## No Tax Anticipation Warrants For Parkland

Parkland College will not have to issue any tax anticipation warrants for this year, according to Dr. William M. Staerkel, college president, Wednesday night at the college Board of Trustees meeting.

Dr. Staerkel also reported that the state appropriations bill for junior colleges had been amended in committee to provide a \$17.50 flat grant per full-time equivalent student. This is \$2.50 less than in the original bill, but it is \$2.50 more than the present appropriations.

The original bill had also provided an equalization factor for poor junior college districts. The amended bill provides no equalization factor, but does earmark \$2.5 million in additional funds for districts with losses in taxable revenue next year as a result of reduced property tax base.

Action was postponed until the June board meeting on a new sabbatical leave policy after board member Harold A. Miller, an attorney in Champaign, pointed out several opportunities for clarification in the proposed policy wording, which would eliminate possible confusion in interpretation.

The board also reappointed its

treasurer, Floyd T. Bauman of Champaign, and the firm of Aldeen & Mitchum as its attorneys.

### New Fulltime Faculty

The board also approved contracts for six new instructors for the 1971-72 year. The new faculty members include:

Hope Bucher, 1013 Anderson, Urbana, who will be a biology instructor. She holds an M.S. from the University of Illinois and a B.S. from Marimont College, Tarrytown, N.Y. Mrs. Bucher taught seven years at Sacred Heart of Mary High School in Rolling Meadows.

Edward Humpherys of Provo, Utah, will be an art instructor. He holds a master's degree in fine arts from Brigham Young University, Provo, Utah; and both an M.S. and B.A. from Chico (Calif.) State College. He has taught basic drawing, design, ceramics and oil painting at Brigham Young and oil painting and ceramics at Yuba City (Calif.) High School.

Ernest Johnson, 1702 W. Clark, Champaign, will teach psychology. He holds both an M.A. and B.S. from the University of Illinois. Johnson was a teaching assistant at the U of I and also

worked as a child care worker at Adler Zone Center.

Susan Levy of Wantagh, N.Y., will teach Dental Hygiene. She has an M.S. degree from the University of Illinois; a B.S. in education from the State University of New York at Cortland and an A.A.S. from the State University of New York at Farmingdale. Miss Levy has worked as a dental hygienist and also taught health education at East Junior High School, Brentwood, N.Y.

William Moore of Fort Worth, Texas, will be a counselor. He holds an M.S. from California State College at Los Angeles, Calif.; an M.A. from the University of Texas at Austin; and a B.A. from Baylor University, Waco, Texas. Moore has four years of experience in freshman orientation at South Campus of Tarrant County Junior College, Fort Worth, Texas, and also taught high school algebra and geometry.

Michael Vitoux, 602 Scottswood Drive, Urbana, will be a sociology instructor. Holding both an M.A. and B.A. from the University of Illinois, Vitoux taught "Sociology of Cultural and Racial Minorities" at the U of I.

Both Mr. Vitoux and Mr. Johnson were previously part-time instructors at Parkland.

## Nurses Form Alumni Assn.

Parkland College nursing alumni are the first graduates to organize an alumni association.

The Parkland College Nursing Alumni Association was organized Tuesday, May 17, by Parkland 1970 nursing graduates and Parkland nursing students who will graduate in June.

Delores Richardson of Champaign was elected president, and other charter officers elected to serve for one year include Loretta Leman of Urbana, vice president; Kathy Denhart of Champaign, corresponding secretary; Pat Willard, R.N. who is a nurse at Burnham City Hospital, Champaign, secretary; and Cathy Smith, R.N., who works at

Mercy Hospital, Urbana, treasurer.

The president, vice president and corresponding secretary will graduate from Parkland's nursing program in June.

The Parkland Nursing Alumni Association is contacting all Parkland alumni from the 1970 graduating class to invite them and the June graduates to a general meeting June 28 at 7:30 p.m. at Shakey's Pizza Parlor, Champaign. Alumni should call one of the officers for a reservation.

The new organization plans to meet four times a year on the last Monday of June, October, January and April.

## New Nursing Course

Leadership in Patient Care is a new nursing course to be offered this summer by Parkland College.

The eight-credit course is designed for graduate nurses and includes the principles and practice of management in patient care through team nursing. All roles of the health team will be explored with an emphasis on the administrative functions of the head nurse.

The six week course will concentrate on the team leader's role in planning, giving, supervising

and evaluating patient care.

The class will meet from 8:30 to 10:30 a.m. on Mondays and Tuesdays with additional clinic hours to be arranged. The first day of class is June 21.

