Price, 5 cents

Dr. Nelson To Open Religion Week on Wednesday Evening

Coming to Ursinus with experience in speaking to students about their faith and in counseling in the choice of vocations, Dr. John O. Nelson will speak at the opening meeting of Religion in Life Week. His platform hour, entitled "How Much Does Christianity Matter in Your Life?" will begin at 8:00 p. m. on Wednesday night.

Dr. Nelson is the editor of The Intercollegian, a student magazine taken at Ursinus to which Ursinus students subscribe. He is also a staff member of the Federal Council of Churches. Because he will be on campus until Thursday afternoon, students are urged to talk with him individually. He is especially capable of counseling on new fields of occupation to which college work may lead. Here is a chance for those students who are uncertain about their careers to find out where they can best use their talents and college preparation.

A special dramatic presentation will be given in the library on Friday evening at 7:00 p. m. A radio pageant and a radio play are included on this program. Music will be provided by Esther Smyth and the Glenwood Quartet with background recorded music from the library music room. The dramatic parts will be taken by Susan Bellis, Andrew Souerwine, John Ulmer, and Richard Wentzel. Rev. Oscar Rumpf will provide the setting for the radio play with pictures he, himself, has made.

When programs such as these come to Ursinus, students are urged not to miss them. The committee welcomes students of any faith or denomination, for the Christian circle is extended to every student on the campus.

Students Prepare To Participate in Model Legislature

Students from all leading Pennsylvania colleges and universities are studying parliamentary procedure, drafting bills, and discussing State legislation in preparation for the tenth annual meeting of the Intercollegiate Conference on Government.

This year's meeting, slated for Harrisburg, April 18-20, will take the form of a model state legislature. Eleven legislative committees will set up to give preliminary consideration to all bills introduced.

It is expected that Governor James H. Duff will address the opening session on Friday morning, April 18, in the educational forum.

This will be the fifth time it has met as a model state legislature, with the student delegates pretending that they are members of the real general assembly and introducing, debating, and adopting bills which have been previously drafted on their respective campuses.

Previously the conference has met as a model state constitution, model national political convention, model interstate governors conference, and a conference on post-war reconstruction.

Political science students will comprise the bulk of the "politicians" at the convention. They will meet in a legislature that will operate under the present Pennsylvania constitution, except in so far as the constitution provides for two houses and for certain legislative procedures which time and space will not permit. The model legislature will be unicameral.

Charlene Taylor to Review Book Written About Walter Damrosch

Charlene Taylor '47, will review From the Top of the Stairs by Gretchen Finletter at the meeting of the English Club at 9:15 tonight.

This book, written by the daughter of Walter Damrosch, is a humorous story bringing to the reader many humorous episodes in the family life of a great musician.

Calendar for Religion in Life Week

Wednesday, March 19—8:00 p. m. Platform speaker, Dr. John O. Nelson, Bomberger Hall
Thursday—7:00 p. m. Bull Sessions, Library
Friday—7:00 p. m. Dramatic Program, Library
Saturday Afternoon—2:00 p. m. Bible Study, Dr. M. W. Armstrong Faculty Room, Library
Saturday—7:30 p. m. Shamrock Party, Gym
Sunday—10:45 (time has been changed) Church, Dr. F. T. Wilson Rev. C. Wallick
Sunday—6:00 p. m. Candlelight Vespers

Mr. Gyger Outlines Structure, Work of State Legislature

Mr. Furman H. Gyger, a representative to the Pennsylvania State Legislature, spoke before a dinner meeting of the Legal Society on Wednesday evening. His topic was "Pending Bills and Current Legislation."

Mr. Gyger gave a brief outline of the structure and work of the Pennsylvania State Legislature. He discussed the various steps necessary to enact a bill into a law and emphasized the importance of committees in this procedure.

The speaker presented various aspects of the state budget, pointing out that half of the state's expenses are for education. He also suggested that due to the twenty dollar a week unemployment compensation, the state will be required in the future to raise an additional twenty-three million dollars for relief.

Mr. Gyger considers as top pending legislature the problem of teachers salaries. He also discussed legalization of horse and dog racing, state controlled liquor stores, and labor legislation. Then he gave the society brief instructions on how to enter politics. Mr. Gyger, a representative of the second District of Chester County is chairman of the State Welfare Committee.

Debaters Meet Bucknell, Rutgers in Non-Decisional Home Contest

The Ursinus Debating Club was host to two debating teams during the past week. On February 28 a team from Rutgers University debated against Randolph Warden and Dorothy Dean on the question, Resolved: That the United Nations should be evolved into a federal world government. Ursinus upheld the affirmative of this question. Dean Evans and Bob McKee debated David Hurwitz and Irvin Graybill of Bucknell University last Tuesday on the question, Resolved: That labor should be given a direct share in the management of industry. Ursinus debated the affirmative side.

