

ABLE Assembly 2022

Inspire Student Confidence and Independence
through Perseverance and Growth in the Arts

Presenter:
Adam Goldberg

Session Goals and Participant Engagement:

1. A diversity of abilities, creative styles and personas will be represented.
2. As participants in this session, please think of your populations, and how they might best be served and engaged via the Arts to enable maximum confidence and independence.
3. Envision how the creative engine of the Arts can be applied to open doors to a better overall life for your populations, including employment and self-sufficiency.
