with Ohio. The Broncos have won only two games in ten starts. They've lost twice to Ohio

JACK MARCUM  
Hitting .333 For MC

FRED CONLEY  
Boasts .314 Mark

State, five times to Indiana and once to Miami. They salvaged lone victories over Indiana and Miami.

### Tie For Third

With a 1-1 MAC record, this puts Western in a tie for third, which must be its lowest standing in years.

Ohio is coasting along on top, boasting a 4-0 slate. Kent State, picked to give WM and Ohio a real run this year, is second at 2-1. Miami and Western are third at 2-2 and 1-1.

League games this week end besides Marshall-Toledo include Western at Kent State and Miami at Ohio. Bowling Green, idle in MAC play, will host Notre Dame.

Marshall coach Bill Chambers planned to start senior right hander Hugh Reynolds (1-3) tomorrow and either Summers (2-1) or Majher (1-3) Saturday. Both Summers and Majher are left-handers.

The Toledo pitching choices are unknown. The Rockets have been having trouble on the

mount all year. Their pitchers have given up 54 hits, 60 runs and 43 walks in five games.

### TOMORROW'S GAMES

Toledo at Marshall  
Western Michigan at Kent State  
Miami at Ohio

# Tech Jinx Team for Big Green

By DON HATFIELD

Marshall baseball coach Bill Chambers today could think of several reasons why his team lost to West Virginia Tech yesterday for the third time this year. But he decided to write it all off with:

"They just played better ball than we did."

Pressed on the matter following the 9-4 Tech conquest, Chambers admitted:

"What beat us was our inability to hit with men on base. We had Tech's three pitchers in trouble every inning but the seventh, and in that one we hit three terrific shots on which they made spectacular plays.

Jinx Team

"But mostly, I guess I just can't get the boys up for Tech. Maybe they're our jinx team this year, but the boys just don't go into these games the way they do, say, teams like Bowling Green or Wake Forest. And Tech hustles us all over the field — they're sky-high.

"Our base - running hurt, too. We made just too many mistakes there.

"Another thing that hurt was the field up there. I'll never take my boys back on a field like that. It was some distance from Montgomery, where we had to dress. It was a rock-pile located between two mountains. In the outfield there was a long, wide ditch and they had a ground rule that said anything in that area was an automatic double. (Jim) Cook hit one out there, got only a double on it, but it'd been out of our park in any direction.

Good Job

"Now don't get me wrong. Tech played terrific ball — they really did. They deserved to win. They out-hustled us, and Charley (Cobb, Tech coach) has a fine bunch of boys to work with there. He's done a good job, too.

"The field had nothing to do with the outcome of the game. It's just psychological — when the boys stepped onto that place, no grass, nothing but rocks — you could tell they wanted to turn around and come home. But, then, the field didn't hurt Tech any. It had nothing to do with the game.

"We just got beat. We were outplayed."

Marshall and Tech each got 14 base hits. But the Big Green couldn't score until the eighth inning, when it exploded four runs.

Barry Myers was the losing pitcher, his record now reading 1-2. Overall, Marshall is now 7-9.

You hear it often said by the uninformed that college baseball is a poor facsimile of the genuine product to be found among the professionals, not including the major leagues where it's conceded the millennium already exists.

There are even some college athletic officials who privately hold similar beliefs. They contend the sport serves no useful purpose other than provide a few athletes with spring time recreation while draining athletic department coffers. To them, base-

## Green Picks 'Up 3rd Net Victory

*X H-D 4/28/60*  
MOREHEAD, Ky. — Marshall College picked up five singles matches and its third victory of the season here Wednesday, defeating Morehead 6-3. It gave the Huntington, W. Va., team a 3-4-1 record.

The Big Green goes to Miami University (Ohio) Friday and then to Cincinnati Saturday in an attempt to go above .500.