On Friday Randolph Warden and Dorothy Dean visited Bucknell and debated the negative side of the labor question. All the debates, non-decisional, were debated in conventional style.

To Speak on "How Much Does Christianity Matter in Your Life?"

Directors Select Casts for Operetta and Play Productions; Final Decision Pending for Leading Role of Mr. Whiteside

Chorus, Production Staff Named For J. Kern's Very Good Eddie

Dorris Renner '47, and Louis Oddo '47, have been selected to play the romantic leads in Jerome Kern's operetta, Very Good Eddie, to be presented at Ursinus on April 25 and 26.

Dorris' soprano voice is a part of the Stardusters and was heard in last year's operetta, Countess Maritza, in which she was cast as a gypsy. As Elsie Lilly Dorris will play opposite Lou's portrayal of Dick Rivers, which will be his first major role in an Ursinus production.

Eddie Kettle, a timid hen-pecked husband, and Mrs. Kettle, his domineering wife will be played by Richard Brandon '49, and Jean Robertson '48, Elsie and Perry Darling, whose personalities are the reverse of the Kettle's will be depicted by Marion Bell '48, and Alfred Gilbert.

Marian Sare '48, will appear as Madame Metroppo, a comic opera teacher, while Esther Smyth will play the role of Veronica Lake, one of her pupils.

Richard Wentz '49, will portray the part of the clerk while William Keller '50, and Luther Heist '50, will appear as M. de Rougemont and the pursuer respectively. Madame Matropo's students include Virginia Meyers '47, Joyce O'Neill '48, Elaine Lockhart '48, Betty Wartman '49, and Sally App '50.

Mary Kern '48, Elizabeth Water, Marie Heckendorn '49, Janet Neff '50, Barbara Leon '50, Betty Carrell '50, Betty Waddington '47, Vera Wagner '49, Betsy Eschelman '49, Roberta Blauch '47, Doris Dalby '50, Nancy Talcott '47, and Helen Southall '49, will compose the girls' chorus.

The members of the boys' chorus include John McClosky '50, Allan Stave '50, Eric Hallman '47, Nelson Yeagle '48, Elmer Weismer '50, Herbert Schiller '50, Norman Harberger '50, Jacob Corcoran '50, Robert Hartzell '50, and Richard Peoples '50.

Marian Sare '48, will serve as student director while Joyce O'Neill will take over the responsibilities of production manager. Other members of the production staff include Winfield Atkinson '49, stage director; Nelson Yeagle '48, Librarian and Men's Chorus Master; Phyllis Bright '48, prompter; Hel-

(Continued on page 4)

Red Cross Drive Begins Today; Sponsored by Combined Councils

Today marks the opening of the Red Cross Drive on the Ursinus campus. This drive, launched in conjunction with the National Red Cross drive, is sponsored by the Men and Women's Student Government Associations. Marjorie Coy '47, president of the WSGA, and Lew Ross, president of the MSGA, are in charge of the drive for their respective organizations. The senate representative will solicit women students while members of the MSGA council will collect contributions from the men students.

Four Parts Remain to be Cast for The Man Who Came to Dinner; Acting Ability of Several Students Make Decisions Difficult

Mr. Helfferich, director of the Curtain Club play, The Man Who Came to Dinner, has selected the cast for the spring production with the exception of the leading role—that of Mr. Whiteside, and the parts of Maggie Cutler, secretary to Mr. Whiteside, Mr. Stanley, and Sandy. The fact that several persons have shown their ability to portray each of these characters has made the final decision extremely

difficult for all those concerned.

Dennis, Pancoast Named Co-Coaches of '47 Baseball Team

Director of Athletics, Everett M. Bailey, announced last week that two former Ursinus baseball greats will handle the diamond fortunes of the Bears for the 1947 season. Dr. Foster L. Dennis '31, and Mr. G. Seiber Pancoast '37, Dean of Men, have been assigned co-coaching jobs.

Dr. Dennis, whose home is Milton, Pa., held down the first base slot for the Bears from 1927 until his graduation in 1931. Since then he has played considerable independent amateur baseball in his hometown. He received his Master's degree at Cornell University in 1932 and his Doctorate at the University of Illinois in 1938. He served as an assistant in mathematics at the latter school until his return as Instructor at Ursinus in 1938. For Dr. Dennis it will be his first efforts in the coaching field but his former playing ability and keen interest in athletics in general equips him for the spot.

