Corrigendum: Interference between
ER stress-related bZIP-type and
jasmonate-inducible bHLH-type
transcription factors in the regulation
of triterpene saponin biosynthesis in
Medicago truncatula.

In the published article, there was an error in the present address of Maite Colinas. Instead of “Institute of Molecular Plant Biology, ETH Zurich, Zurich, Switzerland”, it should be “Department of Natural Product Biosynthesis, Max Planck Institute for Chemical Ecology, Jena, Germany”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
