## PLEASE NOTE

Some changes which may affect you have been made in the Regulations. You are urged to read them carefully.

The responsibility for fulfilling the requirements for a degree rests with the student. He is expected to familiarize himself with the regulations and choose courses accordingly.

## COURSE APPROVAL FORM

Commencing with the Summer Session 1967, each student will be required to obtain a Course Approval Form before registering. This Course Approval Form is issued after the student has requested specific courses and the Extension Office has had an opportunity to ascertain that the requested subjects will satisfy degree requirements.

A student without the necessary Course Approval Form may not appear for the first time at the registration session and expect to complete registration without it. If you do not have your Course Approval Form, do not enter the registration line. Go first to the section marked "Course Approvals". There your course selections will be approved. Then proceed with your registration.

Clear distinction must be made among the terms APPLICATION, ADMISSION, and REGISTRATION. They represent three steps which must be taken in that order.

1. **APPLICATION** is the very first official action taken by a prospective student. These data will be evaluated and, if found satisfactory, the applicant will receive a "Permit-to-Register".
2. **ADMISSION:** This is the reception of an official statement ("Permit-to-Register") from the university that the applicant has satisfied all the requirements for the undertaking of a university program.
3. **REGISTRATION:** This is action taken by the student AFTER application has been made and acceptance received from the university in the form of a "Permit-to-Register". See page 13 for registration procedures.

#### DOCUMENTATION REQUIRED IN SUPPORT OF APPLICATION.

# GENERAL INFORMATION

The Extension Division of the University of Windsor is an integral part of the educational program of the university. It is organized to serve those members of the Windsor community and its environs who are unable to attend as full-time students. Extension students can begin a college education, continue previous programs, improve their knowledge and skills, as well as study for self improvement or avocational interests.

The courses offered are of the same caliber as the day program, and are interchangeable at any time according to the needs of the students. Degrees and Certificates are granted by the University, regardless of whether the classes were attended in the Extension Division or as full-time or part-time day students.

## RESIDENCE AND LENGTH OF COURSE

The number of years of attendance required for the attainment of any degree is as indicated in each program. This time may be reduced at the discretion of the Committee on Admissions through the transfer of credit from another university. In each case attendance at intramural classes for at least one full academic year or the equivalent (three Summer Sessions or three Winter Sessions part-time, or a combination of these) shall be required.

In the case of programs leading to undergraduate degrees, a candidate may be excused attendance for not more than one full academic year (5 courses) through the transfer of credit obtained by correspondence courses.

## Transfer of Credits

Of the 16 courses (beyond Grade 13) necessary for the general B.A. degree, the University may accept a maximum of 11 courses by transfer from another approved university or college, provided such courses are comparable in content and weight to courses given here. No more than 5, however, of these 11 courses may have been completed by correspondence.

At least two of the subjects constituting the student's major must be taken at the University of Windsor, regardless of the number of such subjects the student may have completed elsewhere.

## CLASSIFICATION OF STUDENTS

**An Adult Student** is one who lacks the regular admission requirements and who is twenty-one years of age by December 31 of the year of application, and who has been out of full-time formal Secondary School

studies for **three** years or out of Grade 13 for **two** years. A student in this category may be admitted to First Year on probation; prerequisites for a specific program are to be made up by additional courses or private study. The applicant's birth certificate must be submitted with his application.

**An Audit Student** is one who is admitted to a credit course simply as a "listener", and not for credit. He is not obliged to do the assignments and is **not** permitted to write the examination. In the event that an **Audit Student** writes the examination contrary to this regulation, the mark submitted by the examiner will not be entered on any university record.

Students registered in this category must sign the following declaration:  
I, the undersigned, understand that the courses which I am taking as an audit student cannot count towards degrees or diplomas issued here or elsewhere, now or in the future.

**A Conditioned Student** is one who, in any year, does not have standing in a required subject or subjects of a preceding year. He may not take more than 6 other courses as long as these conditions remain. (See page 22, "Limitation of Course Selection".)

**A Full-Time Student** is one who is registered in four or more full undergraduate courses.

**An O.C.E. Up-Grading Student** is one who is a college graduate, taking courses for certification by the Department of Education.

