Friend Wright

Please find out for me, as soon as you can, into what creek - or lake Perry's creek or branch runs into. Does it run into Conco's creek? Into what does Conco's creek run ~~into~~ if Perry's creek runs into it. What I specially want to know is - into what creek - or lake does Perry's creek run into. Does it run into Conco's creek - if so what does that run into. Does Perry's creek run into blue lake and it into the River - or how is it - Please see Carman and ask him if Jason Keon can left New Salem before he Carman come to N. S. What year did Carman come to N. S. Please answer as soon as you can

"Berry^d Creek & Concord Creek"
 are the same and they empty
 into & form that Beautiful Lake
 called "Blue Lake" and then
 into the Saugamon River
 Carman came to N. S. before J. Duncan
 left.

 A. D. Wright
