# I Dream

**By: Autumn Hudgens**

I dream of a community  
Full of laughter, love, and light  
A place free of prejudice  
And other similar blight

Where people can be free  
Of hurt, hate, and haunt  
Where if you are kind  
You get what you want

A society of people  
Who look up and care  
And if you are down  
Hostility is rare

I dream of a place  
With family and friends  
With happiness and joy  
That never breaks, it just bends