**NOTE:** Any teacher wishing to use the courses listed in this calendar for credit toward the academic requirements for Endorsement or Type A must write to the Director, Advanced Academic Requirements, Ontario College of Education, 371 Bloor Street West, Toronto 5, Ontario, for an official ruling on his standing, in order to ensure that the courses in which he wishes to enrol will meet the requirements of his own academic programs.

This permission must be obtained **EACH** time the student wishes to take a course for upgrading purposes.

New students should not wait for approval from O.C.E. before requesting application forms.

Some courses are listed in the calendar only at the general level. For purposes of upgrading teaching certificates, these courses may be taken at the honors level, but only with the **written** permission of the Head of the Department.

**A Probationary Student** is one who is placed in that category either by the Committee on Admissions or the Academic Standing Committee of his Faculty.

**A Provisional Student** is one who is allowed to attend class while his application is incomplete or under consideration by the Committee on Admissions.

If the file is not complete by the last day of registration, or if the student is not eligible for admission as a credit student, he will be allowed to continue on a non-credit basis only, as an **Audit Student**. (See "Audit", page 9).

**A Regular Student** is one who has satisfied all the admission requirements and is pursuing the course program as outlined in the calendar.

**A Repeating Student** is one who is required to pass each individual subject of an approved registration or obtain 60% average on these subjects for the equivalent of one full-time academic year (for I year, 6 courses; for II and III Years, 5 courses), if he fails to do so, he shall be required to withdraw.

**A Special Student** is one who is taking courses for credit but not proceeding to a degree at this University.

**A Transfer Student** is one who wishes to transfer his credits (at any level) to the University of Windsor from another college or university.

**A Transient Student** is one who is taking a course for credit at the University of Windsor with the **written** permission of the Registrar of his home university.

## COURSE LOAD

Under normal conditions, a student in the Faculty of Arts and Science may take no more than the equivalent of two full general courses in any one session, Night or Summer. Any exception must have the **written** approval from the Head of the Department in which the student is majoring.

Students enrolled in the Faculty of Business Administration may take two full honors courses or the equivalent in half courses.

## WITHDRAWAL AND REFUND

**READ THIS! IT MAY SAVE YOU MONEY! IT MAY PREVENT YOUR GETTING AN UNDESIRE "F" ON YOUR TRANSCRIPT!**

Non-attendance or notification of the instructor does not constitute withdrawal from classes. An Extension student desiring to discontinue any or all classes for which he has enrolled **must notify the Extension Office**. This must be done in person. If this is not possible for any reason, the withdrawal can be made by sending a Registered Letter to the Extension Office, indicating the reason for withdrawal. You must also include the receipt form received when fees were paid. If you withdraw totally from the university, you must also include your I.D. Card. When the withdrawal is made by letter, the effective date of withdrawal will be the postmark date.

Should a refund be in order, the Cashier's Office will remit a Cheque in due course.

# ACADEMIC INFORMATION

## Counselling

NO DETAILED COUNSELLING IS POSSIBLE DURING REGISTRATION. IF YOU NEED ADVICE OR WISH COUNSELLING, MAKE AN APPOINTMENT WELL IN ADVANCE OF REGISTRATION.

IN FACT, COUNSELLING SHOULD BE PART OF THE COURSE SELECTION AND APPROVAL SESSION SPOKEN OF IN THE INTRODUCTORY PAGES OF THIS CALENDAR.

## Registration

This should not be the student's first appearance at the University. It can only be made **AFTER** the student has applied and been admitted and programmed. Registration can be made in one of two ways:

### (a) By Mail

To register by mail, students must complete and return the form on page 49 of this calendar. Registration materials will then be sent, along with a Course Approval Form.

Registration by mail may not be completed after **August 15** for Night School.

This means that your registration materials and cheque must reach the Extension Office no later than **Thursday, August 15**. **If they arrive after this date, they will be returned to you** and registration will have to be made in person.

Requests for registration-by-mail materials will not be processed after **Friday, August 9**.

When registering by mail, make cheques payable to the University of Windsor. Unless the cheque in the correct amount accompanies the completed registration forms, the registration is incomplete and **WILL NOT BE PROCESSED**.