Mr. Pancoast was graduated from Ursinus in 1937 and has since received his Masters Degree at Penn. He returned to Ursinus the year of his graduation, and in 1942 was appointed Dean of Men. While a student at Ursinus, Seib, as he is familiarly called on campus, became one of the outstanding athletes in the history of the school. He performed capably as a center on the football team, played some basketball, capered on the cinder paths, and played both outfield and infield on the Bear baseball team. Since his graduation he has played independent baseball in the Camden Twilight League, the Camden independent circuit, the local valley league, and the highly-rated

(Continued on page 4)

Forum Speaker Is Noted Authority On Russian Affairs

Professor Michael Karpovitch, noted authority on present-day Russian affairs, will be the speaker at the next Ursinus forum which will be held Monday, March 24, at 8 p. m. in Bomberger Chapel. The topic of his address will be "Russian Foreign Policy."

Professor Karpovitch, now teaching Russian history at Harvard University, is well-versed in his subject for he was connected for some time with the Russian government. Born in Russia, he held a post in the Russian diplomatic service under Czar Nicholas II. He received his education in Russia and at the University of Paris.

In 1917, at the time of the Russian revolution, he came to the United States as a representative of the Krenski government. After breaking with the Bolsheviks, he remained in this country and became a citizen. He has travelled widely in the United States and Canada on lecture tours. Well-known as a writer and commentator, Professor Karpovitch is noted for the expertness of his knowledge and the balance and fair-mindedness of his interpretation of the U.S.S.R.

Following his address, Professor Karpovitch will attempt to answer any questions which may have arisen on Russia and her policies. Undoubtedly Professor Karpovitch's lecture will provide an interesting as well as instructive evening.

Many of the cast will be new to the Ursinus stage. However, Charlene Taylor '47, will be remembered for her part of Jenny, the maid, in Jupiter Laughs and her performances in several one-act plays. She also served as student director in the recent production of Ten Little Indians.

William Lambie, who made his debut at Ursinus in his role of Roger, the butler in Ten Little Indians, will once again be seen in a character role.

Marjorie Coy '47, played the part of Edith Weybright in Isabel Leighton and Bertram Cock's three act comedy, Spring Again, when it was presented here last May Day.

The remainder of the cast is as follows:

Mrs. Ernest Stanley (hostess)
Virginia Haller '47
Miss Preen (nurse) Helen Pector '49
Richard Stanley (son)
Charles Williamson '50
June Stanley (daughter)
Mary Flad '48
John (houseman) Elmer Meisner '50
Sarah (cook) Jane Estabrook '47
Mrs. Dexter (neighbor lady)
Eleanor Baum '48
Mrs. McCutcheon (neighbor lady)
Marjorie Coy '47
Dr. Bradley (town doctor)
Dean Evans '48
Harriet Stanley (Mr. Stanley's sister) Charlene Taylor '47
Bert Jefferson (local newsman)
Richard Reid '49
Professor Metz (celebrated botanist) Hal Grossman '49
Lorraine Sheldon (movie actress)
Jane Nagel '49
Banjo (character)
William Lambie '47

There are twelve minor parts which will be cast next week.

Sophs To Sponsor Dating Bureau for Bunny Hop, Mar. 28

There comes a time in the life of every young man when he must make a great decision. Now the decision is not that of spending only \$1.50 for a ticket to the Bunny Hop—but that of asking the right girl. At the end of this week Alice Godfrey '49, will post the rules and regulations for the date bureau. This bureau will provide an escort for any bashful man or maid who finds himself or herself without a date for March 28.

The next big news concerns the name contest which will offer the opportunity to one and all to win a free ticket to the Bunny Hop. In the very near future two rabbits, the dance mascots, will be placed on exhibition in both dining rooms. Two lucky persons will be the recipients of free tickets to the dance. All they must do is pick the best name for each rabbit. The rules are as follows:

1. Anyone who buys his (or her) ticket before March 24, may hand the name he selects to the ticket seller.

2. The winners will be picked by three judges (Ann Harting '48, John Snyder '47, and Paul Detweiler '47) and their money will be refunded.

It has been requested that anyone who feels that they will not have transportation for the dance contact Alice Godfrey, transportation chairman.

So don't forget—keep March 28 open and participate in the contest. The names of Richard (of open the door fame) and Kilroy have been automatically disqualified. Remember one plus one equals a thousand by March 28.

Physical Education Department officials at the University of Maryland expect 300 students on the campus to participate in student co-educational trips to the European continent and the British Isles this summer.

These trips will be conducted under the direction and supervision of the Youth Hostel Association of America for the reconstruction of youth hostels abroad, promotion of international good-will, and education through travel.

Qualifications for the trips require that applicants be at least 17 years of age, have sufficient physical stamina to withstand the outdoor life and the hiking and bicycling that go with it, and be able to pay expenses (about \$250) plus transportation to Europe.