### SINGLES

Dave Huffman (M) d. Henderson Thompson 6-1, 6-2; Joe Shafer (M) d. Glenis Ramey 0-6, 6-1, 7-5; Bill Price (M) d. Bob Kincer 2-6, 6-0, 6-4; Buddy Duncan (M) d. Tom Brown 6-3, 6-3; Noah Gregory (M) d. Don Whit 6-0, 7-5; Joe Crow (More.) d. Hushes Booher 6-1, 6-4.

### DOUBLES

Huffman-Shafer (M) d. Thompson-Kincer 7-5, 6-4; Ramey-Brown (More.) d. Duncan-Price 2-6, 8-6, 2-6; Will-Crow (More.) d. Gregory-Booher 6-0, 7-9, 3-6.

## Big Green in Track Debut Here Friday

The Marshall College track team makes its home debut tomorrow at 2 p. m. in a triangular meet with West Liberty and Salem at Fairfield Stadium.

Coach Forrest (Spike) Underwood's crew will be seeking its second win. The Big Green turned back Concord 76-71 in its opener at Athens last Friday.

While the track team is going through its paces at Fairfield the Marshall tennis and golf teams will be on the road. The netters oppose Mid-American Conference foe Miami at Oxford and move on to play the University of Cincinnati Saturday.

### Golfers In Toledo

The goal team, too, will go against MAC opposition. Coach Mike Josephs and company trek to Toledo tomorrow for a three-way match with the Rockets and Western Michigan. On the way home they'll stop off at Kent State Saturday for another tri-meet—this time against the Flashes and Miami.

Dick Gaston and Malcolm Price are the work horses of the Big Green thinclads.

"Gaston can do about anything," said Underwood. "The hurdles are his speciality along with the broad jump but he can also throw the discus and runs on the 880 relay team."

Price is the speed merchant. Against Concord he was clocked at 9.8 for the 100 and 21.9 for the 220.

"I think he did better than that," said Spike. "They've got a boy at Concord who's been timed at 10 flat on numerous occasions and Price beat him going away."

Aside from his duties in the 100 and 220, Malcolm also teams up with Gaston, Harry Underwood and Dewey Ballengee in the 880 relay.

Yesterday at Morehead, the B Green net team won 6-30.

### SINGLES

Dave Huffman (M) d. Henderson Thompson 6-1, 6-2; Joe Shafer (M) d. Glenis Ramey 0-6, 6-1, 7-5; Bill Price (M) d. Bob Kincer 2-6, 6-0, 6-4; Buddy Duncan (M) d. Tom Brown 6-3, 6-3; Noah Gregory (M) d. Don Whit 6-0, 7-5; Joe Crow (More.) d. Hushes Booher 6-1, 6-4.

### DOUBLES

Huffman-Shafer (M) d. Thompson-Kincer 7-5, 6-4; Ramey-Brown (More.) d. Duncan-Price 2-6, 8-6, 2-6; Will-Crow (More.) d. Gregory-Booher 6-0, 7-9, 3-6.

## Marshall Track Card

2 p. m. — 880 Relay (Gaston, Underwood, Ballengee, Price). Pole vault (Curus). Shot Put (Sdwards, Reeser).  
2:15 p. m. — Mile run (Ray, Szespanski). High jump (Therill, Edwards).  
2:30 p. m. — 440 run (Ryan, Underwood).  
2:40 p. m. — 120 High hurdles (Gaston, Mylar, Spencer).  
2:50 p. m. — 100 Dash (Price, Muth). Discus (Reed, Reeser, Ballengee or Gaston).  
3 p. m. — 880 run (Ryan, Szespanski). Broad jump (Gaston, Edwards).  
3:10 p. m. — 220 dash (Price, Ballengee).  
3:20 p. m. — 220 low hurdles (Gaston, Mylar, Spencer).  
3:30 p. m. — 2-mile run (Ray).  
3:50 p. m. — Mile relay (Underwood, Weakly, Szespanski, Ryan).

