Mr. Hubert Creekmore,
Holiday Magazine,
Philadelphia, Pa.
Dear Sir:

First I must tell you that I enjoyed your story on Memphis. I was born and raised in Mississippi, and my family still lives in Sunflower County.

I have a story about the Delta dating back to 1872 which if well written would be a best seller. Besides it would go over as a Movie. It is a story of an Empire created in the Delta along the Mississippi River between Memphis and New Orleans wherein Memphis played an important part in the early days.

I am getting along in years now, and I would like to tell this story to someone who can write. When I say it would be the greatest story ever told of the Delta, I am not stretching it one bit. If you could arrange to visit me, I would tell you the story, and when I had finished you too would say that it is the greatest story ever told of the Delta country.

Yours very truly,

N. F. Chapman