However, if funds are not available students with special interests, hobbies, or majors such as recreation, physical education, agriculture, dairying, engineering, home economics (foods, interior design), journalistic aspirations and others may qualify as leaders or assistant leaders and have all or half of their expenses paid by the Youth Hostel Association. Others may be sponsored by civic groups or organizations such as Kiwanis Club, Lions Club, or Rotary Club.

Whether there is life on Mars may soon be revealed by the findings of a new electronic device developed at Northwestern. This instrument, a special recorder, will make a more intensive study of the stars and planets and may lead to the findings of new stars, discovery of life on several planets and information about the stars' inner mechanism.

Although astronomers have long speculated that the green spots on Mars might be vegetation, the first investigation with the recorder must be put off until summer when the planet will be visible in the sky.

SOCIETY NEWS

Alpha Sigma Nu will hold its annual alumni banquet at 1 p. m. on Saturday, April 12, at the Benjamin Franklin Hotel, Philadelphia. Any alumnae wishing to attend should contact Mrs. Ann Mahady, 18 E. Holly Avenue, Oaklyn, N. J.

The girls of Stine Hall entertained at an informal party last Friday evening in Rec Center.

Rev. and Mrs. Alfred L. Creager have announced the birth of a son, Philip Alfred, on March 8, at Women's Medical College Hospital, Philadelphia. Rev. Creager, who graduated from Ursinus in 1933, is pastor of the Evangelical Reformed Church in Collegeville. His wife is the former Grace Williams '31.

Jayvees Score 21-18 Victory Over WACS

The girls' junior varsity basketball team scored another victory last Tuesday evening when they defeated a WAC team at Valley Forge General Hospital by a 21-18 score.

With Jackie Landis, Manny Ballantyne, and Jeanne Loomis starting in the forward positions, and Ann Moister, Jane McWilliams, and Phil Ziegler at guard, Ursinus led throughout the game. The WAC's threatened in a fourth quarter spurt, but Manny, high scorer for the Ursinus six with 11 points, came through with a field goal and foul shot to clinch the victory.

Dr. Dressler Speaks On Monster Babies At Pre-Med Meeting

Last Tuesday evening the Pre-Medical Society sponsored an interesting lecture presented by Dr. Otterbein Dressler, Dean of the Philadelphia College of Osteopathy, on the subject of monster babies. His talk was illustrated by slides which showed these monstrosities during both the pre-natal and post-natal periods.

Dr. Dressler began his lecture by explaining several reasons why babies are born with missing limbs. This deformity may be caused by a stoppage in growth in that particular portion of the embryo or, as in more frequent cases, be severed from the embryo by the umbilical cord which has become entwined about the embryo.

Since human beings have bilateral symmetry, Dr. Dressler pointed out that at certain stages with the embryonic development the corresponding sides of each organ or part must fuse simultaneously before development is complete. If this fails to happen, such deformities as cleft chins, harelips and fissures of the body may result.

The speaker also explained that Siamese twins occur as a result of two embryos developing so close together that parts overlap and fuse. In discussing this subject Dr. Dressler also referred to the parasitic monster which occurs when an embryo begins to develop after another has started. If there is no room for the second embryo to grow, it is crowded by the more advanced embryo and its development retarded and finally arrested.

This parasitic monster may be born within as well as attached to the outside of the other baby. If the development of the second embryo was arrested at a very early stage it may appear merely as a tumor mass. Dr. Dressler further explained that medical science upholds a theory that many tumors which appear in later life are actually undeveloped embryo which have been dormant for a number of years.

In conclusion Dr. Dressler answered questions from the floor.

Statistics Confirm Peak Enrollment in Schools of Learning

The impression that American colleges are bulging with students as never before is now confirmed statistically.

Total enrollment in all types of institutions of higher learning is well over 2,000,000 students, reports Dr. Raymond Walters, President of the University of Cincinnati. Slightly over half are veterans. The total is 59 percent higher than the last full peacetime year, 1939-40.

714,477 former G.I.'s are enrolled in full-time courses in the institutions covered by Dr. Walters' survey. He adds about 150,000 more for junior colleges and other institutions not on his list. Others are enrolled in part-time courses, bringing the total veterans now subjecting themselves to the forces of higher education to well over 1,000,000.

This means that there almost are enough veterans in college now to equal the total enrollment in 1929. The college year 1899-1900 found 237,592 persons devoting full time to higher education. In 1939-40, before the defense program, there were 1,494,203 students. In 1900 only four persons were enrolled in college for every 100 persons of college age in the population. In 1939 there were 15 for every 100 persons. This year the proportion will be even higher.

Women students are not being crowded out of the colleges by the influx of veterans and the competition for admission, Dr. Walters notes in comment upon his survey. There are 94,000 more women in the institutions of higher learning now than there were a year ago.