## \*\*\* BOB MORRIS, WHO RESIGNED

Last week as athletic director at Marshall College after having been on a leave of absence because of bad health since mid-winter, actually quit under pressure. It had been noised about for some time that he and President Stewart H. Smith of the Huntington school were not seeing eye to eye, and the issue suddenly reached the show-down stage a couple of weeks ago.

Morris said he felt a load had been lifted from his shoulders, now that he had left the job, although he pointed with pride that in his eight years at Marshall he had been the school get into the well-rated Mid-American Conference and developed its overall relations to a point where opponents of real stature were being booked.

"I didn't really want to resign," he told his old friend, Ernest Anthony Salvatore—the Huntington Advertiser—who in addition to being a Marshall alumnus also is the current president of the West Virginia Sports Writers Association. "But when the administration told me I would have to do better, I felt I'd step out because I just couldn't do better."

"The burdens of running the job at Marshall are too great. The cost of everything is going up and will keep going up, and neither the administration at the college or the state capital seems willing to go along with policies which could help."

Bob said he regretted not being able to impress upon the people in authority that some money had to be spent to improve Fairfield Stadium and was sorry he had not been able to get around more with the fans and friends of the school.

"The administration regards the athletic directorship as a desk-bound administrative job," he said. "It has no concept of what a real athletic director must do—that he must be as much of a public relations man and goodwill ambassador as a department head."

Morris thought Marshall needs what Salvatore called "state subsidization" of college athletics, and The Huntington writer referred to the West Virginia University. (Please turn to page nine)

## MC Thinclads Run Today <sup>XA</sup> 4/29/60

Marshall College track, golf and tennis teams are in action today — one at home and the other two on the road.

Coach Spike Underwood's thinclads go in a dual meet against West Liberty at 2 o'clock at Fairfield Stadium. A third team, Salem, decided yesterday not to come.

The golfers are in Toledo,

Ohio for a triangular meet with the Rockets and Western Michigan. At Oxford, the tennis team takes on Miami.

### WINNING WAYS

LONDON (UPI) — John Gully, who became Britain's 22nd heavyweight boxing champion in 1805, later served as a member of Parliament.

# Xavier, Dayton, Morehead Future Marshall Grid Foes

By ERNIE SALVATORE  
Sports Editor

Xavier, Dayton and Morehead — all former regular opponents — will resume football relations with Marshall in the near future, Whitey Wilson disclosed today.

The acting athletic director said he's reached tentative agreements with all three, with only the finalizing of details remaining to be completed.

He said a tentative two-game, home-and-home series has been arranged with Xavier to start in 1961 with the only locale of the first game unsettled.

Dayton is another tentative returnee to the '61 card, but Wilson believes the Flyers more than likely will meet the Big Green in one of the two following seasons. After that, he expects the long-time Marshall-Dayton series to go back on a regular yearly basis.

### May Add Eagles

As for Morehead, which used to serve as the Big Green's opening game opponent here for many years, the Eagles might be on the 1961 card. Other details must be worked out first, Wilson said,

before the exact year of their return is set.

Wilson expects to iron out many of the bugs in Marshall's football scheduling problems Sunday when the athletic directors of the Mid-American Conference hold a special meeting in Granville, O. Non-conference attendees will include both Xavier and Dayton — which each play three or four MAC teams each year and maintain friendly relations with all seven.

The biggest problem facing Marshall is what to do about its 1961 opener here against Miami of Ohio. The date is Saturday,

September 15, two days before classes begin. Wilson feels a bad situation would arise if the MAC insists the date be kept.

### Short Change

"There will be no students here, no band, no cheerleaders," said Whitey. "That would be a short-changing them for their student fees. I'm going to ask the conference for some sympathetic cooperation on this matter to see if we can't re-set the Miami game later in the season. It may mean some juggling for the conference schedule as a whole."

It was Wilson who requested Sunday's meeting of the nearly three months that has been filling in for the now resigned Bob Morris. Wilson has detected several inequities in the football schedule. He hopes Sunday's

# Marshall Host To Dual Meet

Marshall's "coming" track team gets its second taste of competition today and first at home when it meets West Liberty in a dual meet at Fairfield Stadium. Today's meet, which had first been slated for a triangular meet will start at 2 p. m. Salem College had been scheduled to come, but backed out yesterday evening.

