WALLPAPER EVERYWHERE EVEN THE CEILING

Heather Christle

What is that thing that can happen A garden
is that thing You are walking around and sudden
Oh no dahlias You know that feeling like also
a family Oh no dahlias and you are giant with offspring
sudden all tethered in the world like zinnias dahlias
unabashed and blooming like another thing that can
happen love That is just an example Love is this
thing An example of love is the wind moves that warm
air square along a face and then love I love you tethered
like a rose sudden Oh no love and all alive in the garden