Greek Relief Needed to Safeguard Democracy

Today Greece, the original cradle of democracy, is in a very sorry state. It is, in fact, one of the unhappiest nations in all of Europe.

Russia has extended her control over three formed Axis satellite nations, Albania, Bulgaria, and Yugoslavia, and now well-trained Russian guerrilla fighters from these countries are drifting into the small provinces of northern Greece. This small Balkan country then, serving as the big key to the Mediterranean Sea and the Dardanelles, which Russia wants so badly, is indeed in a very strategic position.

In addition to the infiltration of the Russian Guerrillas, there is a definite pro-Communist element in Greece. This party, under the leadership of one George Siantos, is becoming all-powerful in the small nation. This is due chiefly to the fact that the British, kept busy with their own problems, have failed so miserably in helping Greece get back on her feet politically and economically. To make matters worse, King George III has been reinstated to the Greek throne. It has been proved that George III is very unpopular with the Greek people due to his long exile in England during the Axis occupation and his failure to understand the current problems of his nation.

As one shabby Greek recently said to an American official in the Greek capital, "We certainly could use a little loan here and a little loan there." With all other hope of aid gone, the Greek nation turns to the United States for help.

The British have recently asked President Truman for direct aid for Greece, in addition to Greek relief organizations, by sending ships laden with supplies. It is the British claim that they are no longer able to care financially for Greece. This loan, whatever it is, must come through the United Nations, however, for otherwise any direct aid would mean we were guilty of imperialism aimed at Russia. Regardless, this loan must be made. For we cannot expect to help Greece politically without first helping her economically.

Records Topple as Grizzlies Hang Up 80-52 Win

Fords Fall Before 71-36 Bear Blast In League Contest

Zeigler, Jaffe Twinkle as Whole Team Joins in Blistering Attack

Jumping into the lead at the onset on a set shot by Dave Zeigler, and piling it on as the game progressed, last year's league champions from Ursinus soundly trounced Haverford's Main Line quintet by a 71-36 count in the final home meeting of the '46-'47 season. Opposing a decidedly inferior squad, which, however, had previously extended the Bears before dropping an early season 48-46 tussle, the home club, sparked by Zeigler and Bob Jaffe, completely dominated play from the opening whistle to the final gun. Big Dave notched 18 points to lead the scoring, while Jaffe turned in his finest game of the season by accounting for 13 tallies and playing bang-up on the floor.

The Fords kept in the early part of the fracas by way of Hal Whitcomb's accurate one-handed stabs and the in-close shooting of Tom Crollius. Jaffe and Zeigler were the chief instruments in the Bears' attack, which pushed them into a 14-10 first period lead.

When the remaining forces under Seeders' command started clicking, the contest developed into a rout. After Zeigler and Jaffe had each dumped one to open the second stanza, Snyder hit on an overhead set shot and Hal Brandt pulled a beautiful fake to notch two more. Brandt dropped another, on a long set, registered two charity tosses, and Forsyth tallied a singleton from under the basket and a foul.

A 31-20 halftime lead seemed meager, so the big guns once again started booming. After giving two to the Fords, 14 straight points were rung up on the Thompson-Gay register by the home club before a few subs were inserted into the lineup.

Moore's brace of fouls pulled the Bears into a commanding 53-29 lead as the final stanza got underway with the second team performing. Forsyth then bucketed a pair of twin-pointers, and sandwiched between a few other goals, Joe Much sank four quick baskets on some amazing shots. Gerlack's foul ended the contest.

Outplayed man for man, Haverford couldn't do a thing to maintain an interesting battle. The Bears could do nothing but run up points before the feeble defense of the losers, who time and again allowed an opponent to slip unguarded under the basket.

In the preliminary game, the unpredictable Cubs blew a 33-24 halftime lead to come out on the wrong end of a 65-54 final count. Dick Randall, Ed Miller, and Dick Davidson featured the loser's scoring efforts, though George Kennedy's brilliant floorwork was the home club's chief consolation. The Fords' Sproul accounted for a 29 point total with some uncanny shooting, to pace the victors.

WEEKLY SPORTS

Ursinus Rings Up Seventh Triumph; Downs Beaver Six

Snell's belles chalked up their seventh win in eight starts when they traveled to Jenkintown to trim the Beaver coeds, 34-26, on Saturday. Winnie Mutchler and Jane Brusch shared the scoring limelight with 11 points each while Anita Frick cut the cords for 10.

Winnie put the coeds out in front by a 4-0 score soon after the opening whistle with counters tallied on a pivot and a lay-up shot. The slow-moving first quarter gave Ursinus a 2-4 lead, but that was quickly diminished when the Beaver combine came back strong to connect with shots from all over the floor. As the half ended Ursinus held a narrow one-point lead, 13-12.