The Big Green whipped Concord at Athens in its first and only outing to date last week.

Coach Forest "Spike" Underwood was well pleased with his young squad and says they're improving every day.

"They found out against Concord that they'll have to get in better shape, and they're doing it," said Underwood. "These kids try real hard and they've got good spirit."

Underwood said that track interest is growing at Marshall and if it continues to grow, the Big Green could put out a fairly strong track team in a few years.

"We have only one senior on the team and some good freshmen to help out next year," he added. "If we can get some more good boys in next year's freshman class, we might surprise someone."

Underwood has his eye on the Mid-American Conference meet May 20-21 at Athens, Ohio, home of Ohio University.

"We should do better than ever before up there. I expect (Malcolm) Price and (Dick) Gatson both to pull in some points and we might get some more with our 880 relay team and in the shot put and broad jump."

Malcolm is a dash man, who first game unsettled.

Dayton is another tentative returnee to the '61 card, but Wilson believes the Flyers more than likely will meet the Big Green in one of the two following seasons. After that, he expects the long-time Marshall-Dayton series to go back on a regular yearly basis.

### May Add Eagles

As for Morehead, which used to serve as the Big Green's opening game opponent here for many years, the Eagles might be on the 1961 card. Other details must be worked out first, Wilson said,

was clocked at 9.8 in the 100 against Concord. Gaston can do just about everything. He specializes in the hurdles, but also broad jumps, throws the discus and runs on the 880 relay team along with Dewey Ballangee (the lone senior), Harry Underwood and Price.

The Marshall trackmen have two other meets lined up before the MAC meet and Coach Underwood said he might schedule a third. This doesn't include today's match with West Liberty.

Next Friday, Fairmont State will visit Marshall and then the following week the Big Green goes to Eastern Kentucky for a dual meet.

"Some say we won't get very far unless we schedule some better schools," said Underwood, "but when you are sub-par" as we have been, you have to start at the bottom.

"But as I said before, we'll get better each year if the interest keeps climbing and then we'll go after the bigger prizes."

Xavier to start in only locale of the first game unsettled.

before the exact year of their return is set.

Wilson expects to iron out many of the bugs in Marshall's football scheduling problems Sunday when the athletic directors of the Mid-American Conference hold a special meeting in Granville, O. Non-conference attendees will include both Xavier and Dayton — which each play three or four MAC teams each year and maintain friendly relations with a

# Toledo Tests Green Jinx Today At Inco

Marshall College hopes to extend its baseball mastery over Toledo University in the first game of a two-contest Mid-American Conference series at Inco Park. Game time is 3:30 p. m. Senior righthander Hugh Reynolds (1-3) is Coach Bill Chambers' choice to face Toledo's Mike Wilde (0-1) or Jim Bieniek (0-1). Both Wilde, a sophomore, and Bieniek, a senior, are righthanders. Marshall senior Marion "Lefty" Majher (1-3) is slated to face the Rockets Saturday.

Marshall has beaten Coach Bill Balciulis' Rockets in all four of their games over the past two seasons. Reynolds and Majher have played key roles in these conquests.

A Marshall sweep would give the Big Green a 3-2 MAC record and perhaps at least a temporary berth in the first division. Toledo, a team that has only been able to play six games this season (2-4), still seeks its first 1960 MAC victory. Marshall is 7-9 on the year.

Toledo, according to Coach Balciulis, suffered this season because its MAC schedule began during the Easter holidays, wiping out the Rockets' usual Southern tuneup swing.

Toledo's attack is built around the hitting of its outfielders. One of them, sophomore Kent Ross, is the team's top hitter with a .400 average. The others are football players Occie Burt and Jack Vergiels, who were both awarded honorable mention on the all-MAC baseball team last season.