### (b) In Person

All students who do not register by mail must present themselves for registration at one of the times listed below.

At the time of registration, **ALL** students must present evidence of their eligibility to register. This must be their **Course Approval Form and the Permit-to-Register OR**, in the case of current students, their **Course Approval Form and the report issued at the last examination session**.

Registration will take place on September 3, 4, and 5, from 7:00 p.m. to 9:00 p.m. in the University Center.

Students who register after September 5 will be charged a late registration fee of \$5.00.

No student may register for or add full-year or first semester courses after Wednesday, October 2.

For second semester courses, registration will take place on January 6, 7, and 8, from 6:00 p.m. to 8:00 p.m. in the Extension Office.

Students who register after January 8 for the second semester will be charged a late registration fee of \$5.00.

No student may register for or add second semester courses after Monday, January 27.

**NOTE:** Students may register in September for half courses beginning in January by paying the tuition fee at that time. Otherwise, registration procedure must be followed in January.

**NOTE:** Students taking courses in both Day and Evening Divisions must register with the **Registrar's Office**.

## STUDENT NUMBERS

Each student registering after July 1966 will be assigned a student number by the Treasurer's Office. This number will be retained by the student throughout his university career. A record of it should be kept at all times, and be used as required on the various forms which the student will be required to complete from time to time.

In the event that you lose your I.D. Card or other record of your number, contact the Treasurer's Office.

## GRADING

The grading for individual subjects is as follows:

80-100	Grade A
70-79.99	Grade B
60-69.99	Grade C
50-59.99	Grade D
35-49.99	Grade F

All grades below 50% are considered failures.

## REGULAR EXAMINATIONS AND TERM WORK

The regular examinations will be held in January, May, and at the close of the Summer Session. If a student writes more than one examination in a course, the last mark he obtains shall be the only one considered for academic credit.

The ratio of term-work marks to examination marks is determined by the teaching staff in each subject; neither term mark nor examination mark, however, will count for less than one-third nor more than two-thirds of the final grade. To pass a subject a student must obtain an average of 50% on term work and examination; his Senate Committee on Academic Standing, however, may at its discretion withhold credit if the mark in either term work or examination is below 50%.

Term work in a course will not be credited to a student beyond the year in which the course is taken.

## SUPPLEMENTAL EXAMINATIONS

A supplemental examination is one allowed in a subject in which a student (who has not failed his year) has failed to obtain standing at the regular examination. This examination is held at a time designated by the Dean. A student granted permission to write a supplemental examination must avail himself of this privilege at the first opportunity and the time and place designated; if he does not do so, or attempts the examination but fails, he may not write further supplemental or special examinations in the course involved, but must repeat it in its entirety if he desires credit for it.

Applications for the August supplemental examinations must be in the Registrar's Office by **June 15**; forms for this purpose are available in the Registrar's Office. The fee for this is \$10.00 if written at a regular examination period, and \$20.00 if written at another time or place.

The final grade, after supplemental examinations, will include the term mark for the year. The final mark so obtained replaces the original final examination mark in calculating the student's grade.

Only **four** supplemental examinations will be allowed in the sixteen courses required for the general Bachelor of Arts degree. They will be distributed as follows: **two** in the first six courses, **two** in the remaining ten courses. If a student fails any course after the four supplementals have been written, the subject must be repeated, or another course substituted.

## SPECIAL EXAMINATIONS

A special examination is an examination other than the regular or supplemental examination, permitted by the Dean for a grave reason and after special application. No special examination may be assigned except on the recommendation of the Head of the Department concerned, after consultation with the instructor involved.

A student who fails to appear for a paper at the time set on the examination timetable will not be allowed to write on the examination paper thus missed, but may be permitted to write a special examination upon fulfillment of the conditions indicated in the above paragraph at a time determined by the Registrar after consultation with the Department and Instructor involved. The fee for a special examination is \$10.00 if written at a regular examination period, and \$20.00 if written at another time or place.

## FAILURES

### (a) Failure of a subject:

To pass a subject a student must obtain an average of 50% on term work and examination.