Scoring in the third period was basket for basket with frosh Anita Frick staging a one-man scoring rally for the visitors tallying ten of the twelve Ursinus counters for that quarter. Winnie's foul shots added the other two points to the Ursinus 25-21 score.

The Ursinus scoring machine widened their margin in the final period garnering nine points to Beaver's 5 for their 34-26 triumph.

Guards Floy Lewis, Mary Evans, Peg Hunter and Evie Moyer were all on their toes every minute but the orchid of the day goes to Mary Evans for her outstanding defensive play. She had her hands full with a forward about three inches taller than she but kept the Beaver scoring ace completely bottled up. Mary was able to block her shots by timing her jump perfectly.

Junior Varsity Downs Beaver Combine, 26-12

The Ursinus Jayvees racked up another win for their team when they defeated Beaver 26-12 on Saturday.

Although the Ursinus belles held the lead from the first quarter, the Beaver girls threatened many times to pull ahead.

Faster passing and better ball was played during the third and fourth quarters. In the third quarter Manny put two in from overhead shots, and sent the half-time score up to 13-5. Setting up plays for her teammates, Leemy passed to Jackie in the corner in two consecutive plays for Jackie to tally two field goals.

The fourth quarter found the Leemy-Jackie-Manny trio pushing up shots fast and furious. Most of the shots were taken under the basket, and at the final whistle Nat's team was the winner by a fourteen-point margin.

The guards Moister, Warren, Baum, and Zeigler played a fine intercepting game.

Looking 'Em Over

Last weeks 71-38 adagio against Haverford marked the most disastrous defeat in a disastrous season for the 'Fords. When you figure the same team came within a split hair of thumping the Bears in early season, it's not hard to see the unpredictable nature of the game.

Home court cavorting means a whale of a lot in deciding basketball games, more than in any other sport. A team whose every day floor covers a fine wide open space can be easily mishandled occasionally by an inferior five within the confines of some of these inter-sanctum gyms there are around. The reverse can also be the case as can be witnessed by the shellacking Drexel takes on almost every occasion they wander from their city cubby hole.

Ursinus clubs do have one slight advantage in the fact that the Thompson-Gay floor strikes a medium between the larger and smaller courts in the conference. Therefore, when the Bears travel they're generally partially equipped to meet meet demands of either type structure. And another thing, no matter how close together the baskets or how high or low the ceiling. The steel circle has to be at the same level and of the same circumference. With fine eyed lads like Zeigler, Moore, and Snyder firing away there's not a whole lot anyone can do about stopping the Bears on their good nights.

Villanova's Joe Lord has skipped away neatly with individual scoring honors for the area and for the state this semester, but this corner feels that had circumstances been slightly altered, our own trigger man, Dave Zeigler, would have pushed Mr. Lord to the limit in the duel. Zig got off to a disappointing start when he holed but 5 chukkers in the initial Drexel fray in the first three minutes and then had to squirm nervously in the stag line while his mates handled the evening's business. Only two other tilts found the hefty pivot man out of the double digits, and on each occasion he was bench-ridden for about half a game. Through the recent Haverford scream, for the last six outings, Zig has averaged 20 per contest, reaching his zenith in dunking 28 against Moravian. He should wind up with about a 15 per game average which, barring unexpected spurts by either Drexel's Schwab or Pharmacy's Anderson will earn him the runner-up slot behind Villanova's jockey Joe.

Navy has entered the NCAA play-offs much to the delight of ardent followers and should do quite well for themselves. Tournament play is tricky, however, and the lads in blue, unaccustomed as they are to public jousting in the sudden death manner, may meet their masters early in some lesser five that thrives on tournament play.

The National Invitation, always the more colorful of the two tournaments, will find—and we stick to our guns—Kentucky's blue grass pride and joy boys making their own Derby look slow as they race through all competition. Their West Virginia neighbors may have other plans for Rupp's boys, but despite a tremendous season the Mountaineers just won't have enough guns to thwart the Wildcats.

In the meantime Ursinus will content herself with a second place tie in the MAC, and bide bitter time until Miller, Randall, Davidson, Weinmann, Tenewitz, et. al. "grow" to varsity status to bolster Jaffe, Myers, Forsyth and Brandt in the '48 title bid.

Ursinus Swamps Penn Tank Team; Takes Four Firsts

The Ursinus co-eds remain undefeated and untied in swimming competition after handing Penn a rather severe defeat, 37-20. Ursinus was definitely out in front all the way by taking all firsts except the 50 yard freestyle and diving.