Two of the Rockets, catcher Don Lewis and third baseman Al Misko, returned to the squad this year after a season's layoff. Another infielder, first baseman Fred Cieslewski, is a senior.

Sophomores Harry Hart and Bob Pawlak, a basketball player, make up the Rockets' double play combination at shortstop and second base, respectively. Sophomore catcher Jim Miller, also a basketballer, may get the starting call today instead of Lewis.

As many as five sophomores may be in Marshall's starting lineup. They would include catcher Jim Cook, first baseman Andy Summers (.385), shortstop Fred Wagner, third baseman Ken Echols, and outfielder Ronnie Lambert.

Only Lambert and Summers, however, are definite starters.

**JIM COOK**  
Starting Backstop

**RON LAMBERT**  
Sophomore Outfield

Jack Trainor may go at shortstop, Barry Keadle may open at third and Bob Adams may catch.

Veteran Fred Conley (.314) will open at second and Jack Marcum (.333) and Tex Williams (.424) will play in the outfield.

Majher will be shooting for his

third pitching victory over Toledo Saturday. He beat them here as a sophomore 4-3, and hit three consecutive home runs against them the following day while playing in right field. He beat them at Toledo last season. Game time Saturday is 2:30 p. m.

**MARSHALL'S DICK GASTON CLEARS LAST HURDLE AGAINST WEST LIBERTY**

**MARSHALL'S DICK GASTON CLEARS LAST HURDLE AGAINST WEST LIBERTY**  
*Big Green Star Was Easy Winner in 220 Yard Lows*

A veteran and a newcomer of Marshall College track put on a two-man show yesterday at Fairfield Stadium.

Dick Gaston, the veteran, and Malcolm Price, a sophomore, scored one-third of Marshall's points as the Big Green thinclads walloped West Liberty 90 2-3 - 54 1-3. Gaston scored 18, Price 12½.

For Marshall the win was the second in as many tries.

Asked about his two stars, Marshall coach Spike Underwood said:

"Dick can do almost anything on the track but we try to restrict our boys to four or five events.

"Price is a runner. He's got speed to burn and he really pours it on when he's pressed."

#### Not Pressed

But the Big Green ace didn't have to pour it on yesterday. He grabbed first places in the 100-yard and 220-yard dashes and was easing up as he crossed the finish line. His times were 10.1 for the 100 and 23.3 for the 220, neither being his best this season.

In all, the Big Green picked up 12 of the possible 15 first places.

The meet was originally slated for a triangular affair with Salem College being the third team. Salem, however, couldn't make the trip because several of its tracksters had to play baseball.

Underwood said he's trying to re-schedule Salem for next weekend when Fairmont State is here.

4130160

## Campus Field Would Boost MC Baseball

4/30/60

There are few better college baseball parks than the International Nickel Company diamond, and certainly Marshall is fortunate to have it as a home field. But, it's a shame the Big Green can't acquire property closer to the campus on which to play its games.

This would be the greatest possible boost to coach Bill Chambers' attempts at building a truly solid, highly-respected baseball program at Marshall.

Chambers, a veteran of minor league ball, has a dream, you see. He longs for the day when Marshall will be a school to be feared in baseball; when it'll be able to go to Florida for spring training annually; when he'll be permitted to offer more and better aid to graduating high school stars.

It's difficult to run such a program at a school the size of Marshall, however. Spring sports teams must depend entirely on the major sports to finance them. There is no admission charged at spring sports events, and even if there were very little profit would be realized because the crowds are so pitifully small.

Because most men work during the hours Marshall plays, the largest part of any crowd would naturally have to come from the student body. But not many students have the proper means of transportation from the campus to Inco.

Of course, they could make the trip if they wanted to enough. But to most of them, it's simply too much trouble.

Now, if the park were located within walking distance of the dormitories, it'd be a different matter. You'd see the stands packed for every game.

As it is now, the intramural programs attract more fans than any Marshall home game.

There is no foreseeable solution to this problem — indeed, most fans probably don't even consider it a problem. But it is one, especially to a man like Chambers who's doing all he can to build his program.

