

Reducing emissions in Australia

Paper prepared by Karen Bubna-Litic, University of South
Australia, for the IUCN Academy of Environmental Law
Colloquium 1–5 July 2012, Baltimore

- ▶ The rate
- ▶ The coverage ie which ghg's are targeted?
- ▶ Knowing which companies are targeted ie which ones are 'liable entities'?
- ▶ Reporting on emissions
- ▶ Knowing what their caps are
- ▶ Forward knowledge of caps
- ▶ Reporting on compliance with caps
- ▶ Reporting on efficiency measures
- ▶ Transparency in encouraging energy efficiency
- ▶ Penalties for non-compliance
- ▶ Public registers

The rate; coverage

Caps; baselines – NIGERS

Energy efficiency

Energy Efficiency Opportunities Act 2006 (Cth)
