Dear Mr. Niles:

Your favor of the 17th inst. received. The organization meeting was a success and largely attended. The National Society organized with 67 members out of about 100 C.P.A's, and the balance will shortly follow into the fold.

This Society will be aggressive and force legislation for the benefit of the profession this coming winter.

Full account of the organization meeting appears in to-day's issue of the Times, Tribune, Press and Sun. The evening papers will probably also contain an account.

Faithfully yours,