It might surprise readers to know that Chambers is held in the highest regard by coaches at much larger and better-publicized universities. And frequently, his teams draw their praise.

Ohio's fine coach, Bob Wren, considers Bill one of the best college coaches in the country.

Certainly Marshall plays in the "big-time" of college baseball. Being a member of the MAC is proof enough. But, Chambers is also building the schedule, as evidenced by his playing Wake Forest, the 1955 national champion, two weeks ago.

And don't forget, Marshall almost upset the Deacons, boasting a 6-1 lead until the eighth inning and finally bowing 7-6 in ten.

On the other hand, the Big Green also lost to a so-so Virginia Tech team, 32-8. A score like that is enough to make any fan wonder what kind of a program Chambers is building, and why sports columnists keep writing so favorably about him and his team. But that's baseball, as those who know the game will admit.

All over the nation, new ball parks are going up. This is rather surprising since the number of minor leagues has been cut by more than half during the last ten years. But cities smaller than Huntington are recognizing the need for suitable Little League, Babe Ruth League, high school, college and even semi-pro diamonds.

It's a pity this can't be done in Huntington — the "All-American City."

Baseball has come a long way at Marshall since Chambers took over in 1955. With a new park, located on land adjacent or close to the campus, it could progress even further.

And, let's don't forget that handsome, available Inco Park may not always be in existence, not in these days of industrial expansion.

### Notes and Quotes

It's always puzzling why officials of leagues or high schools so often operate programs in the dark . . . They cry for publicity, then fail to inform sports departments of their operations . . . I have in mind the Ohio Valley Baseball Conference, in which our four Ohio area schools — Coal Grove, South Point, Chesapeake and Fairland — all compete . . . The first telephone call this department received from this league was two days ago, when an official called in the FINAL standings . . . Where you been all season, boys? . . . Did you think we'd cover football, basketball and track, but leave out baseball? . . . Deepest sympathy to Ceredo - Kenova's fine athlete, Bill Money, whose father died so unexpectedly this week . . . Topeka, the team for which Marshall grad Paul Underwood pitches, is leading the Three-I League with an unbeaten, 3-0 record . . . Paul boasts one of those wins himself . . . Morris Harvey has dropped baseball due to "lack of manpower and lack of a field close to the school," as coach Sonny Moran puts it . . . Moran says he doesn't expect the absence of baseball to be permanent at the Capitol City college, however. . . . Reports say former Philadelphia Phillies outfielder Mel Clark will be a member of the Point Pleasant team expected to enter the Huntington Industrial League this year . . . Carl White, Ironton high golf coach, is seeking matches. Anybody interested? . . . Is it true Barboursville back Glenn Holton, who hinted he liked Marshall but signed a letter of intent to Kentucky, is now considering West Virginia University? . . . Rumor indicates Ironton all-star Woody Hall, much sought by Marshall, will end up at Ohio State . . .

# Chambers Happy Williams Preferred College to Pros

By DON HATFIELD

Marshall baseball coach Bill Chambers is "mighty glad" Tex Williams decided to attend college.

The Artie. W. Va. junior, who turned down a Detroit Tiger contract last year to play basketball and baseball at Marshall, yesterday pulled out another Mid-American Conference game for the Big Green with his booming bat.

The opponent was Toledo, and Marshall won it 1-0 on the strength of Williams' long home run over the center field scoreboard. This time, the clout cleared the 30-foot screen 330 feet away, traveled beyond the road which circles the outfield fence, and landed in the parking lot — another tape-measure job.

The same two teams meet again today at 2:30, weather permitting, at Inco Park. Senior Lefty Majher (1-3) will pitch for Marshall, facing Toledo's Tom Kelly (0-3).

### Beat Bowling Green

In Marshall's last outing, Williams socked a liner over the right field screen to defeat Bowling Green 4-3 in the final inning.

"He's sure pulling us through, isn't he?" commented Chambers after yesterday's game. "Gosh, he can hit that ball."