The girls were at a disadvantage in that they have to practice in a 20-yard pool while Penn's pool measures 25 yards. However, this mattered little to our coeds under competition.

The meet started with the 50-yard backstroke, and Mag Schafenacker led the field all the way to come in far ahead of Penn. Rita Lieb took an easy second. Arrison of Penn then touched out Pat Ellis by a tenth of a second in the 50-yard freestyle in an extremely close contest. Sid Sponaule and Mag Schafenacker came through in the breaststroke again far ahead of the Penn girls. The undefeated relay teams had no trouble at all and glided in for two easy firsts.

Diving, which has been the weak-spot of the team all year, was won by Penn. However, Pat Patterson, diving for U. C. for the first time, showed extra good form and took second place to the surprise and joy of Ursinus.

The team swims at Beaver next and expects to be the toughest meet of the year.

The scoring and times are as follows:

50-yd. Freestyle: Arrison, Penn, 2. Ellis, Ursinus; 3, Bosler, Ursinus. Time, 30.8.
50-yd. Backstroke: 1, Schafenacker, U.; 2, Lieb, U.; 3, Achtermann, P. Time, 41.2.
50-yd. Breaststroke: 1, Sponaule, U.; 2, Schafenacker, U.; 3, Friedman, P. Time, 38.6.
Diving: 1, Haines, P.; 2, Pattison, U.; 3, Friedman, P.
75-yd. Medley Relay: 1, Ursinus (Walton, Sponaule, Bosler); 2, Penn (Achtermann, Friedman, Austin). Time, 49.1.
200-yd. Freestyle Relay: 1, Ursinus (Sponaule, Ellis, Walton, Bosler); 2, Penn (Cardeza, Kester, Christianson, Arrison). Time, 2 8.7

Sextet Takes Toll Of Swarthmore in Slow 29-14 Contest

The girl's basketball team added another win to their record last Wednesday afternoon when they defeated Swarthmore 29-14 at the latter's court. This made a total of 5 wins and 1 defeat for the homesters.

The co-eds got off to their usual slow start. However, they were in the lead throughout. At quarter time the board read 4-3 for Ursinus and 10-5 at the half. The third quarter spurt netted 12 points for the lassies and wound up that quarter, 22-12.

Joanne Duncan, Anita Frick and Giny Dulin went in at the forward posts during the game for the starting forwards Jane Brusch, Irma Keyes and Winnie Mutchler. Evie Moyer was the only substitute guard. Peg Hunter, Mary Evans, and Floy Lewis were the starters.

The guards played another beautiful defensive game holding the opponents to a low score of 14 with their interceptions, anticipation and fine covering.

The red, old gold and black racked up a total of 29 points still being rather lax on their foul shooting making only 30 percent of their trys. Jane Brusch was high scorer for the Collegeville gals netting 12 counters with ever-dependable Ginny Dulin running second with 8 points.

PMC Is Victim of Punishing Bruin Scoring Assault

Zeigler Ends Collegiate Basket Weaving; Sets Scoring Mark

The Bears finished their 1947 season in a swashbuckling basket carnival that saw the shattering of two Ursinus records and some of the finest play of the year. The team's 80 points smashed the 78-point record set against the same PMC club on the home court earlier in the season, and Dave Zeigler's 30-counter dipping ripped the school's individual scoring mark set by Dave, himself, earlier in the campaign against Moravian.

PMC's hapless hardwooders didn't look so hapless in the first two chapters of the fray as they matched a blazing local club basket for basket and held a knotted count at 27-up minutes before the intermission. The Cadets were able to muster but one bucket to counter Ursinus' three at this point and left the floor behind by 35-29 at the midway gun. Zeigler flipped fourteen and Much managed eight to keep the Bears atop in the nip-and-tuck first half.

From here on it was Zeigler and Ursinus all the way as the Bears displayed their most merciless assault of the year, surging to 45 points in the final half. Twenty-six of these points came in the closing chapter as his mates fed Big Dave in an effort to send the scoring ace away from his final intercollegiate fray with a bang. And a bang it was as the hefty forward punished the cords for a total of sixteen in the last two periods.

The Cadets completely wilted before this closing flurry as it was Zeigler with a pair of swishers, then Snyder with a left-handed heave, and Jaffe with a tap-in before the intermission smokers had re-settled in their seats. PMC, cooled completely by the onslaught, resorted to frantic tactics, letting fly with shots from here and yonder. But the story had been told, and it was seldom the hometowners could break through the rebound cordon of Jaffe, Myers, Snyder, and Much for more than one heave at a trip.

Brandt and Forsyth entered the show at the end of the third period and each weighed in with contributing baskets, while Zeigler, Snyder, turning in his finest performance of the season for hometown rooters, Jaffe, and Much all hit for double digits. Billy Myers sparkled in the play-making department.

