

# SPIE Great Lakes Photonics Symposium

*Technical Abstracts*

12–16 June 2006  
Dayton Convention Center  
Dayton, Ohio USA

## Table of Contents

Conference GL101: Laser Sources and Enabling Materials .....	2
Conference GL102: Aerospace Applications .....	6
Conference GL104: Sensor-ATR Exploitation .....	12
Conference GL105: Biophotonics and DNA Photonics .....	16
Conference GL106: Emerging Photonics Technologies .....	22
Conference GL107: High Peak Power and Average Power Lasers .....	28
Conference GL108: Nano- and Microphotonics: Materials, Devices, Processing, and Applications .....	31
Conference GL109: Liquid Crystal Technology and Applications .....	39
Conference GL110: Quantum Optics, Advance Spectroscopy, and Terahertz Technology .....	56
GL200: Plenary Session .....	58