Williams, who swings from the left side of the plate, boasts an average of .424 — good for third in the conference — in addition to his four home runs.

Williams also sparkled in the field, robbing a Toledo batter of an extra-base hit with a running, back-hand stab of a sinking liner. He was also responsible for holding two Toledo hitters to singles even though their hits had rebounded off the center field screen.

"Best arm I've ever seen in college," commented Chambers.

### Reynolds Praised

Also praised for the Marshall victory was veteran hurler Hugh Reynolds, who shut the Rockets out on five hits. Reynolds, in recording his second win in five decisions, struck out six men and pitched himself out of trouble twice—something he hasn't been able to do often this year.

The game left Marshall with an overall record of 8-8 and a conference mark of 2-2, which boosted it into third place. The Big Green now trails pace-setting Ohio University (5-0) by 2½ games.

The season has been a tough one on Chambers, and close games such as yesterday's leave him completely exhausted.

"This is a heck of a way to make a living, isn't it?" he said yesterday. "Of course, it's always better when you win."

"This has to be one of our best games. We made only one error. I do think, though, we should have hit their pitcher more, and got more runs."

### Bad Play Hurt

"And I will admit Toledo hurt themselves with a couple of bad plays."

Toledo coach Charley Balciulis was in complete agreement with this.

"We should've won it. It was our ball game."

We just pulled two many bone-head plays, that's all."

Balciulis listed a ball which he felt his team should have turned into a double play, one of his runners being picked off first, another stopping at first when he could possibly have made second as examples.

Marshall had the bases loaded in the first and eighth innings, but couldn't score. Toledo had them filled with two out in the ninth, but could not rally.

TEX WILLIAMS  
Homers Win Two Straight

# Williams Again Wins MAC Tilt For Marshall

Centerfielder Tex Williams delivered his second game-winning home run of the season Friday, a solo blast in the fourth inning that carried Marshall College to a 1-0 Mid-American Conference victory over Toledo University at Inco Park.

The teams meet again today in the wrapup of their two-game series at 2:30 p. m. Lefthander Marion Majher is Coach Bill Chambers' probable choice to pitch the game.

Williams, a junior from Artie, W. Va., teed off on Jim Bieniek's serve with one out in the fourth inning to give the Big Green its second conference win. His two out, three-run homer in the ninth inning defeated Bowling Green last Saturday.

Up until the tale-telling blow, the two teams had been locked in a scoreless duel. Neither had been able to mount a scoring threat.

Then Majher flied out to open the fourth. Williams followed with his 325-foot blast over the right-center fence, giving Marshall its eighth win against nine setbacks.

Both teams loaded the bases in the ninth inning but couldn't score.

Shortstop Jack Trainor led off the ninth with an infield single. Outfielder Ron Lambert flied out, but Majher and Williams worked Bieniek for consecutive walks. However, catcher Jim Cook and first baseman Andy Summers flied out to end the threat.

Toledo came back to load the bases and threaten Hugh Reynolds' bid for a shutout. Occie Burt hit a long single off the center-field fence, but was held to one base by Williams' perfect peg to second. Burt then was thrown out attempting to steal. Fred Cieslewski singled and Harry

Hart flied out to left field. Catcher Harry Miller was safe on an error by Trainor and Reynolds walked Jack Vergiels. The threat ended when Bieniek flied out to left.

## Green Golfers Divide Matches

TOLEDO, O. — Marshall College split a triangular golf match here Friday, beating host Toledo 15½-4½ and losing to Western Michigan 12½-7½ at Sylvania Country Club. It gave the Big Green a 6-6-1 record for the year.

Marshall's No. 2 man, Jim Ward, was second medalist for the match with a 75. Western Michigan's Ray Puffpuff came in with a 73.

The Big Green goes to Kent, O., Saturday for another triangular meet with Kent State and Miami University at 8:30 a. m.