Graduate nurses interested in registering for the course may contact Sister Julia Moriarty, director of nursing at Parkland, for further information. Registration on campus will be June 17 and 18 from 1 to 4 and 6 to 8 p.m. both days at the Student Center, 134 W. Church in downtown Champaign.

WASHINGTON

TO THE 1971 GRADUATING CLASS  
PARKLAND COLLEGE

The continued success of the American Experiment depends primarily on the qualities of heart, mind and spirit of our young people. As college graduates you have not only the training and idealism, but the opportunity and responsibility to build through further study or through your chosen careers the kind of society which will make further generations proud to identify with your accomplishments.

I know that you will not fail to become part of a positive response to the needs of America: a response worthy of her resources and capacities; worthy of the historic courage and the wisdom and will of her people. Your studies have given you the tools to dedicate yourselves in a very special way to helping overcome some of the most difficult problems we face; and as you become further involved in these efforts, you will continue to discover more examples of the ways in which the complexities of modern life make it imperative for us to work together.

The destiny of our nation is not divided into yours and ours. We share it. There can be no generation gap in America. We must all keep an open mind and forthright spirit, balance the courage of our convictions with the courage of our uncertainties, triumph over bigotry and prejudice and recapture the unity of purpose that has always been our strength.

Your fresh ideas and candid approach can be a strong deterrent to division and a valuable asset in building the alliance of the generations we so urgently need if we are to advance the cause we share. As I congratulate you on this graduation day, I do so in full confidence that you will answer this need both in your careers and in your daily lives.

# Letters To The Editor —

Dear Editor:

It has been announced by letter to your college president and counseling personnel, effective Summer 1971, that our University will give recognition to your graduates who have completed a baccalaureate oriented associate degree program. Please permit me to explain further how the above policy will be implemented. You may care to include this news item in your next college publication.

Graduates from regionally accredited two-year institutions with a baccalaureate oriented associate degree will be granted admission into the University, will have satisfied all lower division general education requirements, and will be given junior class standing. The above student, however, will not have necessarily met lower division departmental prerequisite course requirements. Departments which have specific lower division requirements will continue to insist upon these courses being completed.

Students transferring without the baccalaureate oriented two-year degree will have to complete general education (General Studies) requirements as would our own native students. These requirements also have been revised for those students entering the University beginning with Summer 1971. The following points can be considered notable changes in the General Studies program at Carbondale:

1. The program consists of 67 quarter hours instead of the previous 90 hours.

2. GSA - The Physical and Biological Science area has been reduced to 16 hours instead of 22. These hours still must represent a minimum of three different fields (three different department areas). The Physical and Biological areas need not be

represented.

3. GSB - The Social Studies area has been reduced to 16 hours and a minimum of three areas are to be represented.

4. GSC - The Humanities area has been reduced to 16 hours and now includes foreign language. Students beginning after June, 1971, will be able to apply only 6 quarter hours of a language to this general education area. Again, three different departmental areas must be represented.

5. GSD - The Oral Communications has transferred the foreign language required to area C of General Studies and has reduced math to one course consisting of college algebra.

6. GSE - The Health and Physical Development area requires five hours and can be satisfied by an combination of activity courses and/or a healthful living (Health Education) course.

The above changes will be incorporated in our revised edition of the *Counselor's Handbook* which should be available for distribution in August of 1971. Counselors and faculty advisers on your campus should have this publication which is to be used as a guide for course and curriculum selection prior to transfer. The Handbook also includes many other "specifics" pertaining to the prospective transfer and our University. If additional policy changes affecting the transfer student occur, you can be sure that such information will be forwarded as available.

If you or other members of your college community should need additional information pertaining to the above or should questions arise, please do not hesitate to contact me personally.

Sincerely yours,  
Thomas E. McGinnis, Coor.  
Community College Relations

Dear Sir:

I just recently read the April 1, 1971 issue of the Prospectus and I was appalled at the cartoon desecrating the most Holy of all Holy events.

Our Lord and Saviour, Jesus Christ, was conceived of the Holy Spirit by the virgin Mary. The cartoon you allowed to go into print was a mockery of the blessed event of the birth of Christ. During the time of her conception to the birth of Christ the Bible says that "Joseph knew her not."

As Christ said as He hung on the cross, "Father forgive them, they know not what they do." Christ lived a sinless life here on this earth and then gave His life as a ransom for our sinful nature, to all who will accept Him and put their faith and trust in Him.

As for Mary using the "Rhythm Method", I'm sure that she and her husband practiced as was set forth in the Old Testament as in Leviticus 15. Read it and be enlightened. Also read what the Apostle Paul had to say about fornication, adultery, and other practices so widely accepted today. Read it in the I Corinthians 6:9-20.

