## October 2022

Welcome to the monthly newsletter focusing on professional and career development for ODU graduate students. This newsletter is brought to you by [ODU Career Pathways](#), a university-wide career and professional development program for graduate students and post-doctoral scholars.

### About Career Pathways

ODU is committed to supporting graduate student success by providing career and professional development programs to bridge graduate school and career success. The Career Pathways program provides resources, programs, events, and planning tools to help graduate students transition into thriving careers upon completion of their graduate degree programs. Career Pathways is free and is available to all ODU graduate students and post-doctoral scholars.

Career Pathways offers two Certificates:

- [Preparing Future Faculty \(PFF\) Certificate](#) – designed for graduate students interested in an academic career. [More info.](#)
- [Preparing Future Professionals \(PFP\) Certificate](#) – designed for graduate students interested in a non-academic career such as in industry, non-profit/non-governmental organizations, or government agencies. [More info.](#)
