## Join The Debate Team

This 1972-73, Parkland College will enter inter-collegiate debate for the first time. Parkland will attend approximately ten collegiate novice tournaments from October through February. These tournaments are already scheduled: University of Illinois, Illinois State University, Eastern Illinois University, Northern Illinois University, Illinois Wesleyan University, Bradley University and Western Illinois University. Also, there are possible tournaments in Indiana, Wisconsin, and Missouri; and highlighting the year, Parkland College debaters might fly to Los Angeles, California, for the Junior College National Championships if they win a major novice tournament during the tournament season.

Whether you've previously debated on the high school circuit or have no debate experience as of yet doesn't matter. If you're interested in learning how to present, defend, and refute ideas, debate might be the activity for you.

As you well know, debate consumes a great deal of time; however, debating can be an enjoyable, worthwhile, and profitable experience. Besides traveling out of state for overnight tournaments (Parkland assumes the expenses) and developing argumentative skills in communication, debate can reward you with a full scholarship to a major university upon your graduation from Parkland if you've become a competent enough debater. With only an investment of time, debate could

be the most profitable venture you'll ever attempt.

Of course time is of great importance to Parkland's future debaters because many of you are involved with your studies and part-time jobs. However, due to these conflicts much of the debate preparation and practice will be accomplished through individual and team efforts.

If you are interested in debating, the topic is, Resolved: That the Federal Government should provide a program of comprehensive medical care for all U. S. citizens. Start reading all articles on this topic from Newsweek, Time, and U. S. News and World Report; check out books from the library, and think about arguments supporting or negating the resolution. But, most of all come and talk to Parkland's Director of Debate, Chuck Newman, on Tuesday, September 5 at the Gergory Building on Student Activity Day, or come to the first debate squad's meeting on Tuesday, September 12, at 11:15 a.m. in Methodist Room 13, or come by his office at the Jefferson Building. If you have any pressing questions and you can't find him, call his home, 359-2188.

Come out and try to make the Parkland College debate team; see if you can put your mouth where your mind is. Mr. Newman thinks the Parkland College debaters will have a good time this year, and he predicts that if you once taste competitive debate you'll be hooked. Why don't you find out by giving debate a try.

OFFICERS OF STUDENT GOVERNMENT: (left to right) Charles Gerron, President; Cindy Eng, Vice President; Charles Ehmen, Senator-Campus Organizations; Kathy O'Connell, Secretary. Absent: Harvey Wall, Senator-Convocations and Fine Arts.

## We Need You As A Candidate

The governing body of the students is an active and responsible Student Government. Student Government administers student affairs and acts in behalf of the student body.

Students are elected to positions on Student Government by the Students. Elections shall be conducted September 27 and 28. The deadline for all student candidates is September 21. Student Government encourages new students to be candidates for Student Government.

The following posts on YOUR Student Government will be elected by YOU on September 27 and 28:

- Treasurer
- Senator-Athletics and Intramurals
- Senator-Public Relations and Student Publications
- Senator-Student Services
- 3 - Day Senators (at-Large)
- 2 - Evening Senators (at-Large)

The requirements for the Treasurer candidates are that they be enrolled in a minimum of 12 credit hours during the Fall Quarter. The evening senators must be totally enrolled in the evening program. All other senators must be enrolled in not less than 9 credit hours.

Student Government is composed of two branches--Executive Branch (President, Vice-President, Secretary, and Treasurer) and the Legislative Branch (Senate). The Senate consists of ten senators, of which a maximum of eight represent the day student body and two represent the evening student body.

Job descriptions and responsibilities of Senators, applications for Senators, and petitions are available in the Student Activities Office or during Student Activity Day. Information will be forthcoming at the Activity Day.

## Get Your Free TB X-ray Insurance

Here is your chance to have a TB Chest X-Ray "right-on-campus" during the first two weeks of classes. Participate NOW as this opportunity will not be repeated during the Fall Quarter.

The test will be given in various locations on campus and will take approximately two to three minutes of your time. It is a simple test which will be administered by the College Nurse, Mrs. Inga Corbett, and interpreted by her within a three-day period. There is no charge and it's to your advantage to participate in this special program designed to improve and maintain your health.