Never at any time does the word of God teach anything that would con-done the new morality and permissiveness that is all the rage of this day and age. God is the same yesterday, today and forever. He never changes, only the people of this world change in their attitudes and ideals.

God gave each and every one of us the freedom of choice. What choice will you and all those who enjoy such printed material make: To follow Christ and His teachings, accept Him for what he has done for you, put your faith and trust in Him—or will you choose to go on printing and enjoying such printed material without regard to the "End There-of," which is Eternal

Death or should I say eternal separation from God and take your place in the "Lake of Fire".

The choice of you and your staff of the Prospectus is a very critical one. My prayer is that you will choose wisely.

I challenge you to read the book of John in the Bible. Especially study the third chapter. If after that you still want to and can conscientiously print material like this last cartoon I refer to then all I only can say, "May God have mercy on your soul in the day of judgement."

No, I'm not a goody goody. I claim only to be a sinner saved by God's grace. I know that when I sin, and the Holy Spirit points this out to me, I can come to God and ask His forgiveness through the Lord Jesus Christ

Ellis W. Unzicker  
P.S. I also am a student of

Parkland and have been taking night courses ever since it opened up in 1967.

Note:

With many religions still advocating the rhythm method as the only method of birth control in today's society, I felt a need to point this out.

Our population is growing at many times the rate it should be for the amount of resources needed to support it. Effective means of birth control need to be practiced so everyone may live comfortable in our country. At the present growth rate we will not live as comfortable as we want to unless drastic changes are made.

I felt a need to point this out, and so the reason for the cartoon. There are becoming too many souls for God to save.

# Conveniamus - "We Come Together"

Conveniamus is derived from the Latin word "Convenia" meaning suit, to interview, assemble, combine, harmonize, agree or come together and the ending "amus" meaning we. Together it could be, we interview, we assemble or we agree, take your pick. It is pronounced Cōn Wen iā müs, the v is pronounced like a "w."

Conveniamus, Parkland's yearbook is in its second year of publication under the direction of Janet Gundlock, editor and Harry Goodman, editor and Harry Goodman and Tom Whiting advisors. The yearbook staff

meets every Wednesday from 5-9 in the conference room in the Student Center. But lately they have been working nightly to meet the printer's deadline.

The theme of this year's annual is **BRANCH OUT**. The cover is light lime green with a tree on it silhouetted in black. **Branch out** is also stenciled in on the front leaf. The only other color in the 120 page book is in special effects.

The staff consists of Lester West, business manager, Donna Fulton, layout editor, Ken Rosekopf, special effects editor, Jody Shaffa, Copy editor and

Debbie Cross, Cindy Kaufman, Kay Martin, Carol Boyce and Zileta Coons staff members.

In talking about the problems of putting out a yearbook editor Janet Gundlock said: "we are very disappointed about the turn out of students for sales and picture taking. Putting the yearbook together is very difficult especially since it's only the second year and 3/4 of the staff haven't worked on a yearbook before."

The yearbook will be passed out during fall registration next year. Those students not coming back will have the **Conveniamus** sent to them.

The Yearbook Staff, left to right 1st Row--Tom Whiting, Harry Goodman, Advisors, 2nd Row--Pat Junkins, Janet Gundlock, Cindy Kaufman, Zile Ha Coons. 3rd Row--Carol Boyce, Ken Rosekopf, Lester West, Kay Martin, Debbie Cross.

Lester West, Janet Gundlock, Terry Cassidy, and Pat Junkins sell subscriptions for the Conveniamus during registration.

Editor Janet Gundlock checks things out during one of the evening sessions.

# Gravel Announces Draft Filibuster

Led by Alaska Seantor Mike Gravel, an attempt to kill the draft by filibuster is underway with support from a diverse group of other senators. A coalition of peace groups has organized a lobby to support the senators' actions.

They are asking that lobbying activities, including letters, wires, phone calls and coming to Washington, be focused on the final three weeks of June, when the first vote to cut off debate is expected.

The filibuster aims to talk the 2 year draft extension bill (H.R. 531) to death by preventing it from coming to a vote, leaving the present draft authorization to expire on June 30th.

The move requires support from 34 senators to be effective; and it can be stopped only by a cloture vote to cut off debate. Two-thirds, or 66 senators, are needed to cut off debate, and the first cloture vote will come up sometime around the middle of June.

Expiration of the draft may be "the last chance before Nov. 1972" to get the US out of the Vietnam war, according to Gravel. Ending the draft would cut off the limitless supply of manpower which makes continuation of the war possible, he reasoned.