If the mark obtained in a subject is in the range 35—49.99%, a student may be allowed to write a supplemental examination (see page 15).

A student who has been allowed to write a supplemental examination, and fails to obtain 50% in it, will not be eligible for re-examination without a further year's attendance in the course in which he has failed.

An Extension student who fails a prescribed course (i.e., after writing the regular or supplemental examination) must repeat that course at his next session of attendance, if the course is offered.

#### **A failed course may be repeated once only.**

If a student fails two out of any consecutive six courses, or has less than a 50% average on the six courses, or has a low major average, his case will be considered by the Academic Standing Committee of his Faculty.

A student who does not officially withdraw from a course (see page 11) and does not write the final examination, will receive a failing grade in that subject and will not be entitled to further examination without repeating it.

### (b) Failure of a year:

A student who has failed his year is not permitted to write any supplemental or special examinations on the work of that year, but will be allowed to retain credit in subjects in which he has obtained 66% or better (Faculty of Arts and Science) or 60% or better (Faculty of Business Administration).

A student who is required to repeat his year in the **Faculty of Arts and Science** must obtain a passing grade in each individual subject of his approved registration or an overall average of 60% at the following spring examinations. If he fails to meet this requirement he will be required to withdraw from the Faculty of Arts and Science.

A student who is required to repeat his year in the **Faculty of Business Administration** must obtain an overall average of 60% and an average of 60% in the Honors courses, or withdraw from the Faculty.

### (c) Readmission of students who have been required to withdraw for academic reasons:

Students who have been required to withdraw must withdraw for one complete year from all regular and Extension courses. They may then reapply to the Senate Committee on Admissions for readmission. The Committee may refuse the petition for admission, admit to part-time day or Extension courses only, or admit to full time studies. Such students, if re-admitted, will be subject to the regulations applying to repeating students.

Students who have been required to withdraw a second time, will not be eligible for readmission under any conditions.

## APPEALS

### (a) Aegrotat Standing:

A student who wishes to receive consideration on account of serious illness or bereavement or other grave reason prior to or during the examination should communicate with the Extension Office **before the close of the examination period**. Documents in support of this appeal (e.g., a medical certificate) must be submitted to the Extension Office **within a week of the close of the examination period**. In such cases the Committee on Academic Standing may grant standing in the subject or subjects concerned on the basis of the term mark alone.

### (b) Other Appeals:

While all papers in failed subjects are re-read before the grades are submitted, and every care is taken to record marks accurately, any student who considers that some factor affecting the final mark on the examination was not considered by the examiner, may appeal to have the subject reviewed. This request should be submitted in writing to the Registrar's Office within two weeks of the official publication of student grades, together with a fee of \$10.00. In the event that the grade is changed as a result of the appeal, the fee will be refunded.

Appeals should be addressed to the Secretary of the appropriate Faculty, and sent to the Registrar's Office.

## GRADUATION

If your present registration completes your degree requirements, contact the Registrar's Office for other information relative to graduation.

Registration in any program does not constitute an application for a degree or diploma.

An official application for graduation must be filled out and filed in the Registrar's Office 30 days prior to the Convocation at which the applicant hopes to graduate.

In cases in which credit is sought for work done elsewhere, official transcripts or other documentary evidence required by the Registrar's Office, not already submitted, must be conveyed to the Registrar's Office prior to the same date. Failure to comply with these regulations will disqualify the student for graduation at the Convocation concerned.

Each prospective graduate must be present in person at Convocation in order to receive his degree or diploma, unless excused for a serious reason by his Dean, and unless arrangements have been made with the Registrar to receive the degree in absentia.

## TRANSCRIPTS

Students wishing to order transcripts should contact the Registrar's Office.

## LIBRARY SCIENCE

### ADMISSION REQUIREMENTS

The following are the requirements for regular admission. Students lacking regular admission requirements may be admitted under special conditions (see page 20).

#### Admission To First Year

Admission to First Year of the University is obtained in one of the following ways:

##### (a) From Ontario Grade 13:

The general admission requirement is an average of 60% on a minimum of seven credits, including a language or Mathematics A.

The language may be English, French or a foreign language; it is strongly recommended, however, that English be included among the seven credits.