The testing will be scheduled at the following locations within the designated time periods:

**Monday, September 11**  
Edgebrook Bldg. - 8:00-11:00 a.m.

Gregory Bldg. - 7:30-8:30 p.m.  
**Tuesday, September 12**  
Science Bldg. - 9:30-11:30 a.m.

Methodist Church - 7:30-8:30 p.m.

**Wednesday, September 13**  
Episcopal Church - 9:30-11:30 a.m.

Take advantage of the excellent Health and-or Accident Insurance Program which is available to all students who are enrolled in nine or more credit hours.

Some of the benefits include major medical protection to \$1,000; hospital room and board; hospital miscellaneous expenses; treatment by a legally qualified physician or surgeon; dental treatment to natural teeth if caused by accident; professional ambulance service; and other services.

For further detailed information, rates, and exclusions, please secure your copy of the information brochure and application from the Office of Student Activities in the Student Center or the Health Service Department located in the Gergory Building.

**Monday, September 18**  
Presbyterian Church - 8:30-11:30 a.m.

**Tuesday, September 19**  
Methodist Church - 8:30-11:30 a.m.

**Wednesday, September 20**  
University Avenue - 8:30-11:30 a.m.

**PLAN NOW TO PARTICIPATE IN THIS HEALTH PROGRAM DESIGNED FOR YOU.**

## Parkland College Art Gallery Founded

The Parkland College Student Association's "Fine Arts Committee" is in the process of establishing a Parkland College Art Gallery.

The primary criteria of the establishment of the art collection is the enjoyment of art and the understanding of art through the work. Therefore, all students of Parkland College are encouraged to donate their "piece of art" to the College for possible inclusion in the art collection.

Upon receipt of the piece of art, the Arts Committee will formally accept the work; the work shall be properly mounted in an appropriate manner; and bear a name plate of the artist and year contributed to the collection. In addition, the committee will be responsible for all shipping costs and insurance. The committee will photograph all pieces of "art" and will present to the artist a group of colored slides of the work for the artist's portfolio.

## First I.O.C. Meeting

It is imperative that all organizations have a REPRESENTATIVE present for this important "kick-off" meeting on TUESDAY, SEPTEMBER 12, at 12:00 NOON in Methodist 15.

Discussion will be directed toward program planning for the Fall Quarter, method of applying for your club's financial allocation from Student Government, student elections, use of ditto machine, storage of supplies, and other related information.

Plan to have your representative present.

## Joe Stocks Memorial Scholarship

The Joe Stocks Memorial Scholarship is awarded annually to the student who in the opinion of the faculty advisors of the Student Newspaper and Student Yearbook shall best serve these student publications as an active and enthusiastic photographer.

Students who have had past experience as a photographer and are enrolled at Parkland as a full-time student, have a GPA of not less than 2.00, if previously enrolled in college, and are interested in photography or a related vocational goal are encouraged to apply for the scholarship.

The Memorial Scholarship is a quarterly remuneration of \$50.00 in memory of Mr. Joseph Stocks, a well-known community photographer and publisher.

Any student interested in applying for the scholarship are encouraged to register in the Office of Student Activities in the Student Center. Awarding of the Scholarship shall be made during the second week of the Fall Quarter. Apply NOW. Don't hesitate.

It is the ultimate objective to have an extensive art collection for display on the new campus and a series of specialized traveling exhibits available to other colleges, universities, high schools, libraries, communities, and interested organizations and groups.

If you're interested in participating and seek further information, please contact the Office of Student Activities in the Student Center.

by (Greg Embry)

Some of you, when paying your tuition recently, may have noticed a fee called the Student Activity Fee.

The Student Activity Fee (S.A.F.) is levied upon each Parkland student at the rate of 50 cents per credit hour per quarter. For most of you registered as a full-time student this means you will pay about \$24.00 this coming year.

All money derived from the S.A.F. goes into the accounts of the Parkland College Student Association—which is administered by the Parkland College Student Government elected by YOU. Last year \$56,000.00 was derived from the

S.A.F. This year we anticipate a slight increase due to an anticipated increase in enrollment. This year the money will be spent similar to last year. It will support activities as dances, movies, sports events, bands, folksingers, clubs, intramurals, literary magazine, lectures, plays, debates, etc., and student publications, one of which you are reading this moment.