National and local peace groups in Washington, Virginia and Maryland, have formed a

loose coalition to lead the fight. The coalition includes: National Council to Repeal the Draft, Friends Committee on National Legislation, Women's International League for Peace and Freedom and others.

The senators presently allied with Gravel are: William Proxmire, Alan Cranston, Vance Hartke, Marlow Cook and Harold Hughs. Coordinator of the steering committee for the anti-draft coalition is Ann Pallie.

The Schweiker amendment calling for a one-year extension of the draft, is scheduled to become the pending business there before the Senate on Wednesday, May 19th a vote has been taken that day on Mansfield amendment to cut American armed forces in NATO. Should the Schweiker amendment be defeated, a great reshuffling of position can be expected. Some of those who voted for the one-year extension may not be able to join the filibuster actively, but probably can be counted on at least not to oppose it by voting for cloture if the proponents of the 2-year extension seek a vote to try to close down the filibuster.

The leader of the filibuster can allow a vote on those amend-

ments to the pending legislation he chooses to honor. The Schweiker and Mansfield amendments will be followed by consideration of the Kennedy amendment to strike the proposed \$3,000 combat bonus included in the package reported out by the Senate Armed Services Committee, and an amendment to be offered by Senator Hughes for a general pay raise.

These will probably be considered the last week of May and the first week of June, together with other legislation the filibusterers choose till the beginning of June, and that any attempt to bring a vote on cloture would not be until after the middle of June, and might never occur if the pressure of legislative business should get too great, before June 30.

Approximately 88 per cent of young men in front-line active combat duty in Vietnam are draftees. On the other hand a huge percentage of career and volunteer army personnel are stationed in support roles and are far from the killing. The peoples lobby on the draft could close down the draft--and go a long way toward forcing Nixon to end the war.

## "Picnic" Is Cast

Champaign-Urbana Community Theatre's final production of the season, William Inge's PICNIC, has been cast by its director, Paul Brady, Instructor of Theatre and Director of Lighting for the University Theatre.

Hal Carter, the male lead, will be portrayed by Frank Himes, a student at the University of Illinois. His experience includes major roles in the University productions of THE DEATH AND LIFE OF SNEAKY FITCH, INDIANS, CALIGULA, and OTHELLO. He is a member of an experimental theatre group for which he wrote and acted in

GENESIS II. Himes has also played the male leads in the musicals BYE BYE BIRDIE and THE MUSIC MAN.

Marya Leatherwood, a theatre major at the University, plays the beautiful Madge Owens. She has also appeared in major roles at the University in their productions of THIEVES CARNIVAL, DRAGON BAG, CALIGULA and PLAY OF DAVID. She toured with the experimental theatre group to Denver and on campus in their production of GENESIS II. Miss Leatherwood is make-up designer at the Krannert Center.

The cast also includes Geneva Bostic, Terrissa Rae, Mike Heins, Trish Lockhart, Millie Genise, Tim Moore, D. Rae Kraft, Sally Mitchell and James Heins.

PICNIC, the story of a summer romance, will be presented May 28, 29, and June 4 and 5, at 8:00 p.m., at the Thornburn School Auditorium, on Springfield and McCullough, two blocks west of downtown Urbana. Tickets may be purchased at the door. For further information call 352-6213.

# MAY IS NATIONAL TAVERN MONTH

# MAY DAY 1971

by M.J. and G.L.

Cloudy skies and light showers threatened to dampen the spirits of about 1,000 marchers coming from the U of I quad to West Side Park in the "May Day" protest against the war in Vietnam.

As most demonstrations against the war across the country this year, the demonstration seemed to lack the fire, drive and people that the marchers pulled last year.

A potpourri of junior high, high school, college students and teachers gathered for the rally at the park. Police had escorted the peaceful protesters along their route, including an unscheduled turn to march around the Federal Building where the selective service office is located.

Banners protesting war were slung over the fences of the playground and on the fountain in the park. The aroma of freegrilled hotdogs tantalized many taste-buds, and by the time the scent left the air, so had about 200 people.

The group seemed leaderless for about half an hour until a make-shift stage and amplification system were set up. There was a skit denouncing the war and many speakers from Champaign-Urbana and the U of I.

Laura Rogers, the five year old daughter of one of the strike organizers summed up the day as "just a picnic and rally and I don't know what for."

Out of the estimated 500 persons remaining, only one casualty occurred when a little boy received a spanking from his father for eating dirt.

All-in-all May Day 1971 was a peaceful protest.

As the crowd awaits for the beginning of the skit free hot dogs were handed out.

People of all ages gathered in West Side Park during the protest.

Students were not the only ones in the park during the demonstration.

Even though the crowd had dwindled, many were still on hand for the skit protesting the war.
