Patience Slowly Set My Mind Free

By Chase Negley

Patience upon patience, the wait leaves me shaking inside. I know I can't rush the healing, so patience upon patience is where my health and peace reside. If I just take care of this wound, that is my brain and broken heart, my life which I can't imagine will prosper, so with patience upon patience, I will let it be. Letting time combined with wisdom won't save this whole damned world, but with patience upon patience, my saving grace, it may just be.
