

# RITUALS of HEALING

BODY

MIND

SPIRIT

**FEB. 8 – APRIL 20, 2023**

**STUART AND MIMI ROSE GALLERY (ROESCH LIBRARY, FIRST FLOOR)**

University of Dayton first-year students in Professor Liz Hutter's writing seminar curated this display of artifacts from the Marian Library collections. While practicing writing as a model of inquiry and discovery, students wrote narratives to explore what individuals or groups believe about religion, medical expertise, and healing of the body, mind and spirit. Open during Roesch Library hours ([libcal.udayton.edu/hours](http://libcal.udayton.edu/hours)).

**MARIAN LIBRARY GALLERY (ROESCH LIBRARY, SEVENTH FLOOR)**

Materials included in this section of the exhibit feature Mary's roles in health, healing and rituals — including tarot cards, Catalan *goigs* and *Schluckbildchen*. Additional themes include the intersection of Catholic rituals with other faiths and spiritualities, as well as the history of Our Lady of Health across regions and centuries. Open from 8:30 a.m. to 4:30 p.m. Monday, Tuesday, Wednesday and Friday.
