Eastern Michigan University

A MESSAGE FROM THE PRESIDENT

Dear Graduates and Families,

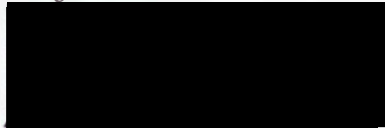

Congratulations, Class of 2018! Graduation is a major accomplishment, and I hope you are as proud of your success as we are of you. Of course, no one reaches this milestone alone. We extend our thanks to the many family members, friends, and mentors who generously gave their support, encouragement, and patience to make this journey possible. The entire Eastern Michigan University family joins you in celebrating this new beginning.

As you graduate from Eastern, one of the most culturally diverse institutions in the Midwest, you join a community of alumni that reaches across all 50 states and into more than 100 countries, from Afghanistan to Zimbabwe. Together, you and your classmates have built a community of scholars, founded on your sense of purpose and enriched by your varying experiences and hopes. Now you are prepared to succeed—and to lead—in a big world that grows smaller every day.

Your education and determination has prepared you for the hurdles you will face in the future. We are confident that all you have learned and experienced will help you achieve your dreams and impact the world around you. Our world needs you—your curiosity, your passion and your commitment to the greater community. This willingness to engage and connect is at the heart of the long tradition of Eastern Michigan University.

As you graduate and move on, we ask that you never forget your University, your professors, your colleagues and your friends. Help us share news of your accomplishments. Support the University with your time, your energy, and your dollars. Most importantly, come back to campus to network, to mentor and to remember the moment that led you to this day. In an increasingly challenging world, we take great pride and comfort in knowing that the problem-solvers of tomorrow include many graduates of Eastern Michigan University.

Congratulations!

James M. Smith, Ph.D.
President
Eastern Michigan University

OUR PLEDGE

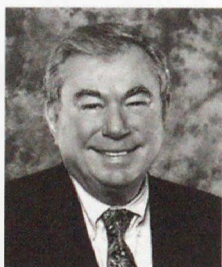

*Eastern, sacred Alma Mater
to your name we shall be true,
Ever marching on to victory,
we'll stand by to see you through.
Softly floating on the breeze,
verdant green with white of snow,
this our banner we will carry
in our hearts where'er we go.*

ABOUT EASTERN MICHIGAN UNIVERSITY

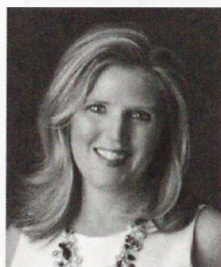

Since its founding in 1849, Eastern Michigan University (EMU) has grown from a small teachers' college to a major learning and research institution with a distinct mix of comprehensive academic resources and strong community initiative. The university offers more than 190 undergraduate majors and 200 graduate programs to nearly 20,000 students.

Eastern is focused on student engagement and success through high-performing academic programs and quality research. We also foster innovation, diversity and ethical conduct in the workplace. Beyond the classroom, Eastern supports community engagement and collaboration that create a mutually beneficial exchange of knowledge and experiences. We are one of just 240 U.S. colleges and universities to receive the 2015 Community Engagement Classification from the Carnegie Foundation. EMU also earned the distinction in 2008—testament to a deep and longstanding commitment to community involvement and enhancing the overall quality of life in our region.

ACADEMIC PROCESSION AND SYMBOLS

The academic procession begins with the University mace, a symbol of authority of the President and the Board of Regents. The mace represents the golden flame of learning and is carried by the grand marshal, who is chosen on the basis of service to the University. Distinguished faculty lead their colleagues. The charter represents the original academic design of the University. The keys represent permission to enter and employ the University's resources for the advancement of knowledge. The chief academic officer carries the book representing knowledge, the source of wisdom. The medallion, worn by the president, represents the distinguished office of the University's leader.

All undergraduates wear gowns of the same color. The colors of the hoods signify the different graduate degrees. The green and white tassel worn by the graduates represents the colors of Eastern Michigan University. Gold tassels are worn by those graduating with honors. Graduates who have served our country with honorable military service wear red, white and blue honor cords.

THE UNIVERSITY MACE

Historically, the mace was a battle club used by men on horseback to injure footmen. With the passage of time, however, it became a symbol of learning and power.

Constructed of sterling silver, gold-plated brass and paduak (a wood resembling mahogany), the mace carries the symbols of each area of the University: the arts and sciences, business, education, health and human services, and technology.

The University mace was designed and constructed by Mark Hall, who earned his bachelor's degree in art from Eastern Michigan University and completed requirements for his master's degree in fine arts at the Cranbrook Art Academy.

MEANING OF HOOD COLORS OF ACADEMIC DRESS:

For all academic purposes, including trimmings of doctor's gowns, edging of hoods, and tassels and caps, the colors associated with the five colleges at Eastern Michigan University are as follows:

Arts and Sciences	White
Business	Drab
Education	Light Blue
Health and Human Services	Citron
Technology	Bright Gold

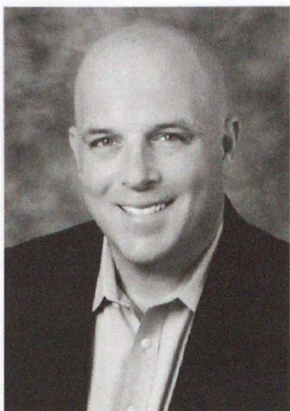

Faculty may be wearing the colors of their own institutions, typically associated with different programs as follows:

Agriculture	Maize
Dentistry	Lilac
Economics	Copper
Engineering	Orange
Fine Arts, including Architecture	Brown
Forestry	Russet
Journalism	Crimson
Law	Purple
Library Science	Lemon
Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration, including Foreign Service	Peacock Blue
Science	Golden Yellow
Theology	Scarlet
Veterinary Science	Gray

Please remain seated during the distribution of diplomas. Photos should be taken before or after the ceremony as photographers are not permitted near the stage. However, a professional photographer will take photos of all graduates as they receive their diplomas on stage. There is no obligation to buy enlargements, although this opportunity will be available when graduates receive their proofs, typically via email shortly after the ceremony.

WELCOME TO THE ALUMNI FAMILY

Dear Graduate,

On behalf of the Eastern Michigan University Alumni Association, I congratulate you on this significant milestone today and for every achievement you celebrated along the way.

Today, you are joining more than 165,000 members of our alumni family. EMU alumni live in 104 countries and in every state, including more than 100,000 here in Michigan. EMU alumni all over the world make significant contributions to our profession and our communities. We welcome you to this Association and know we will be proud of you as well, our newest alumni.

When I first visited Eastern Michigan University, I felt a genuine sense of community and an interest in my personal success. Throughout my time as a student—and still as an alumnus—I feel like I am part of a family. I have had the privilege of welcoming my wife, sisters, mom and countless friends to this alumni family and now I welcome you. I encourage you to remain actively engaged with your university by being a member of the Alumni Association. There is no cost to belong and we offer a number of discounts and benefits. We will keep you informed about the university and invite you to be involved in activities, both on campus and in your community. You can learn more about the Association and its benefits at emich.edu/alumni.

As you celebrate this day and move into the next phase of your lives and careers, know that you will forever be a valued member of the Eastern Michigan University family.

As always, and for forever... Go Green!