In the past, it has not been customary to inform students regularly in detail about the manner in which their money was spent. In breaking with tradition, I felt it was necessary so that a larger number of the student body would be aware of the programs here at Parkland

that are financed with your money.

On behalf of Student Government, I would like to welcome new and returning students to Parkland. Also, I would like to invite all of you to visit the Student Government Office (It's in the back of the Student Center) and talk with us. Perhaps with better communication, this Student Government can be the most responsive in Parkland's history.

The following is a breakdown of the Parkland College Student Association budget for the fiscal year ending June 30, 1973, as passed by Student Government August 11, 1972.

## Just For You

When you consider tuition fees, books, etc.—it's a joy to be able to offer something of value—that's **TRULY FREE!** The free student gift-pax kits of toilet articles are again being made available to our student body as well as in over 2,100 other colleges and universities throughout the United States. This good will promotion of leading U.S. manufacturers has been packaged by Gift-Pax, Inc. for the past seventeen years and has been made available to us on a first come—first served basis.

Free student gift-pax will be available to the student body at registration. There are coed assortments and male oriented product assortments as well.

The various clients represented in each student gift-pax kit are—Bristol-Myers, Tampax, Inc., Procter & Gamble, Carnation Co., Colgate-Palmolive, etc.—with appropriate assortments going to male and female students in colorfully designed re-usable toilet article kits.

Come early (while the supply lasts) and bring your identification (I.D. Card) to receive your student Gift-Pax.

## Registration By Mail

A new registration by mail option was extended to Day and Evening Students during the Fall Quarter 1972-73. This option proved to be both popular and efficient so the same privilege will be extended during the Winter and Spring Registrations. Students are cautioned that only those individuals who pre-register during the scheduled advisory period will be extended this privilege for the Winter Quarter.

Some students were unable to register by mail for the Fall Quarter because their current address was not on file with the Office of Admissions and Records. Others had neglected to have their financial assistance records brought up-to-date in time to have such assistance credited to their statement of tuition and fees. Hopefully, these matters will be taken care of during the Fall Quarter in order that all students may exercise their privilege of registration by mail for the Winter Quarter.

Additional information concerning the registration by mail option may be obtained from Faculty Advisors, Counselors, or from the Office of Admissions and Records. **LEST YOU FORGET:** Students who registered by mail should report to the Office of Student Activities between 8:00 a.m. to 12:00 noon or 1:00 p.m. to 5:00 p.m. during the first two weeks of classes to have their student I.D. Card made or validated.

## Want A Change In Your Courses?

No schedule changes, except to drop a class may be made during the registration period.

Interested in changing to a different section of a scheduled class or to drop or add a class—you have the pleasure of securing a "Request for Change in Class Schedule" at the end of registration or at the Admissions Office window in the Student Center. Also, it's your honor to have the signature of either your advisor or counselor on the form.

Also, you have until the 15th of September to add a class. Apply at the Admissions Office for further data.

The final day for withdrawal from classes with a 75 per cent refund of tuition is September 19th. In addition, the final day for withdrawal without a record is September 19th.

It is important that you contact the Office of Admissions and Records if you intend to "drop" a course or cease to attend classes. The result of "you" not notifying the Admissions Office may result in you receiving "F" grades for courses which you have ceased to attend and participate in during the quarter.

### RECREATION IN STUDENT CENTER

Student Services is sponsoring games and activities in the Center. Tournaments and contests will be scheduled during the year and students are encouraged to watch the Prospectus and Sprinkler for tourney dates and contests.

Some of the games available for YOU this FALL are:

**SKITTLES**—An intriguing game. All are fascinated by the spinning top which knocks down pins for various scores as it travels through the box.

**TABLE CRICKET**—Fast and popular game for 2 to 8 players. Each team tries to hit ball through goal. Lots of action and excitement.

**BOX HOCKEY**—Exciting and noisy game. Each player holds a stick in one hand and attempts to knock the puck through the goal. Game is played on the floor.

**CHESS**—Avail yourself to the "Fisher" special. Learn the game and then enter our tournament later in the year.

These games and others may be checked out in the Student Activities Office located in the Center. Games will be checked out for one-hour periods and by a student identification card.