Among the seven credits required, either Music or Art, but not both, will be acceptable as an option for admission to programs which allow for optional Grade 13 subjects. The following will not be acceptable: Secretarial Practice, Accountancy Practice, Mathematics or Investment, Problems.

In addition to the above Grade 13 requirements, applicants for admission to First Year should also have completed at least six Ontario Grade 11 and 12 subjects (excluding Physical Education) with an average of 65%. While not absolutely compulsory, it is strongly recommended that these subjects include:

Another language	Science (Physics and Chemistry)
English	Geography or History
Mathematics I and II	

Credit value of Grade 13 subjects: Mathematics AB=3 credits; English, all languages, and Mathematics A=2 credits; all other subjects=1 credit.

### **(b) From Preliminary Year**

The satisfactory completion of the Preliminary Year prepares a student for admission to First Year of all undergraduate programs, provided the proper subjects are chosen.

### **(c) From Outside Ontario:**

An applicant who has completed High School work outside of Ontario should submit the Departmental or other official certificates (originals) to the Committee on Admissions for a decision regarding eligibility for entrance.

The General Certificate of Education of **Great Britain** (or an equivalent certificate from elsewhere in the Commonwealth) will admit to the First Year provided it indicates satisfactory completion of five subjects, with two at the Advanced Level appropriate to the course chosen, or four subjects with three at the Advanced Level appropriate to the course chosen.

## **Special Admission**

Students lacking the regular admission requirements as outlined above may be admitted to the University under one of the following:

### **(a) Adult Student:**

A student who lacks the regular admission requirements, and who is twenty-one years of age by December 31 of the year of application, and who has been out of full time formal Secondary School studies for **three** years or out of Grade 13 for **two** years, may be admitted to First Year on probation (see below); prerequisites for a specific program are to be made up by additional courses or private study. The applicant's birth certificate must be submitted with his application.

### **(b) Teachers' College Graduate:**

Graduates of the one year program of the Ontario Teachers' College, who do not otherwise qualify for admission, may be admitted to First Year Arts on a six-course probation program.

Of the first three courses taken, two must be taken during the same session, a grade of 50% obtained in each, and an average of 60% on the two course combination. At the end of the two course session, if the required grades and average have not been attained, the student may be required to withdraw from the university. If the required grades and average are attained, the student may continue in Extension on probation until the six required courses have been taken. To remove probation, the student must pass six courses with an overall average of 50%.

### **(c) On Probation:**

A student lacking the full admission requirements may be placed on probation by the Committee on Admissions. Probation is removed when the student passes his probationary period.

Students placed on six course probation must pass four of the first six courses taken and obtain an average of 50% on the six. Should the student fail his year, he will not be allowed to repeat, but will be required to withdraw from the Faculty. For regulations pertaining to the possible readmission of students who have been required to withdraw, see page 16.

An Extension student who fails to remove probation must withdraw from the university for one full year. He may then apply for re-admission. If he fails a second time, he will be required to withdraw permanently from the university.

**(d) On Trial:**

A student may be accepted into a particular course program on trial; if such student shows unsatisfactory progress, he will not be permitted to repeat the same course program but will be required to transfer to another.

**(e) Audit Student:**

For regulations pertaining to this category see page 9.

## **B.A. PROGRAM (General)**

## NOTES:

- I. Where the course description indicates that the registration in a particular course is limited, the enrolment will be determined by the following criteria:
- (a) The student must be admissible to the university.
  - (b) The student must have submitted a request, **in writing**, for the subject. Post date of this request will determine the priority. Use the form on page 49 for this request.
  - (c) Registration forms which were sent to the student must be completed and returned to the Extension Office, along with a cheque in the required amount. Failure to observe the above procedure may cause the student to miss out on inclusion in a limited group. Limitation demands that preference be given on a "first come, first served" basis.
  - (d) Persons holding course approvals for "limited enrolment" courses **MUST** complete their registration by **August 15** to be assured of a place in the class. After that date, registrations will be accepted from other students up to the established limit.
- II. NO AUDIT REGISTRATIONS WILL BE ACCEPTED IN LIMITED CLASSES.