Pete Byer (M) 40-38-78 d. Tony Risaile (T) 44-45-89 (4-0); lost to Ray Puffpuff (WM) 37-36-73 (4-0).  
 Jim Ward (M) 36-39-75 d. Frank Kwaitkowski (T) 44-46-84 (3½-½); d. John Stralle (WM) 38-42-80 (4-0).  
 Drexel Meade (M) 38-39-77 d. Chet Frisinger (T) 48-47-95 (4-0); d. Norm Varney (WM) 41-38-79 (3-1).  
 Dave Boyer (M) 42-45-87 lost to Bob Rowan (T) 41-42-83 (3-1); lost to Jack Jaqua (WM) 39-39-77 (4-0).  
 Dick Berser (M) 42-37-79 d. Jim Waltz (T) 41-42-83 (3-1); lost to Dave Ristau (WM) 38-37-75 (3½-½).

## Marshall Thinclads Victors

Marshall College's unbeaten track team notched its second straight victory of the year Friday at Fairfield Stadium, romping over West Liberty 90-23 to 54-1-3.

Veteran Dick Gaston and sophomore speedster Malcolm Price engineered the win. Gaston was the meet's individual scorer with 18 points on firsts in the low and high hurdles and the broad jump. Price was second with 12-1-2 points on firsts in the 100 and 220 and was a member of the winning 880 relay team.

Marshall won all but three of the 15 events.

- 100 — 1, Price (M); 2, Yeater (WL); 3, Vascur (WL), T—10.1.
- 220 — 1, Price (M); 2, Yeater (WL), T—23.3.
- 340 — 1, Ryan (M); 2, Gorby (WL); 3, Miller (WL), T—54.3.
- 880 — 1, VanFasslen (M); 2, Petrock (WL); 3, Anderson (WL), T—2:11.5.
- MILE — 1, Szpansky (M); 2, Ryan (M); 3, Petrock (WL), T—4:56.
- TWO-MILE — 1, Whitmore (WL); 2, Mansau (WL); 3, Ryan (M), T—11:06.5.
- HIGH HURDLES — 1, Gaston (M); 2, Pelran (WL); 3, Mylar (M), T—16.0.
- LOW HURDLES — 1, Gaston (M); 2, Pelran (WL); 3, Mylar (M), T—27.3.
- 880 RELAY — 1, Marshall (Gaston, Underwood, Ballengee, Price); 2, West Liberty, T—3:44.
- MILE RELAY — 1, Marshall (Hickey, Underwood, Szpansky, Ryan); 2, West Liberty, T—3:39.
- HIGH JUMP — 1, Pelran (WL); 2, Thelere (M); 3, (tie) Ryan (M), Edwards (M), Myers (WL), H—6 ft.
- BROAD JUMP — 1, Gaston (M); 2, Hickey (M); 3, Edwards (M), D—20 ft. 11 1/2 inches.
- POLE VAULT — 1, Pelran (WL); 2, Cyrus (M), H—9 ft. 1-2 inch.
- SHOT PUT — 1, Reeser (M); 2, Edwards (M); 3, Phalman (WL), D—43 ft. 10 inches.
- DISCUS — 1, Reeser (M); 2, Gaston (M); 3, Hull (WL), D—113 ft. 10 1/2 inches.

## Three Marshall Foes Returning

Acting athletic director Whitey Wilson of Marshall College said Friday the Big Green will play football again with three former regular opponents.

He said tentative agreements had been reached with Xavier, Dayton and Morehead. A two-game, home-and-home series with Xavier likely will start in 1961, Wilson said.

Dayton may also return to the 1961 card, the acting athletic director said, but probably will meet the Big Green in one of the two following seasons.

Morehead, which used to serve as Marshall's opening game opponent, also tentatively is set to resume football relations during the 1961 season.

## NET MATCH CALLED

OXFORD, O — A tennis match between Miami University and Marshall College was postponed due to rain Friday and re-scheduled for Saturday morning. After the match, Marshall goes to Cincinnati where it engages the Cincinnati Bearcats.