In the jayvee prelim Dick Randall's 16 points and Pete Tenewitz's 14 were not enough to beat off a last half surge by the embryonic cadets and the cubs fell 48-41. It was the jayvees' eighth loss against five wins.

Clamer-Derr Lead Tourney as Interdorm Basketball Continues

Clamer-Derr forged into the lead in the interdorm basketball tournament as a result of a forfeit by Sprankle-Stine-944. The Derr squad now has won three contests while dropping none. The only other contest of the week was also won by forfeit with Freeland-Fireroft getting credit for the victory over Day Study.

Alumnae Girls Cop League Title With Win Over Temple

The Ursinus Alumnae won the championship of their league last Thursday night by defeating the Owlettes, former Temple stars, 39-33.

The season is divided in halves. The Owlettes had won the first half while Ursinus came through undefeated to take the second half. Thursday night the playoffs to determine the final champs was held. The two teams have been bitter rivals since early college days when Nat Hogeland, Blanche Schultz, Nance Landis Wood and others played against Anne McConagie Volp, Peg McClure, etc.

The Owlettes scored the first goal but Ursinus came right back to equal the score. And so it went in the first quarter with Ursinus scoring one more field goal and foul shot than Temple to lead 10-7. The second quarter Ursinus sunk a few more than Temple to gain a more decisive lead. The half ended 21-16.

From then on it was definitely Ursinus' game. Nothing could stop Doris Harrington while Blanche Schultz, Nancy Wood, and Deanie Sinclair held the Owlettes to three field goals. The third quarter score was 35-22 in Ursinus' favor.

Ursinus didn't do much scoring in the last period while Temple put quite a few in. With six minutes to go Blanche Schultz was removed on fouls and Sal Secor replaced her. However, Temple still couldn't sink enough to get near a win or tie. The game ended, 39-22, a decisive and exuberant victory for Ursinus. Doris Harrington was high scorer for the night with 26 points. However, it was the combined teamwork of Molly Ramsey, Hogeland and Harrington that set up the plays for her.

After the game a banquet was given for the victors and the handsome gold trophy awarded them for their fine team play.

Varsity Sextet Takes 42-23 Rosemont Win

Racking up twenty-five points in the first two periods of play, the girls' varsity sextet romped to an easy 42-23 victory over Rosemont on the losers' floor last Tuesday. The Ursinusites pulled away to an early lead in the first quarter and were never in danger of being overtaken. For the victors it was their fourth win of the season against no losses.

Top player of the game was Captain Jane Brusch with twenty-three markers. Jane made good on ten field goals and three foul shots. Her faking and pivoting were very effective, enabling her to elude the Rosemont guards and put in her shots.

The work of the guards in this game was also outstanding. Not only did they intercept passes and control the backboard, but throughout most of the game, due to their tight defensive play, Rosemont was forced to take long shots or set up screen plays in order to score. This type of play by the guards has been one of the contributing factors in all of the coeds wins this season.

Swarthmore Wins 19-17 Over Jayvee

The Ursinus jayvees dropped their second game of the season by a 19-17 score to Swarthmore last Wednesday on the winner's court. Jackie Landis led the scoring for the losers with four field goals and a foul shot for nine markers.

Except for the halftime score of 12-6, the Ursinusites never trailed by more than two points in any period. However, Swarthmore held the edge in height and their defense proved to be a hard one for the forwards to crack. The winners were thus able to hold their lead from the very outset of the game.

Third String Topples Beaver in 27-16 Game

In the third team game at Beaver on Saturday, the Collegeville sextet made it a clean sweep for Ursinus when they topped the home club in the final game of the day, 27-16.

Although the score at halftime was deadlocked at nine all, the victors scored 18 points in the second half to make the win a decisive one. The forward combination of Joanne Duncan, Emily Smith, and Ruthie Pettit proved to be a hard one for the Beaver defense to stop as they chalked up points both on layups and set shots.

Faith Emerson, Jane McWilliams and captain Millie Wilson at the guard spots also did a commendable job in retrieving the ball from the backboard and intercepting the passes of Beaver's forwards.

Co-Coaches Named

(Continued from page 1)
Main Line league. His most recent antics for the Collegeville entry in last year's Main Line league proved one of the highlights of the local nine, as he led the club at the plate by a substantial margin.

During his stay at Ursinus Mr. Pancoast has coached freshman basketball in the '41-'42 season, and has served several years as assistant football mentor. This year, however, will mark his first attempt at collegiate baseball coaching.

The two men have announced that practice for the battery men will probably begin tomorrow with the general call for other candidates ticketed for two weeks hence. In the meantime both coaches will meet with all men interested in seeking varsity berths in a future gathering.
