In celebration of American Education Week, **In Our Schools**, a special series on ETV produced by ITV as part of the SC Department of Education, features segments on key educational topics.

First, we'll learn about "**No Book Left Unread (NBLU)**," a summer reading initiative across the state coordinated by the State Department of Education, as we visit **Westside High School** in Anderson School District Five. Belying the impression that high school students don't read, Westside was the top reading school in South Carolina for NBLU 2010. We'll hear from the principal, school librarian, top reading student, and top reading faculty/staff member about why reading is important to personal and academic success and how the learning community was encouraged to participate in NBLU.

Next, we'll journey with ETV cameras to **Gadsden Elementary School** in Richland County School District One where they are still celebrating the Palmetto Gold Award they received last spring for academic success! Hear from community members, parents, students, teachers, and administrators about what this rural school located just thirty minutes east of Columbia is doing to impact student learning.

And finally, our program will look back at this summer's **I-95 Youth Empowerment Academy** sponsored by the Columbia Urban League. Our State Superintendent of Education Jim Rex was one of the leaders who worked with a group of students from struggling school districts in counties along the Interstate I-95 corridor. Leadership and life-skill development as well as college and career planning were the focus of the week-long training. Be sure to tune in to learn about these important education initiatives that impact student success as we celebrate American Education Week 2010!

NEW ITV Checklist – Your Input is Very Important

Media specialist input is needed and appreciated. We need your input on what ITV and ETV resources are being used in your schools as we look to eliminate resources not utilized, add more programs to *StreamlineSC*, determine what new resources are needed by teachers, try to get our programs closed captioned, and work with ETV to continue to migrate to the new delivery system.

Please answer the 15 questions on the last two pages of this *ITV Update* and fax the form or go online to access it and fax to 803-737-3278 by December 17.

We can better serve schools when we know your needs, so please take this opportunity to provide input and help us keep the resources and services you need to support curriculum. It will only take a few minutes to answer the questions and your timely response is appreciated.

To reach our academic goals, schools, families, and communities must address the needs of the whole child. This program discusses the Centers for Disease Control and Prevention's coordinated school health model and how collaboration among the eight components - Health Education; Physical Education; Health Services; Nutrition Services; Counseling, Psychological, and Social Services; Health Promoting Environment; Health Promotion for Staff; and Family and Community Involvement - can help students establish healthful behaviors and attitudes. It aired initially in spring 2010.

For information about using the coordinated school health model to improve the health of your students and staff, contact Lynn Hammond, Program Manager, lhammond@ed.sc.gov or Lara Peck, Physical Activity, Nutrition, and Tobacco Coordinator at lpeck@ed.sc.gov. Short Segments with Key Health Messages for Students

Eat Smart Move More SC

Repeat block feed Nov. 9, 9:35–9:41 a.m. * Channel 2 (Unlimited rights) SL

*The block feed has all six segments lined up in order listed below with 10 seconds of black between each and slate with title for each segment.

This group of six, short thirty-second (:30) segments produced by ITV and ETV in 2009 are great for school news programs, good for all age students. They feature "Corn" and his side-kick "Carrot!"

The titles in order are: **ReThink Your Drink, Right Size Your Portion, Tame the Tube, Move More Every Day, Eat More Healthy Meals at Home, and Eat More Fruits and Vegetables.**

ITV and ETV continue to work with the State Department of Education, DHEC, USC School of Medicine, and the Eat Smart Move More SC Coalition to address childhood obesity. These segments created by this team are sort of a take off on the popular Jimmy Dean sausage commercials with our veggie characters in normal work and family situations, encouraging all to make the right choices to lead a healthier lifestyle. All ages can understand the messages and enjoy the humor!

Please access Eat Smart Move More SC segments for your school news programs and/or for your school health educators. You are welcome to share these with local access channels and your entire school community because we want these messages to be heard!

Deskercise – Veterans Day and Book Week Topics

For block feed schedule of November programs and upcoming months, see grid listed below. Access these great elementary programs for your teachers!

Each 10-minute **Deskercise** program is built around a weekly theme. ITV will block feed the entire month's programs (usually 4 weeks or 20 programs) during the middle of each month PRIOR to when they are recommended for use according to the weekly themes. For example, all the programs designed with themes for December use will air November 11. ITV will repeat several November topics the first of this month so you can access them if you have not yet! (See list below)

November's theme for the third week is "Children's Book Week." The five programs, each 10 minutes, for this week all contain the same core exercise segment that relates information on the importance of reading. Each of the five programs with the "Children's Book Week" theme begins with a different warm-up segment about a place in a different state and ends with a different short health tip, but the core exercise-at-your-desk segment is the same the entire week.

The series was developed in cooperation with the American Association for Health Education (AAHE) and provided by the State Department of Education through ITV.

(IMPORTANT: See *ITV Checklist* at the back of this *ITV Update*. Please tell us there that you want to keep **Deskercise by putting two checks by it!)**

***Special block feed of the lessons for November weeks will repeat November 1, 9:00 a.m.–12:53 p.m. on channel 1** so you can access them for these special weeks in November: Lesson 9 *Election Day*, Lesson 10 *Veterans Day*, Lesson 11 *Children's Book Week*, and Lesson 12 *Thanksgiving Day*.

Schools pay approximately \$500 per school for all seven programs, but rights for individual programs can be purchased. For information on paying the fee to participate in CWEFT, contact Dale Van Eck at CWEFT 1-800-761-8331 or dvaneck@cwf.org.

Newsy Notes

- ❖ **EdTech 2010** – We enjoyed seeing so many of you at EdTech! Congrats to everyone for a great conference...especially Don Cantrell at SCDE and all the great folks that made it happen! (Did you see ITV's Rhonda Raven there? She enjoys helping SCATE with organizing and such!)
- ❖ **Special thanks to Cheraw Primary School, Westside High School, Dutch Fork High School, and McDonald Elementary School** - ITV and the ETV crew taped there in late September and October for special segments that will be featured in future **In Our Schools** programs. We really appreciated your hospitality and help. Thanks to all the students, educators, school staff, and administrators for your help in producing our programs!
- ❖ **Congratulations to Michelle Flamos, ITV Team, and Tracy Sanders, SC Virtual Schools** – both colleagues in the State Department of Education's Office of eLearning. They were selected to participate in SCDE's "Rising Stars" leadership training this year. We are proud of both of you!
- ❖ **Kudos to Frances Farrar**, who is Bette Jamison's daughter, for her professional theatre debut! After graduating from Coastal Carolina in theatre, spending two years at the Clown Conservatory in San Francisco and working in Chicago, she just completed a five-week run in the musical comedy *Nonsense*, is in the *Blithe Spirit* now, and starts in *Nuncrackers* Nov. 26 thru January 2 - all at the Palace Theatre in Myrtle Beach. (Mom is glad to have her back in SC and proud, too!)

Forward Focus

- **Finding Money for College** – LIVE January 30, 2011, time TBA, on ETV open circuit. Repeats on ETV and in the ITV schedule in February. More information in the January *ITV Update*.
- **Series with Limited Rights** – ITV will announce next broadcast of these series for early February. Watch for information in the January *ITV Update*.
